TODAY IS SECOND ANNIVERSARY OF ARMISTICE

VANCOUVER TO CHOOSE SIX MEMBERS OF LEGISLATURE FROM 29 CANDIDATES

EDITORIAL

ARMISTICE DAY

This is Armistice Day, the day which saw the close of the Great War in which so many of our finest men gave their lives. It is the day that brought great rejoicing to millions of people and saw the complete defeat of the German nation.

It is useless to moralize over the great event, but it is perhaps well to remember that the great fight was to prevent a great injustice and to insure the gradual working out of democratic government throughout the world.

In the war doubtless there were wrongs and mistakes, but these it was difficult to avoid. What are we doing to foster the ideals for which our brave men fought? It is a subject that is worthy of our best attention.

BONDING CO. OFFICIAL IS IN THE CITY

M. C. Wright, Vice-President of London Guarantee, Came in Last Night.

M. C. Wright, assistant general manager for Canada of the London Guarantee and Accident Co., Ltd., is in the city. His company is the one that has put up the bond for the Prince Rupert Drydock and Engineering Co., and it is in connection with the alleged default of the contracting company and to decide what course to take, that he is here.

Mr. Wright has with him H. J. F. Turney, of the Wallace shipyards, who is acting in an advisory capacity. The result of the investigation will be forwarded at once to the head office of the bonding concern and will have to be considered before any action is decided upon by them.

Mr. Wright happened to be on the coast and his head office telegraphed him to come here and look things over.

ROBBER CHATS WITH WOMAN WHILE PAL STEALS SUGAR SACK

WINNIPEG, Nov. 11.—Two men in the guise of junk dealers entered a house at 185 Chestnut Street, and while engaged the lady of the house in conversation at the kitchen door, the other walked off with a sack of sugar which was standing in a corner of the porch.

"Anything to sell?" he queried. "No," she said. "Any gentlemen's suits you don't want?" he asked ingratiatingly. "No, we are wearing our own old clothes this year. Any bottles?" "No, we are dry here." "Any old boots, rubbers, iron, hats?" "No; we have absolutely nothing for you." And she shut the door.

Looking out of the kitchen window, she then saw him join a man in the lane who was carrying a brown sack under his arm.

"Some people must have more rubbish collected than I have," she thought. Half an hour later, when she went to get sugar from her 50 lb. sack, it was gone.

George Sellars received by the last mail from the east a letter containing a check from the War Department at Ottawa for an overcharge of \$2.62 while he was in active service in 1916.

World Rejoices but also Sorrows Today

Thanksgiving for Victory and Peace tinged with tears for fallen heroes; ceremonies the world over

This morning at 11 minutes past eleven, the world observed the second anniversary of the armistice which closed the hostilities in the Great War. There is thanksgiving for peace but there is also sorrow for the heroes who will never return.

In Prince Rupert the fire bell tolled out at the appointed time and many businesses observed the two minute silence in reverence to the heroes who fell in the course of the four and a half years' struggle for world civilization.

The flag posts over the City Hall and the Government Buildings observed the proper formalities of lowering to the half mast, raising to the top again.

All flags are up from sunrise to sunset.

Tonight the Great War Veterans' Association celebrates the day with a big smoker in their rooms on Third Avenue.

Vancouver Observes

VANCOUVER, Nov. 11.—The second anniversary of Armistice Day, when the Germans humbly knelt before the Allied conquerors and the Canadians entered Mons, was commemorated here when all industries and locomotion stopped for two minutes in remembrance of the fallen. The crowds of shoppers stopped and the trains and street cars pulled up. Clerks and customers in the department stores delayed business and the returned soldiers parading in a body came sharply to attention when the signal was given by the boom of the Brocton Point gun and the ringing of church bells. From the longshoremen on the ships to the judges in the court rooms the silence was observed.

Historic Ceremony.

LONDON, Nov. 11.—A solemnity unequalled at any of Britain's historic functions prevailed at Westminster Abby today when an unidentified British warrior from France was interred with field marshal's honor. He may be English, Irish, Scotch, Canadian, Australian or Welsh. Which is unknown only that he is a British soldier and fell while fighting.

The King was present followed by military and naval leaders and the statesmen from Whitehall. An immense crowd was present when His Majesty unveiled the cenotaph in memory of the fallen. There were one hundred Victoria

PROMPT AID IS SENT FOR EX-SOLDIERS

Colonel McMordie, who is a member of the Returned Soldiers' Commission, which has been handling a Government fund of \$250,000 to help returned men, last evening wired the minister of finance, who is chairman of the commission, asking him to help cash pay checks for returned soldiers from the fund. Mr. Pattullo also wired at the same time backing up the request.

