OTAWA, Aug. 17.—Sweltering in humid heat, Imperial economic conference delegates are striving to reduce to acceptance formula a tangle of proposals, counter proposals, policies and principles and, despite confidential hope of concluding Saturday, the final plenary session may be still further delayed. ### TO CARRY ON CLASS

Senior Matriculation Will Again Be Taught in Local High School During Coming Year

The board of school trustees, at its meeting last night, decided definitely to continue senior matriculation work in the local high school during the coming school year, passing a resolution to this effect despite a recommendation from D. H. Hartness, principal of King Edward High School, that the senior matriculation be discontinued this year.

A maximum tentative fee of \$125 per pupil for the year was set by the board after Secretary J. O. Williamson had announced that eight pupils for the class were already assured with the possibility that there may be 12. The class will be limited to 12 pupils. If there is not that number available in the city, pupils from points outside in the district will be given the chance to enrol.

The resolution that the senior matriculation class be continued during the coming year was moved by Trustee Brooksbank and seconded by Trustee Gillis.

CHIEF WEAH OF MASSETT WAS BURIED

Large Gathering Attended Funeral of Well Known Aged Indian of Queen Charlottes

The funeral took place at Massett on Sunday last, Rev. R. P. Graham and Rev. James Gillett officiating, of one of the oldest and most highly respected Indian chiefs on the coast, Henry Weah of Massett.

Chief Weah was an octogenarian and for the past twenty years had been lightkeeper at Massett for the federal government. He was brought up a pagan and was converted to Christianity by the late Ven. Archdeacon Collison, the veteran missionary. Later he helped to build the beautiful Anglican Church at Old Massett and the funeral service on Sunday was held in that building, it being packed to the doors with people from the country around, especially from Skidegate, who wished to pay their last respects to the tribal head of the Massett village.

In addressing the congregation, Rev. Mr. Gillett spoke of the outstanding character of the chief they were burying. Although not a member of the village council, no important move was ever made without consulting the chief. He was always expected to speak and give his advice at all public meetings and his advice was invariably sound. As captain of the Church Army he had done good work.

Chief Weah leaves a widow and a daughter, Maude, about 18 years of age. He will be succeeded according to the tribal custom, by his nephew, William Matthews, who will be duly installed with usual rites.

Chairman W. J. Greer and Trustee J. J. Gillis were elevated at last night's meeting of the school board to inspect progress of work being carried out by city relief labor in improvement of school grounds and, if necessary, get in touch with the proper authorities with a view to speeding up the work. The matter was brought before the board by Trustee Gillis who said that the work on the grounds was not proceeding very rapidly.

In 1637 there were five plows in Massachusetts colony.

CONFERENCE HITS SNAG

Shadows of Russian Dumping and British Food Taxes Bring Difficulties

After a day of cabinet meetings and conferences, it was doubtful last night whether the work would be concluded in time for the final plenary session on Saturday.

WARSHIP IS NOT COMING

H.M.S. Delhi Will Not Include Prince Rupert on North Coast Cruise

Definite word was received yesterday by the Prince Rupert Football Association that H.M.S. Delhi will not visit Prince Rupert on her forthcoming cruise of the Northern British Columbia and Alaska coast. The Football Association had inquired specially regarding the Delhi's itinerary in order to ascertain whether or not the Hanson Cup, for football play between Prince Rupert and visiting ships of the British Navy, would be competed for this year. Last year the trophy was taken away by H.M.S. Dragon and it had been expected that H.M.S. Delhi would defend it this year.

Definite news that H.M.S. Delhi is not visiting here during her cruise will prove generally disappointing in Prince Rupert. No reason is given for the failure of the ship to include Prince Rupert in addition to other Northern British Columbia ports on her itinerary.

CARDINALS IN RUNNING

Defeated Phillies Yesterday and Advance to Fifth Place in National League

ST. LOUIS, Aug. 17.—The world champion St. Louis Cardinals, who are still regarded as serious contenders for the National League pennant this year despite the fact that so far they have dwelt pretty steadily in the second division, won a victory over the Phillies at Sportsman's Field here yesterday and advanced from sixth to fifth place ahead of the Boston Braves who were losing a tight contest to the Cubs at Chicago. As a result of the victory, the Cubs maintained their half game margin of supremacy over the Pittsburgh Pirates who shut-out the Dodgers at Brooklyn.

In the American League the New York Yankees inflicted a double-header defeat upon the Detroit Tigers at Yankee Stadium and increased their margin of leadership to eleven full games over the Philadelphia Athletics who lost a close decision to the third place Cleveland Indians.

