PLAN FOR NEW PULP PLANT AT KITIMAAT ARM FLYING BOATS WILL SAIL BETWEEN VANCOUVER AND RUPERT IN SPRING

Another Big Pulp Company Incorporated in Province

Firm headed by former Lieutenant Governor of Manitoba establishes with capitalization of Fifteen Million Dollars

Plant at Kitimaat Arm Is Among Its Projects

Work to be started now on Pulp Mill at Harrison River the first of its plans

VANCOUVER, January 4.—(By Canadian Press).—With a capitalization of \$15,000,000 the Harrison Lumber and Pulp Co. has been granted provincial registration. The company is headed by Lieut.-Col. Sir Douglas C. Cameron, former lieutenant-governor of Manitoba and one of that province's most prominent lumbermen and financiers.

Work will be started on a new pulp mill at Harrison River. It is also proposed to construct a pulp mill and possibly a paper mill on Kitimaat Arm. At the present time surveys are going on at Kitimaat Arm for pulp mill sites and applications are being made for water rights.

Kirk Retires from Mayoralty Contest

In withdrawing says will leave Gale to adjust civic crisis he has caused through inefficiency

VANCOUVER, January 4.—Ex-Alderman Thomas H. Kirk today withdrew from the mayoralty field as an opponent to Mayor R. H. Gale. Mr. Kirk has decided after having announced himself as a candidate to leave Mayor Gale the job of extricating himself and adjusting the civic financial crisis which he alleges the present mayor has created through his own inefficiency.

Ex-Mayor Louis D. Taylor and Mayor Gale appeared to be the only candidates who will be nominated on Thursday for the chief magistracy. Mr. Taylor is conducting an energetic campaign, appealing to the workers through the unemployment conditions.

RUPERT LEAVES DOCK AND ATLAS BEING TAKEN IN

Wrecked G. T. P. Boat Now at Company Wharf—Atlas Will be Surveyed.

The wrecked steamer Prince Rupert proceeded from the Hays Cove dry dock at 4 o'clock this afternoon to the Grand Trunk Pacific wharf where she is now moored. Tomorrow, it is expected, the tenders for her repairs will be opened and the contract let. During her stay on the pontoons the damage as a result of her wreck was surveyed and officers of the company also were engaged in making temporary repairs to her hull and engines to make her more seaworthy.

This afternoon the tanker Atlas is to be lifted onto the pontoons and her damage will also be inspected by Captain Logan, who is representing the underwriters and who has held the vessel here until he can give her orders to proceed or have temporary repairs effected here, his decision resting on the outcome of his inspection today.

TERRIBLE LOSS LIFE IN WRECK SPANISH SHIP

Santa Isabel Driven Ashore in Tremendous Storm and 214 Lives Lost

MADRID, Jan. 4 (Canadian Press).—When the Spanish steamer Santa Isabel wrecked near Villa Garcia on Saturday night 214 persons lost their lives. Fifty-six were saved, but many of them were injured by immersion in the waters of the Atlantic and by being dashed on the shore. Many bodies have been washed ashore. The ship was driven on the rocks in a tremendous storm.

GRAND FORKS RESULT IS IN DISPUTE NOW

Stated Improperly Marked Ballots would Give Conservative Small Majority

GRAND FORKS, Jan. 4 (Canadian Press).—A judicial recount of election ballots in this constituency will commence next Monday. Thirty out of fifty rejected ballots are in dispute, twenty-five of these being marked for John McKie, the Conservative, who was defeated in the final count by E. C. Henniger by a majority of nine. The crosses on these ballots were placed immediately after the name instead of the proper space. If they are declared valid McKie will be elected by a small majority.

Shockley Gets Contract for Morse Creek Bridge

His Tender for \$16,157 is lowest of six received by City Council—Start within Ten Days

The contract for the construction of the Morse Creek bridge was awarded by the city council last night to E. H. Shockley, his tender, \$16,157, being the lowest of the six bids received. This action was taken by resolution of Aldermen Kerr and Currie after the tender had been examined and found in order. According to the terms of the contract, work will commence inside of ten days or the deposit of \$1,000 accompanying the tender will be forfeited.

