## IMPORTANT FRENCH GAIN NEAR PERONNE

### WASHINGTON EMBROILED IN NAVAL DEBATE -- RUSSIANS GET TWO SUBMARINES

#### HEAVY GERMAN CASUALTIES AT CHAULNES WOOD

French Bend Back German Line and Take Twelve Hundred Prisoners—Greeks Have Another Premier.

(Special to The Daily News.)  
Paris, Oct. 11.—The French have bent back the German lines on a front extending for two miles and a half just south of Peronne, straightening out their line in this region and bringing nearer the final attack on this stronghold.

The village of Bovent, on the outskirts of Ablaincourt, is now in the hands of the French, who also occupy most of Chaulnes Wood. The Germans lost twelve hundred prisoners and their casualties were particularly heavy, as they put up a stubborn fight, especially at Chaulnes Wood.

#### German Credit.

Amsterdam, Oct. 11.—The German Reichstag is requesting that another war credit of twelve billion marks be passed at the present session of the house.

#### Another Greek Premier.

Athens, October 11.—Professor Spyridos Lambros has been appointed premier and has succeeded in forming a cabinet. The new cabinet includes several university professors and is separated entirely from the recent political strife.

#### HON. BOB EXPLAINS

Mayor McCaffery this morning received a letter from Hon. Robert Rogers, in which he acknowledges receipt of M. P. Cotton's letter in regard to the drydock. The letter concludes thus: "The Grand Trunk have not, as yet, completed their contract with the department in so far as the drydock is concerned, and, until they have, the work cannot be transferred to any other company."

#### RUSSIANS SINK SUBMARINES IN BALTIC BATTLE

Subs. Attacked Wireless Station Off Murman Coast—Allied Gains in Balkans—Huns Gain Near Lutsk.

(Special to The Daily News.)  
Christiania, Norway, Oct. 11.—A Russian torpedo boat sank two German submarines in the Baltic. The submarines had attacked a wireless station off the Murman coast and had killed several persons by their gun fire.

#### Balkan Gains.

London, Oct. 11.—The Teutonic forces have evacuated Chavadar Mah, Ormanli and Haznartar on the Balkan front, while the British have also captured Kalendra Homondos from the Bulgarians.

Allied aeroplanes carried out a successful bombardment of Monastir, causing considerable damage.

In the fighting northwest of the Struma River, the Serbians captured eight hundred prisoners.

#### German Success.

Petrograd, Oct. 11.—The Germans have driven the Russians from their advanced positions to the northwest of Lutsk, in the meantime holding up the drive for Lemberg from this direction.

#### In Transylvania.

Bucharest, Oct. 11.—The Germans are closely pursuing the retreating Rumanians, who continue to fall back along the whole line. Eleven hundred and twenty-five Rumanians and five cannon have been captured and the fort of Kronstadt is again in German hands.

#### WEDDING BELLS

There was a pretty little wedding ceremony at the home of Mr. and Mrs. J. B. F. Melville last evening when Miss Barbara Duthie was united in matrimony with Mr. Walter Lee, of Dominion Cannery. Miss Clark was bridesmaid and Mr. John Clark supported the groom. Rev. W. W. Wright performed the ceremony in the presence of a gathering of friends of the happy couple and Mrs. Melville provided a dainty supper. Mr. and Mrs. Lee are receiving the congratulations of many friends.

#### DRYDOCK BUSY

The drydock will be busy very shortly on a job which will last for a few weeks. This work has no bearing whatever on the Cotton lease and did not interfere in the slightest with the carrying out of that agreement, which was for work covering a period of at least two years. Once the dock is occupied, the government will probably admit that it is completed.

"Paddy" Sullivan, one of Prince Rupert's real old timers, who left some time ago for active service, returned to the city this morning, invalided home.

A TRAVELLING OPERATING THEATRE.—The motor field operating theatre which is to be presented to the Italian government by the wounded Allies Relief Committee.

#### WINNIPEG EDITORS HAVE BEEN RELEASED

(Special to The Daily News.)

Winnipeg, Oct. 11.—Mr. Justice Haggart has quashed the warrant against the editors of the Winnipeg Telegram for contempt of court in connection with the recent Rogers episode in the enquiry into the Agricultural College building contracts. The newspaper men have been released and the judge ruled that the commissioner, Mr. Justice Galt, had exceeded his authority in sentencing for contempt.

#### ENJOYABLE DANCE

Last evening a very enjoyable dance was held in the Railwaymen's Hall by the young people of the city. About forty couples were present and dancing was kept up until an early hour this morning. The music was all that could be wished, being furnished by the Majestic orchestra. The thanks and congratulations of all are extended to Mr. Howard White and his willing helpers who worked to make the occasion what it was, a brilliant success, with the hope that the occasion be repeated in the near future.

#### THE CRADLE

Born to Mr. and Mrs. James M. Dunn, 457 Third Avenue, West, a daughter at the General Hospital this morning.

