TEN MILES OF TRENCHES TAKEN--TROOPS DISPLAY GREAT GALLANTRY AND DETERMINATION--SIR EDGAR SPEYER RESIGNS PRIVY COUNCILLORSHIP.

(Special to The Daily News.) London, May 18.—The first British army has gained further successes south of Richebourg. All the German trenches along the two-mile front which was broken yesterday have been taken. This morning several columns of Germans surrendered unconditionally. Our troops continue to fight

with great gallantry and determination. The exact number of prisoners taken cannot yet be estimated.

Speyer Resigns.
London, May 18.—Sir Edward Speyer has resigned his Privy Councillorship, and requests the revocation of his baronetcy, owing to charges of disloyalty being made against him.

NEW MONEY BYLAW PASSED THREE READINGS

A money bylaw, cancelling By-law No. 194 and giving authority for the issuance of treasury certificates amounting to \$283,237, was introduced by Alderman Edge and read three times.

Alderman Montgomery said he had every confidence in the Finance Committee, but that he stood strongly to this bringing the Council of new money by-laws which the Council had had opportunity of considering. There had been a surfeit of such laws which had been carried in the loose fashion during the past year.

The Acting Mayor objected to Alderman Montgomery's remarks as loose dealing. Alderman Montgomery retorted that his remarks were justified, and instanced the case of the Mayor's report of his trip to Montreal, when he had been unable to get them what he had got or what had paid for it.

The city solicitor explained that the passing of this bylaw was not being on the Council in any way, and it could be rescinded at the next meeting.

MAJESTIC THEATRE.

Every seat in The Majestic was occupied last night, and the large audience showed hearty appreciation of the efforts of Miss Reinhardt, Mr. Fletcher and Mr. Harvey. The picture part of the program was quite up to the usual high standard. "Dwellers in Glass Houses," a two-reel drama of intrigue and conspiracy, is the leading film. The "Fate of the Bachelor and the Back" provided the smiles, while the Stagecoach Driver and the " " provided the thrills.

LABOR QUESTION ON DIGBY SCHEME

At the City Council last night, Alderman Casey asked when the work on the Digby Island water scheme would start.

The Acting Mayor explained this was entirely in the hands of the government.

Alderman Maitland thought it might begin towards the end of May.

Alderman Casey asked whether men desiring work on the pipelaying would have to apply to the Conservative executive or Mr. Hull. He did not approve of employing men simply because they are citizens, but according to their responsibilities and needs. Politics should not enter into the matter at all.

Alderman Maitland stated that he believed the matter of hiring men would be in the hands of Mr. Hull, but he personally wanted citizens to get employment first.

Alderman Casey said if the matter were left with Mr. Hull, he would be satisfied.

LIMITED HOURS FOR CITY BARBER SHOPS

The city solicitor's report regarding the limiting of hours for barber shops was read at the Council last night.

Mr. Peters explained that, since making his first report on the question, he had received notice of an amended statute which brought barber shops under the Shops Act. Under this ruling, an application signed by three-fourths of the barbers in the city, is sufficient authority for the framing of a bylaw covering the hours of opening and closing.

On the motion of Alderman Montgomery, seconded by Alderman Kerr, the city solicitor was asked to notify the barbers to this effect, and to draw up a bylaw if they desired it.

BOARD OF TRADE MONTHLY LUNCHEON

At the monthly luncheon of the Board of Trade, on Saturday at 4 p. m. on the S.S. Prince George, Mr. A. C. Garde will lecture on "Mines and Minerals."

Mr. Garde is well qualified to handle this subject, as no man in the district is more intimately acquainted with the mineralogy of British Columbia than he is.

LIEUT. GEN. SIR A. PAGET, Who has been appointed to command the training centre at Salisbury.

COLONEL LORD BROOKE, Son of the Countess of Warwick, who will command the Ontario Infantry Brigade of the Second Canadian Contingent, according to the recent announcement of Major General Hughes.

NEW PORTUGUESE PRESIDENT SHOT

(Special to The Daily News.)

