### DARING HOLD-UP ON FIFTH AVENUE LAST NIGHT—FINANCE MINISTER GETS CHEAP NOTORIETY

#### HUERTA WILL NOT SALUTE FLAG MAY MEAN WAR WITH STATES

##### CONGRESS WILL PASS ACT TO ENABLE MUSTERING OF THE MILITIA—FOREIGN GOVERNMENTS NOTIFIED

(Special to The Daily News)  
Washington, April 20.—Huerta has refused to accept President Wilson's demand to salute the American flag. In refusal he last night he countered with conditions. The officials said these would not be accepted and the program of reprisal should be carried out. Secretary Tumulty announced at 11 o'clock last night that President Wilson had instructed an over long distance telephone call a special meeting of the cabinet for 10:30 today. Mr. Tumulty announced that the president was preparing to deliver a special message to congress today and that a joint session would be held at the earliest possible hour, probably 3 o'clock. The matter is closed, said Mr. Tumulty. Huerta, he added, had refused for no continuation of negotiations and refused flatly to agree to what he called a demand for an unconditional salute.

unconditionally saluted, because the flag was not insulted as it was not flying from the launch, and the marines were set free even before the investigation and the officer responsible for the arrest was himself arrested and held for trial.

Washington, April 20.—The breach that finally has come with Mexico will make it impossible, it was declared today on high authority, for the United States to further protect foreigners in that republic, and foreign governments have been notified of the situation in this regard.

The president will probably ask further that the senate pass a volunteer act which has already passed the house providing for the pressing into regular service of the military regiments in various states. In preparation for the crisis that must be met, Senator Shively, chairman of the senate foreign relations committee, has called a meeting of this committee for today.

Washington, April 20.—President Wilson is expected to ask for power to blockade the Mexican ports at the session today.

Mexico City, April 19.—Mexican Foreign Minister Senor Porfirio Rejas announced tonight that it would be impossible to meet the demand of the United States that the flag be

#### ALLEGED SECOND AVENUE BURGLAR MAKES ESCAPE

##### No Proper Accommodation for Prisoners at Police Station

Owing to the lack of accommodation at the police station, one of the men held for the burglary on Second avenue escaped early this morning. As was reported previously, the men did not agree in their stories, so in order to prevent collusion it was necessary to confine them separately at the station. This was only possible under present conditions by keeping one of the men, O'Reilly, in the kitchen. He was seen and spoken to by one of the officers at 4 a. m., and was visited thereafter every fifteen minutes until 7 a. m. The officer naturally did not wake the prisoner on each visit, but looked through the bars to see if he was in bed. At 7 o'clock when the man did not get up, an investigation was made and it was found that he had rigged up a dummy in the bed, using cooking utensils, etc.; had picked the lock and escaped through the boiler house. It is thought that he got away on the City of Seattle this morning.

##### Line Into Peace River Will Be Opened This Fall—J. D. McArthur Talks

(Special to The Daily News)  
Winnipeg, April 20.—In the course of an interview, J. D. McArthur, the well known railway contractor, stated that the steel was laid from Edmonton to the Lesser Slave lake, a distance of 170 miles, and that the Peace River valley country would be reached this summer. Mr. McArthur gave out for the first time the details of the Edmonton-Dunvegan and British Columbia railway that is opening up the last great west and inland empire, thousands of square miles in extent. He also announced that work would be commenced in the spring on the Great Waterways railway to Fort McMurray, northwest of Edmonton a distance of 350 miles.

#### LATEST NEWS BY WIRE

(Special to The Daily News)  
Medicine Hat, Alta., April 20.—Peter Verigin, president, and J. W. Sherbinin, manager, of the Doukhobor community in Canada, arrived here today. It is expected that the Southern Alberta Land company will let a contract tomorrow for considerable work on the Little Bow reserves, and the Doukhobor officials will look into the prospects of getting work there for some of the Doukhobor colony in Saskatchewan.

##### Trouble Over Local Barber Shop Ends in Fracas and Assault Case Results

Hermas St. Louis, a Fifth street barber, had four of the leading city barbers up in police court this morning charged with assault.

From the evidence it appears that St. Louis has been running a cut-rate shop. To a conference of the local barbers he explained that his trade did not conflict with them, as his trade was largely from the floating "bums" and the cheaper class. One of the other boys said "I understand Ald. Morrissey gets shaved at your shop. Do you call him a 'bum'?" St. Louis would not say this. "Then I'll tell you what I think. Any man who goes around at election time preaching 45c an hour and then goes to a cheap shop to get a shave is a pretty cheap skate." An interchange of compliments followed with the result that the fracas landed in court. The case will be finished tomorrow.

