To Study Welfare Work in Europe

Miss Elizabeth Smellie of Victorian Order of Nurses Going Overseas

CALGARY, Aug. 12.—Study of maternal and child welfare methods in Europe will be undertaken by Miss Elizabeth Smellie, Dominion superintendent of the Victorian Order of Nurses. On a visit here recently she announced she would leave for Europe shortly to pursue her investigations on behalf of the Rockefeller Foundation of New York.

Miss Smellie disclosed that visits made by Victorian Orders of Nurses had increased from 49,000 in 1929 to 100,000 in 1931. Despite the organization's decreased revenues, two new districts had been opened in 1931.

SPOKANE, Aug. 12.—Announcement was made here yesterday that the Northern Pacific Railway would change its Washington divisional point from Ellensburg to Yakima. An expenditure of \$225,000 at Yakima will be involved in effecting the change. For 45 years Ellensburg has been the divisional point.

Trade Agreement Between Great Britain and Canada to Be Announced Soon—Closing Plenary Session is Tentatively Set For Thursday of Next Week

OTTAWA, Aug. 12.—With most of their difficulties behind them, delegates to the Imperial economic conference today breathed an air of optimism and confidence as they entered the final drive towards a successful Empire trade parley. Great Britain and Canada may be expected to announce a commercial pact within the next two or three days, it is intimated. Similar agreements between Great Britain and other Dominions and India are also reported to be nearing finality.

Thursday next has been fixed tentatively for the closing plenary session when the various agreements will be open to public inspection.

HOOVER ON BOOZE LAW

Feels Some Revision of Eighteenth Amendment is Necessary—Has Been Only Partial Success

G. O. P. Startled

Chief Executive Also Promises to Beat Down Economic Hurricane if Re-elected

WASHINGTON, D.C., August 12.—Touching on the question of prohibition in his speech of acceptance of the Republican nomination yesterday, President Herbert Hoover declared that the Eighteenth Amendment had been a success where its enforcement had received the support and co-operation of the people but had been a failure where its enforcement had been opposed. Some revision appeared to be necessary, the president declared, whereby the bootlegger and speakeasy would be eliminated without returning to the open saloon.

The startling presidential call for prohibition reform and a promise to beat down the economic hurricane astonished the tensely expectant audience of Republican leaders who heard Mr. Hoover's formal speech of acceptance in the Constitution Hall. The president actually went far beyond his party's platform in his demand for a new order of liquor control.

"I cannot consent to a continuation of this regime," said the president. He proposed that "each state shall be given the right to deal with the problem as it may determine but subject to absolute guarantees to protect each state from interference and invasion by its neighbors."

Mr. Hoover declared that the Democratic plan for outright repeal meant return of the saloon.

While the president pointed out that he had no authority to make constitutional changes, Mr. Hoover said he felt the people had the right to know his views on such an important question as that of prohibition.

Wolfgang von Gronau and his three companions landed here yesterday in their Dornier flying boat Groenland-Wal enroute to Prince Rupert whence they will proceed on a flight across the Pacific Ocean, Asia and Europe enroute back to Germany. They will hop off for Cormorant Lake, Man., tomorrow and will spend a few days fishing there before proceeding to Lac la Biche, Alta., and from there to Prince Rupert.

INSPECTED PROPERTY

E. P. F. Rae, Vancouver Financier, Visits Jessie Group at Smithers

SMITHERS, August 11.—Examination of the new work done at Jessie Gold Mines was made during the past week-end by E. P. F. Rae of Vancouver, who is managing the company's financing campaign in that city. To make himself better acquainted with the company's project and to gain first hand information for use in his conduct of the company's affairs, Mr. Rae made the journey from Vancouver at his own expense.

On his return from the property he conferred with a number of the directors and expressed himself as being more than satisfied with what he had seen on his inspection. He described the showing of ore in the face of the north drift tunnel which has come into a fine-looking body of ore just in the past few days and at the time of his inspection showed nearly a full face of good ore. This is being cross-cut to determine its full width and the tunnel will then be continued as a drift along this ore-body. This is the third ore body cut through in recent tunnel work on the property and is thought by the management to be the main band of ore exposed on the surface at the hanging wall of the wide zone of mineralization in which the tunnel has been run. Mineralization is general throughout the whole length of seventy feet of tunnel work.

One feature which Mr. Rae remarked as quite striking was the high spirit and loyalty of the crew at the mine, every member of which is most enthusiastic about the property. The favorable general conditions, proximity to transportation, and the absence of any of the usual difficulties to economic development and operation also called forth his favorable comment, as did the manner in which development to date had been planned and carried out.

Mr. Rae left on Monday morning on his return journey to Vancouver and he is hopeful that adequate finances can be secured to develop the mine, despite present difficult conditions.

