May Take Hand in Strike Settlement

SALMON ON WAY TO NAAS RIVER TO SPAWN CAUGHT BY AMERICAN TRAPS

Commission of Inquiry May Be Appointed by Government

No Change in Conditions in connection with the Seamen's Strike; unless Deadlock Broken within Few Days Government will act

OTTAWA, May 20.—The appointment of a commission of inquiry by a Federal Order in Council under the Public Inquiries Act will probably be the next move in the shipping strike if the deadlock now existing at Vancouver between the unions and the shipping companies does not end in a few days.

VANCOUVER, May 20.—There is no change in the situation in connection with the strike of firemen, oilers, deckhands and others on the local shipping fleet. The Union boats are still tied up and the Prince Albert and Prince George are at the G. T. P. dock. The Prince Rupert is expected to leave tonight for Prince Rupert, Stewart and Anyox, still operated by a crew of officers.

WINNIPEG JEWS APPRECIATIVE

In Monster Demonstration Joy Was Expressed at Return of Hebrews to Palestine.

WINNIPEG, May 20.—Expressing their joy at the return of the Jews to Palestine and their gratitude to Great Britain, by whose actions this has been allowed, 15,000 Winnipeg Jews participated in a monster festival yesterday.

NEW SCHOOL WORK STARTS

Excavation Finished and Foundation Masonry About to Commence—Material is Being Ordered.

Work on the erection of the new school at Hays Cove Circle is about to commence. A tool shed has already been erected at the grounds and the excavation by V. Basso-Bert is finished. Mr. Basso-Bert is now assembling material for the commencement of the masonry work on the foundation. Extensive orders for material have already been placed by contractors on other sections of the work. As soon as the pipe arrives, the city will commence the removal of the pipe line running through the circle and interfering with foundation work. Today the city engineering department is taking levels on the site.

STANDARDIZE FISH NAMES

VANCOUVER, May 20.—The standardization of fish names by an international commission on fisheries research is to be advocated by Professor Huntsman of Toronto University at the June Fisheries Convention here. Similar work is being conducted in the North Sea with a view to simplifying the marketing of the product.

CANADIAN WHEAT IS LIKELY TO BE HIGH

Dr. Magill Says Price Will Reach Between Three and Five Dollars.

OTTAWA, May 20.—Addressing the western supporters of the Government yesterday, Dr. Robert Magill with a deputation of the Winnipeg Grain Exchange declared that in all probability Canadian wheat this year will sell between three and five dollars a bushel.

John Sudak was fined ten dollars in the police court this morning when he pleaded guilty to being drunk and disorderly.

PRESS ELECTS NEW OFFICERS

E. Norman Smith is President and J. F. B. Livesay General Manager.

TORONTO, May 20.—At the annual meeting of the Canadian Press, Ltd., E. Norman Smith was elected president in the west and J. F. B. Livesay general manager, in succession to C. O. Knowles, who has resigned.

The western directors elected were E. M. Macklin, of the Manitoba Free Press; R. L. Richardson, of the Winnipeg Tribune; T. Burford Hooks, of the Regina Leader; J. H. Woods, of the Calgary Herald, and Griffith Hughes, of the Victoria Times.

NEWSPAPERS MAY HAVE MILL

Propose to Manufacture Own Paper Owing to Difficulty in Securing Supply.

TORONTO, May 20.—Five Toronto newspapers are in a scheme to establish a newsprint mill of their own, and the Canadian Daily Newspaper Association may be back of a huge project for establishing mills to supply all the newspapers in Canada.

The difficulty of securing newsprint from the established mills is given as the reason for the move.

Fish Traps Being Built at Boundary

Salmon on way to Naas intercepted by Traps on American side; Canadian Traps Under Construction

Two salmon traps are being built by the Wales Island Cannery at Dog Fish Bay near the Alaskan boundary off the mouth of the Naas River, and one will be finished by the end of the week. This is the first attempt of the Canadian canneries to offset the trap fishing on the American side of the boundary.

Reports from Ketchikan state that a number of traps are being built and as near the boundary as possible in order to secure for the American canneries as many as possible of the fish that are on their way to spawn in the Naas River.