#### Notice to Contractors

Bids will be received up to noon Thursday, April 23, for the erection of a one-storey frame residence. Plans, specifications, etc., may be had from Harrison W. Rogers, architect, Suite 1, Federal block.

London, April 20.—The suffragettes today interrupted the service at St. Margaret's, Westminster. The church officials ignored the women and the demonstration subsided. Many members of the house were present.

Berlin, Ont., April 20.—A report that Miss Annie Noll, who has been missing from Vancouver since last September, had committed suicide in a hotel in New Westminster is not credited by Berlin relatives of the missing girl. The relatives have requested the Dominion police department to institute a thorough investigation. They believe she was murdered.

Winnipeg, April 20.—After attempting to get his young bride of two months to join him in a suicide pact, Ernest Blowers, 26 years old, a jeweler, swallowed potassium cyanide crystals yesterday and died instantly.

Moncton, N. B., April 20.—Two little children of Jane Munson were killed with an axe yesterday. Park Sobey, who is alleged to have made committed the murders, also made an attack upon the father. The children were found dead today in his backwoods camp. The authorities believe that he has killed himself.

##### W. B. PROVEN OF AMBROSE AVENUE HELD UP AT POINT OF GUN—ASSISTANCE ARRIVES AND ROBBER ESCAPES

A very daring though unsuccessful holdup occurred last night at 9:30 o'clock on Fifth avenue, almost directly in front of Mayor Newton's residence. The victim of the attempted robbery, Mr. W. B. Proven of Ambrose avenue, while on his way home from town was suddenly accosted by a man who pointed a gun at him and demanded "hands up." In the excitement of the moment both hands went up as ordered, but upon the opportune appearance of Mr. Philip Linzey, he yelled and ran in his direction. Without a moment's hesitation the assailant, pocketing his gun,

#### WEIRD MONSTER OF THE DEEP CAUGHT BY LOCAL FISHERMAN

##### LOOKS LIKE A CROSS BETWEEN FISH AND ANIMAL—WILL BE PRESERVED AND PLACED ON EXHIBITION

One of the most interesting specimens of the deep that could be imagined was brought to the city from one of the local fishing boats and exhibited in the office of The Daily News. Its appearance would lead one to think that it is part animal and part fish. The head is distinctly of the mammal type with teeth similar to a rat's and nostrils very like to those of pigs. It has gills, too, but they are covered up. It has the usual tail

of a fish and the front fins are quite natural. On the centre of the belly, however, there are two fins shaped like herring tails, and beneath these two feet with projecting claws. On the top of the head an organ lies buried in a socket, but which can be raised up, and underneath it is covered with sharp spikes evidently used in time of war.

An attempt will be made to have it preserved and placed on exhibition in the publicity rooms.

#### NEW TREATY BETWEEN BRITAIN AND STATES

##### All Disputes to Be Referred to a Commission—Details Are Not Yet Arranged

(Special to The Daily News)  
Washington, April 20.—Sir Cecil Spring-Rice and Secretary Bryan discussed the outline of a peace commission treaty to bind the United States and Great Britain to submit to the commission for examination and issues between the two countries which would not yield to diplomatic adjustment. It will take a little time to perfect the new convention because of its application to Canada, Australia, New Zealand, South Africa and Newfoundland, each of which have to be consulted.

convention of the B. C. Teachers' institute in Vancouver last week. Dr. Walter C. Murray of the University of Saskatchewan spoke on "Education and Heredity," and Rev. Dr. Ebor Crummy talked on the development of character and personality as one of the purposes in teaching.

Just as educated parents have bright children, said Dr. Murray, illiterates are generally followed by another generation of low mental capacity. While education cannot supply such characteristics as energy, intellectual vigor and strength of will, he said that these could be moulded in such a way as to be of the best use to their possessors. Since the character of a race did not depend solely on the physique of its people, there was a mission in the school that most people overlooked.

Dr. Ebor Crummy pointed out to the convention that the fundamental duty of a teacher was not to teach the rudiments of reading, writing and arithmetic, but to develop character and personality. Men were not to be mere nonentities crammed with book knowledge. Stupidity, he said, could be dispelled in a boy or girl at an early age.