COMMANDER IS HEARD

Rotarians and Guests Listened to Interesting Talk Yesterday

While other nations were prone to talk a great deal of their intentions of co-operating in world disarmament, Great Britain was about the only nation that had actually taken any steps in the matter, Commander George Clarence Jones R. C. N., commanding officer of H. M. C. S. Skeena, which is paying a visit to port, declared in the course of an interesting informal talk before the Prince Rupert Rotary Club at luncheon yesterday. Commander Jones, in addition to speaking on the subject of disarmament, described some of the navies of the world.

Giving a brief history of H. M. C. S. Skeena, which has been in commission less than a year, Commander Jones referred to the candleabra set which had been presented to the ship by the residents of Skeena district on the occasion of the destroyer's first visit here last fall. The gift still occupied a prominent position on the ship where it was highly treasured.

President G. A. Woodland was in the chair and guests at the luncheon included Walter Hume, H. W. Birch, G. P. Tinker, Reid McLennan and L. H. Haworth.

PASSING OF DR. MONROE

Prominent Vancouver Physician Dies in Saskatoon Following Heart Attack

SASKATOON, Aug. 12.—Taken to the City Hospital here from a Vancouver bound train yesterday suffering from a heart attack, Dr. Alexander Stewart Monroe, prominent Vancouver physician, died today. He was 60 years of age and had been east in connection with his duties as president of the Canadian Medical Association.

Dr. Monroe, who served overseas during the Great War with the Canadian Army Medical Corps and since the war had taken a prominent part in Soldiers' Civil Re-establishment work, was born at Rattray, Perthshire, Scotland, on May 1, 1872. The year of his birth he was brought to Canada by his parents and received his education in the public schools of Toronto and Winnipeg. He took up his early college work at Manitoba University and Continued on Page 3.

Woman Is Named Head of British Trade Union Body

LONDON, Aug. 12.—For the first time in history, a woman has been elected to the post of vice-president of the English Civil Service Clerical Association, a trade union body consisting mostly of men, and having a membership of 30,000. She is Miss M. Jackson, who started in the civil service as a typist, and is now a clerical officer in the London engineering department of the General Post Office. For many years Miss Jackson has identified herself closely with the trade union movement, on behalf of the typing grades of the service.

Premier Tolmie Home; to Call Cabinet Together at Once to Deal With Committee Report

VANCOUVER, Aug. 12.—Immediate assembly of the British Columbia cabinet for consideration of the Kidd committee report was forecast this morning by Premier Tolmie on his arrival from Ottawa. "Many useful suggestions are contained in the Kidd report," the Premier said, "and members of the committee are to be congratulated on their splendid public service." Beyond this, the Premier would not discuss the report or political affairs.

Premier Tolmie declared that much of his time at Ottawa had been devoted to endeavors to secure resumption of industrial prosperity for the province and he had high hopes that his efforts would be successful.

WHY DEPRESSION MUST GO

Some of our good friends, almost resentfully, it would seem, ask us why we are so certain that the clouds of depression will lift soon and better times be upon us before we know it. Possibly the most important reason why business will start returning to normal before so very long now is that people are now running out of the necessities of life such as food and clothing and it will be necessary to replenish almost immediately.

The needs of the people are getting such that the wheels of production and distribution will have to start turning before long, bringing better times with their motion. No matter how it may come about, and what readjustments it may involve, and there seems to be no necessity for red revolution either to start them going, these wheels will be in motion soon—for move they must.

It is inconceivable that the state of stagnation, from which we can already discern signs of recovery, should continue forever. It is against the laws both of human nature and economics.

WHY WEAR LONG FACE?

Meantime, it will certainly not help to bring good times back any quicker if our good friends, whatever their plight may be, should continue to go around wearing long faces and being resentful when some one has the temerity to suggest that he sees better times ahead.

At the risk of being called unsympathetic, we would suggest that it is more important today than it ever was before for us to be wearing smiles, that is providing we have not forgotten how to smile altogether, rather than the old frown which a lot of us have been cultivating more lately than there has been any good reason for.

Wiser persons than we have suggested that the depression has been largely psychological as far as a lot of folk have been concerned—at the same time admitting that, for a good many, the going has been rough enough this past year or so.

Anyway, it will do none of us any good to continue stewing in our own misery. Why try to convince ourselves that times will never be any better? Even though we frown are not the most of us really looking for the ray of sunshine?

REGIMENT IS WINNER

Defeated Home Oil 2 to Nil in Soccer Last Evening

Owing the victory to its defence players, Regiment defeated Home Oil by a score of two to nil in last night's Stuart Benefit Shield football fixture. Had it not been for this stout defence of the Regiment, the Oil men would undoubtedly have got through, possibly to victory.

