GREAT IMPROVEMENT IN WIRELESS SYSTEM: WATER TO BE LAID TO SEAL COVE

SIX-INCH PIPE WILL SERVE COLD STORAGE WITH WATER

COUNCIL DECIDES TO ACCEDE TO REQUEST OF THE ATLIN COLD STORAGE CO.—ALD. BULLOCK-WEBSTER PRE-DICTS A BREWERY SOON AT SEAL COVE.

There were only four of the aldermen together with the Mayor present at the meeting of the City Council last evening. These were Messrs. Bullock-Webster, Dybbavn, Douglas and Montgomery.

A request was read from the public school board asking for a grant of \$5,000 for the building of a school house in Block 28, Section 7. This was referred to the Finance committee.

Although the board was minus some of its best fighters, Alderman Montgomery did his best to play the part of an opposition. His chance came when the report of the Board of Works was submitted, recommending the using of some of the city's six inch pipes for conducting the city water from the main trunk line now laid to Seal Cove to the cold storage plant.

A formal letter had been received from the manager of the Atlin Construction Co., which is the name of the company operating this plant, stating that they were ready to use the city's water. They suggested that in the near future it was probable that other business concerns would be located near their works and if the city would see fit to provide the

six inch pipe now in their possession their company would pay for the cost of laying it down and pay them a nominal rental of \$20 a year for the use of it. A three inch pipe would carry all the water that they could possibly use for some time to come but by using the six inch pipe other consumers could be served from this sub-main with very little extra expense in making connections.

Ald. Montgomery strenuously opposed granting to any big company or corporation any concession whatsoever other than would be the right of any private property holder. He maintained that it was establishing a bad precedent.

Some little discussion followed. Alderman Bullock-Webster announced that there was a probability of a brewing company being established at Seal Cove in the near future. It was generally conceded that it would be a poor policy to place any unnecessary obstacles in the way of capital for industrial purposes coming within the city limits.

The report was adopted, and the Atlin Construction Co. will be notified that their request has been acceded to.

BRITISH FLEET REVIEW IS SHOWN AT MAJESTIC

Gaumont Graphic Shows Interesting Scenes of Britain's Navy.

One of the most interesting items of picture news ever shown in this city, especially at this time when the world is watching the preparations for war by the great powers, is the review of the British fleet shown tonight in the Majestic Theatre on the Gaumont Graphic. The great battleships and the tiny submarines are shown in a clear and detailed manner that is highly interesting. The unveiling of the statue of Alexander III by the Zar, the Henley regatta and other views are shown in a most attractive manner. Altogether it is one of the best pieces of picture news ever shown in Prince Rupert.

Daughters of the Empire Dance.

The second of the series of five dances under the auspices of the Daughters of the Empire will be held in McIntyre Hall on Friday evening, Dec. 6th. Single tickets may be obtained at Orme's Drug Store.

OHIO TRAINS COLLIDE; TERRIBLE LOSS OF LIFE

Rear-End Collision Results in Ten Deaths, While Many Are Injured.

(Special to Daily News.)
Zanesville, Ohio, Dec. 5.—Eight persons are dead, four will die as a result of their injuries and ten are seriously hurt in a terrible train collision between the Pennsylvania fast express and the passenger train on the Akron Line, near Dresden, not far from this place.

The smash was a rear-end collision and those riding in the palace cars received the worst injuries.

The scenes following the wreck were horrible to describe. Doctors were hurried from the surrounding country and wrecking trains were sent immediately the news of the disaster was received, and in the meantime the survivors of the smash aided in the rescuing of those pinned in the cars. The screaming of the dying and the moans of the wounded were heart breaking.

The Sons of England will elect officers for the ensuing year at the Knights of Pythias Hall on Friday evening next, December 6th, at 8 o'clock. 285-286
F. V. CLARKE, Secretary.

BRITISH COLUMBIA WON GOLD PRIZE AT LONDON

Fruit from this Province Wins Premier Prize in Europe—Not Intended for Show.

(Special to Daily News.)
Victoria, Dec. 5.—British Columbia fruit won the gold medal and certificate of merit at the Royal Horticultural Society's great exhibition at London. Such was the news conveyed to the people of this province by Premier McBride last evening.

