## New York Baseball Pennant Winners

## GREEN GETS APPOINTMENT TO SENATE AND FORMER MINISTER

### Giants and Yankees Both Pennant Winners; World's Series Starts This Week

YORK, Oct. 3.—The New York Yankees captured the league pennant on Saturday afternoon for the first time in their history when they defeated the Philadelphia Athletics, the first by a score of 5 to 3 and the second by a score of 8 to 5, the Yankees' lead thus being decided.

The National League the Giants are also the pennant winners although they split the doubleheader on Saturday with the Philadelphia Athletics, losing the first by 10 to 9, but shutting out their opponents in the second. The game between the Pittsburgh Pirates and the St. Louis Cardinals was called on account of darkness standing 4 to 4.

The world series will commence this week at the Polo Grounds in New York between the Yankees and the Giants. It is likely that these two teams will draw a 100,000 crowd, but owing to the National Commission's decision "no crowd" are allowed, so no crowd will exceed 38,000. A big rush for seats and there will be none to spare. New York being given the preference in the sale.

### QUESTIONS FOR ALL CANDIDATES

The Trades Congress of Canada, through their executive, have formulated a number of questions on which they seek information. - 2.—The maximum working day of eight hours and 44 hours a week.
- 3.—Enforcement of fair wage regulations based on established union conditions in all Government work.
- 4.—Public ownership and democratic management of all public utilities.
- 5.—Government control and fullest development of all natural resources.
- 6.—A tariff board on which labor is represented.
- 7.—Revenue by direct taxation.
- 8.—Abolition of non-elective legislative bodies.
- 9.—Exclusion of all Asiatics.
- 10.—The demand and use of the union label.
- 11.—No employment of children under sixteen.
- 12.—Equal pay for equal work of men and women.
- 13.—Voluntary arbitration of labor disputes.
- 14.—Proportional representation with group constituencies.
- 15.—Encouragement of workers' co-operative societies.
- 16.—Unemployment insurance.
- 17.—Old age pensions, state insurance for sickness and disability.
- 18.—Uniformity of labor laws throughout the Dominion.

### PIONEER ACTIVE AT 99 AND BELIEVES IN ABSENCE OF WORRY

VANCOUVER, Oct. 3.—Moses Peters, pioneer, is 99 years of age this week, and still works in his little garden. His eyesight is good. He hears well and eats heartily. Mr. Peters forms dubious material for anti-tobacco propaganda, as he smokes incessantly. He attributes his long life to eating when and what he likes and not worrying about tomorrow. "Get a good wife, young fellow, and she'll help you to live to be an old man like me," he says. He has had several of them himself and has outlived several sons and daughters.

#### CANINE INSURED FOR \$15,000.

Al Wilson, noted daredevil stunt flyer, and his shepherd dog, Laddie, who accompanies him on his flights. Recently the dog leaped from one airplane to another while 5,000 feet up. The insurance companies wrote a \$15,000 policy for Laddie, but would give Wilson only a \$10,000 one.

### ALBERTA COAL WINTER SUPPLY

EDMONTON, Oct. 3.—Preparations for the movement of the winter's coal supply from the various mines in the Edmonton district, are now being made by the freight department of the Canadian National Railway officials of which stated Friday that sufficient cars would be on hand to ensure adequate transportation.

The Edmonton district this year is expected to ship increased quantities of fuel to the east and particularly large quantities to such centres as Winnipeg. Local fuel products will find their way to British Columbia as far as Vancouver and Prince Rupert.

The Canadian National Railway also reports that grain shipments are very frequent throughout the entire division radiating from Edmonton. On each branch line cars of grain are to be seen daily on their way to the east to meet the world's demand.

While some potatoes are being shipped, the movement of tubers has not yet become general, it is announced.

### VICTORIA TURNS DOWN BIDS FOR DEBENTURES

### RUPERT LIQUOR FIRM INVOLVED IN ALLEGED ILLEGAL SHIPMENT

The provincial police are investigating an alleged illegal shipment of liquor by a Prince Rupert liquor house to a Hindu in Amsbury. The shipment is said to have been contrary to the Liquor Control Act but no charge has yet been laid.

A case of liquor was received at Terrace consigned to a Hindu at Amsbury and on examination was found to contain no government seals. The shipment was seized by Constable Mancour and the Hindu was brought up for trial before two Terrace magistrates but was acquitted on a technicality.

