## TWENTY-EIGHT KILLED BY ZEPPELIN BOMBS

### TERRIFIC FIGHTING WEST OF MEUSE -- RUSSIAN HOSPITAL SHIP IS TORPEDOED

#### NINETY BOMBS ARE DROPPED BY FIVE ZEPPELINS

Twenty-eight Killed in Latest Air Raid on England—One Zeppelin is Captured off the Thames.

London, April 1.—Five Zeppelins made an attack upon the eastern and northern counties of England last night, dropping ninety bombs. They crossed the coast at different times and places.

##### One Captured.

The Admiralty announces that one of the Zeppelins was captured off the estuary of the Thames. The German airship was badly damaged by the fire of anti-aircraft guns and was forced to descend.

She was surrendered on the approach of a British patrol vessel and her crew taken prisoners. The Zeppelin was taken in tow but broke up and sank in the river.

This is the twenty-second air raid on England since the outbreak of the war, and the airship taken last night is the third to come to grief on these raids.

The craft being used now are larger than the types used previously and the raiders of last night travelled at a great height. Nine bombs were dropped into the sea. Twenty-eight persons were killed and forty-four injured.

#### MONSTER VARIETY SHOW AT WESTHOLME THEATRE

There is a monster nine-reel variety show at the Westholme tonight, including five reels of mirth. "Fatty and Mabel and the Law" is full of funny situations. Fatty and Mabel getting into serious trouble because of a law against "spooning." Ford Sterling, as "The Foreman of the Jury," is also good. "Dirty Face Dan" is a comedy which will vastly amuse young and old, while "The Sheriff of Bisbee" is two reels of western fun and frolic.

"A Soul Astray," a two-act drama, is the story of a ne'er-do-well, who has gone through a fortune, been driven from home, and is now a beach-comber in

#### GERMANS FAIL IN ATTEMPT ON DEADMAN'S HILL

Desperate Fight West of the Meuse and at Malancourt—The Enemy Repulsed Leaving Thousands of dead.

Paris, April 1.—The fighting west of the Meuse from Malancourt to Avoncourt woods has reached a stage of intensity which is comparable with the terrific onslaughts at Douaumont and Vaux.

The Germans attempted to attack the French positions on Deadman's Hill and succeeded in entering the first line of French trenches but were later expelled. A second attack on the hill completely failed.

##### Thousands Dead.

Thousands of German corpses are strewn along a two mile front as a result of the German efforts against the French batteries on Deadman's Hill.

#### RESOLUTIONS MOVED REGARDING FISHING

The following is a copy of the resolution moved by Mr. George W. Morrow at the public meeting held in the Empress Theatre on Wednesday evening, and carried unanimously:

Resolved that this meeting of the citizens of Prince Rupert, presided over by the mayor of said city, hereby endorses unanimously the suggestions and resolutions recommended and passed in public meeting by the Fishery Committee, composed of the City Council, Board of Trade, and citizens, submitted to Mr. F. H. Cunningham and Mr. D. N. McIntyre, representatives for British Columbia on the Fisheries Advisory Board of Canada, during the sessions held in this city on December 2nd last and that copies of same be forwarded by the mayor of this city to Premier Bowser, Mr. H. C. Brewster, Mr. Parker Williams and the Hon. William Manson, and further that this meeting instructs the mayor to request Mr. Parker Williams to introduce a resolution in the Provincial Legislature, demanding the government's withdrawal of further opposition to the granting of concessions asked, so far as the government of the Province of British Columbia has any jurisdiction, and thereby destroy an outrageous monopoly now existing under government protection, and that British subjects be given their just rights and privileges in connection with the salmon industry in northern British Columbia.

the South Seas. Through a snapshot taken by a friend, his former sweetheart discovers him and writes a letter imploring him to come home, but this prodigal does not return. The Bahamian views are interesting and instructive. "The Missing Pearl," a beautiful colored film, completes a big bill.

#### INTEREST IN ALICE ARM DISTRICT GROWS

The Princess Maquinna last evening brought north part of the outfit for the road and wharf construction at Alice Arm which has been undertaken by Mitchell Albert of this city, while the steamer also carried about seventy men bound for the new mining camp. Passengers from the south state that there is more excitement in the southern cities over this new camp than there is up here.

