Bannister, Liberal, 8,193. The vote cast was 1,556 larger than last election and the Unionist majority was decreased by 129.

SOUTH AMERICAN ENVOYS SEEK ELIMINATION HUERTA

ALL ENDEAVOR TO SETTLE THE WHOLE MEXICAN PROBLEM—UNITED STATES VICE-CONSUL TO BE RELEASED AND SENT HOME UNDER GUARD

(Special to The Daily News)
Washington, May 13.—The elimination of Huerta and the establishment of a provisional government by both the Huerta and constitutionalist factions is presented to be the contemplated plan of the three South American mediators. This will be proposed as a solution of the entire Mexican problem. Mexican Acting Foreign Minister Ruiz has telegraphed the mediators that the United States vice-consul, Sillman, who is under arrest at Saltillo, has been ordered sent to Mexico City under guard, to be delivered to the Brazilian minister and returned to the United States.

CRIMINAL IN CO. GOT \$35,000 FOR TWO LOTS

Purchased Property at Original Sale From the Grand Trunk Pacific

Yesterday the Terminal Investment company, being a local syndicate, sold lots 24 and 25, block 26, section 1, for \$35,000. This is the corner diagonally opposite Lynch Bros. It was purchased at the original sale from the G. T. P. for \$4,150. Out-of-town money made the purchase, but the buyer's name was not made public.

MEXICAN DIPLOMATS HAVE FULL AUTHORITY

United States Mediators Chosen—Party Leaves for Niagara Falls

Washington, May 13.—Associate Justice Joseph Rucker Lamar of the United States supreme court, and Frederick W. Lehmann of St. Louis, former solicitor-general, have been selected by the president to represent his views before the South American mediators in the Mexican mediation negotiations at Niagara Falls, Canada. Secretary Bryan has made this official announcement. Whether a third representative would be appointed, Mr. Bryan declined to indicate, stating that it could be assumed that there would be no other.

AMENDING BILL MUST PASS AT SAME TIME

Premier Asquith States How Agreed Settlement Home Rule is to Go Through

London, May 12.—In the house of commons today, Premier Asquith, speaking on the future progress of home rule, said the only proper way of carrying out any agreed settlement would be by an amending bill. The government would be responsible for the introduction of the amending bill in the hope that it would be passed. Both bills would become law at the same time. The house, he explained, would be asked to give the present bill its third reading before Whitsuntide. He hoped and believed the amending bill would receive the co-operative support of all parties in the house.

Union Smoker Thursday

The Trades and Labor council has arranged for a smoker to be given in the K. P. hall on Thursday evening. All union men will be welcomed. The program opens at 9 o'clock and an interesting entertainment is promised. There will be games and music and refreshments later. J. D. McNiven, the Dominion government fair wage officer, who is in the city, will probably address the gathering. The Empress orchestra will be present.

JEALOUS HUSBAND MURDERED HIS WIFE

Cut Her Throat and Then Made Attempt to End His Own Life

Victoria, May 12.—One of the most gruesome murders ever committed in Victoria occurred here today. Archie Young murdered his wife in bed, slitting her throat from ear to ear. Following this, the man attempted suicide with the same weapon, but did not carry out his plans. He now lies in St. Joseph's hospital in a dying condition. Jealousy, it is believed, was at the bottom of the tragedy.

TYEE LODGE HOSTS TO MASONIC BRETHREN

An Excellent Address by Talented Member of the Fraternity

The members of Tsimpsean Lodge A. F. & A. M. were guests of Tyee lodge last evening. The lodge room was crowded with members who witnessed the exemplification of the first degree. Later the brethren gathered around the supper table and heard an excellent address by R. W. Bro. F. McB. Young on "The Ethics of Masonry." The address while being for members of the fraternity only, was rich in rhetoric with many plain truths that contained a moral for every man. The craftsmen thoroughly enjoyed and appreciated the speech of their talented brother. Brief remarks were also made by D.D.G.M. Bro. D. H. Morrison, W. Bro. T. McClymont, Bro. Rev. Canon Rix, Bro. C. W. Peck, and Bros. de Gex, Brooksbank, Lee Baker, and Rev. Smith. Acting Master Bro. A. M. Manson, of Tyee Lodge was toastmaster.