According to the despatch from London, the display was the best shown by any of the contestants. British Columbia did not intend the prize winning fruit for the Royal Horticultural Society exhibit, but had sent it for display at the Agents General's office at London, but in lieu of a further exhibit arriving it was put on display with the result that it won premier place.

ACID USED IN LONDON TO DESTROY THE MAIL

Suffragettes Burn Letters in Mail Boxes with Acid.

(Special to Daily News.)
London, Dec. 5.—Suffragette raids continue throughout all parts of London. Public men are attacked with whips and umbrellas and woman's great weapon, the hatpin, windows are smashed, but the latest tactics of the militant women is working a hardship not only on those who are in authority in England, but on the world in general. That is the destruction of the mail.

In Richmond and throughout different sections of London and out into Surrey the destruction of mail by means of acid poured into the letter boxes is being carried on daily. The financial districts are a special object of attack.

BOXING TOURNAMENT AT M'INTYRE HALL TONIGHT

Local Boxers Will Feature at Big Tournament Tonight.

When the doors open tonight for the grand boxing tournament at McIntyre Hall, it is expected that the house will be filled within a few moments.

Four events will be staged. Three of these will be four round matches between local lads, and the main card of the evening will be the ten round bout between Olmann of this city and George Bronson of Everett, Wash.

Olmann is the trainer at Wright's gymnasium and is in the pink of condition, while Bronson is also in fine fettle. The men are about equal weight and both have had considerable ring experience, consequently the affair will be a fast and interesting one.

No delays will be noticed between the events, which all promise to be of a lively nature. The lads have been practicing hard for the contest and are all amateurs. Several of the boys give every promise of becoming adept in the matter of using their hands.

The first event will be staged at 9 o'clock.

PHONE AND WIRELESS WILL WORK TOGETHER

Civic Telephone Department Will Handle Messages Over the Wireless System.

Negotiations have been satisfactorily completed between the manager of the municipal telephone system and the Dominion government wireless service by which an improved and accelerated telegraph service will be provided for Prince Rupert.

The local telephone office will now be the receiving and distributing centre for the city, and messages can be handed in at the office or transmitted by telephone by asking for "telegraph service."

By this means the city is assured of a service of greater speed, as business houses will have their messages transmitted by telephone within a few seconds of their receipt at the telegraph station and confirmed by the usual written form.

The schedule of charges is no higher than that employed over land lines. Both telegraph services are operated by the Dominion government.

Large shipment of toys, dolls, games, fancy goods, chinaware, crockery and wall paper have arrived for the new department, being opened by H. S. Wallace & Co., Ltd. 286-287

SARAH BERNHARDT AT THE EMPRESS THEATRE

Marvellous Production Shows "Divine Sarah" in "Camille" in Photoplay.

The Empress Theatre was packed last night when the picture of the "Divine Sarah" was cast upon the screen in the character of Alexander Dumas' great masterpiece, "Camille." All through the absorbing life story portrayed so graphically by this master mind the interest of the audience was held spellbound, and one could have heard a pin drop at the last great scene when Camille dies in the arms of the man she so passionately loved. In "Madame Sans-Gene" France's greatest comedienne, Madame Rejane, was seen in the play that was the furor of two continents a few short years ago.

Gorgeous dresses, magnificent scenery, perfect support, all went to make up a most wonderfully realistic representation of life during the regime of "the little corporal," the great Emperor Napoleon.

The films will be shown again this evening, and all those who have not yet paid a visit to the Empress Theatre should make a point of being there tonight, absolutely the last chance to see these two great masterpieces of contemporary times.

(Special to Daily News.)

A. A. Mondou's (Yamaska) anti-defeated by a vote of 183 against naval resolution was put and was to 4 for it. Both leaders condemned the introduction of the resolution. All is now clear for the disclosure of the Borden naval policy.

JUDGE YOUNG BLAMES LIQUOR FOR BEING CAUSE OF TROUBLE

IN ADDRESS LAST NIGHT TO PRESBYTERIAN CLUB HIS HONOR JUDGE YOUNG SAID SEVENTY-FIVE PER CENT. OF CRIME IS DUE TO LIQUOR.

Perhaps of all the excellent addresses ever given at the Presbyterian Club, the one by Judge Young last night deserves first place. From beginning to end the Judge spoke with fluency and forcefulness, and with a wealth of illustration drawn from his own experience and study.

