Shamrock IV. Winner Again Today

AFTER STOP AT ERIE, PENNSYLVANIA, ALASKA FLIGHT HAS RESUMED AGAIN

British Challenger Wins Second Race

At End of Twenty Mile Turn Highest Masted Sailer Leaves Resolute Behind; Good Sailing Weather

SANDY HOOK, July 20.—With Captain Burton still at the helm, the Shamrock was the first across the starting line today, starting at 12:15. After a short lead the Resolute, however, took her.

SANDY HOOK, July 20.—The Shamrock is a mile ahead at second turn marking the 20 mile distance.

SANDY HOOK, July 20.—At the first ten mile mark the Shamrock was six hundred yards ahead after having lost the lead and regained it again. At the twenty mile turn she was a mile ahead. A light head wind prevails and the Sound. Great excitement reigns and speculation is rife.

Shamrock Wins.

SANDY HOOK, July 20.—The Shamrock finished at 5:37 and won the race. Nearing the finish the hole was rent in the Shamrock's balloon jib. The English tender maintained her mile lead all the way.

ON LAST TRIP TO BIG PAPER MILLS

Sir George Bury Comes North to Swanson Bay Mills on the Prince Rupert.

VANCOUVER, July 20.—Sir George Bury has left on his last official visit to the Whalen company's mills at Swanson Bay. Sir George has just completed a successful period as president of the big paper company and leaves for the Atlantic coast in a new capacity in the course of a few weeks.

"BABE" FORTIN IS STILL GOING STRONG

"Babe" Fortin, formerly a Rupert baseball twirler and for many seasons the pride of the Catholic Club of the early days, is still "carrying on" in baseball in the south. He is now at Squamish and was recently sent to Victoria in answer to an S.O.S. call from the Sons of Columbus baseball club in that city for a game last Wednesday night.

It appears that the Sons down there have not an airtight aggregation and are in a bad way as far as standing is concerned. Anyway the Sons should have sent for nine "Babes" instead of one, for despite the fact that he let his opposition down with five hits only and his own team got eleven, they lost by a 7 to 4 score due to numerous errors. "Babe" pitched scoreless and errorless ball for four full innings and his team played without error behind him. However, in the last five, although "Babe" still kept going strong his team went to pieces, with the overwhelming result. And then some people say a pitcher can win his own game.

OCEAN FALLS PLANT NOW BURNING COAL

OCEAN FALLS, July 20.—The shortage of fuel oil and the probability of its discontinuation has caused the Pacific Mills to change to coal. The Vancouver tugboat Achates arrived on July 12 with the barge Gouillard City in tow, with 1,200 tons of Comox coal. The plant will consume this quantity weekly. The change of the furnaces from oil installation to coal burners was carried out last week.

NO CUSTOM HOUSES

VANCOUVER, July 20.—The Minister of Customs has refused to establish customs offices at Swanson Bay and Port Alice.

WORKING FOR SUFFRAGE IN INDIA

Mrs. Deep Narayan Singh is a leader of the feminist movement in India and believes in perfect equality between man and woman—legally, socially and politically. She was the first woman student to attend the Presidency College of Calcutta, a college for men, where she received master of arts degrees in philosophy and English literature. She was also the first Indian lady in Calcutta to drive an automobile, ride a bicycle or go up in an aeroplane. Her father, Mr. Palit, gave more than \$2,000,000 for the establishment of a College of Science in Calcutta. Her husband is a progressive thinker, and is diverting his wealth for the advancement of education in India. They are now touring the world to study social, educational and political institutions. They have just arrived in America from South America, but will soon leave for Australia and New Zealand.

Unfavorable Weather Delays Alaska Planes

Were Held Up for Two Days at Erie, Pennsylvania; Leave for Grand Rapids This Afternoon

ERIE, Pennsylvania, July 20.—On account of unfavorable weather, the Alaska aeroplane expedition has been held up for over two days. The first attempt to leave here this morning did not meet with success as a gale was immediately encountered. All the planes, it is understood, will leave together this afternoon en route to the next stop, Grand Rapids, Michigan. The fourth aviator who had a break down at Scranton has resumed the flight in a new machine and is also leaving here with the others.

