MASONS ENTERTAIN VISITING BRETHREN AT GRAND BALL

LARGE CROWD THROGGED AUDITORIUM—LOTS OF GOOD FELLOWSHIP AND DELIGHTFUL MUSIC MAKES ONE OF THE BEST DANCES OF SEASON

The Masonic ball last night was a huge success. The Masons of the city were out in full force and the visitors were given the time of their lives. It is difficult to say whether it was the magnificent floor of the auditorium, the heavenly harmony dealt out by the Westholme orchestra or the spirit of good fellowship that prevailed among the visitors that contributed most toward the great success of the evening, but everybody was in the

very best of spirits and dancing was continued to the wee sma' hours without a hitch. Dainty and tasty refreshments were served about the middle of the programme, a committee of the local Masons supervised by Mrs. A. M. Manson being in charge. There were close on to 200 couples present, and there were

GRAND JURY MAKES PRESENTMENT TO JUSTICE MORRISON—REPORT ON FIRE ESCAPES FROM THEATRES—PLEASED WITH CITY HOSPITAL

Yesterday the grand jury made their presentment to the presiding Judge in the High Court. They recommended several improvements to city public buildings and laid stress on the fact that Prince Rupert's Provincial building should be gone on with immediately in the interest of public business. His lordship in receiving the presentment promised to bring it before the proper authorities.

Prince Rupert, B.C., June 16, 1914.

The Honorable Mr. Justice Morrison, Prince Rupert, B.C.
My Lord—Your grand jury begs leave to make the following presentation:—
We visited the General Hospital and thoroughly inspected it. We find everything in excellent condition and think it as well equipped and as efficient as any hospital in the country. We wish to heartily commend the Hospital Board and staff on the proficiency of their institution. We would recommend red lights to be placed at points to lead to the fire escapes.
We visited the city lock-up and found it in good condition although it is inadequate for the present requirements, as the Provincial prisoners have to be kept there too.
We would urge the early completion of a Provincial Govern-

ment building. Not only is the Court room accommodation inadequate but there are valuable public records for which there is no safe or vault accommodation, which would cause untold loss and hardship in the case of fire. A County Jail is also badly needed which we understand the above building would supply. Upon suggestion we visited the places of public amusements. While we recognize the difficulty of building on narrow lots, yet we think some better attention should be paid to fire exits.

In one theatre there is only a narrow centre aisle while the fire escape at the back is a narrow stair way which might prove a death trap in the event of people rushing hastily from the building. In another theatre the gallery which is capable of seating 300 people, has no means of exit except by the front gallery entrances. A fire exit in the rear of the gallery is badly needed.

We recommend that in all buildings where fire escapes are necessary iron fire escapes should be used.

We wish to call your attention to the prevailing carelessness in the use and storage of explosives. We would recommend that stricter precautions be taken.

All of which is respectfully submitted.

C. W. PECK, Foreman.

RADICAL CHANGE IN LINE-UP OF U.S. TEAM

New York, June 18.—A radical change in the line-up of the American polo cup defenders because of Saturday's defeat at the hands of the British team, greeted the latter team in the second game.

The new line-up is Lawrence Waterbury, No. 1; J. M. Waterbury, No. 2; Malcolm Stevenson, No. 3, and Devereux Milburn, back.

This, it is said, is the strongest combination of players that the committee can bring forward at this time. It means that three members of the unbeaten big four will be in their old positions. H. P. Whitney cannot resume his place on the team because of lack of condition.

WHITNEY MAY GO TO THE SENATE

Report that Ontario Premier Will Retire After General Election

Ottawa, June 18.—The Evening Free Press says:—

It is reported that Dr. Reaume, who failed to secure the approval of his convention in Windsor, is to be appointed Lieutenant-Governor of Ontario, in succession to Sir John Gibson, whose time is up.

He will be the third Roman Catholic Governor of Ontario. The others were Lieutenant-Governor Crawford and Lieutenant-Governor MacDonald. Sir James Whitney is understood to have been offered the post and declined. It is said on good authority that after the election Sir James will be appointed to the Canadian Senate to fill the vacancy created by the death of Hon. George Cox.

MOTHER WITNESSES SON'S DEATH IN RIVER

Boy Sinks as She Makes Heroic Efforts to Save Him

South Bend, Wash., June 18.—Branch Bailey, 16 years old, sank just beyond his mother's reach in the Willapa River, while William Walton, 17 years old, drowned in the attempt to save him at Willapa at 2:30 o'clock Saturday afternoon. Dynamiting and dragging have failed to bring the bodies to the surface.

Branch Bailey fell into the Willapa River in front of the Armstrong place while playing with toy boats on a log. Knowing Bailey was unable to swim, Walton jumped in after him.

