BANQUET GIVEN LAST NIGHT TO THOMAS DUNN—FIRE IN SAN FRANCISCO BURNS MANY

MANY PERSONS SLEEPING IN LODGING HOUSE OVER CHRISTMAS ARE BURNED

San Francisco Rooming House Burns to the Ground and Many Unable to Get Out Perish---Believed That Fire Started From Cigar Butt---Firemen Save Many in Stupor

(Special to Daily News.)
San Francisco, Dec. 27.—A large number of persons were burned to death in the Capitol rooming house early yesterday morning is the opinion of the authorities. Others were rescued by the police and firemen in a stupor.
It is thought that one of the guests of the house, which was filled with people sleeping in the city during the Christmas festivities, dropped a lighted cigar. Before the fire was noticed, the flames had gained a considerable headway and smoke was pouring out of the windows.
Several fire stations responded to the call, and the firemen, aided by the police accomplished

heroic work in rescuing the half clad lodgers. Many of the unfortunate sleepers were found in the smoke filled corridors in a dazed and exhausted condition. They were with difficulty dragged to the windows and handed out to the men on the fire ladders who lowered them to the ground where the ambulances, which were summoned, hurried them to the nearest hospital.
It was with utmost difficulty that the firemen stopped the spread of the conflagration, which demolished the structure in which they started.
It is known that several perished in the house, but the exact number of missing could not be ascertained.

TRAIN DELAYED

Storms Wreck Roadbed and Delay Westbound Train—In Some Time Tonight.

For the first time almost since the G. T. P. began to run trains regularly the down train failed to arrive on schedule last evening. On account of the storm that has been raging the last day or two, which was felt almost as much in the valley of the Skeena as it was here on the coast, several slides and washouts have taken place up the line. In the interior the wind took the nature of a Chinook, sweeping the valley of snow and causing an immense quantity of water to gather, almost flooding the district.
Up to the time of going to press the officials had nothing definite to say as to when the train would get in more than that they expected it some time tonight.

GRAND TRUNK PACIFIC TO HAVE THREE HOTELS ON THIS COAST

DATA BEING COLLECTED IN REGARD TO THE POSSIBILITIES OF VANCOUVER AND VICTORIA FOR HOTELS—PRINCE RUPERT TO HAVE ONE—CONFERENCE TO BE HELD.

Victoria, Dec. 26.—There is a revival of the report that the Grand Trunk Pacific Railway Company is seriously preparing at last for the erection of an hotel on its property in Victoria. The present tenants have been notified that hereafter they will be on a monthly basis, terminable at two weeks' notice. The manager of the hotel system, Mr. Bergman, is now on his way to the coast to look into conditions, both at Prince Rupert and here, with a view to ascertaining how soon conditions will justify proceeding with the new hotels, and additional copies of the plans prepared by architects, both here and in Vancouver for Grand Trunk Pacific hotels have been asked for by the general management.
That the company has made up its mind that the development of the Pacific Coast trade is one of the pressing issues before the transportation men of America is proven by the fact that a conference of all of the executive heads has been called to meet in Montreal the first week in January.
While there is an annual call for the assembly at headquarters of the heads of departments of the railway companies, this is the first time on which the Pacific Coast representatives have been called into the conference.
And it may be significant that the representatives at Vancouver,

Victoria, Prince Rupert and Seattle have, each of them, received instructions to take with them to the conference all the data in their possession as to possible developments, both on world traffic and of inter-Canadian traffic, as it will be affected by the opening of the Panama Canal and the world-wide ramifications which that event will have.
The British Columbia members of the conference will, it is said, take facts and figures to prove that there is on this coast a tremendous opportunity for the extension of the system's operations both by land and sea.

No Damage by Storm.
Times were fairly lively this morning shortly before daylight around the waterfront, when the windstorm was fairly at its height. No actual damage was done to any of the launches and boats that tie up as a rule at the east end of the Government wharf. Nevertheless, every rope and hawser broke, and it behoved everyone to be on hand and see to the safety of their little craft. Several hid away to Seal Cove for shelter. In many cases planking and gangways were torn asunder and most of the floats got the shaking up of their lives.

