CITY COUNCIL WANTS MORE LAW-MARTIAL LAW FOLLOWS ROYAL MURDER-BYLAWS KILLED

CITY COUNCIL WILL APPEAL FAMOUS RITCHIE SEWER CASE

MAYOR AND SEVERAL ALDERMEN PEEVED OVER THE JUDGE'S
DECISION—SATISFACTION AT ANY COST,
THE SLOGAN

The City Council last night decided to appeal the decision of Justice Morrison on the Ritchie sewer case. As a preliminary the city pays \$150 into court just as a reminder that lots more money will follow it into the legal sewer.

Ald. Morrissey suggested the appeal at the City Council meeting last evening. He also reported some street gossip to the effect that Justice Morrison had said that if he had known the real condition of affairs the decision would have been different.

Ald. Montgomery said an appeal is the only possible thing to do.

Ald. Maitland was against an appeal. It is always hard to re-

verse a judgment. An alderman should not pay any attention to street reports.

Ald. Dybbavn is still of the opinion that it was a mistake to take the question into the courts.

The Mayor re-echoed the sentiments of Ald. Morrissey and Montgomery. He wanted to show the judge the City Council is prepared to give everybody a square deal. He is not prepared to accept the judge's slap and sit down.

On the vote being taken only Ald. Dybbavn and Ald. Maitland were against the appeal.

The city solicitor was authorized to go ahead and to put up the necessary money. It will be October before the court is held.

DRYDOCK COMPANY READY FOR WATER

Propose Putting in Portion of
City Main to Get Con-
nection

J. H. Pillsbury, engineer in charge of the drydock construction, has asked the City Council for permission to lay the proposed eight inch water main from Sixth Avenue along Ambrose St. to the point where they propose to connect up the drydock line.

The drydock construction work is now ready to install their permanent system and the city has not got the Ambrose main laid. The proposition is that the company lay it and the city should reimburse the company when the Ambrose line is laid.

Mr. Pillsbury's communication said the contractor's price for this piece of work is \$3,208.

The city engineer reported that under the city's plans of laying the main after permanent grading that the cost would be much less and suggested the reimbursement be fixed at \$1,430.

The question was left to the city engineer, city solicitor and board of works to arrange.

Tenders for Delivery

Tenders for delivering steel pipe to Shawatlans Lake were opened last night by the City Council. P. R. Steam Tug Co., \$1.40 per ton; H. B. Babington, \$1.50 per ton; W. R. Morrison, \$0.95 per ton. The latter was accepted.

LANDED WRECK PASSENGERS

(Special to The Daily News)

Londonderry, June 30.—Three hundred and forty-eight of the 1,016 passengers on the liner California, ashore on Tory Island, were landed here, the remainder being taken to Glasgow.

According to the passengers there was no panic. The sea was calm and the vessel apparently moving at less than seven knots when the accident occurred.