Mrs. Rhoda Bailey waded into the water above her waist toward the struggling boy, who raised his arms toward her as he sank the last time. Her condition is very serious and neighbors do not look for her mental recovery.

VISITORS CHANGE OPINIONS ABOUT RUPERT CLIMATE

Mr. W. J. Cook, one of the Grand Lodge representatives from Grand Forks, believes Prince Rupert is alright. He came here with the impression a good many people seem to have that it rains here all the time. Coming up on the boat, too, almost everybody declared that it would be a wet visit but since arriving here he, as well as many others, have changed their minds. The visit of such a representative body from all parts of the Province will do a great deal toward dispelling the foolish notion prevailing about our climate.

Mr. Cook is a member of the customs department at Grand Forks. His son, Mr. R. T. Cook, is head druggist for the Granby Company at Anxox.

PICNIC TOMORROW

Tomorrow afternoon the local Masons are entertaining their visitors at a picnic on Digby Island. Capt. McLeod has kindly consented to convey the picnickers over on the Princess Alice. She will leave the wharf at 3 o'clock. The local ladies are furnishing the refreshments. Launches will be in waiting between five and six o'clock to convey any who cannot go earlier. All the local Masons and their families are expected to be present without any formal invitation.

The grounds have been prepared for the event and speeches will be made by several of the leading visitors.

Victoria's New Postmaster

Ottawa, June 18.—Harry F. Bishop has been appointed postmaster at Victoria, B.C., to succeed Noah Shakespeare, who has been retired. The appointment dates from July 1.

STANDARD DAIRY OPEN IN FEW DAYS

Lindsay Bros. Will Furnish Rupert With First-Class Milk

J. E. Lindsay returned from a trip south a few days ago and brought with him five first-class milk cows. It is the first instalment of a new dairy which Lindsay Bros. will open as soon as their delivery wagon arrives. Several other cows are ordered and will come up a little later.

The new dairy will be known as the Standard Dairy. The cows are located on Park Avenue. The firm state they will furnish only the very best quality of milk and many orders have already been looked.

CITY SEWER CASE BEING TRIED TODAY

Fourth Avenue Private Sewer Is Being Aired in High Court

The case of J. Fred Ritchie vs. the city is being heard this afternoon. Last March the city ordered J. Fred Ritchie's private sewer cut off where it crossed the city property as a result of a dispute with the council over the price charged neighbors who wanted to use his sewer. A temporary injunction was granted preventing the city cutting it off.

Fred Ritchie, in giving evidence said the Third Avenue sewer was built by the G. T. P. and Government. He and Mr. Bacon had secured the right to cross the reserve property with a private sewer and enter the Third Ave. sewer. Later he had secured permission from the city to change the outlet of this sewer to a sewer connecting the city hall.

The city had subsequently ordered this sewer cut off. There is now no city sewer on Fourth Ave. and no sewer to which he can get an outlet without crossing city property. If the sewer is cut off there will be a menace to public health.

The case was still going on at the noon adjournment.

A demented Chinaman who has been acting strangely at Georgetown, was brought in and turned over to the police today.

GRAND LODGE IN SESSION--- MAYOR GIVES FREEDOM OF CITY

ELECTION OF OFFICERS WILL TAKE PLACE THIS AFTERNOON—ANOTHER SESSION TONIGHT—TOMORROW TO BE GIVEN OVER TO PICNICING

Grand Lodge opened for the first meeting of this session at 10 a.m. today. The business of the morning session was largely routine. This afternoon it convenes again at 4 o'clock when it is likely the election of officers for the ensuing year will take place. There will also be another session tonight when it is probable that the closing exercises will take place. Tomorrow then would be given over entirely to sight seeing, and picnicing in the afternoon.

After this morning's session the Mayor visited the lodge room and extended to the visitors the freedom of the city. The address was nicely gotten up on embossed parchment in yellow and blue, and betrays the skillful hand of Morte Craig. It reads as follows:—

"Prince Rupert greetings to William Henderson, Esq., Grand Master of the Most Worshipful Grand Lodge of Ancient Free and Accepted Masons of British Columbia.

"Most Worshipful Sir: On behalf of the citizens of Prince Rupert, it affords me great pleasure to officially welcome you and the Grand Lodge Officers and members to our city.

DOMINION TRADE COMMISSION WILL COME WEST

Ottawa, June 18.—Arrangements for the Western tour of the Dominion Trade Commission, which arrives in Canada on August 3, has now been completed by the Department of Trade and Commerce. The Commission will reach Winnipeg on September 15, leaving three days later for Regina, and thence going to Edmonton, where they will hold a sitting on September 22nd. On September 25th they will meet in Calgary. From Calgary they will go to Banff and will spend a few days there and at Louise Lake. They will pay a visit to the Okanagan Valley and thence will go to Vancouver and Victoria, arriving the first week in October. The exact dates of the sittings in those cities has not been fixed.

