PRINCE RUPERT, B.C., THURSDAY, JULY 4, 1912.

PRICE FIVE CENTS

FIGHT EXTRA--JOHNSON AWARDED THE DECISION

GREAT MEN IN RAIL CIRCLES SET OUT ON TOUR OF WEST

Hon. Frank Cochrane, Minister of Railways, and Commission of Distinguished Men Appointed to Investigate G.T.P. Transcontinental, Have Reached Winnipeg on Their Way to Prince Rupert---President Chamberlin Precedes Party on a Personal Tour of Inspection

(Special to Daily News.)
Winnipeg, July 4.—The Hon. F. Cochrane, minister of railways, arrived in the city accompanied by George Staunton and F. P. Gutelius, the commission appointed to investigate transcontinental. Major Leonard, chairman of the Transcontinental, Railway Commission; Gordon Grant, chief engineer of the road, and G. W. Yates, the minister's private secretary, accompany them. The party is making an extended tour of the west as far as Prince Rupert with a multiplicity of objects.

Inspect G. T. P.
Among them will be the thorough inspection of the Transcontinental by the minister and investigation commission. The party leaves Friday for Edmonton and Prince Rupert, returning to Winnipeg probably by way of the Crow's Nest Pass Railway. From this city they depart for the north to give Hon. F. Cochrane the opportunity of deciding the respective merits of Churchill and Nelson as the terminus for the Hudson Bay line.

Winnipeg, July 4.—E. J. Chamberlin, president of the Grand Trunk Pacific Railway, left for the western parts of the system

today on a tour of inspection. He was accompanied by M. Donaldson, the new general superintendent. Questioned before his departure as to what new work would be done in the west this year, Mr. Chamberlin replied: "We have as much on hand now as we can complete. You see, at the close of the year we had 600 miles of grade on which to lay steel, and this will all be finished this year. We have also another one hundred miles of the grade ready, but it is doubtful if we can get in material to complete it this season." Mr. Chamberlin said he intended to go with Mr. Donaldson as far as the end of steel. Mr. Donaldson will then go on to the Pacific coast, while the president will return to the Atlantic coast.

Boxers Are Rematched.
Calgary, July 4.—"Billy" Allen of Ottawa and "Joe" Bailey of Victoria have signed articles for the Canadian lightweight championship. Considerable dissatisfaction was caused by "Tommy" Burns's decision, awarding the fight to Bailey, and when Allen clamored for another chance, Burns secured the signatures of both principals. The fight will be for fifteen rounds and will take place near Calgary during the first week in September.

JOHNSON BEATS FLYNN IN THE NINTH ROUND

Fight Stopped Owing to the Disgraceful Fouling on Part of Both Fighters

Rounds 1 and 2—All Johnson's. **Round 3**—All Johnson's. Flynn got in several slight blows to stomach, but was badly cut about face.
Round 4—Johnson's, with Flynn finishing hard. It is evident that the champion is holding himself in check. Flynn gave a solid left to jaw and put the champion against the ropes at the end of the round.
Round 5—Johnson kept up a running conversation with his wife and had his stomach covered against Flynn. The round was all Johnson's.
Round 6—Flynn butted with his head three times and was warned by the referee. Johnson sent in a right and left to body and one straight to Flynn's head.
Round 7—Johnson plays with Flynn as with a kitten and buffets him about the ring, obviously not trying for a knockout. Flynn misses left uppercut and receives three in return. Blows right in Flynn's face, which is a pitiful sight as he goes to the corner. Johnson's round.

Rounds 8 and 9—Johnson's. Both fighters using foul tactics. Captain Coles in explaining his action in stopping the fight in the ninth round said: "I stopped the fight because it was no longer a boxing contest nor even a prize fight. It had become degrading and brutal and Flynn was doing too much fouling."
Ed. Smith declared both fighters were fouling, but Flynn was the worst. "After Coles' interference," he said, "I could do nothing but award the fight to Johnson."
Official Decision.
Johnson won the fight in the ninth round when the police stopped the battle. Flynn was in a helpless condition. Johnson's round after round, landed on him at will and at no stage did Flynn have any chance. Johnson is officially declared the winner.

For sale—Best buy in Section 1, lots 1 and 2, block 2, double corner on lane, \$15,500; \$6,500 cash, balance 1 and 2 years at 7%. Bainter & Sloan, Phone 387.

PRINCE RUPERT TWENTY MINUTES AGO
Weather fairs up specially to keep the fireworks dry for celebration of the glorious Fourth by young America in Rupert. Everybody wondering if Alderman Montgomery will make his charges against the police force stick at the Police Board meeting.
Rival wired attractions, Rivers-Wolgaast bout and Johnson-Flynn fight, drawing their respective crowds on Third avenue. Merely Mabel says she's no political chameleon, but she's quite ready to welcome Sir Richard as at least a man whom the King hath delighted to honor.

SUSTAINS LICENSE BOARD.

The application of Mr. E. J. Maynard for mandamus to compel the local board of license commissioners to renew his bottle license has been dismissed by Mr. Justice Morrison, with costs.

