BRITAIN APPEALS FOR PREFERENCE END OF REPUBLIC IN GERMANY IS PREDICTED BY HITLER

Stanley Baldwin Lays Tariff Situation Fairly Upon Table At Ottawa Empire Conference

T. D. Pattullo

Who has called convention of Liberal party for October 3.

Old Land Thinks it Should Be Getting Better Treatment From Dominions in View of What it is According Them—Is Still Willing to Co-operate Further

OTTAWA, July 28.—Rt. Hon. Stanley Baldwin, head of the British delegation to the Imperial economic conference, today told Great Britain's tariff story in a supplemental statement to the conference in which he reviewed tariff advantages which Empire goods now enjoy in the British market. Of the future of British tariff policy, Mr. Baldwin gave only a general indication.

FUSION IN POLITICS

Amalgamation of Farmer and Labor Parties in Saskatchewan Completed Last Night

SASKATOON, July 28.—Farmers and Laborites of the province of Saskatchewan completed union of their political forces last night with the selection of a Labor man as leader of the new-born Farmer-Labor party.

M. J. Coldwell, Regina alderman, was selected leader.

Representatives of the United Kingdom, the Lord President of the British Council declared, "have entered this conference with the intention of making their full contribution to a still further extension of Empire trade. They have put frankly and fully to the Dominions articles upon which they desire to secure further advantages in the Dominion markets and they will welcome from the Dominions equally full statements of corresponding advantages they seek in the market of Great Britain."

Following are some points from Mr. Baldwin's statement:

The proportion of imports from the Dominions which still enjoys free entry into Great Britain in some cases exceeds ninety percent. Since Great Britain changed her fiscal policy only thirty percent of her imports from foreign countries enjoy free trade.

In the case of imports from the United Kingdom into the four principal Dominions, there is today practically no free entry, that is to say a duty or tax of some kind is charged on almost all goods imported into those Dominions.

The visible trade balance in favor of the Dominions is nearly £100,000,000 sterling. During the year 1930 imports into the Dominions from foreign countries amounted to nearly £350,000,000.

The British delegation urges that preferential rates of duty charges should be so graduated as to give the products of the United Kingdom a reasonable chance of competing on even terms and that the duty against United Kingdom products should be fixed for protective purposes no higher than is necessary to give reasonably efficient industry in the Dominions a fair chance.

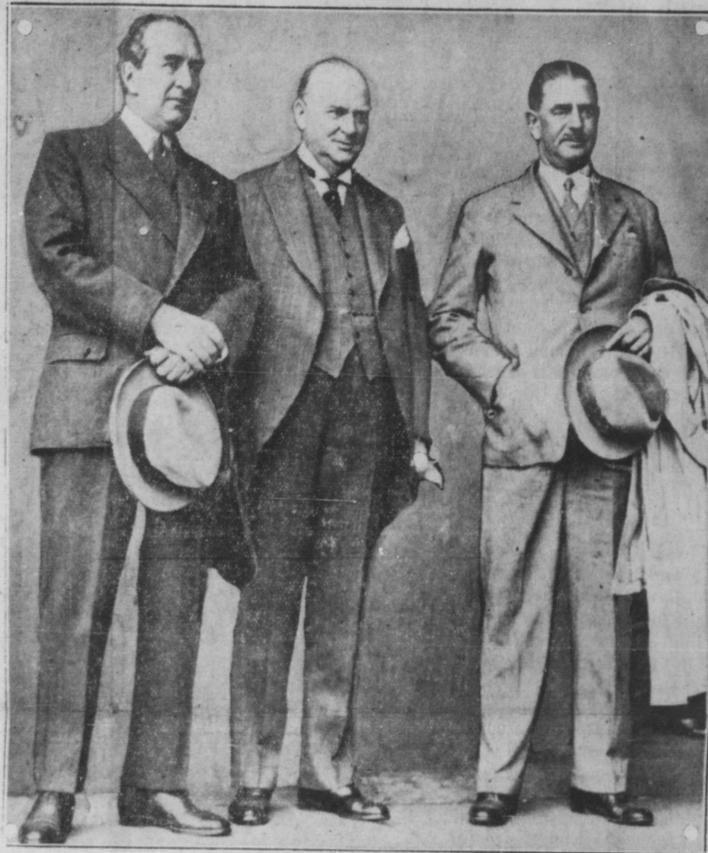

Rhodesia Heard From Southern Rhodesia has offered Great Britain increased tariff preferences and will make similar advances to other Empire countries which are willing to reciprocate, it was announced today.