Sudden Death of Geologist

Victoria, May 12.—Stricken with apoplexy, Mr. J. W. Sutton, aged 55, a noted geologist and probably the greatest living authority on the resources of Vancouver island, dropped dead yesterday while running a survey line for a road at Ucluelet. The deceased had extensive holdings on the island and was widely esteemed.

Will Attend Prince George Sale

Edward F. Doyle, a well known real estate man of this city, leaves in a few days to attend the Prince George government sale of lots. Mr. Doyle has made a specialty of Fort George and Prince George property. He was a heavy purchaser for local investors at the G. T. P. sale of Prince George and afterwards resold many of the properties. He is in touch with Prince George conditions and expects numerous commissions to buy at the sale in Vancouver on May 19, 20 and 21.

EXCLUDE OR COERCE ULSTER IS MADE CRY OF UNIONISTS

PEACEFUL SETTLEMENT BY NO MEANS IN SIGHT—UNIONISTS WILL HOLD THEMSELVES FREE TO DISCUSS PREMIER ASQUITH'S AMENDMENT

(Special to The Daily News)
London, May 13.—The crux of the situation, Bonar-Law says, between Premier Asquith and Mr. Redmond is that under the government's system the commons is powerless. Two alternatives are open to the government, either the exclusion or coercion of Ulster. Now that the government has decided against an appeal to the people, Mr. Redmond has refused to commit himself to an opinion on Mr. Asquith's declaration regarding an amending bill. Even if all efforts for a peaceful solution have failed, if the amending bill is introduced after the failure to reach an agreement, then they must hold themselves free to deal with it when it arose.

A RIOT OF REALISM Zola's Sensational Story "Germinal" at Westholme Tonight

Intense realism has a peculiar fascination of its own and when drawn by the master hand of the late Emile Zola it is almost irresistible. "Germinal" is a story of the people, "the submerged tenth," about whom so little is generally known. The five reels illustrating this great story and which will be shown at the Westholme opera house tonight and tomorrow night are perfect in photography and detail. This feature has been shown at advanced prices in Vancouver, Seattle, Victoria, and in fact all over the continent, and is one of the sensations of modern moving picture productions.

FROM THE SOUTH Roughhouse Charley Matched for Prince Rupert

Roughhouse Charley Burns has accepted terms to box Monty Label, the clever lightweight, at Prince Rupert on May 25. They will go fifteen rounds at 133 ringside, a weight which suits Burns nicely. Label is a skilful boy and he and Burns should put up a slashing argument, for Charley is one of the most willing workers ever seen in the ring. Burns likes the gaff, but he will have to keep coming all the way to beat Label, for the latter is shifty enough to outpoint Charley quite a distance. Label has been down east lately, and says he boxed both K. O. Brown and Charley White in six-round no-decision bouts while away. Both men will leave Vancouver tomorrow, arriving here Saturday to complete their training at the Windsor hotel.

Let More P. G. E. Contracts Contracts for the construction of forty miles of the Pacific Great Eastern railway were announced Saturday by officials of that company. Only about 125 miles of the railway have yet been let to contractors.

Four contractors received the contracts announced. These are Moran & Heckman, who will build a section of about ten miles between Kelly lake and Clinton; Welsh & Kennedy, four miles more north of Moran & Heckman; Rankin & Kellet, twenty miles north of that contract again, and Madden Brothers, who will build the next stretch of six miles. Mr. A. E. Griffin, superintendent for Pat Welsh, the general contractor, has instructed these sub-contractors that they must start their work immediately. Other contracts recently let have already been started.

DAILY EDITION  Wednesday, May 13, 1914

Last year a determined effort was made to prevent this city getting needed monies and some of the men who pursued this unpatriotic and despicable course are now in control of affairs and are hiding from the people what is going on with regard to the city's finances. It would be well for those people who will not keep the public informed as to what they are doing to bear in mind that they are being closely watched. There is a law that even binds legislators.

The minister of lands, Hon. W. R. Ross, after his visit here last fall reported to the government that a great many of the prominent men of this city did not want any government assistance. One of these men was the present mayor.

What do the people think of men who will deliberately injure the city for personal or political reasons?