Six Tenders.

The following were the tenders received for the erection of the bridge:

M. J. McNeil and A. Leveque, \$23,960.
George Scott, \$18,400.
C. A. McKinnon and J. T. Strome, \$19,405.
D. H. Morrison, \$24,700.
E. H. Shockley, \$16,157.
S. S. Magoffin & Co., \$21,645.

As an alternate proposition the latter company offered to do the work on a cost plus 10 per cent basis, any difference under the \$21,645 to be shared evenly between the city and the contractor.

The tender of McKinnon & Strome provided for all fire construction, the others being for fir and hemlock as specified.

Assessment Roll Is Brought Down

Marks Expiration of G. T. P. Assessment Agreement—37 per cent. Reduction General Taxation

Prince Rupert's assessment roll for the year 1921 has been completed by City Engineer F. S. Clements, assessor, and last night a summary of it was presented to the council by the city clerk. The new roll shows that there is a total of taxable property in the city amounting to \$10,413,912.50, which is an increase over last year's total of \$699,815. The reason for the increased valuation is that four and a half million of railway property is assessed this year, the taxation agreement between the city and the railway company having expired on December 31, 1920. There will be a reduction of 37 per cent in general assessment this year.

Important Assessment.

Ald. Perry inquired if the roll had been signed by the committee of two appointed by the city council to assist the city engineer in bringing it down. He was informed by City Clerk Woods that this had not been done, for when the roll had been completed one of these men had been out of town and the other did not care to sign without him. Ald. Perry stated that he would have liked to have seen the roll signed by this committee for it would be one of the most important ones in the history of the city with the railway company status now changed. Acting Mayor Rochester pointed out that the city assessor was responsible anyway and all this committee could do would be to strengthen his hand. All questions would be brought up at the court of revision and this would be where final adjustments would be made. He had not known, however, that the committee had not acted.

On motion of Alderman Perry, seconded by Alderman Currie, the report is to be received and filed.

WASHINGTON, Jan. 4.—A new policy for the spreading of terror abroad has been decided upon by the Russian soviet government, say official advices from Moscow received today by the government.

Lenine is quoted as saying to commune committees in Europe: "It is absolutely indispensable that the enemy bourgeoisie be kept engaged with internal troubles in order that they cannot injure soviet Russia. Great strokes should be organized throughout the world to keep them busy with their own troubles."

Unemployment
And the City.

At the city council meeting last night a delegation from the Central Labor Council stated that there were three or four hundred unemployed in the city at the present time and of this number perhaps fifty were in serious straits. The city has its public works in such state that immediate employment can be given this week to thirty of that number on the basis of two days per week. This circumstance reflects credit on the departments who are conducting municipal affairs and will prove of great assistance and it is gratifying indeed to know that the city is forehanded enough to have this relief to offer. When the Morse Creek bridge is started and the street surfacing scheme gets under way still further work will be offering and the city will be able to say that it is doing its duty by the unemployed even if it goes no further.

There Will Be
No Bread Lines Here.

After all the city is not a big business proposition and it cannot be expected to deal with the entire problem of unemployment. The provincial and federal governments will have to do their share in providing employment to allay want and they doubtless will do so. It takes longer to get their relief machinery in operation but there will be needed public works that can be proceeded with soon and these will offer help. With the city already having schemes under way and promise of assistance from the governments there is every reason to believe that Prince Rupert will be able to cope readily with its unemployment problems and that actual starvation or privation will not occur here this winter.

Problem is Not
Dire in Prince Rupert.

While there is relief in sight for unemployment here, this city should not forget that it is fortunate in regard to the problem. Great numbers of unemployed do not flock here and make themselves indigent upon the support of the municipality like they do in larger towns. This is not a gathering place for loggers from the lumber camps, miners from the mines and unemployed from the farms. They assemble in the larger places and these are the places where there is a real and dire problem to face. When one looks upon the question in this light we must realize our fortune. Times may seem quiet here but with no prospect of bread lines or public shelters the people can consider themselves blessed. While business may seem slack there is nothing to do but to hold tightly on and in the spring industry will open up and we will again be more fortunate than larger places.

