MEN OF NEWINGTON WALK OUT DEMANDING ASSURANCE OF MORE WAGES

Lighthouse Tender Crew Left Ship

Firemen and Deckhands of Newington walk out and vessel is lying at Digby Island in charge of Officers

The government light house tender Newington is lying at the wharf of the Marine Station at Digby Island tied up on account of the deckhands and firemen having walked out. The walkout was the result of demands that the crew have been making for some time on the Ottawa authorities for definite assurance of increase in wages which, so far, the government has not seen fit to grant. In the meantime the vessel remains tied up, manned only by her engine room and navigation officers who are standing by.

The Estevan is still in operation and at present is on a cruise to Lacey Island and other points doing repair work. W. L. Stamford, the inspector of buoys and lights, is aboard her on his regular duties of inspection. The Estevan will be back at Digby on Monday and on Wednesday will sail for the south, not returning here. On the way south she will call at Triangle Island to pick up the wrecking crew who have been dismantling the light house there. They are not yet finished but by the time the Estevan reaches there the crew will be ready to leave.

As regards the strike, the men of the Estevan have, as yet, said nothing. Their home port is in Victoria so they could not strike in the north in any case.

GOOD REPORT ABOUT ANYOX

H. S. Munro, New Superintendent, Very Optimistic—Turning Over Amusements to the People.

VANCOUVER, July 10.—Superintendent H. S. Munro of the Grandby Company is leaving here for Anyox on the Prince Rupert Monday night. Interviewed here he said: "The coke output at the northern plant is 600 tons per day and the smelter, 110,000 tons monthly. The prospects at Anyox are as bright as anywhere." Mr. Munro stated that the company was turning over the amusements to the people in August for "their greater happiness."

MRS. SWEENEY WINS
 VANCOUVER, July 10.—Mrs. Sweeney, of Vancouver, has won the Pacific Northwest ladies' gold championship, defeating Miss Phepoe. Egan is leading Wilhelm in the men's championship.

NEW BYLAW IS A DRASTIC ONE

Retailer of Beverages Must Advertise and Apply Police—Council Will Decide.

At the special meeting of the City Council last evening the by-law known as the "Retail of Beverages Licenses" was finally adopted and numbered 356 and will go into effect July 16th. Under the new conditions before any person can secure a license he or she must advertise in one of the local papers for two issues on forms specially provided by the chief of police or city clerk. Four days after the last insertion of the announcement the party may make application to the chief of police for the granting of a license. The final granting of the license will be determined by the City Council. Present retailers must apply not later than July 21.

On July 26 the council shall decide upon the applications sent in up to that time. As the bylaw goes into effect on the 16th this gives very little time and the present vendors of liquors made from hops or malt of not more than 2 1/2 per cent proof spirits can continue to sell without paying taken out a license but after the night of the 26th all licenses must have been taken out under the new bylaw.

There are two kinds of license under the new bylaw, one to be known as the "retailer of beverages" and the other as a "shop license." Under the former the beer may be bought and consumed on the premises and the fees for such license will be \$100 for six months. With the shop license beverages may be bought but cannot be consumed at the place of sale. In this latter case the license is not transferable, but in the case of the retailer of beverages license interests may be exchanged only once during the validity of that license.

No person who obtains a retailer's license will be able to employ any woman for the dispensing of the liquors. The council has the right to refuse a license to any person and no reason may be given. The clause providing that a woman shall not be granted a license, as originally intended, was struck out last night on reconsideration.

The retailer of beverages will not be allowed within 300 feet of any church, public school, high school, college, university or any other public educational institution. Neither will there be any sale of beverages between the hours of 12 o'clock on Saturday night and 6 o'clock on Monday morning. These new licenses will be in addition to any license that any merchant may carry at the present time. A new license must be taken out in order to permit of the selling of beverages.

CARD OF THANKS

Mr. A. B. Dalziel, of Cranbrook, B. C., desires to convey his sincere thanks to the many friends of his deceased son for their kind expressions of sympathy which he received in his bereavement.

Hamilton Douglas was among those leaving for the east on this morning's train. During the past few days Mr. Douglas has been looking after his business interests here but is now leaving on a visit to his home city, Montreal, which he has not visited for a number of years.

MANY SETTLERS WERE ASSISTED

Soldiers' Settlement Board Lends Seventy Millions, Aiding 17,872 Settlers

OTTAWA, July 9.—Up till the end of June the Soldiers' Settlement Board of Canada has passed seventy million dollars in loans for the assistance of settlers. The number who have received the benefits is placed at 17,872.