Yesterday's Big League scores were as follows:

National League: Brooklyn 0, Pittsburg 4. Philadelphia 2, St. Louis 3. New York 2, Cincinnati 1. Boston 3, Chicago 4. American League: Detroit 8-3, New York 13-7. Cleveland 3, Philadelphia 2. Chicago 3, Washington 5. St. Louis 3, Boston 2.

BASEBALL TONIGHT - 6:45

ROUND HOUSE BEATS NAVY

In a close C. N. R. Softball League game last evening the Round House defeated the Navy team by the score of 7 to 6. The game was exciting from start to finish especially in the eighth inning when Round House scored three runs on three errors, a walk and a scorching hit by Johnson which tied the score six all. The Navy had a golden opportunity in its half of the eighth when two errors, three hits and one walk did not net them any runs on account of foolish base running and bad coaching.

Cameron, at first, played a good game for Round House, with Johnson a close second. For the Navy, Armstrong caught a strong game while Franks at second played fine ball although making a couple of errors. Franks and White for Navy each made three hits. Navy—Pitcher, Franks, McPie, Armstrong, Murdock, White, Stewart, Westman, F. Boulier.

Round House—Johnson, Arney, Horton, Cameron, Boulter, Raby, A. Skattebol, Nelson, Teng. Batteries—Navy, Pitcher and Armstrong; Round House, Raby and Skattebol. Umpires—Comadina and Stiles.

OPPONENTS ARE STRONG

The Spartan Athletic Club received a lengthy telegram from J. W. Plommer, its president, yesterday. Mr. Plommer stated that he had seen the Vancouver trials for the Junior Olympic meet and that the Rupert boys would receive stiff opposition in the 100-yard dash and the half-mile. The purpose of the telegram was to strongly advise the boys who

have qualified for the trip south not to play in the forthcoming basketball game against the Edmonton Grads. The risk of sustaining injury the night before the boys are due to sail is too great.

LEGION TEAM Canadian Legion team for tomorrow evening's Gilhuly Cup football play-off is announced as follows: S. Gurvich; A. Stiles and Gomez; T. Bussanich, S. Currie and T. Haddon; J. Johnson, D. Smith, J. K. Murray, C. Baptie and D. Gurvich; reserves, D. Morrison and F. Gomez.

HOME OIL IS VICTOR

Merchants Lose Final Stuart Series Football Game By Score of Three to Two

In the concluding game last evening of the Stuart Benefit football series, Home Oil defeated Merchants by a score of 3 to 2. Both teams had difficulty in fielding eleven and players from other league teams had to be used to fill in. This was disappointing to the spectators of whom there was a large turn-out on the fine evening. George Laidler, playing in left instead of in his usual position in goal, opened the scoring for Merchants about five minutes after the start of the game when Rio miskicked in front of the goal. About ten minutes later "Scorpy" Gurvich equalized for Home Oil when Gurvich fumbled the ball and allowed it to roll into the back of the net. Five minutes later Laidler scored again for the Merchants a lovely pass from MacKay. The teams crossed over with the Merchants standing two to one for the champions.

Shortly after resumption of play in the second half, George Laidler equalized for Home Oil, the star player scoring the winning goal about five minutes from full time.

The Merchants appeared to be taking things easily, probably in view of the important Gilhuly Cup semi-final play-off with the Canadian Legion tomorrow evening. Albert Dickens and George Laidler on the forward line, and W. D. L. F. A. at centre half, were the stand-out players.

Pierce, in goal, Gomet, at back, Vieira, centre half, and George Howe, on the forward line, gave the Home Oil best result. James Andrews was refereed. McGreish and Haddon lined up. W. D. L. F. A. Merchants 4 0 2 16 Canadian Legion 3 1 2 16 Regiment 3 0 3 10 Home Oil 1 1 4 6 0

"For four years I had a very bad case of stomach trouble. I kept getting worse regardless of the many medicines I tried. My weight fell off from 190 to 127 pounds. My nerves went to pieces and I did not know what a good night's sleep was. I'd get up in the morning feeling half dead. Before I found the right medicine at last, I now eat three hearty meals a day and am rapidly gaining back my lost weight. In fact I feel great all the time. Sargon Pills regulated my bowels like clockwork; their effects are lasting, too." - Fred J. Cole, 28 Avoca Ave., Toronto.

The Classified Ads.

Many people have something in the house they would like to sell which could be turned into money if they knew of a customer. Try a classified advertisement. Most people read the classifieds. For about fifty cents you can let them know about it and it may prove a profitable transaction.