GIGANTIC WAVE WASHED SHIP AND DROWNS MAN

One Killed and Seven Injured When Big Wave Sweeps Boat—Almost Founders.

(Special to Daily News.)
Queenstown, Ireland, Dec. 27.—The steamer Nippon, bound from this port to Philadelphia, had to return yesterday for medical assistance as the result of the damage done by a gigantic wave which almost foundered the vessel, drowning one and injuring seven others.

The wave washed the vessel from stem to stern, picking those on deck up like straws and throwing them against the houses. One man was washed overboard. The boat staggered beneath the weight of water and for several minutes it looked as if she would founder, but slowly righted.

CARTWRIGHT'S WILL

PROBATED AT OTTAWA

Ottawa, Dec. 26.—The will of the late Sir Richard Cartwright, who died in Kingston in September, was entered for probate at the court house in Ottawa. The total estate is valued at \$228,392.90, but out of this debts amounting to \$155,000 will be taken. This leaves his widow, three daughters and six sons with less than \$80,000 to share between them.

Majestic Theatre.

Albert Dewhurst was the successful youngster at the Majestic Theatre last night. His ticket, No. 871, drew the gold prize. Tonight at this popular place of amusement a strong, attractive programme has been arranged for. It includes, among other excellent features, a two reel photoplay of Charles Reade's novel, "Put Yourself in His Place." One of the most dramatic scenes ever developed in moving pictures is the fight in the deserted church which appears in this picture. A late Gaumont Graphic is also included. This shows the "Spring-locks," South Africa's great rugby team, in action; Liverpool after Ulster Day; a negro baptism, the latest fashions in lady-wear and many other excellent items.

THIRTY THOUSAND CHRISTIANS SLAIN BY TURKISH FANATICS IN ADRIANOPLE

Letter From Besieged City Tells of Awful Butchery of Christians at the Order of Mohammedan Priests---Streets Ran Red With Blood---Women and Babies Cut Down

(Special to Daily News.)
Boston, Dec. 27.—Frightful details of the butchery of 30,000 persons in the besieged city of Adrianople by Moslems immediately after the Balkan alliance declared war against the Ottoman Empire were Monday given by the Boston Globe in a translation of a letter sent by Nazarene Dean Kanbelle, and officer in the Adrianople Turkish army, to J. J. Bosdan, president of the alliance. Ruthless and wanton slaughter of girls, women and babes in arms are related in the letter as published today in the Globe, which in part follows:
"Human speech cannot describe the agony one's soul feels on looking back over the seven weeks of massacre and mutual extermination in which 30,000 were butchered here.
"Like lightning from a clear sky came the sudden announcement of the Balkan alliance and before the Turk had time to recover from the shock given him the war was declared.
"The gates of armories and barracks were swung wide open.
"At the barracks at the Seljiler Mahallely, I heard the commanding officer give orders to kill all the Christians.

"The great bell of the Greek orthodox church began to toll, followed by the bells of other Christian churches.
"Every window was thrown up; the streets were crowded with men, women and children, their hands filled with hastily snatched valuables, all heading toward different churches, wherein to find refuge. Half naked people began to run through the streets, spreading the terrible news of the arrival of the Moslem Albanian plunderers.
"At the Tephah near the well at the back of the Greek bishop's house I met a crowd of some fifty girls, who, frenzied with fear, turned and fled. In an instant

they were surrounded by furious Moslems and butchered. The heart rending shrieks of innocent children added to the already terrible scene.
"In half an hour the outlying city was completely devastated.
"Meantime, the Moslems of Adrianople, reinforced by the outsiders, took up their fiendish work. Toward midnight the city was hell. The roars of a million tigers could not imitate the death shrieks of the unfortunate thousands. The city was set on fire in many sections and thousands were enveloped in the flames.
"In the morning the streets were strewn with dead."