AVIATORS ARRESTED

C. W. Still and Walter Gorrie of Seattle Taken Into Custody at Vancouver

VANCOUVER, July 28.—Charged with illegal entry into Canada and operating an airplane without a licence, C. W. Still and Walter Gorrie, Seattle flyers, were arrested at Kelse Bay and are being held here pending hearing.

Still was today fined \$150 while Gorrie was not penalized.

Premier Bennett with big guns from down under. The Rt. Hon. Stanley Melbourne Bruce, assistant treasurer and former premier of Australia, and Hon. J. G. Coates, minister of transportation and employment, also an ex-premier for New Zealand, now at Ottawa.

Democracy Given Only Few More Days of Life By Nationalist Leader

Fascist-Socialist Chief Brings Election Campaign to Close By Addressing 100,000 Persons in Berlin Stadium—Thunderous Enthusiasm Displayed

BERLIN, July 28.—Democracy in Germany is given only a few more days to live by Adolph Hitler, fiery National Socialist leader. Winding up the campaign for next Sunday's elections with a speech at the great Berlin Stadium last night, Hitler brought thundering cheers from the throats of 100,000 of his followers when he said: "July 31 must remove the rule of democracy and of Marxism and its vassals from Germany and restore a regime of discipline and national conscience and power."

PROPOSAL REJECTED

Local Unemployed Refuse to Work Out Direct Relief at Rate of 35c Per Hour

At a mass meeting last night of the National Unemployed Workers' Association in the Canadian Labor Defence League Hall, it was unanimously agreed that the men would not go to work for direct relief. The four hundred persons present were all opposed to the proposal of the government under which men would go to work to cover their direct relief allowances at the rate of 35c per hour. A counter demand for 50c per hour was made.

Trucks were on hand at the public works warehouse at Cow Bay this morning to take men out to the road work at Cloyah Bay but they went away empty.

"We aim," Hitler continued, "to sweep the thirty political parties out of the country. We Germans must be a united people. We are on the eve of a great historical decision. The thirteen years of decadence, the life of the republic, are nearing an end."

DR. PAUL GORGULOFF TO BE GUILLOTINED

PARIS, July 28.—Dr. Paul Gorguloff was found guilty last night of the assassination of last May of President Paul Doumer and will be executed by the guillotine. Gorguloff, who is a Russian anti-Bolshevik and expatriate, admitted the murder and had asked to be shot.

DEBTS AND ARMAMENTS

PARIS, July 28.—At a conference yesterday with Premier Eduard Herriot of France, Walter E. Edge, United States ambassador to France, disclosed that President Hoover might be disposed to take a more flexible stand in regard to war debts due the United States if the European nations would take more active steps towards disarmament.

Annual Convention of Boards Of Central British Columbia Opens Sessions at Ft. Fraser

FORT FRASER, July 28.—Many matters of vital interest to the welfare of the interior and coast of Central British Columbia are included on the agenda of the annual convention of the Associated Boards of Trade of British Columbia which opened here today. Immediately after the opening, the resolutions and other committees were named and they are now giving preliminary consideration to the various matters which will engage the attention of the convention.

Delegates from the various communities between Prince Rupert and Prince George are represented at the convention by delegates. In addition to the straight business of the convention, the hospitable people of Fort Fraser have arranged suitable entertainment for the delegates during their stay.

The official delegate of the Prince Rupert Chamber of Commerce to the convention is John Dybbavn while other members of the coast chamber in attendance include Olof Hanson M.P., G. A. Woodland and W. H. Tobey.

KILLED IN AIRPLANE

Mrs. A. C. Bossom and Son and Prince Otto Furtenau Lose Lives Over England

FARNHAM, England, July 28.—Mrs. A. C. Bossom, wife of the famous architect and Member of Parliament, and her son, Bruce, and Prince Otto Furtenau of Germany were killed last night when an airplane exploded in the air and crashed into a thousand pieces.