COAL MINERS MAY STRIKE

English Miners Threaten to Go Out unless Munition Shipping to Ireland Stopped

LONDON, July 9.—A miners' conference has threatened a widespread strike unless the shipping of munitions to suppress the Irish disturbances is discontinued.

The Union steamship Venture arrived in port this morning after a trip to the canneries. A considerable quantity of freight was taken on board here for distribution to points on the way south.

NURSE REPORTS ABOUT HOSPITAL

Says Military Institution at Guelph is Badly Equipped—She and Other Nursing Sisters Dismissed.

TORONTO, July 10.—Nursing Sister Mary Pollock, who was dismissed recently from Speedwell Military Hospital, Guelph, Ont., for refusal to serve in the diet kitchen, and whose dismissal resulted in 18 other nursing sisters in sympathy with Miss Pollock being also cashiered because they had also refused to work in the diet kitchen, in an interview with a representative of The Toronto Daily Star at her home in Chesley, Ont., said she had found the conditions so bad at Speedwell that she felt like resigning just after having gone there.

The rooms were not proper rooms for the tubercular patients, Miss Pollock said. There was no proper method of heating the small narrow cells for the purpose of bathing the patients. In the winter, she said, the ink in the nurses' pens would freeze before they could record the patients' temperatures, and the patients lay under 14 heavy army blankets. There was no justification for such management.

Dr. J. S. Spencer agreed in the city on the Venture this morning.

Company Delegate Is Not Yet Named

Longshoremen have not returned to Work--Vancouver Men are about to go out demanding same as Rupert

The longshoremen's strike situation remains unchanged today. No word has yet been received as to the action the Grand Trunk Pacific Steamship company is taking in connection with the appointment of a delegate to the conciliation board. Until the board is formed the local longshoremen will not return to work, according to a statement given out at their headquarters this morning. The appointment of W. E. Thompson to represent the longshoremen on the conciliation board is officially confirmed.

Superintendent Reginald Beaumont, of the Grand Trunk Pacific Coast Steamship Company, had received no information this afternoon as to the appointment of the company's delegate. It is understood that this appointment will be made from the Winnipeg office.

Vancouver Threatens.

Reports brought to the city of the Prince George this morning intimate that the Vancouver longshoremen have served notice that they will go out if not given the same rates as the Prince Rupert men are demanding.

MORATORIUM HAS EXPIRED

Act Protecting Holders of Oil Leases and Mining Rights Goes Out of Force Today.

VANCOUVER, July 10.—The moratorium dated October 28, 1914, protecting oil lease holders and also those holding mining rights while on service overseas, expires today according to a message received from Premier Meighen. The act was operative till "six months after the signing of peace."

PRESENTATION OF BILLIARD PRIZES

Robert Arthur, Jr., and R. Robertson Receive Awards for Knock-out Competition.

The presentation of the prizes to the winners in the knockout billiard tournament of the St. Andrew's Society was made last night at the general meeting. R. Arthur, Jr., was the winner of the first prize, a handsome watch presented by Joe Brown, while R. Robertson was presented with a stick pin as second prize winner. In addition to the officers mentioned in the officers' list Thomas McClymont and A. Finnie were chosen auditors and the House Committee named as R. Wiggins and J. N. Kelly.

KNIGHTS OF PYTHIAS AND PYTHIAN SISTERS

All members are requested to meet in the Castle Hall on Sunday afternoon at 2:30 to take part in Memorial Day services. Monday night at 8 p. m., the installation of officers will take place and all Knights and Pythian Sisters are asked to be present.

AERONAUTICAL FEDERATION IS NOW ORGANIZED

Representatives of Aero Clubs of Dominion of Canada Form New Association.

WINNIPEG, July 9.—The Aeronautical Federation of Canada was formed at the convention held here recently of representatives of clubs throughout the Dominion. This federation will comprise aero clubs throughout Canada and any club, association or organization which approves of the objects of the federation. The newly created body will hold its first annual convention in October at Camp Borden, and at this meeting all suggestions made at today's meeting will be submitted for ratification.

Considerable discussion arose as to the exclusion of civilians from membership, and it was ultimately resolved to admit to membership any body that approved of the objects of the federation.

