## GREEK TROOPS ATTACKED BY BULGARIANS

### TURKISH TRANSPORT SUBMARINED--KING GEORGE MAKES SUCCESSFUL APPEAL

#### GREEK TROOPS ATTACKED BY BULGARIANS ON FRONTIER

**BULGARIANS REPULSED WITH HEAVY LOSSES--SERBIANS ARE RESUMING OFFENSIVE--RUSSIAN SUCCESSES AT VARIOUS POINTS--KING'S APPEAL FOR RECRUITS ANSWERED**

(Special to The Daily News.)

London, Oct. 27.—Greek troops stationed near the junction of the Greek, Serbian and Bulgarian frontiers have been attacked by Bulgarians. The attacking party was repulsed with heavy losses.

##### Serbian Offensive.

The Serbians have resumed the offensive and have re-captured Vele, which is east of Uskup on the Nish-Saloniki railroad.

##### Russian Success.

Russian troops on the left bank of the river Styr have stormed the Austrian positions, taking a number of prisoners and machine guns.

The Germans made an attack on

the left bank of the river Drina but were repulsed.

##### Italian Front.

The Italians have made a complete conquest on the left bank of the Ponale river, occupying Mezzolago, Molino and Bezzecca and taking many Austrian prisoners.

##### Appeal Answered.

King George has issued a special appeal for recruits to avenge the death of Nurse Cavell. Thousands are flocking to the colors in response.

HOW RUSSIANS WILL AID ALLIES IN THE BALKANS

Map shows the railways of Roumania which might be used to carry Russian troops to Turnu Severin to link up with the Allies and turn the flank of the Bulgarian army. Arrows show the direction of the Bulgarian attack.

#### DARING TRAIN ROBBERY NEAR OKLAHOMA

(Special to The Daily News.)

Oklahoma, Oct. 27.—A band of ten robbers held up the Missouri-Kansas and Texas train for two hours today. They tied up the train crew and stood guard over the passengers while some of them looted three express cars.

No details are to hand as to the quantity of booty the robbers got away with. Hundreds of officers are pursuing the bandits.

#### SHIPMENT OF FISH FOR GREAT BRITAIN

The Prince George did not get away until about four o'clock yesterday afternoon. Increase of business all along the coast was the cause of delay. On the way north, the George had an exceptionally large general cargo for Anyox, and there she had to load a quantity of blister copper for trans-shipment at Prince Rupert for New York.

At Prince Rupert she had to take on board eight carloads of frozen fish from the Canadian Fish and Cold Storage Company for shipment to Great Britain. At Seattle, the fish will be transferred to the liner Minnesota, owned by the Great Northern Railway Company. The Minnesota will make the trip round the Horn with a general cargo. It is believed that, on arrival in Britain, the liner will be sold, as the railway company believes that the American Seamen's Bill will create conditions on the coast which will make it impossible to handle her profitably.

The reason why the liner has to make the long trip round the Horn is that no ship owned by a railroad company may use the canal.

#### 1916 VOTERS' LIST

The City Hall will be open from 7 to 9 each evening this week to allow of Householders and Licence Holders to register. Householders must bring their road tax receipt.

ERNEST A. WOODS, City Clerk.

#### TYPHOON SWEEPS OVER PHILIPPINE ISLANDS

(Special to The Daily News.)

Manilla, Oct. 27.—A typhoon has struck the southern portion of the island of Luzon, the largest of the Philippine Islands. The town of Tobacco has been wiped out and 170 people have been killed and 800 injured. The damage done to the hemp and rice crops is estimated at a million dollars.

#### TRADES AND LABOR COUNCIL MEETING

The Trades and Labor Council met last night, when the subject of political representation was discussed. The question of placing a candidate in the field at the next election was dealt with and a free discussion ensued. It was finally agreed to refer the matter to the legislative committee of the council.

Several other matters affecting labor in the city came up. A committee was appointed to interview the management of the Hotel Prince Rupert and the Savoy Hotel relative to matters affecting the Cooks' and Waiters' Union.

#### DELIGHTFUL DANCE AND WHIST DRIVE

In the K. of P. Hall last night the local lodge of the I. O. O. F. held a most successful whist drive and dance. A large number took part in the whist drive, the winners being Mrs. Gammon and Mrs. Sweder, and Mr. Selig and Mr. Franks.

At eleven o'clock refreshments were served, after which dancing was engaged in until early morning. There was a large attendance of young folks and the dancing was thoroughly enjoyed. The proceeds were devoted to the Red Cross fund.

Hallowe'en social in the Presbyterian Hall tonight at 8 o'clock. Admission free. All cordially invited.