Sol Cameron, who will have charge of the construction work, was among the passengers. He states that the work will be started immediately, and that after the snow is gone more men will be brought in. The contractors, in addition to the road and the wharf, will build a sawmill at the Dolly Varden mine in order to supply lumber as required.

W. M. Law, one of Prince Rupert's old timers who is opening a general store at the camp, was also on the Maquinna, having part of his stock on board. Mr. Law will spend the weekend in Prince Rupert on business and will go north on the Prince Albert on Monday.

Charles Vaughan, of the Acme Company, took part of this firm's stock north last evening and Mr. Scheinman will follow in a few days. The Acme store at Alice Arm, which was built by William Angle of Prince Rupert, is now ready.

C. W. Calhoun, who has been south for some months, also came north from Vancouver. Mr. Calhoun is interested in the Alliance property opposite the site of the new wharf. He states that there is quite a deal of excitement in Tacoma and other cities over the developments at Alice Arm.

All the men interested in this district are anxious to see genuine work done. They have absolute faith in the future of the camp and do not want it to be spoiled by wild-catting. Things

#### THIRD PIONEERS ARE NOW IN THE FRAY

The latest casualty lists from the front show that the 3rd Pioneers, in which battalion many of our Prince Rupert boys, including "Scotty" Dennis and a number of the other men of the 48th, are serving, have been in action.

So far only one Prince Rupert boy, Lance-Corporal Frank McVittie, has been wounded. The Pioneers lost four killed and several wounded in recent fighting.

#### HARRY HINCKLEY GOT AWAY THIS MORNING

Harry Hinckley, the fourteen-year old bugler who has been making strenuous efforts to get to the front, managed to get away from the city this morning, en route to Comox, where he will join the 102nd. This determined youngster had a host of difficulties to overcome right up to the last minute and even this morning it looked as if he might be detained. However, he managed to get aboard and the Prince Rupert sailed with one supremely happy boy.

were very lively around the government wharf last night after the arrival of the Maquinna and everything points to Alice Arm being a real live camp this summer.

#### CLEMENTS' CASH CAME FROM SALE OF LULU RANCH

Herb Denies that Money Paid Him by Contractor was Share of Dredging Contracts Graft.

(Special to The Daily News.)

Ottawa, April 1.—H. S. Clements, M. P. for Comox-Atlin, was before the public accounts committee yesterday in connection with the probe into the dredging contracts at Victoria Harbor.

Mr. Clements gave an emphatic denial to the insinuation of Messrs. Carvell and E. G. Mallory that he got \$1,500 from Sub-Contractor MacDonnell in connection with these contracts. He said that he had never got five cents by graft in his life. He stated that the payment of \$1,500 made to him by MacDonnell was the first payment on the sale of a ranch on Lulu Island which Mr. MacDonnell had bought from him.

#### STARTLING CHARGES OF MUNITIONS GRAFT

The allegations of Mr. George Kyte, M. P. for Richmond, which caused Sir Robert Borden to send a hurry-up cable to Sir Sam Hughes, are indeed serious. Mr. Kyte states that "dummy" companies were incorporated in New York expressly for the handling of Canadian munitions contracts. For instance, the American Ammunition Company was incorporated with an authorized capital of \$1,000,000 and a SUBSCRIBED CAPITAL OF \$1,000. This company, along with several others of a similar calibre, were authorized to manufacture shells, cartridges, fuses, etc., though none of them had any plant whatever.

The International Arms and Fuse Company, which had an authorized capital of \$1,500,000 and a PAID-UP CAPITAL OF \$3,000, received a contract from the Canadian Shell Commission for 2,500,000 time fuses at \$4.50 each. Up to March 14th, they had delivered 6,000, though the contract was signed on June 19th, 1915. ON THE DAY THAT THE CONTRACT WAS SIGNED, THEY RECEIVED FROM THE SHELL COMMISSION A CASH ADVANCE OF \$1,125,000 AND WITHIN FOUR MONTHS THEREAFTER AN ADDITIONAL \$562,500, OR A TOTAL OF \$1,678,500. Sir Sam Hughes' friend Colonel Allison is implicated in some of the contracts.