PROPOSE AT ELEVEN, MARRY AT SIXTEEN

PHILADELPHIA, July 20.—A sixteen-year-old couple will be married here on July 24 at Mount Carmel church. The youthful romance of Miss Mary Le Gent, an orphan, and Matthew Brady, a chauffeur, began when they would meet after their respective schools were dismissed and stroll home together. This was five years ago. Brady formally proposed and was accepted by Miss Le Gent, so the story goes, when they were eleven years old. Since then he says he has saved enough money to take the marriage step.

Granby Deny Report Island Mine Strike

Reason for Shut Down at Cassidy's Siding because Anyox Bunkers Overflowing; Market Coke Locally

VANCOUVER, July 20.—The Granby Consolidated Mining, Smelting and Power Company denies the report that the Cassidy coal mine on Vancouver Island is closed on account of a strike.

The reason for the present suspension of operations of the island is that the Anyox coke bunkers are overflowing and no coal can be handled there at present, the supply being well ahead. The mines will reopen tomorrow.

It is planned to sell the surplus of the Anyox coke production locally.

FOOTBALL MATTERS WERE TAKEN UP AT MEETING LAST NIGHT

The Dominion Day cap tie final protest of the Grand Trunk football team was dismissed at the meeting of the committees of the football league last evening. The grounds for dismissal were that the protest was entirely matters of the referee's decision. The Grand Trunk objected to the first goal made by the Callies and the penalty granted against Ed. Ross. During the discussion the delegates from the two teams concerned namely the Callies and the Grand Trunks, left the room.

A letter from the Anyox football team regarding inter-city games was read and action was taken in as far as appointing a ways and means committee who will make up appropriations for games to be played here and also at Anyox. The matter of expenses will be important and Messrs. Warrior, W. C. Orchard and F. Davies will report the probable costs at a later meeting.

Games Arranged.

Two benefit matches were arranged for. The first will be played on Saturday, July 24, and the other will be announced later.

The following league games were set and the referees and linesmen named:

July 23—Callies vs. Trail. Referee, S. Thompson. Linesmen, E. Ross and F. Davies.

July 28—S. of E. vs. G. T. P. Referee, W. McCulloch; linesmen, E. Craggs and A. Clapperton.

August 2—S. of E. vs. Callies (postponed game). Referee, S. Thompson; linesmen, W. Warrior and Ed. Craggs.

August 6—Trail vs. Callies (postponed game). Referee, W. McCulloch; linesmen, W. Warrior and F. Davies.

TAXES COMING IN RAPIDLY

City Treasurer Reports that 1920 Collections are Highly Satisfactory Under New System.

According to a report received at last night's council meeting from the city treasurer, the collection of the city's taxes this year has exceeded all expectations and the great success is attributed, in a large way, to the combining of the local improvement and general taxation for collection at the same time and notification on the same sheet. It is expected that the records of last year, which were themselves good, will be beaten this year.

Out of a general tax levy this year of \$254,216.18 there has been already collected \$177,360.87 or 69.76 per cent. Last year the levy was \$175,696.54 and the collections \$121,285.23 or 69.03 per cent collection. This year, therefore, exceeds last year's general taxation collection record by 736 per cent. Local improvement collection, so far this year, shows an increase of 106.103 per cent over last year.

MATSQUI DYKE BROKE THROUGH

Twenty Thousand Acres at Sumas is Under Water.

NEW WESTMINSTER, July 20.—The Matsqui dyke broke this morning flooding a large area of farms and doing much damage to crops and property. An area of twenty thousand acres is under water near Sumas. The Fraser river is reported to be lowering in several places.

JURORS AFRAID TO SERVE AT INQUEST

Sinn Feiners Threaten Those who Come to Investigate Deaths of Raid at Cork.

CORK, July 20.—On account of threats made by Sinn Feiners, the inquest over the victims of yesterday's raids here has been postponed. The jurors failed to put in an appearance.

At the police court this morning the case of J. Markonich, charged with wearing a returned soldier's button without proper rights, has been further adjourned for two days.

AMERICANS LOOKING HERE

Large Tracts of Timber in North Being Sought by United States Interests—Pulp Mill

Negotiations have been further advanced in connection with the transfer of large tracts of timber to American interests in Northern British Columbia, though nothing definite has as yet been done. It is anticipated, however, that it is only a matter of time before something tangible results. It is probable that the installation of a pulp mill will be the outcome of these negotiations that has been going on for some considerable time.

