GREAT DAMAGE DONE BY BRITISH FLYERS--GERMAN AIRMEN ALSO RAID YORKSHIRE IN ENGLAND--MANY BOMBS DROPPED ON INLAND TOWNS--FULL DETAILS OF CASUALTIES NOT YET TO HAND.

(Special to The Daily News)
London, March 13.—The British Flying Corps despatched an attacking squadron on a bombing mission on the interior of Germany yesterday. The city of Coblenz, situated on the Rhine, was heavily bombed from the air, and extensive damage done to munitions factories and other war establishments. Over a ton of bombs were dropped on this city, and several fires were started. The British machines returned

safely, notwithstanding the heavy shrapnel barrage fire put up by the German guns.
Yorkshire Attacked.
London, March 13.—The German air fleet attacked the coast of Yorkshire in England late last night. Many bombs were dropped on the coast points, and several of the enemy machines penetrated inland for a considerable distance, dropping bombs on their way. The full details of the damage done, and the casualties have not yet been received.

GERMANS LOST FOUR PLANES IN LAST ATTACK ON PARIS

(Special to The Daily News)
Paris, March 12.—The Germans lost four airplanes in last night's attack on Paris. Nine squadrons took part in this raid. Thirty-four persons were killed and seventy-nine others were injured in Paris and its suburbs. In addition to the bomb victims, sixty-six persons were suffocated through crowding in a panic into a metropolitan railway entrance to take refuge from raiders. The casualties resulting from

the first attack on the city amounted to thirteen killed and forty injured, while those of the second attack number thirty-four killed and seventy-nine injured.
Copiously Bombed.
Berlin, March 13.—Paris was "copiously bombed" last night by the German aircraft, says today's war office report.
The attack was in retaliation for enemy air attacks on Saturday and Sunday on Stuttgart, Esslingen, Untereurkheim and Mais.

London, March 13.—Australian troops carried out successful raids during the night upon hostile positions east and north east of Messines. A number of Ger-

mans were killed and a few prisoners were taken by us. Our casualties were light. Artillery was active on both sides during the night south east of Armentieres and east and north east of Ypres.
Shell Cambrai.
Berlin, March 13.—Cambrai has been bombarded by long range British guns. Several shots from British artillery of the heaviest calibre fell in the town.

LAND DUKE GIVEN FREEDOM BY LENINE

Imprisonment for Months of Czar's Designated Regent Has Been Released.

(Special to The Daily News)
Petrograd, March 13.—It is stated in the newspapers that the Bolshevik government has granted complete freedom to Grand Duke Michael Alexandrovitch, who has been under arrest at his residence. Emperor Nicholas, an abject prisoner, designated him as regent.
Michael Alexandrovitch, a younger brother of Nicholas Romanoff, was named as regent in the former emperor's abdication on March 15th last. Early in September the grand duke and his wife were arrested, it being alleged that they had been concerned in a monarchist plot. At that time he has been in custody.

ALLIES FORMAL REQUEST FOR JAPAN'S ENTRY

Ambassadors at Tokio Formally ask Japanese Government Intervene in Siberia Against Huns.

(Special to The Daily News)
Tokio, March 13.—Foreign Minister Montone was this morning waited upon by the British and French Ambassadors at the foreign office here, when they formally asked for the intervention of Japan in Siberia in order to block the German plans in the Far East.
At the same time the United States Ambassador, Mr. Morris, made the announcement that America would not object to the sending of troops of Japan in Siberia.

CANADIANS BUSY ON THE RAILWAYS BEHIND TRENCHES

Ottawa, March 13.—A summary of the work done by all battalions of the Canadian railway troops in France during the month of January has been issued by the militia department. The statement shows that during the period nine miles of broad gauge tracks were laid by the Canadians and 33 miles of narrow gauge. The average number of miles of broad-gauge track maintained during the month was 49, while 141 miles of narrow-gauge track was maintained. The men were employed in locating, grading, ballasting and laying lines. About 6,100 Canadians were engaged on the narrow-gauge lines and about 1100 on the broad-gauge lines.