The local member, Wm. Manson, might tell the people what part he took last fall in the refusal of the government to come to the assistance of the city.

Last fall Sir Richard McBride said that the government would help the city if there was an urgency. His cabinet through the attorney-general said that the government would do no such thing. Bowser of course is the boss and the government didn't. One of the excuses given for not helping the city was that a lot of our prominent local people didn't want the assistance. Mr. Reader, are you one of the prominent people who played traitor to the city? If you are not, who do you think the men are who did play traitor to the city? Don't they come to your mind pretty quickly? Just about the same bunch that caused the dis-

bandment of Earl Grey's Rifles.

The way things are conducted these days, one would think that the government is doing a great favor to receive a petition for something wanted, let alone the carrying out of the request of the petition. Instead of being the servants of the people and amenable to the will of the people, our administrators are the rulers of the people and the people must be subservient to the will of these impudent political bosses.

A great favor is being conferred upon you if you are given a job with a pick and shovel and so you must pay a dollar and swear allegiance to an organization controlled by men whom you probably despise.

Fortunately in a few months the people will be given an opportunity to put in office a new set of administrators and the condition of affairs that now exists will be a thing of the past.

The Leila R. went south a few days ago with a load of politicians and yesterday she was hauled back home, disabled, by another government boat. Those Tory politicians seem to be hoodoos all around of late. They are being reminded to put their house in order, for the end is near.

The house of lords recently rejected a bill granting the franchise to women. One of the opponents declared that inasmuch as in the United Kingdom there were many more women than men, the bill would mean turning the country over to the rule of woman. One would suppose from this comment that all the women in the country are of one mind. The doctory lord cannot be a frequenter of five o'clock teas.

ROYAL PLAYERS OPEN WEEK'S ENGAGEMENT

Empress Theatre to Have Splendid Attraction Coming Saturday Evening

The following is taken from the Victoria daily Times and will in a measure describe the class of attraction that will open at the Empress theatre on Saturday night, May 16, and the same play will be produced:

"In the short week of their residence here the Royal players have won a place in the affections of the patrons of the Victoria theatre, not realized until the ringing cheers which followed the climax of the third act of 'The Lion and the Mouse' last night were heard. There is no precedent in the theatrical history of Victoria for the magnificent demonstration which burst from the audience on their opening night following Miss Edythe Elliott's enunciation of the great speech with which Charles Klein brought the thrilling scenes of his powerful drama to a close. Such ovations in the past have been reserved for world-famed musicians and music hall artists, and the spontaneity with which the audience accorded this distinction to the purely dramatic performance of Miss Elliott was an eloquent tribute to the simplicity and effectiveness with which she played the scene. So direct was the appeal in Miss Elliott's beautiful voice, so naturally dramatic were here gestures and expression that the audience forgot for a moment it was play acting, and really saw the mouse defying the lion in his den.

"The personality of the unrelenting selfish old money king, John Burkett Rider, was hardly less telling. Charles E. Royal, under whose direction the company's productions are staged, interpreted the part in a convincing manner. He is a finished actor, his ability to sink his identity in the character portray-

al being an invaluable asset in stock. Very few would have believed that the elderly magnate was being played by last week's odd juvenile comedian."

ROCK DRILLING TEAMS ENTER \$100 CONTEST

Great Match to Be Pulled Off at New Hazelton on Victoria Day

One of the greatest attractions that has been pulled off in the north will be the rock drilling contest at the Victoria day celebration in New Hazelton. Prizes of \$100 and \$25 have already been put up and there are several teams practising. Every swing of the hammer is a new thrill and as time goes on and the sparks and water are flying the excitement becomes intense. Fifteen minutes for each team, with a change of hammer and drill every minute, and there is not a blow missed. The drilling contest will be pulled off after the ball game, when every one can gather around. This contest alone is worth going all the way to New Hazelton to see. Maybe there are some drillers here who will try for the big purse.

A side bet of \$10,000 is one of the inducements Freddie Welsh, British lightweight champion, will give Willie Ritchie to sign with him for a world's title match.

The 'Big Four' magnates interrupted 'Newsy' Lalonde's annual advertising plans by awarding him to the Nationals without first giving at least a dozen other clubs a chance to bid.

