ROAD WORK
AT HAZELTON

Queen Charlotte Islands and
Bella Coola district are not the
only sections of this provincial
riding that have a grievance
over bad roads and wasted
road money. Up in Hazelton
district the road building has
been under the control of the
Conservative executive and
their management of it was so
rotten that the decent element
of the Conservative party
kicked them all out of office
about ten days ago. One of
their crimes was stopping the
road to one of the producing
mines when it was only half
built. The owners of the Silver
Standard mine offered to put
up the money to complete the
road but their offer was
spurned. As a consequence
several carloads of ore will
remain at the mine until it can
be brought out on sleighs.

This appears to be the Mc-
Bride policy of developing
British Columbia.

are the men who are continu-
ally to be found in the po-
lice courts. They may be
compared to the dangerous
mosquitoes that carry the
germ of infection from the
fith of the gutter to the pu-
rity of the home.

What shall we do with
this criminal class. Shall we
continue to levy a five dollar
fine or a ten days' imprison-
ment or shall we allow them
to go scot free through the
technicalities of a criminal
code. It is a difficult prob-
lem and yet a great deal
might be done by the local
police in ordering such char-
acters out of town.

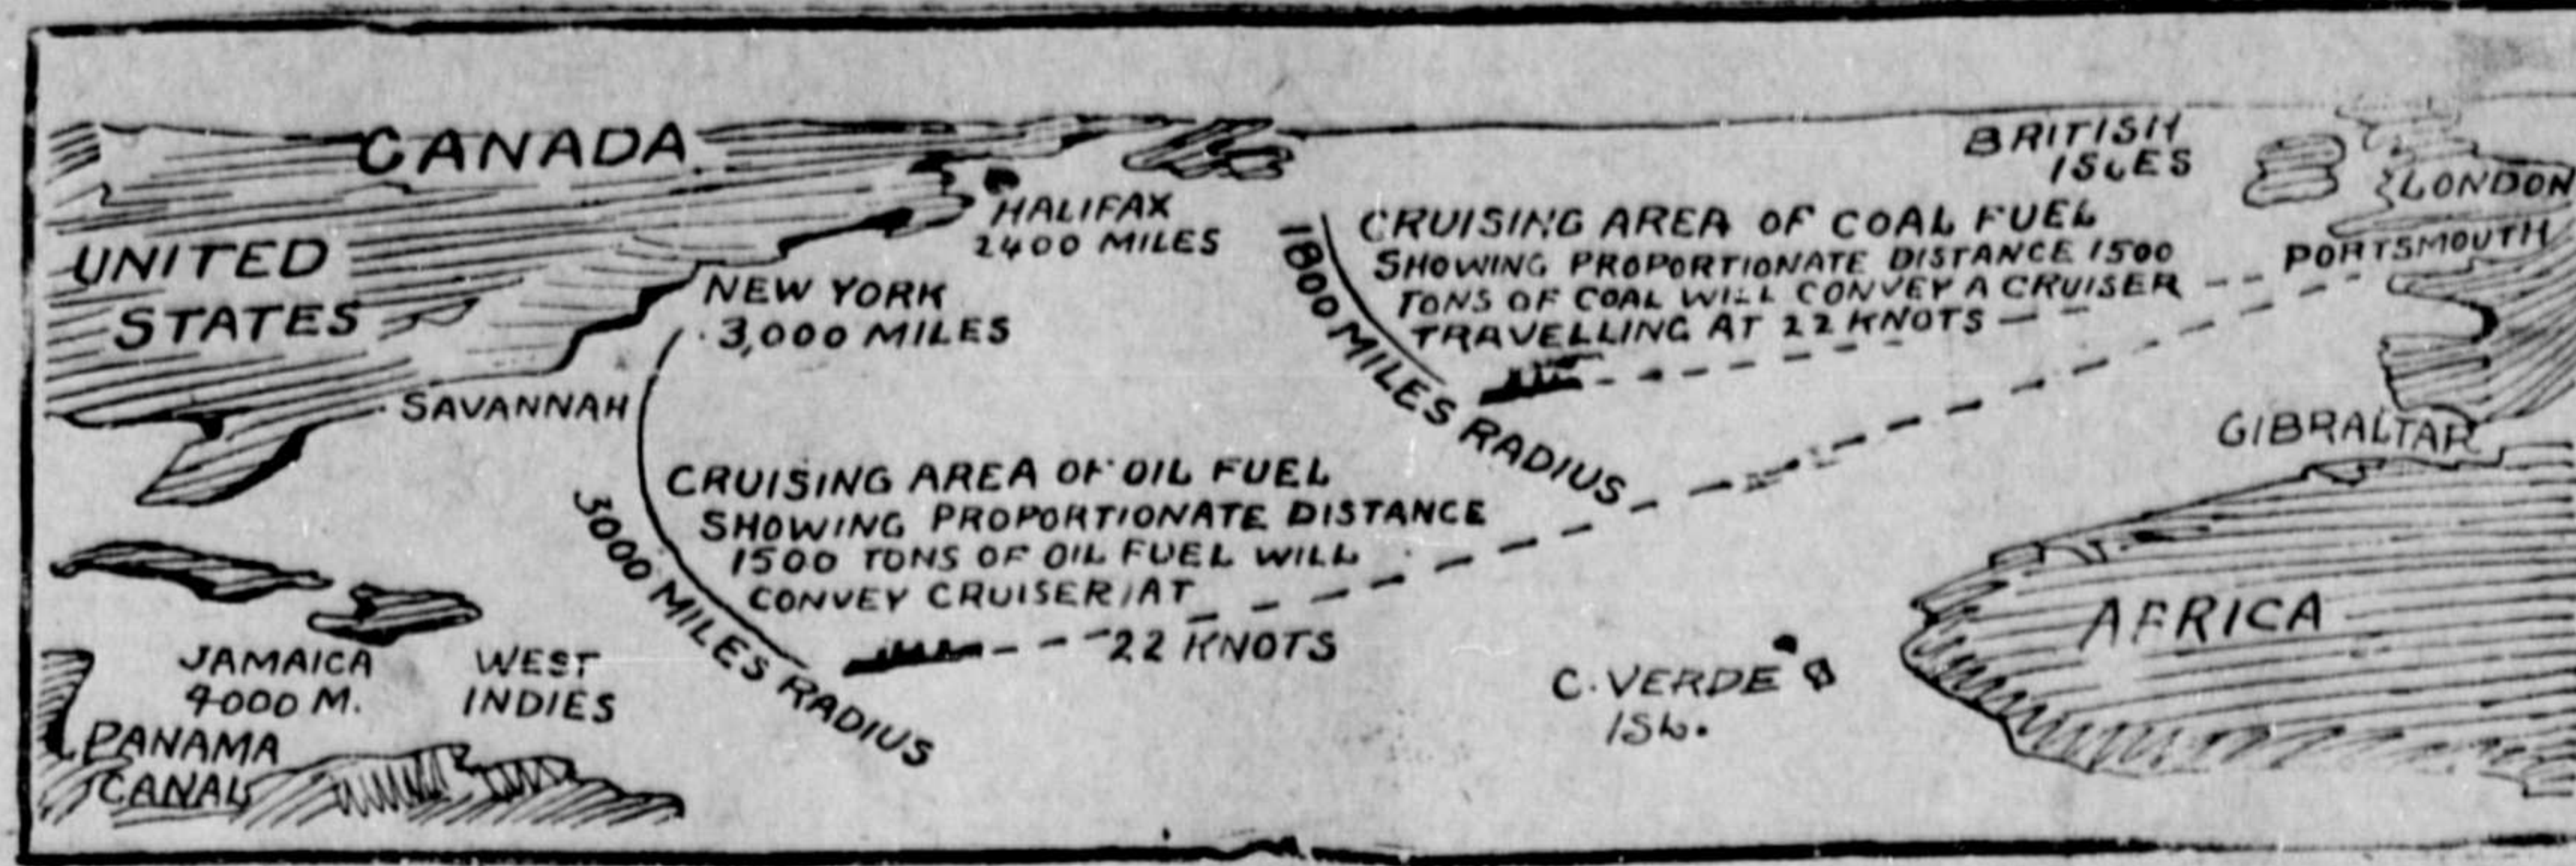

Of course the real problem
is to cleanse the gutter which
is their breeding ground. And
this is another difficult prob-
lem because a good deal of
the business of the town is
believed to centre around
this stagnant pool—"How
long, Oh, Lord how long?"

LOCAL POWER

The condition of the city
lighting plant for the last few
days emphasises the import-
ance of solving the power
problem at once. On Satur-
day night when stores were
thronged with people a
transformer burned out and
the city was thrown into
darkness, greatly to the de-
triment of the business men.
Prince Rupert certainly needs
more power, and that quickly
if we wish business to pros-
per in our midst.