The Judge spoke first of the juvenile offender. These are tried in special private courts and instead of being committed to gaol are given in charge of the children's aid societies or sent to industrial settlements. Everything depends on the religious and social training in the home. It is far cheaper to save a child than to keep a criminal. It is a great thing to save a soul at any time, but far greater to save a soul plus a life. The greatest religious work done is the work of the Sunday school, which ministers not only to the well homed children, but where the workers go out into the highways, find the homeless and take them in.

Adult criminals are of two classes—professional and accidental. The former are worse than a plague, going from place to place, educating criminals. The remedy for them is confinement on an indeterminate sentence.

The accidental criminal requires sympathy. He is often capable of grand and heroic deeds. Yet once in prison he has a life-long brand upon him owing to man's inhumanity to man. He was not inherently a criminal though he had committed a breach of the criminal code.

The Judge concluded with these impressive words: "Before closing, I feel it my duty to say, from my experience in the legal profession and on the bench, that 75 per cent. of the crime of this country is caused through the immoderate use of alcoholic liquors. Remove this infernal curse from the land, buttress up the children with a deep religious and moral training and you will have gone a long way toward solving our worst social problems."

Principal Brady made some happy remarks regarding the manner in which by lack of confidence parents too often make culprits of their children.

Mr. G. R. Naden, president of the club, tendered the heartiest thanks to the Judge for his address.

SIX MONTHS IN JAIL FOR CUTTING FRIEND

Finlander Cut Off Andy's Ear and as Result Will Serve Sentence.

Drinking together last evening and falling out over some little trivial matter proved of serious consequences to Otto Carlsen. This morning in the police court he was sentenced to six months' imprisonment for cutting the ear off E. Andy, his partner, with a knife. They are both Finlanders. A constable ordered them to go home.

A quarrel occurred after they had ostensibly started for their shack, and the constable came upon Andy lying on the ground with his head all covered with blood, while Carlsen was rapidly vanishing in an opposite direction. Chase was given and the accused finally arrested.

Dr. Cade attended to the wound on the injured man. Four stitches had to be taken in the ear. The accused will be sent down to New Westminster to serve his term.

Editorial Notes and Clippings

PEACE IN EUROPE

What may appeal more to the public, and especially to the Canadian public, than the striking and appropriate phrases which characterize the speech of Mr. Winston Churchill delivered in London on Friday night last, is the impression it conveys that there is not likely to be, at least for some time to come, a general conflict in Europe. If, as Mr. Churchill apparently believes, there is no cause for war between Russia and Austria, there can surely be none between any of the other nations. In fact, the whole burden of the deliverance of the British ministers during the past few weeks has been that a continuance of peace and an increase in the feeling of good

will be likely to characterize the relations of the great powers.—Vancouver Sun.

A DISAPPOINTING SPEECH

When in opposition, Mr. Borden was a strong advocate of clean election methods. To those who believed that his advocacy was sincere, the tone of his references to the rascally practices in Richieu and Macdonald was disappointing. What was expected was that he would admit the seriousness of the charges, and promise investigation. If the charges were found to be untrue, so much the better for his government. Instead of that, the House listened to the stale excuse of the politician, "Your another." — Toronto Star.

STEWART CITIZENS ELECTED COMPETENT HEAD AND BOARD

PERCY GODENRATH ELECTED PRESIDENT OF THE STEWART CITIZENS' ASSOCIATION—STRONG EXECUTIVE IS CHOSEN.

Stewart, B. C., Dec. 5.—The annual election of officers of the Stewart Citizens' Association resulted in Percy F. Godenrath being unanimously chosen president for the coming year; Harry Smith, J. P., vice president; N. M. Jackson, secretary; Walter Broad, treasurer; and T. J. Vaughan-Rhys, John Bernatize and H. B. Birch on the executive.

The meeting was one of the largest gatherings of citizens held in months and a most optimistic spirit was manifested throughout. President Godenrath addressed the meeting at length, outlining the work the new executive had been called upon to undertake in the matter of securing grants for extension of the road and trail system of

the district, procuring medical assistance for the general hospital, improvement in the postal and telegraphic service, the lighting of the harbor and wharf approach to the dock and raising funds for the maintenance of the fire department.

