M'ALLISTER GETS SIX MONTHS IN JAIL

Yesterday afternoon, Mr. Justice Gregory sentenced the man McAllister, who pleaded guilty to stealing fishing gear, to six months in jail.

The judge in passing sentence, said that the offence was a serious one, as it deprived a man of his means of making a livelihood. The full penalty is 14 years' imprisonment, but, in view of the fact that McAllister had helped the police to recover the gear, he was let off with a six months' sentence.

PERCY GODENRATH TELLS HOW PRINCE RUPERT BOYS FARED

INTERESTING DESCRIPTION OF AN ATTACK BY THE 16TH BATTALION—RAIN OF SHRAPNEL AND HIGH EXPLOSIVES—BOYS STAYED WITH IT BRAVELY

H. F. McRae has just received the following letter from Percy Godenrath.

Medical Section of 16th Battalion, France, May 31, 1915. My Dear McRae:—The receipt of several bundles of the Daily News forcibly reminds me that I have been rather remiss in not writing to you for a long time. First, on behalf of the Prince Rupert boys, I want to express sincere thanks for the papers, which are eagerly read in the trenches, dug-outs, or in billets, and passed from man to man. No one knows just the feeling a home paper brings until one is far away, and especially on the battle-front in this gigantic war. The northern boys read with keen interest every line.

Long ere the receipt of this, folk at home will have been acquainted of the doings of the original Prince Rupert Light Infantry, and of their roll of honor.

On May 18th we had our first loss in the death of Jim Medcalf, who, with Pte. Reeves and Chas. Thorne, were struck by an explosive shell. Medcalf was hit in the head; Reeves severely injured in the leg; and Charley Thorne sustained severe bruises to his thigh. Thorne is expected back from the hospital any day. "All day on the 19th and 20th, we were subjected to a heavy shell fire, when many were hit, including Corporal Keitchel, but the enemy failed to drive us from cover. At 7:45 p. m., just as the sun was setting, orders came for an attack; to drive snipers from an old German communication trench, and to capture an orchard and farm house on our left. Companies No 1 and 2 advanced with fixed bayonets, and then pandemonium was let loose. It literally rained shrapnel and explosives, and machine guns, skilfully hidden, swept the advance, but the boys held on. After advancing and digging in again and again, the ammunition trench was occupied by the 16th, and, in conjunction with other regiments, the orchard was taken.

It was during this advance that our heavy casualties occurred. Major C. W. Peck was wounded, though, happily, only slightly, while poor Captain Don Moore was badly hit and carried off. Platoon Sergeant Milburn, from Fort George, was killed, as also Color Sergeant-Major Williams, and Platoon Sergeant Henry, from Cranbrook. Sergt. Hammond and Corporals Holmberg and Carr were wounded.

On the evening of the 22nd, we moved back to billets near Bethune. At roll call it was found that each company had lost heavily. On the 26th we returned to the trenches for a 48 hour spell, this time without a loss. At present we are in brigade reserve, camped in dug-outs around an old ruined farm house. The enemy's artillery caught us on the 29th, when a dozen casualties occurred, fortunately none fatally, but among the northern boys injured were: Ptes. Van Dyke, Ketchin, Middleton, Guiney, and Goodrich, who were sent to hospital.

Of myself, I am feeling perfectly fit, and, in view of a call for men to fill the medical section as stretcherbearers, and to give first aid to the wounded, volunteered with Ptes. Jack Frost and "Doc" Sutherland. The section is composed of 16 men, and had been seriously depleted by losses, so

monium was let loose. It literally rained shrapnel and explosives, and machine guns, skilfully hidden, swept the advance, but the boys held on. RUSSIANS CLAIM IMPORTANT VICTORY ON DNEISTER RIVER

MANY PRISONERS CAPTURED—FURTHER RUSSIAN SUCCESSES IN BUKOWINA—COSSACKS PURSUE FLEEING ENEMY—FRENCH DRIVE BEGUN IN ALSACE—NEW LOAN

(Special to The Daily News.)

London, June 23.—Despite the claim from Berlin that Lemberg has been taken, Petrograd makes slight mention of the operations. A report asserts that desperate attacks were repulsed and 800 prisoners taken at Rawa Ruska, thirty-two miles northwest of Lemberg.

Russians also claim an important victory on the Dneister, below Nijiff, the battle lasting since the 13th, 3,500 prisoners being captured. The Cossacks are in pursuit of the fleeing Austrians. A Russian success in Bukowina is also mentioned, when 1,000 pris-

oners and many guns were taken. Lemberg was held by the Russians for ten months.

Confirmation.

London, June 23.—Innsbruck despatches confirm the report of the big Russian victory on the Dneister.

French Drive.

London, June 23.—Reports from Paris state that a new French drive in Alsace has begun, the Germans being driven from their positions.

New War loan.

The public demand is keen for the new popular 4 1-2 per cent. war loan.