#### BRITISH SUBMARINE SINKS TURKISH TRANSPORT CARMEN

**OVER 4,000 TONS OF MUNITIONS GO TO BOTTOM OF MARMORA--SERBIANS APPEAL FOR AID--LANDSDOWNE SAYS THAT SUPPORT MUST BE SENT--BRITISH STEAMER SUNK**

(Special to The Daily News.)

London, Oct. 27.—A British submarine, in the Sea of Marmora has sunk the Turkish transport Carmen, laden with 4,700 tons of munitions.

##### Serbian Appeal.

The Serbian premier, M. Pachite, has appealed to Britain for speedy aid.

The Marquis of Lansdowne, in a speech delivered in the House of Lords, stated that it is highly improbable that the Serbian army can long withstand the pressure of the Austro-Germans in the north of Serbia, with a "stab in the back" from Bulgaria in the south.

##### Wealthy Conspirator.

New York, Oct. 27.—Max Breitlung, who is under arrest for complicity in a plot to blow up American munition plants, is a cousin of the wealthy capitalist, E. C. Breitlung, of Marquette, Michigan, who bought the steamer Dacia, which was held up off Galveston and ultimately was taken prize by the French in the English Channel. Max Breitlung had bought a quantity of high explosives for Lieut. Fay, the ring-leader in the plot.

##### Steamer Sunk.

London, Oct. 27.—The British steamer Marquette has been torpedoed in the Aegean Sea. All but 99 of those on board of her have been accounted for.

#### MORE ADVERTISING FOR PRINCE RUPERT

The following article shows how the Americans realize Prince Rupert's advantages:

Alaska has the finest halibut fishing industry in the country. It wants to keep it. It is in danger of losing it unless the government fights to retain it as loyally and vigorously as Canada is now fighting to take it away. I found the halibut fishing question a live one, especially at Ketchikan, a center of the industry. The Grand Trunk Pacific railway has been completed to the northwest corner of Canada, terminating at Prince Rupert, a few miles from the international boundary between British Columbia and Alaska. Alaska has no direct rail connection with eastern markets. These conditions with the present American shipping regulations are throwing an enormous volume of trade—the catching, icing and shipping of fish caught on the Alaskan banks for the market of the United States—into the Canadian channel, thus building up and supporting Canadian towns with American resources and capital.

Alaska asks for legislation that will require vessels engaged in fishing for the American market to discharge the fish at an American port, so that if Canada wants our fish the Canadian railroad can establish a ferry service from Prince Rupert across to the nearest Alaskan port, which is Ketchikan, a distance of ninety miles. This can be traversed in a few hours.—Leslie's Magazine.

The cross examination of Reeve Gold at the hands of Joseph Martin, K. C., provided quite an entertainment for the large audience which filled the court. The case is proceeding.

(Special to The Daily News.)

Ottawa, Oct. 27.—Captain J. W. Warden, a Vancouver South African war veteran, who was wounded while serving in the seventh battalion of the Canadian Expeditionary Force in Flanders, and who recently returned to Canada, has been made Lieutenant-Colonel and has been commissioned by the Department of Militia to raise a northern regiment in Comox-Atlin and the Yukon. Colonel Warden will make his headquarters in Prince Rupert.

#### HALIBUT SCHOONER LOST RUDDER IN GALE

The crew of the Jenny F. Decker, an American halibut schooner which visits Prince Rupert regularly, had quite an exciting experience off the Alaskan coast last week. While drifting and reefing sails in a heavy gale about fifty miles south of Ketchikan, the rudder jumped out of the heel with the result that the stem snapped, leaving the boat practically helpless.

The crew managed to get a boom rigged, got the boat slewed around before the wind, and ran before it for Ketchikan, which port they made in fairly good time. One of the crew, who has arrived in Prince Rupert, states that the gale was the heaviest he has ever experienced on the coast.

#### WEDDING BELLS

A wedding of interest to Prince Rupert people was solemnized at Christ Church, Vancouver, last Wednesday, when Rev. G. C. McCassion united in marriage Miss Raghuil Austinson, of Boda, Norway, to Kenneth Rood, of Prince Rupert.

The bride was given away by her brother and the groomsmen was Mr. Edwin J. Cobb, of Prince Rupert. The bride wore a traveling suit of brown and a picture hat.

After the ceremony, the bridal party was entertained to dinner at the Castle Hotel and later the happy couple left for Seattle. On their return from the wedding trip they will reside in Prince Rupert. Mr. Rood is one of the real old timers of this northern coast, having been in the district many years before the advent of the railroad.

LADIES ARE OFFERED an excellent opportunity to get a handsome winter coat at a bargain in the manufacturer's sample coats now "On Sale" for one week only at Wallace's.