The Dominion command will comprise the chairman of the air board, as honorary president, the patrons, His Excellency, the Governor-General and the Lieutenant Governor of each province and the vice-presidents of the aero clubs throughout the country. The executive committee of the Dominion command will consist of seven members; and this will be the governing body of the council, the members of which will be chosen at the October convention.

Nickel Novel Now Costs a Dollar.

In answer to the question, what has become of the nickel novel, somebody has remarked that today it is written by the "best authors" and sells for a dollar and a half. In which statement there is a good deal of truth, for the generation that grows up on Dead Eye Dick and his friends still loves to follow the heroes of E. Phillips Oppenheim, Louis Tracy or Rex Beach. The late Sir Richard Cartwright confessed that a school boy's thriller gave him more recreation than a best seller, and there is many another staid citizen who could confess the same liking in age for the reading matter of his youth.

Colonel Peck For Cabinet.

Three new members are to be appointed to the Dominion cabinet at Ottawa in the course of the next few days it is expected. It is generally accepted that one of these ministers will come from British Columbia and it seems that Prince Rupert's member, Colonel C. W. Peck, V. C., D. S. O., would be a natural and sensible choice. Colonel Peck has only attended two sessions at the House of Commons but during those two sessions he has become well known. It is doubtful if any other member of the Government party, outside of the cabinet ministers themselves, has become so prominent as Colonel Peck. He has a record that cannot be excelled by any other member of that party—a record that needs no further mention. There are three openings and this northern part of the province has sorely needed cabinet representation in these later years.

Practical Training in Agricultural Centres.

The importance of practical education in farming centres is fast being realized by pedagogical authorities. In certain Canadian high schools agricultural and household science courses are being established. In developments such as these lies the hope for the improvement of modern agriculture through the rank and file of the rural population, to whom the centralized college of agriculture is not available. The present day need is that it should be made easy for country boys and girls to secure an educational training of such a character as will fit them for country life and rural pursuits. Colleges of Agriculture and Veterinary Colleges have not, however, been overlooked; they also are given liberal assistance by the Government. Following the close of the war, the attendance at these institutions shows a marked and gratifying increase, and their influence in promoting the advancement of Canada's leading basic industry, agriculture, will continue to make itself felt.

CONSTIPATION AND HEADACHES

Completely Relieved by this Grand Fruit Medicine, "FRUIT-A-TIVES"

MR. ALFRED DUBOISSEAU

482 St. Catherine St. E., Montreal.
"For three years, I was a terrible sufferer from indigestion, constant headaches and constipation. I took various medicines for the trouble but nothing seemed to do me any good.

Then, a friend advised me to try 'Fruit-a-tives'. Now I am free of indigestion and headaches, the constipation is cured, and I have gained considerable weight; and my general health is fine.

'Fruit-a-tives' is a grand medicine and I cannot say enough in its favor."
ALFRED DUBOISSEAU.

'Fruit-a-tives' are made from fruit juices and valuable tonic—and are pleasant to take, their action being gentle and mild, yet always most effective.

HAD MEETING LAST NIGHT

St. Andrew's Society Hear Good Reports and Elect Officers for Next Six Months.

The semi-annual general meeting of the St. Andrew's Society was held in the club rooms last night and satisfactory reports were received from all the committees and officers, the report of the financial secretary being highly satisfactory and showing the funds of the society to be in a healthy state.

The following officers were elected: Honorary president, J. W. Stewart; honorary vice-president, Captain John McGregor, V. C.; president, S. D. Macdonald; first vice-president, W. M. Brown; second vice-president, W. G. Dennis; financial secretary, J. S. Irvine; recording secretary, H. M. Foote; executive, W. Murray, Jos. Brown, G. Daigarno, J. M. Campbell, J. Watson; Chaplain, Rev. Dr. H. B. Grant; solicitor, Alex. M. Manson, M.P.P.; physician, Dr. Neil M. McNeill.

BUILDING PERMITS ARE NOT SO HIGH

High Costs of Lumber and Building Material is Hindering Erection of Houses.

Building permits issued at the city hall during the month of June totalled \$11,655 in value, which is a decrease from last year when \$29,800 was the total for June. This decrease is due largely to the excessive costs of lumber it is claimed and authorities claim that if prices go down a building boom would immediately take place here. For the month of July there have, so far, been no permits granted.

The Man in the Moon SAYS:

THAT these are the days the school boys go fishing.

