GENERAL VON KLUCK IS AT THE MERCY OF ALLIES

VON KLUCK AT MERCY OF THE ALLIES IF THEY WISH

ALLIES ARE IN STRONG POSITION AND ALLOWING ENEMY TO WEAR THEMSELVES OUT—ALLIES ARE CLOSING IN AROUND THEM.

(Special to The Daily News.)
Allies at Tracy-le-Mont and Roye, the Germans have renewed their fierce attacks between that city and Arras. Their latest efforts have had no better results than the previous attempts. The French official bulletin admits a slight falling back of one detachment on the left, but at other points the Allies have made gains. The official announcement this afternoon says a violent German attack at Roye was repulsed by the Allies.

GERMANS MEET GREAT DEFEAT--THE RUSSIANS OVERWHELM THEM

RUSSIAN POLAND THE GERMANS ARE BADLY DEFEATED--20,000 KILLED AND WOUNDED AND 20,000 PRISONERS--MANY GUNS AND TRANSPORTS ARE LEFT IN QUAGMIRE.

(Special to The Daily News--10:30 A. M.)
to flee from Sulwaki and other towns, leaving behind a great quantity of transport material and guns. The troops threw away their rifles. Baggage and numerous cannon were abandoned in the quagmire. The Germans lost 30,000 men killed and wounded and 20,000 were taken prisoners.

AUSTRIAN RESERVISTS WERE ARRESTED AT VANCOUVER

ATTEMPTING TO ESCAPE TO SEATTLE HIDDEN AWAY IN A SCOW--WERE ON POINT OF SAILING WHEN THE POLICE GOT THEM.

ed it. Hatches had been cut in the scow deck and the interior fitted up with seats for the voyage. The Austrians were all below when the police arrived, and the hatches were battened down on them until the wharf was reached, where the military guard took charge of the prisoners. Only two offered any resistance and these were easily overpowered. All will probably be incarcerated in the military prison at Nanaimo.

300 ROYAL CANADIAN ENGINEERS BUILDING A PONTOON.

In order to transport the heavy artillery across the Jacques Cartier River from the camp to the artillery practice ground, a pontoon was thrown across the river for 350 feet. A record was made by the engineers, who did the ordinary day's work in three hours. The picture shows the men carrying the pontoon in sections, to be placed together in the water. KING OF ROUMANIA FEIGNS SICKNESS TO PREVENT AGITATION

(Special to The Daily News.)
Rome, Oct. 3.—A Sofia dispatch says that King Charles of Roumania is very ill and must remain quiet in order to save his life. The King's illness is regarded by those well informed as a ruse to end the popular agitation to have Roumania join forces against Germany.

HOLLAND WILL PREVENT IMPORTS TO GERMANY

(Special to The Daily News.)
London, Oct. 3.—Holland has given Great Britain assurance that she will prevent the import of foodstuffs through Holland to Germany. This is the chief port of entry at present for Germany's imports. With this shut the chances of Germany getting outside supplies are small.

MAIL SERVICE ON THE GEORGE TO BE RESUMED

A telegram was received by the Board of Trade this morning from the Controller of Railway Mail Service at Ottawa stating that the board's request for a resumption of mails on the Prince George, due here next Wednesday, had been accepted to. The controller also stated that an announcement would shortly be made regarding a service on the main line of the G. T. P. to eastern points.

ALLIES LEFT WING NEAR BELGIAN BORDER

(Special to The Daily News.)
Paris, Oct. 3.—The turning movement of the allied armies in Northern France has brought the extreme of their left wing within thirty miles of the Belgian frontier.

Baptist Church.
Children's service, 11 a. m., with music by children's choir. Sunday School, 2:30 p. m. Evening worship, 7:30 p. m.; subject, "Bad Weeds in Good Gardens." Baptist will follow the evening service.