There is grave danger that the waters of the Naas will be depleted of salmon if the present fishing continues. The example of the Fraser river, that once teemed with myriads of salmon, is a case in point and conditions are very similar on the Naas to those existing in the Fraser.

HIGH PRICES MUST GO DOWN

Senator Thomas Declares it Rests With the People to Break Increasing Costs.

WASHINGTON, May 20.—Frankly confiding to his colleagues that his own clothes were threadbare and patched, Senator Thomas, of Colorado, declared yesterday that it would be by the people, and not by legislation, that the increasing high prices would be broken.

The Senator referred to the need for economy throughout the country, especially in those things which were used rather for show than for utility.

NEW INDUSTRY FOR TERRACE

Brickyard to be started There Immediately; Ebring Here Purchasing Outfit.

A. Ebring, whose pottery attracted so much attention at the fair last year, is in town securing necessary equipment for the starting of a brick yard at Terrace. He says they have excellent clay for brick making at Terrace and they are commencing work immediately with a view to developing a permanent industry. They will make brick in the summer and pottery in winter.

Mr. Ebring states that they will make hand-moulded bricks at first but later expect to put in machinery and manufacture on a larger scale. George Little, who owns the land, is interested in the scheme.

DETECTIVES CLASH WITH POLICE FORCE

Twelve Persons are Killed in a Fight in West Virginia Town.

MATEWAN, West Virginia, May 20.—Twelve men were killed and three injured in a battle between the police and citizens on one side and detectives on the other here yesterday. The detectives made an attempt to evict from the houses of the mining company the families of miners who had been dismissed from the company's employ.

UNION COMPANY WILL TRY TO BREAK STRIKE

VANCOUVER, May 20.—The Union Steamship Co. refuses any concessions to striking deckhands, firemen, etc. They will attempt to break the strike by sailing the Venture without them tomorrow night.

WAR VETERANS ENDORSE PECK

President Kelly Chosen Delegate; Assistance Towards Athletic Endeavor.

At the meeting of the Great War Veterans' Association last night the stand taken by Lieut.-Col. C. W. Peck, V.C., M.P., in regard to the statements of Gen. McLean were endorsed. President J. H. Kelly was chosen as delegate to attend the Provincial Convention at Fernie on June 4 and 5.

The secretary was instructed to write to the Sons of Canada and other bodies in charge of the Dominion Day celebration offering the assistance of the association in their efforts towards the event. A vote of \$25 was made towards the funds of the Intermediate Baseball League.

NEW BRANCH TO COLLECT TAXES

Business Firms Selling Taxable Goods Will Have to Take Out Licenses.

OTTAWA, May 20.—Before long a new branch of the Inland Revenue Department will be organized to take charge of the new excise taxation. In order to control the situation retailers handling taxable goods and ammunitions, wholesalers and jobbers will be required to take out licenses.

VICTORIA GETS NEXT METHODIST CONFERENCE

VANCOUVER, May 20.—The Methodist conference closed here after deciding that the annual event should be held next year in the Metropolitan Church, Victoria.

Famous Stock Farm Burned with \$100,000 Damages

Corfield Ranch, Pedigreed Bulls, Autos and Machinery go up in smoke at Cowichan Bay, Vancouver Island

VANCOUVER, May 20.—Damages to the extent of \$100,000 resulted from a fire at the big G. T. Corfield ranch at Cowichan Bay, Vancouver Island, yesterday. Not only was the fine ranch home destroyed but the Eureka Pure Bred Stock Farm buildings and equipment and eight valuable animals including the famous Jersey bulls "Interested," "Sweet Violets" and "Oxford." Two automobiles and a quantity of machinery were also destroyed.

Mr. Corfield, the owner of the ranch, did not escape uninjured and he is now in the Duncan hospital suffering from shock and burns. Robert Service, the famous poet of the Yukon, once worked at this ranch.

SONS CANADA ANNUAL BALL

Enjoyable Affair and Occasion of Presenting Whist League Cup to New Holders.

About 150 persons attended the Third Annual Ball of the Sons of Canada Society in the St. Andrew's Hall last night and the affair was very enjoyable. A large banner, welcoming all as guests of the society was stretched across the west wall of the room and this welcome was still further extended by the congeniality of all present.

