## SOCIALIST ATTEMPTS TO MURDER ROOSEVELT

### NEW YORK GIANTS RETURN TO FORM AND DEFEAT BOSTON RED SOX BY THREE RUNS

#### SQUAWMAN KILLS THREE AND ESCAPES IN WOODS

FRASER VALLEY SQUAWMAN MURDERS THREE AND THEN ESCAPES INTO WOODS—POLICE AND POSSE HAVE HIM SURROUNDED.

(Special to Daily News.)  
Vancouver, Oct. 14.—A squawman today shot and killed William Jasper, Wally Jasper and George McNeil, a white man, near Deroche, in the Fraser Valley, and later escaped into the woods. He has been located and Constable Lester and a posse are surrounding him.

He married a young squaw and McNeil caused trouble between them. He met the three men and William Jasper's squaw driving in a wagon yesterday and opened

fire. The squaw brought the bodies to Mission.

#### Before the Cadi.

In the police court this morning the charge of theft against Charles McNab was withdrawn. An Indian whom Constable Doolittle arrested last night for being drunk and with whom he had considerable trouble was assessed \$10 and costs.

#### EX-PRESIDENT ROOSEVELT IS SHOT BY SOCIALIST WOUND NOT SERIOUS

Ex-President Victim of Attempted Assassination at Milwaukee Last Night Where He Was Resting After Tour Bulletin Says Wound Not Serious

(Special to Daily News.)  
Milwaukee, Oct. 15.—Ex-President of the United States Theodore Roosevelt, the Progressive candidate for the presidency, was shot in this city last night by a Socialist, who, it is believed, is demoted.

Colonel Roosevelt was stopping in the city for a few days resting after his recent political tour through the Middle and Southern States. He was conferring with leaders of the "Bull Moose" movement and when but a few steps from the Kilpatrick Hotel, where he was staying, was suddenly confronted by the would-be assassin, who drew a revolver and shot the ex-President.

Immediately bystanders who recognized the Colonel rushed to his assistance and grappled with his assailant, who had only been able to inflict one wound.

Medical assistance was obtained immediately and he was given every attention. After a consultation the doctors issued a bulletin to the effect that the wound was no serious.

Feeling runs very high in the city as a result of the shooting, and Socialists, as well as others, are loud in their denunciation of the dastardly act.

Colonel Roosevelt arrived in this city for a few days' rest, coming from Gary, Indiana, via Chicago. His voice under the strain of the campaign was in a terrible shape and he intended to rest for a few days before continuing his active campaign. He refused yesterday to participate in a joint debate at Cleveland with W. J. Bryan.

His last speech was to the mill hands at noon yesterday at Gary.

#### MONTENEGRINS TAKE TURKISH FORTS BY FIERCE FIGHTING

BULGARIA TO DECLARE WAR—GREECE DEMANDS SATISFACTION—TURKS INVADE SERBIA AND BATTLE IS IN PROGRESS.

(Special to Daily News.)  
Podgoritza, Montenegro, Oct. 14.—Montenegrin troops occupied three more Turkish positions yesterday. The Turks fought desperately and both sides lost heavily.

Since the start of the war the Montenegrin army has lost 256 killed and over 800 wounded.

Athens, Oct. 14.—Greece demands the immediate return from Turkey of the merchantmen seized last week.

Berlin, Oct. 14.—A despatch from Constantinople says that Turkey has rejected Bulgaria's demands, and it is expected that Bulgaria will declare war immediately.

Austria's military movement toward Russia is progressing and is giving diplomats considerable uneasiness.

Belgrade, Oct. 14.—Turkish troops invaded Serbia today near Kistazatz, and a desperate battle is in progress. The Serbian troops are defending the frontier stubbornly.

#### GIANTS BEAT BOSTON REDS

New York Plays Up Well and Captures Game by Good Margin.

(Special to Daily News.)  
New York, Oct. 14.—New York returned to form today and decisively defeated the Boston Red Sox by a score of five runs to two. Throughout the game was replete with good plays and snappy batting. The sale of seats was as great as at the opening game. The Giants scored five hits in the first inning. The batteries were Marquand and Meyers; O'Brien, Collins and Gaby.