EYE-WITNESS CONFIRMS SUCCESS OF THE ALLIES

(Special to The Daily News.)
London, Oct. 2.—(Friday, 6 p. m. Special.)—The correspondent of the Central News at Calais, who has returned from a tour near the Allies' left, says: "Without disclosing any military secrets, I can say that I have seen many things that remove any misgiving as to the outcome of the battle. The German right wing on Wednesday was such that the portion lying between Lassigny and Chaumes was in extreme danger."

GERMANS BUILDING 50 MORE SUBMARINES

Recent Submarine Successes Create Clamor for More of These Ships.

(Special to The Daily News--10:30 A. M.)
London, Oct. 3.—The German drydocks are working feverishly and 50 submarines are being built. It is reported that the submarine successes have made the German public clamorous for more ships of this kind.

RUSSIANS AT CRACOW--REAR ATTACK ON ENEMY

(Special to The Daily News--10:30 A. M.)
Petrograd, Oct. 3.—The Russian army that pursued General Dankl according to last reports was within eighteen miles of Cracow and by this time should be in contact with the Dankl force before Cracow. The Austrian armies are practically out of commission.

The remnants of General Aufenberg's army fled in wild disorder. A Russian advance into Hungary threatens the German-Austrian army from the rear and is likely to have a demoralizing effect on the population of the interior.

GERMANS ATTACKING--BELGIANS REPULSING WITH MUCH SUCCESS

(Special to The Daily News--10:30 A. M.)
Antwerp, Oct. 3.—The Germans continue the attacks on the forts. The approach to Koenigs-Hoyck, one of the new forts on the outer lane, has been repulsed.

A violent attack at Termonde was repulsed, the Belgians blowing out the bridge over the Scheldt.

The Belgians undertook a counter attack from Antwerp on Friday morning, which still continues.

BIG VALUE PER ACRE FROM LOCAL LAND

Some idea of what land will be worth in the surrounding country can be seen from the result of an experience of Kitsumkalam and Lakelse. Mangles in Kitsumkalam can be grown to the extent of ninety tons to the acre; sugar beets, fifty to sixty tons. Alfalfa, which people once thought could not be grown in this country, can be cut three times, amounting to seven and a half tons to the acre. Alfalfa is easily worth \$20 per ton, so that this makes a handsome profit. Clover grows seven tons to the acre, and timothy, six tons.

This north country seems to be able to turn out a particularly fine class of celery and it is well known that it requires very special land to do this and of course is very costly. A stalk of celery weighing about two pounds can be grown on about every two square feet. Celery is worth about eight cents a pound, so that the profit per acre is immense. Land of that kind is certainly going to be a winner.

NORTHERN B. C. FAIR CLOSED--CUPS AND PRIZES PRESENTED

SUCCESSFUL MUSICAL CONCERT EARLY IN THE EVENING--POPULAR DANCE AT THE CLOSE IS LARGELY ATTENDED.

The Northern B. C. Fair came to a successful closing last night. There was a pleasant musical concert early in the evening, after which the cups and prizes were presented by the new president, Mr. A. J. Prudhomme. The floor was then cleared and a jolly dance was indulged in by all present. The following is a list of the cups presented:
The Sherman Cup for the best fowl shown was won by W. W. Sherman.
The M. M. Stephens Trophy, won by Lakelse District twice in succession, for the best collection of grains, fruits and vegetables. This becomes the property of Lakelse now.

The Bullock-Webster Trophy, for potatoes, was won by J. T. Laird, of the Samuash River.
The Grey Cup was won by the Metlakatla band.
The Prudhomme Cup, for baseball, was won by the Catholic Club.
The W. Wark & Son Cup, for football, it was announced, will be played for later.
A special diploma was presented to John Brugi, of Terrace, for his water cross exhibit.

BEGINS TO LOOK LIKE VICTORY--VON KLUCK IS BADLY REPULSED

OFFICIAL AND UNOFFICIAL REPORTS CONFIRM THIS--GERMAN COMMISSARIAT IS BREAKING DOWN AND THE TROOPS ARE IN DANGER.