A PROBLEM

Society like Gaul is divided
into three parts; one the de-
cent law abiding citizens who
are the backbone of every
community; the other the re-
fuse and dregs of immorali-
ty about whom we can only
think with a shudder. An-
other lies about the border
line and is the most danger-
ous element of the three.
They live in the lowest dep-
ths and yet dare to appear
among decent people. They

WM. MANSON'S REFUSAL

According to the reports of
last night's meeting Mr. Wm.
Manson will not be a candi-
date in the civic election.
This will come as a relief to
a great many citizens who
have been fearing the possi-
bility of a party fight. It
would be a tragedy to have a
prominent Conservative take
the field against the present
Mayor, who perhaps has Lib-
eral leanings, although one
who will not put party before
business. Mr. Manson has
shown good sense in refus-
ing to be a party to such a
fight and his conduct in this
respect will receive the ap-
proval of all fair minded cit-
izens.

Now that artizans and labor-
ers are prohibited from com-
ing in to B. C. how does H. S.
Clements, M.P. expect to bring
in white fishermen to take up
those 600 independent licen-
ces.

Toronto Saturday Night has
a front page photo of Hon.
Thos. Taylor with the state-
ment that he is locally known
in B.C. as "Good Roads Tay-
lor." Wonder if he won the
appellation by the good roads
he is building in the Skeena
district.

That the new fisheries cruiser
Malaspina will developed all
the promised fifteen knots af-
ter all once she has been thor-
oughly overhauled, is the opin-
ion of Capt. Dillon, who bro-
ught the vessel out from the
Glyde.

TO CULTIVATE TASTE.

Local Musical Society Organized for
the Purpose of Developing Ap-
preciation of the Best.

Mention has been made in these
columns before of the local musical
society that has been in existence
for some time for the purpose
of doing something in the line of
developing a taste for the better
class of music in the city. The organiza-
tion has been more or less of an
informal one since its initiation. In
the formation of it Mrs. P. I. Pal-
mer took a very active part and
through her efforts the early stages
of the society were lived through.

At a meeting held the other day
the formal organization took place
when officers were elected. These
were as follows: Hon. president,
Mrs. DuVernet; president, Mrs. P. I.
Palmer; first vice-president, Mrs.
Armstrong; secretary-treasurer, Miss
DuVernet; executive committee,
Mrs. Baxter, Miss Ellett, Miss John-
ston, Miss Irwin and Miss Froud.

The next recital of the series that
is to be given by the organization
will be at the home of Mrs. DuVer-
net, on Friday, December 19, at
4:30 in the afternoon.

putting it into a nutshell so many times that the meeting began to think even a cocoa nut shell would not hold it all.

He said that when the peah load is over 500 h.p. the gross rate per k.w. would be 1 1/2c to the city under the proposed agreement.

Remarks Picked at Random H. Douglas—If the city could buy the machinery on time we might finance the Woodworth Lake scheme for \$100,000.

Mr. Cuthbert intimated that the city could get power on the Naas, sufficient to supply the whole district.

Mr. Agnew said the cost of transmission across the canals would make it prohibitive.

The meeting finally got around to the candidates. The chairman thought differently. He wanted action and took occasion to air his own

grievances over not being able to get roads and water, out in section seven, where he has improved his property.

Ald. Tom Maitland then announced that he had been requested by Mr. Manson to say that he would not stand for the mayoralty.

Ald. Douglas—Then we know who is going to carry our banner to victory—Newton. Applause led by Neil McKay.

The committee is Messrs. Gampp, Fred Shaw and Derry. It was then moved that H. Douglas be appointed treasurer to pass the hat for campaign funds.

Another meeting will be called next week. Fred Shaw—If it costs us \$60,000 for a distributing plant and we lose our present plant merely to get our power at 14c per k.w. hour I can't see we are any ahead.

Shaw—If this company gets a contract now they will then want to grab our street railway franchise. Shaw—If the company sells power cheaper here it is to help Port Edward. We have got to watch that thing. I have got every dollar of mine invested here. Hard earns!

Agnew—Under the agreement we cannot sell power cheaper in Port Edward than we can here. Fred Shaw—We will no doubt have to let the grading of the streets and sewers stand until we finance this.

