San Francisco, Sept. 18.—Upon her departure for Seattle, the Admiral Line steamship Admiral Watson, bade farewell to the port of San Francisco for some time to come, if not for good. The vessel will enter the Seattle-Alaska service in place of the steamship Admiral Sampson. Several changes in the personnel of the Watson's officers have been made. Harry Duke, formerly chief steward of the Sampson, joined the Watson at this port and went out in her as chief steward. Thomas Keohoe, formerly purser of the Sampson, went out as freight clerk to fill a temporary vacancy. When the vessel steams from Seattle for Alaskan ports he will take his old post as purser, relieving Harry Ringwood, who will join the Admiral Schley.

Salvaging the Albert.

Attempts have been made the past week to pull the wrecked Prince Albert into deep water so it would appear that it is not going to be abandoned. An effort to salvage her. The salvor, of the B. C. HONORS FOR A YOUNG FRENCH HERO

Limoges, France, Sept. 18.—On a train loaded with wounded which passed here yesterday was a young French officer, Albert Palaphy, whose unusual bravery on the field of battle won for him the cross of the Legion of Honor. As a simple corporal of the 10th Dragoons at the beginning of the war, Palaphy took part in the recent violent combat with the Germans. In the thick of the battle, finding his colonel wounded and helpless, he rushed to his aid. Palaphy hoisted the injured man upon his shoulders and under a rain of machine gun bullets carried the colonel to the French lines. That same day Palaphy was promoted to be a sergeant. Shortly afterward, although wounded, he distinguished himself in another affair, leading a charge of his squadron against the Baden Guards, whose standard he himself captured.

POOR TELEGRAPH SERVICE.

Everybody has been yearning for the opening of the G. T. P. but next to that boon surely comes the need for a new telegraph service to the outside world. The service now available cannot be depended upon. It seems to have a habit of going out of commission when it is most needed. Yesterday the special service of The News was held up till nearly 6 p. m. and long after the last paper was issued. The same thing occurred today and nearly a thousand words which cost ten dollars is hung up. In the meantime we must pay the bill and get no benefit.

GERMANS HAVE ABANDONED LEIGE

(Special to The Daily News.)
London, Sept. 18.—A Rome dispatch says it is officially admitted in Berlin that the Germans have abandoned Leige.

AEROPLANES BEING USED BY THE BRITISH

(Special to The Daily News.)
Paris, Sept. 18.—It is reported here that Austria is about to call out the reservists of all classes.

HOSPITAL STABLE AND HORSES BURNED

Shortly after midnight on Thursday week, the implement shed adjoining the Hazelton hospital was discovered to be on fire, the flames spreading to the stable with great rapidity. Notwithstanding hard work by the staff and volunteers, the stable was burned, with two fine driving horses. The loss to the institution is serious. The cause of the fire is unknown.

Mr. and Mrs. Leroux, who lost a sum of money in the boat accident at Seal Cove, say they do not charge anyone in particular with taking the money, but would gladly pay a reward for its return. The sum lost was considerable.

PATRIOTIC CONCERT DREW BIG CROWD

Elaborate Program of Local Talent Assisted by Irish Fusiliers Give Lively Entertainment.

A concert of special interest and consisting entirely of local talent was given last night at the Westholme opera house in aid of the British Red Cross Association. Shortly after 8 o'clock Judge Young by arrangement took the chair and gave the opening address. He showed in a few well chosen words how Britain had become involved in the war, which he termed "a righteous war" as far as Britain was concerned. The Red Cross had been organized in 1908, and devoted its energies to such occasions as the present. Just now they needed \$150,000 and Canada was asked for \$50,000. This concert was in aid of that movement.

The chairmen then on behalf of the management thanked the theatre company for a concession in the price for the use of the theatre and for a free orchestra and to the local press for free advertising and printing. The program was as follows, and every part was well rendered and received with applause:

TORTURED BY CONSTIPATION

"Fruit-a-tives" Cured Paralyzed Bowels and Digestion

ST. BONPACH DE SHAWINIGAN, QUEBEC, Feb. 3rd. 1914.

"It is a pleasure to me to inform you that after suffering from Chronic Constipation for 2 1/2 years, I have been cured by 'Fruit-a-tives'. While I was a student at Berthier College, I became so ill I was forced to leave the college. Severe pains across the chest continually tortured me and I came to a point when I could not sleep down at all, and my Digestion became paralyzed. Some one advised me to take 'Fruit-a-tives' and at once I felt a great improvement. After I had taken four or five boxes, I realized I was completely cured and what made me glad, also, was that they were acting gently, causing no pain whatever to the bowels. All those who suffer with Chronic Constipation should follow my example and take 'Fruit-a-tives' for they are the medicine that cures".

BELLA COOLA AND DISTRICT NOTES

(From The Courier.)

The Camosun arrived in port about her usual time on Sunday last with a large quantity of freight besides a number of passengers.

Mr. Bert Rolston came up from Vancouver by the last steamer and will spend some time in the valley.

Mr. J. G. Millichamp, the general representative of John W. Peck & Co., Ltd., of Vancouver, has spent the last week in town on business with the local merchants.

Vincent Clayton was among the arrivals by the last steamer from the south.

