MINISTER OF LABOR ATTACKED AT CONGRESS

(Special to The Daily News.)
Vancouver, Sept. 24.—Hon. T. W. Crothers, minister of labor, was severely attacked at the Labor Congress yesterday by Thos. Foster, the Nanaimo miners' delegate, for permitting the employment of Orientals in the Vancouver Island mines, resulting indirectly in the death of nineteen miners. He said the minister had refused to hold an inquiry. Hon. T. W. Crothers had appeared to answer objections to certain amendments to the industrial disputes act.

REV. LOGIE MACDONELL PASSED AWAY AT FERGUS

The older residents of Prince Rupert will learn with deep regret of the death of Rev. Logie M. Macdonell, at Fergus, Ont. Mr. Macdonell was Presbyterian minister in this city in the early days, and was loved by all who knew him. Never a robust man, he had been in very poor health for the past five years.

In spite of failing health, Mr. Macdonell devoted much energy to the organization of a Men's Patriotic League, in his district, since the outbreak of war, and ever-taxed his failing strength in furthering the various patriotic enterprises in his vicinity. When too weak to preach, he made heart-stirring appeals through the press.

He was laid to rest at Belsyde on Sept. 9th, many of his former college classmates taking part in the services. Heartfelt sympathy will go out to Mrs. Macdonell and her son, Ronald.

FAIR OFFICERS FOR THE ENSUING YEAR

At the annual meeting of the Northern B. C. Agricultural Association in the City Hall last night, Alex. Prudhomme was re-elected president for the ensuing year. In a short speech the president said that the fair was proving a great success in spite of the fact that in many ways it was not a good year for such a thing. There was a great increase in the number of exhibitors and farmers were realizing that a high standard of produce was called for. He felt that the transportation companies should give free transportation of exhibits. He thanked the press of the city and district for the publicity given.

M. M. Stephens said that the fact that the fair had been so successful was largely due to Mr. Prudhomme. After considerable pressure had been applied, Mr. Prudhomme agreed to accept the presidency for another term. He was re-elected unanimously. The following officers were elected: Vice-president, George Frizzell; secretary, F. S. Wright; treasurer, M. M. Stephens; directors, Rev. W. E. Collison, W. P. Lynch, G. R. Naden, D. G. Stewart and Ald. Edge.

DISTRICT PRIZE GOES TO THE ISLANDS

Lawn Hill and Sandspit won the Dewar Cup for the best district exhibit at the Fair. The judges spent several hours in arriving at a decision. Diplomas were awarded to Kitsumkalum and Lakelse, Prince George, Porcher Island and Hazelton. The winning exhibit was in charge of Austin Richardson.

This evening the Kitsumkalum and Lakelse exhibit will be offered for sale, the proceeds to be devoted to the Red Cross Fund.

GREEK ARMY MOBILIZING BULGARIA SHOWING ACTIVITY

GREEK RESERVISTS CALLED TO COLORS—BULGARIAN WARSHIPS SEEKING HARBOR—RUSSIANS ARE SHOWING GREAT GALLANTRY—MANY GERMANS ARE TAKEN—CHANCELLOR SUNK

(Special to The Daily News.)
Athens, Sept. 24.—A general order has been issued for the mobilization of the Greek army. Bulgarian warships in the Black Sea are reported to be seeking harbor, and there is great activity around the fortifications. It is believed that, if Bulgaria joins Turkey, Russia will invade Bulgaria through the fortified port of Varna, which is thirty hours' sail from Odessa. The bank has been removed from Varna to Sofia. Mobilization in Roumania is expected.

Twenty classes of Greek reservists, of 1890 to 1912, have been called to the colors amid great enthusiasm. Reports from Nish state that the Kaiser is sending an army of 800,000 to force a passage through Serbia.

Russian Successes
Petrograd, Sept. 24.—Reports of the fighting show great gallantry and an obstinate resistance on the part of the Russians, with successful sallies. At Stouge, on the Ekau river, we captured war supplies. At Sweben Lake we took 500 Germans and 3 machine guns. We have occupied Woinitz on the left bank of the Ikwa, taking 28 officers, 1,400 men and 3 machine guns. In Galicia our cavalry has scored many suc-

cesses, taking prisoners and supplies.

Hesperian Was Torpedoed.
Norfolk, Sept. 24.—Capt. Smellie, of the British steamer Crossby, has filed a statement with the British consul stating that he saw the Hesperian torpedoed by a submarine, which also chased the Crossby. This refutes the Berlin statement that the Hesperian sunk after striking a floating mine.