Today, soon after noon, the following reply was received here by the minister of lands: "Your wire received. Have instructed department to wire \$5,000 to Col. McMordie to cash pay checks of returned men."

WHIST LEAGUE HAD GAMES LAST NIGHT

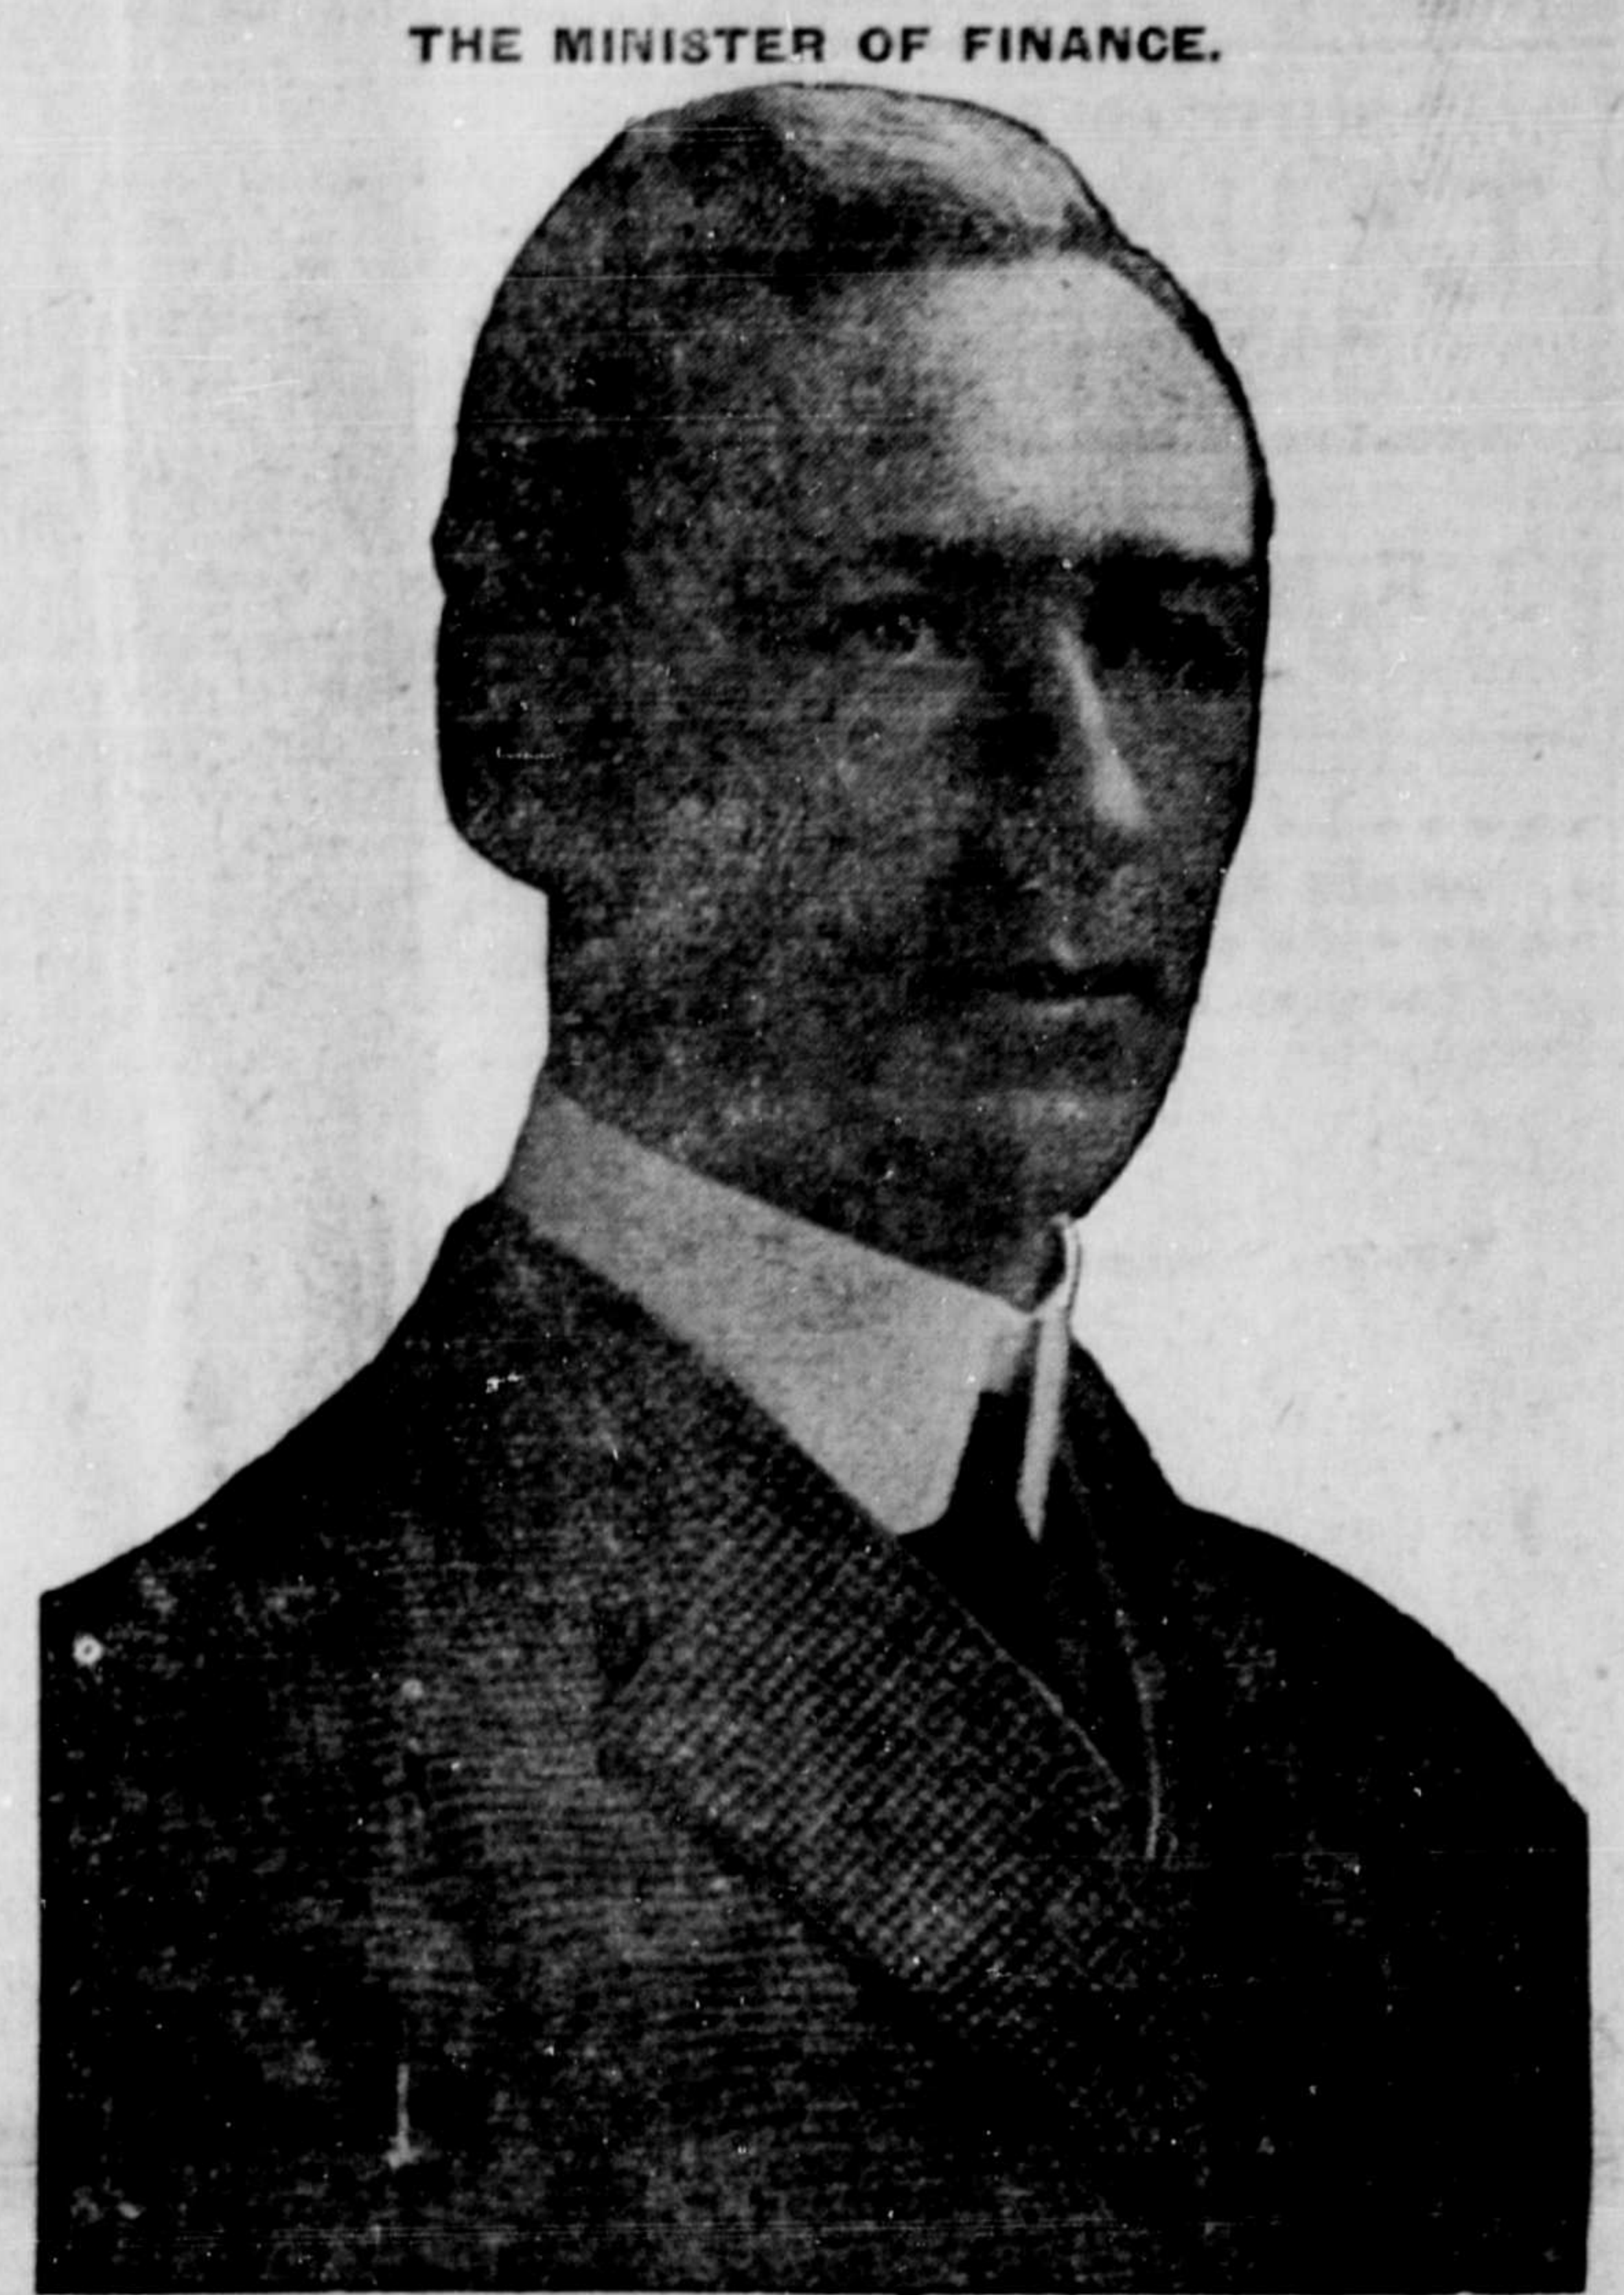

The Valhalla defeated the Elks at whist last evening, 6 to 3, the Oddfellows were successful by a 5-4 score over the Great War Veterans and the Sons of Canada beat the Sons of England.

TWENTY-SIX PERSONS HAD LODGINGS LAST NIGHT IN CITY JAIL

Last night saw 26 prisoners lodged in the city jail. This is the largest number that has been housed in prison in Prince Rupert since the historic "battle of Kelly's Cut" in 1910, when seventy men who participated in the riot at the First Avenue cut were locked up in the hastily constructed "bull pen" in the Government square.

Hon. John Hart who was nominated yesterday as a candidate for the City of Victoria.

