**ROUND HOUSE  
LOSES GAME**

Station Won Exciting Softball Match By Score of 5 to 4 Last Evening

In a regular Canadian National Recreation Softball League fixture the Station last night administered the first defeat on the Round House team in the second half of the season by a close score of 5 to 4. This was without a doubt the best game of the season, and was well contested by both sides.

Stiles, pitcher for Station, as usual, had the situation well in hand and, with good support, had no trouble. Breen, in right field for Station, played a good game in the field while Geddes and Unger were the best batters.

For the Round House, Antonelli played gill-edged ball in the field and secured two good hits for his side. Johnson also was good in the infield. Boulter, except in the second inning when he dropped a fly which caused two runs to come in, played splendid ball.

Station—Geddes, Unger, W. Tobey, Stiles, B. Skattebol, Ham, McIntosh, Astoria, Breen.

Round House—Johnson, Arney, Cameron, Horton, Raby, Antonelli, Allen, Boulter, A. Skattebol.

Rev. J. S. Perkins, a Manchester, Eng., Congregational minister, attended five Sunday boxing matches for the purpose of informing on the people conducting them contrary to the Sunday Observance Act. A jury at the Manchester Assizes awarded him \$7,500. Of this amount \$5,000 was against William Milward, manager of the Manchester Stadium, where the boxing contests were held, and \$2,500 against Councillor L. B. Cox, said to have been master of ceremonies. This was the full amount claimed by the minister. Judgment was entered by Justice Hawke. Mr. Perkins said that when he went to the boxing matches his collar was covered with a scarf. He told a reporter that he would not use a single penny of the amount awarded him for his personal interest but would give it to some philanthropic or religious institution.

## LIVED LONG ON ISLANDS

Thomas R. Davey of Queen Charlotte City Passes Away

Thomas Rowe Davey, aged 76, for 23 years a resident of the Queen Charlotte Islands where for many years he was engaged in the real estate and conveyancing business as well as being a notary public and former stipendiary magistrate, passed away early Wednesday morning of last week in the Queen Charlotte City Hospital where he had been a patient for about a week following an apoplectic stroke.

The late Mr. Davey, who was a native of Cornwall, Eng., came to the Queen Charlotte Islands from the Kootenay district in 1909. In his younger days, he had travelled extensively visiting, among other lands, Australia and India. Finally he settled in Canada.

Deceased is survived by a widow and son and daughter in England. A brother is John Neville Davey of Los Angeles.

The funeral took place at Queen Charlotte City last Friday afternoon with Rev. R. P. Graham, Anglican Church clergyman of Massett, officiating. The service took place in the Queen Charlotte City Hotel and was attended by practically all the people of Skidegate Inlet with representation from other parts of the islands. Burial took place in the Queen Charlotte City Cemetery.

## Twenty Years Ago

In Prince Rupert

August 11, 1912

Great changes are being made at Hays Cove as preparation of the site for Prince Rupert's great dry dock proceeds apace. The old hospital has disappeared altogether and the residence of Dr. Ewing, until recently occupied by Mr. and Mrs. D. C. Stuart, is being used as a warehouse now.

Chairman A. W. Smithers and President E. J. Chamberlain of the Grand Trunk Pacific Railway plan to visit Prince Rupert about the middle of this month, travelling overland from Edmonton here.

The Anglican diocesan Woman's Auxiliary has elected officers as follows: president, Mrs. F. H. DuVernet; first vice-president, Mrs. E. C. McCroskie; second vice-president, Mrs. M. J. Hobin; secretary, Mrs. R. L. McIntosh; treasurer, Mrs. Keene; leaflet editress, Mrs. Ford; secretary babies' branch, Mrs. W. E. Collison; secretary juniors branch,

## AIR DRIED SHINGLES

Retain the cedar oil in the wood, affording extra and better preservation than kiln-dried shingles from which the essential oil has been evaporated. Our shingles are made on Queen Charlotte Islands and, as a home product, deserve your preference. Shingle makers wages on the Islands are spent eventually in Prince Rupert, while Vancouver wages never come north. Support a home industry and your own welfare by specifying Air Dried Shingles.