American interests are looking for more to this province's timber and there is a hurry to get it before there is any change in the government of the United States. Some logs have been sent over the border recently for the making of shingles, but the consignments were comparatively small in comparison with the demand that exists for raw material. The fact that there have been shipments of logs to show that there must be an over-supply in the province, this must be taken in connection that logs have sagged in price in the last 30 or 40 days.

WHITE SLAVER ARRESTED

Johnson, Pugilist, Crosses From Mexico—Fled Seven Years Ago.

LA JUANA, Mexico, July 20.—A Johnson, the former world champion, has crossed the border states where he has been arrested for white slavery. He fled in 1913 when sentenced under the Mann Act.

ANGELES HAS ANOTHER EARTHQUAKE

LOS ANGELES, July 20.—Another slight earthquake shook the city here last night but no damage was done.

Ernest Blue is a passenger from Alice Agri southbound by the Chelohsin today. He will spend a month in Vancouver.

Commit Grammars To Bonfire.

What is this? "English grammar as it is now taught should be dropped entirely from our schools. A child need never parse nor diagram an English sentence, conjugate an English verb, nor declinate an English noun. Indeed it would do little harm if all the English grammars adapted for use in elementary schools were to be committed to a bonfire."

And so this article in The North American Review continues to denounce English grammar as an unscientific, illogical inflexible dictum which forces children to decline nouns in cases which do not exist, to conjugate verbs in tenses, moods and voices which long since have ceased to be, and to make adjectives agree with nouns when agreement is neither necessary nor possible.

Who Will Teach The Teacher?

English grammar is violated unconsciously with distressing frequency, but no such deliberate attack upon it has been heard since the days of Jack Cade, the English rebel, who thus denounced the Lord Say: "Thou has most traitorously corrupted the youth of the realm in erecting a Grammar School. It will be proved to thy face that thou hast men about thee that usually talk of a noun and a verb and such abominable words as no Christian ear can endure to hear."

HER CASE SEEMED HOPELESS

But "Fruit-a-lives" Brought Health and Strength

29 St. Rose St., MONTREAL. "I am writing you to tell you that I owe my life to 'Fruit-a-lives'. This medicine relieved me when I had given up hope of ever being well. I was a terrible sufferer from Dyspepsia—had suffered for years; and nothing I took did me any good. I read about 'Fruit-a-lives' and tried them. After taking a few boxes, of this wonderful medicine made from fruit juices, I am now entirely well!" Madame ROSINA FOISIZ.

The time used is Pacific Standard, for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight. The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same. The range of the tide may be computed as 5 per cent greater at Prince Rupert than at Port Simpson both at springs and neaps. Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson.

The height is in feet and tenths of feet above the average level of lower low water.

IN THE SUPREME COURT OF BRITISH COLUMBIA. IN THE MATTER OF THE ADMINISTRATION ACT — and — IN THE MATTER OF THE ESTATE OF EDWARD M. HAYNES, DECEASED, INTESTATE.

NOTICE is hereby given that satisfactory proof of the loss of the certificate of title covering the above lands having been furnished, it is my intention to issue, after the expiration of one month from the date of the first publication hereof, a fresh certificate of title to the above lands, in the name of Janet Barrie Taylor, which Certificate is dated 14th October 1915 and is numbered 8165 L. W. E. BURRITT, Acting District Registrar of Titles. Dated this 26th day of June 1920. Land Registry Office, Prince Rupert, B.C.

The Man in the Moon SAYS--

THAT much could be added to the appearance of the Salt Lakes if some of the girls would get off the beach and into the water.

THAT there aren't very many of them who will learn to swim standing around and people soon get tired of looking at them.

THAT hotel accommodation was somewhat crowded at Tugwell Island Saturday night.

THAT there must be a great deal of wreckage over on Ireland, in fact the whole island must be pretty well wrecked.

THAT the Irish and the Mexicans have a good deal in common and that the chief thing is fighting.

THAT no matter who loses the Presidential race Ohio wins.

THAT the next president of the United States is sure to be a newspaper man.

THAT Canada still appears to be the "wet hope" of the bibulous Americans.

THAT the name of Poland's new premier is Grabski, but it would perhaps be better were it Joldski.

THAT railroad affairs around Prince Rupert will no doubt be greatly improved after Hon. Dr. Reid has visited here.

THAT we need a daily train service and, no doubt, will get it now.