Five Thousand Dollars Provided by the City

Mayor McClymont This Morning Made Arrangement with Bank whereby City Assists in Cashing Time Checks for Those in Distress

The city has provided a fund of \$5,000 to assist in the relief of dry dock workers who have been thrown into immediate distress on account of the recent cessation of work and failure to pay. Following an appeal from a committee of the Trades and Labor Council that was last night in conference with the mayor and aldermen, arrangements were made to this end at the Royal Bank this morning. The fund will be distributed through the same committee headed by L. Dewhurst which has been handling the Board of Trade fund.

To obtain this relief money Mayor McClymont had to make special arrangements with the bank this morning. The city at the present time is working on a big overdraft on account of the financing of the new school, the bonds for which have not yet been sold.

GOOD PROGRESS WITH THE RUPERT SALVAGE

Uprights All in for the Cofferdam on the Big Vessel.

Word was brought by the Prince George that good progress is being made with the cofferdam which is being built around the Prince Rupert at Swanson Bay. The uprights are all in, having been bolted to the hull under water. The next step is to put on the planking and bind the whole together so that it may hold when pumping commences.

The cofferdam will extend from the lower deck to the upper, along in front of the bridge and across the deck at the stern close to the smoking room.

If an attempt were made to baton down the holds and then pump out, the pressure of water above would force the deck downwards and destroy the vessel.

As soon as the cofferdam is finished, which should be in about three weeks, pumps will be placed on deck and she will be raised and taken to drydock.

RUMORED NEWTON IS TO WITHDRAW FROM THE FIGHT

There is a rather persistent rumor around town to the effect that S. M. Newton is to withdraw from the contest and throw his support to Capt. Formby. It is said that when Mr. Newton sent out his ballot papers to be signed he found that much of his support had dwindled and he has decided that discretion is the better part of valor.

The Daily News suggested some time ago that as Mr. Newton does not represent anybody in particular and as the Labor men turned him down, he should withdraw and let the others fight it out. It would seem now as if Mr. Newton is likely to take the advice of the News, especially as he finds his own chances of election are hopeless. It is understood that strong pressure has been brought to bear on the candidate and that with good effect.

There are 29 Candidates in Vancouver and 19 in Victoria for Legislature

VANCOUVER, November 11.—Twenty-nine candidates were nominated for the six seats here and 19 for the four Victoria seats. South Vancouver has four candidates and Richmond five, each for one seat.

Premier Oliver's Delta supporters took no chances in regard to filing for they filed six complete sets of nomination papers, one entirely devoted to women voters. The Premier's lawyer son, Joseph, attended to see to the formalities.

In Victoria George Bell is running as an independent Liberal and Frank Giolma as a soldier. E. A. Dixon of Revelstoke withdrew at the last minute in his constituency and Captain James Fitzsimmons, Conservative, was nominated.

There are only three women candidates in the field, all in Vancouver. These are Mrs. Ralph Smith, Miss Edith Paterson, a lawyer, and Mrs. Esther Crossfield. J. L. Taggart's nomination may be void as several names on the paper are seemingly written by the same hand. Another alleged irregularity is in Esquimalt where H. C. Helgeson's papers have been accepted subject to further investigation due to omissions. Last minute nominations were: Richmond, C. Cassidy, and North Vancouver, J. Richard, labor.

ASK QUESTIONS OF CANDIDATES

War Veterans of Duncan Place Men on Record Regarding Several Problems.

DUNCAN, Nov. 11.—The War Veterans here have propounded a series of questions which they are asking the candidates for the riding to answer. The questions are:

1. In the filling of appointments in the Civil Service, do you favor the appointment of returned soldiers in every case where one can be found possessing the necessary qualifications?
2. In view of the fact that the Civil Service of the province is notoriously overstaffed, do you favor the radical reduction of the Civil Service, and in that reduction the dismissal of those only who have not an overseas record?
3. Would you favor the elimination of the Provincial Poll Tax in the case of all men who have served during the great war in the British overseas forces, and the abolishing of the poll tax on all aliens?
4. Would you favor the authorizing of grants from the funds of the B. C. Utilities Commission for the purpose of aiding in the re-establishing of individual returned men in their previous calling?
5. Do you favor the maintenance of this province as a white man's country and the enactment of a law to prevent Orientals from acquiring land in the province?
6. Are you in favor of prohibiting the issue to aliens of shooting and fishing licenses, except on payment of a minimum fee of \$100?

REPUDIATES CONSERVATIVE ADVERTISEMENT

Senator Taylor Tells Nothing New in Spite of Announcement; Political Issues.

