## GERMANS TRAPPED RUSSIAN, BELGIAN AND BRITISH FORCE IN REAR

### ENTIRE GERMAN ARMY ABOUT TO BE CAUGHT IN A BAD TRAP

PRESENCE OF RUSSIAN ARMY IN BELGIUM IS CONFIRMED—  
CLOSING IN BEHIND RETREATING GERMAN ARMY.

(Special to The Daily News—12 Noon)  
Paris, Sept. 14.—The retreat of  
armies of Generals von Kluck  
von Buelow continue today.  
Allies are driving them mer-  
cifully back to the border. The  
Russians are now across the River  
Meuse. The Germans have al-  
ready made two-thirds of the dis-  
tance back to the Belgian fron-  
t and it is not believed they  
halt for the last stand until  
enter Belgium. Meanwhile,  
correspondents have confirm-  
ed stories that Russian troops  
in Belgium and, it is believed,  
have effected a junction with the  
Belgians, who have assumed the  
offensive and will fall upon the  
retreating armies as soon as they  
reach the boundary line from  
France. More British troops are  
expected to be with the Belgians  
in the near future. The German  
armies of Gervon, Hausen and  
Prince of Wurtemberg are re-  
treat towards Rethel and Me-  
zieres. This army constituted the  
main body of the German advance.  
The armies of the Prince of Ba-  
den and General von Heringen,  
which formed the German left,  
have been forced across the fron-  
tier and the entire French Lor-  
raine is now liberated. The situ-  
ation is believed here to be well

high hopeless from a German  
standpoint. The Allies are hard  
on the heels of all three sections  
of the great German force which  
swept into France and is now  
sweeping out. The Russian, Bel-  
gian and British forces in Bel-  
gium are ready to meet the Ger-  
mans head-on and they will be  
caught between two fires. Corre-  
spondents write of the withering  
fire poured by the British troops  
into the Germans, which the lat-  
ter could not face, although the  
British had stood it for weeks be-  
fore. The French won a great  
victory on the famous German  
Imperial Guards near Seizanne,  
where 100 years ago Napoleon  
won a great victory. Two Ger-  
man detachments of 1,000 men  
each were surrounded and would  
not surrender. They were wiped  
out to the last man. The crown-  
ing stroke of the Allies was their  
closing in like a pair of shears,  
with Grand Morine as the pivot.  
They caught the Germans be-  
tween the blades and crushed  
them. The Russian troops are  
slowly retiring before the Ger-  
man attack in East Prussia, and  
are waiting for reinforcements.  
The flower of the Austrian army  
was caught in a trap by the Rus-  
sians in marshes of the River San  
and faced annihilation or surren-  
der.

### AUSTRIAN ANNIHILATION CONFIRMED, WITH GREAT LOSS

HEAVY NUMBER OF OFFICERS AND MEN KILLED AND TAKEN  
PRISONERS, WITH FOUR HUNDRED GUNS — RUSSIANS  
FOR VIENNA NEXT.

(Special to The Daily News.)  
Paris, Sept. 14.—A Petrograd  
dispatch to Paris declares that  
the Austrian army in Galicia is  
destroyed. Over the entire front  
the German and Austrian forces  
have been beaten and have  
surrendered. The first army, un-  
der General Auffenberg, lost 300  
thousand and 28,000 men with 400  
guns. The second army lost  
officers and 70,000 men, all

being captured by the Russians.  
A Russian official statement  
claims Russian victories after  
seventeen days' fighting against  
the German and Austrian forces  
in Russian Poland and Galicia.  
The enemy is now being pursued.  
When the operations at Cracow  
and Przemyel are completed the  
Russians will send a large force  
on to Vienna.

### ALLIES CUT COMMUNICATIONS OF GERMANS AFTER BIG BATTLE

BATTLE AT MARNE RIVER PROVED GREAT VICTORY FOR AL-  
LIES—GERMANS ARE IN BAD WAY FOR PROVISIONS  
—IN RETREAT.