#### RUSSIAN RED CROSS SHIP IS SUNK BY HUNS

Hospital Ship Sunk at Anchor in the Black Sea—Many Wounded Soldiers Drowned—Swiss Frontier Bombarded.

(Special to The Daily News.)

Paris, April 1.—The Russian hospital ship Portugal has been sunk, while at anchor off Shatie in the Black Sea, by a German Torpedo.

The vessel carried Red Cross signs and was carrying a large number of wounded soldiers at the time she was torpedoed. One hundred and fifteen were drowned.

##### Swiss Frontier Bombarded.

Geneva, April 1.—Two aviators dropped bombs on the Swiss frontier town of Porentruy. The bombs contained instructions printed in German.

The Swiss government is demanding that the aviators be punished and that a payment of an indemnity be made.

#### NURSE CAVELL'S STORY AT MAJESTIC THEATRE

The Majestic Theatre was crowded last night and everyone must have been delighted with the fare provided. Mary Pickford in "A Girl of Yesterday," was delightful and this great little actress never appeared to better advantage. In the quaint costume of fifty years ago she looked charming, while her acting was just as quaint as her costume. There was not a dull moment throughout the five reels.

The great Nurse Cavell picture was the most striking feature of one of the finest shows ever screened anywhere. The scenes are remarkably realistic and the picturing of this war tragedy must prove an incentive to recruiting. The life story of Britain's martyr nurse was followed with breathless interest. A very fine Gaumont Graphic of war news completes this magnificent show.

## \$15,000 FOR DICK

The Bowser government, in spite of the protestations of the members of the opposition who represent the opinions of a vast majority of the people of this province, has passed the estimates, including a salary of \$15,000 a year for Sir Richard McBride. It is just in keeping with the McBride-Bowser idea as to how the people's money should be spent to vote the defunct premier a salary which is larger than that paid to the premier of the Dominion.

The people of British Columbia are perfectly well aware that this sum is not voted to Sir Richard for any services he may render as Agent-General, but is simply a sop which it is hoped will take away some of the sting from his departure from this province. Sir Richard may be a good booster for McKenzie and Mann, but he cannot do this province \$15,000 worth of good per annum while acting as Agent-General in London.

Our Tory friends tell us that the province was too small to give Sir Richard scope for his abilities and that he is more suited for Imperial matters, hence the imperial salary he is now voted. What the Agent-generalship of this province has to do with imperial matters, it would be interesting to know. A provincial agent-general in London has no imperial standing, being looked upon as a mixture of drummer and immigration agent. We suppose the people should feel relieved to learn that Dick has not been voted this sum for life. We do not wish the illustrious and picturesque Sir Richard any harm, but he is much too expensive a luxury in these bread

and butter days in this province.

## NOTES AND COMMENTS

It would be interesting to learn what Sir Sam said when he received Sir Robert's cable to report at Ottawa without delay. It is too bad that Colonel John Wesley's little trouble should interrupt the march to Berlin.

Offering every man in the province 160 acres and \$100 per month for life would not save the life of the Bowser government now. The people at last have come to realise that they pay for everything and that every vote of money is so much more they have to put up.

The people of British Columbia don't think that it is worth paying \$15,000 a year to Sir Richard McBride for the questionable privilege of having Bowser as premier, even if it is only for a few weeks.

The story of the exploit of the German naval officer Schiller reads like an extract from Peter B. Kyne's story which is running in the Saturday Evening Post.

It is reported that Messrs. Cunningham and McIntyre forgot all about the Prince Rupert fishermen's resolution when they got to Ottawa. However, they might have written to the committee telling them so.

Since the Tories cannot refute the charges made by Dr. MacKay they are now trying to prove that he made them out of sheer malice. Even though the gentleman had threatened to shoot Dick McBride that would not make the land-grabbers any the whiter.

## NEUTRAL COUNTRIES HAVE INCREASED TRADE

That the war has been a great boon to neutral countries is evident from the returns brought down by the Norwegian Finance Department recently. For instance freight on cereals and food stuffs generally imported by Norway in July, 1914, amounted to 25,285,-200 kroner, while for January, 1916, it had gone up to 129,946,-300 kroner, or more than five times as much as in the month immediately preceding the outbreak of the war.