VANCOUVER, Nov. 11.—Senator Taylor, after repudiating the Conservative advertisement to the effect that he would give the inside story of the M. A. Macdonald resignation at the attorney-general's rally last night, repeated the story about M. A. accepting \$15,000 from the railway company for campaign funds but had nothing new to add.

The Conservative candidates dealt with the usual political issues but did not break into any new ground.

HAIL DAMAGE WAS \$1,750,000 FOR SASKATCHEWAN

REGINA, Sask., Nov. 11.—With one exception all of the companies underwriting hail insurance in Saskatchewan have filed reports with the Superintendent of Insurance showing their premium income and the amount of claims paid. "Judging by these reports," said Mr. Fisher today, "the final figures will show that the premiums collected in the Province on hail insurance this year were close to \$4,225,000, and the losses paid approximately \$1,750,000. The average loss per company will be approximately 42 per cent. of its premium income." There are 36 companies underwriting hail insurance in Saskatchewan.

TRADES AND LABOR PRESIDENT SPEAKS ON WAGE REDUCTION

TORONTO, November 11.—Tom Moore, president of the Trades and Labor Congress of Canada, in an interview here, said that reduction of wages in the factories throughout the Dominion would defeat the object which the employers making reductions had in view. "The manufacturers of this country," Mr. Moore said, "depend primarily on their home markets, and any policy which curtails that market by reducing the purchasing power through a reduction of wages of the great mass of workers must be bad business."
Contending that a reduction of prices, which brought with it a reduction of wages, would only accentuate the situation instead of bringing relief, Mr. Moore said: "What is needed is a squeezing out of some of the margin which exists between the actual cost of production and the selling price of the finished product. The people of Canada are not concerned in the reduction of prices to that of any particular period. What is necessary is a re-establishment of the purchasing power and value of every dollar they receive as wages."
President Moore stated that while there had been some slackening off in the industries in the Dominion, general conditions were not as bad as many people imagined.

The steamer Prince George brought a large quantity of freight north yesterday and after unloading all night left for Anxox this morning.

BYLAW NO. 258.
A BYLAW TO SHORTEN THE HOURS UPON WHICH THE VARIOUS RETAIL BUSINESSES HEREINAFTER MENTIONED MAY BE CARRIED ON.
WHEREAS a petition has been presented to the Municipal Council of the City of Prince Rupert praying for the passing of this bylaw;
AND WHEREAS it has been proven to the satisfaction of the City Council that the said petition is signed by not less than three-fourths in number of the occupiers of shops in the City of Prince Rupert in which the after mentioned retail businesses are carried on, and also that the petitioners number in each class of business not less than three-fourths of the persons carrying on each such class;
AND WHEREAS the classes of shops referred to in said petition are:—Hardware, Electricians, stationery, Drygoods, clothing, Butchers, Grocers, Bazaars, Furniture, Paint, Millinery, and Book Shops.

AND WHEREAS it is advisable to repeal all Early Closing Bylaws heretofore passed dealing with the various classes of businesses as hereinbefore set forth, and to re-enact the provisions of the said Bylaws, where the said provisions are not repugnant to the prayer of the hereinbefore mentioned petition, said Bylaws being numbered 261, 262, 263, 314 and 315.
NOW THEREFORE THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE CITY OF PRINCE RUPERT ENACTS AS FOLLOWS:—

- After the coming into force of this Bylaw all shops in which any of the classes of business hereinbefore mentioned are carried on, shall be closed at the following time, namely:—

 - (d) Ten (10) days prior to Christmas Day all shops of the classes of business hereinbefore mentioned may remain open as long as desired.
 - (e) Each night during the week in each year in which the Annual Exhibition of the Northern B. C. Agricultural and Industrial Association is held, 10.00 o'clock p. m.
2. Nothing in this Bylaw contained shall be deemed to allow any of the occupiers of the classes of shops hereinbefore mentioned to keep their places of business open contrary to the provisions of the "Weekly Fair Holiday" Act.
3. Any person breaking this Bylaw by keeping his shop open after the hour allowed by this Bylaw shall be liable to a fine of not more than Twenty-five Dollars (\$25.00) for each day, and in default of payment of such fine, to imprisonment not exceeding (30) days.
4. This Bylaw shall come into force on the fifteenth day of November, A. D. 1920, and before that date the Bylaw shall be published by inserting the same in one issue of both newspapers published in the City of Prince Rupert.
- PASSED BY THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE CITY OF PRINCE RUPERT THE TWENTY-FIFTH DAY OF OCTOBER, A. D. 1920.
RECOGNIZED AND FINALLY ADOPTED BY THE SAID COUNCIL THE FIRST DAY OF NOVEMBER, A. D. 1920.