PRINCE RUPERT PIONEER IS GIVEN BANQUET AT PREMIER

PRESENTATION MADE TO MR. THOMAS DUNN LAST NIGHT ON EVE OF HIS DEPARTURE FOR CALIFORNIA—BIG CROWD PRESENT—PROMINENT INVOLVE FOR 25 YEARS

Last evening at the Premier Hotel one of the most representative gatherings of Prince Rupert citizens sat down at the festive board to a banquet given in honor of their old time friend and pioneer citizen, Mr. Thomas Dunn, on the eve of his departure with his family for San Diego, California.
It has been known for some time that Mr. Dunn had decided to take up his residence for the future in Southern California. Much as he regrets leaving the province, in the making of whose history during the last quarter of a century he has played such an important part, he stated last evening that considerations of his wife's health had entered very largely into his final decision, but that he hoped to return in a few years.
During the evening a gold chain and locket was presented to Mr. Dunn. On one side of the

locket was inscribed his monogram and on the other side "To Mr. Thomas Dunn, by the Citizens of Prince Rupert. December 26th, 1912."
Mr. Frank Mobley presided as toastmaster and in apt and fitting words described the affection and esteem in which their departing fellow townsman was held.
Mr. Fred Stork, in proposing the toast of the evening, "Our Departing Guest," reflected the feelings of the entire gathering when he said that sincere was his regret in having to bid farewell to such an active and enterprising citizen as Mr. Dunn had shown himself to be during his sojourn in Prince Rupert. He had always been identified with every live issue and he felt that in a few years, when Prince Rupert had the boom that it was going to have, Tom Dunn would

HITCH OCCURS IN THE PEACE NEGOTIATIONS

Neither Turkey Nor the Balkan States Will Recede from Their Position—War May Continue

(Special to Daily News.)
London, Dec. 27.—The representatives of the Ottoman Empire and the Balkan States are at a dead lock in their efforts to effect peace in the near east. Neither side will recede from their position and it looks as if negotiations may be broken off.
In spite of the deadlock, the diplomats think that a peaceful settlement can yet be effected in the matter of the Balkan war.

EFFORT SHOULD BE MADE TO ADVANCE MINING NEAR HERE

BULLDOG BROWN, BRITISH COLUMBIAN REPRESENTATIVE TO THE INTERNATIONAL MINING CONGRESS, LAMENTS THE LACK OF ORES FROM THIS DISTRICT—ADVISES ACTION.

H. B. (Bulldog) Brown, writing a personal letter to the editor, complains of the fact that the northern section of British Columbia is not doing its best to advance the mining interests of the district. He has unbounded faith in the ores in the vicinity of Prince Rupert, and deprecates the fact that as representative of British Columbia at the International Mining Congress he did not have samples to show from this district.

Mr. Brown says, in part: "At the American Mining Congress in Spokane, last month, the gathering of mining men from all over America gave me one chance to get in touch with general conditions and note the trend of mining conditions. As a member of the resolution committee for Canada, I got in close touch with those who had grievances and came away with increased confidence of the revival of mining in this province, in Mexico and the States, owing to the friction over the public lands there is a strong sentiment in favor of this province.

Alaska was out in force striving to create a sentiment so as to open up their territory, but the general opinion was that it was no place to put in money under general conditions except in placer.

These meetings are of benefit to give one a viewpoint of what the other sections are doing and get a line on what will give success in reaching mining investors.

This is the day of big deals, strong combinations, money parted with only when there can be seen a process to treat the ore and a life of the mine to wear out the machinery, and there is more of an inquiry on these lines than I have seen among strong interests.

Your people failed to send me ore samples, as I had requested. Had they so favored me it would have been a means of bringing some visitors to your city; as it is, there may be some callers on their way to Hazelton, as I showed some ores that were commented upon with favor and if there is a prospect of securing interests trips will be made in the early spring.

It is not the high assay and the reported feet that impress. It is the treatment that must be used to recover the values.

From reports of your country you have many things that are of interest to those who can do big things, and your board of trade should look into these things and see they are presented in the right channels. The prospector goes up against the man who is going to do. Put your good things up to the man who is doing things.

Editorial Notes and Clippings

A GOOD NAVAL POLICY.