CONTINUING THEIR TRIP

Capt. von Gronau and Three Companions Will Fly Around World It Is Announced

NEW YORK, July 28.—An oil company which has established bases along the route yesterday officially confirmed reports that Capt. Wolfgang von Gronau and three companions are about to start a flight around the world following their successful spanning of the Atlantic Ocean. Von Gronau and his companions were to leave Montreal for Chicago today in the Dornier seaplane.

Von Gronau Denies MONTREAL, July 28.—Captain Wolfgang von Gronau, German transatlantic flyer, denied last night that he planned a flight around the world. He declared that he knew nothing of the refuelling depots that had been established for him on the route to Japan.

Juvenile Whipped By His Mother For Stealing Bullets

Found guilty by Magistrate McClymont of stealing cartridges from the store of G. J. Dawes, a boy of juvenile age was strapped by his mother yesterday afternoon under the supervision of the police and will be required to report his good behavior every morning at the city police station.

Another boy of juvenile age charged with theft of articles from a vacant dwelling on Fulton Street is in the hands of the police, his case having been adjourned for eight days.

Joan MacDonald To Wed Shortly

LONDON, July 28.—Miss Joan MacDonald, daughter of Prime Minister J. Ramsay MacDonald, is making preparations for her early marriage to Dr. Allistone McKinnon, young medical graduate, who will soon complete his studies.

WHEAT STILL RISING

VANCOUVER, July 28.—Wheat continued its advance in price and was quoted at 56 1/2c on the local exchange today.

One Bonus Seeking Veteran Is Shot Dead and Another Injured in Washington Riot

WASHINGTON, July 28.—One unidentified veteran was shot dead and another was seriously wounded in rioting between veterans' bonus seekers and police near the Capitol today and troops were ordered out at the direction of President Herbert Hoover to quell the disturbance. From Fort Myers, Virginia, squadrons of cavalry rushed into the city and headed for the White House.

Down near the Capitol meanwhile police strove to keep order among the veterans who were in an ugly mood after having been fired upon by the officers.

The shooting and rioting occurred on Pennsylvania Avenue, two blocks from the Capitol, where the veterans have been encamped. A group of the veterans resorted to violence after being evicted from a building they had been occupying. They chased the police for some distance by throwing bricks at the officers.

It is expected that the authorities will at once clear the city of the bonus seekers many of whom have been here for weeks.

DAILY EDITION  Thursday, July 28, 1932

MARKET NEEDED

Prince Rupert would be all right if there was a market for the products of the district. This year so far there has been very little market for halibut and had it not been for the cold storage company halibut would have had to be dumped. As it was they have been taken at a low price, the buyers gambling on the possibility of a turnover.

What applies to halibut has also applied to the low grades of salmon. The fish are all right but they cannot be sold this year. Lumber, poles and many minerals have also been a drug on the market with the result that many have been idle and producers have lost a great deal of money. The reflex of this has hit the local merchants with dire results.

While Ottawa is trying to secure Empire markets for Canadian products and we are with them in their endeavors and will back Mr. Bennett to the limit in his efforts, what we really need here is an improvement in the conditions in the Eastern States where they buy our halibut. Once that market revives, the fishermen will make money and so will the dealers and prosperity will return to Prince Rupert. In the meantime everyone is carrying on in the best manner possible.

OUR SPLENDID CHILDREN

One thing the depression has not injured is our splendid children. In many cases these youngsters have been benefited by a return to plainer foods and saner amusements. If the worst came to the worst many people could yet cut their living expenses in half and not suffer in the least except for a little mental protest.

Prince Rupert children compare favorably with those of other places, mentally and physically. As we see them grow up and develop into manhood and womanhood they are a delight. They have all the vigor that can come only as a result of enjoyment of the north country climate.

The Daily News has given the people here first information in regard to some of their successes in entrance to high school examinations, in Toronto Conservatory of Music examinations and in matriculation passes. We congratulate these winners on their success and hope to see more of them each year.

DEMPSEY IS HEARD

Former World Champion Intends to Remain With Fight Game

Local boxing fans had the pleasure of hearing Jack Dempsey, former world's heavyweight champion on the air Tuesday night. Dempsey was interviewed from Los Angeles by Sam Hayes, the Richfield reporter.