Lisbon, May 18.—Joa Chagas, the new President of Portugal, has been assassinated by Senator Freitas at the railway station. Freitas was killed by a soldier on the spot.

Fresh revolutionary disorders have broken out. The battleship Vasco de Gama, which is controlled by the rebels, is bombarding Lisbon.

ITALIAN SOCIALISTS DECLARE GENERAL STRIKE

(Special to The Daily News.)

Turin, Italy, May 18.—The Socialists have proclaimed a general strike as a protest against the war. The military authorities are adopting severe measures.

SMELTER COMMITTEE.

At the City Council last night, Alderman Casey made an able speech on the question of a smelter for Prince Rupert, and moved that a committee be appointed to co-operate with the Board of Trade committee in interviewing mining magnates generally and those at present inspecting ore bodies at Surf Inlet in particular.

Aldermen Edge and Kerr were appointed to this committee.

MAY 22nd.

The I. O. D. E. will make their collection for the Red Cross Fund on Saturday, May 22nd instead of May 24th.

(Special to The Daily News.)

Vancouver, May 18.—Jagat Singh, who is on trial for the murder of Rattan Singh, pleads that he was hired by Bela and Baboo Singh to murder Gurdit and Tara Singh. He believed that they had a promise of immunity from the officials of the immigration department.

SECOND CANADIAN DIVISION ARRIVES

Mrs. Demers will take no profit whatever, and will give the services of her staff free. Such a patriotic movement deserves the hearty support of everyone in the city.

ALLIES CAPTURE TERRAIN AND TAKE MANY PRISONERS

OVER 2,000 GERMAN DEAD COUNTED—MANY PRISONERS AND RIFLES TAKEN—FIERCE ARTILLERY EXCHANGES—FRENCH TAKE GERMAN AFRICAN POST.

(Special to The Daily News.)

Paris, May 18.—(Official)—A terrain west of the Yser was captured yesterday. We counted over 2,000 German dead, and captured many prisoners, and rifles.

We repulsed a counter night attack, which was preceded by an artillery bombardment and an assault by bomb-throwers. We

have consolidated the territory won south of the Yser.

Fierce artillery exchanges continue around Arras.

In Africa.

Paris, May 18.—A French column, under Colonel Meyer, has occupied the post of Esoka, in the German colony of Kamerun. The French losses were slight and those of the Germans heavy.

PRINCE RUPERT'S NEW BOATHOUSE

The proprietors of the Prince Rupert Boat House have just completed a fine house and landing stage at the west end of the government wharf. The new structure is a double-decker. On the lower deck there is ample room for the storing of boats, canoes, gasoline, etc., while the upper deck holds the office and trig little living rooms.

The new building has the finest landing stage on the waterfront, providing an absolutely safe and easy landing for all ladies or elderly people at any state of the tide. The boys live right there, so that a phone call for a boat at any hour of the day or night will be promptly attended to.

The enterprise of the proprietors shows their firm confidence in the future of Prince Rupert, and they deserve the hearty support of the public.

REBATE ON LOCAL IMPROVEMENT RATES

The city solicitor's reply to Alderman Casey's question regarding a rebate on local improvement taxes to residents on Conrad Street and Fourth Avenue was to the effect that this would be made when the arrears of taxes, amounting to \$10,000, had been paid off, which could not be before 1916.

Alderman Montgomery objected strongly to this method, and suggested that the rebate should be made on the final payment, and that delinquents should be forced to pay up.

The city solicitor said he would look up the act and report at the next meeting.

HORSEMAN SCARED OF ANTI-GERMAN FEELING

(Special to The Daily News.)

Louisville, Ky., May 18.—Owing to the hostile anti-German feeling in Canada, John W. Scherr, of Memphis, Tenn., will not send his string of thoroughbreds to Canada this season.

BOXING.

(Special to The Daily News.)

Victoria, May 18.—Cyclone Scott has called off his bout with McKay at Prince Rupert on May 24th.

