THE MAYORALTY

To the Electors of the City of Prince Rupert,

Ladies and Gentlemen:—In response to the wishes of a large number of ratepayers, I have consented to again become a candidate for the office of mayor for 1916.

In the past I have made it a point of always being on the job in carefully guarding the affairs of the city along the lines of impartiality, practicability, economy based upon efficiency, and the preservation and success of our public utilities.

If these efforts have met with your approval, might I again solicit your support as a means of the continuation of such a policy for the next year? Yours truly,

S. M. NEWTON.

FRENCH GUNS MOW DOWN HUNS IN CHAMPAGNE

Determined German Attacks Repulsed on Saturday and Sunday—German Infantry Faces a Terrific Gun Fire.

(Special to The Daily News.)

Paris, Jan. 12.—The German force, attacking in the Champagne region, lost very heavily in a determined offensive on Saturday and Sunday.

Three divisions, in all sixty thousand men, advanced in the face of a terrific French artillery fire, which took heavy toll of the Germans.

Carefully Selected Men.

The German forces, which included regiments from the Imperial Guard, were carefully selected for the attack. The infantry attack followed a heavy bombardment which lasted for twenty-four hours.

French Reply.

The French made a prompt reply with three-inch guns, which stopped the first wave of attack as the German troops left their parapets. The enemy made four separate attempts to carry the French defences, and at the last left many men between the lines, all of whom surrendered.

EXPLANATION

A. H. McPherson, by his letter in The Empire yesterday, forces us to explain that the letter which he sent to The Daily News in regard to Borden Street school contains a passage which was distinctly libellous. When the letter appeared recently in The Empire, that part of it was carefully omitted, else the letter would not yet have appeared in type. When the letter was refused, the editor of The Daily News referred Mr. McPherson to the School Trustees, and also brought the matter to the notice of a member of that body.

The rest of Mr. McPherson's effusion calls for no comment, but we may add that the files of The Daily News are loaded with unpublished letters, dwelling upon the shortcomings of Mayor Newton, which the editor did not think of sufficient public interest to publish.—Wm. Turnbull, editor.

MRS. L. W. KERGIN'S MOTHER PASSED AWAY IN TORONTO

Dr. L. W. Kergin received a wire from Mrs. Kergin in Toronto yesterday stating that Mrs. McCaffery, Mrs. Kergin's mother, passed away in the Ontario city on Monday. It will be remembered that Mrs. Kergin was called east about four months ago on account of the state of her mother's health. The sympathy of the whole community will go out to Dr. and Mrs. Kergin in their bereavement.

OLD TIME PROSPECTOR SUICIDES IN VICTORIA

Joe McGrath, better known as Joe McGraw, a former resident of Prince Rupert and an old time miner on the Portland Canal and throughout the north, shot himself with a revolver in his home in Victoria the other day. Joe was an old naval man, and recently re-entered the service on board H. M. S. Shearwater. He was a magnificent specimen of manhood and no reason can be found for his rash deed.

POLICY

Believing the time has arrived for public-spirited interest in civic affairs, I contend that, during the present crisis, with little in sight to be done, the indemnity granted the city council for their services should be eliminated, or substantially reduced. The support of those favoring such a policy is requested on behalf of **T. McClymont** for Alderman.

GERMANS LOST VERY HEAVILY IN BUKOWINA

Many More Prisoners taken than at First Reported—German Wounded Number Hundred Thousand.

(Special to The Daily News.)

Petrograd, Jan. 12.—The number of prisoners taken by the Russians on the eastern front is much greater than was at first reported. A party of 2,200 has reached Kiev and a thousand more are bringing up the rear, all unwounded.

100,000 Casualties.

The prisoners declare that the Austro-Germans had 100,000 wounded in the recent fighting in Bukowina.

Germans from the French front declare that the fighting there did not compare with that around Czernowitz in fury.

ELECTION NOTES

Mr. McCaffery is a man of most alert mind, and has made a close and intelligent study of civic government. His utterances have always been characterized by shrewd common sense. There is no one more jealous of Prince Rupert's interests than he. No one will be able to "put one over" while he is mayor, and his election, viewed from every angle, will be for the common good.

The hubbub amongst the clamorous throng of aldermanic candidates is a mere passing episode of misplaced ambition. No great harm will result, no matter who are successful, but to reject McCaffery and re-elect Newton would be a calamity for the city.

There is no truth in the report that McCaffery intends to present Mayor Newton's goat to the new Prince Rupert museum. McCaffery will not be so unkind as to rub it in.

There will be fourteen "sadders and wisers" on the night of the 13th.

Every blessed one of the candidates for alderman thinks he will be elected. What a curious thing is the human mind.

The question which is most freely discussed is not whether McCaffery will be elected, but as to what his majority will be.

It is too bad that the old council did not make a contract with a movie operator before they disbanded. They might have remembered that there are future generations to be amused.

(Special to The Daily News.)

