DECISIVE ENGAGEMENT ON RUSSIAN FRONT

MINOR RUSSIAN SUCCESSES -- TURKS' DARING ATTEMPT TO REGAIN TRENCHES

DARING TURKISH ATTEMPT TO REGAIN LOST TRENCHES

TURKS LED BY GERMAN OFFICERS MAKE A DESPERATE ATTEMPT—ALL OFFICERS AND MAJORITY OF MEN KILLED—REMAINDER TAKEN PRISONERS—STEAMERS SUNK.

(Special to The Daily News.)

London, June 17.—A daring attempt made by Turkish troops, led by German officers, to recapture the lost trenches in the Dardanelles resulted in the killing of the officers and the majority of the men.

When the trenches were captured by the Dublin Fusiliers, with the bayonet, over 200 dead Turks were discovered who were the victims of an enflaming fire

by our machine guns. The remainder were taken prisoners.

More Steamers Sunk.

London, June 17.—The British steamer Stratstairn has been torpedoed and sunk in the English Channel. Eleven of her crew were landed. The captain and several of the crew drowned when one of the boats capsized. The steamer Trafford, of 234 tons, also has been torpedoed. The crew was saved.

WHERE GERMANS BURNED BRITISH WOUNDED—A church at Douliu, Belgium, which German soldiers filled with straw and set on fire after placing their own dead and the British wounded on the straw.

"THE CAUSELESS WAR" BY WILLIAM J. BRYAN

(Special to The Daily News.)

Washington, June 17.—The second installment of ex-Secretary of State Bryan's "The Causeless War" claims that military preparedness provokes instead of prevents war. The article says that it would have been difficult to keep the United States out of the war if they had been prepared.

ROBERT W. SERVICE IS AT THE FRONT

Ottawa, June 17.—Word has been received here that R. W. Service, the Yukon poet and novelist, author of "Songs of a Sourdough," is "doing his bit" at the front. Service left London about the end of May as a chauffeur in the Anglo-American Ambulance Corps, an organization under the auspices of the Red Cross, and among the members of this corps are many Harvard men. Several of them are multi-millionaires, and own half a dozen cars, but all are content to drive one for the cause of humanity. Service has been a resident of Paris since shortly after war commenced.

The following team will represent the Merchants in their game with the Sons of England tomorrow night. All players are requested to be on hand at 7 p. m.: H. Smart, goal; W. H. DECISIVE ENGAGEMENT ON THE ENTIRE RUSSIAN FRONT

MANY MINOR SUCCESSES—SHORTENED LINE HOLDS FIRM—NEW FRONT EXTENDS FOR 682 MILES—BRITISH OFFENSIVE CONTINUES TO ADVANCE.

(Special to The Daily News.)

London, June 17.—Reports of many minor successes by the Russians stimulate the belief that the shortened Russian line is now holding firm.

A decisive engagement is in progress along the entire Russian front, extending for 682 miles in Poland, Galicia and Bukowina.

Western Front.

London, June 17.—The British offensive continues to advance.

The French also claim advances and further captures of parts of the German labyrinth of fortifications.

Judge Gregory deferred judgment in the case against Frank McAllister, who is charged with stealing fishing gear. Accused claimed he committed the theft while under the influence of liquor.

VANCOUVER MAN PROMOTED ON FIELD

Earning his promotion by "valor in the field," E. H. Henry, a member of the 72d Seaforth serving in the 16th Battalion at the front, has received a commission as lieutenant. He left here as a private, received his corporal's stripes at Valcartier, became a platoon sergeant when the Canadian division went to France, and after the battle of Ypres was recommended for commissioned rank.

Lieutenant Henry is the son of Mr. and Mrs. R. G. Henry of Chemainus. He was formerly a draughtsman in the employ of the B. C. Electric Railway at Vancouver. When the 72d was formed he was one of the first to enroll. He volunteered for active service as soon as war was declared. He has a large acquaintance here and his friends will be glad to hear of his quick promotion.—The Province.