The case in point is that the liquor was ordered direct from Prince Rupert, was shipped by return mail and was not ordered from outside. It is a parallel case to the Gold Seal Liquor Co. in which that firm was fined \$1,000.

### MASSETT MAN HAD ILLICIT STILL IN HIS POSSESSION

Alex. Johnson, of Massett Inlet, pleaded guilty to a charge of having an illicit still in his possession on the Islands last week and was fined \$200 by Stipendiary Magistrate A. R. Mallory. The seizure had been made by the Royal Canadian Mounted Police.

### MAHONEY FOUND GUILTY MURDER NUMEROUS IN ALL SECTIONS

Jury Recommends Death Sentence for Man Who Killed Aged Wife for Money.

SEATTLE, Oct. 3.—James Mahoney has been found guilty of murder in the first degree by a jury of twelve, which specified the death penalty as punishment. Mahoney was charged with murdering his aged wife for her money. Shortly after his marriage Mahoney killed his wife and put the remains in a trunk which was taken to a boat in Lake Merritt. Later as a result of dragging operations the trunk was pulled out of the lake and the body was found. It was identified by means of dental work which a dentist said that he had put in.

### CHANGE MANAGEMENT OF SAVOY HOTEL

Mrs. Fisher, of Telkwa, who formerly conducted the Savoy Hotel here, has returned to the city to again take up the management of the place. Mr. and Mrs. W. R. Garey, who have been running the hotel for some months, have given it up and left last night for Anacortes, Washington, where they have purchased the Hotel Taylor. Mr. Garey also has some farm property in the neighborhood of Anacortes which he finds it necessary to look after. He proposes to build up the land again and then effect a sale in which case he and Mrs. Garey propose to come north again.

### NORTHCLIFFE WARNS AUSTRALIA AGAINST ORIENTAL INFLUX

LONDON, Oct. 3.—Lord Northcliffe has issued a warning at Sydney that unless white immigration is encouraged by Australia that that country would be swamped by Asiatics despite any unwillingness of the Australian people to admit them.

### SHOOTING RESULTS FROM DEMONSTRATION OF KU KLUX KLAN

WACO, Texas, Oct. 3.—The leader of a sheriff's posse and eight spectators were injured here when the posse opened fire on a Ku Klux Klan parade which refused either to disperse or reveal the identity of the hooded paraders.

### ANCIENT WINDJAMMER HALE AT AGE OF 39

Vancouver, Oct. 4.—Battered with the waves of the seven seas, but still hale and hearty at the age of 39, the schooner "Raehael Long" is setting sail for another voyage to the Antipodes. The old craft has a history that includes warfare. She was used in filibustering for a South American revolution in the '80's. She was in the Spanish service in 1898 when Admiral Dewey captured Manila Bay. During the late war the old vessel carried cattle to the allies in the service of the U. S. Shipping Board. Her master is Captain Lars Svenson, a veteran mariner and familiar of the coast.

Many Would Like to Take a Holiday at Ottawa in the Interest of Country.

VICTORIA, Oct. 2.—There is no lack of candidates for parliamentary honors in every constituency throughout the province. With these nominations in Cariboo, people are wondering how many there will be in this city and in Vancouver. So far there is no one definitely in the field to oppose Dr. Tolmie, but Alderman A. E. Todd, Dr. Lewis Hall, Henry Hall, M.P.P. and a dozen others are mentioned as possibilities. Outside of Alderman Todd there do not seem to be many men who look like winners. George Bell, formerly member of the Provincial House is being spoken of by church people but there is little unanimity. The probability is that a dark horse will secure the nomination.

The Big Fight. The prospects are that in Vancouver centre there will be several more candidates but the big fight will be between Mayor Gale and Hon. H. H. Stevens. Betting is strongly in favor of Gale, some of his backers stating they will wager any money on his return.

With William Marchant nominated by the Liberals in the Comox-Alberni constituency the prospects of H. S. Clements do not seem very bright. Mr. Marchant has a strong personality and is a good fighter. As a debater Mr. Clements is wholly outclassed.

#### Nanaimo Double Ended.

In Nanaimo it is understood J. C. McIntosh will retire owing to poor health. As the bulk of the vote in this constituency is at the extreme ends, around Victoria city and at Nanaimo city with the preponderance in the south where it includes Saanich and Oak Bay municipalities as well as the little town of Sidney, there will be a fight by both parties to get a man who will be in touch with both sections. Mr. McIntosh lived in Esquimalt and his opponent was from Nanaimo district. On this occasion there is a possibility of three or four candidates presenting themselves. Reeve Watson or ex-Reeve McGregor of Saanich are possibilities and Oak Bay has a number of good men. There may also be a choice from Duncan and several from Nanaimo or Ladysmith.