Gray's Orchestra was in its usual lively and harmonious vein and the extras were played by Miss Adams and Mrs. Taylor. The supper extras by Mrs. Taylor were worthy of special mention for Mrs. Taylor is a gifted pianist as well as violinist. Her intended departure in the near future from the city will leave a place in local musical circles that will be difficult to fill.

Immediately after supper, the presentation was made of the Dybhavn Whist League Cup to the Sons of Canada who obtained the last winter whist championship. Master of Ceremonies W. E. Thompson called forward John Dybhavn, president of the Whist League and donor of the cup, and with a few well chosen remarks Mr. Dybhavn presented the handsome silver trophy to Kenny Rood, the captain of the Sons of Canada. The award for the highest individual score of the season to Sam Haugan was made to E. Stockland, president of the Valhalla team, in the absence of Mr. Haugan.

The refreshments served to two sittings at midnight were dainty and appetizing, Mrs. Carroll being in charge of the catering at the dance. W. E. Thompson, president of the society, was floor manager, while C. O. Rowe and George Johnston were on the doo. Besides these gentlemen the committee in charge consisted of Harry Love (conveyor), J. Knight and Gordon Campbell. It was after 2 o'clock when the pleasant event broke up.

WAGE SCALE AT DOLLY VARDEN

Union Rates to be Paid and Men Must Show Union Card.

A wire stating that the demands of the O. B. U. in connection with the strike at Alice Arm has been conceded by the Taylor Mining Co., was received by General Secretary J. H. Burrough this morning from R. Welch, secretary of the strike committee at Alice Arm.

By the new agreement miners will receive \$6.25 per day, muckers \$5.75, trackmen \$5.25, and cooks and mechanics according to the union scale. All men applying for jobs there will be required to show a union card. Mr. Burrough reports that the international men who went up on Saturday stood solidly behind the O. B. U. strikers after the joint conference here on Saturday night. Details as to board and other details have not yet been received. On account of snow it will be some time yet before things are in active operation at the Arm.

FOUR BANKS INCREASE THEIR CAPITAL STOCK

MONTREAL, May 21.—The announcement of an increase in the capital stock of the Banque Provinciale from \$2,000,000 to \$3,000,000, at an issue price of \$120 a share, makes the fourth Montreal bank in the past two or three weeks that has taken action of this kind. The Bank of Montreal started with an increase of \$2,000,000 in capital stock at a price of \$150 a share. This was followed by the Royal Bank with an issue of \$3,400,000 at the same price, and by the Merchants Bank with an issue of \$2,100,000, also at \$150. The new issue of the Banque Provinciale brings the total increase in capital stock of the four to \$8,500,000, the proceeds of which will be \$12,150,000.

LIBERALS LEAVE ROOM

Overruled by Chairman of Marine and Fisheries Committee. OTTAWA, May 20.—A fight between Government and opposition members of the Marine and Fisheries committee of the fish pickling bill, reached a crisis today when the Liberal members were overruled on a contention of the chairman and left the room. It is understood that the matter will come up in the House.

NEW SETTLERS CLEAR LAND

Many Locating at Terrace Where They Will Grow Berries and Vegetables.

With the general influx of new settlers to the Terrace district there has been a great demand for bottom land and with the subdivision of R. Braun's holdings formerly known as Braun's Island, a number of new families have taken acreage there. For the most part the island is heavily wooded but this does not retard the enthusiastic land breakers. Rapidly the trees are being cut down and wherever a clear spot appears there strawberries and vegetables are being planted. Only last week a forest fire spread terror into the hearts of the pioneers on the island but the wind fortunately turned the blaze in an opposite direction to the present location of the shacks. The new area has now been named Kitsumville by the recent arrivals.

Besides the old timers, Mr. and Mrs. Braun, R. Heppell and D. Claher, Mr. and Mrs. F. Bishop and Mr. and Mrs. R. L. Stapleton have arrived from the east and are delighted with the British Columbia climate and fine alluvial soil. Mr. and Mrs. L. Rice and family have recently arrived from California where Mr. Rice was greatly interested in fruit farming and now holds great faith in the Terrace district. Mr. and Mrs. Aekroyd are recent arrivals from Wainwright, Alta., and are quite delighted with the conditions of the new country. Mr. Aekroyd is in Prince Rupert at the present time engaged at the Seal Cove school but expects to return to the interior soon. Mr. Beecher of the Skeena Co-operative at Terrace, is a recent arrival from Winnipeg and he too anticipates taking up a block of land and clearing it.