A. Cuthbert—If this company can make money selling power we can. Ex-Ald. Douglas—I've always fought for this section. Most of my property is here.

Walter Shaw—You cannot mix antagonistic interests and get anywhere. Ald. Tom Maitland—I've nothing to say only you know I'm against it.

DAILY TELEGRAPH COMMENTS UPON THE SITUATION PRODUCED.

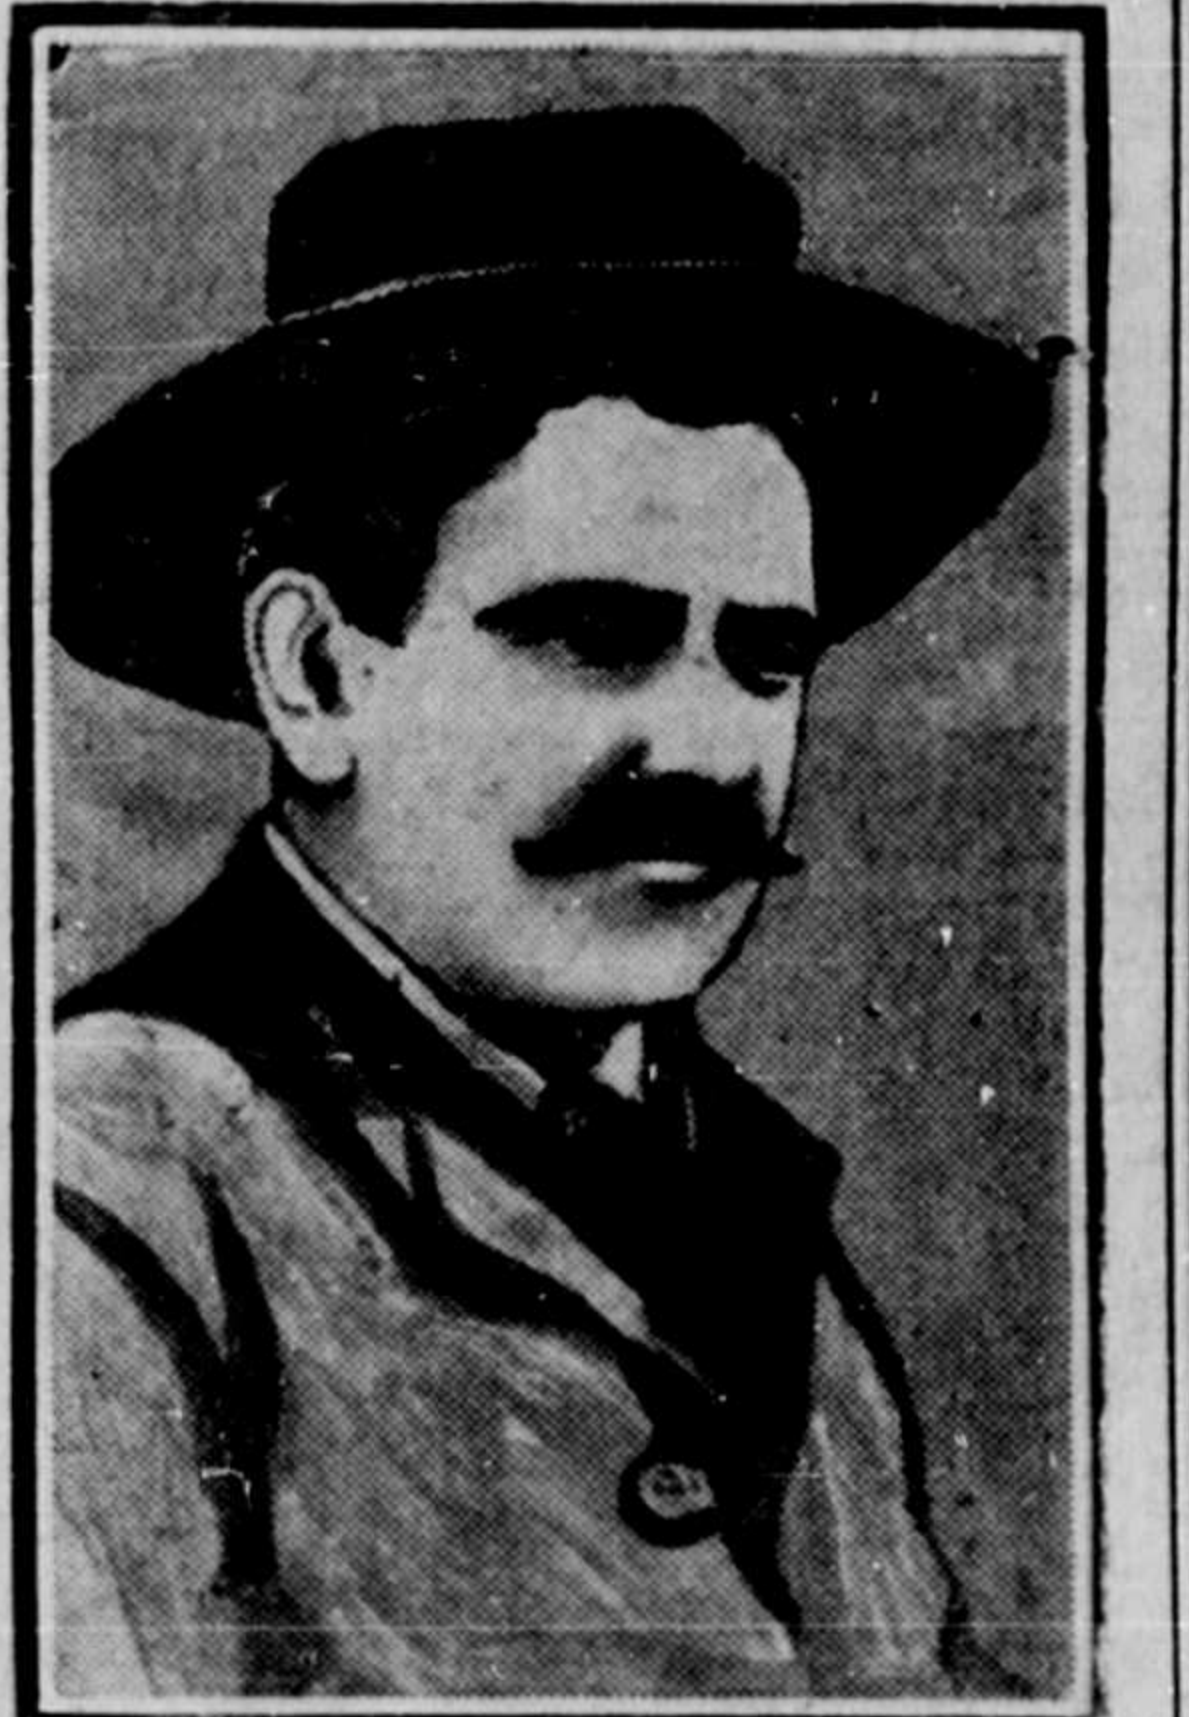

Borrowings in Country Have Gone Up About Fifty Per Cent. This Year.

London, Dec. 11.—The Daily Telegraph in discussing the financial conditions respecting Canada's loans says the heavy borrowings are producing a steady decline in credit.

The Dominion's borrowings this year were thirty-five million dollars; those for the provinces fourteen millions; for the municipalities seventy-seven millions; for railways over a hundred and thirty-three millions, with miscellaneous borrowings of fifty millions.

#### MANSON WILL NOT RUN

Tom Maitland is Delegated to Make the Announcement at Gamp's Meeting

Ald. Maitland announced at the Gamp meeting last evening that William Manson would not be a candidate for Mayor. The announcement seemed to surprise some of those present but evidently it had been generally understood that if he did not run S. M. Newton would try to make the grade again.

When the Daily News made the statement Wednesday that Wm. Manson would be a candidate unless something unforeseen turned up, it brought forth the unforseen in the shape of ex-Alderman Montgomery. Mr. Montgomery does not like Manson and is after his scalp day and night. He promised to make a third candidate if Manson took the field.

#### SCENE FROM "THE WIDOW MALONEY'S FAITH"

At the Westholme on Monday Evening

Owing to kirmess being held in the Westholme Opera House tonight, the management has decided to hold over the Widow Maloney pictures until Monday and Tuesday to give everybody an opportunity to see this fine program.

The full title of this story is "The Widow Maloney's Faith." These pictures are Irish. The story is Irish. Its scenery is Irish and the music played by the Westholme orchestra will be Irish. Everybody no doubt remembers "The Heart of Kathleen" pictures shown a few weeks ago in the same theatre. The Widow Maloney films are made by the same company and are if anything better pictures.