(Special to The Daily News.)  
Paris, Sept. 14.—General Gal-  
lieux, governor of Paris, at noon  
today announced that the bat-  
tle of Marne had resulted in a vic-  
tory for the Allies. The Ger-  
mans who found difficulty in get-  
ting provisions, were retreating  
in disorder. The Allies are re-  
ported to have cut the lines of  
communication of the Germans.  
German forces to the east of  
Paris are offering but feeble re-

sistance to the French and Brit-  
ish troops. The French make  
but slight progress, however, in  
Lorraine.  
Washington, Sept. 14.—The  
French embassy yesterday re-  
ported a precipitate retreat of  
the Germans at Montmirail, Fro-  
mentieres, Revigny and Sermaise.  
They are being vigorously pur-  
sued by the Allies, who are cap-  
turing provisions, men, artillery  
and papers.

land.

### GERMANY REFUSES HELP TO HER AUSTRIAN ALLY

(Special to The Daily News—9:30 A.M.)

London, Sept. 14.—News from  
the Austrian frontier describes in  
even darker colors the situation  
of the Austrian army, especially  
since Germany has notified her  
ally that she is unable to send  
more reinforcements into Galicia  
owing to the graver conditions on  
the western frontier. It is as-  
serted that the German contin-  
gents which reached Grodek to  
help the Austrians have been re-  
called to Germany, as Germany  
wishes to center all her efforts  
against the Allies.

### GERMAN CROWN PRINCE AND BROTHER DEAD

(Special to The Daily News—9:30 A.M.)

London, Sept. 14.—An Ostend  
dispatch says that Crown Prince  
Frederick William and Prince  
Adelbert of Prussia, the Emper-  
or's third son, and the Prince of  
Wurtemberg are reported to have  
died at the hospital at Brussels.

### SURVIVORS OF KARLUK HAVE BEEN RESCUED

(Special to The Daily News.)

Washington, D. C., Sept. 14.—  
Eight white men and an Eskimo  
family, survivors of the wrecked  
exploring ship Karluk, are safe  
aboard the revenue cutter Bear,  
after being marooned on Wrang-  
el Island since January. A re-  
layed wireless dispatch received  
last night said they are due at  
Nome today. The dispatch told  
of the death of three other explor-  
ers: G. S. Malloche, geologist;  
Bjarne Mammen, assistant to the  
photographer, and J. Brody, sea-  
man.

### POPULAR PARODY TO BE SUNG AT CONCERT

At the concert which is being  
held in aid of the Red Cross So-  
ciety the Pierrots are introduc-  
ing several good numbers. Ru-  
mor has it that a very large and  
popular Pierrott will sing the  
Rajah of Bhong's song from the  
"Country Girl," slightly varied to  
suit local conditions. This is a  
sample:  
"For a very small fee  
You are going to see  
A remarkably fine exhibition;  
On Acropolis Hill  
Where our regiment will drill  
When the farmers have finished  
their mission.  
There'll be "spuds" from La-  
kelse,  
And from everywhere else  
Will come cabbages, carrots and  
onions,  
And the Baby Show, too,  
Will attract quite a few  
Little "Veni" and also some  
funnyuns."  
"Peace, Peace! we'd all like a  
piece  
Of the cake that will win first  
prize;  
We should feel that we'd then  
Had our money's worth when  
Captain Baldwin appears in the  
skys."

### MATE LAUGHED AT THE KAISER'S ORDERS

British Vessel Went Full Steam  
Ahead When German Magis-  
trate Bade Her Stop.

London, Sept. 12.—Telegraph-  
ing from Sydney, N. W., the Reu-  
ter correspondent says:  
"An attempt was made at Na-  
ran Island, a German possession  
in the Pacific, just south of the  
equator and near the Gilbert Is-  
lands, to seize the British steam-  
er Messina, which has just ar-  
rived here. A German magis-  
trate with a party in a boat ap-  
proached the Messina and de-  
manded to board her.  
"By whose orders?" the mate  
of the Messina asked.  
"By orders from His Majes-  
ty the Emperor of Germany," the  
magistrate replied.  
"The mate laughed at the  
magistrate and ordered full  
speed ahead and the Messina  
reached the open sea."

