DEATH OF DR. REDDIE IS DEPLORED BY OLD TIMERS

POPULAR PIONEER OF PRINCE RUPERT PASSES AWAY AFTER PLUCKY FIGHT AGAINST SERIOUS AFFLICTION—A PERSONALITY WHOSE LOSS FELT BY MANY CITIZENS.

Dr. Reddie died last night after having suffered for many months from a trying internal complaint which gradually reduced his strength. To the very last he maintained determinedly the desire to keep about as long as possible, and his figure, though greatly reduced in activity, might have been seen on the veranda of his residence on Sixth avenue to the past week. Even the night before he died Dr. Reddie was able to sit up in his chair, and his brave spirit would not permit him to become a bedridden invalid, and he endeavored to enter into conversation

with old friends who visited him up to the latest. Much sympathy is felt with Dr. Reddie's brave and sympathetic helpmeet in the time of her bereavement. The regret of all who knew the kindly pioneer medical health officer for the city is most marked today. He was a man very much esteemed indeed. Dr. Reddie was a Scotsman, and in his youth a very strong man. But a scratch during an autopsy laid the seeds for him of a serious illness, which undermined his splendid constitution, eventually bringing about his death. He lived first in Colorado, and visited the old land from there, later settling in Rupert.

COUNTY TOWN IS DELUGED

(Special to Daily News.) Dayton, Ohio, Aug. 29.—Lebanon, the county seat of Warren County, was wiped out last night by a cloudburst. Communication by telegraph and telephone has been destroyed, but riders relayed the story of the disaster to the nearby villages. Whole blocks are under water. Nearly every house and business block in the town is submerged to the upper storeys. Boatmen succeeded in rescuing a large number of persons.

San Francisco, Aug. 29.—The San Francisco Building Trades Council has issued an ultimatum to the striking members of the Housecarriers and Architectural Ironworkers Union today, ordering them immediately to call off the strike for a night hour day or suffer the penalty of having the charter of the union annulled and the places filled with other union workers. BIG CROWD, BRIGHT LIGHTS AND BRISK BIDDING AGAIN AT EVENING'S LOT SALE

Million Mark Was Reached at 10 P. M. Amidst Cheers---Local Buyers Secure Valuable Lots in Sections Six and Seven---New Standard of Prices Set for These Sections---Interest Stronger Than Ever in Sale

Section Six.
The first lot offered at the evening sale was lot 21, block 2, Fifth avenue and McBride. This started at \$12,000 and reached double that figure in a very short time. The bidding was quick as Maxim gun fire, and the price soon rose to \$30,000 in two places. By thousands it ran up to \$40,000 and was still going strong, but by hundreds only. "Don't look round, sir; look at me," commanded Auctioneer Ellis, and through the tensify there rippled a laugh. By clever auctioneering with that coaxing way of his, Mr. Ellis got the figure to \$49,000 almost without a pause, and five more one hundred bids saw the corner the property of H. W. Haskamp at \$49,500.

The next lot offered, No. 22, in the same block, also aroused brisk bidding. Hundred after hundred piled up until \$18,000 was reached with a gust of surprise. The purchaser was again H. W. Haskamp.

Lot 22, same block, started at \$10,000 and swiftly reached \$15,000. It was knocked down at \$16,600 to the same purchaser.

Lots 19 and 20 had already been sold at the afternoon session to the Daughters of the Empire for \$5,000, no one being ungalant enough to bid against them.

Lot 13, block 14, was briskly contested. This is a hundred-foot lot, corner of Sixth and McBride. It fetched the sum of \$35,800 and was bought by T. McClymont.

Lot 13, block 20, started at \$1,200. By fifties it reached \$2,800. Adolph Berner was the purchaser.

Lot 14, in the same block, started at \$2,000 and was knocked down at \$2,750 to Frank S. Evans.

The corner in the same block, lots 15 and 16, was quickly run up to \$9,000, and the auctioneer encouraged the bidders up to an even \$10,000, at which price it went to J. K. Gordon.

Lots 1 and 2, in block 23, were started at \$5,000 in two places, and small bids crept to \$6,200, the winning bid being that of M. M. Stephens.

Lot 6 became the property of J. G. Scott at \$2,900.

THE DAUGHTERS OF THE EMPIRE PROVED MOST POPULAR PURCHASERS

One of the most popular incidents of the sale yesterday afternoon was the purchase by the Daughters of the Empire of lots 19 and 20, block 2, section 6, for \$5,000. The society had approached the Premier for permission to secure these lots by private bargain, but this could not be permitted. However, the ladies decided to make a bid for the lots, and Mr. C. D. Rand explained the situation to the assembly, stating that the Premier had assured him the ladies' bid would be acceptable to the government. One gentleman asked if the "Daughters" were suffragettes. He was informed not so, but a merry feminine voice assured him that they would be unless they were allowed to have the lots. Mrs. J. C. McLennan, regent of the local chapter, made the bid amidst cheers, and not a bid was recorded against it.