#### BECKER MAY GO TO JURY

Counsel Says His Defense Is Complete if No Further Evidence Is Offered by Prosecution.

(Special to Daily News.)  
New York, Oct. 14.—Becker may go to the jury without any further defense was the statement of his counsel. "There is not enough evidence to convict him," said he. "If the State's case is no stronger than it appears, I cannot see that my client has anything to answer for."

#### BAYLEY SCRAPS BROWN NEXT

Popular Prince Rupert Favorite Will Mix with Pal Brown, who Defeated Dick Hyland.

Calgary, Oct. 12.—Arrangements were practically concluded last night for a fifteen round bout here on Thanksgiving Day between Joe Bayley of Victoria and Pal Brown of Hibbing, Minn., who shaded Dick Hyland here last Saturday for the lightweight championship of Canada. Bayley's demands were two thousand dollars, but they were slightly modified on condition that he is allowed training expenses.

Fighting Dick Hyland will likely meet Kid Lucas, Calgary's fighting fireman on the same bill.

#### INCREASE IN LIVING COST

Reports Say That High Cost of Living is Still Increasing at Alarming Pace.

New York, Oct. 15.—Evidence that the cost of living still is rising at a more alarming pace than ever before is given in the latest compilation of the Bradstreet monthly index of prices, which includes not only food but metals, textiles, coal, building material and a number of other things which go to make up the ordinary necessities of life. The figures for September show that the cost of living climbed up more during that period than in any previous month. The September index number 9,4515 is not only the highest on record, but represents a jump of 2.5 per cent. over the August figures. As compared with the previous high record, touched on May 1, last, the advance is 1.9 per cent.

#### Men's Own Elect Officers.

At a very enthusiastic meeting of the "Men's Own" at the Methodist Church last night, the following were elected officers for the ensuing year: President, E. L. Fisher; vice president, Fisher; secretary, A. T. Allison; treasurer, W. G. Berry. Mr. Berry was also elected captain of the basket ball team.

#### Union Men Strike.

Salt Lake City, Oct. 14.—Several thousand men in the mills and smelters at Garfield went on strike because they were asked to handle non-union ore.

#### Kelly-Hawley Nuptials.

On Saturday afternoon the marriage of Mr. Frank W. Kelly of this city, son of Mr. and Mrs. Frank Kelly, and Miss Helen Hawley, daughter of Mr. and Mrs. Hawley, was celebrated. The wedding was a quiet one and the young couple left the city on the Prince John on a short wedding trip before many of their friends were aware of the interesting event.

Great bargains are now to be had in furniture, carpets, crockery, lamps, stoves and ranges. The Big Furniture Store at Second avenue is now slaughtering its entire stock before moving.

#### Auction Sale—Furniture.

On Wednesday next at 2:30, at corner of Fifth avenue and Taylor street, good quality household furniture and effects, without reserve. 242-243

#### POLICE ARE CALLED IN TO KEEP ORDER IN THE COUNCIL CHAMBER

Mayor Newton Calls in the Aid of the Police When Alderman Morrissey Will Not Stop Talking--Supt. Matthews Resigns Position--J. N. Wilson Appointed to Charge of Telephone Department

"Police! Call the police!" was the cry that reverberated through the city hall last night in Mayor Newton's stentorian tones. No criminal had invaded the sanctity of the council chamber nor was the limb of the law to be invoked for the protection of life or property. It was Mayor Newton's method of bringing Alderman Morrissey to order, after failing to do so by shouting at the councilor, and outdoing him in pounding the table.

The cry for help in maintaining order was the final result of Alderman Morrissey's attack on the police commissioners for not taking action in regard to an officer who, Alderman Morrissey said, refused to do his duty because the man whom he had been called upon to arrest belonged to the same fraternal order.

Those who attended the council meeting to see the "fun" were not disappointed for there was considerable excitement during the course of the evening.