VANCOUVER TEACHERS SALARIES REDUCED

(Special to The Daily News.)

Vancouver, June 17.—The School Board, at a meeting last night, ordered a 10 per cent cut in all teachers' salaries, to be effective July 1. This makes a saving of \$28,000 for the remainder of the year.

GERMAN SUBMARINE IS CHEATED OF ITS PREY

London, June 17.—The Danish schooner Marie, which has arrived at Leith, Scotland, reports that last Thursday, while on the passage from Christiansund she was held up by a German submarine, forty miles off the Isle of May, Scotland. The crew of the schooner was ordered to their boats and the Germans boarded the Marie with the intention of setting fire to her, according to the story, but on the appearance of two British patrol boats the men returned to the submarine, which disappeared. A patrol boat towed the Marie to Leith.

HAD RESPIRATORS FOUR YEARS AGO

(Special to The Daily News.)

London, June 17.—The Morning Post said yesterday morning: "A letter, received in Loanhead, Midlothian, by friends of a corporal serving in the Canadian contingent, states that his company, on capturing one of the enemy's trenches, found eight reservoirs of poisonous gas marked 1914, and also respirators dated 1911.

"The discovery would seem to indicate that the plan of using poisonous gas was no new thing with the German army, as has been generally understood to be the case."

The first recorded case of extensive use by the Germans of gas was north of Ypres on April 23, when the French lines were driven back two or three miles after a cloud of gas was wafted into their trenches from the German front.

THE DIFFERENCE.

Germany had one great advantage at the outbreak of the war, in that she was ready. As a matter of fact, she had been awaiting the opportune moment for many years. Britain, France and Russia were all unprepared for land fighting on a huge scale, and seem only now to be getting really busy. In Britain, in particular, the great majority of the people never seem to have realized the gravity of the situation. The attitude seems to have been, that, "We pay men to do our fighting for us, and they will see that our comfort is not disturbed."

The raid on Scarborough, and the frequent air attacks did a good deal to dissipate this complacent view, but the Cabinet shuffle by Premier Asquith seems to have been more effective even than the raids. David Lloyd George, as Minister of Munitions, as it were, has done wonders in showing the people at large that fighting does not consist merely of sending men to the trenches. The fiery little Welshman has been able to impress upon the people the fact, that every tap of a hammer in a shipyard, and every turn to a gun in a factory, is something done for the Allies against the enemy of liberty. He has been equally successful in his warning to workmen that every shirker is helping Germany, and that every needless holiday taken is so much more time given to the enemy.

The one thing that we cannot help but admire in the Germans is their wonderful ability to organize. In spite of some reports, the Germans are far from starving, yet every meal is measured, the proportion of wheat to every loaf is carefully figured out. Down to the last button and the last shoelace, they know exactly how their supplies are going to pan out. In Britain, such a point of perfection in organization will never be attained, as it is di-

rectly counter to the national temperament. The Germans are naturally painstaking and careful of detail, and everything they do is planned and carried out with machine-like accuracy. From childhood, they are trained to do everything by rule. The German schoolboy does not play games, but works methodically at them, and the boy is "father of the man."

The difference between the British, or Canadian, and the German schoolboy is just the difference between the British, or Canadian, and German soldier. One great reason for the brilliant success of the Canadians at Langemarck, and St. Julien, was their magnificent disregard of the rules of war, as understood by the enemy. From the German standpoint, the Canadians were, on these occasions, in a hopeless position, and by all the rules of the game beaten, yet a mere handful of them charged a much superior force and chased them through the woods. The Germans must be beginning to realize that our boys are never in a hopeless position, and don't know anything about being beaten.

"CINDERELLA" AT THE WESTHOLME THEATRE

"Cinderella," with Mary Pickford in the title role, is shown in four magnificent reels at The Westholme. The staging of the piece is splendid, and the quick transformations are much more clearly depicted on the screen than is possible on the stage. Mary Pickford makes the daintiest Cinderella imaginable, while the parts of the ugly sisters are in capable hands.