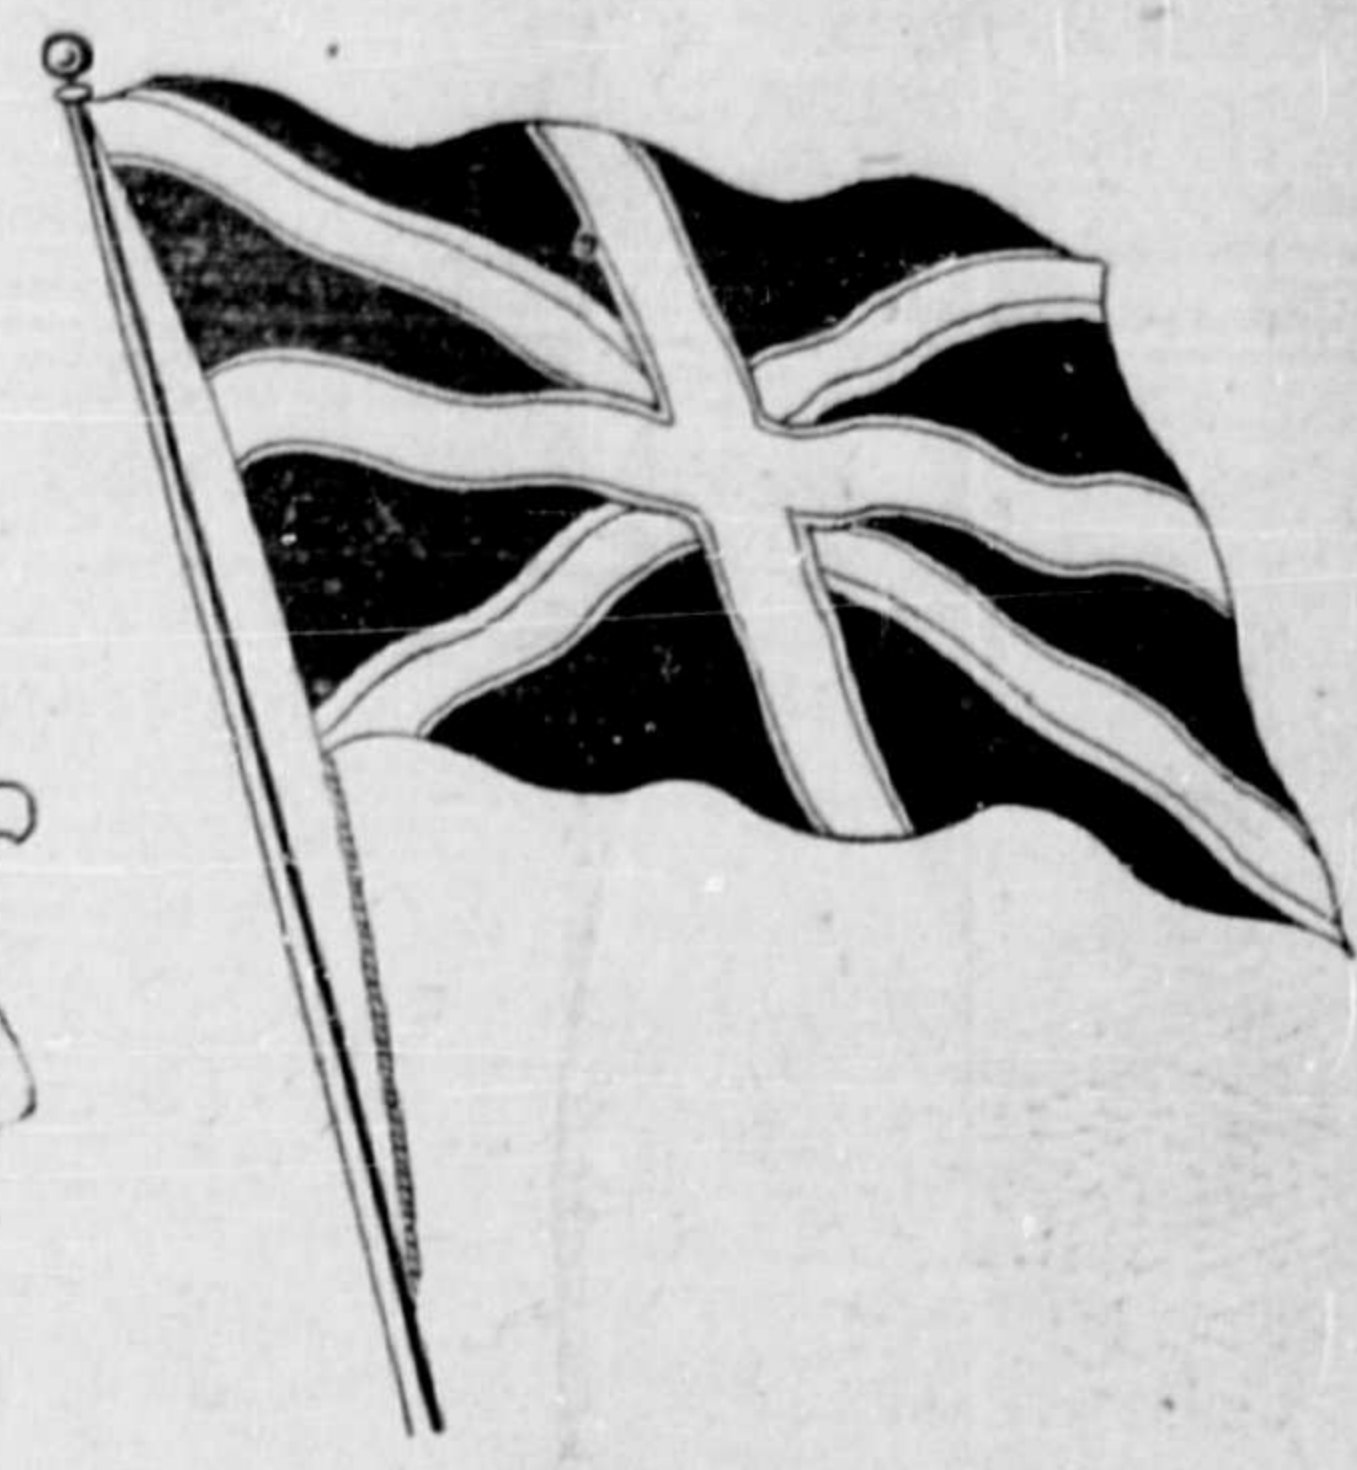

There was only one accident while the passengers were being transferred. A Glasgow man fell out of the basket and was badly injured.

ROYAL MURDER IS CONDEMNED

(Special to The Daily News)

Sarajevo, June 30.—After the bodies of the Archduke Francis Ferdinand and Duchess Hohenberg were removed from the chapel in the palace and transferred to a special train for Vienna, the citizens executed a diet and posted a manifesto denouncing the crime and expressing loyalty to Emperor Francis Joseph and to the Hapsburg dynasty. Anti-Servian demonstrations were attempted but the troops were called out to keep order and martial law was proclaimed.

Canadian Born

We first saw light in Canada, the land beloved of God;
We are the pulse of Canada, its marrow and its blood;
And we, the men of Canada, can face the world and brag
That we were born in Canada beneath the British flag.

Few of us have the blood of kings, few are of courtly birth,
But few are vagabonds or rogues of doubtful name and worth;
And all have on credential that entitles us to brag
That we were born in Canada beneath the British flag.