Chancellor Sunk.
London, Sept. 24.—The Harrison liner Chancellor has been sunk. She was a vessel of 4,500 tons. Part of the crew has been saved.

The Chancellor was well known on this coast, having traded regularly to Vancouver and other points.

EDWARD MUSGRAVE BURIED ON WEDNESDAY

Edward Musgrave, who was drowned in the Skeena river near Balmoral Cannery, was buried at Port Simpson on Wednesday.

The funeral was largely attended and many floral tributes were offered. Deceased, who was only 17 years of age, was highly esteemed by all and his untimely death has cast quite a gloom over Port Simpson. He was a very fine ball player.

PATRIOTISM OR POLITICS?

The following is an extract from a recent editorial in the Toronto Globe:

The people of Canada know—Conservatives as well as Liberals know—that if a general election is called for this critical war year it will be because the Prime Minister and his more responsible colleagues have been mastered, and stay mastered, by Rogers and Cochrane and Reid and Crothers. These are the men who, partly by their incapacity and partly by their chicanery, have already earned defeat for the Borden government, and are now doing their best or their worst to merit disgrace for the Conservative party and humiliation for Canada.

There is no use mincing words. All this babbling of the Rogers newspapers about the responsibility of Sir Wilfrid Laurier and the Liberals is the noisy game of political tricksters, for which neither Sir Robert Borden nor his party will be held responsible unless they endorse it. The full and final responsibility for calling an election at any date within the next twelvemonth rests alone on the Prime Minister. If he does not want it, and is strong enough to say so, there neither can be nor will be an election. And as for a coalition, the men in Ottawa and their hirelings and echoes in Toronto and elsewhere who organized and are carrying on this campaign of party suspicion and innuendo are not the men who would sacrifice their selfish chances in an election for the sake of the country's honor, or who would agree to any coalition which honorable and patriotic men could accept.

This much ought to be taken for granted; if the govern-

ment's election policy is dictated by the Rogers clique, and if its program is fixed to suit the exploitation interests that are now dogging the government, there is no place in such company either for Liberals or for Liberal opinion.

Neither Rogers nor any of his ilk ought ever to have been allowed in a Canadian cabinet. Those of them that are not utterly incapable are utterly corrupt. The Premier has them on his hands, and may not be able to rid himself of them. If so, Sir Wilfrid Laurier should, for the nation's sake in war time, agree to any reasonable proposal for extension of the term of Parliament, even though it carried the government's burden of incompetent and compromised ministers. But to ask the electors of Canada to endorse before the war is over, the cut-throat antagonisms within the cabinet, and to whitewash Hon. Robert Rogers for the High Commissionership in London, would be to insult the decencies of Canadian life.

The Globe affirms again that, in the face of the war's growingly stern realities, it cares next to nothing for the fortunes of mere party programs and personalities in Canadian politics. But every truly patriotic Canadian, Conservative and Liberal alike, will absolutely refuse to condone any election scheme inspired by the disrupted Tammanyism that sank Manitoba neck-deep in the mire and filth of political criminality and rottenness. We are quite ready to acquiesce in any proposal agreed upon by Sir Robert and Sir Wilfrid, uncoerced by the Rogers junta, whom self-respecting Conservatives themselves distrust, but it would be treason to the

A SENSATIONAL FEATURE AT MAJESTIC THEATRE

The Majestic presents a sensational Lubin photoplay in three acts, tonight and tomorrow, entitled "The Cypher Key." This is one of the Lubin masterpieces of photography, and is at the same time a remarkably thrilling feature. The piece includes a hair-raising race for valuable papers by automobile, aeroplane and motorboat. The story is a series of thrills from start to finish.

"The Fable of the Search for Climate" is a most pleasing farce comedy, which illustrates a great truth while it is also highly amusing. "The Coyote" is a striking little drama, while "Bertie's Stratagem" is a real good comedy. Monday brings along the ninth installment of "The Broken Coin"

ideals of life for which Canadian soldiers fight in Europe were trickery allowed to triumph over public morality and patriotism.

GREAT MILITARY DRAMA AT THE WESTHOLME THEATRE

The Westholme presents a splendidly varied program for tonight and tomorrow, including "By the Flip of a Coin," a remarkable military drama in two acts. A double-headed coin is used by the villain in tossing with a brother officer to decide which is to gain the hand of a far maiden. Both go off to war, and the story develops along most dramatic lines, and is full of interest and adventure.