SIX HUNDRED TONS OF SCOTCH LIQUOR

Within the next few days many Vancouver householders will have the well-known grand and glorious feeling as they lock the cellar door. The reason lies in the advent of the Harrison direct liner Crown of Toledo, which arrived Friday from the United Kingdom. The big freighter was coaling at Nanaimo yesterday. The Crown of Toledo brings 800 tons of freight and 75 per cent of it is wet goods—cases and cases and tons upon tons of liquor for thirsty-British Columbia. Most of it was loaded at Glasgow and consists of the famed essence of the grains of that land. Prominent on the Toledo's manifest are several shipments of settlers' effects, the goods and chattels of folk who have come to British Columbia during the past year.

The local offices of Halfour, Guthrie & Co., coast agents for the line, expect word of the departure from Liverpool of the steamer Crown of Galicia. She was due to clear for the Pacific coast on July 5 and is expected toward the end of August.

Ten Years Ago in Prince Rupert

July 20, 1910. C. L. Monroe has severed his connection with the Grand Trunk freight department and has entered into partnership with H. B. Rochester, steamboat agent and general broker.

The whole council will go out tomorrow morning by boat to inspect the city water power question. A visit will be made to the Eestall River and Wolfe Creek.

The Knights of Pythias hall in the Heigerson Block has now been completed and Geo. D. Tite is placing the furniture in position today.

Rapid progress is being made in the installation of the fire alarm system. Sixteen phones have been put in use already.

The funeral was held this morning of T. J. Thornhill from the Church of England. After the services the remains were taken to Garden Island cemetery for interment.

SIR THOMAS LIPTON MAY CHANGE SKIPPER

WASHINGTON, July 20.—Captain Burton remains skipper of the Shamrock in Tuesday's race despite the dissatisfaction of Sir Thomas Lipton with his generalship. It is possible that Commodore Jarvis of Toronto may succeed him.

NOTE THIS ADJUSTABLE WEIGHT

found only on

The Brunswick

ALL PHONOGRAPHS IN ONE

DIFFERENT makes of records require different weights. If the weight is not exactly right the tone is inferior and the record will very likely be damaged.

This is one of the reasons behind the invention of the Brunswick Ultona, illustrated above, which by a mere twist of the wrist, is instantly adjusted to all makes of records.

The adjustable weight balance in the Tone Arm gives exactly the right weight required by every make of record. Consequently, with the Brunswick Ultona ALL makes of record are played CORRECTLY and without possibility of injury to any make of record.

No other instrument possesses this invention. It is a Brunswick feature pure and simple. It alone protects you from damaged records, and makes the Brunswick the only true "Universal" phonograph which plays ALL records CORRECTLY.

Call and see this feature for yourself. Hear the superior tone quality it gives. Come—let your ears be the judge!

Sunlight Wash Days—

A Sunlight Wash Day is free from the toil and labour usually associated with washing, because Sunlight Soap washes clothes beautifully clean and white without rubbing or scrubbing.

Sunlight Soap

being the surest, gentlest, purest of all cleansers is kind to the clothes—they last ever so much longer—kind to the hands, too. Every cake carries the Sunlight \$5000 guarantee of purity.

All you do is soap the wet clothes with Sunlight—roll each garment tightly and leave to soak. Later you rinse thoroughly. No wrenching or relentless rubbing. The dirt just really drops out. You can go out shopping—or do other work—while Sunlight is actually cleaning the clothes for you.

Insist on getting the Soap you ask for—SUNLIGHT SOAP.

NEW COIN COMPELS CHANGING MACHINES

Stamp Selling, Weighing and Gum Selling Pillars all have to be Altered

"Of what use is a cent anyway. It can't buy anything nowadays. This is the way the public views the humble copper in these days of high prices. Yet the cent can still purchase something, and not even the alteration of the half-dollar, aristocrat of our coinage, will cause as much commotion as the new cent piece, just now making its first appearance in Toronto.

The coming of the new cent piece exactly the same size as the United States cent is going to cost dealers along certain lines a lot of money. It means thousands of dollars' expense, a certain amount of inconvenience to the public and possibly a good many extra dollars flowing into the Government coffers from Customs duties.

The postal pillar boxes will all have to be altered to fit the new coin. W. E. Lemon, Postmaster for Toronto, stated last night that arrangements had already been discussed for this. The postal boxes are put in by the Dominion of Canada Postage Stamp Vending Company, and they will have to make the alterations. These alterations will mean the taking out of the machinery which operates the automatic sale of stamps and the boxes will probably be out of commission, as far as selling stamps are concerned, for a few days.