We've yet to make our money, we've yet to make our fame,
But we have gold and glory in our clean colonial name;
And every man's a millionaire if he can only brag
That he was born in Canada beneath the British flag.

No title and no coronet is half so proudly worn
As that which we inherited as men Canadian born
We count no man so noble as the one who makes the brag
That he was born in Canada beneath the British flag.

The Dutch may have their Holland, the Spaniard have his Spain,
The Yankee to the south of us must south of us remain;
For not a man dare lift a hand against the men who brag
That they were born in Canada beneath the British flag.

ABOLISH THE BAR PLATFORM HAS FAILED TO MAKE ANY HEADWAY

Liberal Leader Made Small Net Gain in Ontario Elections Yesterday--One Minister Defeated--Toronto Has 10 Tories

The Conservatives have again swept Ontario. Whitney's majority over the Liberals is 61, with two Independents. The result was not unexpected, though the temperance party who were supporting Rowell, the Liberal leader, expected to make greater inroads on Whitney's force. The Liberal campaign was waged almost solely on the platform of abolishing the bar, and it proved the truth of the old adage that temperance is a poor platform to win elections on.

The results show: Conservatives, 81; Liberals, 25; Independents, 2.

SHERIFF SMELLED HERRING REFUSED TAKE POSSESSION

EIGHTY TONS OF VERY HIGH PRODUCT OF PRINCE RUPERT
HARBOR—WILL COST CITY \$125 TO TAKE
THEM OUT TO SEA

There are eighty tons of rotten herring in a shack down near Seal Cove. The fish are so old that no one knows when they were born or who owns them and they are so ripe that no one wants to get near enough to find out. The health officials have ordered them taken back to sea and the City Council had to authorize the transportation. It is estimated to cost \$125 which is Frank Davis' bid.

When the City Council discussed it, one of the members wanted to know who owned the land

where the fish are and who owned the fish. Ald. Kerr said it was a real knotty problem. The ownership of the land is in dispute between the G. T. P. and the Dominion Government; the fish are disputed by M. M. Stephens and a firm in Tokio, Japan; the sheriff seized them for a debt but when he smelled them he refused to take possession.

What would you do about it? The City Council ordered the nuisance removed before it explodes and the bill will be sent to the G. T. P.

RIFLE ASSOCIATION GOT GRANT OF \$150

Caused Much Debate Among the
Aldermen

Last week the Civilian Rifle Association asked the City Council for \$150 grant to help send a team to the annual rifle matches. The finance committee recommended the grant, but Ald. McClymont did not sign the report.

Ald. Montgomery opposed the grant on principle. He did not agree with Morrissey that it was a good advertisement for the city. The best advertisement the city ever had was the disbandment of the Earl Grey's Rifles. This grant was not for education. It was a waste of money to keep up a relic of savagery.

Ald. Kerr said all young men should be taught the use of fire arms. It was ill-becoming in Ald. Montgomery to protest on the grounds he did as he is working on the armory.

Ald. Montgomery: One has to do a lot of things to live. If the Government is not quicker building this armory than they are some other things, it will probably be turned into a library.

Ald. Maitland: It's a fine thing to know how to shoot.

Ald. McClymont said he looked on this as a sporting organization and could see no more reason for the Council assisting to send this team to Vancouver than sending a ball team to Ketchikan.

Ald. Morrissey liked it because it was connected with militarism. On the vote, Ald. Montgomery and McClymont opposed.

BIG BOXING BOUT WESTHOLME TONIGHT

Burns-Neff Contest Will Be Best
Ever Seen in Prince
Rupert

Without doubt the best boxing contest ever staged in Rupert will take place tonight at the Westholme Theatre between Rough House Charlie Burns, of Vancouver, and Chet Neff, of Seattle, over the twenty round journey.

Burns is well known here and has finished his training on which he has been working hard and faithfully for the past three weeks, as he realizes that in meeting Neff he is up against as good a boy as could be found in Canada. He is confident that through the contest there will not be one idle second and if Neff stays the twenty rounds and should get the decision, he will have earned it.

Neff is a fast, clever boy with a strong punch. Since his arrival in town he has become a strong favorite as there is a lot of money bet odds on Neff.

The boys will weigh in at 3:00 o'clock at the Windsor Hotel, weight, 133 pounds.

They will box Marquis of Queensbury straight rules.

Frank Sneathers has been selected by both boys to referee the contest.

There will be three strong preliminaries.

REFUSE PERMISSION TO PUT SEWER ACROSS STREET

Capt. Groves' request for permission to lay a temporary sewer across Fourth Avenue came up again last night and was laid over once more.

Ald. Montgomery wanted no action taken.

Ald. Morrissey and Kerr wanted the Council to get estimates on a sewer along Fourth Avenue and make everybody connect with it.

The city engineer said this would be a big hardship on some nineteen other houses who have a temporary sewer and who were not in the present controversy. The proposed city sewer would be very costly.

Ald. Morrissey: The whole city staff seems afraid of the aristocracy on the hill. Even the courts are afraid of them.

The Mayor asked the city solicitor's advice and the city solicitor promised it in writing later.

The matter was left over temporarily.