Willie Ritchie asked for \$25,000 for his end and 50 per cent. of the moving pictures to fight Welsh in England. He overlooked a request to make it a no-decision affair.

A New Westminster report says that there will be no challenges for the Minto Cup from the East for at least two years. It is doubtful whether there is any foundation to the report.

According to Milton Oppenheimer, vice-president of the Athletics of Vancouver, the outlook for lacrosse is not any too bright on the coast. Interest is lacking in the national game and no little difficulty is being experienced in signing up players for the pro. clubs.

'Dad' Turnbull is confident that his Royal City youngsters will win the Mann cup this year. The Royals will start with all of last year's regulars with the exception of Jack Gifford.

Joe Bayley, former lightweight champion of Canada, and Joe Avelo of Sacramento, who came into notice by winning from Ad Wolgast, have been matched to fight ten rounds in Oakland on the evening of May 29.

Ty Cobb has dropped nearly out of sight among the batters of the American League, according to averages issued last week end. The Detroit slugger ranks thirty-eighth, and has an average of only .240.

'Snowy' Baker, the Australian boxing promoter, has offered Georges Carpentier \$50,000 for three bouts in the Antipodes. It is not likely, however, that Carpentier will make the trip until next year.

In the old days, the prize fighters had to finish a fight, if it went fifty rounds, the battle to be staged within forty-eight hours. The purses were not so large, either. Now some of the near-scrappers go on for fifteen rounds and hug each other for most of the time and collect a king's ransom for the same.

Harry W. Le Gore, a Yale freshman, has received an offer of \$4,000 a season from 'Connie' Mack. Le Gore was captain of the baseball, football and basketball teams at Mercerburg Academy. He is not eligible for the Yale University team this year, but may be at shortstop next season if he is not lured away by big league scouts.

Ran Macdonald, one of the fastest players on New Westminster's professional hockey team, is to be given a trial with the Vancouver Athletics this season. Two years ago Ran was tried out with Con Jones, but did not make good on account of so many stars being on the line-up.

Although the Johnson-Moran fight will not be staged for two months yet, orders have been received from New York to reserve blocks of seats. Requests have also come from individuals in other cities. A number of well-known sporting writers have asked for press accommodations. These so far have come from New York, Chicago and San Francisco. The fight will take place in Paris.

Manager George Rennie has chosen Nick Carter and Jack Gifford to fill the vacancies on the Salmonbellies this year, in the place of Len Turnbull and Doughy Spring, who have gone east to play for Torontos. The two new players are fast working into the combination that has brought the Minto Cup to Westminster on more than one occasion, so that the famous aggregation will still be as fast as ever when they go up against the Vancouver Athletics for the opening of the B. C. L. A. which takes place at Westminster on Monday, May 25.

There will be no Cross-Rivers fight at Vernon May 19. Rivers will be given a long rest and will not enter the ring before July 4, when his opponent will be Champion Ritchie.

'Skinner' Poulin will handle the Victoria lacrosse team this season, and not Lester Patrick, as was generally expected. The latter, being engaged in his business, is unable to find time to coach the amateur stick handlers and Poulin has been substituted.

According to President Fielder Jones of the Northwestern League there is a chance that Messrs. McConnell and Wattalett will be compelled to take back the Victoria baseball franchise. The 'prexy' spent several days in the capital last week, and found the affairs of the club badly tangled. Russ Humber, the new owner, was saddled with a lot of back debts, and he may decide to turn the club back to the original owners. Victoria is a good hall town, according to Fielder Jones, and although down in the race the fans are turning out in large numbers.

The Pacific Coast Amateur Lacrosse association has forwarded a protest to Joe Lally, head of the cup trustees, against the awarding of mid-season dates to the Calgary Chinooks and the Brampton twelve for games with Vancouver for the Mann cup. The association constitution forbids any team in a league participating in games with outside challengers during the progress of the league season. New Westminster and Victoria players are strongly opposed to the easterners being given first chance for the cup, as the Terminars are weakened this season, and both the Royals and Victorias have an excellent chance of winning the amateur title.

Who commanded the federal troops at Vera Cruz and fled before the American invasion, is now believed to be massing troops outside the city for an attack. Several desultory attacks have been made by him upon the city since the United States occupied it.
