WASHOUTS AND SLIDES DELAY WESTBOUND TRAIN FOR HOURS

TRAIN DELAYED IN REACHING PRINCE RUPERT BY ROCK SLIDES AND WASH OUTS—WAS PENNED IN NEAR DOREEN—ATE SODA BISCUITS AND COLD SAUSAGE

The G.T.P. train from Hazelton, scheduled to arrive here on Thursday did not reach Prince Rupert until 8 o'clock this morning, having been detained at Doreen, 125 miles up the line by slides and washouts.

After the first small slides were encountered and had been cleared, the train proceeded on Thursday, but within a short distance was stopped progress, while other slides occurred behind the train, completely penning it in.

The train crew, aided by some of the forty passengers on board worked with a vim to clear the track, but were hampered by lack of tools. About five o'clock the work train got through from the Prince Rupert side and the passenger train was able to continue.

Mr. G. R. T. Sawie, one of the passengers, when interviewed this morning said:

"Yes, I was one of the forty passengers aboard the stalled train. We had hopes of getting through Thursday night, but after digging away seven small slides a big slide with a lot of timber in it and two small washouts were encountered. Work was abandoned about midnight until daylight, when the boys pitched in again and some of the passengers helped. Tools, however, were scarce.

"I am satisfied the railway officials did all in their power to relieve the train. Conductor Rowell was particularly considerate of the passengers' comfort. Excepting that we were on very limited rations, there was no real discomfort. Many of the passengers were without anything to eat for twenty-four hours, but the railway company got in a supply of biscuits, butter and canned sausages about noon Friday from Nicholl, seven miles below."

PRESIDENT TAFT TO BE PROFESSOR OF COLLEGE

Retiring Head of Nation Has Accepted Law Chair at University

Washington, Dec. 26.—President Taft has decided to accept the proffer of the Kent professorship of law at Yale and probably will take up his duties at New Haven in the spring.

The President was said to have determined upon accepting the Yale professorship for several reasons. He will not be restricted merely to lectures to Yale students, but will be permitted to lecture, if he desires, in other law schools or upon the platform or to engage in any other occupation which he sees fit.

If the President had returned to Cincinnati to resume law practice he felt he would have but little opportunity for practice. He felt that he could not appear in cases before the United States Supreme Court because he has appointed a majority of its membership.

He remembered, when he thought of the law, that he had named many Federal judges in Ohio before whom he might have to argue cases, and he believed that about the only sort of practice he could take up would be international and that he regarded as uncertain.

MEETING HELD LAST NIGHT TO PREPARE FOR ORGANIZATION OF Y.M.C.A. IN CITY

Big Meeting Held in McIntyre Hall Last Night Decides to Glean Information in Regard to the Erection of a Y.M.C.A. in This City---Committee Appointed to Take Initial Steps

Last evening at a meeting held in the club rooms of the Baptist Brotherhood, in McIntyre Hall, an initial start was made toward starting a central athletic association in the city. It is probable that at no very distant date an organization of a branch of the Y. M. C. A. will be the outcome of the idea.

All the athletic clubs in the city were represented at the meeting, besides the Baptist Brotherhood, members of the Tigers, Royals, Men's Own of the Methodist Church and St. Andrew's Society being present. The Rev. W. H. McLeod presided, and Mr. W. D. Vance acted as secretary.

It was decided further to have Rev. McLeod communicate with other cities where there are similar organizations to get all information possible on the subject. A committee consisting of the following was appointed to take steps toward securing suitable quarters for an organization of this kind: Rev. W. H. McLeod, Messrs. M. Ramsey, W. D. Vance, S. D. Macdonald and H. W. J. Brooks.

The committee will go to work immediately to make enquiries in regard to obtaining proper

quarters for the embryo club, which such a large number of the young men of the city are so ardently enthusiastic about seeing started. As it is a well known fact that in most cities on the continent where this wonderful organization known as the Y. M. C. A. is established, their club quarters as a rule form one of the leading public buildings in the city, Prince Rupert may hope to see at no very distant date a \$75,000 or \$100,000 building erected that will do credit and be of the utmost use in the healthy training of the young men of Prince Rupert.

ARE YOU A MASON?

If So, Don't Try to Start a Branch Order—It Cost These Men \$200 Each.

Vancouver, Dec. 27.—A fine of \$200 each or the option of six

months' imprisonment was the verdict handed down by Magistrate Shaw in the case of N. B. Weinberg and Joseph Mondal, charged with misrepresentation in connection with obtaining money for initiation fees to the Masonic order.

