Big Plane Put Down at Kakumabetsu After 800-Mile Crossing of North Pacific Ocean From Aleutian to Kurile Islands

TOKYO, Japan, Sept. 2.—Capt. Wolfgang von Gronau, flying around the world with his three companions, rested tonight in bleak Kakumabetsu Bay, the most northerly point of the Japanese Empire, having successfully completed the 800-mile hop from the Island of Attu in the Aleutian Islands to the Kuriles in seven hours. His radio-gram to Oehishi indicated that Kakumabetsu, where only an occasional fisherman puts in during the summer, was deserted except for himself and his companions.

Tonight von Gronau was gathering weather data by radio to determine whether he should start tomorrow on the 800-mile flight to Nemuro over the fog-shrouded Kurile Islands. Airmen consider this the most difficult part of the Pacific Ocean crossing.

OPENING OF FINE SPAN

Bella Coola Celebrated By Formal Ceremony Followed By Sports and Games

Rev. Peter Kelly, chairman of the Prince Rupert Presbytery of the United Church, who has been in the district for the past week or so attending the presbytery meeting here and visiting Queen Charlotte Islands, leaves for his home in Bella Coola tonight.

Mr. Kelly told about the opening of the new bridge at Bella Coola just before he left. It is a suspension span 300 feet in length erected jointly by the provincial and federal government connecting the town of Bella Coola with the Indian village.

People gathered for the event from all the countryside, the affair being sponsored by the women of the United Church, who sold refreshments and thus netted the church a little money. Ivor Fougner, Indian Agent, opened the ceremony with an address and Chief Samuel King formally declared the bridge open and cut the ribbon.

After the ceremony there was a very complete list of sports and games including horse racing and canoe racing. In the latter the canoes were poled up the river as in the old days, four men to a canoe, and great interest was taken in the event.

Chief Executive Of Gotham Will Run At November Election

Declaring He Cannot Get Fair Trial From Governor Roosevelt, He Announces He Will Seek Vindication Direct From People

NEW YORK, Sept. 2.—Mayor James J. Walker, object of the ouster proceedings which have been in progress for the past few weeks before Governor F. D. Roosevelt at the instance of Samuel Seabury, resigned yesterday afternoon as chief executive of the city of New York, announcing that he would take his fight for vindication straight to the people by seeking re-election at a new election to be held in November. The mayor's dramatic step was said to have been taken on the advice of his counsel in the ouster proceedings.

"I hereby resign as mayor of New York, said resignation to take effect immediately," the mayor's communication to the board of aldermen simply said. He intimated at the same time that he would be a candidate for re-election at the special election to be held next November, thus allowing the people to decide whether or not he was a fit and proper person to continue as mayor of New York.

Interviewed by reporters following announcement of his resignation, Walker directed caustic remarks at Governor Franklin D. Roosevelt. He charged it was impossible for him to get a fair trial and asked why he should allow himself to be lynched politically. Bitterly denouncing his hearing at Albany, Walker described Roosevelt as a biased judge.

It is expected that the mayor's move in resigning will automatically end the ouster proceedings although this will not be known definitely until the sessions resume this afternoon.

Governor Roosevelt, who was busy at Albany with political leaders and with gubernatorial duties, had no comment to make on Walker's resignation. He is believed to be awaiting official notification of the fact.

Following the resignation of Mayor Walker, Joseph B. McKee, president of the board of aldermen, automatically becomes acting mayor of the city pending the holding of the special election.

RASPBERRIES

There have been very few raspberries on the market in Prince Rupert this year possibly because there was a scarcity in the south and there were plenty of strawberries at reasonable prices.

As a matter of fact Prince Rupert should export raspberries instead of importing them. Local restaurants have drawn their supplies from local sources this year and it would not be a difficult matter to raise all the people here could use.

There is no place in the word where raspberries do better than in Prince Rupert. They are large and luscious but they may not ship well owing to difficulty in picking them dry and partially ripe. Anyone with a couple of city lots planted to the berries could feed half the city with fruit every morning for breakfast. We draw attention to this because it is a local industry that could be developed by people with small capital in a small way.

JUST ONE EXAMPLE

An example of how costs of government might be cut without putting Canadians out of a job is shown in an editorial in the Victoria Times:

"At one time British Columbia House in London was a costly liability for the province. But in itself it never was expected to be a profit-maker. It was not an easy thing to sell office accommodation when the best part of the ground floor fronting on Regent Street was occupied solely by provincial displays of various kinds. Under the late administration, however, this valuable space was converted into private business premises and since that time it has been yielding important revenue until the total cost of maintenance was brought down to a little more than \$5000.

"We are told the Kidd report recommends sale of the London building, the reduction of the staff to two or three, and the renting of quarters in Canada House, which fronts on the southwest corner of Trafalgar Square and Cockspur Street. With the reported recommendation of the committee comes the announcement, moreover, that the cost of maintaining British Columbia House last year amounted to \$26,500 owing to additional advertising. This is an increase over the 1929-1930 fiscal year of more than \$20,000—a substantial amount in a period demanding rigid economies.