(Special to The Daily News.)
London, Oct. 2.—(Friday, 6 p. m. Special.)—Unless all signs are wrong the German armies in France, or at any rate most of them are nearing the completion of their round trip. That it is held here is the only conclusion to be drawn from the reports, both official and unofficial, of those on the scene of action. It is evident that the progress of the

Allies on the left is considerable, while the hole through which the Germans might have pierced the line of French fortresses on the Meuse River side has been stopped.

The German general, von Kluck, is said to have been beaten by the excessive number of the reinforcements poured in on him by the General Staff. His commissariat broke down and he is unable to care for his troops.

Frank Barrieau left for the south last night. Romeo Hagen is still in the city. Both declare the fighting game in this city unremunerative.

Don't forget the Sacred Concert so thoughtfully arranged by the "Bostonians" for Sunday night in The Westholme in aid of the Patriotic Fund.

Mr. R. Braun took first prize for the heaviest pumpkin, which weighed about fifty pounds. This was not the heaviest at the Fair, for there was another grown by J. K. Gordon which weighed seventy-seven pounds but it was not up for competition. The young plant was given to Mr. Gordon by Mr. Braun and placed alongside the Terrace Hotel.

The remains of the late L. J. Hoyt will be sent back east for interment. When found in the woods they were in first-class condition and are now being embalmed. Mrs. Hoyt will go east with the body and perhaps remain there. Mr. Hoyt owned considerable property here and carried insurance.

Monte Label and Eddie Murphy, of the fistie fighting contingent, went south last night, with Calgary as the final destination. Besides boxing here both boys have been employed by the city telephone department, and have made many friends, who regret their departure.

EDITORIAL

It would appear that there is some misunderstanding or some mistake in connection with the part the Indian bands have played in Prince Rupert celebrations. There are perhaps ten thousand Indians in the vicinity of Prince Rupert and with their musical abilities they are always welcome. Besides this, they are perhaps the best traders that come to town and from a business point of view their absence is a great loss. Without knowing the exact cause of the difficulty, it can be said that some solution of the trouble can surely be had if it is earnestly considered. The Association should take the matter up at once and see if some arrangement cannot be effected satisfactory to all.

It would appear that the Austrian government would even use the Church as a cloak for their vandalism. The following dispatch from Paris throws some light on their methods:

"Cardinal Mercier, Archbishop of Milnes, who had been attending the election of the Pope at Rome, having refused to obey the injunction of the Austria Ambassador, who asked him to deny the stories of atrocities committed by Germans in Belgium, was refused the safe conduct for which he had asked in order to effect his return to Belgium. Cardinal Mercier thereupon left for France."

The reception of the trouble makers from the Komogata Maru on their arrival in Bombay is interesting. That they were determined to carry out their threats is certain and on account of the war no doubt had hopes that they could win out. The authorities, on the other hand, were ready for them and had them quickly rounded up. It would appear also that the native police employed in their round-up did their duty. This will likely close not only this event but others of the kind. Hindu agitators have been taught a good lesson and nobody but themselves have been injured.

The weather man has been especially good to the Prince Rupert Fair. It is not letting out any secret that this time of the year often sees a few rainstorms. The weather throughout fair week, however, was all that could be desired.

PASSING EVENTS

Dominion Thanksgiving Day has been fixed for Monday, October 12.

Halifax City Council has decided to contribute \$25,000 to the Patriotic Fund.

The German Press, Vancouver, which was warned by the police commissioners for boasting of alleged German victories, has ceased publication.

Sir William MacKenzie, president of the Canadian Northern Railway, has announced that funds have been secured in London to carry on work on the railway to a speedy conclusion.

The judges of the superior court for the province of Quebec, headed by Sir Charles Peers Davidson, have made a donation of \$4,000 to the Canadian Patriotic Fund.

A proposal is on foot in Manitoba to make a gift of remounts to the British government following the example of Saskatchewan. This would be in addition to the gift of flour already accepted.