An enormous amount of information in regard to Canada's resources has already been collected and forwarded to the commission in London in order that the Commissioners can study it before coming to Canada. A large amount of information was lost in the mails which went down on the Empress of Ireland.

That he might visit the Yukon has been mentioned as a possibility, but it is scarcely likely that he will be able to undertake a trip of so extensive a character. During the next two months the Cabinet will be busy cleaning the slate for the summer holidays. A number of Council meetings will be held and after a considerable volume of business which has been hanging fire has been put through the Ministers will leave for their different summer places.

FARMERS REPAIR ROAD

Residents of Matsqui Perform Public Work Under Auspices of Woman's Institute

New Westminster, June 18.—Under the auspices of the Woman's Institute the farmers and residents of the Matsqui dyking district Thursday reconstructed a stretch of road that had been almost impassable for some time. Sixty-five teams set to work early in the morning, hauling crushed rock from the government bunkers at Gifford, three miles away. One hundred pick and shovel volunteers worked on the road all day, and when the "cease work" sounded, 140 loads of material had been spread, sprinkled and rolled.

Miss L. E. Cruickshank, president of the Women's Institute, was in charge of the work, assisted by Road Foreman John Pace and Mr. M. E. Alexander of Clayburn.

An evening call is productive of much pleasure—if not when you come, at least when you go.

FIFTY DOLLAR FINE SUPPLYING LIQUOR

White Man Pays Penalty For Giving Booze to Indian

In police court this morning, Frank Ward was charged and convicted of having supplied liquor to an Indian. He was fined \$50 or thirty days in jail.

Quas, Astain, charged with the same offence was discharged. D. Maxwell, the Indian who got the liquor from Ward, was in court charged with being d. and d. He was found guilty and fined \$10 and costs.

Entertaining Masonic Guests

This afternoon the ladies accompanying the Masonic guests will be received by the ladies of Prince Rupert Masons at the home of Mrs. T. McClymont, Borden Street. The reception will be from 4 to 6.

Tomorrow afternoon and evening a big picnic and sing song will be held at Digby Island. Launches will leave the Government wharf at 4 p.m.

DAILY EDITION Thursday, June 18, 1914

In spite of the silly reports that have gone out about the climate of Prince Rupert, the facts are that the climate is one of the most delightful in the world. The winters have practically no frost and little snow...

"Australia," said Hon. E. D. Millen, the Minister of Defence for the Commonwealth, is an official statement issued last month, "is irrevocably pledged to, and will determinedly and consistently pursue, the policy (of constructing and maintaining a local navy) on which she embarked by the Imperial Government's advice five years ago."

sociated organization on a thoroughly sound foundation.

Australia, then, continues steadfast in the determination to carry through the policy of a local navy, built in Australia as far as possible, manned by Australians and maintained by Australia.

Australia, it should be remembered, first tried the policy of contribution. Having given that policy a trial the Commonwealth abandoned it as unsatisfactory and entered upon the provision and maintenance of a local navy.

The policy which was found unsatisfactory by Australia and New Zealand, however, is the policy which Premier Borden and his associates are determined to force upon Canada. Contribution and centralization are the objects they have in view.

JURY DISAGREED IN WILENCE CASE

Our for Several Hours—Libel Suit on Tomorrow Morning

The High Court finished the criminal cases yesterday afternoon when the Wilence case was completed.

The Hall shooting case had to be laid over as one of the principal witnesses was in the hospital and unable to appear. It will come up on Friday.

In the Wilence case the jury went out at three o'clock and returned two hours later with a verdict of disagreement. His Lordship addressed them briefly and asked if they wished to reconsider the case.

There were no witnesses for the defence.

The defendant's counsel submitted that Crown had not submitted evidence that prisoner had anything to do with the pass or order. There were two others on the car with him, and there was nothing to show this man had either signed the order or even had it in his possession.

The Crown prosecutor submitted that there was plenty of evidence to show that it was a false order and the point was whether the prisoner was travelling on that false order.

His Lordship said it was undoubtedly a false order that was used. If you believe he knew that was a false order he is guilty. Taking the whole evidence, have you any reasonable doubt that he knew about the order?

Friday morning the case of Mason vs. the Prince Rupert Publishing Company will come up. The city engineer is asking for damages on an alleged libel contained in a letter published in The Daily News last January.

BARRELING OIL AT DINGMAN WELL, CALGARY

PICTURES FROM CALGARY SHOWING HOW THAT CITY WENT CRAZY OVER THE BIG OIL STRIKE AND REASON WHY

Great excitement has been created all over Canada over the reports of valuable oil findings in Calgary. The above picture shows men barreling oil from the Dingman well, the only well so far in operation.