Section 2 Bridge
Contract Let.

The awarding of the contract for the building of the Morse Creek bridge will be a source of gratification to the residents of Section 2. They have been long promised this utility and have patiently awaited it, but now it will soon be under way. The entire city will be benefited by it for it will prove invaluable to business people in effecting their deliveries and will shorten the run to this end of the city as well as make it safer. Section 2 is rapidly becoming one of the city's most important residential sections and is already the location of many homes. It has good plank roads at the present time and with the completion of the bridge it will be in good shape from the standpoint of streets. The main thoroughfares in Section 1 are the ones that are in the worst need in the city, but with the laying of tarvia they should also be in good shape.

The time used is Pacific Standard, for the 120th Meridian west. It is counted from 0 to 24 hours from midnight to midnight.

The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same. The range of the tide may be computed as 5 per cent greater at Prince Rupert than at Port Simpson both at springs and neaps. Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson.

The height is in feet and tenths of feet above the average level of lower low water.

INDIAN SCHOOL
XMAS CONCERTLarge Attendance of Whites and
Natives Present at Port
Essington Affair

The children of the Port Essington Indian day school held their Christmas entertainment last Tuesday evening in the Methodist Church, Rev. W. F. Rushbrook occupying the chair. The church had been prettily decorated by the native choir and these decorations with the Christmas tree gave a festive appearance for the occasion.

The program was an interesting one and was enjoyed by a large audience composed both of native and white persons. Twenty-six children took part and much credit is due their teacher for the able manner in which the various parts were performed.

At the close of the concert Santa Claus appeared and there were gifts distributed to all the children of the day and Sunday schools. During the intermission a collection was taken up in aid of the Chinese Famine Fund. After singing the Good Night song and the National Anthem the gathering dispersed.

ALD. McLENNAN HAS
THEORY EXPLAINING
SHORT LIFE OF PIPESGrounding of Electric Wires on
Water Pipes Shortens Life
of Plumbing.

That the grounding of electric wires on waterpipes in residences was the cause of the short life of hot water pipes and tanks in many houses, was a theory advanced to the utilities committee by Alderman McLennan at last night's council meeting. It was maintained that the electrocution brought about had a serious effect on plumbing and the utilities committee is to investigate with a view to having the wire inspectors make adjustments.

The regular way for grounding electric and telephone wires is to stick the grounding wires into the muskeg but it has been found much more convenient, in many cases, to simply attach the wires to the pipes, with disastrous results to their duration. It is a simple and cheap operation to ground the wires properly.

The report of Fire Chief D. H.
McDonald for the months of No-
vember and December submitted
to the city council last evening
showed two fire alarms for No-
vember and none in December,
there being no damage. Hydrants
and alarm boxes had been inspec-
ted and were in good shape. The
salaries for the two months total-
led \$2,160.45 and expenses were
\$2,146.33.

The funeral of the late Joseph
Genoni, who died at Kamloops last
Wednesday, took place on Friday
at Victoria. The late Mr. Genoni
was known in Prince Rupert for
he was engaged as fireman and
oiler on the Grand Trunk steam-
ers for several seasons. Among
the pallbearers at the funeral were
Frank Balagno and Peter Balagno,
brothers of Charles Balagno, of
Prince George.

At the city council meeting last
evening Alderman Perry called to
the attention of the health com-
mittee the dirty condition of some
of the city's sidewalks. The mat-
ter is to be looked into and the
proper officials apprised by the
city engineer. It appears that
some of the storekeepers are not
living up to the rule of keeping
the sidewalks in front of their
places cleaned off.

MACDONALD'S CUT BRIER

MACDONALD'S "BRIER" has become
a Canadian institution. Smoked by the
men who made history. In the bush, on the
trail, in mining camps, prospectors' huts, factory
yards, on trains, steamships, in the luxurious
homes and downtown clubs of our Canadian
cities—Macdonald's has always been recognized
as the smoke.

