PREMIER BOWSER ISSUES MANIFESTO — LIBERALS PREPARING FOR BIG FIGHT

MANIFESTO IS NOTABLE FOR WHAT IT OMITTS

No Mention of Unemployment, Miners' Labor Problems, Woman Suffrage, or Liquor Question.

(Special to The Daily News.)

Vancouver, Dec. 20.—Premier Bowser has issued a manifesto which indicates the creation of a special portfolio of agriculture; an effort towards better colonization; financial retrenchment; an inquiry to consider means for completing railroads already begun; aid to build lumber carriers, and a Workmen's Compensation Act.

Brewster's Reply.

H. C. Brewster, the Liberal leader, replies that the manifesto is notable for the lack of mention of the provincial finances; unemployment; miners' labor problems; woman suffrage, or any mention of the attitude of the government towards the liquor question.

Collect from Speculators.

Mr. Brewster says that the financial situation depends for relief upon the forcing of the collection of arrears of payment from the alien speculators.

MT. MACDONALD IS PIERCED BY RAILROAD MEN

Tunnel Borers Meet in Heart of the Selkirks—New Road to be Open for Traffic in July.

(Special to The Daily News.)

Rogers, Pass, B. C., Dec. 20.—The tunnel under Mount Macdonald, at the highest point of the railroad grade through the Selkirks on the Canadian Pacific Ry. system has been blown through.

The building of the tunnel necessitated boring for five miles through the heart of the mountains. The new route, which is expected to be open for traffic in July, 1916, eliminates a very heavy grade as well as a dangerous winter route, and will considerably reduce the operating expenses of the C. P. R. on that section of the road.

The work, which has been in progress for several years, has been carried through by a branch of the well known firm of Foley, Welch and Stewart.

Severe Storm.

Vancouver, B.C., Dec. 20.—The prairies throughout the north-west provinces are storm-swept, and Vancouver is experiencing the most severe gale, from the southeast, felt for years. All wires are down.

THREE RUPERT YOUNG MEN FOR AIR SERVICE

Alex. Young, son of Judge F. McE. Young, has applied for admission to the Aero Club Aviation School at Vancouver. His name has been added to a "waiting" list of about thirty. Hugh Scott and Alex. Saint also have soaring ambitions and expect to join the same training school.

DIOCESE OF CALEDONIA.

On Sunday last, Bishop Du Verne held an ordination service in St. Paul's Church, Metlakatla, when Rev. James Gillett was advanced to the priesthood. The Bishop was assisted by the Rev. W. S. A. Larter, of Seal Cove, Prince Rupert. Before the ordination the Bishop baptized two infants, one the grandson of the highly esteemed Lay Reader of Metlakatla, Mr. C. F. Morison.

In addition to these two special services the Bishop invested the three newly elected Church Army officers with the red cord of office.

Mr. Gillett is in charge of the Porcher Island Mission and with the "Western Hope" visits the settlers scattered round the coast of this and other adjacent islands, being a Newfoundlander he is at home on the sea.

GENERAL WINTER TAKES COMMAND AT THE FRONT

Photo shows a long line of motor trucks laboring through the first fall of snow in France this year. Winter adds greatly to the problems of the transport system of all the armies in the field.

HAZELTON BOY HAS HAD NARROW ESCAPES

Tommy Brewer, of Hazelton, who went to the front with the first Prince Rupert contingent, has had many narrow escapes, but has so far escaped without a scratch. He has been for some time in a company of bomb-throwers, commonly known as a "suicide gang." On one occasion, the whole company but Tommy and another was wiped out. On several occasions he has had a bomb shot out of his hand, without his receiving the slightest wound.

LIEUT. C. S. WRIGHT HONORED IN FRANCE

Lieut. C. S. Wright, of Toronto, a brother of A. E. Wright, of this city, has been awarded the cross of the Legion of Honor for distinguished bravery in France.

TWO MONTHS

Jack Besforth, who was recently arrested for thefts committed at Granby, was sentenced to two months in jail here for stealing boxing gloves, etc., and two months for stealing a suit of clothes, the sentences to run concurrently. Accused was tried before Judge Young this morning.

BASKETBALL

UNDERGOES OPERATION TO QUALIFY FOR SERVICE

Bert Schooling, who was one of the mail carriers between this city and Hazelton in the dog team days and who has lately been a road foreman around Smithers, entered the hospital here last night to undergo an operation for hernia in order that he may qualify for a place in the 102nd Battalion for overseas service. Bert is evidently made of good fighting stuff.