"In recent years excellent work has been done by British Columbia House and at a maintenance cost of between \$5,000 and \$6,000 a year—or even more than that—it could be considered an excellent annual investment from the advertising point of view alone. It is not necessary, of course, to go into the reasons for the substitution of Mr. Burden for Mr. Pauline; but the increased cost of running the institution furnishes a contrast which evidently has not escaped the Kidd commission. None the less, it would be false economy to dispose of the building and bury a few officials in Canada House."

**HAZELTON
 FAREWELL**

HAZELTON, Sept. 2.—A large gathering of friends assembled on the lower balcony of the Hazelton Hospital last Tuesday evening to say farewell to Mr. and Mrs. Tomlinson and family before leaving for New Metlakatla, Alaska. Mr. and Mrs. Robert Tomlinson are old residents of the district and it is with deep regret that the community parts with them. Mr. Tomlinson goes to New Metlakatla to take charge of the Indian Mission there, established many years ago by the late Father Duncan.

Dr. H. C. Wrench, medical superintendent of the hospital, spoke for the staff of which Mr. Tomlinson was a member and presented the Tomlinsons with a silver dish as a token of appreciation from their fellow workers.

Mr. Cox followed and spoke for the friends of the town of Hazelton, reviewing the work that both Mr. and Mrs. Tomlinson had done for the community.

William Grant spoke for the congregation of the United Church and the many friends associated with the Tomlinsons there and presented them with a silver basket from the congregation, the Ladies' Aid, and the Sunday School. Rev. S. V. H. Redman, pastor of the United Church, also spoke briefly.

A program of musical numbers was enjoyed to which Mrs. Ringland of Toronto contributed, also Rev. and Mrs. Redman.

Refreshments served by the hospital staff brought the evening to a close when all good wishes were extended to Mr. and Mrs. Tomlinson and family in the singing of "Blest Be the Tie That Binds."

 WAS FAST**

First of Exhibition Series Came to Regrettable Climax Yesterday When Player Refused to Leave Field

Thursday's lacrosse game was a fast and thrilling affair won by Prince Rupert over Alyansh with a score of 2 to 0. Ernie Webster and Scoop Bury, two newcomers in the game, with the veteran Bob Frizell, starred for the locals. It was a hard checking, clean exhibition of the box brand of lacrosse, the sort of game local spectators have long waited to see. With the portable fence used to keep the ball from going out of bounds, this game appears to be here to stay.

The first goal was scored in the first period by Scoop Bury after Ted Money made an opening by passing the natives' defence. The Natives pressed hard from then on, scoring two goals which were disallowed because of taking a pass within the crease.

In the second period Prince Rupert opened with a rush and, with the second string forward line comprised of Billy Gray, Pat Clanton and Bert Unger, Gray carried through from Unger to score the second goal.

From then on, the game was faster than ever with the natives putting everything they had in it in the effort to even up matters. The Rupert defence, however, backed by the new goalie, Bob Peacock, held the visitors at bay.

Regrettable Climax

Just before the close of the second period, Dennis Morvan of the Alyansh team received a minor penalty of two minutes for infraction of the rules. He argued with the referee who raised the time to five minutes. Ultimately, Morvan was ordered from the game. He refused to go off the field whereupon the referee gave a time allowance for him to leave. After the time allowance had expired without Morvan's retirement, the referee called the game. It was a regrettable climax to a game which had promised to bring victory to either side and the spectators were keenly disappointed.

Charlie Sunberg was referee and handled the game efficiently and kept it clean without retarding the speed. Minor two-minute penalties were given on both sides. Prince Rupert drawing eight minutes in penalties and Alyansh, ten minutes.

Abel Derrick, point player, and Arthur Mercer, goal keeper, were the outstanding players for Alyansh.

The second game will be played tomorrow afternoon and a big crowd is expected as the two teams are very fast and evenly matched. Total goals will count in the series.

Benedicts Shut-Out By Score of 4 to Nil in Baseball Match Yesterday Afternoon

Single Men shut out Married Men by a score of 4 to nil in the specially arranged Fair Week baseball game for Senior League players yesterday afternoon. The game was a keenly contested seven-inning affair in which the Single Men undoubtedly put up the best play, bunching their hits in a more timely manner than the Benedicts and making only one error while half a dozen or so were chalked up against the Married Men.

Jack Nelson pitched a good brand of ball for the Single Men, and, on only three occasions, were the Married Men able to reach third base, being at no time very dangerous. Benny Windie hurled for the Married Men and failed to get the support he should have been accorded.

The Single Men scored twice in the second inning and twice in the sixth through steady although not spectacular hitting aided by errors on the part of the Married Men.

Pete Laporte was umpire of balls and strikes while Charlie Sunberg officiated on the base lines.