MACDONALD'S CUT "BRIER"—the same tobacco
but in new form—maintains every Macdonald tradition since
1858, and gives to smokers—more tobacco for the money.

VANCOUVER CREDITORS TO ARRIVE TOMORROW

Several representatives of the
Vancouver creditors of the Prince
Rupert Dry Dock and Engineering
Co. are expected to arrive in the
city on the Prince George to-mor-
row, to attend a creditors' meet-
ing on Thursday, in accordance
with legal procedure upon the
company going into liquidation.
Considerable importance will at-
tach to it. The principal local
creditors are represented by L. W.
Patmore, of Patmore & Fulton.

Much perturbation and flut-
tering has been produced in the
minds of both the purveyors and
customers of near beer by the
New Year's announcement in the
Vancouver and other coast city
breweries that the price had been
jumped in a most alarming fash-
ion. Four dollars a barrel for
bottled and fifty cents a gallon on
draught beer will be the prices
charged to the retailer dating
from the first of the year. How-
ever, it is imagined that a long-
suffering public will survive this
latest blow, and carry on with
that benign equanimity noticeably
evinced when faced with calamities
of a singular nature.

TORPID LIVER For over 4 Months

The duty of the liver is to prepare and
excrete bile and serve as a filter to the
blood, cleansing it of all impurities and
poisons.

When the liver becomes lazy, slow or
torpid it is not working properly, and does
not supply sufficient bile to thoroughly
act on the bowels and carry off the waste
products of the system, hence the bowels
become clogged up, the bile gets into the
blood, constipation sets in and liver
troubles follow.

Milburn's LAX-LIVER PILLS quickly re-
move the secretions, clear away the waste
and effete matter by acting directly on
the liver, and making the bile pass through
the bowels instead of allowing it to get
into the blood, and cause so many troubles.

Mrs. Alice Mehill, Nanaimo, B. C., writes:
"I was very badly run down, and had
a torpid liver for four months. I tried
several remedies, but got no relief. One
day my husband brought me home a box
of Milburn's LAX-LIVER PILLS, and before
I had used half of it I was much better.
I only used two vials, and am a different
person today. I can safely recommend
LAX-LIVER PILLS to any one troubled with
liver trouble."

Milburn's LAX-LIVER PILLS are 25c. a
vial at all dealers or mailed direct on
receipt of price by The T. Milburn Co.,
Limited, Toronto, Ont.

All records were broken when
the City Council adjourned last
night, immediately after having
been called to order by the mayor.
No business was brought up at all,
but the council met today at 2
p. m. to discuss a number of by-
laws.

The majority contest opened
last night when a spirited meet-
ing was held in the Empress
Theatre. William Manson and
Alderman Mobley outlined their
platforms before a crowded audi-
ence.

W. H. Montgomery of the long-
shoremen's union has announced
his candidature for alderman. He
will run in Ward 2.

The regular organization of the
French-Canadian Club took place
last evening in the Exchange Bldg.
The object of the club is to unite
all French-Canadians for "a right
jolly time." The following were
elected office holders for the com-
ing year: Rt. Rev. Father E. M.
Bunoz, O.M.I., president of honor;
Rev. Father W. H. Risch, O.M.I.,
chaplain; T. Trotter, president; A.
J. Prudhomme, 1st vice-president;
L. Blaine, 2nd vice-president; C.

ELKS LEADING IN BILLIARD MATCH

Game Between E. A. Wakefield
and Percy Tinker Today.

The tenth in the series of bill-
iard matches for the Trail Cup
was played last evening, the com-
peting teams being the Elks and
the Sons of England. Only five of
the six games were played last
night, and the sixth, between
Percy Tinker, of the Sons of Eng-
land, and E. A. Wakefield, of the
Elks, is to be held today. At the
present time the Elks have a lead
in the match of 25 points. The
game between Tinker and Wake-
field is looked forward to with con-
siderable interest, and ought to
prove an exciting tussle. Appen-
dix are the scores last night.

UNEMPLOYMENT QUESTION UP

Central Labor Council Asked the City Council for Relief Measures.