OPENING OF NEW RECREATION GROUNDS

The new recreation grounds on Acropolis Hill were officially opened this afternoon at 1:30. A parade headed by the City Band and the Indian band of Metlakatla proceeded from the city to the grounds.

Acting Mayor Dybhavn delivered a short speech, declaring the park open. He then threw the first ball, signifying the opening of the baseball season, and games between a Prince Rupert team and the Metlakatla Indians, and the Colts and the Catholic Club were proceeded with.

ACCOUNTING DEMANDED REGARDING LOCAL ESTATE

There was a motion this morning before His Honor Judge Young, local judge of the Supreme Court, to compel F. R. Stewart, of Vancouver, assignee for the benefit of the creditors of the Christiansen-Brandt estate, to give a full and complete accounting to the creditors of the estate.

It was said that Mr. Stewart had now been assignee for over three years, and, although the assets were large, the creditors had never received any statement of the affairs of the estate.

His Honor directed that a complete statement be filed with the registrar of the court here before June 3.

This looks like a case that should have been handled by a northern assignee, as all the assets and a large proportion of the creditors are at Prince Rupert.

AMERICA AND GERMANY.

Firmly but calmly the government at Washington protests against Germany's mode of warfare, and holds that belligerent nation to strict accountability for violation of American rights and the wanton sacrifice of American lives. It is a temperate but meaningful note, clearly phrased and so expressive of the American sense of right that it must surely give pause to the warmad imperial government which, through countenancing wicked, insensate acts on the high seas, has grossly affronted this neutral nation, heedlessly alienated its good will and violently shocked the sensibilities of a friendly, peace-loving, honor-cherishing people.

America has behaved admirably from the inception of this appalling European cataclysm. It has behaved as any neutral should behave. The President's early injunction and appeals for a strict neutrality have been dutifully observed and patriotically answered by press and public generally. Exceptions here and there have served to make more strikingly manifest the splendid restraint of the country as a whole. This great republic has not contributed by word or deed to the distress of the harrassed, distraught, reason-lost nations engaged in devastating strife. It has not exulted in news of victory or defeat, but, awe-stricken, has looked on with sympathy and commiseration for the victims of it all, and given its prayers for a restoration of peace—an enduring peace that would make for a better and stronger civilization.

With pride in its German-American citizenship, this Republic has been, is today and would continue to be Germany's friend, as it is the friend of the nations with which Germany is at war. But, in the light of what has happened, Germany must disavow

those high-handed acts in the war zone, show ready disposition to make adequate reparation, and give acceptable guarantees that there will be no repetition of international law-breaking practices. It cannot do otherwise without complete rupture of relations already strained to breaking point and putting itself in the role of an outlaw.

That is the meaning of the Washington note addressed to the German government and the German people. It is no jingo utterance, no "mere scrap of paper," but the cool, calm declaration—the ultimatum, if you please—of this American nation, and in support of it there will be no faltering or division.

The imperial government, if it be wise, will not widen the breach, but seek to regain and hold the friendship of the United States by prompt disavowal of hostile acts and an honorable acquiescence in and compliance with these just demands.—Seattle P.-I.

CONDUCTOR HUGHES BAILED.

On Tuesday, George Hughes, G. T. P. conductor who in defence of his life accidentally shot an Austrian at Shelly a short time ago when a number of foreigners sought to beat their way east on a freight train, was admitted to bail this week by Judge Calder in the County Court. The trial of the case will depend on the date of the recovery of the injured man, who is in the hospital at Hazelton.—Fort George Herald.

Mrs. D. McLeod sent flowers to the Presbyterian Church last Sunday, it being Mothers' Sunday throughout the Dominion. Mr. and Mrs. A. M. Lowson, of Bear Creek, sent flowers to the Sunday School children.

On Sunday, May 9, a son was born to Mr. and Mrs. Peter Smith.

BELLA COOLA JOTTINGS

We are pleased to chronicle that Mr. John H. Lunos has again received the appointment of forest guard for this district.

