BAKERS' STRIKE IS NOT NOW EFFECTIVE

Bread is Being Delivered to Customers in Vancouver, say Masters.

VANCOUVER, May 11.—There are no new developments in the bakers' strike except that the master bakers state that they sent out every wagon yesterday and today will deliver to every customer.

Strike Bug is Infecting Coast.
 The strike bug is again infecting the coast. There was a rumor some time ago that everything was likely to be tied up about May 1. Instead of a general strike, however, the men in the various callings are coming out one by one, until apparently very soon all will be out. It seems as if behind them all was a guiding hand pulling the strings.

The effect of the strike on business of course will be bad. Not only will the tendency be for things to get quiet, but the after effects are always felt. There seems nothing for it, however, but for everyone to grit his teeth and prepare to sit tight while the interested parties fight it out. So far there is no strike in Prince Rupert, and it is to be hoped that it will not come.

Men in Camps Worst to Suffer.
 With the tie-up in transportation, the logging camps where supplies may be short will be the worst to suffer. The large places like Prince Rupert, while inconvenienced to some extent, will get along, especially when served with a railway.

Mail will be brought in by the railway and, although it will be a day later than when coming by boat, will keep local people in touch with the outside. Freight from Vancouver will be expensive, however, and there will soon be a shortage of fruit and vegetables.

The probability is that in a short time the longshoremen will be out, and the strike at Swanson Bay is only a prelude to the tie-up of other industries along the coast.

New Shingle Mill Is Now Operating.
 The shingle mill at the drydock is in operation, adding another industry to those already here. Very soon the planing mill should be running and this will tend to make things busy here as soon as the industrial troubles have blown over. In the meantime everyone will be more or less marking time even if not shut down.

Strike of Bakers Seems to be Beaten.
 Judging from reports coming every day from Vancouver the bakers' strike is beaten. It is impossible at this distance to judge as to the right or wrong of the strike, but things are not always decided on questions of right or wrong. Very often might is right, and in this case the master bakers seem to have won, although the matter is not yet settled. What chiefly concerns the people of the lower coast cities is that they are being supplied with bread once more.

The time used is Pacific Standard, for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight.

The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same. The range of the tide may be computed as 5 per cent greater at Prince Rupert than at Port Simpson both at springs and neaps. Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson. The height is in feet and tenths of feet above the average level of lower low water.

The local Great War Veterans' Association has decided to build a hall on its lots facing the park. A silver chain belonging to John Couture and his associates on Cedar River has been bonded for \$40,000. A party of four men have been sent out to explore the property.

A special train is to be run from Prince Rupert to Terrace for May 24 providing 150 excursionists can be procured. The local committee feels that this can be done.

The water in the river has been rising rapidly lately and the ferry is again in operation. It is expected that the secondary channels will be running soon.

PRINCE GEORGE

Among the settlers arriving here last week were James Childs and Robert Wilson, of Gilbert Plains, Man., who have purchased a section of land. They have returned to Manitoba, but will be back later in the year with a complete outfit to develop the newly acquired lands.

Stuart Henderson has secured a reversal of the James Kramer fur conviction made by H. C. Wrench at Hazelton last February. An appeal has been made by the Game Conservation Board and the Crown to the Court of Appeals for reversal of the latest judgment. The case arises out of the taking of \$5,000 worth of beaver skins alleged to have been trapped out of season.

The preliminary hearing of ex-City Clerk Fisher, accused if misappropriation of city funds, was commenced in the police court last week. P. E. Wilson is prosecuting and W. P. Ogilvie is on the defence.

There was born at Miss Maundrell's private hospital to Mr. and Mrs. James Ray, on May 3, a son.

A returned soldier named Jas. Kerr died in the local hospital last week after a brief illness. The deceased was a member of the 67th and 102nd battalions.

The wedding was solemnized on May 4 in the Catholic Church here of Robert C. Armstrong and Miss Mabel M. Hall, of Dunster. The ceremony was performed by Rev. Father Leray.

The Vanderhoof Creamery is looking forward to considerable support from the Fort Fraser district, as many of the farmers in that district are arranging to obtain more milk cans in which to ship their cream.

C. L. Stuart is to take over the Fort Fraser post office in the near future. He is arranging to have a separate entrance and to install lock boxes.

On account of the unfit condition of the road, the Fort St. James and Stuart River mail service had to be abandoned last week.

Mr. and Mrs. Cecil Hartley are building a 20 by 24 residence on the soldier's settlement area here.

ZAM-BUK
AMA!