There is promise of a very thriving and prosperous community and with the building of the bridge across the slough there will be nothing to deter the settlers. Slashing has already started and teams are in operation, hauling away the logs from the road site, which will run between Mr. McIntosh's and Mr. Keith's properties.

TERRACE LADIES ARE ENTERTAINED AT TEA

Many Attend Musical Affair at Home of Mrs. Sundal.

In keeping with the general optimism and the progressive spirit of Terrace, the women of the churches have formed themselves into two very energetic societies, the Women's Auxiliary of the Presbyterian Church and the Ladies' Guild of the Anglican Church. Each of these organizations is to help provide refreshments for the visitors from Prince Rupert on Monday next.

On Friday last a smart tea given by these societies opened the season at the home of Mrs. Sundal, where many ladies gathered for a few social hours in the afternoon. One particularly gratifying feature of the gathering was the opportunity of welcoming a number of recent arrivals in the district. Tea was served by Mrs. Giggey with Mrs. George Keith, Mrs. L. H. Kenney, and Mrs. Soule assisting, while some of the younger set passed the cake.

Musical Program.
Following the passing of refreshments there was an excellent program of music with Mrs. D. D. Munro and Mrs. W. E. Chandler contributing. Mrs. George Keith most ably assisted as accompanist. Mrs. Chandler, whose husband edits the Terrace News and who is a recent arrival, is a talented vocalist. Both singers were well received.

Among those present were Mr. and Mrs. Giggey, Mrs. E. E. Chandler, Mrs. L. H. Kenney, Mrs. D. D. Munro, Mrs. McGregor, Mrs. Carr, Mrs. D. E. Robinson, Mrs. George Little, Mrs. Dover, Miss Johnson (Prince Rupert) Miss Christie, Mrs. J. Bruce Johnstone, Mrs. Olsen, Miss Deacon, Mrs. Gilbert, Mrs. Bowd, Mrs. Moore, Miss Donald, Mrs. Vigor, Mrs. Thompson, Mrs. Soule and Mrs. T. J. Marsh.

BOOSTER FOR PRINCE RUPERT

Rochester, Minn., May 7, 1920.
To the Editor—During the recent visit of myself and wife in your city, we found the weather and the conditions so very different from the reports we had heard from many sources, that we are inclined to believe that slanders do not always exhaust their villainous remarks on individuals. At least, we shall always think of Prince Rupert as having a delightful climate and still more delightful people.

More courteous officials than those of the G.P.P. living in Rupert we have not met in all our wanderings all over the world. A greater eagerness to hear a missionary tell of experiences in the foreign field we have seldom seen in any people. Your harbor also is "a thing of beauty," and is very attractive.

We hope to return to Prince Rupert again at some future time, and try our hand at fishing, for which your waters are famed. In the meantime we are "boosters" not "knockers" of Prince Rupert.
J. F. INGRAM.

Sport Briefs

Referees Put Right

When the Prince Rupert Amateur Football Association showed its hand on Tuesday night and promised its support to referees handling games it, indeed, took a wise step and one that would be followed with advantage by other athletic organizations in this city. "Crabbing the referee" is a practice that has been too common in the sports field in Prince Rupert and the sooner it is stepped on the better. When a man is sent into the field to referee a game he goes in with the support of the organization and it is nothing but insolence for an individual player to dispute with him. If a player is not satisfied with the adjudication he may always take his grievances to the association and he may be sure that he will receive fair play. Showing his temper on the field is indiscreet and only shows his lack of sportsmanship.

Shamrock Preparing.

Preparations for the fitting of the masts and spars on Sir Thos. Lipton's Shamrock IV were begun last week at Island City, New York, where the yacht is being fitted out. The parts arrived on the steamer Philadelphia, from Southampton. Details as to the construction of the masts and the amount of canvas the challenger will fly are being kept secret and will remain so. Designer Charles F. Nicholson has just arrived from England to assume charge of the work of final fittings for the craft.

