Report on Interview With City Council Presented to Labor League

A regular meeting of the Women's Labor League was held last night and the report of the delegations' interview with the city council caused much discussion.

Looks Like He Will Retain Olympic Sculling Championship—Wright Did Not Do So Well

LOS ANGELES, Aug. 10.—Bobby Pearce, great Australian, showed he would likely have little trouble in successfully defending his Olympic sculling title by taking a trial heat from William Miller, United States champion, yesterday with ease.

In another heat Joe Wright of Canada finished a bad third, the heat being won by Southwood of Great Britain with Douglas of Uruguay second. It was stated afterwards that Wright had suffered from a cramp. He still has a chance to qualify for the finals.

WELCOME H. M. C. S. SKEENA

Prince Rupert people will join in welcoming H. M. C. S. Skeena, naval namesake of this district, on another visit to this port. It is to be hoped that the visit will be an enjoyable one for the new commander and the ship's company in spite of the fact that it has been requested that, in view of conditions, entertainment be as unpretentious as possible. Visiting naval craft are always welcome at Prince Rupert and, particularly is this so of H. M. C. S. Skeena and her genial personnel.

REAL AND THEORETICAL COMMUNISM

The paradox of the effect of Russian propaganda throughout the earth is that it is creating ideas and conceptions the antithesis of those which are enforced in the Soviet realm, says the Victoria Colonist editorially. Communism outside Russia believes in laziness and agitation, in short hours and the receipt of something for nothing, with the state the universal provider. In Russia the official formula is that he who works more shall eat more, buy more, enjoy more. That is a doctrine which could never appeal to the Communist agitators in other lands. Their belief is that he who works hard and makes a success of his life is a parasite on the proletarian body politic.

The fact is that Communistic propaganda has so warped the conception of life's values that its most active protagonists seem to have lost the desire, the will and the ability to work and to give their quid pro quo for what life has to offer. The very contrary conception of what Communism means is being enforced to the point of slavery in Russia, and that perhaps explains why none of the converts to Communism in other lands are willing to go to Russia to take their chance in the paradise of their political conceptions.

FOOTBALL MEETING

Gilhuly Cup Knock-Out Series Decided on—Will Stage Soccer Tourney During Fair

The Prince Rupert Football Association, at an executive meeting last evening, decided to operate the Gilhuly Cup series of games this season on a knock-out basis, the following draw being made by the president:

August 18—Merchants vs. Canadian Legion.
August 23—Home Oil vs. Regiment.

There will be no overtime, the games to be replayed if the issue is not settled at full time.

The final, if possible, will be played on August 30, the opening night of the Prince Rupert Exhibition.

Arrangements are being made for a game between Canadian Legion of the City League and H. M. C. S. Skeena on Saturday evening of this week.

The football executive also decided to conduct a football tournament in conjunction with the Prince Rupert Exhibition this year. It will take the form of a five-a-side competition which will be open to all football enthusiasts regardless of whether or not they are registered players. The entry fee will be \$1 for each team of five players and entries are to be in not later than August 31. It is planned to hold the qualifying rounds on September 1 and the final on September 2. On the Friday night there will also be a place kicking competition and a dribbling race.

Merchants Win Thrilling Soccer Game From Canadian Legion and Cinch Stuart Shield For Season

In what was probably the most thrilling soccer match that has been seen here this season, Merchants, after having been down two to nil in the early stages of the game, came up from behind last evening to defeat the Canadian Legion by a score of 3 to 2 and cinch the Stuart Benefit Shield football trophy for the 1932 season. While there are two games still scheduled to be played in the series, they will have no bearing on the possession of the trophy for the year. A good-sized crowd of fans witnessed last night's match all of whom derived a great kick from the keenness of the play and the climactic finish.

Canadian Legion was fortunate to go one goal ahead within the first minute of play through a penalty kick after George Mitchell of the Merchants had handled, Horne scoring on the penalty. Ten minutes later Johnson scored the second goal for the Legion after Vic Menzie had miskicked in front of the goal. These early reverses only served to spur the Merchants on and they attacked almost continuously. Henry Dickens scored the first for the Merchants following a rebound from a terrific shot by Albert Dickens. The score at half time was two to one in favor of the Legion.

Second Half

Immediately on resumption of play for the second half, Comadina got away on the left wing and equalized for the Merchants following a scrimmage. The Merchants continued to bombard the Legion goal but Gurdich was playing a good game and seemed almost unbeatable. Ten minutes from time Hunt handled the ball in the penalty area and Comadina took the kick but Gurdich saved. Three minutes later the Merchants got another penalty kick after Hunt had handled deliberately. Albert Dickens took the kick and made no mistakes in scoring, putting Merchants one up and giving them the trophy. The Legion tried hard to equalize but the Merchants' defence was sound.