I HEREBY CERTIFY this to be a true copy of the original Bylaw.

FIVE ARE NOMINATED FOR ATLIN

Kergin is Favorite in Race for Representation of Northern Constituency

ANYOX, Nov. 11.—There are five candidates in the running here, two of those mentioned as possible starters having dropped out. Those whose nominations were formally filed yesterday are H. F. Kergin of Alice Arm, George B. Casey of Prince Rupert, O. B. Bush of Stewart, Patrick Daly of Stewart, and William C. Ross of Stewart.

The favorite and the most likely winner is Mr. Kergin. He is so well and favorably known everywhere that his election is looked as a sure thing. He was a little late starting his campaign, but his committee is very enthusiastic.

Non-Resident
Mr. Casey is well-known at Alice Arm and Stewart, but he is a non-resident and will not get much support, except from the members of the O.B.U. and some of them will go for Pat Daly.

Mr. Daly gets a good reception at the meetings, but he will not get the votes. People do not take him seriously. He is well liked, but the people do not think he would be just the sort of representative they should send to Victoria.

Bush a Promoter
Mr. Bush has been a company promoter too long to inspire confidence among legitimate mining men. There is a feeling that he tried to stampede the Liberals into accepting him as their candidate, but the Liberals will vote for Kergin and Bush will look elsewhere for his support.

Mr. Ross, as the straight Conservative candidate, is making a strong appeal, but in his case there is the knowledge that he will be a supporter of Mr. Bowser and, with the Oliver Government returned, as it is sure to be, the people want a man who is in a position to help them.

The Far North
The people of Atlin Lake district have not been heard from, except in a short wire which says they know Kergin and will give him a majority. Neither candidate will be able to visit that district without neglecting the southern voters.

FOGS RESPONSIBLE FOR SHIP'S DELAY

Prince George Arrived Last Night In Command of Captain Moorehouse.

Fogs held up the steamer Prince George so that she did not arrive last night until about ten o'clock. She came in charge of Captain Moorehouse who took her over at Blaver Cove from Capt. Neddin. Fogs held up the steamer just after she left Vancouver and again near Millbank Sound. So thick was the weather at times that there was nothing to do but wait until it lifted. These fogs have been prevalent all along the coast and especially at Vancouver.

At Beaver Cove the Prince John was making a call southbound when the George passed north and Capt. Moorehouse left his ship in a launch to exchange with Capt. Neddin who had brought the vessel north to that point.

G. T. ARBITRATION

Time Allowed to Prepare Case for Adjudication

MONTREAL, Nov. 11.—At a meeting today of the board of arbitration, which is to assess the physical value of the property of the Grand Trunk railway and fix the value of its stock in connection with the nationalization of the system, it was decided unanimously to allow the representatives of the Grand Trunk such time as they might need in order to prepare their case for final adjudication. It was decided by the arbitration board to fix February 1 next for the formal opening of the proceedings, which will take place at Montreal.
Sir Walter Cassels, chairman of the board of arbitration, presided, with Sir Thomas White and Hon. W. Howard Taft, the other members of the board.
Mr. and Mrs. D. W. Cameron left last night for Alice Arm.

The Man in the Moon SAYS--

THAT A. Guttstein signed the nomination paper of the independent Newton candidate and tomorrow he leaves for California. Too bad. The consolation is there is no deposit to lose.

THAT in Ireland it is a crime to be in possession of arms. Here it is all right so long as the arms are your own.

THAT if an aristocratic name would carry a man anywhere the independent Newton candidate should win by at least two lengths.

THAT what a lot of mean things we all remember now about the man who is running on some other ticket than our own.

THAT watch out for the groan from the coffin box.

THAT the advantage of being poor is that you get a lot of amusement out of knocking the rich.

THAT it is suggested if Scotland went dry she would have to change her name.

THAT in a town where gossip is as prevalent as in Prince Rupert the tellers should be very popular.

THAT a correspondent wants to know which is preferable, to have a man say Prince Rupert has a great future or for him to slap your face? Give it up.

THAT in Winnipeg they are passing regulations in regard to the operation of elevators. It should be the next great problem to tackle here.

THAT this along with the criticism of the coal barons might be a fit subject for the daily groan box.