The former champion spoke briefly of some of his famous fights including those with Jess Willard, Louis Firpo, Jack Sharkey and Gene Tunney. He also gave some good advice to the younger crop of fighters urging the importance of the sport rather than the proceeds. As for himself Dempsey declared

his intention of staying with the fight game. He was keeping in training in the event of something turning up such as a fight with Jack Sharkey, the present champion, which he said he would welcome under suitable conditions. The former champion, who now weighs 205 pounds, will shortly appear in person in Portland and Seattle.

Young Elks Made Big Score to Win Intermediate Ball

In the third game of the second half of the Intermediate League baseball season, Young Elks defeated Young Empress by a score of 19 to 8.

TWO GAMES ARE PLAYED

Station and Navy Split Honors in Softball Double-Header

In a double-header between the Station and Navy in the C. N. R. Softball League last night, one victory each was obtained, the Station winning the first game 8 to 1 and Navy winning the second game 6 to 3. This is the first win for the Navy this season. Both games were well contested. The Station was the best in the field and bat in the first game. Stiles poled out three hits in the opener, including a three-bagger, besides playing a tip-top game at third base.

In the second game Navy, by scoring three runs in the seventh inning, put the game on ice. Franks played sensational ball at second base for the Navy, besides coming through with a single in the seventh scoring two runs.

Navy — Young, Pitcher, Armstrong, McFie, White, Franks, Stewart, Murdock, B. Stalker.

Station — Geddes, Morrison, Unger, Stiles, Antonelli, B. Skattebol, Dingwell, D. Stalker, Jackson.

Batteries for both games:

Navy — Pitcher and Armstrong, Station — Morrison and Dinewell. Umpires — Comadina and Johnson.

F. Patterson, well known Parcher Island mining man, arrived in the city yesterday afternoon and is a guest at the Savoy Hotel.

500,000 MOTORISTS
 Have Joined the
SILVERTOWN SAFETY LEAGUE

Government Leaders call for YOUR Support in Nation-Wide Crusade!

Motor traffic's toll in Canada:
 1,300 deaths 45,000 cases of injury 75,000 accidents

This year's toll is mounting rapidly.
 IS ANYTHING BEING DONE ABOUT IT? YES!!

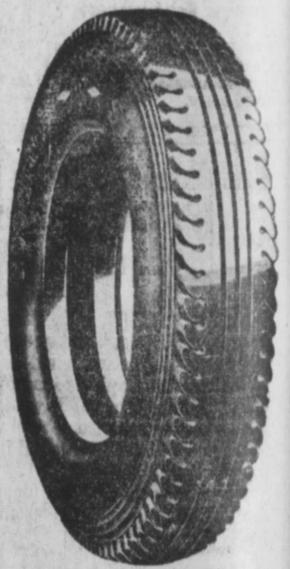

More than 500,000 motorists have already enrolled in the Silvertown Safety League and pledged themselves to abide by the League's "nine commandments of safety".

And government leaders all over the country are asking YOU to join this crusade against the carnage of the roads.

Take YOUR Stand For Safety

The Goodrich dealer's store in your locality is the local branch office of the League. He has a pledge ready for your signature. And through him you will receive FREE the Silvertown Safety League emblem to display on your car.

Announce to the world that YOU stand for safe driving . . . join the Silvertown Safety League to-day!

Hon. GEO. S. HENRY

ONTARIO PREMIER ENDORSES LEAGUE—"It has been one of my ambitions to promote safety in driving. I am interested in anything which will aid in moulding public opinion to a realization of the importance of sane and careful driving. The idea of the Silvertown Safety League has my hearty endorsement."

Hon. G. S. HARRINGTON

PREMIER OF NOVA SCOTIA COMES OUT FOR SAFETY LEAGUE—"I am interested in anything which will focus attention on the needless sacrifice of human lives due to reckless, thoughtless driving. I heartily endorse the Silvertown Safety League."

Hon. W. R. CLUBB

JOIN SAFETY LEAGUE, RECOMMENDS MANITOBA OFFICIAL—"I urge the co-operation of every motorist," says the Minister of Public Works for the Province of Manitoba, in putting his seal of approval on the Silvertown Safety League."