Mr. H. B. King spoke on the problem of grading. It was decided at a prior session of the convention that the "leaving" standard at high school was not high enough for students intending to take up teaching as a profession.

##### Judgment Effects Settlement of Long-standing Dispute Between Bishop and Parish

Mr. Justice Clement of the supreme court has given effect to the terms of agreement reached between the Bishop of New Westminster and the parishioners of Holy Trinity church, New Westminster, before the issue came to trial, by handing down judgment confirming the settlement upon the lines agreed upon relating to the disposition of the See house property in the Royal City and the future status of Holy Trinity church in the diocese.

#### C. P. R. WILL CALL AT MANILA HEREAFTER

##### Will Open Valuable Market for the Products of Canada

(Special to The Daily News)  
Montreal, April 20.—The C. P. R. announces that it will enter the Philippine trade on June 15, when the steamer Empress of Russia will make the Manila port call. The fastest schedule hitherto from any North American port to Manila has been 28 days, but the C. P. R. with her fast sailings will cut this down to 17 days. The service has been inaugurated at the request of the business men and commercial interests of the United States and the Philippines, and will bring Canada into touch with a valuable new market.

#### SMALL BLAZE LAST NIGHT FIRE DEPT. CALLED OUT

##### Occurred in Basement of House on Fifth Avenue—Resulted in No Damage

The fire department was called out to quash a small fire in the basement of J. Hunter's home on Fifth avenue west. The fire must have originated by hot ashes falling through the floor from an open fireplace. The fire ladders were right on the job and the fire was put out in short order.

DAILY EDITION

Monday, April 20, 1914

Owing to the failure of Premier McBride to make good his promise of a road round the island, the outing facilities of the citizens are somewhat limited.

Under these circumstances a boat house is one of the first requisites, but under present arrangements this cannot be provided.

When ground is purchased by the government for public purposes at fifty per cent more than market price, when public works are conducted in a scandalously inefficient manner, when citizens are compelled to proclaim alle-

tion in which they do not believe or are otherwise discriminated against, when the militia is disbanded at the behest of a few unscrupulous political ringsters, when the natural resources of the community are given away to party henchmen, when thieves remain unpunished and murderers escape the consequences of their crimes, what chance has the public morality to remain undefiled under such circumstances?

Are the people of British Columbia and are the people of Canada going to tolerate a condition of affairs which must bring the blush of shame to every citizen with an atom of decency and patriotism in his makeup?

If Canada is to be a great country we must train our youths in the way of probity and uprightness. Example, too, is better than precept. In this respect upon men in high office lies much responsibility.

SIR RICHARD FOR LONDON
BOWSER WILL BE PREMIER

EXPECTED THAT CHANGE WILL TAKE PLACE THIS FALL—
POSSIBLY NO ELECTION AS RESULT

Returning visitors from Victoria say that the air in government circles at the provincial capital is charged with high tension expectancy over the recent definite announcement from Ottawa that Sir Richard had practically roped and hog-tied the high commissionership for himself.

It goes without saying that the call to the premiership goes to the attorney-general. At the very least, that gentleman will have the refusal of it, and will not refuse it; so again goes the rumor without saying, for who but he, who has played a faithful Damon to the knightly Sir Richard's Pythias, has better claim on the call, when it comes?

While it is natural that all expectancy is kept on edge by the waiting for the final announcement of Sir Richard's retirement from the active field of politics in which he has played so prominent a part for many years, it is also true that actual cabinet changes are not brought to the front in discussion, for the reason that anticipation has been waiting on the return of Premier McBride from Ottawa.

Nevertheless, speculation, which does not presume to leave the leadership of the government in doubt, has much to feed upon in the personnel of the cabinet when Hon. W. J. Bowser is called upon to submit a slate to his honor.

to the rising young member for the Islands without a struggle is equally a foregone conclusion.

There are several lofty domes of thought sticking out of the high grass, the respective owners of which confidently feel would be becoming resting places for a ministerial aureole.

At least one other cabinet change is likely in the near future. Hon. Price Ellison, it is said, has the best chance of succeeding to the Lieut.-Governorship, when Hon. T. W. Paterson's term expires in November next. There are very few who care to dispute the finance minister's claim to the honor of presiding at Government House for the next five years.

There will be no need for a general election in case Sir Richard resigns. If Hon. Mr. Bowser is called on to form a government, he will not need to go before his constituents, nor will any of his present colleagues.

