SUBMARINE PURCHASES

Victoria, Aug. 17.—Sir Richard McBride is in receipt of a wire from Sir Charles Davidson, special commissioner appointed by the Dominion government to investigate war contract purchases, which says he probably will visit Victoria on September 1st to take up the matter of the purchase by the government of British Columbia of two submarines from the Seattle Drydock and Construction Company.

VAUDEVILLE SHOW AT THE MAJESTIC THEATRE

The three vaudeville artists, Billy Woodworth, Cy Confer and Andy Anderson who are making the trip from Skagway to San Francisco in a 25-foot boat, will open a two-night's engagement at the Majestic tonight. They have taken the Alaskan coast towns by storm with their cabaret entertainment and original songs. They introduce Jew and Yankee character comedy acts, and give their version of a Frisco cabaret. Each is an artist in his line.

They invite the audience to name the songs they want to hear and say they cannot be stumped by any such request. The performance will include the usual six-reel picture show and the first show will begin at 6:30 and the second at 9 p. m. The theatre will be delightfully cool no matter how warm the weather may be.

Chimneys, pipes, ranges and furnaces cleaned. Good, quick work at a reasonable price. Phone Fritz, 583. 192-5.

ARTHUR NOBLE WILL RETURN TO CITY SOON

Arthur Noble is expected back in Prince Rupert shortly. He has been visiting at his old home in Peterboro, Ont., for the last few days. "Art" was a member of the first contingent from Prince Rupert and will be the first of that sturdy band to return from the field of battle. He has had some stirring experiences, and will bear the marks of the fray at Festubert so long as he lives.

The returned warrior will be given a right royal reception on his arrival in this city. The following is an extract from the Peterboro Examiner of recent date:

"Wearing the scars of war, Private Arthur Noble, son of Mr. and Mrs. Isaac Noble, of this city, is visiting his parents for a few days before proceeding west to his home in Prince Rupert. In the charge at Festubert he was hit in several places with shrapnel, losing his right eye, and receiving a gash on one hand. Private Noble was in one of the hottest corners in which the Canadians participated; the charge from the orchard at Festubert as it was referred to in the despatches, and he certainly witnessed thrilling action, but when seen by a reporter, he was as uncommunicative and silent as a censor."

ON THE EASTERN FRONT

The map shows the location of the opposing armies since the fall of Warsaw. The dotted line is not now held by the Russians, except for a part around Novo Georgievsk. The forts extend ten miles out from the enciente.

MISS EMMA HUMBLE DOING RED CROSS WORK

In a recent issue of the New York Times there appears a photo of a Red Cross surgical unit sent to the front by Harvard University consisting of 75 nurses and 35 doctors. The picture was taken at Warwick Castle where the party were the guests of Mr. and Mrs. Henry Wheelwright Marsh, of New York, who have leased the castle for the season.

In the back row appears Miss Emma Humble, who was for a year on the nursing staff of the Prince Rupert General Hospital. Miss Humble's old friends in town will be glad to learn that she is doing her share in the Empire's cause.

BOARD OF TRADE HEAR FROM E. J. CHAMBERLIN

In reply to a wire sent to E. J. Chamberlin regarding the starting of work at the drydock, the Board of Trade today received the following telegram:—"Engineers have not advised shipbuilding plant completed. Furthermore question of manufacturing munitions of war has been fully considered and found that the machinery is not adapted for work of this kind."

PROSPECTS GOOD FOR BIG EXHIBITION

The board of directors of the Northern B. C. Agricultural Association met in the Board of Trade rooms last night. Everything is well in hand and the prospects are bright for a splendid exhibition. Secretary F. S. Wright reported that interest throughout the district is keen. Settlers along the G. T. P. and on the Islands are preparing to make the fair a big success, both in attendance and in exhibits.

The board met representatives from the baseball clubs and football association. It was decided to hold games as special attractions, charging 25 cents admission to each game. Of the proceeds of the game, the teams will get 75 per cent, provided outside teams are competing. Ketchikan and Hazelton teams are expected, while the Granby football team may also come along.

BASEBALL

The second of the series of three games between the C. C.'s and the Colts will be played tonight at Recreation Park.

The C. C.'s won the first game by 16 to 4, and, with Art and Bill Manson back on their lineup, they hope to land the rubber and the championship tonight.

