sumkalem Lake Settlers' Association are wondering why the upper valley is so quietly ignored in the matter of roads. We have been told by those who seem to know that if our name had been Conservative instead of Settlers' FOR LEASE-Rooms now occupied by Association we would have been able to demand a road over which A we could safely travel at least.

As it is, we are put on a level with Siwashes and compelled to do our freighting with boats, at our claims in disgust.

Fortunately, he was near the shore at a point of low land and was able to get to shore, but there lare many places along the lake that are rock bluffs, affording no landing place in case of accident. That is why the lake shore road is so very necessary to the people living at the north end of the lake.

Why does one place get so much money for road work where it is not needed, and why are only favored few employed on this work in order to make a long job the Skeena Mining Division of Cassiar District.