"Bunny's Swell Affair" is aptly named. In this most laughable comedy, Bunny retrims a lady's hat with sponges, and a heavy shower brings disastrous results.

The Gazette includes some very pretty views of the little town of Gatun, in the Panama, as well as parts of the canal, and also shows movie operators in perilous positions on the top of an unfinished skyscraper. The theatre was packed last night, and the large audience showed hearty appreciation of the splendid program.

THANKS EXTENDED TO CHILDREN OF THE EMPIRE

The following letter has been received from Mrs. Plumtre, corresponding secretary of the Canadian Red Cross Society, Toronto:

Toronto, June 4, 1915.
Secretary, I. O. D. E.,
Prince Rupert, B. C.:

Dear Madam—Please express to the Children of the Empire the thanks of our society for the bandages and handkerchiefs forwarded by them for the use of our Canadian soldiers in the hospitals.

We are always particularly glad to receive such gifts from children, especially if they are carefully made according to instructions.

Please tell the children that at the Battle of Ypres, where all the Canadians were fighting, word came down from the front dressing hospitals to say that they were running short of bandages, and asking the Red Cross to send some more from their warehouse at Boulogne, in France, and within four hours all the bandages they needed were sent up to them, and saved the lives of some of the men who might have bled to death without them; so you see it is worth while helping, is it not?

TEA ON THE BATTLEFIELD.

Tea suddenly becomes one of the items of war material, and the price has gone up in the primary market about 30 per cent, with prospects of a real shortage and a still further advance in price. When warring armies start buying tea for rations on the field, with its attendant great waste, and the entire Russian people are suddenly deprived of vodka and turned to tea, then it can scarcely be surprising that such a fluctuation should occur in the price of tea.

CIVIL CASES BEFORE THE SUPREME COURT

On the conclusion of the Criminal Assizes here, Mr. Justice Gregory will proceed with the civil list that has been set down for hearing at this sitting of the Supreme Court. The list is not a long one. It consists of the following:

Williams & Manson vs. Beaton & Kuhes; Williams & Manson for the plaintiffs; J. A. Russell for the defendants.

George Young vs. Corley & Burgess; Williams & Manson for plaintiff; Patmore & Fulton for the defendants.

Samuel Harrison & Co., et al. vs. Port Edward Townsite Company; W. E. Fisher for the plaintiff; Patmore & Fulton for the defendants.

Isenberg vs. Isenberg; W. E. Fisher for the plaintiff.

HAZELTON WON BOTH BASEBALL GAMES

The Hazelton boys beat the local baseball team in both games yesterday. In the afternoon game the score was 11 to 8 and in the evening 2 to 0.

The local youngsters did well, but showed nervousness and a lack of experience. The Hazelton team is a real good one, but, with a little more practice, the Prince Rupert boys will probably be able to reverse the result before the season is over.

FOOTBALL NOTES.

The following are the draws made in the City Cup Competition:
First Round—Regiment vs. Sons of England; June 21.

Second Round—Merchants vs. Drydock; June 23; and Regiment or Sons of England vs. Callies on June 25.

All games are scheduled to commence at 7:30 p. m. prompt.

The present holders of the trophy are the Merchants and their game with the Drydock in the second round should be a good one.

On account of the Cup-ties, all league games for next week are postponed indefinitely.

The final game in the City Cup Competition will take place at Aeropolis Hill on the evening of July 4, at 6:30.

The Callies' team to meet the Merchants tomorrow night will take the field as follows: R. Dowther; S. D. Macdonald and A. L. Murray; D. Thomson, W. Murray and G. W. Abbott; H. M. Foote, W. C. B. Smith, W. E. Willicroft, G. MacIntosh and J. Hunter. Reserves, R. Davie and J. Kinnear.