"A MILLION BID," AT THE MAJESTIC THEATRE

In "A Million Bid," the Majestic Theatre has secured one of the most remarkable five-reel features screened. Besides being full of exciting incidents, the story is unfolded in such a way as to hold every member of the audience in suspense right from the start. The wreck in mid-ocean is wonderfully realistic, showing the interior of the ship, with the water gradually creeping up until it gains the mastery. The piece is beautifully staged, and the acting of Anita Stewart and the other Vitagraph stars is superb.

"Two Women and one Hat," a farce comedy with a stormy millinery scene, concludes a program that should not be missed.

ACKNOWLEDGMENT

Mrs. G. A. Woodland, treasurer of the local branch of the Red Cross Society, acknowledges with thanks the receipt of \$9.50, proceeds from the sale of flowers on Saturday afternoon conducted by Gracie Carroll and Ina Christian, assisted by Jean and Rachel Dixon.

I reverted and became a private. You will probably know that Mrs. Godenrath has arrived in France and is a nursing sister in the Ontario ward at No. 2 Canadian Stationary Hospital, Le Touquet, and is already nursing some of the boys from the 16th.

Major Gibson, Bob Cameron, "Father" Baxter, Wilfrid Macdonald, Jack Macdonald, Harry Briggs, Jack Hutchinson, Jack Dowling, Batchelor, Jim Neville, and Jim Russell are all fit and well.

Good luck and best wishes, Sincerely, PERCY F. GODENRATH.

HOSPITAL BOARD TO MEET CITY COUNCIL

At the meeting of the hospital board last night the question of securing a resident surgeon was discussed. Many of the board were of the opinion that a resident surgeon, with power to conduct every department of the work, should be engaged. It was decided to call for applications for a doctor capable of taking charge of the hospital.

The finance committee presented a report covering the first five months of the year, showing that the board's estimates had been fairly accurate. After a full discussion it was decided that there should be further reductions in the staff.

It was also decided that the question of finances should be taken up with the city council.

PIONEER TELLS OF PEACE RIVER DEVELOPMENT
Mr. H. L. Propst, of Vanreana, Alberta, who has just made the first shipment of wheat out of the Peace River country to the Winnipeg market, is one of the pioneers of that great fertile district, which is now being linked up with the main line of the G. T. P. by the building of the Edmonton, Dunvegan and British Columbia Railway.

"When grain reached the price it was this winter," says Mr. Propst, "I saw where it was possible to haul the grain and just as soon as the steel was laid to end of grade I started my teams. Had we been two days later we would have lost the chance, as the snow was practically all gone by the time we reached the end of steel. In crossing the Peace River the gorge is some 700 feet deep, and it required seven teams to get the heaviest loads up the hill, which is one and a half miles long. It took seven days for the trip from Vanreana to Peace River Landing. The wheat will realize about 80 cents per bushel all clear, after expenses are paid. "For two years our nearest railroad station was Edmonton and all our supplies we were compelled to haul from that point, 500 miles distant, and it all had to be done in the winter. Now we have all the modern conveniences here, despite the long transportation by team of everything. The district is all connected by telephones belonging to a local company. There are several automobiles in the country, of which I own one. This country seems to be more adapted to grain growing than most other parts I have been in, as the crop is sure. I am confident that quality of wheat will get better with the development of the country. As it is now, settlers have not had the time to devote to their crop they should on account of long transportation by team and the home-stead improvement work to be done."

REGIMENT WINS IN CITY CUP COMPETITION

In the first round of the City Cup competition last night the Sons of England had to submit to defeat from the Regiment, before the largest gathering of spectators seen this year at a football game. The boys in khaki in this, as in their previous game with the Callies, had no grievance against fortune, in that in both games they played against ten men practically all through, and in both games the right half was the opposing player who crooked, and in both they won by the odd goal. Playing down hill the Sons' forwards were early prominent. Sid Hardy placing nicely in goal for Fred to head high over. Then followed some give and take play in which the soldiers showed their customary dash, but were inclined to be fluky in their kicking. The Sons' forwards showed vastly improved play on their last appearance, and a raid was only spoiled by a back fouling Hardy, within the penalty area. Garnett made no mistake in putting his team one up. Nettled by the reverse, the soldiers forced play to the other end. After some good combined play Benwick forced a corner off kelsey and the resultant kick was a beauty, which Brand did well to clear. Keeping up the pressure, Long scored from a rally in the goal mouth and soon after the Regiment should have assumed the lead from a perfectly placed corner, which crossed the goal untouched.

Play was exceedingly well divided, corners being obtained turn about, and a good shot by Slocomb, saved well by Youngman, was duplicated in an equally good drive by Long at the other end. Half time arrived with the score one all. The second half continued full of interest, though the soldiers' left wing was frequently put out of action by the one back play of the Englishmen. Youngman put over a good drive by Sid Hardy, and Brand did well to stop a long, low shot from the opposing centre half. Fred Hardy got laid out and while the Sons were playing with nine men Long scored from a long drive which the goalkeeper fumbled over the line. Both goals had narrow escapes, when the soldiers' inside left missed an easy one and a determined rally on the khaki stronghold was rather luckily cleared. The game ended in a score of 2 to 1 for the Regiment, although the Sons deserve credit for their plucky play.
