WEDDED IN CATHEDRAL

Popular Local Couple United When Miss Winnie Hill Becomes Bride of Thomas Black

One of Prince Rupert's best known and most popular young couples was united in marriage at 1:30 this afternoon in St. Andrew's Anglican Cathedral. Rt. Rev. George A. Rix, D.D., Bishop of Caledonia, officiating, when Miss Winifred Martin Hill, eldest daughter of Mr. and Mrs. H. R. Hill, Second Avenue, Westview, became the bride of Thomas Bennett Black, only son of Ald. and Mrs. James Black, Alfred Street. The altar was decorated for the occasion with pink and white carnations and the ceremony was witnessed by a large congregation of friends of the contracting couple and their families.

The bride, who entered the Cathedral upon the arm of her father by whom she was given in marriage, was charming indeed in her wedding dress of white Canton crepe and Spanish lace with conventional veil caught with small sprays of orange blossoms on either side of the head. The bride wore white kid shoes and white hosiery and carried a shower bouquet of Ophelia rose and lilies of the valley.

The bridesmaid was Miss Betty Arney who wore a pretty costume of eggshell pink silk taffeta with rose colored mohair hat and blonde footwear and hosiery. Her bouquet consisted of pink liddle carnations and maidenhair fern.

The groomsmen were Norman Moorehouse.

The Wedding March was played by Peter Lien, organist of St. Andrew's Cathedral. Ushers were George Shenton and Ian Fraser.

Reception Is Held
Following the church ceremony, a reception was held at the home of the bride's parents, 45 invited guests being present. Hearty congratulations and best wishes were extended to the bride and groom by all in attendance.

The couple were assisted in receiving by the mother of the bride, who wore blue silk crepe with cream egg-shell trimming and white Panama hat, and the mother of the groom, whose costume was of blue silk and hat to match.

Buffet refreshments were served to the guests. Mrs. Ernest Anderson and Mrs. E. W. Tucker poured and Mrs. P. M. Rayner cut the ices. Servers were Miss Kathleen Letchford, Miss Mary Comadina, Miss Rose Couture, Mrs. George Shenton and Mrs. Ian Fraser.

The toast to the bride was proposed by Norman Daglish and responded to by the groomsmen.

Numerous and beautiful gifts testified to the esteem in which both bride and groom are held by their many friends.

The groom's gift to the bride was an onyx ring, to the bridesmaid a sapphire ring and to the groomsmen, gold cuff links.

Following the reception, Mr. and Mrs. Black sailed on the steamer Princess George for a two weeks' honeymoon trip to Vancouver and Victoria. They were given an enthusiastic send-off at the wharf by a large crowd of friends. The bride's going away costume was a yellow silk crepe dress and white jacket with white crepe-de-chine hat.

SAILORMEN OUTCLASSED

Canadian Legion Defeats H. M. C. S. Skeena in Soccer By Score of Five to Nil

Canadian Legion team of the local Senior League outclassed an eleven from H. M. C. S. Skeena to win Saturday evening's football at the Acropolis Hill grounds by a score of five to nil. Weather was ideal and a good-sized crowd of fans was on hand to watch the play. Although they never had a chance, the sailors put up a good fight and particularly was the first half keenly contested.

Teams were as follows:
 H. M. C. S. Skeena—Massick; Allison and Stone; St. Clair, Dyson and Mann; Brown, Hutton, Gleave, Archer and Walker.

Canadian Legion—D. Gurdich; Hunt and Gomez; Greer, Currie and Haddon; Morrison, Horne, Murray, Baple and Johnson.

McArthur of H. M. C. S. Skeena acted as referee. Robinson of the destroyer and Kelly of Prince Rupert were linesmen.

The Canadian Legion scored the first goal through Horne after three minutes of play. Baple added the second from close in 11 minutes. Play was interesting and from end to end but the sailors could not score and the teams crossed over with the score standing two to nil.

In four minutes of the second half Murray scored when the Skeena fullbacks were slow in clearing. The fourth goal for Prince Rupert came in 21 minutes and was made by Morrison on a rebound. In 23 minutes Baple made the fifth from a good pass by Morrison.

