Nelson, Jan. 27 .- Describing Fred Irvins, Harry Amas and Dr. Through the action of the Port-N. The fight which is being waged and Dr. Jones is chiefly against what they call the one-man rule of Dr. Arthur, who is secretary of the board, and also a trustee. They blame him for the lack of harmony in the school manage. ment for the last four or five years and declare that the secretary should not be a trustee or the ground that the dual position gives an opportunity for abuse power.

Dr. Jones on Saturday threw bombshell into the audience when she declared that it was said that there was more gambling at the high school than downtown. Black jack and poker are said to be the games most patronized by the students.