Mothers who have used Zam-Buk say it is so fine for the many little accidents of occurrence in the home—and that they would not be out if it were not for it. Not only so but children who have had Zam-Buk applied to an injury or sore, are again injured, cry for Zam-Buk to be applied. They know Zam-Buk stops pain. Nothing like a cut, bruise, or skin disease like Zam-Buk and nothing soothes, draws the soreness and heals so fast.

L. Wilton of Sarnia, Ont., says: "I did not do without Zam-Buk for my children. It is the best medicine we ever used for burns, sores and cuts." L. B. Anderson of 1407 E. 22nd St., Minneapolis, Minn., writes: "When one of the children, my wife or self, had an accident, we immediately used Zam-Buk. It has saved us many a time."

C. B. Ritcey of Riverport, N.S., says: "My baby had sores on her face, and by using Zam-Buk, they were healed."

Zam-Buk is a sure cure for eczema, ringworm, sores, blood-poison, bites, abscesses, and all skin diseases. It is sold in 25-cent and 50-cent tins. Send for free literature to The C. Co., Toronto. Send it, stamp for 25c.

PUBLICITY MAN GATHERING DATA

Captain J. Gordon Smith Arrived Yesterday on Princess Mary.

Among the arrivals from the south last night was Capt. J. Gordon Smith, who has charge of the publicity work in connection with the department of lands in the Provincial Government. He is here in connection with the work of preparing a booklet on northern and central British Columbia which will be used for the general publicity work of the department.

Mr. Gordon Smith left the position which he now holds in order to go overseas. He commanded a company in the 143rd but on reaching England reverted to lieutenant in order to get to the front quickly. He fought with the 72nd for some time and later was loaned to the British army for intelligence work. He was wounded and gassed and invalided home shortly before the close of the war.

Is Newspaperman.

Captain Smith is an old newspaperman. He worked for many years on the editorial end of the Victoria Colonist and during the Russo-Japanese war went to the front as special correspondent for the London Morning Post. His signed articles on the war and also on life in Japan were featured by that paper and also by other British publications. For many years, too, Mr. Smith was Victoria correspondent for the Associated Press.

Some weeks will be spent by Mr. Smith in this part of the province gathering data from actual observation. He will visit Alice Arm, Anyox and Stewart before leaving for the Bulkley and Nechako valleys, returning to Victoria by way of Cariboo.

STRIKE SPREADS TO FISHERMEN

Imbrecaria Tied up and Others Will Follow as They Arrive.

VANCOUVER, May 10.—The coast strike has spread to the fishing vessels, the larger boats, which are steamers, being affected. The only one in port now is the Imbrecaria belonging to the New England Fish Co., but the others it is understood will tie up as they arrive. The Imbrecaria crew refused to sail.

A. L. Hager says the fishing companies are not worrying about the strike as business is dull. Further developments are expected.

The C. P. R. stewards say they will strike on Tuesday at 8.

KITSILANO RANGERS WIN MAINLAND CUP

VANCOUVER, May 10.—The Kitsilano Rangers won the mainland cup on Saturday defeating the Longshoemen by a score of 2 to 1. There was a hammer and long fight before something like 3,000 fans.

OPENING GAME OF FOOTBALL

Soccer League First Match on Wednesday Afternoon at Acropolis Hill.

Tomorrow evening on the battlefield of many an ardent feud—namely, the Acropolis Hill—will be contested the first great match of the soccer football league for this year. Already the league teams have been training to a considerable degree and the opening tilt between the railroaders and the bigwigs Scots is looked forward to with more than usual interest. Billy Reid's squad had a practice game last evening and a most satisfactory showing was made on all positions. The Callies too have not been slow to realize the value of good hard training and on more than one occasion have been engaged for the evening in careering about the cinder rectangle on the hill.

For this first game the odds are apparently about even in betting circles and keen interest is being shown on account of the transfer of some of the old St. Andrew's players to the new G. T. P. line-up. Certainly both teams are most promising and a well contended match can be anticipated. The teams will be as follows:—

G. T. P. — Waldorf; Hamilton and J. Fanthorpe; Main, Lawson and O'Donnell; Foote, Ross, Roberts, Fanthorpe and McIlravy. Reserves, A. Craggs, Eddie Smith and Stanley Smith.

Callies, from Martin; Menzies and Stewart; Mitchell, Ley, Campbell, Wiggins, Kinghorn, Stewart, Black, Kelly, Williscroft and McLean.

