HON. GIDEON ROBERTSON EXPLAINS WHY STRIKERS' LEADERS NOT GOT BEFORE

CHARGED WITH INCITING POLICE TO NEGLECT DUTY; PRISONERS BROUGHT BEFORE JUSTICE OF PEACE AND REMANDED FOR EIGHT DAYS IN PENITENTIARY

(Special to The News via G. T. P. Telegraphs.)

Winnipeg, June 18.—Remand has been granted in the seditious cases for eight days. The ten strike leaders arrested early on Tuesday morning appeared at the Stony Mountain police court. Their labor friends were unable to reach the court room in time for the hearing, owing to the bad state of the roads. The announcement is made that application will be made this morning for bail.

A Serious Conspiracy.

Documents seized in the raid on the Labor Temple yesterday show a deep and serious conspiracy, says the Hon. Gideon Robertson, Minister of Labor, who is still in the city. The correspondence also shows that the receipt of Bolshevik money was acknowledged by the strike leaders. It also indicates that a special committee was selected on June 10 to investigate and report upon the possibility of cutting off the electric power from the city.

Deportation Formalities.

Ottawa, June 18.—It is understood that the government will proceed with the deportation formalities. Government action against the Winnipeg agitators will be taken under the amended Immigration Act. It is believed that steps will be taken immediately by the Federal authorities to carry out the order. The Toronto Metal Trades Council has sent a vigorous protest to Premier Borden.

WHY PRICES REMAIN HIGH

Cost of Living Committee Brings Out Some Remarkable Percentages of Profits Paid on Stock.

(Special via G. T. P. Telegraphs.)

Ottawa, June 18.—The cost of living committee of the House of Commons has been taking figures from the manufacturing firms. In the examination the Dominion Textile Company showed net profits last year of considerably over 300 per cent. on its paid up capital. The present market value of its stock is \$4,500,000, for which not one cent was paid. This company carried a reserve of a million dollars and full preparations against possible loss. In 1918 the company paid 76 per cent on its common stock and carried forward a surplus of \$1,441,166.

W. E. Hatton, of Hatton, County Sherbrooke, was examined regarding profits of his firm. For part of 1919 these figure at 6.88 per cent. For 1915 profits were 30.15 per cent; 1916, 35.38 per cent; in 1917 they were 46.81 per cent, while the profits for his year ending January 31, 1918, were \$108,322, or 17 per cent on a capital stock of \$600,000. This was after deducting contributions to the Patriotic Fund. While for the year ending January 31, 1919, profits were 72.9 per cent.

SERIOUS CONSPIRACY SHOWN BY DOCUMENTS SEIZED IN WINNIPEG LABOR TEMPLE

STRIKERS HAD CONSIDERED CUTTING OFF ELECTRIC POWER TO CITY—COMMITTEE APPOINTED TO FIND WAYS AND MEANS—BOLSHEVIK MONEY WAS ACKNOWLEDGED

(Special to The News via G. T. P. Telegraphs.)

Winnipeg, June 18.—Records of the Strike Committee which were seized when the Labor Temple was raided yesterday indicate that a special committee had been selected on June 10 for the purpose of investigating and reporting on the possibility of cutting the electric power off from the city of Winnipeg. The correspondence also shows that the receipt of Bolshevik money was acknowledged by the Strike Committee.

Information to the above effect was given last night by the Hon. Gideon Robertson in the court house here on his explaining why the strike leaders had been arrested yesterday, and not before that date, as being suspected of taking part in a seditious conspiracy.

The Federal Government made the dramatic raid in connection with the local sympathetic strike. As a result ten of the leaders, most of whom have played an important part in the movement, are behind the bars. The arrests were based on warrants charging them with inciting the police force to neglect of duty and with responsibility for the publication in the strike bulletin last Wednesday of a special article containing false and libellous statements. The story was headed "Police Replaced by Toughs" and it vigorously attacked the special returned soldier constables. The civic authorities were criticised for dismissing the regular police force. Twelve hours after being placed in the penitentiary the Winnipeg strike leaders were brought before a justice of the peace and were remanded for eight days.

STRIKE WANING IN VANCOUVER

Longshoremen Going Back and Working Alongside Volunteers—C. P. R. Ultimatum Expires Tomorrow.