Carpentier the Great.

A recent arrival in the city from Toronto tells of having seen Georges Carpentier, the big French heavyweight and champion of Europe, while in that city. Carpentier, although dressed unostentatiously, was a cynosure while in that city and any glimpse of him was sought with a good deal of interest. Before he had been there long almost every man and boy had him spotted and was not slow to tell of the discovery. When seen, Carpentier was driving in a high-powered car with his manager, M. Descamps.

Automobiles Ruled off.

The automobile, which history presents as the father of the railway locomotive, was legislated off the roads of England in 1830. Its wheels were breaking up the highways. The situation is quite different today. It's wheels are building up the highways—making hard roads of the type that will endure for many generations. The passenger car came and the farmer desired good roads as an aid in breaking down his social isolation. Finally, now that the freight truck and the express truck are coming into their own, the farmer, the businessman and the ultimate consumer are demanding good roads in many sections of the country as a means of breaking down the last economic transportation barrier between producer and consumer.

Royalty to Races.

His Majesty King George V goes in state to the Royal Ascot races, the lord lieutenant of Ireland to Punchestown, the viceroy of India to the Calcutta Derby, the governor-general of Australia to Flemington, on which track the celebrated Melbourne Cup is run, and his excellency, the Duke of Devonshire, governor-general of Canada, by riding in state to the races of the Ontario Jockey Club at Woodbine Park on May 24.

Man Who Will Be Head of Grand Trunk Pacific Ry.

D. B. Hanna is now head of Canadian National Railway with which this Local Concern is to be Merged

In view of the fact that the Grand Trunk Pacific Railway is passing under the same management as the Canadian National Railways, the people of Prince Rupert will be interested in the head of that organization, who will soon be head of the whole system. The man who holds the position of chairman of the board and president of the Canadian National Railways is David Blythe Hanna, a Scotchman and Canadian, 62 years of age.

DAVID BLYTHE HANNA

Mr. Hanna was one of those who took advantage of this opportunity. On arrival in Canada therefore Mr. Hanna entered the service of the G. T. R., being employed in the auditing department in Montreal. Two years later he made his third change, going to the similar department of the New York West Shore and Buffalo Railway, with headquarters at New York City, and remaining there two years, 1884-1886. The fourth move was from New York to Portage la Prairie, where in 1886 he became chief accountant of the Manitoba and Northwestern Railway operating out of that Manitoba centre. In 1892 he became treasurer and in the year following land commissioner as well.

With Mackenzie and Mann. Three years later, Mackenzie & Mann commenced the construction, Gladstone to Dauphin, of the first hundred mile stretch of the Canadian Northern Railway System. It was not so known at that time, but bore the appellation of the Lake Manitoba Railway and Canal Company. The two railway builders were seeking a manager to operate the road, and the choice devolved upon D. B. Hanna. He entered the service of the Canadian Northern a few days before Christmas of 1896 as superintendent. By practically living on the line, he stirred the territory into productivity and by making every nickel do all that even a Scotsman could expect a nickel to do, the road was made to pay its charges the first year and furnish a tidy surplus. And when the members of the Manitoba Legislature which had guaranteed the bonds of the enterprise journeyed up to Dauphin in 1897 they expressed themselves as positively amazed at the evidence of prosperity in the territory the lines served. This success encouraged further expansion, which was most marked during the five years that followed, the lines of the C. N. spreading far afield from the original 100 miles stretching from Gladstone to Dauphin.

Became Vice-President. When the general offices of the Canadian Northern were established in Toronto in 1902 Mr. Hanna came east to take up enlarged responsibilities as third vice-president, with supervision of all departments of the road. He held the reins of the great operating, financial, and traffic departments and continued to give, by dint of long hours, the same kind of close scrutiny to the problems of the road as in its early days, only the perspective was for 10,000 miles, with terminals at Atlantic and Pacific tide water, instead of the 100 miles "section" between Gladstone and Dauphin in Central Manitoba. Mr. Hanna became in 1903 president of the Canadian Northern Quebec Railway, and in 1907 president of the Quebec and Lake St. John Railway. He became president of the Niagara St. Catharines and Toronto Railway Company, and also of the Duluth, Winnipeg and Pacific Company, a system subsidiary which gives access from the main line at Fort Francis, Ont., to Duluth. When in 1918 it became desirable that the stock holdings of the owners of the Canadian Northern be bought on behalf of the Canadian people by the Government at Ottawa, and the 10,000 miles of line it involved were embraced in a National System, it was D. B.