THAT, as ever, they bring back home the six inches and also the tales of those that fell back in.

THAT the little ones they caught themselves are sweeter than the biggest anyone else caught, anyway.

THAT beauty in a girl is only skin-deep and the same may be said about handsomeness in a man.

THAT some pretty girls and some handsome men haven't much depth.

THAT a bathing suit is an awful disillusionment to men as far as their opinion about certain girls' beauty is concerned.

THAT the bravest thing many girls could do would be to appear in bathing suits.

THAT there are, however, exceptions and there are lots of them at the Salt Lakes.

THAT some bathing suits are far more modest than some of those hallooed gowns we see in the winter but, of course, not in Prince Rupert.

THAT he saw a lady going down street the other day and he wondered again why they wear furs in such weather.

THAT they must wear something.

THAT furs are a primitive form of dress when he comes to think of it.

THAT next to leaves they were the second in chronological order.

THAT the man who makes the most noise talking makes the least noise thinking.

THAT some baseball fans must be very silent thinkers.

Miss Jean Willett of this city, Miss Margaret A. MacKenzie of Vancouver, Miss Georgie Hall of Saskatoon, and Miss Ellen A. Mercer of Victoria, have been appointed to the permanent staff of the city schools and will take up their duties on the opening of the fall term in September. These appointments were made at a meeting of the board of school trustees on Thursday night.

MEN WANTED To Handle Lumber

The undersigned Mill Operators on Masset Inlet, having found it impossible to ship lumber for the past month, owing to the failure of the Grand Trunk Pacific and the Edgshoremen's Union to agree on the wages to be paid, have offered the longshoremen the maximum of their demands from the Railway Company, that is Ninety Cents per hour plus fifteen per cent to provide for the higher cost of living said to obtain in Prince Rupert.

They have refused to accept our offer and in the meantime our mills and those who would be working in them are idle.

We now make the same offer to any who wish to handle lumber—longshoremen included—namely

\$1.03½ per Hour

Work will commence as soon as a sufficient number of men can be obtained to make a start. We have about four million feet to handle.

The Grand Trunk steamer did not arrive in port until 12:45 today. The cause of the delay was due to the large quantities of freight on board for Ocean Falls and Swanson Bay. Over 100 tons of freight are consigned for delivery in Prince Rupert. **tf**

FRESH FRUIT COMING AGAIN

Summer Season Shows Itself in Local Stores—Prices are Weakening.

During the past week there has been a marked increase in the amount of fruit coming into the stores of the local retailers. As it is the beginning of the season the price has been rather high but a drop is expected soon. Fresh strawberries will likely arrive in quantity from Terrace before the end of next week. Large orders have been placed with the ranchers as the demand is high on the local market alone.

All the old potatoes are practically off the display bins and are rapidly being replaced by new ones. Next week ought to mark a decrease in the price asked for these new potatoes as many car loads have been arriving in Vancouver.

This is the off season for shell fish and fresh rabbits and neither will arrive in quantities until about the first of September.

Following is the revised market list:—

An Important Announcement to the people of Prince Rupert

We have long realized the necessity of a good phonograph, which would play ALL records CORRECTLY.

We knew that, when such a phonograph could be designed and produced to play properly any record, that it would immediately be the people's choice.

That "Final Phonograph" has at last been produced and is being made in Canada.

NO LONGER need your selection of records be limited. The pleasure of hearing ALL ARTISTS may now be yours, through the possession of this ultimate phonograph made by the famous Brunswick-Balke-Collender Co., of 79 years experience in the wood-craftmanship

Among the many features that combine to raise the Brunswick above all other phonographs is the "ULTONA" reproducer which, by the mere turn of a hand is adapted to any make of record, and the ALL-WOOD SOUND CHAMFER—built like a violin.

We take pleasure in announcing to the people of Prince Rupert that we have secured the representation of this "All Phonographs in One" and invite everyone to call and hear the true, natural tone which this musical instrument possesses.

COME AND ENJOY AN EVENING WITH US AT OUR STORE—SAY—TONIGHT!

BIG YEAR FOR SALMON CATCH

J. T. C. Williams Returns With Growing Report After Trip of Inspection.

J. T. C. Williams, inspector of fisheries, returned to town yesterday morning from a visit of inspection to the southern portion of his district bringing with him great reports as to salmon fishing at all points visited.