Mrs. C. D. Rogers is spending a couple of weeks with her husband here. They are registered at the Royal. Mr. Rogers is an inspector for the Excelsior Life Insurance Company and is putting in several weeks in Prince Rupert.

WEEKLY EDITION

Tuesday, June 30, 1914.

Tomorrow is Canada's birth-
day. As far as Canadians are
concerned it is the greatest
holiday in all the year. To the
older citizens it marks the day
that took away our reproach.

in this country their home and
having found it a great and
free land let all unite and
honor the day above all other
days that stands for CANADA.

A public meeting was called
by the City Council last week
to discuss the financial affairs
of the city. When the meet-
ing opened the Mayor invited
the citizens to take part in the
discussions and ask any ques-
tions they might see fit.

The ex-mayor and chairman
of the finance committee of
last year were present and took
part in the deliberations. These
two gentlemen by reason of
their knowledge of the city's
affairs naturally should be in
a position to discuss the finan-
cial affairs of the city with
some knowledge, besides which
they are both heavy ratepay-
ers, yet because they asked
questions which were the
means of eliciting information
for the benefit of the ratepay-
ers which would otherwise not
likely have been made public
at all, they were at once ac-
cused by the present chairman
of finance with introducing
politics.

The Mayor's paper followed
this up in its report of the
meeting with big head lines
making the same accusation.

The man without argument
to support his position usually
resorts to accusation of the
other fellow and that is the
position in which we find the
mayor and chairman of the
finance committee.

It would be hard to conceive
a more lamentable exhibition of
incompetency to handle the
financial affairs of the city
than was exhibited by the con-
trolling influences in the
Council at the public meeting
last week.

The Mayor admitted that
carelessness had been shown

as to offers which had been
made for the city's long term
issues. He admitted that their
minds had been made up not
to accept a price of less than
90 for these issues and he tried
to take refuge behind advices
which he stated had been given
by the bank.

The chairman of the finance
committee made a lot of cash
statements to which many of
the ratepayers present took
exception and it was plainly
evident that the city's finan-
ciers were cornered. When,
therefore, a ratepayer arose
and suggested that a plebiscite
should be taken as to the price
which the city should accept
for its long term issues, the
mayor and members of the
finance committee immediately
thought the suggestion a most
excellent one. This sugges-
tion was the very ticket for
soup. A moment later, how-
ever, another ratepayer having
pointed out the inadvisability
of such a procedure, the mayor
and his henchmen instead of
insisting on the carrying out
of a plebiscite which a moment
before they had stated was the
very thing to do, at once drop-
ped the matter like a hot pota-
toe.

What measure of prudence,
it may well be asked, can be ex-
pected from such vacillation?

TERRACE NOTES

A very successful concert was
given on Saturday evening by
the boys of the Baseball Club. The
entertainment took the form of
a minstrel show under the direc-
tion of Mr. A. L. Gryder, and a
great deal of talent was shown.
The program consisted of songs,
dancing, harmonica, cornet and
tambourine solos, interspersed
with amusing local gags.

The dance which followed was
enjoyed by all who were present.
The music was furnished by Mr.
Lazelle, Mr. Scott and Mr. Jac-
quest. The large number of
visitors from outside points con-
tributed materially towards a very
successful evening.

Rev. and Mrs. W. J. H. Petter
gave an anniversary reception on
the 26th. The hostess received in
her wedding dress. The recep-
tion room was tastefully decorat-
ed with a great variety of local
flowers. The honors of the tea
room were done by Mrs. March,
Mrs. Rudolph, and Mrs. Munro,
assisted by Misses Sparkes, Ivey
Ross, Hilda Green, Elanda Marsh
and Ella Frank.

In the first game between
Prince Rupert and Terrace on
Saturday evening, the home team
defeated the Colts by 8 to 4. An
enthusiastic crowd of spectators
watched the match. The visitors
put up a good fight but scored
only one run after the fourth in-
ning. The town boys have im-
proved in their fielding and pretty
catches were made by Ross and
Karl Lindbloom.

PRINCE RUPERT BRIEFS

The big arch on Third Avenue
is being re-decorated for tomor-
row's celebration. It looks sub-
stantial and artistic and gives
that part of the city a festive ap-
pearance.

Alex McDonald was in police
court today charged with not
having a tag on his dog. Mc-
Donald said he had only been
here a few weeks and had no
chance. He was let off by pay-
ing for a tag.

Mr. and Mrs. Chas. Burgess
are back from a visit to Ontario.
Mrs. Sutherland, the mother of
Mrs. Burgess, came with them
and will remain here a couple of
months.

The Princess Alice was in this
morning, northbound. This is
the first regular trip of the Alice
on the Skagway run.

CANADA'S 47TH BIRTHDAY
WILL BE BIG DAY IN RUPERT

DAY OF PAGEANT AND SPORTS—WILL BE MANY VISITORS
AND MUCH MUSIC—COMMITTEES HAVE ALL
ARRANGEMENTS COMPLETE

Prince Rupert will celebrate the
Dominion's anniversary tomor-
row. It promises to be a big day
and the committees in charge of
the celebration have arranged to
make it thoroughly enjoyable.
Nothing remains to make it a
complete success excepting the
weather.

