AGRICULTURAL SOCIETY FORMED LAST NIGHT IN THE CITY HALL

ENTHUSIASTIC MEETING INITIATES AGRICULTURAL AND MINERAL SOCIETY—HAS BEEN ENDORSED BY DIFFERENT COMMUNITIES—FAIR TO BE HELD NEXT FALL.

At a meeting of citizens held last evening at the city hall preliminary arrangements were made toward forming an agricultural and industrial association with a membership embracing the entire area of Northern B. C.

William Manson, M. P. P., took the chair and Alderman Bullock-Webster was unanimously appointed secretary pro tem. There was not a very large attendance, but amongst those present there was the utmost enthusiasm and unanimity in regard to the desirability of pushing the project to the furthest extent.

Before closing a committee of five was appointed by Mr. Manson consisting of the following: Alderman Bullock-Webster, A. E. McMaster, Dr. Tremayne, W. P. Lynch and L. Crippen, to prepare bylaws and get ready for the first annual meeting, to be held in the city hall on the evening of the fourth Tuesday in January of the coming year.

Mr. Manson, in opening the meeting, voiced the feeling of the citizens generally as to the desirability and advantages to be gained by at once getting down to business and forming an organization to handle successfully the proposed agricultural and mineral exhibition next fall. In his travels over the district this last summer he found on all sides the greatest enthusiasm displayed toward the project.

Alderman Bullock-Webster, to whose untiring efforts is due the satisfactory stage to which the proposition has already reached, next read some correspondence in regard to the subject, establishing the fact of the reality of the interest shown by all sections of the community in the proposition. NAVAL POLICY WILL BE ANNOUNCED TO COMMONS TOMORROW BY BORDEN

Long Waited Naval Policy of the Government Which Has Been a Secret Will be Revealed Tomorrow Afternoon by the Premier

Ottawa, Dec. 4.—Developments in the political world of Canada this week will bring from the tapis the long expected announcement from Premier Borden as to the results of his recent conference with the British admiralty and also the line of action which

he and his colleagues intend to pursue in view of what has been brought to light following those conferences.

Premier Borden will make his announcement about 4 o'clock on Thursday afternoon after the routine business has been cleared

away. Not only will the benches of both parties be packed with members, but the indications point to an unusual attendance of strangers in the galleries. Members of Parliament are being besieged with applications from their friends for the seats in the galleries.

Triple Alliance Influences Moderation of Peace Terms

EXPECT ANNOUNCEMENT RE PORT EDWARD SOON

Mr. Matthews, One of the Largest Stock Holders in New Town-site, Is in the City.

Mr. W. J. Matthews, a prominent Seattle capitalist and original owner of the present Port Edward townsite, is in the city. Mr. Matthews, who has not been up here for more than seven years, which was shortly after he acquired the tract of land on Porpoise harbor from the original staker, having turned over the property to a local syndicate, now remains one of the largest stock holders. He is accompanied by his secretary, Mr. W. B. Baer, and a party of other business men.

This morning the party, together with a number of local gentlemen, went over on a visit to the new townsite in a gasoline launch. It is expected that the arrival of Mr. Matthews will be the signal for an early movement toward putting this promising suburb of Prince Rupert upon the market.

**ADVISES BOARD
OF INSPECTORS.**

We have received a letter from a gentleman who suggests that the City Council appoint a board to investigate all outside properties placed on the market in Prince Rupert with a view to protecting the citizens from the wildcatter and his illegitimate propositions. He instances properties which have been placed on the market in British Columbia that have been falsely represented to the buying public and argues that a civic board of inspectors, who would approve of every outside proposition before it would be allowed sale, would be a great protection to the legitimate realty broker in the city.

**PREPARING FOR
THE FALL FAIR.**

The forming of an agricultural society last night is an important step in the history of the city and in the develop-

ment of the North. With a duly constituted board in charge, it is now an almost certainty that the proposed fall fair next autumn will be gone ahead with in manner which will bring credit to the districts represented.

Those in charge will have a great deal of work before them ere the fair can be successfully accomplished. The country is such a large one and the means of transportation so meagre that it would be a matter of great difficulty to cover the ground in a few months time. Realizing this, those who have been fathoming the scheme have wisely determined to start now and have everything in readiness for the opening.

The various districts surrounding Prince Rupert have enthusiastically endorsed the proposition and now that the agricultural and mineral society has been formed the concentrated efforts of those interested cannot help but end in success.

RUSSIA MUST WAR OR YIELD HER POSITION IN MONGOLIA

OPINION IN CHINA IS THAT RUSSIA MUST EITHER FIGHT OR WITHDRAW FROM MONGOLIA—TERMS OF THE AGREEMENT BETWEEN MONGOLIANS AND RUSSIANS.

Pekin, Dec. 3.—The Chinese occupation of the Mongolian town of Kobdo directly raises the issue of Chinas right to put down the Mongolian independence movement, it was stated, and as Russia is pledged to support the movement the Czar has no choice but to yield or fight.

Following the Mongolian declaration of independence, which the Chinese accuse the Russians of hiring a few chieftains to issue, the Mongolian government entered into Russia and the so-called Mon-

a secret treaty, according to the foreign office here, to the following effect:

The Mongolian rulers to have

authority over their own people, but to act on whatever advice they received from St. Petersburg.

Russia to lend the Mongolian rulers £13,850,000, with the whole of Mongolia, a territory a third the size of Europe, as security.

Mongolia to cede territory to no country but Russia.