SCHEME TO IMPROVE SWIMMING FACILITIES

It may not be known to all that there is excellent bathing in what is known as the Salt Lakes just across the bay. Owing to the fact that only the very highest tides enter the inner lake, the water becomes quite warm, and there is good bathing in it during five months of the year. Last evening a few of the local lovers of the water formed an old fashioned bee and got in the lumber and logs and made an approach and swimming float. There is a movement on foot to organize a local swimming club with a small annual fee of say one or two dollars, and with the funds provided improve the swimming facilities, building a dressing room for ladies and one for gentlemen. It is very possible that during the finer weather one of the local launches will run a ferry across at intervals during the late afternoon and evening so that the citizens who have not launches may avail themselves of the swimming and a visit to one of the prettiest spots anywhere. A meeting will be held on Monday evening at nine o'clock in the Board of Trade rooms to organize the swimming club, to which all interested, including the ladies are invited.

VARIED PROGRAM AT WESTHOLME THEATRE

Tonight and tomorrow the Westholme presents a finely varied program. A thrilling two-part Kalem drama entitled "Identification" will be screened. "The Persistent Mr. Prince" is a comedy full of laughter, while the Hearst-Selig Gazette shows all the latest news, including the last honors paid the Lusitania victims, Canadian troops entrenching at the front, soldier athletes holding a meet at the Fair, and French soldiers being decorated for bravery, etc.

"Slippery Sam" is a western comedy of high merit, and the program concludes with a roaring Keystone comedy entitled "For Better but Worse." Wednesday and Thursday next the management announces the appearance of Florence Reed in "The Dancing Girl."

B. C. HOSPITAL

August 28th, the provincial tag day in aid of the British Columbia Hospital for overseas service, marks the close of an effort to get \$25,000 with which to provide the B. C. Base Hospital No. 5 with the ambulance and surgical equipment necessary for work at the front. The Red Cross Society is sparing no effort to have this amount on hand at the end of next week.

August 28th, it must be remembered, marks the close and not the beginning of the movement. Subscriptions are now in order, and it is earnestly hoped that all will do what they can to provide the British Columbia boys at the front with everything necessary for their welfare in the way of careful and efficient hospital treatment.

They are doing their duty nobly in the interests of the province, Canada and the Empire, and it is our duty to aid them in every possible way. The 311 volunteer doctors, nurses and orderlies may be ordered to the front at any time, therefore it is essential that a large part of the desired amount should be on hand at the earliest possible moment. Dig down and help the "Life Saving Fifth."

THOSE SUBMARINES

Tucked away down at the bottom of the thirteenth page of the Province of August 17th is a very interesting little news item. It is a wire from Victoria, stating that Sir Charles Davidson has notified Sir Richard McBride that he will probably be in Victoria on September 1st to start an enquiry into the purchase of two submarines by the British Columbia premier.

If the commission follows the same lines in this enquiry as it did in the spavined horse investigation in Nova Scotia, it will put most of the blame for anything that may have

happened on the shoulders of the man who sold the submarines. In Nova Scotia, the simple, trusting souls who did the purchasing of ancient horse-flesh were beguiled by the scheming farmers. In the enquiry, the farmers were severely reprimanded. This is a rather novel way of looking at a horse deal. We had always supposed that, when a man who knows nothing about horses sets out to buy steeds, he is naturally looking for trouble, and the first seller who comes along simply hands him what he is looking for.

Some of those Nova Scotia farmers could give points to David Harum. One artist received \$125 of public money for a frisky twelve-year-old, which lacked an eye, but had two spavins by way of compensation. The government buyer traded it next day for a sixteen-year-old colt with a "jack," yet they blame the poor farmers. The popular prayer amongst the Scotian farmers now is "Lead me not into temptation."

It is very questionable whether Sir Richard McBride knows any more about submarines than the horse buyers did about horse-flesh. If it is discovered that these submarines are broken-winded, or show a tendency to behave like rocks or corks, instead of acting as self-respecting submarines should act, the man who sold them to the trusting, simple Sir Richard may look out for squalls. Sir Charles will see to it that this gentleman is informed that such conduct cannot be tolerated.

Then there is the matter of the check. It is against all the known rules of business that a check should split. How it split; why it split, and by whom it was split will probably prove interesting. Logically, if a man who sells bum horses or asthmatical submarines is to be reprimanded, then the man who issues a split check should come under the same category.