T. J. Vaughan-Rhys heartily endorsed the selection of the new president, pointing out that Mr. Godenrath had kept himself free from politics and was therefore in a splendid position to conciliate the different parties and advance the best interests of Stewart and the district.

The new executive has invited William Manson, M. P. P., to visit Stewart previous to his going to Victoria to attend his seasonal duties in January.

DEAD MEN TELL NOTHING AND SO MISTAKES OCCUR

John Smiths are Mixed When Dead—Alleged Wrong Paul Jones Was Honored

A confusion in identity has led to a curious mistake at Hull. Two men bearing the name of John Smith were in Sealecoates workhouse and when one of them died a few days ago the body was sent to the wrong house. The occupants, thinking that the corpse was that of their relative, ordered a coffin and arrangements were made for the burial. The day after, however, by means of tattoo marks the mourners discovered that the body was not that of their relative, who was found, still alive.

This is somewhat similar to the story which has gained a large circulation of the body of Paul Jones, whom the United States government transferred from France to America, where a grand funeral was held.

Paul Jones, whom the American nation paid tribute to, was the Paul who founded the navy of the republic, but, according to the rumor, the Paul Jones whose actual bones they transplanted was the servant of an old Crimean war veteran, who after the close of the hostilities settled in France.

Here the officer died and was followed shortly by Paul Jones, his servant. To the memory of the servant in an obscure part of the cemetery was erected a rude headstone to the "Memory of Paul Jones." This led to the supposition that it was the father of the "starry" navy, and as a result his ashes were lifted and carried with all pomp and ceremony across the ocean to a land which he had never seen.

AND CHILDREN STARVE

Dog is Dressed as Human Being; Boots and Goggles.

A very small dog created a great stir in the streets of Paris a few days ago. A bijou pet dog was seen in the Champs Elysees with a lady. It was wearing India rubber boots laced high up the leg, ear protectors, goggles to shield his eyes from cold or mud and a raglan overcoat lined with thick flannel and provided with a pocket from which projected a tiny handkerchief with a monogram.

For Gouty Joints.

A good thickness of cotton wool wrapped round a gouty joint and covered with oil silk will often give relief. This should be put on at night and in the morning the wool will generally be found very wet and the joint much easier. This process should be repeated if once trying does not entirely banish the trouble.

When a gathering on the finger threatens this may be avoided by taking a green leaf of the Madonna lily, bruise it and tie it around the finger. When the leaf gets hot and dry replace it with a fresh one, putting the shiny side next to the finger.

Act as Maids.

In every large hotel the chamber maids are always ready and willing to perform a personal service for the sake of the customary tip that accompanies it. Remembering this, the woman tourist, who was stopping at Shepherd's Hotel in Cairo, rang at last for assistance after vainly struggling for fifteen minutes with the intricacies of the rear fastenings of her gown. To her dismay, one of the Arab porters responded to her ring.

"Madame requires something?" His voice was soft and sweetly modulated.

"Yes, please send up one of the maids to hook up my dress."

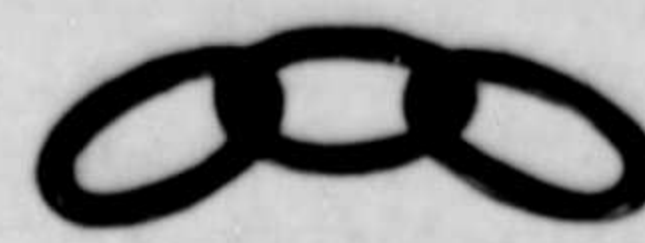

"Ah, if that is all." He bowed and waved a deprecating hand.

"Madame desires to be shut up? I can shut her up."

THE SWEETEST CALL OF ALL

You talk of the track and the paddock,
Of the pastimes of princes and kings,
You may follow the students of Queensbury rules
At the side of the roped sawdust rings;
But the call of the diamond is sweetest,
And joy overflows from his cup
When the fan sealed high in the bleachers
Hears the umpire's command,
"Batter up!"
We all know the charm of the woodland
And the lure of the clear mountain brook,
Where the trout in the shadowy waters
Are trapped by the fly and the hook;
But the brain thrills with keener sensations
As the thousands surge in thru the gate,
And the air rings with wild exhortations
When the batsman steps up to the plate.