A delegation from the Central Labor Council consisting of C. M. Smith, James Caskie, W. E. Dickson and W. Grant appeared at the city council meeting last night to lay before that body the condition of unemployment in the city and solicit aid towards giving relief for needy cases. The result is that thirty men are to be given employment at once for two days a week on street repairs on Sixth Avenue and the pipe line sidewalk and the council expressed the hope that with the Section 2 bridge under construction and the street surfacing scheme being carried out there may be further employment. A list of names of those especially in need is to be submitted by the council to the city engineer.

Between 200 and 400.

The delegation told the council that there were anywhere between two hundred and four hundred unemployed in the city and of this number there were at least fifty who were in straitened circumstances. Many of these did not like to apply to the police and it would be of great assistance if the city could offer some work. If something was not forthcoming for some of these men the city would find itself up against sending some of them south in charge of constables for they would have to help themselves. As the winter advances the condition would not improve.

Alderman Kerr, of the Board of Works, explained that about ten men could be handled by the city and at the rate of two days a week this would give employment to thirty men. This would be on street repair work. The water-works department was filled up but with the work of the Section 2 bridge and the street surfacing under way there would be further employment.

Tarvia Surfacing.

In regard to the tarvia scheme Ald. Perry was told that a bylaw would be brought in by the council next week. As yet no reply had been received from the provincial government in regard to the advance of \$50,000 for public works that has been requested from the government's relief fund.

INTERESTING GAMES OF BASKETBALL TONIGHT

Tonight's all-star basketball games promise to be keenly contested and fans are showing a good deal of interest in them. The married men vs. single men game will be refereed by Leo Dell and the match between the Colts and Beavers, of the Intermediate League, will be handled by Joe Scott.

The following line-ups will take the floor for the senior game: Married men—Clement, Martin, H. Mezie, W. E. Willisroft and G. Dytche, with Hill as spare. Single men—Craggs, Lane, Shespeare, Anderson and Smith. Easson and Hardy are the spares. Besides the men's game there will also be a game between the Colts and Beavers of the Intermediate League.

Take Care of That Cough

Some people get a nasty cough and don't pay much attention to it, saying, "Oh, it will wear away in a short time." But when it may wear out, serious injury may have been done to the lungs and respiratory organs by the prolonged, harsh, racking coughing.

On the first sign of a cough or cold get a bottle of Dr. Wood's Norway Pine Syrup. It will stop that nasty, troublesome cough, ease the tightness across the chest, and loosen the phlegm.

Mrs. Wm. Larnshaw, Aspley, Ontario, writes: "Last winter I caught a bad cold, had a sore throat and a terrible hacking cough that I could not get rid of. I could not sleep at night. I tried quite a few remedies, but they did not do me much good until I got Dr. Wood's Norway Pine Syrup. By the time I had taken two bottles, my cough was all gone. I feel that 'Dr. Wood's' has no equal."

When you get Dr. Wood's Norway Pine Syrup, you are not experimenting with a new and untried remedy, but one that has a reputation extending over thirty years.

Put up in a yellow wrapper; three pine trees the trade mark; price 35c and 60c a bottle, manufactured only by The T. Wilburn Co., Limited, Toronto, Ont.

"SCOTTY" MORRISON HERE FROM CARCROSS

Old Timer of North Now Fishes— Finds it Pays as Well as Mining

Joe (Scotty) Morrison, of Carcross, without a doubt one of the oldest and hardest of the pioneers of the North, is down as far south as Prince Rupert, the first time for twenty-three years. Mr. Morrison is registered at the Prince Rupert and is proceeding in a day or two to the hot springs near Ketchikan for a six weeks' course of the waters as a cure for rheumatism.

"Scotty," as he is always spoken of by his many old time friends of the Yukon and Alaska, is a remarkable man for his years. He is well over seventy and is now carrying on a most successful business fishing in the northern lakes during the summer months, where he has an excellent market at a good price, and says today that after all it pays better than mining, the calling he has followed most of his life.