### LAURIER KEEPS THE TRUCE

While a few ultra Conservative journals in Ontario, desirous of bringing on a premature general election, declare that there is no political truce and that the government can dissolve at any time without breaking any agreement, implicit or explicit, a very different view of the situation prevails in the province of Quebec. There The Montreal Star which strove mightily to turn the Liberals out of power, and can hardly be suspected of undue regard for Sir Wilfrid Laurier, says:

"Sir Wilfrid Laurier is to be warmly commended by Canadians of all parties—who realize that the first business of every British community today is to fight and win this war, for the decisive way in which he prevented a breach of the political truce in Hochelaga. Sir Wilfrid pledged himself to such a truce when the first German gun was fired, and most loyally has he kept that pledge. He is with those who believe that there should be no civil division—no party election—in this country until the war is over, and with him stand, we are confident, all the better and more patriotic elements in the country.

"He has resisted a considerable temptation in vetoing a contest at this time in Hochelaga, when it is felt by many that the ill-smelling war purchase scandals might have offered him an effective issue. But he believes, apparently—and, we think, correctly—that the time is not yet for a discussion of these vital and far-reaching questions before the electorate. Undoubtedly, it is the duty of parliament as at present constituted to discuss them, for this parliament must stand un-

til the war is finished as the trustee of the nation. The whole country has been shamed by the revelations before the Davidson Commission, and in war time punishment for such offences should be even swifter than in the less critical times of peace. But this is a far different matter from seeking to strengthen a political party in Parliament by contesting an open constituency.

"In taking this stand Sir Wilfrid will have the support not only of the saner sections of his own party, but of the less partisan portions of the Conservative party as well. He may not get his just meed of praise from sycophants who ever worship the risen sun, from self-seekers who fawn upon the powers that be, but he will receive his reward in the esteem of all manly men whom neither partyism nor 'patronage' can blind, and from the calm verdict of history which will immortalize the statesmen who stand most steadily by the State in this, her supreme hour of trial."

When this statement in The Montreal Star is placed alongside of the rancorous criticism to which the Liberal leader is subjected in reactionary Ontario papers like The Toronto News and London Free Press the contrast is very marked. There is no doubt at all that the verdict of history will be that predicted by The Montreal Star. Sir Wilfrid Laurier need not fear that his place in the affections of his fellowcountrymen or in the annals of the Dominion will be rendered less secure because he has been shorn of power and has as a result lost the praise of "sycophants who ever worship the risen sun, of self-seekers who fawn upon the powers that be."—Toronto Globe.

### HAZELTON MINING DEAL IS CONSUMMATED

The Debenture group of four mineral claims, situated in the Babine range, some twenty miles east of Moreshead, has been bonded to T. H. Rea, of Toronto, for a good price.

Henry Bretzins and A. H. Morten, the owners of this promising property, have done considerable work, disclosing a vein of high grade silver-lead ore, and O. T. Ross, who reported on the claims for Mr. Rae, was so pleased that he recommended the purchase of the group. Mr. Rae made a personal inspection of the showings, with the result that the deal was closed in Hazelton this week.

The price has not been made public, but as the purchaser is well satisfied with the bargain and Mr. Bretzins says the vendors have no kick coming, it is evident the deal is a good one.

Mr. Rae, who operated in Rossland in the early days of that camp and has since been prominent and successful in the Porcupine district, has had a wide experience in mining and his entry into the local mining field will be welcomed. He and his associates are preparing to develop the Debenture group on an adequate scale, and will inaugurate work as early as possible in the spring.

A number of other properties in Omineca district are being considered by Mr. Rae, and Mr. Bretzins is now engaged in examining several claims on the lower Skeena on his behalf.

The same purchasers have acquired the Basin group of six claims, adjoining the Debenture on the east and located by A. T. and W. F. Harter and O. T. Ross.—Omineca Miner.

### NEW AUSTRALIAN DESTROYER LAUNCHED

A new destroyer for the Royal Australian Navy was launched at Sydney a few weeks ago, making the third addition to this class during the past year. The first was launched in December, 1914, the event being of some historical importance since this vessel was the first warship to be entirely built in Australia. The "fleet unit" to which the new destroyer is attached consisted of thirteen vessels, authorized in 1909. They included one battle cruiser—Australia; three light cruisers—Sydney, Melbourne and Brisbane; six destroyers, and three submarines—two of which have unfortunately been lost, one in the Pacific and the other in the Dardanelles.—United Empire Magazine.

### RED ROSE GROUP HAS BEEN LEASED

William MacAdam, formerly a newspaper man in Sandon, but now of Edmonton, was here this week to close a deal for the Red Rose group, one of the best copper properties on Rocher de Boule mountain. He and his associates have negotiated a lease and bond, the terms of which have not been made public.