Orillia, Ontario, merchants have nearly all agreed to give 10 per cent of their cash receipts on Saturday, September 19, to the Patriotic Fund. The town council has started the fund with \$500. It is planned to raise at least \$8,000, or a dollar a head for the population.

The Patriotic Fund is being rapidly subscribed. Last week subscriptions to the amount of \$152,412 had been pledged in Winnipeg, \$96,000 of which were paid in cash. London, Ontario, inaugurated a campaign to raise \$100,000. The Royal Trust Co., Montreal, has set aside \$10,000 for the fund.

An enthusiastic meeting in the interests of the Canadian Patriotic Fund was held in St. Paul's Hall, Halifax, presided over by His Honor the Lieutenant Governor. Premier Murray, Archbishop McCarthy, Rev. Dr. Cutten, Dr. Allison, Rev. Can. Lloyd, Rev. Dr. Forest, Sir Frederick Borden and Mayor Bligh were the speakers. Mr. G. S. Campbell, the chairman of the fund, made a brief statement of the way in which the campaign was to be carried out. Already \$100,000 has been received from Halifax.

The Caronia, a Cunard liner of 9,687 tons which has been converted into an armed cruiser, arrived at the port of Halifax, on Monday, to coal. The Caronia was taken over by the Admiralty when the war broke out and has been converted into an efficient destroyer. Instead of the glossy black hull and white superstructure of the Cunard liner, the Caronia is painted gray with not a patch of white in her upper works, save for a thin band about her funnels. Fore and aft are mounted formidable guns, two 6-inch stern chasers projecting over her counter. The Caronia was believed to have been from England and flew a vice-admiral's ensign. Painted in large white letters across the lower bridge is the admonition—"Fear God and Honor the King."

"Fruit-a-lives" Keeps Young And Old In Splendid Health

J. W. HAMMOND Esq.
SCOTLAND, ONT., Aug. 25th, 1913
"Fruit-a-lives" are the only pill
manufactured, to my way of thinking,
by work completely, no gripping
ever, and one is plenty for any
sick person at a dose. My wife
suffered from Constipation. We tried
everything on the calendar without
relief, and spent large sums of
money until we happened on "Fruit-

my favor.
I have used them in the family for
two years and we would not use
anything else as long as we can get
"Fruit-a-lives".
The action is mild, and no distress
at all. I have recommended them to
other people, and our whole

DO NOT ANTICIPATE WORLD-WIDE DISASTER

American Financiers Believe That Allies Have Situation Well in Hand.

New York, Oct. 3.—Buying orders are reported in various quarters of the street as increasing. Investigation points to a sentiment that the Allies at least have conditions well in hand and that no world-wide financial ruin is to be expected. Conversations held with investors indicate that they entertained a great fear in this respect in contemplating the Prussian military. Winter wheat is reported going into the ground this season in place of cotton in anticipation of a great curtailment of the wheat crop the world over outside of America as a result of the war.

This condition is being referred to by bears on wheat above one dollar. The money situation is causing a great deal of complaint throughout the street. This complaint is being directed at the banks. Rumors are current that the government will probably take a hand in the situation in the near future.

It is declared in some quarters that the reopening of the exchanges would be hastened thereby. Western prosperity is becoming more in evidence than for some time. It is reported from Chicago that the outlook for winter wheat is very good as a result of the high prices for the grain crop. It is declared that Eastern manufacturing centers will soon begin to feel the effects of agricultural prosperity.

PRESIDENT FALCONER TALKS TO HOME GUARD

Eight Hundred Sharpshooters Parade Streets and Hear Speeches.

Toronto, Oct. 2.—The Home Guard Sharpshooters, nearly 800 strong, and accompanied by their own band of thirty pieces and the Boy Scout pipe band, paraded last night in battalion formation. After drilling, the guard marched up Bay Street and proceeded via Queen, Yonge and Shuter Streets to the Arena, which was opened to them on account of the rain. Here they were addressed by President Falconer, who spoke a few words of encouragement to them, emphasizing the necessity of the sacrifices everyone was called upon to make. General Otter, the colonel-in-chief, was on parade, as was also Professor Wrong and Mr. W. S. Dinnick. Five of the companies are now up to full strength.