GILLETT'S LYE EATS DIRT

Of course a split check is much more useful than a one-eyed, spavined horse, and much more easily exchanged, so that, in all likelihood, the recipients of the different parts of the check will have no complaint. It will not be surprising if we learn that the gravity of the situation demanded the purchase of any old kind of submarines, and that the moral effect of possessing something that would sink, no matter whether it ever rose again or not, far outweighed the price paid.

PROVINCIAL TAG DAY FOR OVERSEAS HOSPITAL

The Canadian Red Cross Society and the St. John's Ambulance Association have arranged for a Tag Day to be held in every city, town and village in British Columbia on August 28th. The money collected is to help furnish necessary equipment for the B. C. General Hospital leaving shortly for overseas. It may be of interest to know that there is a possibility of this hospital being sent east via Prince Rupert. Every little bit will help.

TO DESCEND ALASKA BUILDING ON RIBBON

Seattle, Aug. 19.—people who may be near the Alaska building this afternoon will rub their eyes and take a second look and then wonder if what they see is a gigantic spider or someone attempting suicide. The sight in question will be furnished by Pietro Vescovi, who has invented a portable fire escape, in which he has so much confidence that he will descend the outside wall of the Alaska building with its aid. Vescovi descended the town hall tower in Tacoma last Friday, when the omens were inauspicious—Friday, the 13th.

Any young woman in Seattle may take a ride down the wall of the Alaska building with Vescovi if she is so inclined, as he has issued an invitation to that effect. The device consists of a steel ribbon capable of bearing a weight of 1,500 pounds, which unrolls and lets the user down. A brake is attached so that the speed of the descent may be regulated.

KAISER'S REPLY TO THE POPE'S APPEAL

Paris, August 18.—A despatch to Fournier's News Agency from Rome says that the German Emperor, in answer to the peace letter of Pope Benedict XV, declared his willingness to accept negotiations provided the nations with which Germany was at war made the first overtures. Austria made a similar reply to the Pope's letter, the despatch adds.

Pope Benedict's appeal for peace, addressed to the belligerent nations, was issued July 28, the anniversary of the opening of the European war.

The Housekeeper is Right

Sometimes a housekeeper requires a quick leavening agent, and finds she has no baking powder.

What does she do?

She raises her biscuit by a mixture of cream of tartar and soda, or soda and sour milk. She may not get the proportions quite right, but she knows her food is safe. But does she ever use a mixture of alum and soda? Was there ever a housekeeper who bought alum and soda to make a home made baking powder? Intuitively she feels it would be unsafe.

Then why use baking powder made from alum or the same mixture that the housekeeper would not dare use and use in her food?

Alum is alum, whether bought in the drug store or in baking powder.

DR. PRICE'S CREAM BAKING POWDER

is made from pure cream of tartar and contains no alum, lime or phosphate. There is absolute safety in its use.

Sunlight Soap

cuts Monday's labor clean in half.

The Sunlight way is so easy --just note. First you soap the garment; then roll it up to soak. After a while you rinse it thoroughly and the dirt drops out like magic.

Why scrub, and rub, and wear and tear the clothes when the gentle strength of Sunlight Soap will do the work with never a hurt to fabric or hands.

Try it once—this Sunlight way.

RECRUITS WANTED FOR 62nd OVERSEAS BATTALION, CANADIAN EXPEDITIONARY FORCE.

RECRUITING OFFICE AT PROVINCIAL GOVERNMENT OFFICE NOW OPEN.

In view of the recruiting which is in progress at present throughout the Province, it is apropos to answer a few of the questions which are considered by those who contemplate entering the Service. The following is a list of pertinent queries, together with the information which each elicits.

QUESTIONS ANSWERED.

- 1.—How long am I to serve? Until the end of the war and six months after if required.
- 2.—What pay shall I receive? Your pay as a private will be \$1.00 per day and 10 cents field allowance. Besides this you will be clothed, equipped and subsisted by the Government.
- 3.—What will my wife receive during my absence? Every month there will be paid her a separation allowance of \$20 (also part of your pay) and if this be not enough to comfortably maintain your family, the Canadian Patriotic Fund will further assist them.
- 4.—What will happen if I am wounded or sick? You will be cared for by the Government and your pay continued until you are discharged. If you are permanently disabled an allowance will be paid you, varying according to the extent of your injury or disability.
- 5.—What will be done for my wife and children if I die while on Active Service? The Government will provide an adequate pension, that will enable the family to live comfortably until the children are old enough to look after themselves. The widowed mother of a single man, if the son be her sole support, is treated in the same way as a wife.