The run of sockeye on Smiths Inlet, he says, is exceedingly good, salmon gill-net fishermen averaging 65 to the boat, prospects are excellent and climatic conditions are all that could be desired. The canners have packed greatly in excess of last year, about 130 boats operating.

The same remarks apply to Rivers Inlet, the average is about 35 to the boat, and about 180 boats operating. The sockeye run about 10 to the case, which shows how large the sockeye are. This is an excellent indication for a good run.

The same conditions also apply to Namu and Bella Bella, where the salmon gill-net fishermen are averaging about 45 to the boat. The purse and drag seines are doing very little, salmon are late arriving at the creeks, and on arrival proceed up to the spawning grounds.

The run of spring salmon at Bella Coola was most encouraging and gill-net fishermen have done exceedingly well financially. The run of sockeye at the Lowe Inlet creeks has been light and the drag and purse seines have not made any good catches. The run is late and until the last two or three days the climatic conditions have been unfavorable, but now reports of the run are improving.

On the Skeena River the run this year is reported as being better than has been the case for the last five years. On July 6, the run averaged 50 fish per boat, July 7, 65 per boat and on July 8, 40 per boat. Prospects continue to be good. The average pack of sockeye for each canner so far this year is 1,400 cases, which is better than last year, itself an exceptionally good year.

The above conditions are most encouraging and gratifying to all those interested in the salmon fisheries of this district, as it proves that careful protection and conservation and the enforcement of the fisheries regulations, with an efficient staff of officers, will preserve the industry for future generations.

GOOD SHOWS ON AT BOTH HOUSES

Canadian Scenery at the Westholms in Play of Love and Adventure.

Splendid bills were on at both the Westholms and Empress last night and will be repeated tonight. "The River's End" at the Westholms is a picture that is surprisingly realistic and some of the scenes in its production can be recognized by any who have lived in the prairie provinces. A beautiful story of love and adventure is portrayed and there are plenty of thrilling crises to keep one's interest at a high pitch. A splendid gazette is also shown and Mutt and Jeff have adventures in an animal show.

At the Empress, George Walsh has excellent opportunity to excel himself in "The Kid is Clever"—a show that readily dispels the blues.

Sport Briefs

At the Market Place last evening a number of the intermediate league players were down to see the junior match and were ready to take lessons from the enthusiastic way that the young boys got right into the business of scoring runs.

A different story might have been told following last evening's football game if Jack Judge hadn't been between the posts for the winners. He stopped many dangerous shots and returned them into play in a manner that surprised the fans who have noted his high class performances in other games. Even at that the English ten were able to push in three goals and more would have followed with a little more favorable circumstances.

Stone and Conlin played a nice combination game on the right of the forward line for the Trail boys last evening. Their easy passing of the ball showed an aptitude from many games' experience.

Ralph Smith played in bad form on Thursday night in the Chaffeurs vs. Tinkers game. This long time pitcher for the Colts always retains a careful eye on the possible plays in the baseball diamond but the other evening he was apparently out of his element at short stop. Several errors were chalked against him for dropping flies as well as for wild pegging to the first sack.

The Red Sox and the Sawmill teams meet on Monday evening in the first fixture of the second half of the intermediate league. Slats' boys with the red underpins forged ahead last Tuesday evening to even up honors with the Colts. Joe Abbott's sawdust followers are just as ready to grab a front row position and are apt to make the Red Sox suffer in consequence.

If all the players on the S. of E. team last evening had been as powerful goal aspirants as were Percy Tinker, Lambe and Farquhar the score keeper might have had his difficulties in keeping track of the soaring totals.

Many fishing parties have been organized for the week-end and a number of the followers of the hook and line were aboard the train this morning for points up the line where they will try their luck until train time tomorrow evening.

TINY TIMS GOT BEST OF GIANTS

League Leaders Scored Another Victory to Tune of 10-7.

The Tiny Tims and the Junior Giants played a regular Junior League fixture at Market Place last night and the Tims came out victorious by a score of 10 to 7. The balls and strikes umpire was Ralph Smith, while Douglas Fritzel presided on the base lines.

In the police court this morning before Magistrate McMorde John Furlong and Gus Stray were each fined \$10 for being drunk.

SECOND HALF INTERMEDIATE BALL LEAGUE

Will have Regular Games up to September 1—then Postponed Matches

Yesterday the committee for the arrangement of matches for the Intermediate League schedule met and arranged the following fixtures for the second half of the 1920 league. Regular playing will be carried on until September 1, after which postponed matches can be further drawn up.