TELEPHONE SERVICE ALMOST NORMAL AGAIN

Vancouver, June 18.—The fifteenth day of the strike finds the city ordering its domestic life as usual and very little affected in its business life. The strikers in the different trades are going back to work in twos and threes. Some of the Longshoremen have gone back already and are working alongside of the volunteer longshoremen. There has not been the smallest approach to rioting anywhere.

The ultimatum to the freight handlers, clerks and station employees issued by the Canadian Pacific Railway takes effect on Wednesday morning. The notice was issued to the sympathetic strikers that if they were not back on their jobs by noon on Wednesday the company would proceed to fill their places. The telephone service is almost normal again.

All material for any kind of a building can be furnished by Albert & McCaffery, Ltd.

ALLIED REPLY REGARDED AS AN ULTIMATUM

Modifications in Peace Treaty so Slight as to Cause Dismay in Berlin—Treaty to be Discussed.

(Special via G. T. P. Telegraphs.)

Berlin, June 18.—The impression of those who were engaged throughout the night in translating the reply of the allied and associated powers is that it will be utterly impossible to sign, and that it is probable that another set of counter proposals will be forwarded to Dr. von Haimhausen for submission to Premier Clemenceau. It is also considered probable that Count von Brockdorff Rantzau will not return to Versailles on account of demonstrations made against the delegates.

Universal Dismay.

The changes in the text of the peace treaty are so slight as to cause universal dismay among those who have had the opportunity of examining the document. The financial modifications are considered unimportant and objectionable, while the terms covering Germany's admission to the League of Nations are declared to be unsatisfactory.

Spread of Bolshevism.

In government circles it is stated that they cannot conceive any government willing to sign such terms as have been presented, although it is admitted that the treaty will be fully discussed because it is realized that serious effects with the spread of Bolshevism in Germany would be entailed in refusing to sign. The Entente's answer also is considered as nothing less than an ultimatum.

REV. DR. GRANT SPEAKS ON THE PROBLEMS OF RECONSTRUCTION

INSPIRING ADDRESS GIVEN TO SONS OF CANADA AT BANQUET TO LIEUT.-COL. McMORDIE, D. S. O., UPON PROBLEMS FACING THE DOMINION FOR SOLUTION AT PRESENT TIME

- Adequate recompense for war widows and children.
- Motherhood pensions.
- Unemployment insurance.
- Old age pensions.
- Compulsory high school education.
- More university scholarships.

Speaking on Monday night at the Sons of Canada banquet given in honor of the return of Lieut.-Col. McMordie, D. S. O., in the Hotel Prince Rupert, the Rev. Dr. Grant, after welcoming Col. McMordie, spoke on the problems of reconstruction which face Canada at the present time.

The war, said Dr. Grant, seems to be a wall raised across our human affairs. And behind that wall is the past. As Canada proved her worth in the war, so now she has duties lying at her hand, the accomplishment of which will make her worthy of her place in the concert of nations.

What are we going to do for those who gave their all, for the widows of those who did not return; for the men who did return incapacitated? I believe that every widow and child of a fallen soldier should, so far as the state can, be adequately recompensed. We are rich enough, and great enough in natural resources, so far as the state goes, and we must always remember that if the victory had gone otherwise, we would have had to surrender the whole.

Then the soldiers themselves. We cannot expect these men to return after four or five years just as capable of peace conditions as they were when they went away.

The problem of reconstruction at the present moment is the reconstruction of our whole social and economic structure. It is all very well to criticise the government for this or that, done or undone. But after all we are the government. They are the men we have elected to Parliament.

In former years the government bonused or subsidised emigrants and brought them from all over Europe, giving them cheap fares and free homesteads. But no government has ever attempted to the natural birthrate. A native born Canadian is worth many aliens. Yet there are many Canadian couples not reproducing their kind because they find it financially impossible. There should be motherhood pensions. Women producing offspring for the state should be subsidized for doing so. A pension of motherhood would bring about a better condition of things.

The most serious causes of unrest were that the workers never knew when they would be out of a job and fear for old age. We should have a compulsory scheme of insurance against unemployment. When a man after working all his life reaches sixty-five years of age, he should have a competence guaranteed. It is a disgrace that anyone who has become a respectable citizen of Canada should be relegated to an old man's home to end his days.