The play was fairly even. Regiment started the game with ten men, "Scoop" Bury going in for relief duty. Within the first few minutes Mowatt fouled Vance. Colussi took the penalty kick but missed. The teams crossed over with the score 0-0.

Soon after the start of the second half, Wilson made a fine run on the right wing for Regiment and crossed to Colussi. Vance rushed in and scored the first goal. Vance moved quickly up to the other end and Home Oil missed twice. Colussi dribbled the ball right through for the Regiment and missed the goal from three yards out. About half way through the period Vance scored the second for the Regiment from outside the penalty area on a cross from Wilson.

For the Home Oil Del Rio, Veiera and Tony played a splendid game on the forward line. Gomez was a strong defender.

Thurber and Blake were towers of strength on the Regiment full back line. Eby was also good at centre half.

Jack Thompson was referee. The Stuart Benefit Shield standing to date is as follows:

W. D. L. F. A. P.	4	0	1	14	6	8
Merchants	3	1	2	18	11	7
Canadian Legion	3	0	3	10	12	6
Regiment	2	0	1	4	3	16
Home Oil	0	1	4	3	16	1

PITTSBURG DETHRONED

Chicago Cubs Take Leadership of National League By Winning 10-Inning Contest

PITTSBURG, Aug. 12.—Chicago Cubs dethroned Pittsburgh Pirates from the leadership of the National League by winning a hectic 10-inning struggle here yesterday by a score of 3 to 2. The lead of the Cubs over the Pirates is one-half a game and they play again today. The series will probably be a crucial one in the determination of the 1932 pennant winner in the senior circuit.

Only two games were played in either league yesterday, the scores being as follows:

American League		
Detroit	0	Cleveland 3.
St. Louis	6	Chicago 5.
National League		
Boston	2	Philadelphia 7.
Chicago	3	Pittsburg 2 (10 innings).

HOLM WINS SWIMMING

United States Girl First in 100-Metres Back Stroke Final—Water Records Broken at Olympic Games

LONG BEACH, Cal., August 12.—The Olympic water sports took on an international aspect yesterday when many nations scored victories in the course of which several former records were shattered.

In one heat of the 400-metre free style for women, Helene Mathison, Seattle mermaid, made a new record of 5 minutes 44 5-10 seconds but it did not stand long. Len Kyte further lowering the mark to 5 minutes 40 9-10 seconds in another heat soon after.

Eleanor Holm of United States won the final of the 100 metres backstroke for women with a new time of one minute 19 4-10 seconds, finishing a scant foot ahead of Bonny Keeling of Australia. Miss Davies of Great Britain was third.

Japanese competitors made a good showing in various men's swimming heats and set up some new records. They should have a good chance to clean up honors in the finals.

Bill Miller of United States was first in one of the single sculls semi-finals, Joe Wright of Canada being eliminated.

LOCALS WIN BOAT RACE

R. C. N. V. R. Defeats H. M. C. S. Skeena By Three Lengths in Whaler Sprint

Before a crowd of hundreds of spectators who lined the wharves and other vantage points, a crew of the local unit of the Royal Canadian Naval Volunteer Reserve defeated one from the visiting destroyer H. M. C. S. Skeena by three lengths in yesterday afternoon's whaler race, thus retaining possession of the Burns Cup until such time as the next Canadian naval ship visits the port. It was a keenly contested race and proved of much interest to all who witnessed it. Both crews put up a hard battle.

The Skeena crew consisted of Mansfield, Archer, Duvman, Stone and Holmes with Chief Petty Officer Jenkins as coxswain.

The R. C. N. V. R. crew consisted of Macfie, Pitcher, White, Westman and Murdoch with Chief Petty Officer Instructor Young as coxswain.

graduated in medicine from McGill University at Montreal, later taking up post-graduate work at Chicago and Vienna.

Coming to British Columbia in 1896, Dr. Monroe first practised at Kamloops before coming to Vancouver in 1901 when he practised in partnership with Drs. Brydson-Jack and Cumming.

He was later surgeon to the Vancouver General Hospital and the Great Northern Railway. Almost immediately after the outbreak of war, he enlisted for military medical service.

In 1900, Dr. Monroe was married to Miss Edith McCrossan of Vancouver. He was a Scottish Rite Mason and belonged to the St. Andrew's and Caledonian Societies. He was a member of the Vancouver, Jericho Country and British Columbia Golf Clubs. He was a Liberal and a Presbyterian and horticulture was his hobby.

The late Dr. Monroe was a cousin of Alec S. Monroe, well known chief engineer on Canadian National Steamships.