Superintendent Matthews of the electric light plant sent in his resignation, which was accepted, to take effect at the end of the present month and not on the 15th of December as requested by Mr. Matthews.

Mr. J. N. Wilson of Vancouver was appointed by ballot to the position of superintendent of telephones, lately vacated by Mr. Love.

All the aldermen were present and the hall was full of spectators when City Clerk Woods read the minutes of the previous meeting, which were adopted without alteration.

Mr. Matthews wrote resigning his position as superintendent of the power and light plant. He stated that he wanted it to take effect on December 15th. This would give the city time to secure another man and he would be pleased to give the new superintendent any information and help in his power.

#### PENITENTIARY GUARDS KILLED

Hundreds of Prisoners Rebel and Kill Guards in Desperate Fight—Troops Being Sent.

(Special to Daily News.)  
Rawlins, Wyo., Oct. 14.—Following a jail break on Saturday, when several hundred convicts attacked the guards in the Wyoming penitentiary, desperate fighting has taken place. Thirty prisoners regained their liberty and it is said that several guards are dead. The Governor has been asked to send troops.

Alderman Kerr questioned the Mayor as to the architect whose brilliancy was evidenced in the building of the crossing at Fulton street and Third avenue.

Alderman Lybbavn, chairman of the Board of Works, rose to the defense of his department and explained that the crossing had been laid in strict accord with the provisions of the bylaw. In this he was supported by Alderman Morrissey.

#### MAY NOT HAVE REDISTRIBUTION

Premier Intimates After Council Meeting That Redistribution May Not Take Place.

Ottawa, Oct. 15.—At the conclusion of the Cabinet Council meeting, Premier Borden made the statement that the date for the opening of Parliament would not be announced until next week. The general expectation is that the opening ceremonies will take place on Thursday, November 14th, although there is still a possibility that the date chosen will be November 21st. The latter date will not be decided upon, however, unless it is found to be absolutely impossible to have things in readiness for the earlier date.

Some doubt still exists as to whether or not the redistribution bill will form a part of the sessional programme. As there will be much to do without it, there is no possibility of a general election taking place next summer. If the government's naval policy is not brought down this session, it may be considered expedient to defer redistribution until the 1913-14 session.

#### BUILD MILL AT COMOX

Canadian Western Plant to Have Capacity of 100,000 Feet Daily.

Comox, Oct. 15.—The Canadian Western Lumber Company is erecting a saw mill at Comox for handling small fir and hemlock logs, which cannot be easily towed to Fraser Mills, near New Westminster owing to their liability to become waterlogged. The new plant will cost \$100,000 and will have a capacity of nearly 100,000 feet daily.

Col. A. D. McRae, managing director of the company, stated that construction of the mill is well under way. It will go into commission early in the new year.

**Editorial Notes and Clippings**

**CLEAN UP THE EATING HOUSES.**

Yesterday in the police court a restaurant keeper was fined for not complying with the civic health bylaws in regard to the proper sanitary condition of his kitchen. While his dining room was in an apparently clean condition, the place where the food was prepared was, according to the report of the health officer, unfit for human beings to work in.

Nothing should be cleaner than the room in which the food for human consumption is prepared and the health department will have the support of every citizen in their efforts to clean these places, where men and women pay good money to eat, at least clean food.

Almost every epidemic has its origin in a dirt and filth, and if the keepers of eating houses do not comply with the law they should be prosecuted to the full extent.

**PRAYERS FOR THE STRIKING MINERS.**

In certain of the churches at Nanaimo last week prayers were made by the congregations for the striking miners at Extension and Cumberland, and when a minister, Rev. Howe, of the Baptist Church, asked those who sympathized with the men in their fight for life to stand not a single person remained seated.

Not all those who stood were coal miners. Many of them would probably be making well were it not for the fact that the miners are on strike, but knowing conditions as they exist and realizing that the underground workers are battling for life, the congregation of that large church rose en masse.

We relate this incident just to show how the feeling is toward the miners by those who are conversant with the conditions under which they labor.