### GERMANS NERVOUS AS TO WAR'S OUTCOME

London, Sept. 12.—A Post cor-  
respondent, wiring from a point  
not given in the dispatch, has  
seen a letter from a high German  
officer invalided home in which  
he states:  
"The war is not going quite as  
we expected and the resistance  
of the allied forces is extraordi-  
nary. We are beginning to feel  
nervous as to results.  
"The German losses are terri-  
ble, so terrible that the Emperor  
has forbidden their disclosure.  
Our generals have been wanton-  
ly wasteful with our men, who  
have been mowed down in thou-  
sands.  
"While it is impossible to say  
what our losses are, I estimate  
them at between 350,000 and  
400,000. If they continue at this  
rate we shall be quite unable to  
meet Russia with any hope of  
success."

Mr. and Mrs. Wm. Manson left  
on Saturday for Ottawa, where  
they will attend the general con-  
ference of the Methodist Church.  
They travel over the G. T. P.

### ALLIES' VICTORY COMPLETE GERMANS ENTIRELY ROUTED

LATER DISPATCHES SHOW THIS ABANDONING PRISONERS,  
WOUNDED AND STORES.

(Special to The Daily News—9:30 A.M.)

Bordeaux, Sept. 14.—General  
Joffre, the commander in chief of  
the French forces, sent a tele-  
gram to M. Millerand, saying that

the victory appears even more  
complete than expected. Every-  
where the enemy is retreating and  
abandoning prisoners, the wound-  
ed and stores.

### BARRIEAU AND HAGEN FIGHT TO A DRAW

A fair sized crowd witnessed  
the fifteen-round contest between  
Frank Barrieau, of Vancouver,  
and Romeo Hagen, of Seattle, held  
at the National Athletic Associa-  
tion rooms Saturday evening.

Barrieau's clean style of box-  
ing won him many friends and he  
seemed the favorite with the  
bunch of fans present.

From the way the boys went  
at it from the tap of the gong it  
was plain to see that both were  
after a knockout. Both boys were  
in perfect physical condition for  
after standing up for fifteen  
rounds giving and taking hard  
body and face blows both emerg-  
ed with hardly a scratch.

In the fourteenth round Bar-  
rieau received a slight cut on the  
head by coming in contact with  
Hagen's teeth in a clinch. This  
was an accident purely, although  
the crimson flowed for a short  
time.

The fifteenth round opened up  
fast and had neither contestant  
landed a telling blow it might  
have changed the referee's deci-  
sion but a draw was the only de-  
cision he could reach immediat-  
ly upon the closing gong. The  
decision met with the approval of  
the majority, as neither contes-  
tant showed any the worse after  
the exhibition.

The main event was preceded  
by several good preliminaries,  
the best one being a six-round  
contest between Jim Clarke and  
Monte Label. A draw decision  
was given by Referee Frank  
Smithers.

George B. Fredell, a newspaper  
man of San Francisco, but who is  
well known and has been in this  
city all summer, refereed in a  
very capable manner.

### TURKEY AND GREECE MAY NOW FIGHT OVER DISPUTE

(Special to The Daily News.)

Bucharest, Sept. 14.—An im-  
mediate break between Turkey and  
Greece is now considered inevit-  
able. Negotiations designed to  
settle the problems in connec-  
tion with the islands in the  
Aegean Sea have failed. The dele-  
gates, finding themselves at a  
deadlock, have started for their  
respective capitals. It is feared  
that when they reach Constanti-  
nople and Athens reports may be  
followed by the rupture of diplo-  
matic relations preliminary to a  
war declaration.