PRESIDENT HAS DAY'S FUN WITH OLD CLASSMATES

Princeton, N.J., June 18.—President Wilson, Princeton '79, quit being president of the United States for a short while today and became simply an "old grad." The occasion was the annual alumni day celebration of the university.

The president arrived shortly after noon and was greeted by a huge crowd of alumni and undergraduates. The executive was met at the station by A. W. Halsey, of New York, president of the class of '79. He was slapped on the back and hurried about just as though he were an ordinary citizen.

As soon as the president arrived at the '79 hall he was shown upstairs where a buffet luncheon was served. After the luncheon, the alumni parade was staged on the college campus.

The president marched to the baseball field with thousands of other graduates. He walked between solid lines of Princeton sympathizers who cheered him.

As the parade started, P. W. Miller, of Philadelphia, one of the marshals of the '79 class, shouted to the president, "Keep step there, Tommy!"

"Certainly; I'll obey orders," replied the president.

While the teams were warming up, class after class marched in front of the president's section and cheered.

TWO CLERGYMEN IN SUIT

Rev. Dr. A. S. Grant Sued as Result of Mining Deal

Toronto, June 18.—Rev. Dr. A. S. Grant, superintendent of home missions and social service for the Presbyterian Church in Canada, appeared as defendant in a suit brought by a fellow minister, Rev. D. A. McRae.

The action involved a gold mining claim in the gravel on Bonanza Creek, and had its origin in a deal that the two gentlemen of cloth transacted in the Dunsmuir Hotel at Vancouver some years ago, when they were both missionaries in the Yukon field. The plaintiff declared that Dr. Grant and he had been partners in claim No. 97 on Bonanza Creek, and that in 1906 the doctor had sold the property to the Treadwell Company for \$10,000, falsely representing to him that the claim had only brought \$9,000, and that he was only entitled to \$4,500 from the sale. Mr. McRae therefore asks \$500 and interest from 1906.

This charge Dr. Grant repudiates in his defence, stating that the claim had been transferred to the company in trust, that Mr. McRae had offered \$1,000 commission, and that finally there had been an agreement at Vancouver in 1911 whereby Mr. McRae had accepted \$325 in full for all claims. The case may be settled out of court.

BIG LACROSSE SCORE BY NATIONALS TEN

Montreal Team Tallies 28 Goals to 10—Tecumsehs Beat Quebec

Montreal, June 18.—Nationals and Tecumsehs were returned winners in the "Big Four" series on Saturday, the Frenchmen defeating the Torontos by 28 goals to 10, while Tecumsehs won from Quebec by an 8-6 score.

The Nationals rubbed it in to the Toronto Blues in a fashion never to be forgotten by the members of both teams who were done out by the fast play started and finished by the locals who never let up till they had snowed the Toronto eleven under by the awful score of 28 to 10. Blows were thick at the game which was fast enough to suit the most ardent supporter. At no stage of the contest were the locals in danger of losing the lead.

Lalonde and Lamoureux starred for Nationals, Longfellow carrying off the honors for the Torontos. In the third quarter Cameron was ruled off for the remainder of the game and fined \$25 for rough play. The teams: Nationals: L'Heureaux, Cattarinch, Duckett, Lachapelle, Degan, Degray, Gauthier, Pitre, Lamoureux, Lalonde.

Toronto: Gibbons, Cameron, Warwick, Somerville, Stagg, Dandeno, Longfellow, Spring, Turnbull, Donihoe.

Referee, Finlayson; judge of play, Belleau.

PLAN ANOTHER MARCH

President Wilson Will Be Asked to Receive Woman Suffragists

Washington, June 18.—Another suffragist march on the White House is being planned as the result of the endorsement of woman suffrage by the Federation of Women's Clubs at Chicago.

President Wilson will be asked to receive a deputation of suffrage club women headed by Mrs. Harvey W. Wiley, June 30th. The leaders here have entrusted to Mrs. Wiley the work of selecting the members of the deputation which they plan shall be composed of several hundred representative club women from all the States.

TAFT DENOUNCES LAWLESSNESS OF MINERS' UNIONS

Cambridge, Mass., June 18.—Former President Taft, before members of the Phi Beta Kappa fraternity, of Harvard University, attacked the trade unions for their championing of the Clayton bill pending before congress exempting them from operation of the Sherman anti-trust law and for their support of the strikers in Colorado.

The subject of the former president's address was "The Supreme Court of the United States and Popular Self-government." "We find," he said, "many labor organizations insisting that the arm of the courts be weakened so that lawless violence on their part may be an effective instrumentality to gain their industrial ends. Indeed, we find actual rebellion against state authority maintained by certain trades unions and supported by contributions openly solicited from their sympathizers the country over."