Everywhere there is a good deal of interest taken by men who would like to be nominated, but not much as yet by the rank of voters. Nobody is excited.

### UNEMPLOYED IN BRITAIN LESS

LONDON, Oct. 3.—The number of unemployed on the British Isles dropped 20,000 last week making a million less without work than there were on June 30.

STUTTGART, Oct. 3.—Former Emperor William II, of Wurtemberg, is dead. He abdicated in 1918.

Red Cross Makes Appeal for Peace.

The International Committee of the Red Cross and the League of Red Cross Societies have issued an appeal for peace which is being sent throughout the world and we gladly give space to it:

RED CROSS APPEAL FOR PEACE.

In virtue of a higher law and duty, and of principles above the level of human passions, the helping hand of the Red Cross was stretched forth to all victims throughout the ordeal of the Great War.

Today the Red Cross owes it to itself and to all its many workers to proclaim as an ideal and a practical intention, a struggle against the horrors of war, an attempt by world-wide help and unselfishness definitely to abolish war.

The mere continuation of Red Cross activity in time of peace will no longer suffice. It is the wish of the Red Cross to work in the interest of peace.

Therefore the Red Cross calls upon all whole-hearted citizens, irrespective of nationality, religious belief, profession, or social rank, to join, as far as lies in their power, in a systematic campaign against that spirit of war which is a constant menace to the world's peace.

During five years thousands of men were killed or mutilated. Today thousands of ex-soldiers or prisoners at last set free bear indelible marks of bodily and mental suffering. All of them believed that the generations to come would reap the fruits of the great ordeal in a new international life, which would be more brotherly, franker and more full.

Instead, disorder and uncertainty, distrust and greed, hatred and the threat of fresh quarrels are reappearing throughout the world. The spirit of war, unconquered, reigns supreme. Its sinister influence is evident. It inspires lines of policy and press campaigns, which lead public opinion astray and embitters the economic competition among nations.

Supreme Reward Promised.

During the terrible years of the recent war superhuman efforts were required of the different nations. In order to inspire such sacrifices a supreme reward was promised—namely, the annihilation of this same spirit of war, which is a peril as old as the world and a constant menace to mankind.

Thus generations yet unborn would have been delivered from the scourge at the price of the suffering which the war entailed. This hope sustained nations and armies.

Have they hoped in vain? Have millions of human lives and the wealth of nations been sacrificed in vain?

Faced with these questions, the Red Cross recognized a duty. At the suggestion of Senator Cirio, chairman of the Italian Red Cross, the tenth International Red Cross Conference, which met at Geneva on April 1, 1921, voted the following resolution:

"The International Committee of the Red Cross and the League of Red Cross Societies shall address an appeal to all nations, exhorting them to combat the spirit of war which dominates the world."

These two organizations call therefore on nations and individuals to fight with all means in their power this malevolent spirit. May statesmen, writers, school and university, capital and labor remember that it is their duty, in the interest of mankind, to help peace to conquer the earth. Above all, children should be brought up in this fundamental belief.

Broad Lines of Internationalism.

It is essential that the human mind should once more be open to the broad lines of internationalism, which, while allowing the citizen to love his own and the patriot his country, teaches all men to respect the existence and the rights of their fellows, by bringing into the daily life the individual light of a justice which is to be in all the world for all the time.

This true internationalism cannot be attained without the active and intimate co-operation of governments, parliaments, voluntary organizations, the press, the clergy, and, above all, national Red Cross societies. To the union of these forces must be added a supreme factor: the power of individual conviction. Every man, as far as lies in his power, must contribute to make peace permanent in the world.

The individual must no longer see the world in the light of his own selfishness, anger, fear, and human passion, but in a spirit of concord and mutual aid.

Thus only can a better future be prepared. Faithful to the ideal which inspired its founders, and which it has ever served, the Red Cross hereby declares before the whole world that its heart does not end with war. The Red Cross appeals to the heart of all mankind, that each individual may find in himself the needful strength and determination to make and keep universal peace.

FOR THE JOINT COUNCIL.

The President, GUSTAVE ADOR, CLAUDE H. A. HILL, President of the International League of Red Cross Societies, Acting Director General, Committee of the Red Cross.