**NEWS NOTES OF THE GREAT WEST**

In Regina new warehouses are thrown open by City Council, to be served immediately by C. N. R. spur track.

Eastern manufacturer bought a large tract of land in Winnipeg for the construction of a wagon works. A Winnipeg financial firm announces they will build a large office building in Edmonton. An additional 50,000 bushel elevator is under construction in Fort William.

Fifty to seventy-five cars of wheat are passing through Saskatoon daily from the Goose Lake country. The crop in that district alone is estimated at 25,000,000 bushels. Pratt Food Co. will build a factory here next spring, employing forty men. The Boyd Syndicate of New York place one of a chain of five mills here, of a thousand barrels capacity. A new machinery company is to build here in the spring.

**THE SERMON DID NOT BENEFIT HIM**

**While Man Worships Another Runs Away With His Coat and Hat in Ketchikan Church.**

Ketchikan, Oct. 14.—Some men have one excuse and some another for failing to go to church but Floyd Ryus will have the best one from now on. He went last night to the Methodist Church, and as the night and his overcoat were both damp he hung the latter in the church vestibule and went inside. When it came time to go home he went out into the hall to get inside his coat and found that somebody had "beat him to it," and had left nothing to take its place. Floyd kept most of the rain off himself on the way home by the heat he generated, verbal and otherwise, and is now looking at every overcoat he meets on the street to see if it is his, and woe betide the man inside the coat when he finds it.

**Joe Wood Six Years in Ball.**  
 "Smoky" Joe Wood has been in baseball six years and is only 23 years old. He played with the Hutchinson, Kas., team in 1907, and in 1908 performed with such good grace for the Kansas City nine that Boston purchased him. For the last five years Wood has been with the Red Sox. He started playing ball with the Sox when he was 18 years of age. Wood lives in Parker Glenn, Pa., and bats and pitches right handed. He stands 5 feet 11 inches in height and weighs 180 pounds.

**You Can Thank Advertising**  
**NEXT** time you step into the corner store, take a look around. Of all the articles on the shelves, how many were on your shopping list five years ago? Make it ten years, and you will find that most of the things you buy to-day—and could not do without—were not even made then.

You men and women who buy things, let this sink in. You are better men and women because of advertising. You eat more wholesome food. You wear better clothes. Your home is better furnished. You have cleaner and more sanitary houses. You read better books and magazines. You seek more healthful amusements.

Your whole standard of living has been raised—and why? Because the men who make these better things are telling you that you will be more comfortable, happier and healthier if you use these higher grade goods.

It is advertising that makes it possible for you to buy "the best" right at your corner store. It is advertising that encourages the inventor to make new comforts and new utilities and enables you to buy them almost immediately after they are perfected.

J. J. Hill says this "high living" costs more. True for J. J.—but it is worth more. And leaving the cost aside, do you want to go back to buying jam out of a pail, oatmeal out of a barrel, raisins out of sticky boxes, or tea exposed in an open chest?

Do you regret the money you paid for a Player Piano?

Would you forego the new style razor?

Isn't a Tungsten worth a thousand candles?

Would you now be enjoying these if enterprising manufacturers had not told you about them in their advertisements?

Isn't life brighter because we have new and higher standards of living?  
 Let us thank advertising for it.

Advice regarding your advertising problems is available through any good advertising agency or the Secretary of the Canadian Press Association, Room 503, Lumsden Building, Toronto. Enquiry involves no obligation on your part—so write if interested.

NEW STYLE OF BOXING SHOWN IN THE HYLAND-BROWN FIGHT

(BY JACK LINCKE.)

In the Brown-Hyland event one saw the modern boxer contrasted with the old time fighter who had been accustomed to work into a clinch, and with one arm free whaled away at any vulnerable portion of his opponent's anatomy above the belt, making it impossible for the referee to reckon anything save the physical effect of the blows.

As to Burns' methods of conducting the battle, let me say it is as natural for Tommy Burns to adhere strictly to the esthetic even in the boxing game as it is for him to lead an ideal moral life abroad and give his proverbial unstinting fealty to his bright family.