- July 12. Sawmill vs. Red Sox.
- 16. Beavers vs. Colts.
- 21. Red Sox vs. Beavers.
- 26. Colts vs. Sawmill.
- 30. Red Sox vs. Colts.
- Aug. 4. Sawmill vs. Beavers.
- 9. Red Sox vs. Sawmill.
- 13. Colts vs. Beavers.
- 18. Beavers vs. Red Sox.
- 23. Sawmill vs. Colts.
- 27. Colts vs. Red Sox.
- Sept. 1. Beavers vs. Sawmill.

The matches in the first round of the league have been watched with considerable interest and the standing of the four teams shows how closely the games have been distributed.

LOCAL FIRM'S FREIGHT IS NOT ACCEPTED

Shipping Co. Refuse to Accept Freight unless Consignees will Unload at This End

How the strike of the longshoremen is affecting some of the local merchants is shown by the following telegram received by the Rupert Table Supply yesterday. The telegram reads:

"Owing to strike conditions at Prince Rupert, the G.T.P. Company and Canadian National Express absolutely refused to accept any goods consigned to you. They claim they are thus instructed owing to you not handling at your end. We offered to prepay freight both ways in case you did not handle this shipment, but they still refused. They accepted freight for other Prince Rupert firms. What is reason? Wire by return what arrangements you can make. (Signed) Almonds Limited."

ANCHORAGE PIONEERS STRIKE GOLD IN THE PORTLAND CANAL ZONE

HYDER, July 10.—A number of Anchorage men, who stampered last year to the Portland Canal section, have joined in locating a group of lode claims on Texas Creek, a tributary of the Salmon river, on the American side. Assays from the quartz found on the surface give values as high as \$48 per ton and sinking is now going on.

Among the locators are Capt. Max Nelson, Billie Nevell, George Foy, P. E. Wrose, Thomas Harrington and Blondy Charlton. The knowledge of the prospects was gained from an Indian packer who is also located on the group.

ARE COMMENCING ON BI-WEEKLY SCHEDULE

Inaugurating the new bi-weekly run to Anyox and Stewart, the Prince John leaves tonight for Anyox at 8 o'clock, returning here sometime tomorrow night. On Wednesday at 2 in the afternoon the same vessel will leave for Stewart.

The Prince Albert is scheduled to leave here at 1 o'clock next Wednesday afternoon for the northern end of the Queen Charlotte Islands.

Ex-Alderman Dr. A. A. McIntyre, who was a member of Prince Rupert's first city council, is a visitor in the city, having arrived from his home, Glendale, Calif., this morning. Dr. McIntyre is being heartily greeted by his many old friends in the city.

TRAIL SOCCER PLAYERS WON

Forced Pace in Last Night's Game and Kept Sons of England Playing Hard.

Still going strong the Trail Club brought the S. of E. football team into camp by the score of 7 to 3 at the football game last evening on the Acropolis Hill grounds. In spite of the foggy evening the game was watched by a large crowd of spectators who very readily showed by their encouraging words just what side they favored. The high keepr is indicative of the fine style of football for both teams played hard and checked up well. The goalies were kept busy, however, and Jack Judge couldn't afford to let himself tire of knocking the shots away from the dangerous zone. Frank Davies was in a similar position, but the excellent defence of the whole English team couldn't keep out those pressing Trail forwards.

At the end of the first half the score stood 5 to 2 in favor of the Sons. The ball was constantly kept in play which made a very spectacular match apart from the hard work demanded of the players by the hard pace that was maintained throughout. The game was characterized by remarkably clean playing with both teams very keen and keyed up to the occasion.

Sid Thompson was referee and he had little difficulty in keeping the game well in hand, with A. Clapperton and W. Warrior on the side lines.

The Sons went into last night's tilt with only ten men and had to maintain this number throughout the game as no other players were available. Little was said against this disadvantage, however, and the ten men on the job certainly put up lots of spirit. They were as follows: Frank Davies; Darton and Wearmouth; Tabrum, Crisp and Quayle; Bentley, Tinker, Lambie and Farquhar. Trail Club—Judge; Day and Menzie; Anderson, Craggs and Johnson; Conlin, Stone, Cummings, Hardy, Brown.