FOURTH SHAMROCK IS GOOD IN A BLOW

In Hard Weather Trial on Saturday Cup Challenger Showed Fine Qualities

London, June 18.—In an article yesterday on Sir Thomas Lipton's Shamrock IV, the Daily Mail's yachting expert says:—

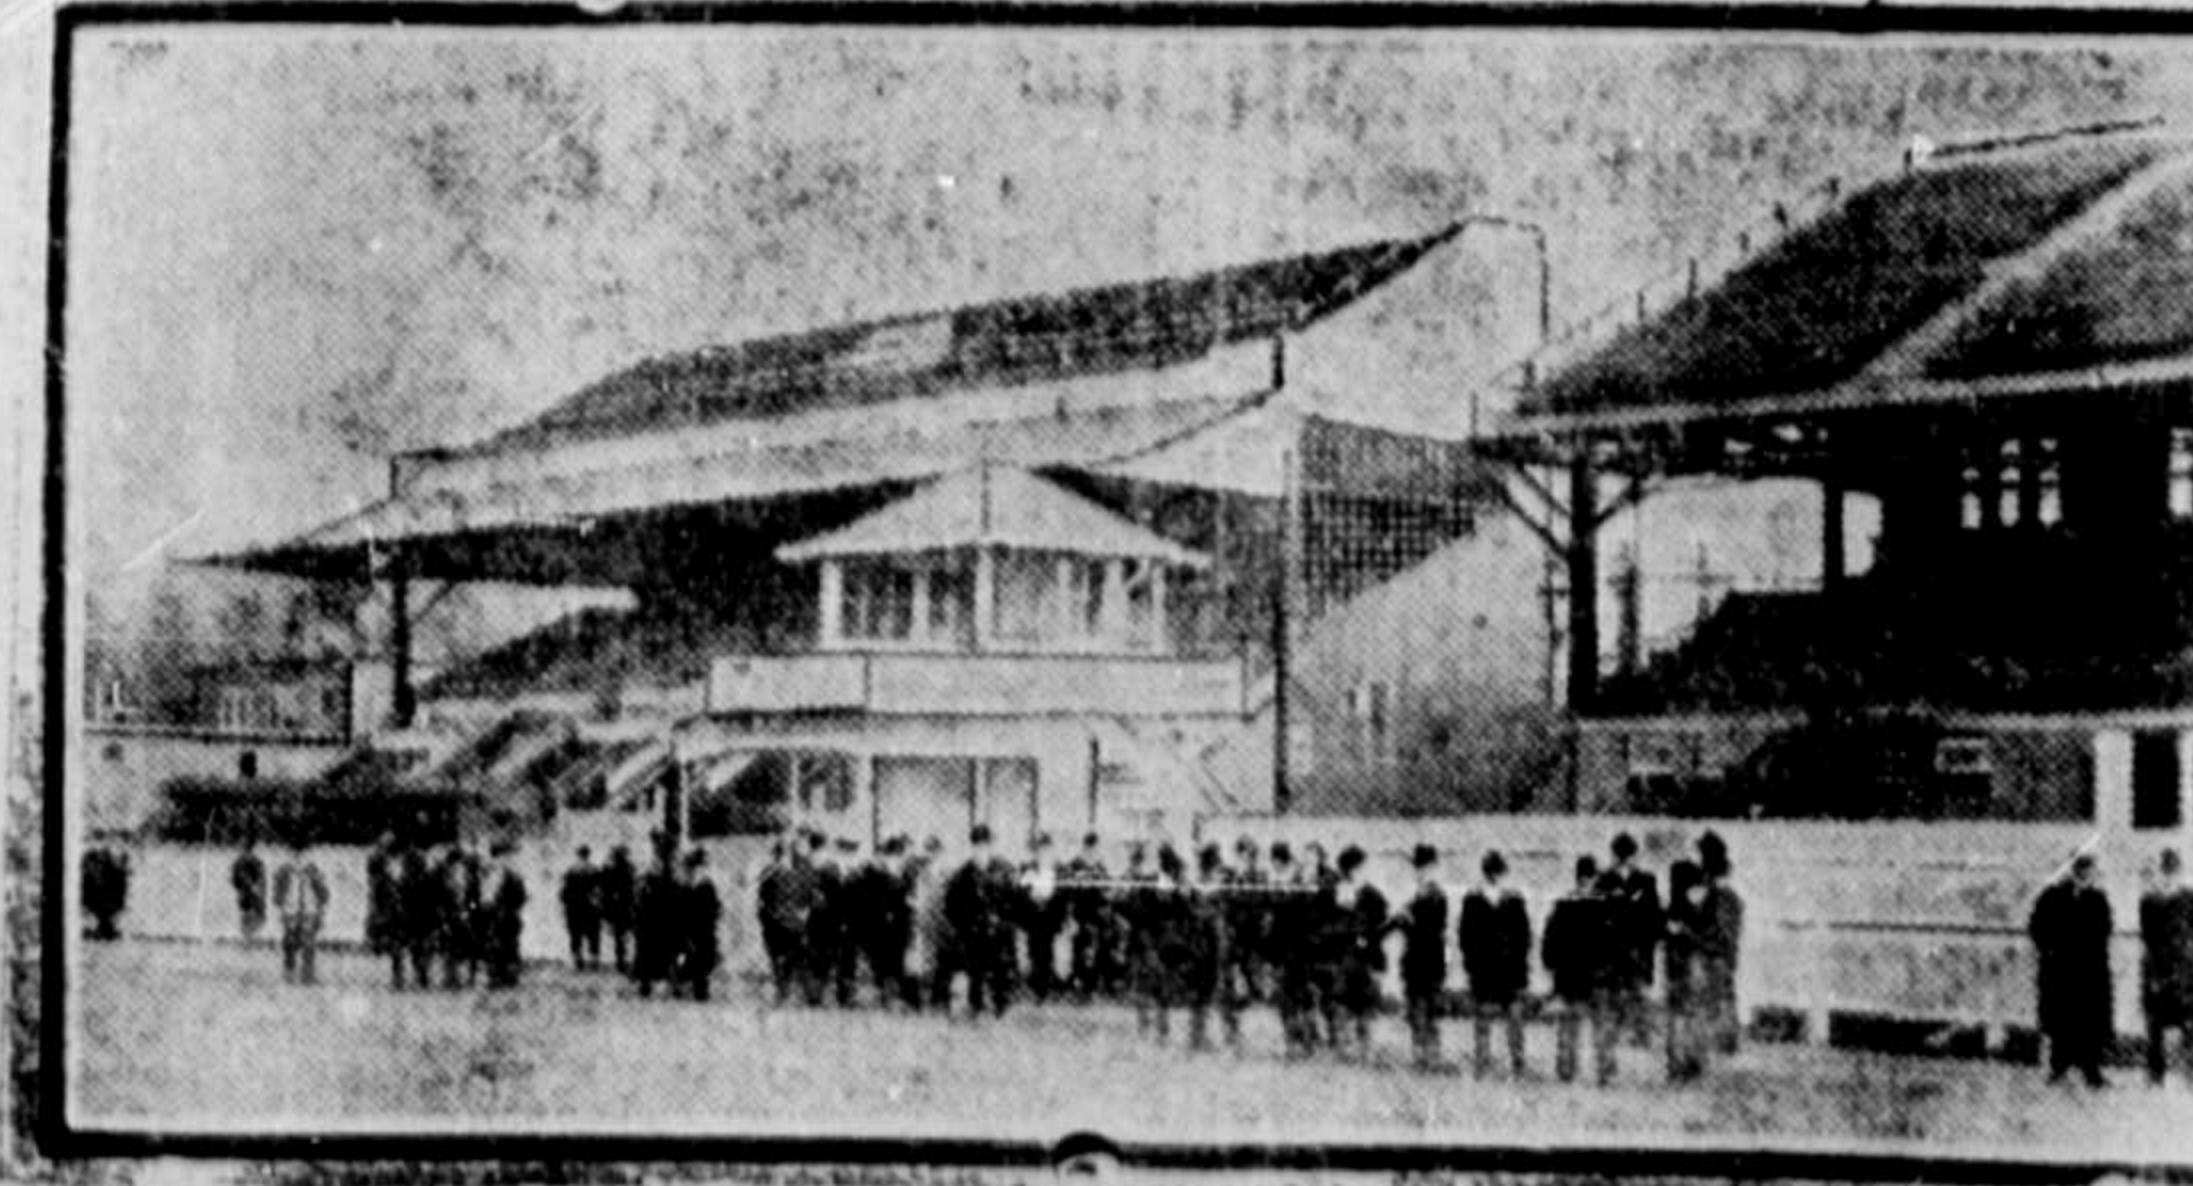

"Saturday's sailing of the Shamrock IV was a hard weather trial and revealed what everybody wanted to know; namely, that the challenger for the America's Cup can carry her gear and carry it with ease.

"The international class boats were racing off South Sea and while I watched one was dismantled and another disabled; yet Sir Thomas Lipton's boat seemed quiet and quite at home. Nothing snapped and nothing parted. The test was severe and the result eminently gratifying to all concerned. The lesson was the strength of the Shamrock's mast—a truly wonderful stick, strong and supple as surely no other mast has been.

"The single headsail rig certainly possesses marvellous windward working qualities. It is only when off the wind that it lacks efficiency and Mr. Nicholson, the designer, has a troublesome problem to solve whether to retain it for its good qualities or discard it after its shortcomings. But I am inclined to think the challenger will race with two headsails."