Hon. S. F. TORMIE

BRITISH COLUMBIA'S PREMIER URGES SUPPORT—"It should be the aim of every right-thinking citizen to do his part in promoting safety on our highways, and I think that the Silvertown Safety League movement should go a long way toward achieving the desired end."

YANKS LOSE TWO GAMES

Cleveland and Philadelphia Climb Toward American League Pennant—Pirates Increase Lead

CLEVELAND, July 28.—The double-header conquest of the New York Yankees by the Cleveland Indians here was the outstanding event in Big League baseball activities yesterday. As a result, the Indians climbed to within seven and a half games of the American League leading Yanks. The Philadelphia Athletics likewise won a double-header from the Detroit Tigers at Detroit and remained in a technical tie with the Indians for second place.

In the National League, the Pittsburgh Pirates increased their margin of supremacy to five full games by defeating New York Giants in both ends of a double-header at the Polo Grounds and appear now to be pretty surely headed for the 1932 pennant. It is the largest lead any National League club has had so far this season in the senior circuit. As a result of their defeat, the Giants dropped back into seventh place below the Brooklyn Dodgers who defeated the world champion St. Louis Cardinals in a close game.

Yesterday's Big League scores:

National League

Pittsburg 9-4, New York 8-2. St. Louis 4, Brooklyn 5. Cincinnati 4, Philadelphia 3. Chicago 1-4, Boston 2-1.

American League

New York 1-10, Cleveland 2-12. Washington 9, St. Louis 3. Philadelphia 13-4, Detroit 8-0. Boston 5, Chicago 5.

JESSIE IS EXAMINED

Consulting Engineer Reports Favorably Upon Smithers Mine

SMITHERS, July 28.—After more than a week spent at Smithers in connection with the affairs of Jessie Gold Mines, for which he is consulting engineer, W. G. Norrie-Loewenthal of Vancouver left for home on Sunday morning by automobile, accompanied by his wife and son. While in the district both Mr. and Mrs. Norrie-Loewenthal renewed many old acquaintances from the days when the former was in charge at the Silver Standard mine near Hazelton. They visited Hazelton on Saturday evening to see Dr. H. C. Wrench and Douglas Lay, resident mining engineer.

Five days were spent by Mr. Norrie-Loewenthal at the Jessie mine and a thorough examination was made of the property and the adjacent areas. On Saturday afternoon he made an interim report to the board of directors on his findings, although, at the same time, explaining that he could not make a final report until after he has received the results of the assaying of the samples taken during his examination. The final report will be ready during the first week of August.

To the board of directors he stated that he found all that he had been led to expect on the property and more and that the ore in the tunnel was a very nice showing although he could not yet say just what values it will carry. He reported that the property well warranted the expenditure of the necessary money to develop the present showings and the work hitherto was very well done and good value had been obtained for the money spent. The policy of hand mining was the proper one at this stage but, when finances were available and an extensive program in hand, it would probably be wise to install some kind of power system. He was favorably impressed with the possibilities of Simpson Creek for a small water power. For the immediate future he advised continuing the work with the present crew and drifting on the strong ore now showing in the tunnel, which obliquely cross-cuts No. 2 vein. After No. 3 vein had been definitely established in the tunnel if would be

well to drift on the ore of that vein as well. The intersection of No. 2 and No. 3 veins must be very close to the present tunnel. The drifting on ore would show just where it branches off.

Mr. Norrie-Loewenthal complimented the people of Smithers, through their directors, upon their foresight and energy in starting up the development of their own mine at a time when conditions are as at present and, at the same time, he stressed that it was only to be expected that people right here in the immediate vicinity should be the first to take up the development of the mineral deposits located here. Present development on the Jessie property showed that their faith was fully justified.

Fruit Crop at Terrace Good Is Visitor's Opinion

James Thompson, who returned this week from a visit to Terrace, states that there was a very good strawberry crop at the interior point and the raspberries are now beginning to come in. Plenty of rain has kept things growing and the fruit crop generally seems to be pretty good. Sunshine is needed now to ripen it.

TO MEET IN FINAL

Tilden and Kozeluh Qualify For World's Professional Tennis Championship

CHICAGO, July 28.—William T. Tilden II of United States and Karl Kozeluh of Czecho-Slovakia qualified yesterday for the final of the world's professional tennis championship and will meet on Saturday. They are old rivals.