Though much of the increase is due to a large increase in the freight rates, owing to the shortage of tonnage, there is little doubt that there was also a large increase in the quantity of food stuffs imported, much of which was sent to Germany.

The increase of freight rates has caused the price of flour in Norway to be raised so that the loaf is now much dearer than before the war. To offset this extra cost to the consumer, the Norwegian government has placed a tax upon the tonnage of all vessels which is calculated to bring in nearly 25 million kroner. Part of this sum it is expected will be given to the various municipalities to reduce the cost of living.

**RECRUITS WANTED FOR 62nd OVERSEAS BATTALION, CANADIAN EXPEDITIONARY FORCE.**

In view of the recruiting which is in progress at present throughout the Province, it is apropos to answer a few of the questions which are considered by those who contemplate entering the Service. The following is a list of pertinent queries, together with the information which each elicits.

### QUESTIONS ANSWERED.

1.—How long am I to serve? Until the end of the war and six months after if required.

2.—What pay shall I receive? Your pay as a private will be \$1.00 per day and 10 cents field allowance. Besides this you will be clothed, equipped and subsisted by the Government.

3.—What will my wife receive during my absence? Every month there will be paid her a separation allowance of \$20 (also part of your pay) and if this be not enough to comfortably maintain your family, the Canadian Patriotic Fund will further assist them.

4.—What will happen if I am wounded or sick? You will be cared for by the Government and your pay continued until you are discharged. If you are permanently disabled an allowance will be paid you, varying according to the extent of your injury or disability.

5.—What will be done for my wife and children if I die while on Active Service? The Government will provide an adequate pension, that will enable the family to live comfortably until the children are old enough to look after themselves. The widowed mother of a single man, if the son be her sole support, is treated in the same way as a wife.

## PRINTERS' "PI."

"THE LAW is a hass," SAID SAM Weller, BUT probably THERE are FINE POINTS of law WHICH laymen DO NOT appreciate. IN THE case OF THE ARNOLD estate AGAINST several INSURANCE companies, IN VANCOUVER recently, THE JUDGE asked counsel "HOW ABOUT 'PROOF of death?'" "ADMITTED," AGREED Mr. Davis, AND then A LEGAL conference ENSUED. "NO, WE WILL not 'ADMIT death. 'WE WILL not admit 'ANYTHING," SAID Mr. Davis.

THE CHIEF justice LOOKED amused, AND said, "IF SUICIDE is 'A COMMON defence 'TO ALL the policies, 'I TAKE it, 'YOU MUST be agreed 'THAT the man 'IS DEAD?" "THERE ARE advantages 'TO US 'IF WE admit 'NOTHING," REPLIED the defence. IT MUST take THE BRAIN of a lawyer TO GRASP the value OF pleading THAT a man COMMITTED suicide WHILE also REFUSING to admit THAT the man IS DEAD.

# How Brown Learned How.

There is a man who makes shoes for children—and sells them to stores all over Canada But he is only just learning how people buy.

It was this way: His wife—let us call her Mrs. Brown—phoned to him and asked him to buy some underwear for little Brown.

Picture Brown now among the throng of mothers at the "Children's Underwear" counter. He asks for Underwear for a child of six. He looks it over helplessly. What on earth does he know about Children's Underwear? For lack of anything better to say he asks: "Is this good quality?" The answer is short and quite conclusive: "It's Blank's"—naming a well-advertised line. That short word says everything. Brown pays his money and goes home, quite satisfied with his purchase.

Now what bothers Brown—a manufacturer of shoes, is this: How would it affect the purchase of a child's shoes if the salesman said "They're Brown's"?

Nobody knows Brown's shoes. Brown doesn't advertise.

The name Brown signifies nothing when used in connection with children's shoes. The salesman must use all his persuasive wiles to induce people to buy them.

The point is—If the name Brown was as synonymous with Children's Shoes as "Blank's" is with Underwear, wouldn't Brown sell more shoes with less effort?

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper. If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.