The great thing that is needed is the sympathetic looking into the other man's condition, the application of the spirit of brotherhood. For after all there is but one mankind, and the men who run the industries and the men who work them are complementary forces.

For the sake of the rising generation, one thing is particularly

WHEAT CROP OF PRAIRIE WEST IN FINE SHAPE

Many Districts, However, Report
Light Prospects of Coarse
Grains Says Free Press.

Winnipeg, June 18.—Analysis of replies to nearly 100 messages of inquiry sent to points in the prairie provinces by the Free Press, indicates that rain has, within the last few days, fallen over very widely separated areas, and while more is needed almost everywhere, the wheat crop on the whole is in excellent condition and should move forward rapidly. Only one district reports wheat in shot blade.

The extreme heat of the later part of May has affected coarse grains adversely and in many districts the late seeded oats and barley will be a light crop even with the best of conditions from now on. Cutworm damage is fairly general, as is always the case in dry weather, but the damage is apparently not excessive anywhere.

The plague of grasshoppers has been fairly general along the southwest of Manitoba and Saskatchewan, but is now apparently pretty well in hand. Only one place in the centre north reported damage from grasshoppers.

Farm help is scarce at a number of points and wages are high, running from \$65 to \$70.

Few cases of real damage from drifting with consequent re-seeding, are reported. Judging by the reports the crop of 1918 is all out of farmers' hands.

RETAIL CLERKS ASS'N. ELECT NEW OFFICERS

A committee was appointed to report as to whether the association will hold a picnic or a social in order to provide entertainment for the members. Its members are T. Ballinger, B. McEvoy and Miss L. Shrub-sall.

Trustees for the association were also elected for the next period, these being Fred Grimble, C. Lauder and J. S. Carmichael. The association will be represented by Fred Frible, C. Westaway and B. McEvoy at the Trades and Labor Council when that institution becomes reorganized.

SMILING BILL HART STARS AT WESTHOLME

In Stirring Drama of the West,
This Heroic Actor Plays a
Great Part—Four Reels
Of Comedy.

Big smiling Bill Hart is here again at the Westholme Theatre tonight and in "The Cold Deck" offers one of the best western tales ever brought to this city. William Hart has always been a prime favorite with the picture theatre goers and with good reason, too. In this play tonight, he is all that could be desired. The story is a stirring one. It is a drama of the West, with all the breezy unexpectedness of western life exemplified to the letter. While it lasts the hero has certainly an exciting time, and this is a play which Bill Hart's admirers would not miss for worlds.

The program offered at the Westholme tonight is a ten-reel one. There are two different single-reel Christie comedies, superb among their kind, and as well a two-reel Fox comedy of the same brand that are liked so well. A ten-reel program like this is certainly one that is worth taking in.

WIRELESS RECEIVED AT UNDERGROUND STATIONS

How underground wireless was put into practical use during the war has been disclosed by the United States Navy Department officials, giving to the public another of its secrets, carefully guarded so long as it might have been of value to the enemy. Government officials regard this development as one of the war's major scientific advances of the kind. In practical use the new system so far employed only for receiving. Radio messages sent out from powerful stations in Europe are now being read at underground receiving stations in the United States, and in some cases better than when caught by the elaborate and expensive air stations.

GLADYS LESLIE IS STAR AT EMPRESS THEATRE

In "Little Miss No Account" This Dainty Actress Registers a Distinct Success.

A Blue Ribbon Feature "Little Miss No-Account" to be screened at the Empress Theatre this evening, with Gladys Leslie in the title role, is a story of an ill-used stepdaughter. Little Miss No Account is the poor little heiress, helpless in a great city, in the power of scheming foster parents who plot to force her signature to titles to her vast estates. Virtually a prisoner in her own house, she finally contrives to escape and pals up with a ragged newsboy, but even then her troubles do not cease. What really happens and the final outcome are to be seen at the Empress. There is also a Sidney Drew comedy and another instalment of "The Woman in the Web," which is more exciting than ever.

Re Application No. 10,577-1. File 6,091.
TAKE NOTICE that application has been made to register in the name of Henry Smith of Prince Rupert, B.