ADJUSTING REAL ESTATE PRICE STANDARDS.

Within the Westholme Opera House yesterday became effective with sudden vehemence the strong powers which have with growing potentiality been bearing upon real estate values in Prince Rupert for the past two years and more. All the weight of the most concentrated outside interest in the city, all the well based confidence of the people of Prince Rupert themselves found financial expression in the prices bid for the Provincial government lots. Section One lots went high, as everybody knew they would. Section One values have been tested pretty closely by recent heavy transactions in the ordinary market. In the other sections affected, however, the opportunity for setting new standards of value was undoubted and very marked alterations in prices of property generally in Sections Five, Six, Seven and Eight will be noticed in future. Section Seven surprised everybody. Corner lots in that section have fetched at the sale prices equal to those asked previously for corners a few blocks from McBride street.

THE PASSING OF A PIONEER.

While with tense nerves and eagerly calculating minds bent on the affairs of this world men were pitting purse against purse yesterday in the arena of finance and staking in some instances all they could spare on the promise of the future for Prince Rupert, one man intimately associated with the city from its earliest days was casting away for ever the dross of this world's business and taking the splendid step across the divide into the realm where the standards of value are not of the earth but of the spirit. An old timer died yesterday—Dr. Reddie, medical health of-

lier for the city, one of the pioneers of Prince Rupert's professional circles and a personality the passing of which from the community all will regret. To the last, with indomitable pioneer spirit, the pale faced, kind natured doctor met the final mystery a man erect amongst men. Though sorely enfeebled by a fell complaint, he never lay down on a sick man's bed, but kept up and dressed even to the night before his death, meeting his old friends and striving to the latest hour to maintain his interest in the affairs of the day. But ever his thoughts would wander back to days long past when he was a stalwart scaling his two hundred, an athlete with yet the calm courage of the physician which meets coolly and conquers dread powers against which physical force is but a trifle.

Over One Million Dollars Represented in Purchases at 10 P. M. ---Highest Price Paid \$58,000 for Old Schoolhouse Double Corner---Section 7 High Prices a Surprise to Many

Twenty-four thousand dollars was the bid at which H. J. Haskamp secured lot 7, block 20, section 1. He had the option of taking lot 8 also, and a wag awoke a titter all around by exclaiming that that figure.

Lot 8, block 20, started at \$13,000, and was knocked down at \$22,800 to Herman J. Haskamp.

Lot 5, block 18 was jumped up to \$15,000 from a first of \$10,000. It leaped by five hundreds to \$20,500, and then went warily to \$20,700, where it was knocked down, the purchaser being J. S. Freeze.

Lot 6, in the same block, fetched \$20,100. It was bought by A. J. Edelbrock.

Bidding began tardily for lot 17, block 14. The price of \$18,400 was reached before long, William Watson securing the property.

Lot 16, in the same block, also went to Mr. Watson at the same price.

Lot 15, same block, fetched \$19,000, H. W. Haskamp being the lucky bidder.

Lots 23 and 24, block 19, made a small sensation with their first bid of \$30,000, and were quickly spun up to \$50,000. The audience then waited, breathless. Not for a minute or so did a bid of another hundred echo out. At this stage the lot hung tight for a time until timidly another hundred for the corner started out, only to encourage another and another slowly until \$55,100 was at last reached. There the hammer fell upon the substantial bid of E. A. Moore.

Lots 9 and 10, block 23, started at \$1,000 and there was quite a titter at the sudden falling of bids. But the bidding picked up and went quick and spirited up to \$17,000. Here it whirled up to \$20,000 and then by rapid hundred dollar bids the price ran up to \$23,900, the lot being bought by H. N. Shineman.

Lots 23 and 24, block 11, a corner, started at \$20,000. Quickly the price was doubled. Slower bids of a thousand each got the price up to \$41,000, when it snailed its way by five hundreds to \$55,000, then by hundreds to \$58,000. At this price Peter Black corralled it.

Lots 21 and 22, block 11, started at \$15,000. Bids did not seem to come too quickly for this property, the old school site on Second avenue.

After some tardy bidding the lot was knocked down for the sum of \$18,300, H. W. Haskamp being the buyer.

Lot 21, close to this one, was bought for \$19,000 by George E. Gibson, the well known old timer.

Lot 20, next door to it, began at \$15,000 and also fetched \$19,000, J. W. Peppert being the purchaser.