The epicure gets indigestion
And is cut down to hot milk and toast,
The dancing fraternity lose lots of sleep
From the hours when its needed
But the bleacher bathes in the the most;
And is charged with no extra expense
When a liner propelled by his favorite's bat
Takes a plank from the centre field fence.
In the warm afternoons of the summer
We close up the office and shop
And hie ourselves out to the ball grounds
—a revel in peanuts and pop.
Where the roar of the stands wakes the echoes
Like the booming of 43-inch guns,
And the scorers grow hot with excitement
As they chalk up the hits and the runs.

The lure of the ball game grows stronger,
The call of the diamond more clear,
The ranks of the fans are increasing
As the game grows in favor each year.
We all know it's played on the level;
Lets give it our loyal support
And foster the spirit of manhood it breeds
Which has made it a national sport.

Marking Linen.

Marking linen prettily presents no difficulties and greatly adds to its individual charm. The style of letters chosen is, of course, a matter of personal taste, some people giving the preference to old English and others choosing to fill in the initials quickly with close Turkish stitch or plain French embroidered work. Just at the moment fashion favors a straight, rather severe letter, simply worked with strands of soft Moravian cotton.

Strange Accident.

An extraordinary accident took place on a Euston express train, north of Crewe (Cheshire), the other day. As the train was travelling at full speed the driver noticed that the communication cord was strained. He stopped the train, and it was found that a signalman had fallen off a signal arch on the top of the train and had been killed. The weight of his body on the communication chain had sounded the alarm on the engine.

Scouts' Good Work.

Smart work by Boy Scouts in finding a lost child is reported from Dunmow (Essex). On a recent evening a little child was lost at Little Easton. This was reported to Scoutmaster Luckin, who has the distinction of having recently been decorated with the Silver Wolf badge, the highest in the Boy Scout movement. Luckin collected his Boy Scouts, divided them in sections, mapped out the country thoroughly and at 9 o'clock in the evening they started in eight sections to beat the neighborhood. As they were getting to the end of the third section, about 11 o'clock, a child was heard crying. On searching they found the little child in the centre of a wood.

HARRIMAN MERGER WAS ILLEGAL SAYS COURT

Union Pacific and Southern Pacific Roads Must Dissolve Says Judgment.

Washington, Dec. 3. — The United States Supreme Court ordered the immediate dissolution of the Harriman merger of the Union Pacific and Southern Pacific railroads.

The government started its suit in 1907, and the Supreme Court's decision sustains every one of the government's contentions. The combination, the court ruled, is doing business in violation of the Sherman anti-trust law.

The plea of the railroad attorneys, asking invocation of the "rule of reason" to the merger, was refused by the court, it being held that the defendants "unreasonably" restrained trade.

The ownership of 45 per cent. of all the Southern Pacific stock by the Harriman interests was declared illegal. The Harriman interests in the Santa Fe and Salt Lake railroads also was held to be illegal.

ARMISTICE IS SIGNED WITH BALKAN STATES

Peace in Sight for Turkey—Greece Has Not Yet Signed.

Constantinople, Dec. 5.—It was officially announced yesterday evening that an armistice has been signed between Turkey and Bulgaria, Serbia and Montenegro. Greece has not yet signed the treaty and this may signify that they will continue the warfare. The peace negotiations took place in London.

A Bright Idea.

The head of a manufacturing concern who built up his business from nothing by his own dogged and persistent toil, and who has never felt that he could spare the time for a vacation, not long ago decided that he was entitled to a rest. Calling his son into the library, he said: "Tom, I've worked pretty hard for quite a while now, and have done very well, so I have decided to retire and turn the business over to you. What do you say?" The young man pondered the situation gravely. Then a bright idea seemed to strike him. "I say, dad," he suggested, "how would it do for you to work a few years longer and then the two of us retire together?"

BATTLING NELSON MAY MEET JOE BAYLEY SOON

Terrible Dafe May Come to Coast and Fight Bayley.

Victoria, B. C., Dec. 4.—Batling Nelson, former lightweight champion of the world, is anxious to spend the winter on the Pacific coast. In a letter to a friend in Victoria, Nelson declares that if he can arrange one matches in the Pacific Northwest he will leave the east and spend the winter in this part of the country.

In his match with Leach Cross the "Battler" showed that he is the same old rugged boxer that he was when champion. There is no denying that Nelson has gone back since he met Joe Gans at Goldfield, but he is able to take most of the promising lightweights now and make them feel that boxing is a game they should never have tried.