The Grand View Hotel opened its doors yesterday for the accommodation of guests.

We regret to learn that one of our settlers, Mr. A. F. Gothard, who has been engaged at Namu, has met with a somewhat serious accident. He was at work with others placing a shaft in position overhead, and in holding it up to its proper place he strained himself so much that some rupture took place above the abdomen. He was sent to the hospital at Bella Bella and is in a fair way to recovery.

Mr. Joseph Grummett, our former blacksmith, who recently returned from Australia, New Zealand and other distant places, was on Sunday last stricken by paralysis and is now at the hospital.

Mr. Frank Johnson is improving nicely and hopes soon to be about with the aid of crutches. The bruise received on the other leg has really given him more pain than the broken bone. His neighbors, both of Firvale and The Crossings, have given very kindly assistance with his seeding.—Bella Coola Courier.

The recent rainstorms have been a great blessing to this part of the country from an agricultural standpoint, as well as putting out many of the fires, which had spread so rapidly and far as to cause considerable alarm.—Endako Star.

THE PORTABLE KITCHEN FOR SECOND CONTINGENT

Canon Rix appeared before the Council last night on behalf of the citizens' committee in charge of the welfare of the boys of the second contingent. He asked for information regarding the suggested portable kitchen with which this contingent was to be provided.

Alderman Edge explained that, in these strenuous times, the Finance Committee had not a dollar to spare.

It was decided that the city Finance Committee and the Citizens' Committee meet today to discuss the matter.

BRITISH FAIR PLAY?

Editor, The Daily News:
Sir,—Will you kindly allow me a small space in your paper in order to explain a few stories which are of great importance to myself. Most of the people here in Prince Rupert know I follow the musical profession, being a pianist and vocalist, having played here in theatres and also at a great many dances and, as far as I know, have always given the best of satisfaction. I have come to Prince Rupert, after having completed my musical studies and passing through high school, in order to follow my profession as pianist, waiting, of course, for some so-called steady job in music.

This position came along all right, but although being qualified and also a member of the Musicians' Union, I was not able to get this position at the Westholme Theatre on account of me being of German origin, as the manager of that institution claims.

Now, to give the public a clear understanding of my origin, I might say that my mother is American-born and my father a born Canadian; my grandfather, who is here in Prince Rupert, was born in New York of Russian-Polish parents, and my grandmother was also born in New York, from German parents; so that my German origin seems to be very problematical, except my name, of which I am not ashamed. I have played and sung here in all of our patriotic concerts, and even went to outside points to collect money for the Red Cross Society. Parties that were connected with these undertakings are fully aware of the assistance I have rendered, my German origin seemingly not standing in the way then.

I now leave this to the public to judge if this is British fair play to deprive an innocent girl of a livelihood. Thanking you in advance for space granted, I am, yours, a true Canadian-born,
ELSIE NAUMAN.

WHERE IS THE MAYOR?

Alderman Montgomery, at the City Council, asked for information regarding the whereabouts of the Mayor, and the nature of the business which kept him in the South at the city's expense.

The Acting Mayor had no information to give.

Alderman Montgomery suggested that, unless the business which kept the Mayor in the South was very urgent, he would be much better employed attending to his duties here.

NORWAY CELEBRATES INDEPENDENCE DAY

Yesterday was Norway's Independence Day, commemorating the severance of Norway from Denmark on May 17, 1814.

Local Norwegians celebrated the day quietly, being content to wear their national colors in memory of the great day. Fire-crackers and noise do not appeal to the temperament of these hardy sons of the North.

In the evening, a most delightful dance was held in McIntyre Hall. The hall was gaily decorated with Norwegian flags and every Norseman and his wife, or lady, friend, was there.

Follow The King

As head of the Church of England in British Columbia I earnestly appeal to all our Church members to follow the noble example set by our King.

Many are willing to do so but feel the need of something to make their decision definite. To such I would recommend the signing of the following pledge:

I promise, by God's help, to abstain from the use of intoxicating liquor as a beverage while the War lasts.