THAT perhaps the most exciting sport on the calendar is the egg laying contest. It lasts about a year and the hen that best follows her maternal instincts wins.

THAT in some respects it is classed with croquet.

WEDDING AT METLAKATLA

Local Visitors who went to Leighton-Robinson Nuptials Say Prettiest Seen

A notable native wedding was celebrated at Metlakatla on Saturday last when Robert Desmond Leighton, son of Mr. and Mrs. Reuben Leighton, was married to Miss Constance Robinson, daughter of the late Peter Robinson and Mrs. Robinson, all of Metlakatla. Rev. Canon G. A. Rix was the officiating clergyman and there were other visitors from Prince Rupert.

The bride beautifully gowned in white satin looked charming and as she entered the church all eyes were fastened upon her with admiration. She was accompanied by six bridesmaids, Miss Violet Leighton, the maid of honor, looking very sweet in a dress of white voile. The rest of the bridesmaids were also very pretty in their dainty white dresses.

The groom was accompanied by four of his friends, the best man being his cousin, Eric Leighton.

Big Reception
The bridal party was preceded to the church by the village band which, upon the conclusion of the ceremony, led the whole party to the public hall, where a bountiful feast was spread. There were at least 100 persons sitting down to it.

The toast to the bride and groom was proposed by Canon Rix and after this the father of the groom made a speech in the native tongue. He was followed by a number of the prominent guests, whose speeches were well received. The selections of the band proved pleasant punctuation to the speeches and the banquet was concluded about nine o'clock after playing the National Anthem. The rest of the evening was spent in games and dancing.

Pretty Sight
Local guests who were at the wedding say that it was the most beautiful and elaborate celebration ever held in Northern B.C. The popular young couple were started off on their matrimonial career with an enthusiasm and goodwill which will be an inspiration for a useful and happy life which their many friends sincerely wish them.

BOWLERS CHALLENGE PRINCE RUPERT MEN

Much Interest Taken in Sport at Ocean Falls this Autumn.

OCEAN FALLS, Nov. 11.—Joe Vincent would like to arrange a bowling match with five men from Prince Rupert. If there is such a team in the north there is a team here ready to meet them.

The Great Western Knitting Mills of Vancouver has presented a high grade man's sweater and ladies' scarf to the man getting the highest average for three consecutive games and the lady getting highest in one game, the games to be played before December 1.

Owing to the absence of A. M. Charleson who is in Prince Rupert, the loggers' team will be unable to play this week.

Bill Sweeney of the General Store team seems to have struck form again and it looks as if the Pipefitters will be given a good run the next time they meet.

T. Owens got away with the prize last week. The following is the standing of the teams now:

	P.	W.	L.
Pipefitters	7	7	0
Loggers	7	4	3
Papermakers	4	2	2
Townsite	4	2	2
General Store	6	3	3

BOB ROGERS IS NOT IN FAVOR OF ARMISTICE

Says There Can be no Peace Between Old Conservatives and New.

TORONTO, Nov. 11.—Overtures for an armistice between the old "Liberal-Conservative" party and the new "National Liberal and Conservative" party have fallen through. There are to be no peace conditions—and no peace treaty. The respective Commanders, Hon. Robert Rogers and Rt. Hon. Arthur Meighen, each goes his own way—and each apparently holds his opinion of the other.

Hon. Robert Rogers was in Toronto for a few hours prior to the departure of his train for Winnipeg and the west. To the Canadian Press he issued the statement which is given below—the demand for "more politics," the rallying call to "that traditional national policy that ever governed the actions of Macdonald and Cartier."

"Does your statement mean," Mr. Rogers was asked shortly before his departure, "that a rapprochement has been effected between yourself and Mr. Meighen? Does it mean that Mr. Meighen has been successful in securing Mr. Rogers as his first lieutenant?"

Smiled Broadly.

The Westerner smiled broadly. "I spoke," he declared, "of the Liberal-Conservative party, the party of Macdonald and Cartier, not of that attempted mixture of it and water, that what-do-you-call-it tied together by conjunctions—'National and Liberal and Conservative'—the mixture of Meighen and Calder and Sifton and, I suppose, Bourassas, if they can get them. There is one tried and proved way in which to conduct political affairs and properly to direct national government—and that is by the party system, in which responsibility is recognized and the leaders are representative. You can't blow hot and cold. You can't trim and wist. You must stand for something, stand squarely and stand steadfastly. Is your question answered?"