RUSSIAN NATIONAL GUARD TO OVERTHROW BOLSHEVIKI GOVT

London, March 12.—The social revolutionaries have decided to organize a national guard to overthrow the Bolshevik regime in Russia, according to Dr. Eleff, of Moscow University, who is quoted in the Copenhagen dispatch to the Exchange Telegraph Company, as saying that the decision was reached at a recent conference in Moscow. A great army is now being organized in the Don district supported by Cossacks, the dispatches add, and it is also planned to introduce a republic in Russia with a coalition government, which would not accept the German Bolshevik peace. Professor Eleff asserted that the news of the new government had been suppressed by the Petrograd Bolshevik news agency.

HUN PROPERTY IN STATES TO BE SOLD BY AUCTION

Large Holdings of Kaiser Wilhelm Bethman-Mollweg and other Junkers, also Wharves and Docks to Go.

(Special to The Daily News.)
Washington, March 12.—Property in the United States owned by the Kaiser himself, former Chancellor von Bethmann-Hollweg the German junkers, generally, and the German government itself, will be the first to go under the hammer under the plans of A. Mitchell Palmer, alien property custodian, to sell German owned property here to the highest bidder. Mr. Palmer's testimony to the senate appropriation committee in which he proposed necessary legislation which was made public yesterday, makes plain that properties of merely minor individuals probably will not be sold but that the direct purpose of the move is to break up the outposts of Kultur in America.
The Hamburg-American and North German Lloyd wharves and docks at Hoboken, N.J. Mr. Palmer told the senators are "a part of the German empire's commercial grasp upon this country."

TRADES AND LABOR COUNCIL MEETING

There was a large and well attended meeting of the Prince Rupert Trades and Labor Council held last night in the Carpenter's Hall. Mr. S. D. Macdonald, the president, was in the chair.
Mr. R. T. J. Rose, secretary of the local branch of the Provincial Labor Party, submitted an encouraging report of the progress of this organization, showing that good headway was being made, and the membership steadily increasing.
Mr. G. Zinch, who arrived recently in town from Victoria and Vancouver, was introduced at the meeting. In the course of his remarks, he asked for the signing of the petition which the Bible Students intend making to the Governor General, asking for the removal of the ban on the book called "The Finished Mystery," which he declared, was a religious book, based upon the authority of the Scriptures, and was in no respect seditious, or objectionable from a national standpoint. The petition was largely signed by members of the Council.
A communication was read from the Calgary Trades and Labor Council asking co-operation in having the sentence of three years imprisonment imposed on a Calgary Post Office Employee, revoked. The postman was imprisoned because \$9.00 had been taken from letters. He had only recently returned from service overseas. His wages as postman were \$16 per week, with which he had to support a wife and three children. The local body will co-operate in every way possible.
Notice of motion was given that all meetings of the Trades and Labor Council be thrown open to the general public, which matter will come up at the next regular meeting. Assistance will also be given to the Clerical Workers Union in the matter they have under consideration at present.

FURTHER PROGRESS MADE IN PALESTINE AND MESOPOTAMIA

(Special to The Daily News)
London, March 13.—A British official communication dealing with the operations in Mesopotamia and Palestine, issued by the war office today, says:
"The British have occupied Hit

(80 miles west of Bagdad on the Euphrates river in Mesopotamia), and have made a general advance on both sides of the Jerusalem-Nabulus (Palestine) road on a front of 13 miles for an average depth of two or three miles."

GERMANY ANNULS ALL CONTRACTS WITH NORWAY

(Special to The Daily News.)
London, March 13.—All contracts with Norway have been annulled by the German Central Purchasing commission from March 16, according to a Bergen dispatch. The reason for this action is that the Norwegian Agreement with America provides for the exportation of only 48,000 tons fish yearly to Germany.

FRANCE APPEALS TO UNITED STATES FOR MORE TROOPS

(Special to The Daily News.)
Washington, March 13.—France has made a new and earnest appeal to the United States for more speed in shipping men across the Atlantic. It was learn-

ed on high authority today that, as a result of this appeal, a decision has been reached to send abroad very soon some of the national army divisions, composed of men called under the selective service draft.