### Do you remember chanting this doggerel when you were THAT high? How good those muffins tasted!

But now-a-days it is not necessary to have a speaking acquaintance with the Drury Lane celebrity to obtain good muffins. You can beat his wares hollow by making them with ROYAL STANDARD FLOUR. He, poor fellow, had to be content with any flour he could get. The recipe quoted is more popular than his. If you are out of "flour," ask your grocer for a sack of ROYAL STANDARD—your "buy word" for the best.

### RELIEF FUND STARTED FOR VICTIMS DISASTER

Newfoundlanders and Others Are Asked to Assist—Money Received by Merchants Bank

A relief fund has been started in Vancouver for the widows and orphans of those lost in the recent disaster which happened on the Newfoundland coast. The latest report is that 250 lives were lost, being the entire crew of the Southern Cross, and 77 of the Newfoundlanders' crew. At the first meeting called in Vancouver there were 200 former Newfoundlanders present and \$866 was collected right there. An effort is being made to secure help from all Newfoundlanders on this coast and any others who would like to assist.

The movement was started by the Halibut Fishermen's union, of which Russell Kearley is agent, and amounts sent to him at Box 1365, Vancouver, will be deposited in the Merchants' bank for that purpose. The time for closing the fund is May 15.

### FINE FEATURE PICTURES "JUDITH OF BETHULIA"

In Four Reels at Westholme Wednesday and Thursday

Always striving for first rank in the presentation of high class moving pictures, the Westholme opera house management has been successful in securing the great four-reel Biograph feature "Judith of Bethulia," to be shown at this theatre next Wednesday and Thursday. While the story is laid in the time of Nebuchadnezzar, King of Babylon, the action is as much modern as ancient, since human nature in its essentials is the same now as then and the story of a woman's love and sacrifices never grows old. Bethulia is, or rather was, a fortified town on the frontier of Judea, and at the time the story begins was besieged by Holofernes, a Babylonian general, who was as brutal and merciless as he was able and successful. Judith was a Jewess of rare beauty who sacrificed her honor and herself to save her city and her people. For splendid scenery, magnificent costuming and excellence of photography this series of pictures has been seldom equalled and never surpassed and must be seen to be fully appreciated and understood.

The total sales of the "Salada" Tea Co. last year amounted to as much as the total business during the first twelve years they were introducing Ceylon tea into Canada and the United States. Their increase alone in 1913 over 1912 amounted to more than the total business done during the first five years of their existence, and during the first three months of 1914 their ratio of increase is the largest they have ever had. 90-91

### SALVATION ARMY HOLDS SELF-DENIAL WEEK

Organization that Does Excellent Work Throughout Country Deserves Support

The Salvation Army has—as an organization—given both to the religious and philanthropic worlds many examples of what great things can be done by fixity of purpose and unity of effort; among them none more striking than its Annual Week of Prayer and Self-Denial.

We understand the period set apart for this purpose for the present year is from April 19th to 25th, and we are not backward in commending the Appeal to the generosity of our readers.

In addition to being a great influence for good in this country, The Army is a huge missionary organization, operating in no less than 58 countries and colonies, and preaching the gospel in thirty-four different languages.

From what we can gather its extensive social scheme for the amelioration of the physical needs of the poor and the out-cast is being carried on with much success in other lands. Take India, for instance, where its famine relief operations, savings banks, and co-operative schemes are proving of great blessing, and are exceedingly successful.

The resident officer, Capt. E. H. Steisle, together with the local co-workers, are exceedingly anxious that the contribution towards the Home and Foreign Missionary and Social Funds shall be a liberal one, and donations may be handed to either the officer, members of The Army or to the editor.

### "THE SQUAW MAN" AT THE EMPRESS THEATRE

"The Squaw Man" in six parts, with Dustin Farnum in the title role, is a production dramatically as big as, and scientifically superior to the original play. It opens at the Empress Wednesday, April 22, and to remain for Thursday, April 23.

There is no need to introduce "The Squaw Man" to the public, any more than there is need to inform them who Dustin Farnum is. It is difficult to see how the Empress could have made a better or more strategic choice of motion picture dramas.

A popular star with film lovers will make her appearance on the Empress screen for the two days commencing Wednesday, April 29 and 30—Mary Pickford will appear in her original role in "The Good Little Devil," the masterpiece of David Belasco. This play had two solid years' run at the Belasco theatre in New York City.

Miss Pickford in the film version is supported by the same star cast as in the play, with William Norris and Ernest Truax.