In giving his decision, Magistrate Shaw said he had gone very carefully over all the evidence and had come to the conclusion that the accused were guilty of misrepresentation, as the people they had secured initiation fees from certainly had been given to believe that they were joining the Ancient Free and Accepted Masons. His Honor declared he was not quite clear as to his duty in the matter, but gave them the option of a fine or imprisonment. Both paid their fines.

BURNING OF A ROOMING HOUSE THOUGHT TO BE ACT OF FIEND

POLICE THINK THAT LOS ANGELES ROOMING HOUSE FIRE, IN WHICH TWO WERE BURNED AND OTHERS INJURED, WAS RESULT OF A MAN WHO HAD SPITE AGAINST OWNER.

(Special to Daily News.)

Los Angeles, Dec. 28.—It is believed that the rooming house fire, which yesterday morning claimed two lives and resulted in the serious injury of six persons, was set by the same person who previously had attempted to burn the place.

At first it was thought that the lodging house had been burned through the carelessness of one of the lodgers, but evidence points to a case of incendiarism. The police believe that they know who the human fiend it, but no arrests have been made yet.

MADE 16 HOUR SPEECH; THE HOUSE SNORED

Vienna, Dec. 27.—Herr Fresi, a Czech deputy, has broken all records for long speeches in the dual monarchy by speaking for sixteen hours, from 8 o'clock Tuesday until noon the next day, in the lower house of the Austrian Parliament, in the debate on the mobilization bills. Herr Fresi was surrounded by a squad of Czech deputies who obtained for him short spells of rest by organized interruptions and counter interruptions among themselves while he was hastily munching chocolate or drinking milk or lemonade.

Other deputies, who were determined to maintain their ground against the obstructionists, made plans for a prolonged sitting. Divans were installed in the corridors, and on them deputies slept in batches during the night. When the doors of the chambers were opened the sound of loud snores came from the corridors.

Beyond being upon pretty short rations for a day or so, no very great hardships were suffered by the passengers on the delayed train, which arrived this morning at about 8 o'clock. There were not a very large number of passengers, a few of whom were unable to take the Prince Rupert for the south as they had intended to do yesterday morning.

LARGE ATTENDANCE AT THE BALL LAST NIGHT

Daughters of the Empire Hold a Successful Bal Poudre in McIntyre Hall.

Although quite a number of people are out of town for the holidays, there was a large attendance at the bal poudre given last evening at McIntyre Hall by the Daughters of the Empire. It was in every way a distinct success, the handsome dresses of the ladies and the enhanced attraction of the poudre effect being most bewitching, whilst the gentlemen, most of whom wore their hair powdered with the regulation blue lapels and cuff sleeves, set off the affair most charmingly.

The hall was beautifully decorated for the occasion, a recherche little supper being served at midnight. Gray's orchestra, as usual, rendered excellent music.

Among those who were present were: Mr. and Mrs. J. P. McLennan, Mr. and Mrs. J. H. McMullin, Mr. and Mrs. G. R. Naden, Mr. and Mrs. T. D. Pattullo, Mr. and Mrs. S. P. Editorial Notes and Clippings

FOR FUTURE GENERATIONS.

Surely some arrangements can be made with one or other of the theatre companies to have moving pictures taken of the present council in action. It would indeed be a shame to have the Mayor and aldermen pass into oblivion without preserving for future generations some idea of the workings of this wonderful body.

Perhaps for the occasion Mayor Newton would rehearse his calling for the police to prevent an alderman asking a question, or the famous debate on the telephone girls would do. At least it would give progeny an idea of the momentous questions which taxed the brains of Prince Rupert's City Council for 1912.

The Good Book says: "By their fruits ye shall know them," or words to that effect. In the case of the present city council, they have not even been introduced to us, for their good works are as hard to find as hen's teeth.

PRINCE RUPERT DISGRACED.

Mayor Newton has never made any allusion to our repeated references to his action, characteristic of the man, in insulting the fathers, mothers and children of Prince Rupert on the occasion of the Duke of Connaught's visit, and all because the chairman of the School Board was a business competitor.

The children of Prince Rupert will compare favorably with any set of youngsters in the country, either in point of intelligence or manner, and His Royal Highness was much disappointed that they had no part in the festivities in honor of his official visit to this city. Prince Rupert, members of his party remarked, was the only place in Canada in which the school children did not take a prominent part in the celebration in honor of Canada's Governor General.

Mayor Newton did not forget the school children; he could not be ashamed of them, but he point blank refused to even have the chairman of the School Board on the reception

platform, although he had representatives from the other public bodies.