Change Weighing Pillars

The Canadian Fairbanks-Morse Company have many weighing machines located in drug stores and other places throughout Canada. These machines are Canadian-made, being manufactured at Sherbrooke, Quebec. An official of the company stated last night that they would very probably be collected, sent back to Sherbrooke and new attachments to fit the new Canadian cent installed. This will cost a large figure.

Another gentleman, connected with a company which supplies gum-vending machines, figured that these machines would be collected and sent back to the factory. As many of these machines have been manufactured in the United States new machines will be probably brought across the line to replace them, the American cent now being the same size as the new Canadian copper. The duty on these machines is high.

Sport Briefs

When Johnny Cummings made his goal in the football game last evening the fans on the benches ran out on the field with great enthusiasm. It was one of the cleverest little bits of football ever staged by any soccer-artist in this city. In his position of centre in the forward line he kept his wings in splendid position and his passes were just right.

Sid Hardy and Pat Conlin at the outside on the Trail forward line last evening gave the fans the worth of their money in the way that they played the ball down the side and past the backs.

Tonight the Beavers and Colts meet in an intermediate league baseball game on the Acropolis Hill grounds. Howard Frizzell will start off the innings as hurler for Harvey Fraser's squad. The Colts are even with the Red Sox in what they have lost so that they are anxious to still remain on the same level by winning in tonight's tussle.

The Grand Trunk team was pressed very heavily all during last evening's game. Their defence was tried out for all it was worth and during the second half many dangerous shots were brought in by the eager forwards in red. Goalkeeper Waldorf saved many a shot which otherwise would have tallied for the other fellows. In the scrimmage with Pat Conlin at the left hand side of the goal he came out the better in the deal for a goal kick was granted.

Danny Main was shifted to inside right in the second half of the game last evening but he did not get much of a chance to get away with the ball as it was held in his territory by the Trail half back line.

It was a pleasure to many last evening to see the Fanthorpe brothers again able to attend a football game. They have been missed greatly on the railroaders' lineup for their fine work on the left of the forward line made them dangerous men when they started towards the goal of the opposing team. It was an unfortunate circumstance that they should both have to give up the game about the same time.

Jimmy Jackson, the regular centre for the Grand Trunks, did not appear on the playing field last night. However, he was on the job at the side lines and did his part in the shouting for the various plays.

Harry Bennett had a real job last evening in centre half for the railroaders. He did not have much of an opportunity to stray far from position if he wanted to watch Spud Cummings who so quickly broke through at the first opening in the Grand trunk defence.

TENDERS FOR FIRE HOSE ARE NOW IN

Tenders for the supply of 500 feet of fire hose for the fire department were opened at last night's council meeting and referred to the Utilities Committee with power to act immediately. The tenders were as follows:—

- A. J. Galland, 500 ft., \$1,053.80. Kajein Hardware, Keystone Brand, \$1.90 per foot; Squelcher Brand, \$1.80 per foot. Prince Rupert Supply Co., Good-year Brand, 3 year guarantee and pounds pressure, \$1.90 per ft., or \$950 for the lot; Magnol Brand, same guarantee, \$1.80, or \$900; Surety Brand, same guarantee, \$1.70, or \$850; Remown Brand, 350 pounds or two years, \$1.50 or... Prices f.o.b. Prince Rupert. Fred Stork, Paragon, 400 lbs. and 3 year guarantee, \$1.90 per foot; Multiple, \$1.80 per foot.

On account of the absence of Ald. Rochester, who fathered it, the amusement tax bylaw did not come up for final adoption last night. In reply to a question from Ald. Kerr, the mayor stated that the new bylaw provides for the taxation of all amusements where tickets are sold, the tax going towards schools and hospitals only.

TRUNKS BATTLE TO DRAW WITH TRAIL PLAYERS

Was One of Season's Brilliant Games—Score 1-1.

In one of the league's most brilliant football games, the Trail Club and the Grand Trunks battled to a 1-1 draw on Acropolis hill grounds last evening. The game throughout was a very interesting one from the point of view of the spectator as both teams worked hard to gain the goals. At half time the score stood 1-0 in favor of the Grand Trunk. The Trail supporters thought that the red shirts with the down bill advantage would be able to score easily after the splendid defence whilst those backing the blues were of the opinion that the lead could be easily increased. Only Cummings' individual goal scored in the last half.