NURSES ADVISE

Zam-Buk, because they have proved that it does what is claimed for it. Miss E. L. Doxey, graduate nurse, of 3220 Michigan Ave., Chicago, says: "I have a patient, who suffered terribly with piles. Zam-Buk is the only remedy that gave her relief. "I have used Zam-Buk myself for the same ailment, also for sores and burns, and have the greatest confidence in it."

required. The fundamental principle he works upon is to do the best he can, with the resources at his disposal. And of him it may be said—if it can be said of any man—that he personifies "ability constantly applied." Blessed with a sense of humor that is thoroughly reliable the serious problems that have confronted him in day and night out since he first entered the service of the C. N. R. have not been allowed to take the joy out of life. A man of simple tastes and distinctly democratic in his views, he holds the respect, admiration and affection of officials and employees. He has always been easy to approach. Possessed of a wonderful memory he greets old employees by name in a way that makes for the very best feeling. It preserves the human touch. The difficult task of combining the official staff of the Canadian Government and Canadian Northern Railways has been accomplished without friction of any kind and the two systems are now working smoothly together as one, which is a tribute to the tact and judgment of the presiding officers.

Mr. Hanna is a governor at St. Andrew's College and is a staunch Presbyterian.

"I Want the Best"

Most people recognize that it is best to get the best. Whatever we may purchase, if it is the best of its kind it gives the greatest pleasure, the longest service, the largest amount of satisfaction. And this applies particularly to diamonds. Birks' Diamonds are of matchless, never-fading brilliancy, incomparable in color-play. People who discriminate between medium and high quality recognize their superiority instantly.

COLTS SCORED BIG VICTORY

Overwhelming Score of 27 to 2
Marked Second Game of Intermediate League Series.

The Junior Baseball League game between the Colts and the Beavers last night was a walk away for the former team by a score of 27 to 2. Indeed the runs came in so quickly that it taxed Miss Mills' abilities as a mathematician to keep tab on the score. In justice to the Beavers it must be said that they are a very much younger and lighter aggregation than their opponents and it says much for the pluck of the boys that they are ready to face such odds.

The batteries were Ralph Smith and George Hill for the Colts, and Aubry Sweet and Elmer Smith for the Beavers. After being touched for four runs in the opening innings, Aubrey gave place to Johnnie Crossley, who, however, was unable to stop the opposition tally streak. Ralph Smith, backed up by good support, was able to keep the Beavers well in check.

Bright Spots.

Though beaten so heavily, the Beavers had a few bright spots in their play. Jack Berryman made a well judged one-handed catch in right field which made a flnis to a long hit by George Hill. Harry Gawthorne and Frank Morrison made some similar admirable plays.

Everybody hit for the Colts, George Hill getting a three-sacker which easily might have been a homer. Their field work was excellent, special mention being due to "Hunky" Shaw for his work at left field, one of his stops being in big league class.

The Teams.

Sid. Winsby was referee and Miss Mills was official scorer. The line-up was as follows:—Beavers—, Sweet p. 3b; William Lambie lf. M. Chenoski cf, Frank Morrison 1b, Harry Gawthorne ss., T. Halverson 2b, J. Crossley 3b-p., E. Smith c. H. Berryman cf, C. Hadlund, spare. Colts—George Hill c, Ralph Smith p, George Roberts 1b, Ed. Raby 2b, G. Mitchell ss., Len Sherman 3b, G. Shaw lf, H. Frizzell rf, E. Clapp cf.

Miss Julie Shannahan, a Montreal trained nurse, is spending until next Tuesday in the city visiting with Mr. and Mrs. Robert McCarthy, 608 Fifth Avenue East. Miss Shannahan, who is a cousin of Mr. McCarthy, arrived from Sitka last Friday to which place she had been called all the way from Montreal on account of the serious illness of her brother who had recovered by the time she reached there.
