BRITISH FORCES DRAW NEARER JERUSALEM

FURTHER PROGRESS ON WESTERN FRONT — RUSSIANS QUIT FIGHT ALTOGETHER

AN ARMISTICE BEING FIXED BY RUSSIANS

On the Eastern Front, Russians, Germans, and Austrians are fraternizing along whole front.

Copenhagen, Nov. 26.—Formal negotiations for an armistice have been opened on the Eastern front between the Germans and the Russians. Despatches today declared that fraternization of the Russians with the Germans and Austrians is practically complete along the whole of the eastern front.

Will Force Peace.
Trotzky has declared that Britain was only fighting for what she could get out of the war. France was looking for a chance to quit without loss of dignity and some show of victory, while the United States was in the war because her capitalists had put her there. Scheidmann, in Germany, Trotzky continued, said he would force a peace by declaring an open opposition to the Government.

A New Peace Note.
The Cologne Zeitung says that the Pope will soon send a new peace note to all the belligerents. This note will enter more fully than the former one in suggestions and conditions, which as far as France is concerned will be influenced by information which the Pope has received from the French Cardinals who recently visited Rome.

STRONG OBJECTION TO UNION GOVT. IN ONTARIO

No Unanimity There for Sir Robert Borden—The Plain People Find Him Out.

Ottawa, Nov. 26.—It is becoming more and more apparent that the chief battleground of the coming election will be found in the old province of Ontario. Quebec is solid for the Liberal cause and it is doubtful if the Conservatives will carry five seats in that province. From the way things are going at present it looks as if something very unexpected to the Union candidates may happen in Ontario too.

The Liberal and the Labor candidates are receiving large support, while there is much dissatisfaction among the farmers over the exemption tribunals. In a number of ridings, the Unionists have failed altogether. Although officially a solid West for Unionists was looked for, that is more than problematical.

SEEKS ORDERS FOR GRAHAM ISLANDERS

The Haidas of Graham Island hold the distinguished record of having made the highest progress among the British Columbia Indians, and it is a pleasure to meet one of their leading men, and one of those who is particularly ready to do all in his power to help forward the progressive tribe on the shores of Massett Inlet, Graham Island. Such a man is Alfred Adams, who was in the city yesterday, with introductions from an old and popular Victorian in the person of Thomas Deasy, now Indian Agent for the Queen Charlotte Agency.

It is not only personal business which brings Mr. Adams out on this occasion. He believes there is an opportunity not only for the Indian men but for the women when so great a dearth of labor exists in this province. The men are naturally bred to small craft building, as those who live by the sea should be, and he hopes to secure orders for small boats and launches to be constructed by the men folk, while the women, who have a natural adaptability for industry, shown by their basket work, he hopes to see obtain some munition plant work, if some way can be devised to put their deftness into practical application.

He says plenty of yellow cedar, and spruce is to be found on the Islands, and could be obtained for boat building in the immediate vicinity of Massett.

The spruce of Graham Island has become of great value for the purpose of aeroplane manufacture, and a considerable quantity has been exported. Two mills are working, and two more are contemplated, the machinery of one having just come in. Of rougher grades of lumber a sailing ship was loading for Australia when he left the district.—Victoria Times.

RUSSIANS FIND TIME TO BEAT THE TURKS

Petrograd, Nov. 24.—The Russian Caucasus army has won a marked success against the enemy along the river Dyal, according to information reaching army circles here and the Workmen's and Soldiers' Congress. It initiated an attack and overcame the Turks, capturing 1,600 of them, of whom 354 were officers. The morale of the troops is said to be excellent.

THE DISAPPOINTMENTS OF THE BORDEN GOVT.

Gadsby Claims Military Service Act and the Disfranchise Act are Boomerangs.

Ottawa, Nov. 26.—The last session of Parliament has resulted in a series of disappointments for the Borden Government. All their schemes have gone awry. The rank and file of the party complain that they are headed by bunglers and amateurs.

The Military Service Act, otherwise selective conscription, has been, perhaps, the chief disappointment. Now that it is the law of the land, everybody takes it docilely enough. It has failed in its main purpose—to stand Quebec on her head and make her a spectacle to the rest of Canada. Although Quebec as a whole does not favor conscription, the agitation against it in that province is confined to a few demagogues who would have to be talking about something anyway.

All the Borden Government has succeeded in doing by its attempt to isolate Quebec and start another race and creed strife, is to expose the hollowness of its own patriotism. To elect itself it would not stop short of creating internecine prejudices which the fourth generation of Canadians would not see obliterated. The Military Service Act is a bitter pill in some places, but it has been swallowed and that's all there is to it.

