### Issues Message

Government must balance budget and also care for people, declares T. D. Pattullo, Liberal leader.

### National Economic Council Is Advocated By Liberal Leader

Budget Must Be Balanced But People Must Also Be Given Livelihood, Declares T. D. Pattullo in Review of Provincial Situation

Before leaving for Vancouver today, asked as to what recommendations he thought the Kidd commission would likely make, T. D. Pattullo stated that he had no information but he added that he would not be surprised if their recommendations are drastic. Mr. Pattullo further said: "If we are to balance our budget and pay our bills it is obvious that the public services will have to be considered in the light of their essentiality but merely cutting down expenses without expanding opportunity for employment will only aggravate the situation."

"Whatever else happens those without means must be provided for both from the standpoint of humanity and self-preservation. A national economic council should be created to co-operate with provincial bodies similarly constituted. I would create a provincial council whether the national government created such a body or not. Upon this council the best talent of all interests should be represented. Beyond doubt it could do effective work. The whole power of the people must be mobilized to meet this issue and I would not hesitate to adopt any means to accomplish it. With each successive tax increase, the public revenues decline and it is clear that mere taxation proposals are no solution of the problem.

"The whole question of public financing in its various spheres must come under review and, while we are saving in other directions, we must save also in this. We balk at the terms inflation and repudiation yet are heading for both and are floundering around with the decks awash. It is time we steered the ship of state rather than drift."

### Gift Made to Patrol Leader Leslie Wilson

At the last meeting of the Third Prince Rupert Troop of Boy Scouts the presentation of a fountain pen was made to Patrol Leader Leslie Wilson on the occasion of his leaving the city to reside in Vancouver. Patrol Leader George Viereck made the presentation on behalf of the Troop and Leslie Wilson suitably responded. During the evening games were played and refreshments were served.

### VISITING THE CITY

Mr. and Mrs. F. H. Clendenning, Jr., arrived in the city on the ss. Prince Robert Saturday from Vancouver, being here in connection with the loading of the steamer Fresno City at the local elevator. Mrs. Clendenning, formerly Miss Lorna Tite, is the daughter of Mr. and Mrs. George D. Tite of this city with whom she will visit while here.

High School promotion lists, published last week, were not given in order of merit, it is explained by members of the teaching staff. The order was largely alphabetical.

### GRAIN SHIP IS LOADING

British Motorship Fresno City Arrived Saturday Night After Fine Trip Across Pacific Ocean

To load a full cargo of grain from the Alberta Wheat Pool's local elevator for delivery to the United Kingdom or Continent, the Rear-don-Smith motorship freighter Fresno City, commanded by Capt. Dan Davies, arrived in port at 10:30 Saturday night from Taku Bar, China. The vessel, which had an excellent passage across the Pacific Ocean, took on her pilot, Capt. J. R. Eilfert, harbor master, at Triple Island.

Immediately on arrival, the Fresno City moored at the elevator where loading is now proceeding. She should get away about the middle of the week.

### UNEMPLOYED IN SESSION

Signing Up of Men By City Public Works Department Discussed—Casey Calls Workless Ill-Advised and Obstinate

The signing up by the city engineering department for relief work was the principal topic of discussion last night at a well attended meeting of unemployed in the Canadian Labor Defence League Hall. The men desire the department to negotiate with the unemployed committee, to which several married men belong, and a resolution to this effect was passed.

It was also decided to write to the provincial government endorsing the stand of the Union of B. C. Municipalities in asking the federal government to take over the responsibility for relief.

Much discussion took place between members of the audience on one hand and Ald. G. B. Casey on the other. The latter declared that the unemployed were ill-advised and obstinate in taking the stand regarding discontinuance of work. Many agreed with the speaker in that the city had reached the limit of its resources.

There were complaints of pipe removal from toilets and cutting off of water to householders who are behind with their rent.

W. W. C. O'Neill and son sailed Friday night on the Princess Adelaide for Vancouver where they will spend the summer. Mr. O'Neill is a member of the teaching staff of Borden Street School.