BAD INNING OF EMPRESS COST GAME

Sons of Canada Score Seven Runs in Third—Lambie Back on Mound For Winners

Sons of Canada took a stranglehold on second half honors in the Senior Baseball League when they trounced Empress by a 9-2 score in yesterday afternoon's encounter. If the Canucks can manage to capture tonight's tussle from Elks it will be "finis" for the 1932 season as far as deciding who will hold the Orme Cup for the next year, as they have already tucked the first half under their belt and this victory would give them their second half honors as well.

Except for the third inning when Empress went haywire to allow seven men to score, the game was a good one. With two men out and none on, Doug Stalker dropped Windle's throw on Bury's grounder and then things began to happen. Errors by each member of the infield and a dropped fly by Raabe added to one hit batter and two doubles accounted for seven runs and cinched the game for the Sons.

Bill Lambie was on the slab for the Canucks for the first time since July 1 and turned back 13 batters by the strike-out route. He allowed but four safeties including Gurdich's three-bagger.

Earl Batt did mound duty for the losers and held his opponents to four hits also but poor support lost the game for him.

RADIO INTERFERENCE

Editor, Daily News:—
The local Radio Association has been in receipt of numerous complaints regarding local interference and I have been instructed to ask you to publish this letter to the public in the hope that it will facilitate the clearing up of a great deal of the various nuisances that are now occurring. In the near future we are expecting an expert on radio trouble here and we wish to be in a position to place as many as possible of the complaints in concrete form when this expert arrives. We would, therefore, ask any radio owner who is experiencing trouble along this line to communicate with the secretary of the Radio Association as soon as ever possible, the communication to be in writing, so that these complaints can be tabulated correctly and valuable time will not be lost looking-up complaints when this expert arrives.
Thanking you, Mr. Editor, for your assistance in this matter,
J. O. WILLIAMSON,
Secretary,
Prince Rupert Radio Association.

William Robb returned to the city on this afternoon's train from Port Essington.

'WISER SEX' UP TO DATE

Claudette Colbert, Melvyn Douglas, William Boyd and Lilyan Tashman Stars of Picture

The dainty Claudette Colbert is the star of "The Wiser Sex," a well-dressed and fast-moving story of today, which is the first of the week feature offering on the screen of the Capitol Theatre here. It is the strong and dramatic romance of a petted darling of society who risks her reputation in the underworld to save that of her lover. The story is different and the entertainment off the beaten track.

Melvyn Douglas shares male honors in the picture with William Boyd, the former as a crusading attorney who gets himself on the "spot" for being enthusiastic about a city clean-up and rather neglectful of his romance with Miss Colbert. Boyd is assisted in a sophisticated role by Lilyan Tashman who is always popular.

The climax is quite suspenseful but a lagging romance is at last restored and the story ends quite happily.

Alex Finnie, who has been on a visit to Pacific, returned to the city from the interior on this afternoon's train.

BEHIND each package of Kellogg's Corn Flakes are the modern plants of the Kellogg Company at London, Ont., clean, sunlit, sanitary. Behind it is an organization, thousands strong, of loyal, efficient workers. Behind it is the personal guarantee of W. K. Kellogg: "You must be satisfied with every package of Kellogg's Corn Flakes. If you do not think they are more delicious, crisper, fresher — mail the empty package to us and get your money back."

These are policies — these are assurances of quality and value — that have taken 25 years to build. Whenever you are offered a substitute for genuine Kellogg's, it is seldom in the spirit of service. Insist on the red-and-green package.

Kellogg's are definitely guaranteed the freshest corn flakes you can buy. They are protected by a completely sealed inside WAXTITE bag. It's a patented Kellogg feature.

The Classified Ads.

Many people have something in the house they would like to sell which could be turned into money if they knew of a customer. Try a classified advertisement. Most people read the classifieds. For about fifty cents you can let them know about it and it may prove a profitable transaction.

Renting the House

There are a number of houses in the city not rented yet and many people make little effort to secure a tenant. Others who are wise to their opportunities try a classified advertisement in the "For Rent" column and often get results. As one satisfied customer said recently: "Those little ads certainly do bring results."

Some Like Reader Ads.

Some people after trying other kinds of advertising decide to try a reader among the locals and personals. Then they have got results. The cost is a little higher but they have been well satisfied. When conditions are like they are today the newspapers can often help. The price is not very high. Do not lie down and bemoan your hard fate. Try a different kind of advertisement and if that is not successful try again.