AFRAID SHE WAS DYING

Suffered Terribly Until She Took "Fruit-a-tives"

ST. JEAN DE MATHIA, JAN. 27th, 1914.
 "After suffering for a long time with Dyspepsia, I have been cured by 'Fruit-a-tives'. I suffered so much that I would not dare eat for I was afraid of dying. Five years ago, I received samples of 'Fruit-a-tives'. I did not wish to try them for I had little confidence in them but, seeing my husband's anxiety, I decided to do so and at once I felt relief. Then I improved for three weeks and I kept improving until I was cured. While sick, I ate several pounds, but after taking 'Fruit-a-tives', I quickly regained what I had lost. Now I eat, sleep and am as well as a word, I am completely cured, thanks to 'Fruit-a-tives'."

Editor, The Daily News:
 Sir—We are surprised to notice in the columns of your newspaper, persistent criticism of the action of the Municipal Council in regard to our City Market.

As we understand the proposal, it is nothing more than that this institution should be operated wholly at the public charge. That item known in mercantile parlance as "overhead expenses" is to be entirely eliminated as a factor in the cost of produce to the consumer. Surely, Mr. Editor, this is an entirely desirable consummation.

The only exception which can fairly be taken to the proposition is that it does not go far enough. We would suggest that the field of operations be extended so as to comprise every variety of merchandise required for public use or consumption. A department store run along the lines indicated by the Council's resolution would be desirable beyond estimation. There should also, we think, be a free delivery in connection with the concern. The teams which lately the city has been endeavoring to dispose of could be used to advantage for this purpose, and the additional expense would be relatively small.

This matter of overhead expense alone, as we are credibly informed, adds anything from 10 to 20 per cent to the cost price of goods to the consumer. It is obvious, therefore, that under a complete development of this scheme, the cost of living in Prince Rupert would be reduced by almost a fourth.

Consider the inducement offered by such a circumstance to industries desiring to locate in this province. In fact, the thing is so meritorious on its face that we cannot conceive of any serious opposition being advanced against it. This enterprise is unquestionably an invaluable asset to the city and should be carried into instant execution. If not, our birth-right may be filched by an envious and unscrupulous rival municipality to the great loss and detriment of Prince Rupert.
 Yours truly,
 A NON-TAXPAYER.

RED CROSS SOCIETY THANKS DAUGHTERS OF THE EMPIRE

The following letter has been received from Mrs. Plumtree, corresponding secretary of the Canadian Red Cross Society, Toronto:
 Toronto, June 4, 1915.
 Secretary, I. O. D. E., Prince Rupert, B. C.:
 On receipt of your draft for \$1,466.89 I sent the following night letter: "The Canadian Red Cross Society tenders to your chapter their most sincere thanks for the splendid donation received today from your city of Prince Rupert, through the Royal Bank. Long casualty lists testify to the need of help for our wounded and sick men and there is no more acceptable form of help than money to purchase any supplies most needed at the moment. Warm thanks for all who contributed"; and trust that you have already received this message.
 I have this morning received the additional \$186 contributed

by Terrace, B. C. It is indeed a magnificent amount that you have forwarded to us, and we tender you our most grateful thanks. The money arrived at a most opportune time, for we had just received reports and cables from our commissioner in England advising of the enlarging of Cliveden hospital to 1,000 beds instead of 500, the purchase of two large lorries to distribute supplies in France to our Canadian hospitals there and the expenditures of \$6,000 for the purchase of underclothing for the wounded men; so that you can understand that such a gift as yours at this time is most acceptable.

The editorial waste basket has halted the career of many a promising genius.

MAJESTIC THEATRE HAS REAL GOOD SHOW

The management of the Majestic Theatre announces that "The Black Box" did not arrive for today's show, through some mixup on the part of the film exchange or express company.

A really excellent program has been procured, however, so that patrons will not be disappointed. "Fate and the Fugitive," a thrilling two-reel drama, will open the bill, followed by "Jack's Pals," a comedy drama, and "The Bouquet," a regular side-splitter.

Mr. Delasala has wired to Vancouver tracing "The Black Box," and will make an announcement regarding it later in the week.