I recall vividly my negotiations with Burns when I was making the match for Flynn. As a usual thing match making is a distasteful business, especially in dealing with the rank and file of prize fighters.

It was this realization that helped best to accept the new order of things as inaugurated by Burns at his arena, and convince me that his efforts to conduct the boxing game free from every objectionable influence is

ITEMS OF SPORT!

Nick Williams has been unflinching in his praise for Bill James, the Seattle kid pitcher who goes to Boston. Now we know. James, it develops, beat Portland seven games this season without a skip.

A New York baseball writer recently penned a paragraph that the Giants were full of fire and would make things hot for the Sox when they tangled.

President Bob Brown hopes to land Sport McMurdo for next season's team. McMurdo was with Victoria last year, but went to Winnipeg last spring.

The major league clubs overlooked the best left hander in the Northwestern League when they failed to put in a draft for Herb Byram, according to a Vancouver writer.

Sacramento put in no drafts for lesser leaguers. Owner Jack Atkin believes his plan of buying players of known quality is the best plan for rebuilding his team.

A practice of the Canadian Rugby Club has been called for this afternoon at 5 o'clock at Beacon Hill. The following are requested to attend: Norris, Challes, Laidlaw, O'Halloran, Churchill, Mellray, Dodd, Meakins, Burns, Vincent, Johnston, Gallon, Towne, Galliher and Willison.

President Dugdale of Seattle seems to be able to see Tealey Raymond now and has announced that his kinkily haired shortstop will continue to manage the Giants in 1913.

Beno McLean, of Kelowna, wants a bout with Cyclone Scot.

the local middleweight. The latter wants to hear from Frank Barrieau before accepting McLean's deft.

The New York Giants' speed on bases has not been much in evidence in the two games played. On Tuesday no bases were stolen by either team, and yesterday each made two thefts.

Mathewson got a bad start, but steadied down and pitched grand ball. With perfect support he would have held the Red Sox to two runs at the most.

A match with Pal Brown has been promised the winner of the Sealer-Barieau bout at Edmonton on Saturday.

Boston, Oct. 14.—The profits of the world's series this year will be greater than ever before to the players. The Red Sox, if they win, will receive \$4,024.63 each.

POLICE CALLED TO KEEP ORDER

(Continued from Page 1.)

were allowed to get in arrears to the extent of nearly \$100. The Board of Works reported recommending changes in several of the city sidewalks to preclude the possibility of any accident from rocks dropping off lots where cuts had been made to grade the streets.

Alderman Morrissey asked the Mayor if the police commissioners had done anything in the matter of discharging the policeman who refused to do his duty and arrest a man who was accused of the Frizzell robbery because the accused belonged to the same order.

Mayor Newton told Alderman Morrissey that the police commissioners did not have to report to the Council, but to show that they were not haughty he would say that the commissioners had gone fully into the matter and on the advice of the solicitor had decided not to take any action.

Alderman Morrissey wanted to know particulars and gave some facts regarding the refusal of the policeman. He had asked the chief to get some one else to arrest the man as he and the accused were fellow members of the same society.

Alderman Douglas thought that the work of the commissioners was something in which Alderman Morrissey had no right to interfere.

Alderman Morrissey, who was becoming heated, repeated his question as to whether or not the man had been discharged, and turning to Alderman Douglas sarcastically asked when he had become the champion of the police commissioners.

Mayor Newton, when again questioned by Alderman Morrissey, tragically cried out: "You're after my scalp!" but the alderman denied any wish to follow out the practice of the wild Indian in regard to His Worship's pate.

Then followed a wrangle between the two to the delight of the spectators, while Aldermen Kerr and Douglas periodically interjected cries of "Order."

Alderman Montgomery could not refrain from taking part in the debate and seconded Alderman Morrissey.

Alderman Clayton endeavored to put a stop to the affair, which was assuming the appearance of a recent Hague conference meeting, but the aldermen were too much engaged to pay any attention to any call for a halt.