RUSSIA AND ROUMANIA AGREE ON PEACE TERMS

London, March 12.—Conclusion of peace between Russia and Roumania is announced in a Russian wireless dispatch received here. Roumania promises to evacuate all of Bessarabia, including Benderi, on the Dniester River, forty miles south-west of Kishinev, within two months.
Russia and Roumania have been at odds for several months, and a number of battles have been fought by the former allies. Roumanian troops disarmed Russian forces left in Roumania

after the conclusion of peace with Germany, saying the Russians were plundering Roumanian towns. Roumanian troops were sent into Bessarabia, a Russian province populated largely by Roumanians, saying they had been asked by the Bessarabian authorities to intervene and restore order. The Russians made a number of ineffectual attempts to subdue the Roumanians, and several weeks ago issued an order for the arrest of King Ferdinand of Roumania.

RED CROSS NOTES

The Red Cross Society is in receipt of a cheque for \$100 from the Seal Cove Branch; also a cheque for \$28.00 from the Alice Arm branch, both of which are acknowledged with thanks.

Arthur Bristow, of Queen Charlotte City, who has been adopted by the Prisoners of War Society of this city, has sent an acknowledgement of parcels of food received by him in his prison camp in Germany.

The sale of Home Cooking on Friday afternoon of this week will be in charge of Mrs. Hal Parker and Mrs. Stanley Parker in the Red Cross Hut on Third Avenue.

Another shipment of wool has been received by the society. The Supply rooms on Third Avenue are open every Thursday morning when wool for socks and directions for making may be obtained.

The sale of Home Cooking last week realised the sum of \$52.05. The winners of the articles drawn for were as follows: Mrs. Lando gave a box of apples which was won by Mrs. McCaffery; Mrs. Bulger photo frame won by Laura Frizzell; Thompson Hardware Co. cedar mop won by Mrs. Williseroft; Mrs. Craig flowers and vase, won by Capt. Brandt; L. C. Reid, picture of Atlin won by Mrs. Dawson; Mrs. D. H. MacDonald, wool basket, won by Mrs. Young; E. C. Bainter, sack of flour, won by E. F. Doyle; D. Glennie, box of apples, won by H. F. McLeod.

In view of the great spring offensive, the Red Cross Society expects that all its resources will be strained to the uttermost, judging by the magnitude of the operations now being prepared for. An appeal has been made to British Columbia for the raising of the sum of \$250,000. Prince Rupert will be asked to do her part in this. One way which will help will be the Friday sales of Home Cooking. Some Fridays there is very much less sent in than others and as a consequence buyers are often sent away empty handed. If every housekeeper in Prince Rupert baked something every Friday for the Red Cross, besides adding materials to the medical supplies for the soldiers, it would also be of great encouragement to the ladies in charge.

Anyone Can Have Whipped Cream

PACIFIC MILK is so rich in cream that it whips as easily as most of the fresh cream sold around the Province.

Mrs. McCary of New Westminster wrote in to say that she whips PACIFIC MILK regularly for a treat for the youngsters for breakfast.

All she does is to set aside the amount she wants, in a cool place, for a time and then beats it with a sieve egg-beater. She puts this on toast and gives it to the children for breakfast.

You'll find it is good on cakes and

Keep Chickens

This is National Service

They will help Keep you

The cost of meat is the heavy item in the food bill. Poultry and Eggs will help take the place of meat.

The food that goes to the garbage pail from the average table will provide one-third the feed for a flock of 8 to 10 hens.

Poultry will thrive where vegetables will not grow. The outlay is small. A few minutes a day is all the time required.

A small flock in your back yard will go far to keep you supplied with eggs, broilers and roasters.

How to go about it

BUY eggs for hatching or day-old chicks; borrow or buy a broody hen or an artificial brooder. A slatted packing-box will house the hen and chicks. Feed the chicks bread crumbs soaked in milk and squeezed dry. Feed five times a day, alternating with prepared chick feed, only as much as they will eat up clean. Remember that a hungry chick is a healthy chick.

CAUTION: Chicks must not be fed until at least 48 hours old, and then only sparingly.

If you can, start now with eggs or chicks; if not, arrange at once with the local poultry association for pullets in the fall.