There will be three bands of
music, two Indian bands and the
Ketchikan civilian band. The
latter is being brought here by
the Ketchikan baseball team who
are coming down with a big
crowd of rooters to try and beat
the local team. It will be a great
match. It is set for 4 o'clock.

At 6:45 the football final for
the Dominion Day Cup will be
played at the Drydock between the
Merchants' Assistants and the
Callies.

The procession promises to be
a very attractive feature. Many
business houses are preparing
floats and the display is going to
surprise a lot of people.

The procession will line up at
11:15. It will be composed of the
city fire brigade, the Veterans, the
Oldtimers, friendly societies,
lodges, etc., school children,
tradesmen's light rigs, trades-
men's heavy rigs, automobiles,
private individuals in costume or
tableaux, trade exhibits on floats,
three bands; grand marshal, Geo.
Frizzell.

The procession will assemble
on Third Avenue, between Fifth
and Sixth Streets, and on Fifth
and Sixth Streets, as follows:—
The Veteran and Old-timers will
assemble on Sixth Street, between
Third Avenue and Fraser Street.
Friendly Societies, Lodges, etc.,
with floats or tableaux, etc., will
assemble on Sixth Street, between
Second and Third Avenues. The
school children will assemble on
Third Avenue, between Fifth and
Sixth Streets. Light and heavy
rigs will assemble on Fifth Street
between Third Avenue and Fraser
Street. Automobiles, trade ex-
hibits, private individuals, etc.,
will assemble on Third Avenue
between Fifth and Fourth Sts.

The route will be along Third
Avenue to Eighth Street; along
Eighth Street to Second Avenue;
along Second Avenue to Market
Place.

On arrival at Market Place, ap-
propriate songs will be rendered
by the school children, short
speeches by leading citizens and
the proceedings closed by the
singing of the National Anthem.
"O, Canada!" will be sung by
Mr. W. Vaughan Davies.

The procession will then dis-
burse.

AN Investment!

Today the real estate market is
quiet. Property turns slowly and
though prices remain firm the man
with a few hundred dollars to in-
vest does not see much chance for
a profitable turn in buying an un-
improved lot. It is the improved
property that is making the money
these days, but the small investor
has no chance to get in on it him-
self.

But he has a chance to get in a
syndicate—The Prince Rupert
Building and Investment Company—
an association of investors with
small capital whose pooled re-
sources makes it one of the most
active and prosperous business or-
ganizations in the city.

This company has built many
houses and has just completed a
splendid apartment house. It deals
exclusively in Prince Rupert invest-
ments. It has no paid officers and
no operating expenses, but it makes
money. In three years it has paid
an average annual dividend of 17
per cent.

A new stock issue has just been
put on the market. It sells at \$11
a share and we can recommend it
to anyone who has a small amount
of capital on which they would
like to draw good interest with
good security back of it.

LACROSSE THE RING FOOTBALL

BASEBALL LAWN TENNIS HOCKEY

Johnny Coulon, ex-bantam champion of the world, will referee in the Vaise-O'Leary championship contest tomorrow.

Vancouver and New Westminster lacrosse teams meet at Vancouver tomorrow.

As one Victoria baseball player remarked: All some umpires need is a scar on the face and a pair of brass knuckles, and they would look the part.