After another trial today the Shamrock IV will be hauled out for experimental alterations—the taking away of some of the lead from her keel and the adding of more sail.

BIG WRESTLING MATCH TO BE HELD TONIGHT

The coming wrestling bout between Al. Hatch, of Vancouver, and Pete Sigurdson, of Prince Rupert, to be staged at the Westholme Theatre tonight for the Provincial middleweight title looks to be the best match that could be staged for the title in the Province.

Hatch, who is a welterweight, but holds the Provincial middleweight title, shows he has little to learn about the game in his workouts. He has 104 wins to his credit out of 106 contests but in this contest he realizes he is up against one of the toughest propositions he has yet met, and to win he will have to do all he knows.

Sigurdson, before coming to Rupert, defeated everything in his class in Manitoba. He defeated Johnson in Winnipeg in September, 1912, in two falls in forty-three minutes. The same Johnson won a handicap from Connelly in June the same year. Connelly now holds the world's championship.

Sigurdson is confident he is going to beat Hatch and the winner gets the largest end of the purse.

There will be a good preliminary between Young Janes and Monte Label. Young Janes is a featherweight and has defeated everything in his class in Canada.

FOR SALE: 160 ACRES

A NEWSPAPER

for Prince Rupert and Northern B.C.

The Daily News goes into nearly every home in Prince Rupert. It is the popular newspaper of the city because it is clean and reliable. It has all the news of the city, and keeps in touch with events and topics interesting to Northern British Columbia. It treats these subjects with moderate optimism and reliability.

The Daily News is the most valuable paper to advertisers because it is read by the buying public. It has a bigger circulation than any other paper in the city. It is read by the class of people the advertisers want to talk to.

Messrs. Parkin & Ward have a very striking square and compass emblem in electric lights displayed in their window.

Nearly all available rooms in the Hotel Prince Rupert were taken last evening. Several local people were among the guests sleeping in the house last night.

Mrs. G. W. Morrow sent a large bouquet of flowers for the opening of the Hotel Prince Rupert. They occupied a prominent position on the lobby desk.

Sheriff T. J. Armstrong, of New Westminster, who is a delegate to the Masonic gathering here, sat with Sheriff Shirley in the court yesterday.

District Forester H. S. Irwin has received word that there is a serious forest fire burning in the Whitewater district up the Bella Coola valley. John Funos is fire warden there and has been instructed to get help in checking it.

W. S. Marshall, manager of the Prince Rupert Importing Co., leaves tomorrow on the Prince Rupert for Seattle. He has been called to his home in Hamilton, Ontario, where his father is very ill.

Capt. MacIntosh, of Victoria, who has been over for a trip to Queen Charlotte Islands, says there is three times as much good land on those islands than on Vancouver Island. He has great faith in the future of that district.

The fishing boat Zabassa, Capt. Parsons, came in yesterday after being out two days, to bring in Fred Woodman, a fisherman, who had fallen with a water bottle and severely cut his hand. The man was taken to a doctor and had the cut dressed, but he is not laid up.

A brother Mason says Brother T. Switzer is about to bring an action (?) against The News for misspelling his name in yesterday's issue. He also said that the ship's printer did not give full credit to his splendid contribution to Tuesday evening's concert. Mr. Switzer has not decided whether to enter Italian opera or go to the horse show.

Some of the old boys were as supple as a school boy last night under the constraint of coxing music and happy faces.

The base ball boys have secured their new ball suits. They are grey and blue and the boys will look very swagger in the outfit.

"Say, have you heard that the staff of the Union Bank quit today?" asked Wm. Denholm, of a News reporter. "No, what's the matter?" "Well they were afraid all that Masonary above them today might fall through the floor."

A special convocation of Kaien Chapter was held last evening to receive the official visit of the Grand Superintendent R. Ex-Comp. J. M. Rudd. A large number of the comp. and visitors were present. After the meeting they all went to the ball.

Mr. T. Bannister, the talented pianist among the visiting Masons, stepped into the breach last night and filled a place on the Westholme orchestra. Mr. Bannister also took a leading part in the musical programme rendered on the Alice en route.

The Masonic visitors were yesterday afternoon taken all over the townsite. A large party was taken to the Cold Storage plant by the launches "Joe Baker," "Prospector" and "Kermac." The "Leila B." also took a party to the Tuck's Inlet cannery and Metlakatla.

All Masons and their ladies are invited and urged to attend the entertainment provided in connection with the programme arranged for the three day visit of Grand Lodge, June 17th, 18th, and 19th: Welcome at wharf, ball, reception and tea for ladies, picnic, etc. No further invitation or tickets will be printed for the ball, or for other events. All of the Fraternity are welcome and are expected to attend. Programmes may be obtained from Lee L. Baker, Secretary of Reception Committee, at office of Westenhaver Bros., Second Avenue and Third Street 138-40

Mahomet Came to Mountain Washington, June 18.—Because President Wilson could not go to the Parkridge, N.J., high school today to address the graduating class, the graduates came to the White House and the president addressed them there.