PIONEER LANDMARK UNDERGOES CHANGE

Many Friends of Milt' Gonzales will be Pleased to See New Sign

One of Prince Rupert's landmarks underwent a change with the incoming of the New Year. The first barrister and solicitors' sign to dangle in Prince Rupert's gentle zephyrs was that of Williams & Manson in July 1908 and that title has now merged into the larger name of Williams, Manson & Gonzales.

Milton Gonzales has been with the firm since December 1919 and his many friends will be pleased to see his name appended to the shingle of the city's pioneer law firm. Mr. Gonzales is the youngest member of the legal profession in Prince Rupert.

The Man in the Moon SAYS:

THAT it was only the least tempted of us who maintained a strict record of sobriety during the holiday season.

THAT it is often the least tempted who are the most critical.

THAT Bethmann-Holweg's grave shall be strewn with none of Belgium's flowers.

THAT Mayor Church seems to have a mortgage on the Toronto mayoralty.

THAT Mayor McClymont might have had one on Prince Rupert's if he had cared to carry on.

THAT it was a sensible young fellow who said after he saw two girls meet the other night and rapturously kiss each other: "I hate to see a woman doing a man's work."

THAT there are also lots of unemployed in that line.

THAT times are quiet in Prince George for while walking to his office last week City Clerk George met a two year old buck on Queen Street. Even had time to tell its age.

THAT Prince George should be a good place for one of those "Spirit of the Wild" authors. He could get inspiration on the main street.

Certificate of Improvements.

SOME FRACTION MINERAL CLAIM, situated in the Sag River Mining Division of Cassiar District, where located: About 22 miles from Alice Arm at head of Kitlaunt River adjoining "Silver Horse" Mineral Claim.

TAKE NOTICE that I, Lewis W. Patmore, F.M.C. No. 29651-C, as agent for Hans Pedersen, Free Miner's Certificate No. 46738-C, intend, sixty days from the date hereof, to apply to the Mining Recorder for a Certificate of Improvements, for the purpose of obtaining a Crown Grant of the above claim.

AND FURTHER TAKE NOTICE that action, under section 83, must be commenced before the issuance of such Certificate of Improvements.

Dated this 10th day of November, A. D. 1920.

LEWIS W. PATMORE.

NOTICE.

IN THE MATTER of an application for the issue of a fresh certificate of title for Lots 27 and 28, Block 24, Section 1 City of Prince Rupert, (Map 923).

NOTICE is hereby given that it is my intention to issue after the expiration of one month from the first publication hereof, a fresh certificate of title to the above mentioned lands in the name of Edith Mabel McMurdie, which certificate was issued 17th December, 1912, and is numbered 2739-L.

CRIPPLED TWO YEARS WITH Ulcerated Leg

"Get Zam-Buk" was Friend's Advice.

Men and women prominent in Canadian life, continue to endorse Zam-Buk. Doctors, magistrates, nurses, ministers, all express the opinion that for dealing with skin injuries and diseases, there's nothing like Zam-Buk. Captain Richard B. Nunn, well-known in Vernon, B.C., here details his personal experience. Writing us about a chronic, ulcerated leg-sore that defied everything but Zam-Buk, Capt. Nunn says:—

"I have proved beyond doubt that Zam-Buk's healing power is infinitely superior to that of any other preparation I know. Not only is Zam-Buk effective where other remedies fail, but its healing is permanent. When living in Vernon, B.C., I suffered acutely for over two years with a sore on the leg which despite all treatment turned into an open ulcer. I tried all kinds of ointments, liniments, etc., but the ulcer only got worse, and finally I decided that I had best go into hospital for treatment. Before doing so, however, a friend advised me to get Zam-Buk, which I did, and the first few applications gave such relief that I was encouraged to continue the treatment. By degrees all the soreness and inflammation were drawn out and then healing began.

"To cut a long story short, perseverance with this wonderful balm made the leg quite strong and sound again. To me it seems, nothing short of marvelous that Zam-Buk should prove effective in such comparatively short time. There has not been the slightest trace of the ulcer since."

"Whilst with the army I often had further proof of this great healing power of Zam-Buk. Over in France the men said it was invaluable for the many injuries and skin troubles incidental to a soldier's life. As everyone should know of this wonderful healer you may publish my letter willingly, if you care to."