CUMBERLAND NOW SOCCER CHAMPIONS

Beat Wallace's of Vancouver by Score of 1 to 0

VANCOUVER, May 10.—After a scoreless draw a week ago Cumberland beat Wallace's on Saturday at Nanaimo by a score of 1 to nil, winning the McBride shield and soccer championship of British Columbia. Booth was the man who scored from a scrimmage. There was a big crowd present and the gate receipts were \$1200.

Bulky Rugs Washed for you

Laundering heavy rag and washable rugs at home is slow work, especially in these uncertain spring days when the right sort of drying weather is so seldom available.

In five minutes, you can pack up half this heavy work of housecleaning, and have us do it expertly for you in our modern way.

Then, too, your floor and bath mats, which soil so quickly, probably need washing. You can send them along also.

Let us lighten this tiresome work, and at the same time help you make your home brighter with old rugs washed to look like new.

With the exception of George Little's mill at Terrace all the Skeena River sawmills are closed down due to a strike of laborers for an eight hour day. The strike comes at a time when most of the plants were getting down to steady cutting.

Rev. Dean, of Smithers, and Rev. Willan, of Hazelton, are in Vancouver attending the conference of the Methodist Church. On Sunday Robert Langlands and Miss Wallace left to attend. During the absence of Miss Wallace the local school is in charge of Miss Hazel Hall.

ENID BENNETT AT EMPRESS THEATRE

Every girl stenographer and every employer of girls in business offices will be especially interested in the plot of "The Virtuous Thief," in which Enid Bennett will appear at the Empress Theatre tonight.

Miss Bennett, who has won nationwide reputation for herself by her artistry and charm, plays the part of a girl who becomes a stenographer in the office of a Wall Street broker in order to atone for the guilt of a weak brother who has stolen money from her employer. The broker proves to be a type of business man that is, fortunately, extremely rare in the financial district—a rouse. Miss Bennett finds herself the central figure in a tangled plot that attracts toward her the finger of criminal accusation.

SAYS OKANAGAN IS GOING TO VOTE DRY

George Bell, M.P.P., Returns to Coast and Tells of Conditions in the Interior.

"The Okanagan is going to vote dry two to one," George Bell, senior Government member for Victoria, told the Victoria Times on his return from a visit to the interior. "I formed this opinion," Mr. Bell said, "after having talked to many residents on the subject. Regarding the alternative of having Government sale, the farmers do not want to add a booze department to ment to Government agencies! Consequently they will vote for prohibition."

Crop prospects are good in the Okanagan, Mr. Bell states. There has been a late spring, he says, and there has been an unusual amount of rain. However everything looks well, and the prospects for fall wheat are particularly good. In this connection, Mr. Bell states that large numbers of farmers are going back to wheat growing and mixed farming instead of devoting their land entirely to fruit growing. Mixed farming they find, according to Mr. Bell, is more profitable, especially when they are getting for commodities like butter fat seventy-two cents a pound!

Mr. Bell noted that the United Farmers' organization was growing in influence and membership steadily. At present, he observes, it is confining itself to activity in a social way, but there can be little doubt that its ultimate aim is politics.

The member for Victoria was particularly interested in a movement among the farmers to install small or "midget" flour mills in which to grind flour for their own use. Now that they are growing more wheat, he says, there is need of some such system.

A marked activity in land sales exists at present, Mr. Bell states. Many old-timers are selling out their farms a good profit to newcomers.

The St. Peter's Church concert set for May 12 is postponed until further notice.

MARRIAGE IS RISK SAYS CITY REGISTRAR

In United States Number of Weddings Increasing; Young People Do Not Consider

BOSTON, May 11.—"Young people today are rushing into marriage blinded by temporary prosperity; it is too big a risk," declares City Registrar McGlenon, who has been issuing marriage licenses for many years and who knows whereof he speaks.

"Marriage is on the increase," Mr. McGlenon stated. "Records show 1,990 licenses issued for four months of this year as against 1,796 for last year. A great proportion of these are young people, with plenty of money on hand, but with absolutely no idea of planning for the days when conditions will be more normal and wages less.

"It's all right for older people to marry—they know enough to think and plan for themselves. They have had the experience of saving money and they are not carried away by extravagant standards. But young folks are up against it. Rents are high, food is high, furniture is high. A man needs to be wealthy to be able to furnish an ordinary flat—if he's lucky enough to find one.

"In the old days, when two people wanted to get married, they had their home expenses all itemized and put aside. They knew how much they were going to spend for the prior furniture and the baking tins and the dining room set, and usually they had the money saved beforehand. Nowadays all people have is their day's pay and they spend that before the day is over. But they get married just the same."

Mr. McGlenon decried the number of "war brides" who are having time to reconsider their hasty marriages.