Lot 19, of the same set, was speedily run up to \$47,000 and William Watson bid \$18,900 to become its owner.

William Watson also purchased lots 13 and 14, block 24, Second avenue and Seventh street, which from \$35,000 by thousands reached \$48,000.

Lot 12, in this block, started at \$8,000 and was secured by Max Freed for \$16,500. The buyer took lot 11 at the same figure.

Lots 15 and 16, block 24, reached \$35,000 in two or three high rockets and then rose steadily to \$36,000, H. O. Richter being the buyer. The property is on Third avenue and Seventh street.

Lots 1 and 2, block 17, corner McBride street and First avenue, obtained a preliminary bid of \$10,000. The second one was \$25,000. This corner reached \$29,000. It was bought by H. W. Haskamp.

A rapid summation of the prices after forty-five minutes showed that the money invested had already passed the half million point, the total being \$525,800.

Lot 3, block 17, went to H. W. Haskamp for \$11,100.

The remaining lots offered in this block went as follows:

- Lot 4, \$9,500; J. J. Mackay.
- Lot 5, \$8,300; Fred Butten.
- Lot 6, \$8,050; Westenhaver Bros.
- Lot 7, \$8,050; Westenhaver Bros.

Lots 13 to 16 inclusive, \$7,050 each; bought by T. D. Pattullo.

Lots 17 and 18, \$7,800 each; Westenhaver Bros.

At this stage the sum already invested totalled \$655,500.

Lot 9, \$8,500; S. E. Parker.

Lot 10, \$7,550; S. E. Parker.

Lot 11, \$7,100; Jules Truefelt.

Lot 19, \$9,500; F. A. Evans.

Lot 20, \$9,500; F. A. Evans.

As will be noticed, the above lots increased in price as the sale proceeded.

Lot 16, block 32, was the next offered, and \$6,000 was bid. The bidding was slow, but Mr. Ellis managed to drag the price up to \$7,300, S. B. Stretzell being the buyer.

For lot 34, same block, \$7,850 was the price fetched, the purchaser, M. M. Stephens, taking also lot 35.

Lot 44, same block, was bid up to \$8,500 and knocked down to G. B. Naden.

Six thousand dollars was the first offering for lots 51 and 52, block 17, and that figure was quickly run up to \$11,000 and by small bids to \$20,200, at which T. D. Pattullo became the buyer amid cheering.

The sales in section 1 ended with the offering of lot 50, in block 17. This was sold to Vernon W. Smith for \$7,100, making the total results for the sales in this, the business, section \$831,300.

FAIRY TALES OR REALTY DEALS?

All kinds of stories are floating around these piping times of wonderful real estate deals pulled off, and the huge profits made, comparatively speaking, from a quick turn over, involving a very small amount of cash. They sound like fairy tales and make even the old tin Klondikers stop and reflect as to whether even the halcyon days of '98 can compare with the opportunities to make quick money offered by investment in Prince Rupert realty at the present time. One real estate dealer, it is said, yesterday after banking hours bought a lot merely giving a cheque for \$25 to make it a legalized deal, sold in a few hours, making a profit of \$600. Promptly picking up another lot he disposed of it the next few minutes, making a little spending money to the amount of \$500 more. A most interesting way of putting in the time between afternoon tea and dinner.

CURIOSITY NEARLY COST HIM \$100

Windsor, Aug. 28.—The curiosity of R. A. Farrell, an automobile salesman, nearly cost him the price of a \$100 diamond ring the other day. Sitting on the dock near Ouellette avenue, Farrell asked Robert Pike, another auto man, to permit him to examine a diamond ring he was wearing. Pike passed the solitaire over, but as he did so it fell from Farrell's hand into the river. The water at this point is 19 feet deep and muddy, but Farrell employed a diver and recovered the diamond in an hour at a cost of \$30. During the time the diver was submerged Farrell and Pike worked the air pump.

LARGEST WARSHIP AFLOAT

Although authorities differ as to the dimensions of the recently launched British battle cruiser Queen Mary, there seems little reason to doubt that she is the largest warship afloat at the present time. Some authorities give her dimensions as follows: Length over all, 725 feet; beam, 87 feet, displacement, 29,000 tons. She will probably make over 30 knots on trial, and to do this her turbines will have to develop not far short of 100,000 horse power. The Moltke, of 23,500 tons approximate displacement, required 90,000 horse power to drive her at from 29 to 29½ knots.

GT. BRITAIN WILL SHARE IN PANAMA SHOW

London, Aug. 28.—Rumors that Great Britain might not take part in the Panama exposition on account of dissatisfaction with the canal bill were disposed of recently when the United States embassy here received official notification from the foreign office of the participation of England in the 1915 exposition. The extent of the participation is not stated, as the allotment of space for the various countries has not yet been made. The feeling here is that any disagreement over the action of the United States as to canal tolls will be amicably adjusted before the time of the exposition.