Zam-Buk is a revelation in skin healing. Its antiseptic juices penetrate and purify the underlying tissues of disease. Ordinary fatty ointments and salves are useless in serious skin trouble. You need Zam-Buk which is unequalled in burns, scalds, and cuts, disease and sores. Also a rub-in for rheumatism, sciatica, stiff joints, etc. All druggists and stores or Zam-Buk Co., Toronto. 10c box, 3 for \$1.50.

KANTLEEK

It Can't Leak, Because It's Made in One Piece

A KANTLEEK is built like a bottle—all in one piece. Most hot-water bottles are made in sections, then cemented together. When cement dries and cracks, the bottle leaks. Every Kantleek Hot-Water Bag is moulded of pure soft rubber—one continuous piece. No parts, patches, cement. Even stopper socket is moulded in. And guaranteed for a full two years' service—or a new Kantleek free. Don't wait until your old bag leaks. Get a Kantleek. Your old one may leak open tonight.

LIEUT. HELMSING RESIGNS FROM HIS NAVY LEAGUE POST

Was Energetic Organizer and has
Much Credit for Stride Forward
in League on This Coast

VICTORIA, Jan. 4.—Lieutenant
H. F. Helmsing has resigned as
secretary of the British Columbia
branch of the Navy League after
having held that office for over
two years.

Lieut. Helmsing, who visited
Prince Rupert last summer, was
undoubtedly responsible for the
revived interest in the work of the
Navy League on this coast. Owing
to his energy and work there have
been many new branches estab-
lished and the membership has
been greatly increased.

Synopsis of Land Act Amendments

Minimum price of first-class land
reduced to \$5 an acre; second-class to
\$3.50 an acre.

Pre-emption now confined to sur-
veyed lands only.

Records will be granted covering only
land suitable for agricultural purposes
and which is non-timber land.

Partnership pre-emption abolished,
but parties of not more than four may
arrange for adjacent pre-emption
with joint residence, but each making
necessary improvements on respective
claims.

Pre-emptors must occupy claims for
five years and make improvements to
value of \$10 per acre, including clear-
ing and cultivation of at least 5 acres,
before receiving Crown Grant.

Where pre-emptor in occupation not
less than 3 years, and has made pro-
portionate improvements, he may, be-
cause of ill-health, or other cause, be
granted certificate of improvement
and transfer his claim.

Records without permanent resi-
dence may be issued, provided appli-
cant makes improvements to extent of
\$300 per annum and records same each
year. Failure to make improvements
or record same will operate as for-
feiture. Title cannot be obtained in
less than 5 years, and improvements
of \$100 per acre, including 5 acres
cleared and cultivated, and residence
of at least 2 years are required.

Pre-emptor holding a Crown Grant
may record another pre-emption, if he
requires land in conjunction with his
farm, without actual occupation, and
provided statutory improvements made
and residence maintained on Crown
granted land.

Unsurveyed areas not exceeding 20
acres, may be leased as homesteads;
title to be obtained after fulfilling resi-
dential and improvement conditions.

For grazing and industrial purposes
areas exceeding 640 acres may be
leased by one person or company on
payment of stumpage.

Natural hay meadows inaccessible
by existing roads may be purchased
conditional upon construction of a road
to them. Release of one-half of road of
road, not exceeding half of purchase
price, is made.

**PRE-EMPTORS' FREE GRANTS
ACT.**

The scope of this Act is enlarged to
include all persons claiming and serv-
ing with His Majesty's forces, and the
time within which the heirs or devisees
of a deceased pre-emptor may apply
for title under this Act is extended
from one year from the death of
such person, as formerly, until one
year after the conclusion of the present
war. This privilege is also made re-
troactive.

No fees relating to pre-emptions are
due or payable by soldiers on pre-
emptions recorded after June 26, 1918.
Fees are required for five years.

Provision for return of moneys ac-
crued, due and paid since August
4, 1914, on account of pre-emption fees
or taxes on soldiers' pre-emptions.