At the opening whistle the Trail boys started off with but ten men on the field. Soon "Bookie" Luens appeared on the sidelines and was placed as right back. He did not show up well in the opening play and after a few minutes the referee gave a penalty against the Trails on a body charge from Bookie. This was easily converted by Harry Bennett. With the odds against them the Trail boys ranged up the field and their forward line pressed hard for goals. They could not make the grade and the forces were called off at the whistle with a single penalty goal in favor of their opponents.

Both teams were off at the jump with the opening whistle after changing ends. This time goalie Jack Judge did not have so much to do as in the first half, and Waldorf was keeping out many dangerous shots from the Trail forward line bombardment. Finally Cummings took the leather by himself and after slipping by both backs had the goalkeeper at his mercy. Waldorf came out but the Trail centre netted a fine tally. Following the evening up of the score the rivals battled hard and the Trails pressed continually against the railroaders' defence. Neither was able to register and so the game ended 1-1.

The line-ups were as follows: Grand Trunks—Waldorf; Ed. Ross and Drummond; Craggs, Bennett and O'Donnell; Shanks, Main, J. Campbell, Harding and Ed. Smith.

Trail Club—Judge; Dewiese and Menzie; Lewis, Ed. Craggs and Anderson; Conlin, Stone, Cummings, Greenwell and Hardy. J. McCulloch refereed and the linesmen were Clapperton and Tabrum.

BANNERS FOR THE MINISTERS

Ministers Will be Appraised of the City's Needs by Street Streamers.

When Hon. J. D. Reid and D. B. Hanna reach town tomorrow night they are to be greeted with streamers along the city streets bearing such mottos as "we want more cars," etc. These streamers are to be of canvas and will have such statements on either side. They will be preserved carefully and as each cabinet minister and the leader of the opposition come here this summer they will be hoisted.

These signs will cost \$150 and the City Council will pay for them at the instigation of a committee from the Board of Trade. Alderman McLennan was successful in getting the grant at last night's council meeting but Ald. Casey demanded that the city council have a committee to see these men when they come to town and the mayor named the committee to consist of Aldermen Dybhavn and McLennan besides himself ex officio. Ald. McLennan also proposed having a half holiday on the day of the arrival but this was not incorporated in the motion.

"It seems strange to me," said the mayor, "that these men can deal with all the important questions coming up here in the course of a brief day's visit. Steps should be taken to have them stay over for it is important that they see something of conditions here. In the smallest place along the line there is a station and here, at the

terminus, there is not even a shed to keep the water off the heads of those arriving. The present agreement with the company calls for buildings but there are no buildings. This is no time for any more promises. The city is preparing a manifesto for them."

MARGUERITE CLARK IS THE SAME AS EVER

In "Widow by Proxy" She Has Everybody's Sympathy All the Time.

Everyone who went to last night's show at the Westholme Theatre agreed that little Marguerite Clark is just as winsome and just as pretty as ever she was. Almost everybody admires Marguerite and there certainly were plenty of her admirers at the show last night. Tonight she appears again and it is certain that everyone who could not or did not go last night will be there then.

In her present play, "Widow by Proxy," little Miss Clark has an excellent vehicle for her ever popular style. As a soubrette she has become attached to the widow of Jack Pennington, a member of a wealthy Boston family, who on supposedly being killed at the front leaves his widow penniless and sick. Marguerite comes to the aid but between them they find expenses steadily surmounting income until they become almost financially defunct.

One day Mrs. Pennington receives a notice from the family attorney asking her to turn up at the family home for an adjustment of the will. She refuses to go, afraid that she may be insulted by the haughty relatives and Marguerite acts "widow by proxy" and takes her place. The things that happen and the way the adventure ends up is the interesting part of the play.

HUNTERS WERE ON WAY NORTH

J. L. McIver and his Brother with Party from East were Aboard Princess Mary

Yesterday a party of big game hunters passed through the city on board the Princess Mary for the Yukon, where they will spend three months in the wilds. Two of them were J. L. McIver and Angus McIver, who are both well known by D. H. Morrison of this city, as they lived next door to him for a number of years while in the east.

The four men have just come from Arizona and Los Angeles and are quite delighted with the trip. It is their first excursion into the north and they are looking forward to many thrills and new experiences. Their chief object is to down the moose, elk, caribou that may happen to stray their way.