SPLENDID REPORT OF THE C. P. R.

The forthcoming annual report of the Canadian Pacific Railway will contain a map of the system, drawn on a more comprehensive scale than any of the charts heretofore issued with the annual reports. On the new map will be shown double tracks, lines over which the company has running rights and lines projected for construction, while the names of most of the smaller stations and flag stations will be eliminated entirely, so as to present a clear picture of the system and the important cities and junction points. The company will make a new stock issue.

MAY SEIZE SHIP NOW IF CONTRABAND

(Special to Daily News.)
San Francisco, Aug. 28.—The law which subjects the captain of a vessel to fine when contraband goods are found on his ship is to be amended so that vessels will be liable for any penalty imposed and the ship will be subject to seizure in default of payment. The change in the law will be sought as the outcome of a long fight against the opium traffic by the Federal authorities.

THIS IS THE WEATHER THEY KNOCK ABOUT

This morning it rained just to show the visitors that it is not always sunny in Prince Rupert, and that our pioneer city is honest enough to show off its lots even during a specially important sale with a little moisture on them. Visitors can see for themselves today the sort of rain which the south so glorifies in telling about with frills. Old timers will agree that today is a typical Prince Rupert wet and windy day. It may be safely left to visitors to decide whether it is as bad as southern knockers would describe it. And it is the first wet, windy day we have had for many moons.

\$20,000 BLAZE TODAY IN MONTREAL

Montreal, Aug. 28.—Fire about noon today did about \$20,000 damage to the ware rooms of the Alaska Feather and Down Company, St. Ambrose street. The ware rooms were entirely destroyed. Three cars loaded with lumber on the railway siding went up in flames. It is believed that spontaneous combustion was the cause of the fire.

CHINESE FIGHTING FIERCER

London, Aug. 28.—The Chinese government will send an ultimatum to the Khan of Urga calling on him either to withdraw the declaration of Mongolian independence or take the consequences. The situation at Tannanfu, Manchuria, is grave. The troops, outnumbered by insurgents, have been compelled to retreat, though fighting continues. Chingan-Hsien has been occupied by the rebels.

KING WAS NEARLY HIT BY AUTO

London, Aug. 28.—King George had a narrow escape from a serious accident while motoring in Lancashire a few days ago. At a sharp turn in the road the royal car came directly upon another and a smash seemed certain, when the driver of the other car turned sharply into a ditch. Fortunately, its occupants were not injured.

That more than one heart is an aching void since the Juvenile Bostonians have recruited their forces from the ranks of Prince Rupert's budding talent.

LAKES STRIKE IS OVER

Toronto, Aug. 28.—The strike of the longshoremen is over, the men at noon today going back at the old rate of 25 cents an hour. There were plenty of men waiting for work, and these with the crews unloaded and loaded the ships' cargoes so that nearly all were able to leave on time.

MILLIONAIRE MAY COME TO THIS CITY

Montreal, Aug. 28.—T. Frame Thomas, a London millionaire, closely connected with many South American companies, has embarked on a tour of the Dominion that will cover many thousands of miles and will last two months.

JOHNSON-JEANNETTE BATTLE

New York, Aug. 28.—Assurances that the proposed bout between Jack Johnson and Joe Jeannette would be staged in this city advanced a step tonight, when the McMahon brothers, proprietors of the St. Nicholas Athletic Club, posted with the sporting editor of a New York newspaper a certified cheque for \$5,000 as a forfeit binding them to stage the bout at the St. Nicholas on September 25th. It was said here that Johnson was expected to post a \$5,000 forfeit in Chicago tonight. There is still doubt that the State Athletic Commission, which regulates boxing in New York State, will allow the two colored men to meet here.

BISHOPS ARE IN IMPORTANT CONSULTATION

Bishop De Pencier, of New Westminster, who, with his fellow churchman and friend, Canon Jocelyn Perkins, of Westminster Abbey, London, is visiting Prince Rupert at present, staying at the residence of Bishop Du Vernet, is here on rather an important mission. He is consulting with Bishop Du Vernet on matters affecting the institution at Point Grey of a theological college, to meet the needs of the province as regards the Anglican Church within its borders. This college, Bishop De Pencier says, will cost \$200,000 at least. Its board of governors is presided over by Bishop Du Vernet, and it will serve the whole province. As yet the site has not been allotted to the church by the Provincial government, but this stage is expected very shortly, after which the erection of the building will go ahead.

Mr. Wangers, one of the leading jewelers of the city of Victoria, arrived on the Prince George this morning to attend the sale of government lots.