"The Only Way" is the fifth episode of that most mysterious serial "The Road O' Strife." It is just as mysterious as its predecessors. "The Man Hunter" is a most laughable comedy, while "Love's Way" is a very pretty love story. A splendid scenic film of the "Grand Canyon" and a clever cartoon entitled "The Dreamy Kid" completes a most interesting program.

"The Diamond from the Sky" on Monday.

The Housekeeper is Right

Sometimes a housekeeper requires a quick leavening agent, and finds she has no baking powder.

What does she do?

She raises her biscuit by a mixture of cream of tartar and soda, or soda and sour milk. She may not get the proportions quite right, but she knows her food is safe. But does she ever use a mixture of alum and soda? Was there ever a housekeeper who bought alum and soda to make a home made baking powder? Intuitively she feels it would be unsafe.

Then why use baking powder made from alum or the same mixture that the housekeeper would not dare to mix and use in her food?

Alum is alum, whether bought in the drug store or in baking powder.

DR. PRICE'S CREAM BAKING POWDER

is made from pure cream of tartar and contains no alum, lime or phosphate. There is absolute safety in its use.

BASEBALL

In the first game of the baseball series yesterday afternoon, the local boys defeated Hazelton by 4 to 3. It was one of the finest games played this season and furnished the spectators with lots of excitement. The local team, with Fortin pitching and Manser behind the bat, put up a high grade of ball.

FOOTBALL

In the Wark Cup game yesterday afternoon, the team from Kitimat defeated the boys from Aiyansh by 8 goals to 0. The winners have a speedy forward line and a stalwart defence. The Aiyansh boys showed lack of experience, but with practice should put up a good game.

Australia maintains a training school for boys who desire to become expert farmers, but lack the means to pay for proper instruction.

Your King and Country Need You

RECRUITS WANTED FOR 62nd OVERSEAS BATTALION, CANADIAN EXPEDITIONARY FORCE.

RECRUITING OFFICE AT PROVINCIAL GOVERNMENT OFFICE NOW OPEN.

In view of the recruiting which is in progress at present throughout the Province, it is apropos to answer a few of the questions which are considered by those who contemplate entering the Service. The following is a list of pertinent queries, together with the information which each elicits.

QUESTIONS ANSWERED.

- 1.—How long am I to serve? Until the end of the war and six months after if required.
- 2.—What pay shall I receive? Your pay as a private will be \$1.00 per day and 10 cents field allowance. Besides this you will be clothed, equipped and subsisted by the Government.
- 3.—What will my wife receive during my absence? Every month there will be paid her a separation allowance of \$20 (also part of your pay) and if this be not enough to comfortably maintain your family, the Canadian Patriotic Fund will further assist them.
- 4.—What will happen if I am wounded or sick? You will be cared for by the Government and your pay continued until you are discharged. If you are permanently disabled an allowance will be paid you, varying according to the extent of your injury or disability.
- 5.—What will be done for my wife and children if I die while on Active Service? The Government will provide an adequate pension, that will enable the family to live comfortably until the children are old enough to look after themselves. The widowed mother of a single man, if the son be her sole support, is treated in the same way as a wife.

A. B. SMITH has a dry goods store in a certain Canadian city.

He does a good business, but wants to do more. He believes that Advertising in his local newspaper is the way to get more business. So he advertises—every now and then. This is where our friend Smith is wrong—in advertising every now and then. He should advertise regularly—as frequently as his local newspaper is published.

Smith says he wants to advertise regularly, but he can't always find the time to prepare advertisements, which is true, for he is his own buyer, sales-manager, director of store service, credit man and half-a-dozen other things.

What Smith should do is this: If he is located in one of the smaller cities, in which there are no advertising agencies giving a local copy service, and he has no one among his own staff qualified by instinct or experience to write the daily announcements, he should go to the publisher of the newspaper in which he means to advertise, requesting his help. In nine cases out of ten, the publisher, through his advertising manager, will be only too glad to give Smith the assistance desired.

If Smith is located in one of the larger cities he should secure the services of a recognized advertising agency which will take over the work of preparing his advertisements.

In this way Smith can be sure of having his advertisements prepared regularly and intelligently, with no more trouble to him than the supplying of the information required by the writer of the advertisements.

So Smith can do more business, and more business means a larger income for himself, to say nothing of other gains that go hand in hand with the doing of bigger business.

This man Smith---do you know him?
Are YOU Smith?

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper.

If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.