London, Jan. 12.—The Austrian announcement of the occupation of Mount Lovcen in Montenegro by Austrian troops is unconfirmed.

BELGIAN RELIEF FUND

Last year Prince Rupert did nobly in the way of a contribution to the Belgian Relief Fund, and another opportunity will be given the citizens to follow up that good work.

The stemming of the German flood for days along the Belgian frontier saved the situation, just as surely as the Canadian troops did at St-Julien and Langemarcke.

Today, her women and children are dependent upon others for their bread and shelter, and it is a privilege to any community to be allowed to help in providing these things.

is given to the people of Prince Rupert to again contribute their share in this work, they will not be found wanting.

NOTES AND COMMENTS

The most gratifying feature of the mayoralty campaign is the fact that party politics does not figure in it in the slightest.

While many suffered from the cold in Vancouver on Monday night, others must have complained of the heat.

If the Germans get wise to the quantity of copper wire which is lying around Prince Rupert there may be something doing.

It is rumored that there was a big rush for thick sox amongst the aldermanic candidates yesterday.

O. H. Nelson seemed to take a fond farewell of his seat at the reporters' table in the council chamber on Monday night.

The gentlemen carrying the new brooms yesterday were not aldermanic aspirants, but simply innocent curlers.

In electing McCaffery as mayor, the citizens are not swopping horses in mid-stream, but simply taking on an experienced and reliable pilot when entering a dangerous passage.

LOCAL MINING MAN PROSPECTING IN ALASKA

The Daily News has received a letter from Lewis Duncan, the well known interior mining man, who is now prospecting in Alaska, with his headquarters at Anchorage. Mr. Duncan says that they are pretty well shut in this winter, on account of ice in the harbor, but that Delegate Wickersham has applied for and expects to get an appropriation of \$250,000 for harbor improvements which will help matters considerably.

Mail is taken in once a week by dog team and goes out twice weekly. There is no shortage of provisions and prices are reasonable. There is, however, a decided shortage of hay and oats, and some of the teams will have to be taken to Seward for feed. They have snow to the depth of three and a half feet, and the lowest the thermometer has reached is 20 below.

M.P. McCaffery Realizes Task Ahead

To the Editor of The Daily News,
Dear Sir:—In a published letter from Mayor Newton to the Electors of the City of Prince Rupert, I note the following: "The big problem which will confront the next council will be the refloatation of the Treasury Certificate issue."
With reference to this statement, I wish to state that if elected, I will spare no efforts to provide for a favorable disposition of these certificates, and the ratepayers of the City of Prince Rupert can rest assured that I will be absolutely certain as to whether the money is costing them six, eight, or ten per cent.
Very truly yours,

M. P. M'CAFFERY'S FRIENDS THOROUGHLY SATISFIED

A meeting was held last evening in the committee rooms of M. P. McCaffery for the purpose of completing the organization for the municipal campaign. George W. Nickerson presided over a gathering of about 100 voters, and the final arrangements were carried out.

During the evening, short speeches were made by the coming mayor and several of the aldermanic candidates and others. The utmost enthusiasm prevailed, everyone being thoroughly satisfied with the way things have gone, with workers and speakers alike optimistic as to the result.

Mr. McCaffery, in his speech, showed that he fully realized the gravity of the city's financial situation, and that he is thoroughly prepared to grapple with it. He showed where the present administration, by its lack of knowledge and foresight, had landed the city in a tight corner, from which he hoped to be able to extricate it.

The reports from the various committees showed a most decided majority in favor of Mr. McCaffery.

The meeting closed with the singing of "God Save the King," and three rousing cheers and a tiger for the new mayor.

Another meeting will be held in the committee rooms tonight.

PRINCE RUPERT SEES FIRST CURLING GAME

History was made in Prince Rupert yesterday when the first curling game ever played in the city was brought off on the Grand Trunk Pacific Hotel site. When the curlers who took part in yesterday's game are grandfathers, and the city of Prince Rupert has a population of 50,000 people, they will tell wondering youngsters of the time when they "threw the stanes" right where that magnificent hotel is standing.

COLORED MASTERPIECE AT MAJESTIC THEATRE

There is a spectacular treat in store for Majestic patrons tonight when the management presents another of those Pathe colored masterpieces. All who saw the former colored production will be certain to see this one, and those who missed the other should make it a point to view "Traitors to Their King" tonight. The coloring adds a realism to the play which is wonderful, so naturally is the film tinted. This piece is in four acts and should draw a big crowd.

There is also a Pathe News, showing the latest events through out the world and "Monkey Shines," a most laughable comedy making six good reels.

RED CROSS SALE

Mrs. J. W. Potter and Mrs. F. G. Dawson will have charge of the weekly Red Cross sale of home cooking on Friday. Messrs. Killas Bros' new fruit and confectionery store, next to George Title's on Third Avenue, has been placed at the disposal of the ladies. Last week's receipts show that interest is still manifested in this noble work and all ladies are again requested to kindly send in home cooking.

2,000,000 Belgians Depend on us for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!