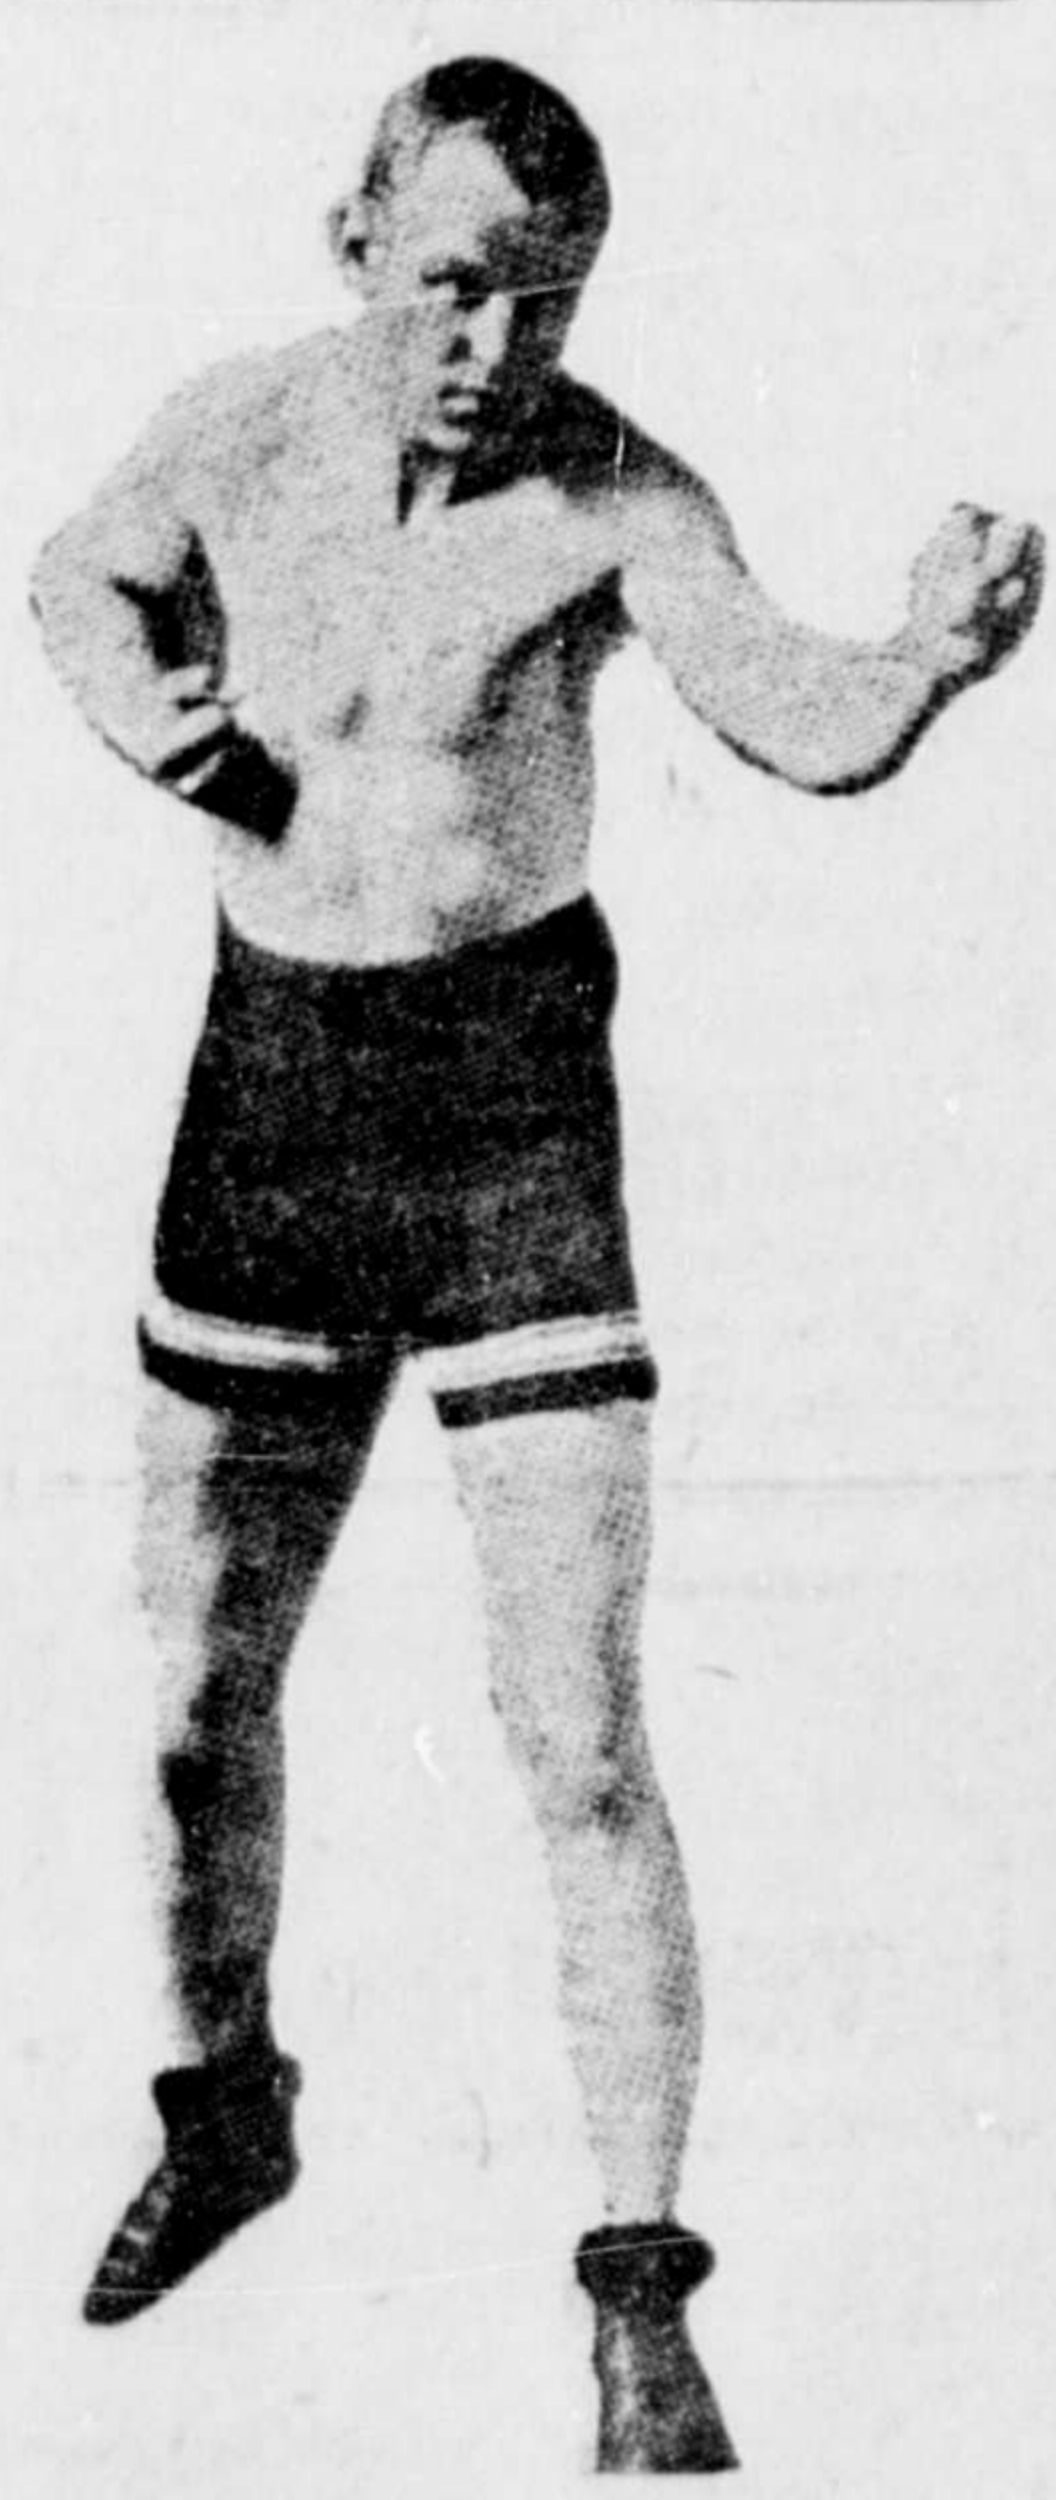

The Dominion Day game between the Gallies and the Merchants' Assistants should be a hummer. Both teams will field an eleven that can compare favorably with any team in the province.

The swiftest dog in the world, the Russian wolf hound, has made record runs that show 24 yards to the second, while the gazelle has shown measured speed of more than 27 yards a second.

A hypnotizing prizefighter, a man who knocks out his opponents more with the glance of his coal-black eyes than with the swish of his mighty fists. Such a person is Battling Terry, of Newcastle, Pa., according to serious statements made by both Terry and his manager, Ed. Fritz.

The Vancouver-New Westminster pro, lacrosse teams are not receiving much support in the southern cities. In the last game played at Westminster there were scarcely 400 spectators present. Two years ago six thousand lacrosse fans was a common Saturday attendance in the Fraser valley metropolis.

England has already won two international events this year. From an American standpoint both were surprises; from our point of view we rather anticipated victories. The Oxford relay team headed the Americans, and now we have the English poloists outplaying the Yankee cup defenders. Not so bad after all, when our Yankee friends didn't even concede us a chance in either event.

Victoria Bees have at last moved out of the cellar position in the Northwestern League.

Detroit, even with the Cobb in the line-up, is not setting the pace as it did a month ago.

Duffy's suspension means that the A. A. U. is drawing the line tighter in the east.

With a little more strength in the forward line the Sons of England can field a good strong football team.

The Dry Dock football team is to be strengthened up and before the league games open should be in shape to put up a good class of football.

In a recent game at Montreal Bob Couchman filled the bases and forced in a run by passes to first. His club had a seven run lead at the time, but when he was dericked, he threw the ball over the right field fence, clearing the bases. This break started a Toronto rally, the latter club winning 15 to 9. Couchman was given a stiff fine and indefinitely suspended by the club management.