Mr. G. White, who, with a number of other local prospectors, has been making an investigation of the gold claims at the head of Skowquiltz River, on Dean Channel, left for the south on Sunday, taking with him some splendid samples of gold concentrates and quartz. Mr. White and his associates are well pleased with the result of their investigations, and claim that it only requires sufficient capital to realize their highest expectations in regard to the richness of the ground.

Gohoe fishing in local waters is proceeding with varying success. While no exceptionally large individual catches are being made, the cannery is being kept busy. The pack this year is the record for many years, well over twenty thousand cases being already secured. The Celtic arriving last week brought some 5,000 more empty cans which will be utilized before the close of the season.

It is with deep regret that we report the death of Ole J. Gaarden, which occurred on Thursday morning at his home near Hagensborg. Mr. Gaarden, who was 73 years of age, was one of the original colonists who came to Bella Coola nearly twenty years ago, and was one of the most active members of the Augsburg Lutheran Church at Hagensborg.

Rev. T. C. Colwell returned to town on Tuesday from a visit to Firvale.

Among the outgoing passengers by the last southbound steamer was Lieut. P. J. Kenyon, of the Legion of Frontiersmen, who went to join the Vancouver command, which at present is marking time awaiting financial assistance in order to proceed to the seat of war. The frontiersmen are anxious to retain their identity and for that reason the members have not thrown in their lot with the other forces which have already left Vancouver. It will be a matter of deep regret if these men, who are of the highest type, many of them having seen active service, are prevented from carrying out the work for which the corps was originally organized through lack of funds.

Fishery Officer John Widsten left during the week for the Upper Valley, where he will make a thorough inspection of the river. Large log jams which will prevent the salmon from reaching the natural spawning grounds will have his special attention, and a full report on the same will be sent to the Fisheries Department at Ottawa. It is anticipated that the work of clearing away these log jams will be undertaken next spring.

The power cruiser Charles Todd, of the Indian Department, left port on Wednesday with Agent Fougner, who will make a tour of the northern portion of his district. A visit to Prince Rupert will doubtless be necessary to obtain fuel and the trip will probably occupy three weeks.

PRINCE GEORGE IS FREE FOR USE BY THE G. T. P.

Popular Boat Will Again Be On Northern Runs, Says Captain Nicholson.

Vancouver, Sept. 18.—Word that the government will permit the G. T. P. to use its liner Prince George again has been received with joy by the trade of Northern British Columbia and the Queen Charlotte Islands. The Prince George at the outbreak of war was requisitioned and made over by the government into a hospital ship. Much of the upper deck construction was changed and the ship was repainted.

Since the wreck of the Prince Albert, a smaller vessel which the G. T. P. was using in the Queen Charlotte Islands service, there has remained only the Prince John, a small, slow craft, to supply the demands of transportation for the Grand Trunk Pacific. Capt. C. H. Nicholson has been trying to get the boats released, and the announcement of his success has been received. The government still holds under requisition the Prince Rupert. It is thought this ship will be given back to the G. T. P.

With both of the German cruisers apparently out of the way, there remains no menace to the Pacific Coast shipping. The Canadian cruiser Rainbow, English and French and Japanese cruisers are keeping the ocean lanes free of the enemy, so it is not thought there is any more government uses to which the Grand Trunk boats may be put.

MODERN DIPLOMACY, OR HOW THE WAR STARTED

Said Austria: "You murderous Serb,
You the peace of all Europe disturb;
Get down on your knees
and apologize, please,
Or I'll kick you right off my front curb."

Said Serbia: "Don't venture too far,
Or I'll call in my uncle the Czar;
He won't see me licked,
Nor insulted nor kicked,
So you better leave things as they are."

Said the Kaiser: "Push in that Serb's face,
It will teach him to stay in his place;
I'm in the game, too,
If Russia says boo,
And right quickly we'll settle the case."

The Czar said: "My cousin, the Kaiser,
Was always a good advertiser;
He's determined to fight,
And insists he is right,
But soon he'll be older and wiser."

"For forty-four summers," said France,
"I have waited and watched for a chance
To wrest Alsace-Lorraine
From the Germans again,
And now is the time to advance."

Said Belgium: "When armies immense
Pour over my boundary fence,
I'll awake from my nap,
And put up a scrap
They'll remember a hundred years hence."

Said John Bull: "This 'ere Kaiser's a slob,
And 'is word isn't worth 'arf a bob;
If I lets Belgium suffer,
I'm a blank bloomin' duffer,
So 'ere goes for a crack at 'is nob."

Said Italy: "I think I'll stay out
Till I know what the fuss is about;
It's better I vow
To avoid all this now,
Till the issue is plain beyond doubt."

Said our good Uncle Samuel: "I swaow
I had better keep aout of this raow,
For with Mormons and Nigger's,
And Greasers, I figgers,
I have all I kin handle just noow."

Ottawa, Sept. 18.—Word has been received at the Department of Railways that at a meeting of employees of the I. C. This will mean an addition of from \$15.00 to \$25.00 to the fund.

 We Sell For Less
WHY?
 We Sell For Cash
 Since commencing business in May our sales have grown very rapidly until now we find it necessary to increase our warehouse room to double its capacity. We carry a complete line of groceries and provisions and can fill orders of almost any size. The secret of our success is that we buy and sell for cash only, thus enabling us to take our discount and sell for less. Make out a list of your requirements and let us figure on same. We guarantee perfect satisfaction and prompt delivery.