Mr. and Mrs. Mallett and family left on the Venture last night for Victoria, where Mr. Mallett's mother is seriously ill.

Prince Rupert ladies can certainly make bread. The display was excellent. Some of the prize winners were Mrs. A. H. Allison, Mrs. J. A. Murray, Mrs. Wm. Deikel, Mrs. James Smith and Mrs. Hunter. Mrs. Lu Baka took first prize for preserved cherries.

Carry Your Patriotism Into Your Buying!

For ten years we have been talking practical patriotism—urging Canadians to buy the Canadian-made Gillette Safety Razor in preference to cheap German makeshifts.

The war has clinched our arguments.

So confident are we of the future of the only safety razor made throughout in Canada, that we are bringing out within a few weeks a New Model the

GILLETTE "BULLDOG"

It's British to the hilt, and looks the part. The price stands at \$5.00—no increase over the Standard Gillette Set. Watch for the Gillette "Bulldog" ["what we have we'll hold"] in the shop windows—you'll like it.

The war has not checked Gillette progress. Our factory is running full time, with complete staff. Thus we are doing our part toward maintaining Canada's prosperity. Do yours by buying, in preference, goods

THE BOSTONIANS SCORE ANOTHER HIT

Last night the Juvenile Bostonians gave a very fine performance of "The Show Girl," which went with a vim from start to finish. The music in this piece is rather tuneful on the whole and choruses and solos were splendidly rendered. While Thom Hellen impersonated Captain Arthur in a very refined manner, mention must be made of Dodie Canfield in the cast of Garrick Forest McCreedy both as regards acting and singing and one of her songs given to the tune of one of the "Pinafore" songs simply brought down the house. Halcyon Clarke as Maggie Webbington also had the audience with her right through. Altogether, the performance was a very creditable and enjoyable one, which deserved a better filled house, although there was quite an appreciable number present.

A NEW WEAPON.

Hints, more or less definite, have been given that France had in readiness a new engine of war, which would have been used against the Germans if they succeeded in reaching Paris. Recently stories have come from the battlefield to the effect that many German soldiers have been found standing dead in the trenches, as though victims of sudden paralysis. A London Associated Press dispatch now says that the French are using new guns, which discharge shells loaded with a material known as turpentine, which causes instantaneous and painless death to every person within reach of its fumes.

In connection with the Salvation Army Harvest Thanksgiving special services will be held tonight at 8 o'clock; Sunday at 11 a. m. and 3:30 and 7:30 p. m.; and on Monday there will be a sale of general goods, with a musical program by the children. Refreshments will be served. Admission free.

One of the latest additions to "automobile row" is a very handsome Ford landaulet, brought to the city by Bert Long last week. In effect it is a closed conveyance, with front and side curtains, but is so made that it can be changed into an open car with little difficulty.

DOMINION ELECTION? DUKE MAY REFUSE IT

Hon. Robert Rogers Said to Desire One—Borden Thought to Be Opposed.

Ottawa, Oct. 3.—Owing to certain activities in some quarters, the talk of the probability of an early general election has been revived. Hon. Robert Rogers and his immediate followers are credited with a desire to violate the political armistice which has been in force since the war broke out. However, Sir Robert Borden could not be induced to precipitate an election at such a time and also the Duke of Connaught would not at the present time consent to a dissolution of Parliament.

INDIAN BAND CONTEST DECISION

To the Editor of The News.
Sir,—The statement signed by Mr. A. H. Hoelscher, giving his reasons for deciding in favor of the Metlakatla band in yesterday's competition is to be greatly regretted as being unnecessarily harsh and to a certain extent unfair to our Indian friends. In the past the Indian bands were a feature of the Fair and a very attractive one.