Miss Megan Morris, daughter of Mr. and Mrs. Frank Morris, returned to the city on the Prince Rupert this morning from Vancouver where she has been spending the past two or three months.

DEACONESS IS HONORED

Congregation of First United Church Says Farewell to Miss Isobel Haddock

A farewell social was held in the United Church parlors last evening in honor of Miss Isobel Haddock, the deaconess, who has been transferred to Victoria and who leaves for the south tonight after spending ten years in Prince Rupert.

Rev. C. D. Clark, the new pastor, was in the chair. In his opening remarks, he expressed regret on Miss Haddock's departure so soon after his arrival here as, even in the short time, he had learned to appreciate her value as a helper in the church work. However, he hoped for her the best in her new sphere of work in the south while Miss McGregor, the new deaconess, and he would try to carry on in the work here with the help and co-operation of the congregation.

A fine musical program was rendered as follows:

Vocal solos, Mrs. P. C. Miller and Mrs. Large.

Violin solo, O. Denstedt, accompanist, Miss Swana Olafson.

Piano duet, Miss Peggy Wilkinson and Miss Betty Miller.

Reading, Miss E. M. Earl.

Miss Hudson, a former deaconess here, who is spending a holiday with Dr. and Mrs. W. T. Kergin, was called upon to say a few words after which Mrs. W. T. Kergin, the president of the Women's Missionary Society, read an address, which was couched in words of appreciation and esteem for Miss Haddock from all the branches of the church. This was signed by the representatives of each branch and handed to Miss Haddock. At the same time Mrs. J. J. Payne, president of the Ladies' Aid, presented Miss Haddock with a gold wrist-watch and bracelet, suitably inscribed, from the congregation and friends.

Mildred Hunt, representing the Mission Band, in a few well chosen words, presented Miss Haddock with an ever-sharp pencil and book-mark.

Miss Haddock, in accepting the

gifts, spoke very feelingly of her work here and the many friendships formed and expressed deep regret at leaving them all. This was followed by the singing of Auld Lang Syne.

Refreshments were then served. Those in charge were Mrs. N. Thomas and Mrs. Bedford assisted by Mrs. Ciccone, Mrs. Clavering, Mrs. Jenkins and Mission Band Girls.

FREE PRESS HELD MOST DESIRABLE IN SERVING PUBLIC

(Continued from Page 1)

chronicled the acts and opinions of citizens and left judgment to their readers.

"The press is feared, challenged, reviled and fought by those who usually cannot be supported in their selfish and sometimes nefarious propaganda and doctrines," he said, pointing out that many bankers, industrialists and politicians maintain direct relations with the press, and showing how decent, law-loving people looked on their daily newspaper for guidance and were supported accordingly.

"TIP OFF" IS GOOD

Eddie Quillan, Robert Armstrong and Ginger Rogers Stars of Week-End Picture Here

Those clever stars of the screen, Eddie Quillan, Robert Armstrong and Ginger Rogers, prove themselves a most capable and entertaining motion picture team at the Capital Theatre here in the week-end feature "The Tip Off."

Here is a production which has drama—plenty of it—comedy and action. And there is a love theme running through the entire production which will hold everyone.

Eddie is a young radio repair man whose sole ambition is to be a great singer. That is, until he meets the girl. He doesn't know that she is in the toils of a notorious and jealous underworld character but it doesn't make much difference to Eddie. He undertakes an amusing and colorful courtship but things go too fast for him. He finally calls on his old pal, a pugilist played by Robert Armstrong, for help. What they do to the notorious one's gang makes plenty of furious action.

Quillan gives an outstanding performance as does the ever popular Armstrong. Joan Peers, as the leading woman, is beautiful, charming and convincing. Ginger Rogers, as "Baby Face," Armstrong's girl friend, takes care of a high percentage of the comedy and makes the most of it.

Local Ladies Pan For Gold During Kalum Lake Stay

TERRACE, Aug. 12.—Mrs. George Little and her house guests, Mrs. N. A. Watt and Mrs. S. P. McMordie, also Mrs. W. O. Fulton of Lakelse Lake, motored to Kalum Lake on Sunday where they were the guests of Mr. and Mrs. Everett Dix. During the afternoon they went by motor launch to Rosswood where they visited the homes of the different prospectors and miners and panned for gold in Douglas Creek.

AIR DRIED SHINGLES

Retain the cedar oil in the wood, affording extra and better preservation than kiln-dried shingles from which the essential oil has been evaporated. Our shingles are made on Queen Charlotte Islands and, as a home product, deserve your preference. Shingle makers wages on the Islands are spent eventually in Prince Rupert, while Vancouver wages never come north. Support a home industry and your own welfare by specifying Air Dried Shingles.