Among the arrivals from the south on the Princess Beatrice this morning were Mr. and Mrs. J. L. Shepherd of Anyox. Mr. Shepherd passed through this city about a month ago on his way to Brandon where he married Miss Reiser. The newly married couple will make their home in Anyox and will go north on the Prince John tonight.

WATER NOTICE

(USE AND STORAGE)

TAKE NOTICE that Taylor Mining Company Limited, whose address is 407 Foucher Building, Vancouver, B. C., will apply for a license to take and use 50 cubic feet per second and to store 2,500 acre feet of water out of Clearwater Creek, a tributary of the Kizault River, which flows westerly and drains into the Kizault River about 23 miles north of Alice Arm, in the Province of British Columbia.

The storage-dam will be located at the outlet of Clearwater Lake. The capacity of the reservoir to be created is about 2,500 acre feet, and it will flood about 200 acres of land. The water will be diverted from the stream at a point about the outlet of Clearwater Lake, the exact position of which will be determined after survey, and will be used for power purposes upon the territory described as an area of 50 miles radius from the Wolf Group of Mineral Claims near the Kizault River.

This notice was posted on the ground on the 29th day of June, 1920.

A copy of this notice and an application pursuant thereto for the "Water Act, 1914," will be filed at the office of the Water Recorder at Prince Rupert in the Province of British Columbia, within thirty days after the first appearance of this notice in a local newspaper.

The territory over which the power will be distributed is an area of 50 miles radius from the Wolf-Group of Mineral Claims near the Kizault River.

The petition for the approval of the undertaking will be filed in the office of the Comptroller of Water Rights and with the Water Recorder at Prince Rupert aforesaid, and will be heard in the office of the Board of Investigation at a date to be fixed by the Comptroller of Water Rights, and any person interested may file an objection thereto in the office of the Comptroller of Water Rights or of the Water Recorder at Prince Rupert aforesaid.

TAYLOR MINING COMPANY LIMITED, By C. B. North, agent.

The date of the first publication of this notice is the 7th day of July, 1920.

OLD TIME REMEDIES ARE DEPENDABLE

No remedy for human disease is attracting more attention than Wonder Health Restorer, the herbal preparation of one of the world's greatest herbalists. No sufferer from disease should overlook this remedy, no matter what the stage of the disease may be. It is a preparation which differs in ingredients in method of treatment, from the ordinary remedies, either sold by druggists or prescribed by physicians.

Wonder Health Restorer contains nothing but herbs—not a trace of alcohol or drugs such as are often depended upon for temporary effects. The preparation also differs from others in that the benefit it gives is permanent. The wonderful medicinal properties of the herbs feed the blood and through this avenue reach every organ and part of the body.

Ask your druggist for a copy of "The Road to Health." It tells all about this wonderful remedy and gives many testimonials from persons afflicted with Acidity, Rheumatism, stomach troubles, Kidney complaints, Nervous diseases, Skin affections, Piles, etc., and who have found Wonder Health Restorer gave them such relief that they unhesitatingly recommend its use.

Wonder Health Restorer is on sale in Prince Rupert by the Prince Rupert Drug Co.

Ask about it, get a copy of the booklet. Don't be afraid of it, as it contains nothing that would injure a new-born baby. On the other hand, it has worked marvellous benefits in thousands of cases, many of whom took it after they had tried many forms of treatment without results.

DAMAGE SUIT FILED RESULT JUNEAU SLIDE

Alaska Juneau Mining Co. Sued on Grounds that it was Responsible.

JUNEAU, July 10.—As a result of a slide which tore down Mount Roberts, back of the city of Juneau last fall, damage suits against the Alaska Juneau Mining company will be heard at Juneau. The total amount asked is \$35,290. John Rustgard is the attorney for the plaintiffs.

The plaintiffs claim the slide was due to an overflow of water from a flume owned by the defendant company.

Amanda Ratti, niece and executrix of the estate of Lowrie Maki who was killed by the slide, is asking \$10,000 for the death of her uncle, claiming that he was the sole support of a widowed mother. She also asks \$175 for personal property belonging to him which she claims was lost in the slide.

Mrs. Mary Koski, wife of Peter Koski, who died eight days after the slide from injuries received, is asking \$10,000 for the loss of her husband and \$8,000 for the loss of her house and personal property. The house was wrecked and carried down the hillside.

John Larson, owner of what was known as the Larson House, is suing for \$3,800 for the loss of his house and for \$3,020 for the loss of personal property contained in the house.