The whole thing was so evident that it was coarse. O. H. Neison, the chairman of the School Board, is the editor of the Journal, which has been opposing the present administration.

It is indeed a small matter and one the chairman of the School Board has probably forgotten, but the question involved is a larger one. Do the people of Prince Rupert want a man to be chief magistrate who will stoop to an action of such a petty character to gain a personal triumph? When he would carry spite to such a length in a public duty of that kind, would he be impartial in his dealings with a larger matter in which persons obnoxious to him were involved?

WRANGLING ALREADY.

Premier Borden's proposed naval contribution is bearing its legitimate fruit already, although the matter has not yet got beyond the stage of discussion. It has produced friction and disunion in the British Admiralty. One of the lords has resigned, and there are rumors that others may follow his example, because the strategic board does not approve of the arrangement of Winston Churchill with Premier Borden, which might have the effect of dislocating the dispositions of the fleet. Doubtless objection is taken to the proposed agreement that any time by giving notice three dreadnaughts may be withdrawn and brought to Canadian waters.

If that is the effect of the contribution policy even when it is in the paper stage, what may the ultimate outcome be when divisions of opinion arise as to the amount of the contributions and charges are handed back and forth that the dominions are not doing their share or that the Mother Country expects too much? Is the fact not apparent already that there is only one safe path to follow if the cordial relations that have so long obtained are to continue?—Victoria Times.

Berlin, Dec. 26.—Chancellor Von Bethmann-Hollweg has issued an order forbidding members of the diplomatic corps to wed women of foreign nationalities for the reason, it is under-

CHURCHILL SAYS THAT RESERVES ARE READY

First Lord of the Admiralty Claims That Reserves are Prepared for War

London, Dec. 25.—Horf Winston Churchill, in an address at Stirling, declared that the naval reservists were being trained as widely as possible, and the Admiralty would be prepared to use them if necessary in the front of the battle.

The country was now passing through a picturesque period, continued the first lord of the Admiralty, and the prosperity of Britain was great. The overseas dominions were drawing closer to the mother country in imperial union, and a meeting of ambassadors of all the great nations would be held to narrow the scope of war, and thus preserve the prosperity of the nations.

SOCCER NOTES OF OLD LAND

Table with columns: Team, P, W, L, D, Goals, Pts. Rows include Celtic, Rangers, Hearts, Falkirk, Airdrieonians, Morton, Aberdeen, Clyde, St. Mirren, Raith Rovers, Hibernians, Hamilton, Dundee, Partick Thistle, Kilmarnock, Queen's Park.

In the Scottish League Celtic pulled out a lead of two clear points, for they gained a victory over Dundee and the Rangers were badly beaten by the Airdrieonians. Falkirk kept on in their winning streak and won in very convincing style from St. Mirren and are now tied with Hearts for third place, the Airdrieonians being close behind them.

Morton and Aberdeen both dropped points and Clyde were defeated by the biggest score of the day, 5 to 1, Raith Rovers being their conquerors. The Hibernians' win at Aberdeen was a surprise and it has elevated them a little in the table.

AL PALZER FAVORITE OVER LUKE M'GARTY

Los Angeles, Dec. 27.—There will be exactly \$39,075 in the Vernon box office, according to Promoter Tom Mc Carey's figures, when Al Palzer and Luther McCarty meet for the world's heavy-weight championship on the afternoon of New Year's Day. "The reservation list of today practically cleans us out and assures us that there won't be a vacant chair in the arena," said Mc Carey tonight. "Never since I have been in the game has there been such a rush for seats. By putting my prices up I could have played to a \$50,000 house, but as my seats only range from \$3 to \$15, the capacity mark is \$39,075."

In the betting Palzer has been made a 10 to 8 favorite.

Basket Ball Too Strenuous.

Be Suspicious BE suspicious of that of which nobody is proud. Be suspicious of the mere low-price argument offered in favor of an article with no reputation, no backer, no guarantor. Better buy the thing you know and can trust, than an article unbranded and unvouched for. The branded shoe, made by a maker with a reputation, is a safer shoe to buy than the one made in an unknown factory by an unknown maker. The underwear made by a firm whose name is as familiar to you as your own, is worth more to you than underwear nameless or labeled by a maker of whom you have never heard. When you buy anything worth while buying, buy that of which you know— from advertisements, or from other dependable acquaintance. Buy the article with the "money back" guarantee—with the pledge of a known name behind it. Put your faith in the advertisements appearing in good newspapers. Beware of the article that cannot stand the spot-light of publicity. The commodity an advertiser backs with his own money is something worth your buying. Advice regarding your advertising problems is available through any good advertising agency or the Secretary of the Canadian Press Association, Room 503 Lumsden Building. Enquiry involves no obligation on your part—so write, if interested.