Strangely enough the people who found the medicine hardest to take are the Borden Government's followers. They say it may raise the required number of men or it may not—that depends on just how earnest the Government is to carry it out—but it will not make votes. Some go so far as to say that it will lose almost as many votes for the Conservatives in Ontario as it will gain for the Liberals in Quebec. However necessary the Military Service Act may be, it is quite certain it is not a popular measure. It is not the vote-catcher that Bob Rogers intended it to be and the Borden Government is tiring of its lemon right now.

It was thought at the start that the Old Flag properly waved would carry every arbitrary piece of legislation through with a hurrah, including the Disfranchise Act and the C. N. R. deal, but this turned out to be wrong. The people are getting sore at this abuse of the Old Flag now, that they are fighting and dying for it somewhere in Europe. Besides the Old Flag in the Borden Government's hands has been flown at the masthead of as rollicking a band of cold storage pirates as ever bled Canada to the last drop.

Men—whether they are sons, or brothers, or husbands—whether they are young or old, do not care to march away and have their loved ones to the tender mercies of Sir Joseph Flavelle and his crew, Sir Joseph being the pirate chief, also the official philosopher of the Borden Government with a controlling interest in the Finance Minister, Sir Thomas White.

Moreover, the women do not care for a Government which labors under the housewife's curse for the high cost of living. Every time a soldier's wife or widow or sister or daughter goes to market she remembers that the Borden Government had made her man's dollar, earned as it was with blood and tears, worth only fifty cents. So does every other poor man's wife, and with it she also remembers to curse the profiteers who make her life one long struggle against starvation. And every woman pretty well knows, or she (Continued on Page Two)

SAYS SHODDY UNION VENEER WEARING OFF

Borden and Sifton Manipulation Shows up in Union Proposals —A Landslide.

Vancouver, Nov. 26.—Mr. J. F. Langan has received the following telegram from Mr. N. T. Macmillan, Liberal candidate in Winnipeg, South:

"Union government is on the toboggan. The honest patriotic public of Canada are applying the skids. Manitoba will send 10 real Liberals, perhaps more. Union veneer, which was shoddy, is now wearing off, and Borden-Sifton manipulation is clearly exposed. Norris, who is supporting union without mandate from his party, got first bump yesterday in bye-election. This indicates the landslide that is accumulating to sweep the Kaiserites of Canada behind the lines and usher in a real democratic government for and by the people, led by Canada's greatest, most loyal, and far-sighted statesman, Sir Wilfrid, that stands for all the people all the time, all the way. Good luck to real men and women of British Columbia.—N. T. Macmillan."

SOLDIERS COMING BACK TO PRINCE RUPERT

Mr. J. F. Hutchinson, secretary of the Great War Veterans Association, received word this morning that three of Prince Rupert's soldiers are expected back on Wednesday. They are George Abbott, Robert Shrubbsall and W. Wilson. All are well known in town and will have many friends to welcome them home.

REV. MR. W. S. A. CRUX IS IN VANCOUVER HOSPITAL

Vancouver, Nov. 24.—Rev. W. S. A. Crux, of Prince Rupert, who has been visiting the city on ministerial business, has been suddenly taken ill and is now in the General Hospital. Mr. Crux is grand chaplain in British Columbia for the I. O. O. F. and before his removal to Prince Rupert was pastor of the Fourteenth Avenue Methodist Church.

ANOTHER SEPARATION IN RUSSIAN REPUBLIC

Petrograd, Nov. 26.—The Caucasus has declared its separation from Russia and has formed a parliament of forty deputies, who are members of the Socialist party, including one Bolshevik.

"THE INNER SHRINE"

The play to be shown at the Westholme Theatre tonight is founded upon the famous novel of Basil King, of the same name. This is the first appearance of this famous actress on the screen who has attained to the pinnacle of fame upon the stage. The story is one that is full of action and gives the actress an opportunity for displaying that great genius which has made her an international celebrity. There will also be a Topical Budget and a fine comedy.

IF RUSSIA QUILTS, WILL BE OUTSIDE THE PALE

British Minister of Blockade Considers Action not of Russian People.

London, Nov. 26.—Lord Hugh Cecil, Minister of Blockade, in his weekly talk with the representatives of the press, spoke of the proclamation issued by Lenin and his followers, in Russia urging an immediate armistice. "If this represents the real opinion of the Russian people," said the minister, "which I do not think it does, it would be in direct breach of treaty obligations and the alliance with Russia. If such action is ratified and approved by the Russian nation, it will put them virtually outside the pale of civilized Europe."