Rome, Sept. 14.—It is reported  
here that Britain has made a se-  
cret agreement with Greece for  
the use of the Island of Lem-  
nos as a naval base to strike a  
quick blow against Turkey if nec-  
essary. Lemnos is 40 miles from  
the Dardanelles.

### AEROPLANE CHASE.

(Special to The Daily News—9:30 A.M.)

London, Sept. 14.—A Reuter  
dispatch from Troyes, France,  
says that after a chase of several  
miles, a French aviator succeed-  
ed in bringing down a German  
aeroplane which had been drop-  
ping bombs on the town.

### BRITAIN DOES NOT NEED NEWFOUNDLAND MARINES

These sailors Will Now Be Avail-  
able for the New Regi-  
ment.

St. John's, Nfld., Sept. 12.—As  
a result of the improved naval  
situation resulting from the  
blockade of the German fleet in  
its port in the North Sea, the  
British Admiralty, after accepting  
an offer by the Newfoundland  
government to increase the exist-  
ing force of naval reserves  
among the Newfoundland fisher-  
men from 600 to 1,000, has decid-  
ed that the increase would not  
be required, and that it will not  
be necessary to continue in active  
service 400 out of 600 men who  
responded to the call to arms at  
the beginning of August and as-  
sembled here.

The services of some of these  
sailors will now become available  
for the Newfoundland regiment  
which is being raised for land  
service. It is to be 500 strong.  
A second battalion is being for-  
med in the colony for local defence,  
from which drafts can be made  
into the first contingent when nec-  
essary.

### SOCIALISTS FAILED TO ROUSE ITALIANS

Rome, Sept. 12.—The German  
Socialist deputies, Hugo Haase  
and Albert Suddekum, came to It-  
aly in an effort to induce the Italian  
Socialist party to use their influ-  
ence to have Italy join Germany  
in the war. The mission has fail-  
ed, and the Italian Socialists have  
now published a protest against  
what they describe as an attempt  
against the dignity of Italy. They  
also express the hope that if a  
cessation of hostilities is impos-  
sible, the "infamous war will  
crush those who provoked it."

### VICTORIA'S REPAIRS.

C. P. R. Steamer Will Be Hand-  
led by Yarrow.

The contract for repairs to the  
C. P. R. steamship Princess Vic-  
toria, which was in collision  
with the steamer Admiral  
Sampson off Point-no-Point has  
been awarded to Yarrow, Limited,  
of Esquimaux. The amount  
covering the repair contract has  
not been disclosed. Confirmation  
of the placing of the contract with  
the Victoria concern was given  
by Capt. J. W. Troup, manager  
of C. P. R. steamships.

It is understood that about six-  
teen bow plates will have to be  
renewed and a section of the  
stem will have to be replaced.  
Bids were tendered by several  
coast shipbuilding firms and the  
successful tenderer proved to be  
Yarrow, Limited. The Princess  
Victoria is now at Esquimaux.

DAILY EDITION

Monday, Sept. 14, 1914.

According to arrivals from London it would appear that the British public have got over their excitement about the war. They have adopted the motto, "Business as Usual," and are going right ahead with it. This would be a good motto for Canada also to adopt. There is no doubt but that dullness in business is to a large extent psychological, as President Wilson says, and if that motto were acted on everything very soon would be normal again. Let us take the motto up and "go to it."

After the terrible days of darkness and reverses it would appear that the tide has changed for the arms of the Allies. While we may still expect a few local reverses it would appear that the plans of the Germans have been hopelessly thwarted. They will now have to fight a rear guard action right back into their own country. The fighting for the Allies is of course by no means over but the winning of a few more big battles will pretty nearly end the war. With such a large host of men killed and with the difficulty of feeding his army the Kaiser may be compelled to sue for peace.