"I am entirely of the opinion, in the first place, that the proper line upon which we should proceed in that regard is the line of having a Canadian naval force of our own. I entirely believe in that. The other experiment has been tried as between Australia and the Mother Country, and it has not worked satisfactorily in any respect. In Great Britain the contribution has perhaps been regarded as rather unsatisfactory. In Australia in the end it failed to meet with the approval of the people for the reason that Great Britain felt constrained to ask Australia that the field of operations of the squadron should be extended to the China and Indian seas; and when the operations of that squadron were so extended the Australians felt that the contribution which they had been making for some years past was not really being used to give that protection to Australia which her interests demanded. So that the policy of Australia at the present time is to build up a flotilla of submarines and torpedo craft which, in case of war, would co-operate with the armed cruisers and battleships of the British navy."

The above is taken from a speech by R. L. Borden, made in 1909, in regard to the naval policy which the House of Commons unanimously endorsed.

MEDICAL PROFESSION REMAINS RELUCTANT

London, Dec. 26.—With 10,000 physicians in Britain recording their votes against serving under the terms of the national insurance act, and 2,000 in favor of the service, indications do not point to any change in the attitude of the members of the profession to the Lloyd-George measure. Nevertheless, 15,000 physicians did not record their votes at all, probably because they consider that the last word on the scheme has already been spoken.

TOMMY BURNS WOULD DO THE SAME THING AGAIN

Calgary, Dec. 24.—"Talk about killing the game! Why, its knockers like him that do the damage, and not the referees. He suggests bringing in Americans to referee. That would be the worst thing for the game imaginable. There are too many fellows going around with an eternal grudge; they would kick at the decision of a dog fight if they happened to have their money on the dog that got licked." Thus did Tommy Burns angrily express his opinion of the interview with R. G. Hanauer, which was published yesterday morning, in which the statement was made that poor referees were going to kill the game in this country. Regarding the decision of the Bayley-Hyland bout, which was criticized by Mr. Hanauer, Tommy said that if again called on to again referee that bout he would decide it in the same way that he did before.

NOLAN SAYS WOLGAST TRYING TO RUSH THINGS

Sacramento, Dec. 25.—Billy Nolan, manager of Willie Ritchie was peeved today when he read how Ad Wolgast is trailing the champion for another fight. "Give us a little time," said Nolan. "Wolgast has no kick coming. Didn't he wait fourteen months before giving Batling Nelson a return match. We are not running away from Wolgast and we are not looking for charity. He had better keep that \$1000 he says he will present to Ritchie as soon as the articles are signed."

Be Suspicious

BE suspicious of that of which nobody is proud. Be suspicious of the mere low-price argument offered in favor of an article with no reputation, no backer, no guarantor.

Better buy the thing you know and can trust, than an article unbranded and unvouched for.

The branded shoe, made by a maker with a reputation, is a safer shoe to buy than the one made in an unknown factory by an unknown maker.

The underwear made by a firm whose name is as familiar to you as your own, is worth more to you than underwear nameless or labelled by a maker of whom you have never heard.

Tea sealed in a packet bearing the name of a reputable firm is to be preferred to tea of which the packer is not sufficiently proud to advertise its quality.

Put your faith in the advertisements appearing in good newspapers. Beware of the article that cannot stand the spot-light of publicity. The commodity an advertiser backs with his own money is something worth your buying.

Advice regarding your advertising problems is available through any good advertising agency or the Secretary of the Canadian Press Association, Room 503 Lumsden Building. Enquiry involves no obligation on your part—so write, if interested.

be back again with his confreres of British Columbia and that this city would have him again numbered amongst its citizens. Before resuming his seat, Mr. Stork spoke in glowing and eulogistic terms of the Dunn boys, whom he described as the best boys that had ever come into the city.

Mr. Dunn himself, in rising to reply to the toast to his health and the handsome presentation, received a great ovation. He was genuinely overcome by the splendid reception. In a few words he expressed his deep regrets at leaving Prince Rupert and really felt it would not be for a very long period. His wife's health was the main reason for leaving at the present. A number of excellent speeches were delivered by the well known citizens present.

Mr. William Lynch, Mr. T. D. Pattullo, Mr. Cy Peck, Mr. George Tite, Mr. W. C. C. Mehan, Mr. Fred Peters and numerous others. A splendid spirit of enthusiasm and optimism pervaded the gathering. Stories, songs, personal recollections and reminiscences followed during the evening bringing to a close shortly after midnight one of the most interesting and successful affairs of its kind ever brought off in the city.