#### REGISTER NOW

Property holders only are on the municipal voters' list permanently. All who hold trade licenses must register this month at the city hall, if they wish to vote in the municipal elections in January. If you are not a property holder nor a holder of a trade license, you must pay your road tax and apply to have your name placed on the list. Do it now.

#### ALASKAN PIONEER MISSIONARY HERE

Rev. David Waggoner, of the Presbyterian Church of Alaska, passed through the city this forenoon on his way to Juneau. Mr. Waggoner, who has been in Alaska for fifteen years, has been attending the Synod at Everett, Washington. Though now located in Juneau, Mr. Waggoner is one of the real pioneers of Alaska, having roughed it years ago throughout the country which was looked upon as a wilderness at that time.

Much of Mr. Waggoner's time is taken up with the training of the Indians of Alaska along various lines and he has many interesting and amusing stories to tell of his early experiences amongst the natives.

#### SURF INLET BOOMING

Vancouver, Oct. 9.—Mining up Surf Inlet way is in a prosperous state and there is every prospect of a good yield in the coming months. Mr. F. Bradshaw told The Province today on his return from the property. He will leave for Tonopah, Nevada, tonight, the headquarters of the company. In the past twelve months there was a greater output of silver at Surf Inlet than at their mines in Nevada and the Nevada mine has led the mines in the United States for the previous year. This showed, said Mr. Bradshaw, that the property they had in British Columbia was a very valuable one and with the plans that they had in view for its further development, he anticipated that the yield would be equal to anything that they had ever experienced.

#### RED CROSS SALE

Mrs. R. E. Walker and Miss Gertrude Clarke will have charge of the Red Cross Sale on Friday in the rooms on Third Avenue. Ladies are reminded that a large supply of home cooking can be disposed of.

#### HALIBUT STEAMER IS WRECKED OFF ALASKA

The fishing steamer Independent, of the National Independent Company, of Seattle, is a total wreck off the Alaskan coast. No particulars are available except that the crew was saved.

The Independent put into Juneau about a week ago with a large quantity of halibut for shipment to Seattle and then cleared again for the halibut banks.

#### NAUTICAL EXAMS.

Yesterday, S. E. B. P. Svendsen and Chester Wells Wadham were successful in passing their examinations for their captain's certificates, before Captain A. M. Davis. Both students were prepared by Captain McGee. Captain Wadham is a member of a well known British Columbia family, while Captain Svendsen was first officer of the James Carruthers when that vessel was brought out to this coast from the old country by Captain McGee. Both officers are receiving the congratulations of many friends.

#### THE CRADLE

Born to Mr. and Mrs. W. E. Fisher, a son, on October 9th.

Mr. and Mrs. Dan Sutherland left for Lorne Creek this morning, where Mr. Sutherland is interested in mining properties.

Children's shoes in great variety.—Wallace's.

#### WASHINGTON IS EMBROILED IN NAVAL DEBATE

British Writers Assert that the United States Should have Refused to Countenance Submarine Campaign.

(Special to The Daily News.)

London, October 11.—Naval writers maintain that the United States government cannot fairly countenance the carrying of the German submarine campaign into territory adjacent to the home waters of that country, after having registered a protest to the British government against the patrolling of British cruisers near the American coast, in watching for the submarine Deutschland.

The fact that Washington protested against the action of the British naval authorities on that occasion was withheld until the recent submarine activities by the Germans raised the entire question.

#### Further Notes.

Washington, October 11.—The United States government refuses to accept the contention of the Entente Allies urging that neutral nations deny the use of their harbors to all submarines, whether they may be merchantmen or warships.

#### Destroyers Return.

Newport, October 11.—Twelve United States torpedo boat destroyers, failing to locate the crew of the steamer Kingston, which was torpedoed by a German submarine on Sunday, have been ordered to return to port.

## UNIFORMS

The long-expected blow has fallen and the Canadian honorary colonels may no longer pose as real soldiers, at least in England. This should have happened long ago, but better late than never. Probably the army tailor had something to do with the order, though his brother, the Bond Street provider of fancy uniforms and cocked hats, will never forgive him. It is stated that the casualties amongst tunics was frightful and a rigid investigation showed that the fractures were mostly discovered after a soldier had been in London on furlough. The injuries were confined to the seams under the arms, which were generally strained or even burst and, in extreme cases, there was a tired feeling in the arms and the patients showed a marked disinclination to attempt to raise either arm above the head, as in brushing the hair.

A rigid investigation disclosed the fact that privates who had been frequenting the vicinity of Whitehall suffered most severely and then it leaked out suddenly one morning, when an epidemic of burst seams seemed imminent, that the cause of all the trouble was the enormous number of colonels encountered in the fashionable thoroughfares of the metropolis. It was then discovered that the great bulk of the colonels were from Canada, and that their rank was purely honorary and had been conferred for various reasons, or rather under a variety of excuses. In some quarters, the slightest provocation brought along an honorary colonel. The war office applied a remedy which was both speedy and effective. Only real colonels are

now permitted to wear their uniforms in England.