Peterson & Ek are the vendors. An engineer is expected to arrive next week to make plans for work on the Red Rose, which is to be opened up at once.—Omineca Miner.

## The Housekeeper is Right

Sometimes a housekeeper requires a quick leavening agent, and finds she has no baking powder.

What does she do?

She raises her biscuit by a mixture of cream of tartar and soda, or soda and sour milk. She may not get the proportions quite right, but she knows her food is safe. But does she ever use a mixture of alum and soda? Was there ever a housekeeper who bought alum and soda to make a home made baking powder? Intuitively she feels it would be unsafe.

Then why use baking powder made from alum or the same mixture that the housekeeper would not dare to mix and use in her food?

Alum is alum, whether bought in the drug store or in baking powder.

## DR. PRICE'S CREAM BAKING POWDER

Editor Daily News,  
Dear Sir:—At an executive meeting of the Prince Rupert branch Canadian Red Cross Society held on October 22nd, 1915, Mr. G. W. Morrow was appointed the official publicity agent for the Society in Prince Rupert, and he is, therefore, the only authorized person permitted to insert any article appertaining to the affairs or undertakings or work of this Society in the public press of the city.

You will, therefore, please bear this in mind when receiving copy with reference to Red Cross matters.

Very truly yours,  
J. B. ROERIG, Sec.

Editor, The Daily News,

Dear Sir:—It gives me pleasure to inform you that at the Annual General meeting of the Canadian Red Cross Society held on October 22nd, 1915, Mr. G. W. Morrow moved, seconded by Mr. Wm. Manson, was unanimously carried that a vote of thanks be tendered the press of Prince Rupert for the very generous and patriotic spirit shown by the press of the city towards the Red Cross Society in giving unstinted support and publicity to the various undertakings conducted by the Society.

It is certain that the results that have been achieved are due in large measure to the liberal publicity so cheerfully given, and we want you to know that it has certainly been appreciated.

Yours very truly,  
J. B. ROERIG, Sec.

#### "QUEEN AND ADVENTURER" AT THE MAJESTIC THEATRE

The Majestic tonight and tomorrow presents a remarkable four-act Pathe drama, entitled "Queen and Adventurer." It is an intensely dramatic story of the reign of Henry VIII. in which the intrigue of court life during that troublous time is truthfully depicted.

The play circles around the life of Princess Mary, a banished daughter of King Henry, who succeeds her brother on the throne. Meantime she has fallen in love with an Italian adventurer. The piece is beautifully staged and is splendidly acted, and should prove to be one of the most attractive features ever screened at the Majestic.

"Spitball Sadie," an extremely amusing comedy, and a Pathe Gazette completes a high-class program. The Gazette shows the latest Paris fashions, in color, which should delight the ladies.

#### "THE UNAFRAID" AT THE WESTHOLME THEATRE

The Westholme Theatre tonight and tomorrow presents "The Unafraid," a four-act Lasky feature in which Rita Jolivet makes her screen debut. This drama is one of the most romantic ever screened. The scenes are laid in the hills of Montenegro, and the story is of an American girl, Delight Warren, who daringly goes to Montenegro to marry a dashing Montenegrin nobleman. She is captured by the brother of her fiance and taken to his castle, where he forces her to marry him, so that it shall be impossible for her to wed his brother, who is a traitor to his country and desires Delight's wealth to use it against his fatherland.

It is an absorbing play, full of unusual situations and is certain to prove a delight to all. "Billie's Debut," a most laughable comedy, featuring Billie Reeve, the famous English comedian, completes a magnificent program.

## INSPECTION

INSPECTION of the Gillette Safety Razor  
by mechanical experts and men of judgment shows clearly WHY seven million  
shavers prefer it.

The thin, flat blade is tempered to a uniform hardness impossible in an ordinary thick-backed razor. As a natural result, it takes an edge unequalled for even keenness.

The curved holder supports the blade close to the shaving edges, preventing all that vibration which makes hollow-ground open blades and other safeties pull and irritate when they strike a stiff beard.

Then there's the adjustable feature, exclusive to the Gillette.

By a simple turn of the wrist you can regulate a Gillette shave to a nicety—light, medium or as close as you like.

The toothed guard ensures safety, and permits such free and rapid strokes that a smooth, clean Gillette shave need take no more than three minutes.

Inspect the Gillette and you'll buy it—and shave in comfort thereafter. Go to it! Your Druggist, Jeweler or Hardware Dealer will gladly parade the Gillette Line before you.

"Bulldog", "Aristocrat" and Standard Sets, \$5.00—Pocket Editions, \$5.00 to \$6.00—Combination Sets, \$6.50 up.