"THIRD DEGREE" TO BE PLAYED THIS EVENING

Griffith Stock Co. Will Present Famous Criminal Play Tonight —"The City" on Monday.

Christmas week has proved pretty good for the show business, the spirit of holiday making taking the people out to the different theatres in the evenings in great numbers. With the number of other attractions there was a remarkably good house last night to witness the Griffith players put on that hoary old melodrama, "East Lynne." As long as the English language lasts the sad domestic story unfolded in this great play will hold an audience, no matter what part of the globe they may be in for the time being. The audience, who were in a most agreeable and sympathetic mood, despite the different kinds of weather that was ringing the changes outside, received the play with marked approval, as was testified by their repeated applause. Miss Miller, in the dual role of Lady Isabel and Madam Vine, was, as usual, excellent, acting with quiet repression in the difficult parts that called for the highest praise. Harry Lancaster as Archibald Carlyle, Richard Frazier in the part of the fashionable roue, Sir Francis Levison, and Rex Snellgrove as Lord Mount Severn made the most of the opportunities offered them. S. M. Griffith and Miss Lillian Griffith in strong character parts left nothing to be desired. Claud Brennan in the character of Richard Hare played with that abandon and style of which he is such a well known master. Charming little Miss Zana Vaughn again captivated the audience with her portrayal of the ingenue role of Miss Carlyle. This afternoon there will be a matinee performance of this play and this evening, by special request, that powerful drama, "The Third Degree," will be staged. This is assured of drawing a big house, as it is one of the great plays of the present day. On Monday "The City" will be played.

Baptist Services. Special Christmas programme by the children of the Sunday school, assisted by the church choir, at 7:30 p. m. The programme will consist of Christmas carols, solos, readings, etc., and a short address by the pastor. You should plan to hear the children tomorrow evening. Morning worship at 11 o'clock and Bible school at 2:30 p. m. Strangers and visitors cordially invited. All services held in McIntyre Hall, Third Avenue, near Sixth Street.

Good Show at Empress. Determined to outvie anything before done in the city in the way of moving picture shows, Mr. Stevens, the genial manager of the Empress Theatre, is certainly giving his numerous patrons good value for their money these days. At the regular popular prices of admission he is producing two banner feature shows, each lasting nearly an hour and three-quarters. The programme last night, which will be repeated again this evening, was one of a most interesting and attractive character. The star feature, "The Daughter of the Spy," in two parts, was a most fascinating and dramatic story, acted magnificently by the very best artists—right in the heart of Italy, that country of romance. Pathe's Weekly, to see which is one of the events of the week, again proved replete with lifelike representations of the world's doings. Two charming love stories, "The Winds of Fate" and "When Two Hearts Are Won," with a couple of extraordinarily funny films, went to make up an evening's entertainment that would be hard to beat anywhere.

Obviously an Imposter. Dancer—What did you put that man out for. Floor Manager—He claimed to be one of the city firemen and he was wearing a celloid collar.

MISS JESSIE MILLER Who will appear in the leading role in "The Third Degree" at the Westholme Opera House tonight.

CATHOLIC CELEBRATION LAST NIGHT A SUCCESS

Children and Grown-Ups Enjoyed Themselves at the Christmas Entertainment.

Merry, smiling faces, sparkling eyed, happy children danced around in great glee at the Catholic Hall last evening at the annual Christmas tree and entertainment, that both old and young take such a delight in at this season of the year. There was a large gathering of parents children and others to take part in the festive occasion. There were presents for all and laughter and merriment reigned. After the work of old Santa Claus had been accomplished to the entire satisfaction of all present, a most delightful little programme was gone through by the children. The first item was a dialogue by the Misses Hilda Curtin, Belle Flaherty and Grace Curtin. Next Little Stockings, by Clarissa followed a recitation, "The Two Griffiths." A song, "The Two Marionettes," by Miss Hilda Curtin, was received with loud applause, as was also a recitation, "The Christmas Tree and the Mouse," by Miss Louise Rowell. The last number on the programme, a sketch, "Christmas Gifts," made a big hit, those taking part being Misses Bernice Palmer, Hilda Curtin, Grace Curtin, Astori, Louise Astori, Alice Early, Louise Rowell, Clarissa Griffith, Louise Walley, Belle Flaherty and Master John Shea. To Miss Blanche Curtin is due the greatest praise and credit for the work of getting up the entertainment which proved such a great success. Miss Curtin accompanied on the piano and personally directed the sketch.