On the way back south it is just possible that they will stop off at Prince Rupert for a few weeks and take a run up the Skeena River for the hunting. They are anxious to get a good look at some of the grizzlies that are reported to grow so large in this part of the country.

Gifts to Women Who Use Jiffy Jell

Jiffy-Jell users should write to the makers for a list of aluminum molds. Molds, spoons and measuring cups are supplied to users free.

Jiffy-Jell is the one dessert which has the fruit flavors in vials. A bottle of condensed fruit-juice essence comes in the package. So a Jiffy-Jell dessert is a real-fruit dainty. The flavor is not artificial. The sweetening is sugar, not saccharine. Women who once try it will always get it. Your grocer has ten flavors. Try pineapple and loganberry first.

WANT CLEMENCY FOR DOOMED MOTHER

MONTREAL, July 19.—"We will have a million signatures as the result of our canvass with a petition for the commutation of the capital sentence now hanging over the head of Marie Gagnon of Quebec, who was found guilty for causing the death of her step-daughter last January, to "life imprisonment," is the statement made by Robert Bickerdike, president of the Prisoners' Welfare Society of Canada. He added that since the birth in prison of the twin children to Marie Gagnon, as well as many thousands of women in Canada, are strongly averse to the hanging.

Mrs. Gagnon was condemned to hang next October for brutal and inhuman treatment of her step-daughter, extending over a period of months, which resulted in the latter's death.

HAZELTON

Dr. Charter has arrived from Vancouver and will take up his new duties at the Hospital. He will act in the capacity of house surgeon.

The new school board consists of W. S. Sargent, P. Smith and R. J. Wall. Miss Wallace, who is graduate of the University of British Columbia, will be retained for another term as teacher.

Rev. J. Herd has arrived in the district and will take up his ministerial duties at once. Mr. Herd, who is being received very cordially by all whom he meets, arrived from Sydney, Australia, a few weeks ago.

Mr. and Mrs. Wm. Grant have returned from Prince Rupert where they visited for a few days before the departure of their daughter, Mrs. David Donaldson, who has gone to Victoria.

George Davis, an old timer in the district, has arrived from the coast and is spending a few days visiting in the vicinity.

L. C. Swales has gone to Edmonton and his departure leaves a big gap in social and sport circles. He was a valued and enthusiastic member of the Hazelton baseball team.

Bert F. Smith arrived from Prince Rupert last week following a trip to the Queen Charlotte Islands. While here he went up to the Sunrise Group with W. S. Harris of New Hazelton and looked over the property. Now that the snow is disappearing so rapidly more progress will be made with the new operations.

Preparations are being made to tender a reception to Hon. T. D. Pattullo upon his visit to the district at the end of the month. The minister is a strong believer in keeping in close touch with the work of his department and makes an annual tour for this purpose.

VANDERHOOF

A large output of butter is now being handled at the creamery and the amount is increasing weekly. Over 600 pounds were shipped out last week and M. Valentin, the man in charge at present, is quite confident that the turn-over will soon be well over the 1,000-lb. mark per week.

The committee appointed for the raising of funds towards the erection of the new Presbyterian church will settle down to business at once. The new edifice will be erected on the McGorkell property and subscriptions totalling in the neighborhood of \$1,200 will be asked from the local residents.

A week ago Saturday the wedding of Peter Burnsted and Mrs. J. J. Erickson was solemnized at the home of Mr. and Mrs. Fred Borehaven with Rev. David Gray officiating at the ceremony. The groom is a popular resident while the bride arrived only a few weeks ago from Norway.

At the annual meeting of the school board it was decided that three teachers would be necessary for the next term to care for the growing population of this thriving centre of the Nechaco Valley.

Last Friday evening Mr. and Mrs. James MacGormack entertained a large number of friends to a dance at the Vanderhoof Hotel.

The senior and junior baseball teams are practising very steadily and some of the raw material which appeared at the beginning of the season is now rounding into fine shape.

A sample of oats measuring 40 inches has been brought home from the Lakes district by Robert McGorkell.

At the basket social to be held on Friday evening of this week, those in charge of the affair have decided that the price of the baskets shall not be bid up higher than \$5 each.

Among the recent arrivals in the town is Harold Cunningham who has accepted a position in the store of R. Cunningham & Son.

A most delightful function was held a few nights ago when members of the Presbyterian Church