It is apparent that what the boys were saluting was not the colonels but their uniforms and that they might just as well have been touching their caps to uniforms displayed in the store windows. This is a highly interesting subject and, had Thomas Carlyle been still to the fore, it might have brought forth a new Sartor Resartus, the sentences in which would have been rather vitriolic.

Even in Canada, the honorary colonels should not be allowed to wear the uniform of a colonel. A uniform denotes the rank of its wearer and it is ridiculous to suggest that a gentleman who has probably never rendered a service to his country, but merely to his party, should be allowed to proclaim to the world that he is on a par with a man who has led a host into battle and has faced the fire of the enemy. The whole business is a farce and would provide ample material for a score of comic operas of the Gilbert & Sullivan type. If the honorary colonels felt that they must wear their feathers, they might have had the sense to remain at home where they would not run any risks of being mistaken for soldiers.

## NOTES AND COMMENTS

The question asked by everyone yesterday—"What is Wilson going to do about it now?"

It would appear that the German submarine raid on the Atlantic seaboard was carried out as a warning to the people of the United States. More frightfulness.

**A Real "Peach Cobbler"**—Not a soggy, doughy, inedible combination, but a crisp, tasty, easily-digested dish of whole wheat with peaches and cream. Cover one or more **Shredded Wheat Biscuits** with sliced peaches and then pour cream over them. Nothing so appetizing and satisfying and nothing so easy to prepare.

Made in Canada

It is rather unfortunate that the Germans chose such a busy time to make their raid off Nantucket. The coming election and the world's series hold the stage.

Bernstorff says the submarine raid was carried out in accordance with the usages of cruiser warfare. He should have said "German" warfare. What does he term the using of germs, liquid fire and gas?

The London Daily Mail accuses Sir Sam of hiding the Canadian soldiers from the British public. Perhaps this was Sam's plan to keep the boys from wasting their energies saluting honorary colonels. The Mail credits Sam with being an astute politician. It is amazing the impressions a London editor is apt to form of Canada and the Canadians.

## DITCH NUISANCE

A letter from William Denholm was read at the city council last night calling attention to the fact that an open ditch at the corner of Second and Seventh is a danger to the public health through a leakage into it from a broken drain. He pointed out that this ditch had been covered in near St. Elmo Hotel but had been left open higher up. The matter was referred to the general committee with power to act.

"THROWN TO THE LIONS"  
AT WESTHOLME THEATRE

Mary Fuller, one of the brightest and most popular of movie stars, is the attraction at the Westholme tonight in "Thrown to the Lions." It is a story of the struggles of a poor girl in "chorus" life. It is a tale full of human interest and with many thrilling incidents and in the hands of Miss Fuller the leading role is splendidly portrayed. There is a Nestor Comedy and a Suburban laughter raiser, making a real good show.

For Friday there is a monster show including Charlie Chaplin in "The Count," his latest production, The serial "Liberty" will also be screened and George Fawcett in "The Frame-Up."

## DOUBLE FEATURE SHOW AT MAJESTIC THEATRE

There is a big double feature show at the Majestic tonight and Thursday when Helen Holmes is presented in the sixth episode of "The Girl and The Game." This installment is entitled "Helen's Wild Ride" and is one of the most thrilling of this exciting series of remarkable pictures. This daring young actress is a prime favorite with Majestic audiences.

The other big item is "Her Shattered Idol," a four-act drama featuring Mae Marsh, one of the

most popular and clever of the stars of the screen. There is also a Mutual Weekly of the latest happenings throughout the world. A very fine musical program has been arranged and there should again be a crowded house.

2,000,000 Belgians Depend on us for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

## Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!

## Three Mighty Forces Close Linked

Have you ever noted how an audience yawns in the face of an uninspired speaker?

On the other hand, have you noted how an audience will lean forward and grasp the chair arms when the speaker reveals enthusiasm?

Enthusiasm is the buoyant expression of truth. To impart belief in anything, a man must believe it deeply himself. We call such a man an enthusiast.

This applies to the written word also—particularly to advertisements. When the manufacturer really believes in his wares, his enthusiasm will almost inevitably find expression in Advertising. And enthusiasm will be contagious—his audience—the readers of the newspaper—will, figuratively speaking, "lean forward and listen intently."

To be convincing an advertisement must convey an unmistakable impression of enthusiasm. This it will only do when the article advertised has inherent worth.

Thus we have:

Sincerity -- Enthusiasm -- Advertising:  
Three mighty forces, close-linked.

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper. If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.

**WESTERN PRODUCTS  
WIN THE GOLD MEDAL**

Westerners will learn with interest that a gold medal was awarded to the Canadian Pacific Railway for the excellence of its exhibits at the Quebec Exhibition a few weeks ago. The gold medal was for the collective grain display, which was gathered in Western Canada, and was representative of the various grain crops of the western provinces. The daily attendance at the Quebec Exhibition ran as high as 75,000, and a very great interest in the agricultural possibilities of Western Canada was shown by the visitors.