FIRST FLASH: FIGHTERS FACE

Vancouver, July 4.—Johnson entered the ring at 2:36 p. m. Flynn is in his tent. Flynn entered the ring at 2:37 amid tremendous applause. Johnson received very little of it.

Johnson was accompanied by Watson Burns, Tom Flanagan, Marty Cutler, George Debray and Job Watson.
Al. Palzer wired a challenge to the winner, saying he had posted \$5,000 forfeit in Cincinnati. Luther McCarthy wired Flynn a win or lose challenge, the fight to be in New York, if accepted.

CONGRESS OF WORLD KNOWN EXPERTS TO VISIT RUPERT

Mineral Resources of the Territory Adjacent to Prince Rupert and Hazelton to be Investigated Specially by Members of the International Geological Congress---First Visit of World Recognized Association to Canada---Importance of Rupert's Tributary District Acknowledged

For the first time in history the Dominion of Canada is to be visited specially by the members of the International Geological Congress. This is an important event for the Dominion and for those districts and cities of it specially selected for excursions of the congress, as the congress is composed of men whose opinions are of world value and whose attention to any district of Canada is in itself a compliment to the importance of the place. Prince Rupert is included in the program of special geological excursions by the congress. The mineral formations and wealth of

our own tributary territory are to be investigated by experts of the world. Following is the extract from the program covering this district:

Prince Rupert and Skeena River.
Starting from Vancouver, this excursion permits of a sea voyage of five hundred miles along the west coast of British Columbia, which is notable for its mountains and floods. From Prince Rupert, the terminus of the Grand Trunk Pacific Railway, the journey will be made by rail up the Skeena River valley to Hazelton.

Since the first meeting of the congress in Paris in 1878, meetings have been held in Italy, Germany, England, the United States of America, Switzerland, Russia, Austria, Mexico and Sweden. At the last congress, held in Stockholm in 1910, there was an attendance of 850, and it is expected that this number will be exceeded in Canada next year.

Geologists from every quarter of the globe will attend the congress, and for many it will be their first visit to Canada. They will include professors from the leading universities and mining schools, officers of the various government geological surveys and mining departments and geologists and mining engineers in private practice.

Prince Rupert Particularly.

The value of the annual mineral output of Canada has steadily increased year by year for the last thirty years and is now over one hundred million dollars. Considering, however, the known resources and the enormous territory whose resources are unknown, this output is small, and Canada needs more men and more money for prospecting, development and operation. This she can best secure by attracting, not the general public, but those people whose business it is to engage in such industries and who understand their management. Geologists and mining engineers are obviously those best able to influence opinion in their own countries on the subject in which they are recognized authorities, hence the opportunity afforded by the meeting in Canada of so many eminent specialists should not be neglected.

Every effort should be made to show to the world that while our known mineral resources are large, we have an immense undeveloped territory awaiting the advent of the trained prospector. It is this aspect which makes the visit so important to Prince Rupert.

DEMOCRATS CHOOSE WOODROW WILSON

Baltimore, Md., July 3.—On the forty-sixth ballot the Democratic National Convention decided on Governor Woodrow Wilson of New Jersey as Democratic presidential candidate for the United States. Underwood withdrew and Champ Clark magnanimously released his supporters so that the majority rolled up for Wilson was a large one. The New York delegates moved that the nomination be made unanimous, and there was no opposition to the idea. The result of the forty-sixth ballot was: Wilson, 990; Clark, 84; Harmon 12. Absent delegates, 2. Governor Marshall of Indiana was chosen for vice president on the fourth ballot.

SAILOR'S FAREWELL

Last Dying Message of Rear Admiral.

London, July 3.—Rear Admiral the Hon. Algernon Littleton died yesterday in London, aged 69. It was his wish that the following message be published:
"Farewell to all my shipmates of the lower deck as well as the quarter deck."

"For Rent" and "For Sale" cards at The Daily News office.

WELCOME FOR SIR RICHARD

Suggestion Made That the Citizens, Setting Shades of Political Opinion Aside, Shall Arrange Celebration for Premier.

It has been proposed that apart from political bias Prince Rupert shall hold a public celebration of the visit of Premier Sir Richard McBride, who visits to the city, the first since his attainment of his new dignity, will take place shortly. A meeting has been announced for Friday evening at 8 o'clock in the police court room, when citizens interested and of all shades of political opinion will unite in discussing arrangements for a celebration or welcome which will do Prince Rupert credit and be remembered by the Premier.

AFTER FRUIT PRIZES

Creston, B. C., Preparing for Big District Display at Lethbridge Exposition.

Creston, B. C., July 4.—The Board of Trade has decided to make a very large district display at the International Dry Farmed Products Exposition, October 19-26, the feature of which will be the fruit for which Creston has been famous for many years. Already the orchardists are arranging to exhibit many varieties of peaches, apples, plums, etc., and Creston looks forward to sweeping all the blue ribbons in the fruit class.