BASKETBALL TEAM ARRIVED SATURDAY

The New Metlakatlah basketball team arrived in the city on Saturday night. They are a first rate team and the local boys will have to put up a good brand of ball to beat them.

GIRLS' SEWING CLUB

A little girls' Sewing Club held a sale of dolls' clothes and home made candy at the residence of Mrs. I. N. Linnell on Saturday afternoon. The proceeds, which amounted to \$10.00, will be given to the Red Cross Fund. The members of the club are Miss Eleanor Peck, Miss Louie Fisher, Miss Frances Cummings, Miss Leona Parker and Miss Margaret Palmer.

HUN CRUISER AND TORPEDO BOAT ARE SUNK

Allied Submarine does Good Work in the Baltic—Large Part of German Crews were Rescued.

(Special to The Daily News.)

Amsterdam, Dec. 20.—It is officially announced from Berlin that the German cruiser Bremen, and a torpedo boat which accompanied her, have been sunk by a submarine in the eastern Baltic. A considerable portion of the crews was saved.

The Bremen was built in 1903 and carried a crew of 300.

BORDEN GOVERNMENT'S TRUST IN ITS FRIENDS

Ottawa, December 18.—The foxy guessers are predicting that the government will not invent any new taxes at the coming session of parliament, the idea being to postpone these burdens on the people until another general election decides which party is to be the goat. Meanwhile there may be another war loan or two while the borrowing is good and the Canadian people loosen up readily.

Rumor has it that the finance minister was fairly knocked flat by the tremendous answer to his first appeal to the people. He had no idea that they would bid it up that way, and when he saw the amount subscribed twice over it gave him a new light on the Liberal doctrine that the best way for a government to get along is to trust the people. Wonderful things happen, as history knows, when a government makes a policy of trusting the people, but Mr. White never had the lesson brought home to him with great personal force until he floated his Canadian war loan. He not only got what he asked for twice over, but a very broad hint with it that there was plenty more where that came from.

Up to a month ago the Borden government was trusting everybody but the Canadian people. It seemed to have got the notion into its head that it had a stroke of luck in 1911, and that the people must not be allowed near enough to discover what a ruck it was. At any rate they had little confidence in the people at large and when the war came along they proceeded to make it a strictly party affair, only patriots of the right Conservative complexion being admitted to the close communion of profiteers. How the party patriots behaved was uncovered by the scandal committee, a sordid story which need not be repeated here.

Undaunted by these experiences the government proceeded to trust the Shell Committee, which was formed after parliament had prorogued and the Scandal Committee had shut up shop. It was natural to suppose that the Shell Committee would get in most of its fine work before the next session of Parliament and that con-

LIBERALS GET READY FOR THE BY-ELECTIONS

H. C. Brewster will Oppose Flumerfelt and Mayor Wilson will Contest Rossland—Vancouver decides Friday.

(Special to The Daily News.)

Vancouver, Dec. 20.—A Liberal caucus held in Vancouver decides that all by-elections will be contested.

H. C. Brewster, the Liberal leader, will oppose Mr. Flumerfelt in Victoria, and Mayor Wilson of Rossland, will contest that constituency against Lorne Campbell.

The Vancouver Liberals will hold a convention on Friday to select a candidate to oppose Mr. Tisdall.

Rossland Candidate.

Mayor Wilson, who opposes Lorne Campbell in Rossland, is a labor man of ability and popularity, and will put up a strong fight against the president of the Kootenay Light and Power Company. It will be a fight of the people against the corporations.

sequently it would be safe to trust the Committee at least until it was found out. So the shell game went along merrily for months and Sir Sam never had a suspicious thought about it, and as for the government, it went on trusting from day to day, as the hymn says, simply trusting, that was all. It trusted the steel pirates on the committee not to be too kind to themselves when they were distributing the plunder and it would have gone on trusting them to this day if dear old Mother England had not quit first The Shell Committee had in fact made such a hole in the resources of the British Empire that John Bull, accustomed as he is to deep calls on his pocket, set up a roar that could be heard across the Atlantic Ocean. Whereupon David Lloyd George sent Canada his two apostolic delegates. (Continued on Page Two)

THE LOST JOB

Sir Richard McBride must feel like the man who reaches the top of a stairway in the dark and tries to tread on a step which isn't there. It is too bad that Dick did not make certain of the details of the Agent-General's job before he handed in his resignation to the Lieutenant Governor. Of course the official report is that Sir Richard resigned, and, at the first meeting of the new cabinet, the new premier, out of the largeness of his heart, offered the retiring premier the job in London.