Interest on agreements to purchase
town or city lots by members of
Allied Forces, or dependents, acquired
direct or indirect, remitted from en-
listment to March 31, 1920.

**SUB-PURCHASERS OF CROWN
LANDS.**

Provision made for issuance of
Crown grants to sub-purchasers of
Crown lands, acquiring rights from
purchasers who failed to complete
purchase, involving forfeiture, on ful-
fillment of conditions of purchase, in-
terest and taxes. Where sub-purchas-
ers do not claim whole of original par-
cel, purchase price due and taxes may
be distributed proportionately over
whole area. Applications must be
made by May 1, 1920.

GRAZING.

Grazing Act, 1918, for systematic
development of livestock industry pro-
vides for grazing districts and range
administration under Commissioner.
Annual grazing permits issued based
on numbers raised; priority for estab-
lished owners. Stock-owners may
form Associations for range manage-
ment. Free, or partially free, permits
for settlers, campers or travellers, up
to ten head.

PRINCE GEORGE

Alderman Henry Wilson, ar-
chitect and contractor, and W. P.
Ogilvie, barrister, are at this date
the only candidates for the
mayorally chair in the coming
municipal election. Both con-
testants are well-known in the
city and each has a considerable
following.

Robert Tyhurst, general man-
ager of the Fraser Timber Syndi-
cate, who returned from the coast
this week, when interviewed spoke
most optimistically of the future
prospects of the Big Pulp Com-
pany. He holds out every hope
of the outcome of the negotiations
with the government being suc-
cessful.

The musical recital recently
held in the Alexandra Hotel by the
pupils of Charles Balagano was
succeeded by all to be a distinct
success, reflecting great credit on
Mr. Balagano both as to his
ability as a teacher and to his
known talent as a performer.

The patients at the City Hos-
pital were pleasantly entertained
on Christmas Day by the kindness
of Messrs. Pitman and McLane,
who visited the hospital with a
large Magnavox gramophone,
giving a most delightful selection
of beautiful Christmas carols.

The Rex Theatre on Friday
afternoon was the objective of
countless Presbyterian children,
who assembled on account of a
well-founded rumor that Santa
Claus intended to arrive there,
entering by the stove pipe route.
They were not disappointed, as
the old gentleman was there on
the dot and handed out presents
with a lavish hand.

HAZELTON

Inspector Acland of the Cana-
dian Mounted Police, was here the
first of the week to arrange for
new quarters for the men.

Mr. and Mrs. J. D. Galloway are
moving into the house just vacat-
ed by Mr. and Mrs. A. D. Chap-
pelle.

Owing to the mild weather, the
boys have been unable to get ice to
stay on the skating rink.

Rev. Mr. Rodson, the new rector
of St. Peter's Church, arrived on
Thursday morning with Mrs. Rod-
son and family of five. They will
be warmly welcomed in the city.

On Thursday evening Dr. and
Mrs. Wrench entertained many of
the young people in honor of Miss
Balthena, Leonard and Cooper,
who are home for the holidays.

Mr. and Mrs. McIntyre came
down from Smithers to spend the
holidays with Mr. and Mrs. Mc-
Dougall.

J. C. K. Sealy arrived from the
farm on Thursday morning. He
was accompanied by Robert Gerow
of Burns Lake. It is a long time
since Bob was here. He reports
things as very good in the lakes
district, but not quite up to last
year.

Treatment Offered for
Home Use.

In Grip-Fix the public is offered just
the treatment which is usually used by
doctors for treating a cold. This consists
of Aspirin, Phenacetin, Quinine, Salol,
Caffein, Eucalypt, Capsaicin and Camphor
Monohydrate, in proper proportions. The
remedy is offered in capsule form as it
acts quickly in this way and is also easier
for home use.

Start taking Grip-Fix as soon as the
first signs of a cold appear. In 24 hours
you can say goodbye to your cold. Even
if it has developed to the grippe stage
Grip-Fix will usually conquer it in 36
hours. It is an invaluable preparation to
have on hand during the "flu" epidemics
of the past two years. It saved acute and
dangerous disease on every hand through-
out the Dominion.