There is only one kind of peace that will be satisfactory to British people and that is the kind that will forever put it beyond the reach of the Kaiser to deluge the world again. Whether it be St. Helena, the dismemberment of his confederation or the formation of a

republic, he must be so placed that he will never have the same power again. Then the German navy should be taken over. Not a shred of it should be left to again menace the shores of Britain. With his wings so severely clipped and his up-turned moustache shaved off the Kaiser would look a very ordinary bird. This only can secure the peace of Europe.

The Montreal Board of Control voted \$150,000 to the Canadian Patriotic Fund as the first of a number of gifts to be made during the war.

The French government has agreed to admit free of import any postal or other parcels containing tobacco, cigars and cigarettes sent for the use of troops at the front.

More than 80 suspects, Austrians and Germans, picked up lately around Montreal, were taken to Kingston and put in safe keeping in Fort Henry.

A civilians' regiment is being formed in Owen Sound. Recruits will be drawn from the young business and professional men. Fifty have already signed.

A revolver handled by members of the 19th Regiment, on duty on the Welland Canal, caused the death of Private W. H. Sargent, son of Charles Sargent, Grant-ham Township.

A jury found that the killing of Private Bettes, of the 5th Royal Highlanders, when guarding the Soulages Canal by Private Taunton, same regiment, a fellow-sentry, was accidental.

## ITALIAN SOCIALISTS APPROVE NEUTRALITY

Victory of Triple Entente Would Aid in Universal Disarmament.

Paris, Sept. 12.—A dispatch to the Havas Agency from Rome says members of the Italian Socialist reform party met in Rome and adopted resolutions approving the declaration of Italian neutrality in the present war. The meeting recorded its opinion that the victory of the Triple Entente, Great Britain, France and Russia, would not only aid universal disarmament, but at the same time open the way to an exchange of national opinions and help the proletariat both socially and economically. It declared also that the victory of the entente powers would assure Italy's predominance over Austro-Hungary in Balkan matters.

## SHRINERS RESERVE CONVENTION SPACE

Five Iowa Temples Arrange to Take One Entire Hotel.

Seattle, Sept. 12.—Basing his prediction upon the requests coming in for hotel accommodations, John L. McLean, secretary of the executive committee of Nile Temple that has charge of arrangements for the Shriner's convention in Seattle next year, yesterday declared that 100,000 delegates and visitors will be here during the convention week in July. Many of the 147 Shrine temples to be represented at the convention have made tentative arrangements for hotel accommodations. Five temples in Iowa have forwarded a request to one of the large Seattle hotels asking that the entire building be reserved for their delegates.

## MCGILL GRADUATES AND THE WAR SITUATION

The following letter has been sent to every McGill graduate:

"At a time like the present when the destiny of the Empire is at stake, McGill University and its graduates should come forward and do everything in their power to help the common cause. The individual graduate does not fully realize the influence the graduates as a whole have in Canadian affairs. Over 5,000 educated men, holding important positions all over the Dominion and elsewhere, are a tremendous power and influence, particularly if their efforts are concentrated on certain fixed objects.

"It was felt by the executive of the Graduates' Society and by the committee in charge of the reunion, which it had been proposed to hold in the fall of 1915, that in the present crisis in the Empire, something should be done; and it was decided to write a letter to every graduate asking him to use all his influence towards patriotic ends.

"In order to make our influence felt in a definite way it was thought that a fund should be started to which every graduate of the university would contribute. The contribution of each individual would be for the nominal amount of \$1, which would represent his patriotic vote and the significance of his intention to do everything possible to assist Canada in the responsibility and duty created by the war.

"The vote of the McGill graduates will be deposited in cash form to the credit of the Canadian National Patriotic Fund. "You are therefore invited to fill in and return the accompanying cheque form, which will be cashed at par, or to enclose \$1 in some other form.

"An immediate response is necessary if this action is to have all the effect that is hoped for from it.

"For the executive,

"JOHN L. TODD,

"President.

"WILLIAM STEWART,

"Secretary."