FISHERMEN'S MEETING FOR ORGANIZATION

There was a largely-attended meeting of fishermen held in the city hall on Saturday evening for the purpose of further organizing the Independent Boat Owners' and Fishermen's Protective Association. The large attendance showed the popularity of the movement among the men who get the fish. Ald. Dybbavn was in the chair and among the speakers were Captain McKinnon, Messrs. Chas. Wallace, Sandilford, G. W. Nickerson, Rorvig and Hannah. It was felt that an association speaking for the fishermen collectively would have much greater weight in the event of matters of importance coming up than would the fishermen speaking individually. A committee of fifteen members was elected to draw up a constitution, which will be presented at a meeting to be called later.

INDIANS OBJECT TO MILITARY SERVICE

Victoria, Nov. 23.—The committee of the allied Indian tribes of British Columbia have protested to Sir Robert Borden against Indians coming within the scope of the Military Service Act on account of the land question not being settled and citizenship withheld. The opinion is expressed in the communication forwarded to the Premier that any attempt to enforce the act against Indians would be forcibly resisted and probably cause bloodshed.

ROMANOFF MONEY IN STATES WILL BE TAKEN

New York, Nov. 24.—A writ of attachment on the personal property here of Nicholas Romanoff, former Emperor of Russia, was signed by State Supreme Court Justice Russell Benedict yesterday in a suit for \$2,800,000 brought against Mr. Romanoff by the Transportation Service Corporation for alleged breach of contract. According to Bernhard Noumourg, attorney for the corporation, the former Emperor of all the Russias has several million dollars' worth of property in this city, mostly money in banks, which will be seized under the writ as soon as located.

It was explained that the suit was brought against the Emperor as constituting the then Russian Government.

London, Nov. 26.—Fierce German counter attacks have been made here today in the neighborhood of the Bourlon Wood. The British line was at first forced to withdraw slightly, but later the line was re-established and the high ground held. Hard fighting was continued in the battle of Cambrai on Saturday with the British pushing forward determinedly northward on the Fontaine Wueant line to the west of Cambrai.

THE FULLEST MEASURE

"To find the men, the money and the resources necessary to ensure the fullest measure of support to our heroic soldiers at the front, and to enable Canada to continue to the very end to do her part to win the war," in the words of Sir Wilfrid Laurier, is the first duty of the Liberal Government.

Sir Wilfrid Laurier has indicated in no uncertain manner that there are many abuses existing at the present time which require rectification, and that he will rectify them.

It is in the interests of the people of Canada that for every dollar spent in the purchase of war supplies that the Government gets one hundred cents' value.

This is of course rank heresy to the big interests, who are able to get Sir Robert Borden and his Finance Minister to run things in Canada in their interests.

Support for the soldiers overseas is necessary and protection for the people at home against exploitation is none the less so.

A Union Government with Sir Robert Borden as premier, and Sir Thomas White as Minister of Finance would be little more inclined or capable of holding down the exploitation which has been going on in the years past.

THE DISAPPOINTMENTS OF THE BORDEN GOVERNMENT

(Continued From Page One.)

ought to know it by this time, that the Borden Government is the chief refuge and shelter of the profiteers.

This brings the Borden Government to its second disappoint-

The Brawn and Brain of a boy are not made out of books or sermons. They are built out of foods that supply in well-balanced proportion and in digestible form every needed element.

ment—the War Time Election Act, better known as the Disfranchise Act. This ingenious piece of legislation enfranchises some five hundred thousand women and leaves about one million, five hundred thousand good Canadian women out.

The long-suffering women of Canada know what it is to pay two prices for everything they put into their children's mouths, and by that fact they know the Borden Government. They are wise to the sinners.

Another weak spot in the War Time Elections Act is the clause which disfranchises some fifty thousand aliens, including many British subjects of fifteen years standing, simply because they are of foreign-enemy birth.

When the Borden Government, on sober second thought, reviews the fact that the fifty thousand disfranchised aliens are only a fraction of a multitude of German Canadians whom the act does not reach, and that the influence and sympathy of that multitude will go with their insulted compatriots it is inclined to go out and kick itself round the block for having made such a mess of it.

The only consolation in all these sportsmanlike attempts to disable the other fellow is the Military Voters' Act. The Borden

Government is perfectly satisfied with this. It looks like a straight steal on a wholesale scale. They will do the counting and distribute the votes as needed.

Bathe Internally and Keep Well!

Nature has mighty equipped us all, old and young, to resist disease—but she requires that we give her a chance.

We give her no chance if we permit the Lower Intestine to be more or less clogged with accumulated waste. Yet that is a universal condition today, as is proven by the number of laxative drugs that are consumed.