Alderman Montgomery, with the light of battle in his eye, demanded that the affair should be fought out in council. The actions of the commissioners were not satisfactory to him.

Mayor Newton again expressed his belief that the councillors were trying to get at him and made reference to Alderman Montgomery's late episode with the police.

Alderman Montgomery was not slow to take the opportunity to bring his case before the Council again and, as usual, in a few minutes he and Alderman Clayton were calling each other down and arguing as to which had the most sense. Alderman Montgomery claimed that Alderman Clayton did not possess the common or garden variety of sense, and the other asserted that he was thankful that it was not the common sense possessed by Alderman Montgomery, but was of a superior quality.

Alderman Dybhavn thought that a good way out of the scrape would be to put the onus on the government, who had appointed the commissioners.

Finally the quiet voice of City Solicitor Peters brought comparative peace to all but Alderman Morrissey, who wished to make some contradiction to what the solicitor had said. Mayor Newton ordered him to cease speaking and Alderman Morrissey appealed to the board to sustain him, but the Mayor cried for the police and City Clerk Woods with celerity dashed off to bring the desired reinforcements to the aid of the Mayor in presiding over the meeting.

Quiet being restored, Alderman asked if anything had been done regarding plans for a sewerage system for the whole of the city.

Alderman Dybhavn replied in the affirmative.

Later in the evening, during the discussions and reading of bylaws, notice was given of the introduction of a bylaw to do away with the ward system of civic elections.

CHANCE WON'T QUIT CHICAGO

Manager of Murphy's Ball Team Will Not Resign—Will Stay with Club Until Fired.

Chicago, Oct. 14.—That Frank Chance, manager of the Chicago Cubs of the National League, has not received official notice of his discharge by Charles W. Murphy, the club's president, was indicated here in a letter by Chance to Garry Herrmann, president of the Cincinnati National club.

Herrmann offered Chance the managership of the Reds, it is reported, at the same salary he is receiving from Murphy. Chance replied that he was pledged to return to the Cubs next season if his services were wanted, and that he could not consider the offer until he had received personal assurance from Murphy that he was to be relieved as manager of the Cubs for the 1913 season.

No Public Bouts for Sailors.

New York, Oct. 15.—Orders from Rear Admiral Osterhaus prevented a bout at the New Star Athletic Club in which Sam Robideau, the lightweight champion of the navy, attached to the battleship Connecticut, was to have met Eddie Smith, a local lightweight. They had already weighed in when an order from the admiral that all public bouts between men of the navy must be called off.

The weather report at 5 o'clock this morning was: Barometer, 29.528; maximum temperature, 58; minimum temperature, 42; precipitation, .77 inch.

RE VOTERS' LIST.

I am instructed by the City Council to publish the following notice with regard to voting at the next municipal election.

The persons who will be inserted on the voters' list are as follows: 1. Owners of real estate. This means any person who has a deed of land registered in the Land Registry Office or an agreement for purchase of land registered in the Registry Office.

Many persons have land under agreement from the Grand Trunk or the government whose title is not registered in the Land Registry Office, and their right to vote is doubtful. Therefore, voters so situated are advised if possible to register either as householder or license holder. 2. Any person holding a trade license may vote, but before doing so he must, in October, make a declaration showing his right to vote in Form 1. These forms can be obtained at the City Clerk's office. The declaration must be filed with the City Clerk within forty-eight hours after it is made.

3. Any householder can vote. A householder means a person who has resided in Prince Rupert from the 1st of January, 1912, and who occupies a dwelling, tenement, hotel or boarding house, or any portion of a dwelling house, tenement, hotel or boarding house. He must also pay rates, taxes or assessments which are not chargeable on land, and which rates, taxes and assessments so paid amount to not less than \$2.00. Water rates and dog licenses do not count. Practically the only tax that can be paid is the road tax, \$2.00, and any person who, being a householder as above described, has already paid his road tax must also make a declaration before he can be placed on the voters' list.

All voters must be 21 years of age and British subjects.

ERNEST A. WOODS, City Clerk.