### PASTOR IS FAREWELLED

Rev. Alfred Wilson Honored By Congregation of First United Church Last Night

Rev. Alfred Wilson conducted his farewell services before large congregations at both morning and evening services in First United Church here yesterday. He preached appropriate sermons on each occasion. Soloists last night were Mrs. P. C. Miller and Dr. R. G. Large.

Following the evening service, a farewell social was held in the downstairs rooms of the church, about one hundred persons being present. On behalf of the Young People's Society, Miss Ruth Wilkinson presented Mr. and Mrs. Wilson with a handsome reading lamp. For the members and adherents of the church, G. A. Edgecumbe made the presentation of a wallet containing a substantial sum of money.

Mr. Wilson replied suitably. The proceedings concluded with the serving of refreshments and a brief musical program to which Mrs. H. N. Brocklesby contributed with vocal solos and O. F. Denstedt with violin solos. Mr. and Mrs. Wilson and family are sailing this afternoon on the Prince George for Vancouver where Mr. Wilson will assume the pastorate of St. James United Church. Rev. C. D. Clarke of Britannia Beach, Mr. Wilson's successor here, will take over the pastorate a week from next Sunday. Rev. Victor Sansum of Port Simpson will preach here next Sunday.

Rev. Dr. J. Douglas, synodical superintendent of the Presbyterian Church for British Columbia, arrived in the city on the Prince Robert Saturday from New Westminster and will supply in the pulpit of First Presbyterian Church here during the month of July in the absence of the pastor, Rev. W. D. Grant Hollingworth, who is on a vacation trip to Montreal.

### BREAK-UP IN STRIKE

Seventy-Five Native and Japanese Fishermen Go to Work on Skeena River

Seventy-five boats—mostly Indians with a few Japanese—started fishing on the Skeena River at midnight last night, indicating a break in the strike situation which has existed on the river since the opening of the sockeye fishing season two weeks ago.

No white fishermen have yet gone out and there is to be a meeting of them at Port Essington this afternoon to consider the situation. It is understood that 27¢ per fish is being paid by the canners for sockeye with some concessions in regard to nets.

There is no fishing yet on the Naas River.

### LANDINGS ARE DOWN

Total of 1,682,000 Pounds of Halibut Brought Into Prince Rupert During June This Year

Halibut landings at the port of Prince Rupert for the month of June this year totalled 1,682,000 pounds as compared with 2,397,800 pounds in the same month last year. American landings for June this year totalled 1,340,700 pounds and Canadian 341,500 pounds. In June last year American landings amounted to 1,750,000 pounds and Canadian 647,800 pounds.

### WEATHER REPORT

Dead Tree Point—Overcast, light southerly wind; barometer, 30.18; temperature, 58; choppy sea. Prince Rupert—Part cloudy, five mile southeast wind; barometer, 30.28; temperature, 56; sea smooth.

The vessel, which will return here Saturday afternoon southbound, had eighty passengers on board.

**MILLIONS HELPED TO HEALTH BY ALL-BRAN**

Has "Bulk" and Vitamin B for Constipation; Also Iron for Blood

In ten years, Kellogg's ALL-BRAN has gained an increasing number of friends. Today, it is used by millions with satisfactory results.

New tests show added reasons for the success of ALL-BRAN. Laboratory experiments prove it has "bulk" to exercise the intestines, and Vitamin B to help tone the intestinal tract.

Another benefit of ALL-BRAN is that it has twice as much blood-building iron as an equal amount by weight of beef liver.

The headaches, loss of appetite and energy that so often result from constipation can be overcome by this pleasant cereal. How much better than using habit-forming pills and drugs.

ALL-BRAN action is gentle. Its "bulk" is much like that of lettuce. Within the body, it absorbs moisture and forms a soft mass. Gently it clears the intestines of wastes.

Two tablespoonfuls daily are sufficient to overcome most types of constipation. If your intestinal trouble is not relieved this way, see your doctor.

Serve as a cereal, or use in cooking. Tempting recipes on the red and green package. Sold by all grocers. Made by Kellogg in London, Ontario.