You can help Nature in Nature's most effectual way by Internal Bathing, and in an easy, non-habit-forming way keep the Intestine as sweet and clean as Nature demands it to be for perfect health and surer defence against contagion. Over half a million keen, bright, healthy people testify to its result.

Don't Say— "Call Again."

Yesterday an army of men started out to sell Victory Bonds.

For the next three weeks theirs will be a colossal task.

From Cape Breton to the Yukon, they will try to call at every city home, every farm home, and every office, factory, and business institution to ask people to buy Victory Bonds.

Conceive, if you can, the magnitude of their work; the hard labour it involves, and the high necessity for it.

Then, realizing all these things, do your utmost to make their task easier.

Decide now to buy.

Decide the amount you will buy.

Be ready to sign your application when the salesman calls.

You should and will buy Victory Bonds, but, don't—please don't—ask the salesman to call again.

The worker's time is limited. He has hundreds of calls to make; and although there is an army of workers, each one has a large field to cover.

Don't say you're going to hold your application for someone else, because each worker is limited to his own district.

The salesman will not accept money. The application blank includes a form of cheque, payable to the Minister of Finance, which you can draw upon your bank; or, if you have not a bank account, there is a form of undertaking which you can use.

Be Ready—

Don't Say, "Call Again."

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada.

LET US ALL

**POINTS OF INTEREST
FOR INTENDING VOTERS**

There are many points about the Dominion elections act as affected by the war time elections act and the new provisions which will be applicable to the voting in the coming elections.

The following are some points which will be of interest to the voters in the coming federal election:

Where provincial requirements as to residence cannot be applied at the time of making the lists the residential qualifications of voters is one year in the province and thirty days in the electoral district prior to the issuance of the writ of election.

Wives, widows, mothers, sisters and daughters of persons, male or female, alive or dead, who are serving or who have served outside of Canada in any of the military forces of Canada or Great Britain or within or without Canada in any of the naval forces, excepting such female relatives of persons who have ceased service in otherwise than an honorable manner are entitled to vote. No such relatives of persons who have joined the naval forces of Canada since the passing of the war time election act on September 20, 1917, will have the vote.

Lists to be Posted.
Fifteen days before the polling day (Dec. 17) lists of the voters in each polling subdivision will be posted in said subdivision. The enumerators then sit two hours per day for ten days preceding polling day to revise the list, answer inquiries and execute transfers of votes of election officers and agents whose duties may take them away from the polling subdivision on election day. Up to five days before election the enumerator may upon the representation of any credible person add or strike off the lists any name.

There are no printed lists. On election day electors whose names are not on the lists may appear before the enumerator who sits within or near the polling place. If they are entitled to vote they are given certificates. Any person who is refused a certificate may demand and obtain a written refusal which entitles him to a ballot which is sealed in a envelope and not counted excepting in case of a recount and then only upon proof of his right to vote. Votes of persons challenged are treated in the same manner.

There is an enumerator in each polling subdivision. Entirely new lists are being made out in Prince Rupert. The lists when completed will be posted outside the polling booths or outside the postoffice.

May be Sworn.
Every person, whose name is on the list, can be sworn by candidate, agent, or elector, and if the oath is refused the voter loses the right to cast a vote in the election. The oath is:

"You swear that you are legally qualified to vote at this election, that you are of the (male or female) sex, a British subject, resident of Canada, and of the full age of 21 years. (In case of a female voter the following is added): You do further swear that you are the (wife, widow, mother, sister or daughter as the case may be) of a person who is serving or has served without Canada in the military forces (or within or without Canada in the naval forces) of Canada or of Great Britain in the present war."

The following people are un-

qualified to vote:

The judges of every court whose appointment rests with the governor-in-council;

Persons disenfranchised for corrupt practices under the act; Criminals, lunatics, inmates of poor houses and such institutions;

Any person who has applied for exemption from military service on conscientious grounds and who has not been refused;

All Mennonites and Doukhobors excepting those who may have enlisted;

Every naturalized British subject who was born in an enemy country and naturalized subsequent to March, 1902, excepting those who have enlisted and served out of Canada in the Canadian or British armies, or in or without Canada in the navy; or have tried to enlist and been refused because medically unfit; or those who are grandparents, parents, sons, or brothers of such as who have so enlisted or tried to enlist; or those who are or have been during the present war members of the parliament of Canada or any province; or those Syrians and Armenians who are Christians; or those who are females entitled to the vote through relationship to a soldier.

Every person who has been convicted of an offense against the military service act has no vote.

His sermon last evening was on Legislative Socialism, when he drove home plain truths, which are apt to be overlooked. He emphasized that it was not so much what people contributed to any great cause, that really mattered, but what people kept back, like Annanias and Sapphira, under the pretence that they had sacrificed all.