Mr. Dunn was escorted by his friends down to the ss. Prince Rupert, where himself and family spent the night in readiness to pull out this morning on their passage to the sunny south.

MANY GO SOUTH ON THE PRINCE RUPERT

Thos. Dunn and Family Amongst Those Who Left Prince Rupert This Morning.

Despite the storminess of the morning, a large number of people were down at the wharf to see the Prince Rupert off. She pulled out exactly on schedule time with the popular skipper, Barney Johnson, at his post waving adieu and best wishes for the New Year to his host of friends on the wharf. The departure of Mr. Thomas Dunn and family for San Diego was also the occasion of a sad leave taking, both the departing family and their many friends left behind feeling the severing of old ties acutely. Among the saloon passengers were the following: D. Bigelow, S. Bigelow, J. Thompson, Alex. Gyr, George S. Sweet, C. C. Loop, Mrs. C. C. Loop, R. Cooper, W. H. Smith, J. MEMBER FOR PEACE RIVER IS HONORED GUEST AT BANQUET

J. K. CORNWALL, "THE WIZARD OF THE NORTH," TELLS OF THE DEVELOPMENT OF WESTERN CANADA—IS AN ENTHUSIASTIC BOOSTER AND UNBOUNDED FAITH IN BRITISH COLUMBIA

There arrived on the Prince Rupert on Christmas Day in the person of Mr. J. K. Cornwall, a gentleman who ranks very highly amongst the virile, strong, dominating characters of western Canada. Mr. Cornwall, who hails from the progressive prairie province of Alberta, has made a distinct name for himself during the last few strenuous years of Canada's great upbuilding and general advance. No greater booster and believer in the immense possibilities of the last great west is to be found anywhere. Devoting for years a great deal of time to the exploiting of the immense country that exists in Northern B. C., he has paid particular attention to the Peace River country.

Mr. Cornwall, who is very enthusiastic about the future of this city and the position that it is destined to occupy amongst

the great ports of the Pacific, was a visiting guest last evening at the banquet tendered to Mr. Thomas Dunn.

The opportunity afforded the distinguished gentleman the chance to meet during his short stay here a most representative gathering of our leading citizens.

He delivered a most inspiring and interesting address upon the subject dearest to his heart, the growth and development of Western Canada. He showed where his province of Alberta had much in common with British Columbia in their struggles and tribulations attendant upon the opening up and development of a new country.

His remarks were received with the greatest pleasure and attention by the company, who upon sitting down toasted him with musical honor.

DOCTOR DENIES HAVING PERFORMED OPERATION

Dr. Israel Claims that No Operation on Czar's Son Was Performed by Him

Berlin, Dec. 25—Professor J. Israel, the noted Berlin surgeon, denied today that he had performed an operation upon the young son of the Emperor of Russia. A story that Professor Israel had journeyed to St. Petersburg and performed a delicate operation on the heir apparent to the Russian throne, receiving as compensation \$25,000, and the royal promise of better conditions for Jews in Odessa and Kiev, was telegraphed from Berlin yesterday.

A note was addressed to Prof. Israel asking if this report was true. The following written response was received from the professor's secretary: "Replying to your question, I have the honor to inform you on the authority of Professor Israel that these rumors are unfounded."

Parachute a Success.

Paris, Dec. 27.—An ingenious automatic parachute for aeroplanes was demonstrated from the Eiffel Tower today. The contrivance, which consists of a vast umbrella, forty feet in diameter, has a system of springs operating instantaneously and automatically when the fall begins. The parachute was dropped today from the first platform of the tower with a sand bag to represent an aviator. The apparatus opened fully before it had fallen sixty feet. It landed gently, taking sixteen seconds to drop 190 feet.

An Edison Phonograph ought to be playing some Blue Amberol Records in your home on Christmas morning

What a glad surprise for the children, as they come tumbling downstairs to find the good things Christmas has brought! And what a pleasure for the grown-ups—a pleasure that will last all the days of the year and all the years to come. For Blue Amberol Records are proof against wear and are practically unbreakable. And best of all, their tone is far better than any other phonograph records you have ever heard. Hear them at your dealer's today.