It may be that some letters have not reached their destination. Remittance should be addressed to Mr. George McDonald, 179 St. James Street, Montreal.

on the battlefield. IT IS HUNGER. Bread is the foundation for the soldiers' rations. Bread that makes bone and muscle and girds the strong right arm for the bayonet charge—bread that feeds and nourishes the entire body and permits of unerring aim to decimate the enemy's ranks. But any bread won't do. It must be made from the ripest, plumpest wheat. It must be cleansed of all impurities. A perfect flour for Tommy Atkins is

# VETERAN WHO WAS TORTURED NO LONGER WITH LORD ROBERTS

**Paid Low With Rheumatism—But Cured By "Fruit-a-tives".**  
HATHAM, ONT., APRIL 3rd, 1913.  
I am a veteran of the Crimean War and the Indian Mutiny, volunteering the Royal Artillery into the Royal Engineers, and served under Lord Roberts during the Indian Mutiny. I am a pensioner of the British Government. Pierce hand-to-hand and continual exposure left me a great sufferer from Rheumatism, such so that my legs swelled up, making it impossible for me to walk. "Fruit-a-tives" cured me of the Rheumatism and Constipation. By regular employment, I walk miles a day and enjoy perfect health.

# TORTURED NO LONGER WITH ASTHMA

**Sometimes, He Had To Sit Up All Night For Weeks At A Time—Suffered For 15 Years Until He Cured Himself With "Fruit-a-tives".**

D. A. WHITE, ESQ.

21 Wallace Ave., Toronto, Dec. 22nd, 1913

"Having been a great sufferer from Asthma for a period of fifteen years (sometimes having to sit up nights for weeks at a time) I began the use of "Fruit-a-tives". These wonderful tablets relieved me of Indigestion, and through the continued use of same, I am no longer distressed with that terrible disease, Asthma, thanks to "Fruit-a-tives" which are worth their weight in gold to anyone suffering as I did. I would heartily recommend them to all sufferers from Asthma, which I believe is caused or aggravated by Indigestion".

D. A. WHITE

Asthma is a disease of the Nerves. It usually attacks those of a highly strung nervous system—those whose nerves are easily affected by any disturbance of digestion. This is why 98% of those who suffer with Asthma, also suffer with Indigestion, Dyspepsia or Constipation. In Mr. White's case, his Asthma was cured at the same time that his Indigestion was cured.

Why? Because "Fruit-a-tives" acts directly on stomach, bowels, kidneys and skin. "Fruit-a-tives" cleans the whole system of the poisons that are irritating the nerves. "Fruit-a-tives" sweetens the stomach, insures sound digestion and healthy appetite. "Fruit-a-tives" is a positive cure for Asthma and Hay Fever.

## GERMAN LOSSES WERE HEAVY AT TERMONDE

**Terrible Havoc Done by Bombardment of That Belgian Town.**

London, Sept. 14.—The correspondent of The Chronicle at Ghent says that terrible havoc has been done at Termonde by the German bombardment.

Telegraphing from Ostend, a correspondent of Reuter's says the German casualties in the fighting around Ghent were estimated at 5,000 men. A number of German soldiers were drowned when the dykes around Termonde were cut, and several German guns were lost in the flood. Continuing, the correspondent says the Germans advanced Sunday in a northerly direction from Brussels, between Ghent and Antwerp.

All telegraphic and railroad communication between these towns is interrupted. Several hotels in Ostend have been closed for fear of the arrival of the German invaders.

An engagement occurred at Cordegem, south of Ghent. Belgian cyclists and gendarmes had a sharp engagement with the enemy which resulted in the Belgians retiring before a superior force. A Belgian major was killed.

The correspondent of The Express, wiring from Termonde, 16 miles from Ghent, said: "Termonde has fallen after six hours of fighting. The little force of 6,000 Belgians made a gallant defence, but the enemy was 20,000 strong and the Belgians were unable to reply effectively to the deadly fire of the German siege guns."

