# TRUSTEES TO STUDY PROPOSAL

VICTORIA (P) - A proposal for a single teachers salary negotiation board will be examined by the B.C. School Trustees Association.

A single board would negotiate salaries throughout the province.

The proposal was discussed before the annual convention of the association. It suggests that the negotiating board be composed of representatives of trustees, teachers, department of education and college of education, with the cost shared equally by BCSTA, BCTF and department.

The convention adopted a report from L. C. Aggett, education finance committee chairman stating that the present educational finance formula is unsatisfactory.