The teams were as follows:

Married Men—Hibbard rf., Moran 2b., Arsenau lf., Windie p., Menzies 3b., D. Gurvich c., Skinner cf., Douglas lb., Kenny ss.

Single Men—Smith 2b., Bury cf., Lambie 3b., D. Stalker rf., Nelson p., Comadina lb., Johnson ss., R. Stalker c., McNulty if.

A fair sized crowd of spectators was in attendance. The Moose Legion Band was present and did much to enliven the proceedings.

**CONTESTS
 INTEREST**

Baseball Competitions Proved Entertaining Innovation in Connection With Sports

The baseball contests held yesterday afternoon were a novel and interesting feature of the Fair Week sports program. The contests preceded the game between the Single and Married Men and proved very entertaining for the spectators as well as for the many players or would-be players who participated.

The results were as follows:

Relay race around the bases—Married Men beat Single Men with time of 1 minute, 5 1-5 seconds. Married Men: Kenny, Windie, Hibbard and Moran. Single Men: Smith, Stalker, Bury and Lambie. Prize donated by Old Empress Hotel.

Distance Throw—Bill Lambie, 340 feet, prize donated by Capitol Theatre.

A prize donated by the Capitol Theatre was donated to Benny Windie, leading batter of the Senior League during the past season.

Ald. G. W. Rudderham acted as judge of events yesterday.

Dr. R. Geddes Large, who has been on a brief trip to Terrace, returned to the city from the interior on last night's train.

According to the Seattle Post-Intelligencer, Billy Townsend and his manager, Jack Allen, are at loggerheads again. Allen has made two matches for Billy in the east, but the blonde-thatched welterweight prefers to spend the next few weeks with his folks in Vancouver. Allen says he has accepted the matches and terms and if Billy walks out on them it will be disastrous to his future. The benefit show in which Townsend and Steele were the headliners netted well over \$5,000 for charity.

FOOTBALL IS NOVEL

Five-a-Side Play in Connection With Fair Sports Last Night Proved Interesting

Another interesting innovation in the special Fair Week sports this year is the five-a-side football competition which commenced last evening at Acropolis Hill grounds, Merchants and Canadian Legion A. teams qualifying to meet in the final scheduled for this evening.

In the first game Merchants defeated Spaniards 3 to 1, in the second Canadian Legion A. team defeated Regiment 3 to 1 and, in the third, Canadian Legion A. beat Canadian Legion B. 2 to 1. The Merchants-Spaniards game was tied one-all at full time, the Merchants winning in overtime. This game was marred by accident when E. Webster of the Merchants had the misfortune to break his leg as a result of which he is now in hospital.

James Andrews was referee and Pete Doherty and Charles Barker were linesmen. M. M. Lamb was timekeeper.

The teams were as follows: Merchants—A. Dickens, Webster, G. Hill, Gilker and Vacher. Spaniards—Vieira, Del Rio, Tony, D. Gomez and A. Gomez. Regiment—DeJong, Wingham, Vance, Colussi and Ted Smith. Canadian Legion A—Baptie, J. Murray, Horne, Currie and Haddon. Canadian Legion B—Johnstone, Ivanson, Morrison, S. Gurvich and F. Gomez.

JUVENILE STAR HERE

Jackie Cooper and "Chic" Sale Fine in "When a Feller Needs a Friend" at Capitol

Popular little Jackie Cooper plays a stirring characterization in "When a Feller Needs a Friend" which is the week-end feature on the screen of the Capitol Theatre here. The child actor is co-starred in the film with Charles "Chic" Sale.

The various adventures of Limpy, whose crippled leg makes him an outcast and a moral coward, and his final fight to overcome a disastrous inferiority complex make this a picture which, it is said, will bring laughs and tears to parents and children alike.

Highlights of the plot include a sham battle in which Limpy proves himself a helpless coward, a secret fishing expedition on which "Chic" Sale reveals some amazing fish stories, the quarrel between Sale and Limpy's parents because the old man refuses to mollify the crippled youngster, the dramatic scene in which rowdies attempt to stone the old conductor, the episode in which Limpy first asserts himself and, finally, the spectacular fight by which he regains his self-respect and overcomes his inferiority complex.

The picture is based on William Johnston's novel "Limpy." Supporting roles are filled by Ralph Graves, Porothy Peterson, Andy Shuford, Helen Parrish, Donald Haines, Gus Leonard and Oscar Apfel.

Young People Entertained at Rotary Luncheon

Members of the Rotary Club were entertained yesterday at the lunch hour by a group of young people from the Junior Choir of First Presbyterian Church under the leadership of John E. Davey.

Bert Cameron played two excellent selections on the violin, Miss Betty Cameron gave two very pleasing contralto vocal selections; Miss Elizabeth McLeod gave two humorous readings and Miss Betty Woods sang twice very sweetly. Mrs. J. S. Black accompanied the singers.

At the conclusion President George Woodland expressed the thanks of the club to the young performers who he declared gave promise of much greater things for the future.