Sam E. Lichtenhein, president of the Montreal Baseball Club has begun an action against the Montreal Standard for \$25,000. The action is based on an article in the Standard reflecting on the plaintiff's management of the local ball team, and especially advising people to stay away from the ball park until there should be a change in the management.

Joe Bayley, former lightweight champion boxer of Canada, returned to Victoria last week end after a sojourn of a couple of months in California, his fight with Frankie Burns being called off. Bayley had poor luck from a financial point of view in the

south, accidents preventing him from accepting several good offers, but he made a lot of friends and his showing in the bouts he had was enough to convince the critics that he has a chance of climbing to the top in the lightweight ranks.

Only nine batters in the American baseball league are doing better than .300, according to last week's averages, and among them is Ty Cobb, who finally has worked his way to the top, being tied with C. Walker of St. Louis, with .347. Next to him comes Coveleski, Detroit, .343; Baker, Athletics, .332; Jackson, Cleveland, .323; Crawford, Detroit, .315 E. Walker, St. Louis, .308, McInnes, Athletics, .300; E. Collins, Athletics, .300; Lelievelt, Cleveland, .297.

EXPECT RUPERT TO BE COAST FISHING CENTRE

Ketchikan Man Warns Seattle to Wake Up and Get Busy

Seattle, June 30.—Seattle's position as fishing centre of the northwest is being contested by Prince Rupert, B.C., according to John R. Grant, of Ketchikan, Alaska, who is on a business visit to this city.

"The people here have not awakened to the fact that Prince Rupert is now preparing to be a real competitor for the fish business," said Mr. Grant.

"There is no question that Ketchikan is the real centre of the fishing industry, and Prince Rupert, only 90 miles away, will become a factor in the business that must be considered. With direct and quick freight service, such as the Grand Trunk now promises to give between Prince Rupert and eastern markets, and a dispatch freight to New York, it will be necessary for the commercial bodies here to get to work at once if Seattle wishes to hold her present position."