For the Merchants Webster, Geo. Hills, Dickens, MacKay and Chenoski starred. For the Canadian Legion Gurdich, Horne Currie and Hadden were best.

James Mitchell gave excellent service as referee. Undoubtedly his action after the first goal had been

SOFTBALL IS CLOSE

Ten Innings Required For Navy Defeat Station 14 to 12 Last Evening

Navy defeated Station by a score of 14 to 12 last evening in a regularly scheduled Canadian National Recreation Association Softball League fixture. It took 10 innings to decide the issue, the game being one of the most exciting that has been staged in the league so far this season.

It was a wild game in which the Navy marked up their second win for the season.

For the Station, D. Stalker, Decker and Breen had a race to see which one could make the most errors. In batting the Station secured the most safe hits, but headed base running offset their advantage. For the Navy, Franks at second again was the best man on the field, while Stagg and Murdoch on the field pulled down several hits. Station—Morrison, Unger, Geddes, B. Skattebol, Antonelli, Chenoski, Breen, McIntosh, D. Stalker, Navy—Stagg, Pitcher, Armstrong, Franks, McFie, White, Murdoch, Stalker, Pierce.

Batteries: Station, Morrison and Antonelli; Navy, Pitcher and Armstrong. Umpires, Johnson and Raby.

"I Had Almost Despaired," Then Started Sargon

"It's remarkable the way Sargon restored my health after seven years misery with stomach trouble. I was awake suffering for hours every night and almost despaired of ever seeing a well day again. The amazing results I obtained from Sargon proved a revelation; every ailment I had is gone, and the new strength and energy I have has given me a new lease on life. Sargon Pills are a blessing, too. I wish I could tell everyone in Canada about this wonderful treatment." —Mrs. Annie Durin, Toronto, 44 Para Ave.

ROOMING HOUSE KEEPERS

Editor, Daily News:—
A few of the rooming house keepers and shack proprietors met last night and it was decided that, in the interests of self-preservation, we will have to consider ways and means of dealing with the unemployment situation as it affects us. To date there has been no mention of the part we have played in the great depression. A month ago we had the unpleasant experience of seeing one of our number have his effects sold up for a fraction of their value, due in great part to the inability of his tenants to pay their room rent. Most of us are in the same fix, carrying men for many months. We have personal knowledge in most cases of the character of our lodgers and have faith in their intentions to pay. They always paid their bills in times past and were an asset to the community. The situation is becoming more and more acute and taxes and light bills are rendered and have to be paid with unflinching regularity.

We now find that the government have washed their hands of the responsibility of sheltering some three score men, turning them adrift from Cloyah Bay camp. The men are naturally approaching us for credit. They find it almost impossible to live on the 40c daily allowance and no provision for rent or clothing.

It is our opinion that the city council and the two governments are taking an unfair advantage of us in that we are practically forced in the interests of humanity to take them in. Shelter in this country is as essential as food and there is no reason why food purveyors should have their bills paid while we have to bear this expense. Room rent is being paid in other parts of the province and it would appear that we will not get any allowance unless we make some effort to get together and discuss matters.

The C. L. D. L. have kindly placed their hall at our disposal and we would ask that all rooming house keepers and shack proprietors attend a meeting there at 8 p.m. Friday.

Thanking you, Mr. Editor for your space.

BRITISH COMEDY

"Aren't We All?" Brand New English Picture, Showing Here at Middle of This Week

Although there are moments when the domestic happiness of Margot and Willie seems to be heading for the rocks of open hostilities, the new British picture "Aren't We All?" featuring Gertrude Lawrence, the famous English comedienne, is light-hearted in spirit throughout. The picture is being shown at the Capitol Theatre here the middle of this week. It is another of the recent British screen hits and comes to Prince Rupert direct from big city showings.

The plot is not too complex but is hopped up enough to keep the interest at a keen edge at all times. It is a delightfully fascinating vehicle for the talents of Miss Lawrence and an excellent supporting cast which includes Owen Nares, who was here recently in "Sunshine Susie," and Hugh Wakefield.

The film does not miss an opportunity to stimulate every laugh and romance—response the audience possesses and, therefore, it makes excellent entertainment. In addition to its rib-tickling and heart-warming propensities, the film provides authenticity of detail which enhances its appeal. There are several very lavish scenes and the settings have been done on a grand scale.

It is the spirit of the play, however, that hits the heart-strings.