Renting the House

There are a number of houses in the city not rented yet and many people make little effort to secure a tenant. Others who are wise to their opportunities try a classified advertisement in the "For Rent" column and often get results. As one satisfied customer said recently: "Those little ads certainly do bring results."

Some Like Reader Ads.

Some people after trying other kinds of advertising decide to try a reader among the locals and personals. Then they have got results. The cost is a little higher but they have been well satisfied. When conditions are like they are today the newspapers can often help. The price is not very high. Do not lie down and bemoan your hard fate. Try a different kind of advertisement and if that is not successful try again.

## EXAMINING OF PUPILS

Dr. Large Declines to Carry On Work at Reduced Stipend

Following the reading of a letter from Dr. R. G. Large who stated that he was not prepared to undertake the work of conducting medical examination of school children at less than 50c. a pupil, adding that he had the backing of the Prince Rupert Medical Association in his stand, a special committee consisting of Trustees Arthur Brooksbank and W. O. Fulton was appointed at last night's meeting of the school board to interview Dr. Large with a view to having him carry out the work within the appropriation of \$500 which had been set aside in the estimates this year for medical examination of pupils.

Dr. Large, in his letter, pointed out that the amount of time required in making the necessary examinations was such that he could not consider accepting less than 50c. per pupil. This was a figure which had been accepted for years and had not been increased even in good times.

Last year the doctor received \$500 and the assisting nurse \$150. On the basis of 50c. per pupil for an estimated 1100 pupils during the coming year, the cost would be \$550 whereas only \$500 had been provided in the estimates.

Trustee Fulton moved and Trustee Brooksbank seconded that a special committee be appointed to interview Dr. Large and explain the whole situation to him. After the motion had passed, Chairman Greer appointed Trustees Brooksbank and Fulton to the committee.

## STANDARD TEXTBOOKS

Local School Board Passes Resolution Asking For Uniformity Throughout Canada

The board of school trustees last night passed a resolution for submission to the forthcoming convention in Vancouver of the British Columbia School Trustees' Association urging standardization by all provincial governments of text books used in the schools of Canada and that these books be produced in the cheapest market and supplied to pupils at cost.

The resolution to this effect, moved by Trustee Fulton and seconded by Trustee Brooksbank, was put through by the board after another resolution by Trustee J. J. Gillis that the Department of Education print all text books and supply them free of charge to the pupils had failed to get a seconder.

Trustees Fulton and Brooksbank felt that there might be more prospect of ultimate success if the matter were approached by asking for Dominion-wide standardization of books. The request that the books be supplied free might be made later.

A telegram from Miss Evelyn C. White informed the school board at its meeting last evening of her acceptance of the appointment of domestic science instructress in the local schools, succeeding Miss Ella E. Roe, who has resigned to take an appointment at Kamloops. The salary of Miss White, formerly assistant to Miss Roe, will be \$1,500. Miss White is now spending a holiday in Manitoba after having attended summer school at Victoria.

## REVOLUTION IS FILMED

George Bancroft and Miriam Hopkins Stars of Exciting Story of 1917 in Russia

George Bancroft's new Paramount picture, "The World and the Flesh," showing as the mid-week feature offering at the Capitol Theatre here, is the story of a swashbuckling sea captain who led his men in riotous assaults upon the nobility in the days of Russia's 1917 revolution. It is a tale of carnage and gunpowder with a delicate thread of golden romance intertwined with the gusty excitement of the picture's action.

The amazing events which followed immediately upon the assassination of Czar Nicholas and the evacuation of Russia's royal palaces by noblemen and aristocrats form the basis for much of the picture. Much of the material for the film was selected from old reels showing the actual revolution.

Miriam Hopkins, the leading lady of "The World and the Flesh," plays the part of an aristocratic girl who is captured by Bancroft and his men. Bancroft's indomitable display of courage and mastery finally wins the admiration and subsequent love of Miriam. The story is brought to a thrilling anti-climax.

As the weekly revival picture tonight in addition to the regular program, "Shipmates," starring Robert Montgomery and Dorothy Jordan, which proved very popular on its original showing, is being brought back.

## ... FOR THE SAME BABY

This is what Mrs. Albert Bolton, of Toronto, writes: "Our little girl, Margaret Jean, was nursed for the first few months, but this did not satisfy her. I had heard about Eagle Brand and decided to try it. She took to it right away and there has been no trouble since. Her flesh is firm; lovely, straight limbs, good bone development, and she is so contented. Last September she won third prize at the Canadian National Exhibition, against 102 entrants.