Cycled to Fort George

One of the most thrilling cycle rides, probably ever experienced by those who are fond of this popular exercise, is that just completed by Mr. B. Lawrence, who has ridden from Vancouver to Fort George on a single speed machine. Mr. Lawrence states he arrived within a short distance of Soda Creek before he had his first mishap, which was only a puncture in the back tire.

CANNERS MUST FIGHT SEA LIONS IN NORTH

Hair Seals Not the Only Destructive Agency—To Protect Salmon

The salmon cannerymen of British Columbia are finding themselves up against more trouble and prospective troubles, this year than ever before from sea lions. The Dominion Government has voted an additional \$3,000 for the destruction of hair seals. No provision has been made however for any bounty on sea lions which are in evidence at the mouths of places where the salmon run in larger numbers than in any previous year. This is especially true of Rivers Inlet.

Mr. W. D. Burdis, secretary of the British Columbia Cannery Association, stated that the managers of the canneries affected had so clearly recognized the seriousness of the depredations liable to be made by these sea monsters that they have assessed themselves \$1.50 per boat for their licensed number of boats, and have so raised a sum of \$1,050, from which they propose to pay \$2 for each sea lion scalp presented to them. Mr. Burdis also stated that the canners felt that a Dominion fisheries officer should be appointed for Rivers Inlet. "The absence of such an officer," he said, "is felt by both canners and fishermen, and works a great hardship on an industry that contributes so largely to both the Dominion and Provincial revenues."

MANY SETTLERS MAKING HOMES ON BANKS ISLAND

"Banks Island, particularly on the west coast, is one of the prettiest spots for a summer holiday I ever saw," said J. G. Scott, who has just returned from a week's outing in company with W. F. Beak and C. V. Orme.

Mr. Scott says the island now has quite a lot of settlers who are building comfortable homes. The interior of the island is fairly open and has a lot of good soil. The settlers just now are trying to get a government wharf so they can land stock for their ranches.

The west coast of the island is dotted with little islands and has innumerable bays and coves with many sandy beaches.

This summer the Provincial Government is having a survey made of the whole island.

The boys caught many trout and sea bass while on the holiday and are quite enthusiastic in recommending it for camping parties.

RE-DECKING BYLAWS MET SUDDEN DEATH

Knocked Out By Minority Vote Much to Discomfiture of Mayor

The re-decking bylaws for Fifth, Sixth and Seventh Avenues and Tatlow Street met a sudden death last night. They were knocked out by two votes against five under the procedure rules, which requires bylaws put up as they were to be carried by a two-thirds vote of the whole council. Ald. Basso-Bert is away and Ald. Maitland and Morrison voted against the reconsideration, and their votes were sufficient to do the trick.

The Mayor was quite annoyed and at the request of Ald. Montgomery, who was also a bad loser, he put Ald. Morrison through a catechism on what Ald. Morrison is now going to do about it.

Before the vote was put all the aldermen took a hand in the question which has been debated up and down for a month. In fact some of the aldermen went three or four rounds on the question.

Finally when the vote was taken the two aldermen stood out against it and the bylaw was dead.

The Mayor: Well, I don't propose to try and sell any more city bonds until the Council knows its mind. It is a terrible worry to finance these things and then have the Council throw them out. Ald. Morrison threatened to pay for the re-decking out of general funds.

The debate continued for ten or fifteen minutes after the motion was declared lost.

WANTS ROADWAY TO ARMORY SITE

A. Carss, on behalf of the Dominion Public Works, asked the City Council to grant a 20-foot strip of city property for a roadway from the end of the present walk on Borden Street to the armory site. He said otherwise the armory had no approach. The public works department would make the road.

The city solicitor pointed out that a bylaw would have to be submitted to the people.

Mr. Carss said the Dominion would expropriate it.

Mr. Carss was asked to put the request in writing.

The Ketchikan visitors left today at 10 a.m. It will be between eight and nine this evening when they arrive.

MILITANT SUFFRAGETTE IN MOVING PICTURES

Suffragettes and their weal or woe, form the story of a very fine five-reel feature to be shown at the Westholme Opera House on Wednesday and Thursday, with matinee on Wednesday at 3 p.m. These pictures do not take sides on the question but tell a plain simple story taken directly from life of a suffragette who breaks windows, smashes post-office boxes, makes street speeches, is arrested, goes on a hunger strike and is subjected to forced feeding and in fact goes through all the various experiences of a militant suffragette. Much can be learned from these pictures and they will be found extremely interesting.

A fine Keystone comedy will conclude the performance.

ALF HALLIGAN

HER LITTLE SON WAS DYING

Gave Him "Fruit-a-lives" And Saved His Life.

CAMPBELLVILLE, Ont., May 5th, 1914. "Our little boy, Lawrence, was sorely affected with Chronic Indigestion, and the doctor did not think he would recover. He started with a sore mouth and it developed into other troubles. Everything he ate just passed right through the system without change. He cried incessantly and life was a misery to him. My husband had been using "Fruit-a-lives" for indigestion, getting much benefit from them, and I thought what did him good, might help our boy. We tried "Fruit-a-lives" giving Lawrence 1/2 a tablet a dose, and the result was marvelous. Today, he is the picture of health, and he is perfectly well."

Mrs. J. VANFLEET.