IN RUINED REGINA.

(Special to Daily News.)
Regina, July 4.—Hundreds of men are now engaged in clearing away the debris, preparatory to commencing the work of reconstructing the demolished buildings and building new ones to replace those destroyed. It is now found that a number of the larger buildings that were partly demolished can be repaired. The relief fund now amounts to \$100,000. Memorial services will be held probably on Sunday.

FLOATING SHRINE

An Altar Erected on an Atlantic Liner

Montreal, July 3.—Owing to the large number of priests sailing for Europe on the Victorian this morning, the Allan line made arrangements for the daily celebration of Mass by erecting an altar in one of the public rooms of the vessel.

GUMDROP PROVED FATAL

When He Stumbled It Lodged in His Windpipe

Winnipeg, July 3.—Geo. Hendell stumbled while eating gum drops yesterday and fell, bumping his head, and dying in ten minutes. A post mortem revealed a gum drop lodged in the trachea, causing suffocation.

PRINCE RUPERT RUNNERS' RECORDS

(Special to Daily News.)
Victoria, July 3.—Two Prince Rupert boys carried off the laurels on Dominion Day at Victoria. Holmquist and Anderson took first and second prizes away from the Victoria boys in the three mile race, for which they received handsome prizes. Time—Holmquist, 15:52; Anderson, 16:27.

DRIFTED DEAD

Three Titanic Victims Found Far Away from Scene

New York, July 3.—The captain of the steamer Ilford, which has just reached Hamburg from Galveston, reports having found the bodies of three Titanic victims 370 miles from the spot where the liner sank.

Papers found on the bodies showed that they were three stewards living in the Isle of Wight. The bodies were buried at sea.

AUSTRALIA AND FREER TRADE

Hon. Geo. Foster Will Leave London on Way to Commonwealth of South to Help Negotiations for Better Trade Relations.

(Special to Daily News.)
Ottawa, July 4.—The Hon. George Foster, who is attending the Imperial conference in London, will return to Canada in the near future, and after a few days here will proceed to the Pacific coast, en route to Australia, where negotiations will be continued looking for freer intercourse in trade between the Commonwealth and Canada.

Baby Ate Fly Paper

Ottawa, July 3.—This morning Albert Louzon, aged two, climbed on a table and drank water out of a saucer containing arsenic fly paper and later chewed a piece of the paper. He died shortly after.

LOCAL JOTTINGS

Mr. and Mrs. Casley and child left for a southern trip on the Chelohsin.

R. Boyd Young of Stewart is in the city.

Miss Black, sister of Mr. Peter Black of the Central Hotel, left on the Chelohsin for Liverpool.

The Princess Victoria, with 35,000 pounds of halibut for shipment to Vancouver, is discharging at the Standard Fisheries dock.

BALL CARTRIDGES SERVED OUT AT CAMP OF SOLDIERS

WONDER IS THAT MANY WERE NOT KILLED—HOLDING ENQUIRY TO FIND OUT HOW MISTAKE WAS MADE—MANY MEN IN PERIL FROM FLYING BULLETS.

Kingston, July 1.—Through some mistake ball ammunition was served to members of the Eighth and Ninth Brigade regiments at Barriefield camp this afternoon. It was nothing less than a miracle that there were not a number of men killed. The only reason given for the mistake is that, perhaps, the ammunition came through the stores department with the wrong label.

Colonel the Hon. Sam Hughes was on his way out of the camp grounds for the railway station when the bullets whistled through the ranks.

The affair caused a big sensation, and those in charge of the camp were anxious that nothing be said about the episode. Captain Prideaux is president of the court of enquiry. No announcement has yet been made by it.

For sale—Best buy in Section 1, lots 1 and 2, block 2, double corner on lane, \$15,500; \$6,500 cash, balance 1 and 2 years at 7%. Bainter & Sloan, Phone 387.

DEAR ME, DEAR MEAT!

Record Price Paid for Beef on the Hoof.

New York, July 3.—The highest price, according to dealers, ever paid for food cattle in this part of the country was paid the other day for a carload of live beefs, sixteen in all, at the stock yards in Jersey City. A slaughterer paid for the lot the rate of \$9.50 per hundred, live weight, just as the cattle stood in the cars. The animals had been grown in the west and fattened at Lancaster, Pa.

THE WEATHER.

For twenty-four hours ending 5 a. m., July 4th: Barometer, 30.034; maximum temperature, 65; minimum temperature, 49; precipitation, .81.

Warm, clean rooms at Savoy.

PRINCE RUPERT THIS TIME LAST YEAR

Trouble in council over proposed cancellation of 15-day clause in Liquor License bylaw.

Alderman Newton charges dirty work against License Board and accuses Commissioner Merryfield of terrorizing the trade.

Alderman Douglas betrays belief that Bowser is almost almighty.

Meeting called in old Presbyterian Church to discuss woman's rights.

Newton and Hilditch, much to their discomfort, find themselves on the same side of the fence in belief that the G. T. P. gold-bricked the city over filling up the bays.