Two years ago, during the Governor-General's visit, the Kitkatla band played "Semiramide" under the leadership of Professor Hunt quite as acceptably as 90 per cent of the average white bands who can play music of this grade at all, and to say that such music is past their comprehension is an unfair and untrue statement which should not go unchallenged.

If they did not come up to the mark in this selection this year it was due to a lack of preparation but certainly not to a want of understanding. There is much splendid talent in all of these bands and with a little intelligent, kindly coaching, and the necessary patience, they can be brought to a state of great proficiency, which easily includes such music as "Semiramide," "Light Cavalry," "Raymond," "Martha" and "Hungarian Lutschspiel," of which they have performed meritoriously in Prince Rupert in the past.

It is very much to their credit that they prefer music of this class to the wishy-washy rubbish usually played by mediocre white amateurs, and their ambition deserves every encouragement.

Prince Rupert's attitude in this matter will bear considerable amendment and it is to be hoped that a strong music committee will be appointed this year whose main endeavor will be to conciliate our Indian friends by fair treatment, a courteous attention to their real or supposed grievances, and by offering inducements at the next annual fair which will show that we appreciate their coming and the business they bring to Prince Rupert. Respectfully,
GEO. WERNER.

BANDMASTER REPLIES TO CONCERT JUDGE

To the Editor of The News.
Sir,—An article appeared in the issue of your paper of the 2nd inst., under the caption "Judge's Decision on Band Concert," and was signed by A. H. Hoelscher. As leader of the Kitkatla band, which Mr. Hoelscher has criticized so severely, I would be obliged if you would favor me with space for a reply.

So far as I am aware, Mr. Hoelscher was appointed solely as judge for the Indian band competition—he gave his decision in favor of the Metlakatla band and there presumably his duties ended. From the tone of the article referred to it would appear that he feels some explanation of that decision is necessary, or is he actuated by a desire to point out my deficiencies as a bandmaster?

Mr. Hoelscher, I would also point out, has decided that the "Semiramide Overture" is too difficult a piece for amateurs to attempt and from this it is only reasonable to infer that at the time of the competition he was not only judging the rendition of the music played, but was evidently biased, inasmuch as the music chosen was not in accord with his individual idea of what a band should attempt. This in itself will have a deterrent effect upon the native bands as they will realize, in future, that in entering Indian band contests in Prince Rupert that the simpler the music played the more likely they will win the prize; that is, if Mr. Hoelscher should again be the judge.

I understand that A. H. Hoelscher is forming a city band, which will presumably be an "amateur band," and if this is the case it will be deplorable that no music as "difficult" (?) as "Rienzi," "Faust," "William Tell," or "Pagliacci" will be attempted, but presumably their efforts will be confined to ragtime and music of this class under the able leadership of this self-appointed critic.

I would suggest that encouragement to our Indian bands would be of much greater assistance than criticism of the character afforded by the article in question.

As the inference as to my own inability is so strongly put, I would mention in self-justification that I have been in British bands under the leadership of such bandmasters as Dan Godfrey, E. C. Stretton of the Royal Artillery band and E. C. Green of the Royal Marine band.

Yours truly,
A. PESCOTT.
Prince Rupert, Oct. 3, 1914.

BABY SHOW WAS WELL ATTENDED

The Baby Show at the Fair was well patronized. It showed, too, that there are both large and beautiful babies in the district, which speaks well for the future of the race.

The first prize for the prettiest baby under 2 years was given to Mrs. Boyd Affleck, of Hazelton. The second prize went to Mrs. L. M. Fuller.

For the prettiest baby under 1 year, Mrs. Griegsby's little girl Nadine took first prize and also the prize given by the Peerless Studio for the prettiest baby at the Fair. Second prize went to Mrs. W. Lang.

For the heaviest baby under 2 years, the first prize went to Mrs. Boyd Affleck and second prize to Mrs. Erickson.

First prize for the heaviest baby under 1 year went to Mrs. John Conway, of Stewart. Mrs. W. H. Derry and Mrs. J. W. McKinley tied for second, and the third prize went to Mrs. Tinygus.