A Grand Trunk official says that forged passes were used by three men to carry themselves and trunks on hand cars, all the way from Fort George to Priestley. Six men were used to pump the hand cars from one section to the next all the way, and the cost of this trip to the company is estimated at \$2,000.

One of the prettiest window decorations made for the benefit of the Masonic visitors is the Board of Trade front. The entrance is draped in blue and white hunting and flags. The windows have decorations of plants and hunting surrounding an emblematic greeting to the visitors. The display has been very much admired.

Baseball has become a popular sport in Prince Rupert, even at this early day and most everybody has a favorite team to root for. It is a foregone conclusion that it won't be many years before Prince Rupert will be the home of another Ty Cobb or Christy Mathewson. Go follow the crowd tonight to Market Place and root for the best team.

Through the courtesy of the C. P. R., it has been arranged that any of the visiting Mansons who wish to stay over in town till Monday can use their transportation to return on the G. T. P. boat Monday morning. There will be no extra charge for this and it is expected quite a few will avail themselves of the opportunity.

Weather permitting it is expected that one of the largest crowds of the season will witness the game between the Colts and the C.C.'s at Market Place this evening at seven o'clock.

The Colts, under the capable management of Mr. McAllennan have developed wonderfully during the past few weeks and no doubt will give the C.C.'s a run for their money.

Both teams have been practicing faithfully for the past few nights preparing for this game as they both realize that they cannot afford to lose one game if they hope to win the Manson cup. The probable line-up for tonight's game is:—

Colts: McDaniel, c.f.; B. Hunt, 1st b.; E. Kirkland, 2nd b.; W. Anderson, s.s.; F. LaBor, 3rd b.; A. Manson, c.; R. Ratchford, i.f.; Jack Ratchford, r.f.; Nalpey, p.; Crane, p. Tortured Four Years Until He Took "Fruit-a-lives"

RIDGETOWN, ONT., May 21st, 1913. "Your 'Fruit-a-lives' cured me of Rheumatism. It was the only medicine that made any impression on me. I was a terrible sufferer from Rheumatism. I was laid up for four winters with Sciatica and Muscular Rheumatism, and was a cripple completely, not being able to do anything. I doctored with four different physicians, but they did not help me. Other advertised remedies were equally unsatisfactory, and I have taken several. Some neighbor of mine told me that 'Fruit-a-lives' helped him, and I took them faithfully every day and the result was marvellous. For over two years now, I have been free from any Rheumatic pains whatever, and give 'Fruit-a-lives' the full credit for making a remarkable cure".

DISINTERRING BODY Four Men Are Arrested in Act of Disinterring Body of Murdered Woman

Canyon City, Ore., June 18.—Four men were arrested in a cemetery near here shortly after midnight while in the act of disinterring the body of Mrs. Daisy Potts of Los Angeles, whose husband, Charles E. Potts, is on trial here charged with her murder.

Those arrested are Attorney Philip Ashford and Prentiss Hicks, counsel for Potts; Dr. Francis Tate of Los Angeles and Samuel Lyon. Dr. Tate declared he had written permission from Potts to remove the body, and that his object was to learn whether allegations of the prosecution were true that there were evidences of strangulation and a broken neck bone.

ARGENTINE TANGO AT THE WESTHOLME

Miss Sweptstone and Mr. Tweedale Make an Instantaneous Success

This city holds the privilege of being at the same time one of the most northern civilized stations of the Province, and a community whose artistic criticism is on a par with, or in advance of, many of her neighbors who possess a larger population.

It is a pleasure to be able to chronicle an event which has satisfied the most artistic desires of the citizens, and gave great pleasure to two large and almost overflowing audiences who had thronged the Westholme Theatre last evening to witness the exhibition dancing of Eileen Sweptstone and Bernard Tweedale, who have a great name on the coast, and this is very well deserved.

From the moment of the entrance of his charming and graceful couple the decision of the audience was never in doubt, and the first presentation of the Argentine Tango evoked hearty applause.

Following, after a most interesting picture series, they presented the Flirtation Waltz, and responded to the demands of the audience for an encore.

After what we have heard of Miss Sweptstone as a solo dancer, we were delighted to see her in one of her most successful creative dances—an emotional study entitled "The Gipsy."

Altogether, the management of the Westholme have achieved a triumph in the engagement and introduction of these talented artists to Prince Rupert, and have managed to present this week one of the most successful and interesting series of films witnessed in the city for a long time.