"If Nelson wants to come out on the coast," said a well known lover of the game yesterday, "he can find plenty of material here. There are four lightweights on the coast who would keep the 'Battler' hustling for months to come and in addition there are a lot of youngsters who would make a good match for him."

"Personally, I would like to see Nelson tangle up with Joe Bayley, the Canadian lightweight, who has come to the front rapidly of late. Either he or 'Fighting' Dick Hyland would make a match that would be worth going miles to see. Mandot and Nelson would make a good card. It is probable that Ritchie will be so busy with theatrical engagements for the next six months that he will not think of boxing, but Nelson would like to get a trial at the new champion."

FOUR MEN ARE FREED OF DYNAMITE CHARGES

Conspiracy Investigation Frees Four of the Accused Officials.

Indianapolis, Dec. 3.—At a meeting of the executive board of the International Association of Bridge and Structural Iron Workers, H. C. Hockin was removed as Secretary-Treasurer, to which positions he was appointed after the McNamara confessions in Los Angeles. News of Hockin's removal was suppressed until today.

Acting on the motion of Prosecutor Charles W. Miller, United States Judge Anderson today discharged William K. Benson of Detroit; John Carroll, of Syracuse, N.Y.; S. P. Meadows, of Indianapolis; and Milton H. Davis, of Philadelphia, defendants in the so-called dynamite conspiracy trial in progress here.

All four men are officials or former officials of the International Association of Bridge and Structural Iron Workers. Lack of evidence was the reason assigned by Miller for his motion. Judge Anderson overruled motions to discharge defendants Paul Morrin and John H. Barry, of St. Louis; Michael J. Cunnane, of Philadelphia; M. L. Pennell, James E. Ray and Edward Smythe, of Springfield, Ill.; W. J. McCain and W. B. Brown, of Kansas City; Clarence E. Dowd, Rochester, N.Y.; Clarence Behm, Minneapolis and Frederick Mooney, Duluth.

Exceptions were noted in each case.

Minimum Clause Removed.

On representation being made to the traffic managers of the Grand Trunk Pacific Steamship Co. and the Union Steamship Co. of B. C. by the Miner, a concession has been made to local mine operators that should be of distinct advantage in shipping small lots of ore. Heretofore the minimum number of tons that would be accepted to obtain a rate of \$5 to Vancouver was placed at 15 tons. This has been removed and lots of a ton can now be shipped at tariff rates.—Portland Canal Miner.

May Be Public Printer of U. S.

The Hamilton (Ont.) Herald is responsible for the guess that James M. Lynch, president of the International Typographical Union, is in line for the appointment of public printer in the United States under the new Wilson administration.

GRIFFITH PLAYERS ARE GOOD IN FARCE-COMEDY

"Bachelor's Honeymoon" a very Laughable Play Well Presented.

"One scream of laughter from start to finish" describes the farce comedy in three acts, "A Bachelor's Honeymoon," presented by the Griffith Stock Company at the Westholme Opera House last night.

Bachelor marries Juno Joyce, an actress, but does not tell her of his two daughters, nor does he tell his sister Minerva, who has control of the money bags and who may cut him off at will. He brings his wife home and all kinds of trouble results. She is followed by "Anthony Gumbag," a private detective, who sends a mystery. The situations are increasingly funny as the plot unfolds.

As Bachelor, Harry Lancaster played his difficult part in an excellent manner. Miss Jessie Miller as Juno Joyce, the wife, sustained her difficult role in the accomplished manner which has made her so popular here since the opening night.

Miss Griffith as the "dragon" Minerva again showed her ability and versatility as an actress.

Misses Mitchell and Vaughn as the twin daughters were all that could be desired.

Rex Snelgrove was a decided hit as "Anthony Gumbag," private detective—"pst! Have a card" was a scream and his every appearance was greeted with a burst of applause.

Richard Farrier as Dr. Swartz, and Claude Brennan as Houston the lawyer, in their respective parts were equally delightful and kept the audience in roars of laughter.

Joe, the servant, enacted by Roy Hague, was a character needed in the plot.

Last but not least was that wonderful little child, Julia Fehr. This tot is a marvel. She has all the style and finish of a grown actress and does not resemble in the least any of the many "kids" who from time to time appear on the stage.