"The Germans began the attack between 2 and 3 o'clock in the morning and the rain of shells over the town was incessant until 9 o'clock. It was a hopeless task, attempting to hold earthworks against such odds, and one by one the slender defences were abandoned. The defenders were able to leave in good order without serious losses and went by way of Bersier and Overmeire in the direction of Ghent. "After entering the town, the Germans set it afire and through-

out the morning dense clouds of smoke overhung the town. Not three miles away the peasants, with strange and dull apathy, were still working in their gardens, sometimes turning to watch the smoke. Only the children seemed afraid and they ran and hid from the motor cars.

"I sighted German outposts from Termonde within three miles of Ghent and there are indications that they will almost immediately occupy Ghent. The people are greatly excited and many are preparing for flight."

The British official bureau repeats its statement that Britain has not laid any mines in the North Sea and cannot be charged with the injury caused by the present mine-laying.

## Leif Ericsson—The Discoverer of America

**THE FIRST WHITE MEN** to tread American soil were Leif Ericsson and his sea-dashed Viking crew. This was nearly a thousand years ago, when the Scandinavian peoples ruled the seas and held the secrets of navigation. The history of the fair-haired, liberty-loving sons and daughters of Sweden, Norway and Denmark is rich in song and story. We have millions of these splendid folk in our own land, and wherever the standard of Liberty and Human Progress has been raised they are found in the front rank, bravely fighting for the Right. Better citizens or greater lovers of Personal Liberty are unknown. For centuries our full-blooded Scandinavian brothers have been moderate users of Barley-Malt brews. Who can truthfully say it has injured them in any way? It is the ancient heritage of these peoples to revolt at Prohibitory Laws, and their vote is registered almost to a man against such legislation. For 57 years Scandinavians have been drinkers of the honestly-brewed beers of Anheuser-Busch. They have helped to make their great brand BUDWEISER exceed the sales of any other beer by millions of bottles. Seven thousand, five hundred men, all in all, are daily required to keep pace with the natural public demand for Budweiser. ANHEUSER-BUSCH • ST. LOUIS, U.S.A.

## WILL FIGHT A RETURN MATCH

The National Sporting Club has signed up Frank Barrieau and Romeo Hagen for a return contest on the first night of the fair. This contest will be for the welterweight championship of Canada as Frank Barrieau lays a legitimate claim to the title. The retired champion was Hilliard Lang, of Toronto, and he was matched with Barrieau to box at Vancouver last Victoria Day but the contest had to be cancelled on account of Lang wiring that he was unable to make weight and had gone into the middleweight class. So Frank Barrieau holds a legal claim. The conditions of the return bout between Barrieau and Hagen are twenty rounds straight Marquis of Queensbury rules, 146 pounds at 3 o'clock on the day of the contest the loser to get expenses and transportation and the winner to get the balance of the receipts. Under such conditions and after watching Saturday night's contest the public should feel satisfied the return encounter will be a great bout.

The National Sporting Club has picked this match in preference to Johnny O'Leary, lightweight champion of Canada, who has signed articles to box here for the National Sporting Club on fair week but two details in the articles stops the club from accepting. Two opponents were selected for him, Patsy Droulard, of Windsor, Ont., and Kid Sealer, of Edmonton, but one detail in the weight required by O'Leary stops Patsy Droulard, and the other detail, O'Leary now holding the championship, wants to box clean breaks, while Kid Sealer wants to box under the same rules as O'Leary won the title under. As no other opponent that would give O'Leary any kind of a fight is available to the club, the contest is off as the management of the N. S. C. will not stage an unequal match for a main contest.

On Saturday night of fair week, Ernie Barrieau has been matched to box Jack Swain, of Seattle, and Ernie will arrive here on September 21 to help his brother Frank, while Swain will work out with Hagen, so the sporting public of Rupert should have some interest for fair week. All the gymnasium apparatus for the club has arrived and the club will soon be open to members. The club's next dance will be held on September 17.
