### Frisco Nominations Now Deadlocked

McAdoo was leading on the Thirtieth Ballot with occasional booms for Cox; Hisses when Hearst was proposed

SAN FRANCISCO, July 5.—When Massachusetts cast one vote for Hearst at the nominations Saturday morning the act was greeted with hisses.

On the ninth ballot McAdoo had 385 votes, Cox 321 and Palmer 257.

The twentieth ballot at that time was a deadlock with Governor Cox of Ohio considerably in the lead and McAdoo running second. The standing then was Cox, 456; McAdoo, 340; Palmer, 178; Owen, 41; Davis, 36; Glass, 26; Cummins, 16; Clarke, 2, and Gerard, 1. ### Knights of Columbus Have Enthusiastic Initiations

### Prince Rupert Council is established with Martin O'Reilly as Grand Knight—Great Banquet last night

On very few occasions in the history of Prince Rupert has a banquet board been attended with such enthusiasm as that which prevailed at the affair celebrating the establishment of the Prince Rupert Council, Knights of Columbus, held in the St. Andrew's Hall last night. The crowd sitting down to the delightful and bounteous repast must have numbered nearly 300 and included the visiting knights from the south and the "baby" knights of the Prince Rupert Council.

The earlier part of the day had been given over to the performance of initiations and the conferring of degrees and other matters connected with the establishment of a new chapter. In charge of the degree conferring team was J. D. O'Donnell, the state deputy for the province.

Mr. O'Donnell also had the general opening up of the branch in hand and nothing but praise was heard for the manner in which he conducted the important duties.

**List of Officers.**  
 The first officer list for the Prince Rupert Council, the newest one in British Columbia, is as follows: Grand Knight, Martin O'Reilly; Deputy Grand Knight, Fred Henning; Chancellor, E. A. Donohue; Treasurer, A. D. Gillis; Recording Secretary, J. J. Muldoon; Financial Secretary, F. W. Moersch; Lecturer, J. D. McAuley; Advocate, M. P. McCaffery; Trustees, J. S. Roberts, Thomas Trotter and M. J. McNeill; Warden, Mike Burke; Inside Guard, J. J. Gillis; Outside Guard, Jack Keefe; Chaplain, Father McGrath.

At the head of the banquet table last night was E. A. Donohue, B.A., LL.B., the newly elected chancellor, and an old member of the order. The spread was dainty and sumptuous and was served in excellent style by the ladies of the Catholic Church, whose ministrations in preparing the repast and attending to the serving was a feature in its success and enjoyment. From first to last it was a thorough delight. During the banquet, Gray's Orchestra played splendid instrumental numbers.

Mrs. F. W. Moersch headed the banquet committee and was largely responsible for its success.

**Felicitations.**  
 In opening the toast list, Mr. Donohue referred to the sheaf of telegrams that had been received by the Prince Rupert Council congratulating it on its establishment. Among these were messages from the following: (Continued on Page 5.)

### KNIGHTS OF COLUMBUS HAVE ENTHUSIASTIC INITIATIONS

(Continued From Page One.)

essages from J. E. Flaherty, the Supreme Grand Knight, and J. J. Laddie, the Supreme Director for Canada, Saskatoon. Wires were also read from the councils of Okanagan, relinquishing its baby title to Prince Rupert; Kamloops, Victoria, Alberta State, Maritime Provinces, Ontario's State and Quebec, Cranbrook, Roseland and Nelson. A message was also read from Hon. John Hart stating that he would visit here at the earliest opportunity.

The first toast proposed was that to His Holiness, the Pope, which was responded to by the singing of "Faith of Our Fathers" sung by the entire assembly. The toast to the King was similarly responded to by the singing of the National Anthem.

The address of welcome was delivered by Father McGrath who received quite an ovation on being called by the toastmaster. "He's a Jolly Good Fellow" was sung with gusto and three hearty cheers followed. The father stated that it was quite easy to bid such a crowd welcome and the duty was a pleasant one. He referred to the importance of the order of the Knights of Columbus, this importance being now recognized by the Pope who this summer will throw open the gates of the Vatican Gardens to a party of knights who will tour Europe.

#### Patriotic Aims.

The toast to Canada and the Empire was responded to by W. B. McDonald of Vancouver, who expressed his appreciation at being able to visit the city and assist in the ceremonies of the institution of the new council. "True Citizenship" was responded to by M. P. McCaffery, who stated that the order had as an object the making of better men, truer citizens. He said that this was the proudest night of his life, feeling as he did the 150 new Knights of Prince Rupert Council.

#### B. C. Head Speaks.

J. D. O'Connell, the state deputy for B. C., responded in a pleasing manner to the main toast, "Our Order." After telling of his pleasure at being in the city on such a mission, he stated that the body of men he had initiated that afternoon were as fine as he had ever seen. He told something of the history and aims of the order, featuring the excellent insurance plan that had been worked out. The order had been founded in 1882 by Father McGivney in the city of New Haven, Connecticut. In the short period of 38 years it had spread all over the United States and branched to Canada, Mexico, Newfoundland, Cuba, Porto Rica and the Philippine Islands. It had always been first in relief work and had done much during the recent war attending to the returning soldiers at the cities of Vancouver, Victoria and Revelstoke in this province. The membership of the order now comprised 750,000 men and there was a cash balance to its credit of \$10,000,000. The slogan of the order was service to church and state, each letter of the slogan standing for virtue, sacrifice, education, religion, vision, industry, character and economy.

The toast to "The Ladies" was answered by John P. Dougherty, who referred to the mother, whose guiding hand was largely responsible for the moulding of the child's future. Woman was man's companion, his equal and his helpmate in time of trouble. The Knights of Columbus should defend women's character at all costs.

D. W. Morrissey, speaking for the new members, dealt with the natural advantages of the North, describing Prince Rupert as being the heart of the province. He would never forget the principles that had been inculcated in joining the order.

#### Program and Dance.

Contributing to the vocal program were Gillis Couture, Jack Binning, J. S. Roberts and Harry G. Le Couteur, each of whom were thoroughly enjoyed and called back for encores.

After midnight a short dance was held, after which the visitors rushed for the steamer which, through the courtesy of G. A. McNicoll, general freight and passenger agent, had been held over for an hour. As the Prince George pulled out from No. 2 shed the decks were crowded with the enthusiastic visitors whose cheers rang out in response to those from the throngs on the wharf.

The personnel of teams will be much the same as that of the Dominion Day tussle.

### MOTORS ARE NOW ON VANCOUVER WHARF