It is very unlikely that Sir Richard knew of the conditions under which J. H. Turner holds the post, but it is also very unlikely that Bowser did not know. Evidently the all-important matter was to get rid of Dick at any price and let him take care of the other job to the best of his ability. One cannot help but feel sorry for the late premier. He had helped to play the Bowser game for years and now he finds Bowserism of the harshest description applied to himself. There are some who will say that he could expect little else, but, at the same time, it is extremely hard that a man who has been used to living luxuriously for years should find himself, practically speaking, out of a job. His old friend Sir Dan might come to the rescue, but Dick's recommendations will not appeal to Dan so strongly as they once did. A premier out of a job and a premier ready to guarantee millions of dollars worth of bonds must look like two very different persons to the railroad magnate.

The way out of the difficulty will be to grant J. H. Turner a nice fat pension and provide jobs, or at least salaries, for

some of his relatives, and then Sir Richard will be himself again, at least he will be Agent-General again.

NOTES AND COMMENTS

Bowser should now make Sir Richard chairman of a royal commission to consider the question of providing for defunct premiers.

Ford has decided that he will permit the war to proceed until after Christmas.

If Bowser wanted to pay off an old score with poor Dick, he did it very effectively.

London must be wondering what kind of a government British Columbia has anyway.

President Wilson had a busy time Saturday, having both a note and a knot to attend to.

There is no news these days of the movements of the Russians around Varna and Silistria, but it is very unlikely that they are asleep. The Germans and Bulgarians will probably find themselves between very hot fires shortly.

There is a rumor around town to the effect that Joe Merryfield has wired offering Sir Richard a job.

William Manson will have a busier time explaining to his followers what his new job amounts to, than he has in filling it.

BORDEN GOVERNMENT'S TRUST IN ITS FRIENDS

(Continued on Page three.)

gates, Mr. Thomas and Mr. Hichens, who straightened the Shell Committee out, took it out of the hands of a too confiding government and reorganized it generally on the basis that they would trust

it as far as they could see it. If you asked Mr. Thomas or Mr. Hichens for their opinion as to how far the original Shell Committee could be trusted they would probably reply that it could be trusted to help itself to anything that wasn't nailed down.

Another thing the government is disposed to trust is Royal Commissions of one sort or another. It's a dull week when the Borden government doesn't invent a new commission to take over part of its work.

And when it comes to Royal Commissions it is worth noting how much trust the government places in certain men who will be found on nearly all the commissions. Evidently so far as the Borden government is concerned, Mr. J. W. Flavelle is a Rock of Ages on whom it can always lean. No doubt Mr. Flavelle deserves this great trust. He helped turn the wicked Grits out in 1911 when they contemplated giving the people a chance to buy their bacon at some other shop than Mr. Flavelle's. He has organized the hog industry on a systematic and highly profitable basis and is acknowledged by hog raisers and others with whom he comes in contact, as a Napoleon of Business.

Incidentally he is a moral up-

LAND REGISTRY ACT

TAKE NOTICE that an application has been made to register Antonello Angelo, of Prince Rupert, B. C., as the owner in fee-simple, under Tax Sale Deeds from the collector of the City of Prince Rupert, to Antonello Angelo, bearing date the 17th day of September, A. D. 1915, in pursuance of a Tax Sale held by said Municipality on or about the 9th day of September, 1914, of all and singular certain parcel or tract of land and premises situated, lying, and being in the City of Prince Rupert in the Province of British Columbia, more particularly known and described as:—Lot Four (4), Block Forty-five (45); Lot Eight (8), Block Forty-seven (47); Lot Thirty-five (35) and Thirty-six (36), Block Fifty-one (51). All in Section Eight (8), Map 923.

You and those claiming through or under you, and all persons claiming any interest in the said land by descent whose title is not registered under the provisions of the "Land Registry Act" are required to contest the claim of the tax purchaser within forty-five days of the service of this notice upon you. Otherwise you and each of you will be forever estopped and debarred from setting up any claim to or in respect of the said land, and I shall register the said Antonello Angelo as owner in fee.