Did this ever happen to you?

**Mentholatum**  
Is a wonderful relief for Sunburn, Insect Bites, etc.

MADE IN CANADA

Pete Cravetto left on Saturday afternoon's train for a business trip to up-river points.

The Canadian National Recreation Association has given up plans for its annual picnic this year.

**"THE DUNES"**

Tlell, Queen Charlotte Islands

In keeping with the spirit of the times, the rates for summer boarders at "The Dunes," Tlell, have been reduced to \$1.50 a day. The ideal summer resort. A home away from home. A place for the tired businessman to rest and where the children can play unmolested and without danger.

Miles of sandy beach, huge sand dunes, all the pleasures of the farm with fresh milk and plenty of thick cream. Fresh vegetables and home cooked meals. Trout and salmon fishing in Tlell River.

**THE NEW SPECIAL RATES**

make it possible for anyone to pay a visit. Here is cost per person:

- Board and room for 10 days \$15
- Return steamship fare 18
- Care hire to and from boat 2
- Total for 12 days \$35
- Children, half price. No extras

Prince John leaves Prince Rupert July 8, 22, Aug. 5, 19.

## QUEEN CHARLOTTE ISLANDS

(Prepared by a Resident of Long Standing)

### RESOURCES

The Queen Charlotte Islands have the last and only great stand of Sitka Spruce in the world.

The Queen Charlotte Islands have the largest stand of Cypress or yellow cedar in the world. This timber for railroad ties will outlast treated or creosoted ties as three to one. There are millions of yellow cedar poles on the Islands and it is believed by many that a very high grade of turpentine can be extracted from the trees; also oil for mining and flotation purposes.

Queen Charlotte Islands have very large red cedar timber stands. When recently examined by Japanese experts it was pronounced to be the toughest and best in the world. Large quantities of this timber are suited for piling, which when treated with creosote will outlast fir four to one. There are millions of feet of alder on the Islands for which there is said to be a ready market in Japan.

Queen Charlotte Islands have over 100 miles of gold-bearing sand on the east and north coast beaches.

Extensive copper deposits and gold-bearing quartz are known to exist. Also antimony, iron and other ore showings have attracted considerable attention.

For many years of prospectors have been attracted by oil seepages at various points. There are extensive oil shale beds and evidences of natural gas. Coal is known to underlie a considerable part of the country.

### SPORTSMAN'S PARADISE

The Islands are a sportsman's paradise. Black bear are numerous, and there are also plenty of deer, wild cattle, ducks, geese, pheasants and quail. King salmon can be caught with a trolling hook.

Pink salmon abound in countless numbers and Chums run up the creeks in the proper season.

The Islands have fine razor clams and scallop clams, said to be the only extensive beds in the British Empire. The scallop, a rival to the oyster, has not yet been introduced to the world's markets. They are found in the neighborhood of Naden Harbor, Rose Spit, Tow Hill and Skidegate Inlet.

Crabs abound in the waters adjacent to the mouths of streams on the north and east coast of Graham Island.

Other commercial fish found in the adjacent waters include grey fish, sable, various varieties of flat fish, herring and sardines.

### THE CLIMATE

The climate of the Islands is mild and tourists who wish to get out of the beaten paths will find it a wonderful change from usual routes of travel. There is a great field for archeological and natural history studies, for mining ventures, for timber industries, for oil speculation, for sport or just as a place to loaf and enjoy life.

**FRESH MILK WHENEVER YOU NEED IT— WITH KLIM!**

Milk with your coffee — milk with your tea — milk for your flapjacks. You can have fresh, creamy milk with every dish, if you have a few tins of KLIM in your dunnage.

For Klim is Powdered Whole Milk — pure, full-cream milk from selected dairy cows—minus the natural water. Add Klim to water and you have rich whole milk again. Ready to use as required—safe, uniform, dependable. Klim does not sour in the dry form, even after the tin is opened.

Your grocer has Klim. Send name and address for our free book called "Camp-Cooking," written by five well-known woodsmen—full of useful and simple outdoor recipes.