Your attention is called to section 36 of the "Land Registry Act" and amendments, and especially to the following extract therefrom which relates to the above notice:—

"And in default of a caveat or certificate of his pendency being filed before the registration as owner of the persons entitled under such tax sale all persons so served with notice, or served with notice under subsection (6) of section 155 of the "Municipal Clauses Act, 1900," or section 293 of the "Municipal Act" or section 139 of the "Assessment Act, 1903," or section 253 of the "Taxation Act," in cases in which notice under this Act is dispensed with as hereinafter provided, and those claiming through or under them, and all persons claiming any interest in the land by virtue of any unregistered instrument, and all persons claiming any interest in the land by descent whose title is not registered under the provisions of this Act, shall be forever estopped and debarred from setting up any claim to or in respect of the land so sold for taxes."

lifter of great repute and a decided acquisition to any Royal commission to which he may belong. He is now a member of the Dominion Resources Commission, its leading member one might say, and is also chairman of the Munitions Board, so that he is pretty well spread over the field of national endeavor. No one attempts to deny that he is equal to these grave tasks, but certain other members of the Conservative party, themselves no mean performers, are wondering how Mr. Flavelle happens to be so big that the government can't see anybody else. This may be jealousy, of course, but when one considers that the Ontario government has chosen another Flavelle, J. D. to wit, as chairman of the Provincial License Commission it does begin to look like a run on the Flavelle family.

The Flavelle shoulders are broad and they have four shoulders between them, so they may be able to bear the load, but they are getting the government with which they mingle into lazy habits not to mention the fact that there are other men in the party who are willing to take over some of the chores. Meanwhile the two Lindsay phenomenons remain in favor as headliners and their special stunt might be entitled—Responsible Government, A Sketch by the Flavelle Brothers.

Curiously enough before the government decides to trust the Canadian people to a limited degree it had trusted the United States, with whom it was sworn to have no truck or trade, to the extent of borrowing \$40,000,000, which, of course, not only takes our money out of the Empire of which we form a part, but helps to deplete the British gold reserve. However, war loans in Canada will put an end to that. Incidentally, Mr. Brand, another of Lloyd George's missionaries, has thrown out the suggestion that the Canadian government trust itself to finance British war orders in Canada by issuing Dominion notes against British treasury bills—taking John Bull's I. O. U., as it were, for war supplies—and it may pluck up enough to do it.—H. F. Gadsby.

Stomach Trouble and Rheumatism Relieved By "Fruit-a-tives"

MR. L. LABRIE

594 Champlain St., Montreal.

"I have been restored to health by taking 'Fruit-a-tives'. For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I became very weak, had frequent dizzy spells and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints and my hands swollen.

A friend advised me to try 'Fruit-a-tives' and from the outset, they did me good. After I had started the second box, I felt I was getting well and I persevered in the treatment. I can truthfully say that 'Fruit-a-tives' is the only medicine that helped me.

"FOR LOVE AND MONEY" AT WESTHOLME THEATRE

"For Love and Money" is the title of the fourteenth episode of "The Diamond from the S ky" at the Westholme tonight. It is full of thrills from start to finish. There is a particularly fine Eclair Gazette, showing the first appearance of the King since his accident; views of the Belgian trenches; scenes at Saloniki; pictures of Nurse Cavell, and the decoration of French heroes.

"His Hand and Seal" is a splendid two-act drama, while "Snakeville's Hen Medic," a screamingly funny comedy, completes a show well worth seeing.

On Wednesday and Thursday Mary Pickford will be here, accompanied by Charlie Chaplin.

LAST INSTALLMENT OF "THE BROKEN COIN"

Tonight the last installment of "The Broken Coin" is screened at the Majestic, and there is certain to be a big crowd to bid farewell to Kitty and her associates. The final scenes of this great serial are not to be missed as they are just as sensational as the rest of the story.

There is also a great feast of comedy, with "Easy Money," which is a scream, and "The Winners of the Great Universal Beauty Contest" in two reels which are full of laughter. A splendid Animated Weekly completes one of the most attractive bills seen at the Majestic for some time.

On Wednesday and Thursday the great Pathe colored masterpiece "Pro Patria" in six reels will be shown.