SUDDEN DEATH OF WELL KNOWN COAST MARINER

Captain August Bjerre, of Commodore, Died on Ship Saturday Morning.

The death occurred suddenly at sea at 4 o'clock on Saturday morning of Captain August Bjerre, master of the tug Commodore and one of the oldest and best known navigators on this coast. Death was due to heart failure. The deceased had been in ill health for some time suffering, supposedly, from indigestion and heart trouble. The tug reached here at 5:30 on Saturday evening with the remains of the dead mariner which were shipped south for interment in Vancouver on the Prince George last night.

Towing Logs.

At the time of the death of Captain Bjerre, the Commodore, which is owned by the B. C. Mills Tug & Barge Co., and was engaged in towing of log rafts from Comshaw Inlet, Queen Charlotte Islands, to Captain's Cove for the Powell River Paper Mills, was eight or ten miles south by west from White Rock on the north end of Banks Island. She had a raft in tow at the time.

The captain left the wheel at midnight on Friday night being relieved by A. Levy, first officer. He retired to his room apparently in as good health as usual. A few minutes before 4 o'clock he returned to the pilot house and inquired of the mate if he had sighted White Rock light. Mr. Levy replied that he had and the captain gave instructions to keep to the windward of it. He then placed his hand on the other's shoulder and said he thought he would return to bed, but his feet seemed to go from under him and he fell to the floor. Mr. Levy then took hold of him and got some cold water and called the steward. Life, however, was already gone.

Transferred Tow.

The fishing boat, Margalite, which was close by, was called and a message was sent to Captain's Cove, about 14 miles distant, for the Ivanhoe, another of the company's tugs, which was waiting to take the raft to Powell River, to come out and take the tow. About 1:30 the Ivanhoe met the Commodore and the latter tug headed for Prince Rupert. Arriving here the remains were turned over to the B. C. Underwriters. Following a short service by Rev. Edwin Moss at 9 o'clock last night the body was shipped south to Vancouver accompanied by the son, Charles Bjerre, who was a deckhand on the Commodore.

Native of Denmark.

Captain Bjerre was a native of Denmark and was 57 years of age. He came to this coast at the age of 16 and has been here ever since engaged in sailing. He built the steamer Queen City and for some time was in the sealing business. He has been with the B. C. Mills Tug & Barge Co. for twenty-seven years. In 1917 and 1918 he was superintendent of the transportation of material for the Imperial Munitions Board here, his work consisting mainly of the shipping of Sitka spruce to the United Kingdom for the building of airplanes. In his long experience on the coast he became known to almost every mariner in British Columbia and was respected and popular with all whom he met. His crew on the Commodore was deeply shocked and one of them yesterday said: "There isn't anything too good you can say about the old skipper." This seemed to have been the feeling of all. He was a close personal friend of Captain McCoskrie, Captain Hill and Canon Rix, of this city.

Captain Bjerre is survived by a widow, a son, Charles Bjerre, and daughter, Mrs. Greta Lewis, all of whom live at 130 Garden Drive, Vancouver.

H. G. PERRY IS CANDIDATE IN THE CARIBOO

Chosen at Kamloops Convention to Contest Seat in Liberal Interest.

KAMLOOPS, Oct. 3.—H. G. Perry, M.L.A., was nominated to contest the constituency of Cariboo at the forthcoming Federal general election at the Liberal convention here Friday night. Mr. Perry was present in person and made a good fighting speech in which he showed the need of a good solid British Columbia representation on the Liberal side. He is returning to Prince George at once to make ready for the contest.

After a ballot late at night Mr. Perry was made the unanimous choice of the gathering. There was just one ballot, the result being Perry, 82; J. O.'S. Graham, Merritt, 48; J. R. Colley, Kamloops, 10; R. W. Hageman, Quesnel, 1.

Executive Chosen.

After spending the whole afternoon in a futile attempt to bring about a nomination contest, an adjournment was made to 8 in the evening. The following executive was elected: R. R. Earle, Ashcroft, president; J. Graham, Merritt; W. A. Graham, Yale; D. A. Stodkard, Clinton, and F. Wilcox, Salmon Arm, vice-president; J. H. Wilson, secretary; J. R. Collet, Jas. Ellis, C. S. Perry, A. E. Smith, Harry Carey, R. Warren, George Fennell, P. McD. Kerr, John D. Charlsson, J. Robinson, J. R. Leighton and D. B. Johnston, a committee.

Confident of Victory.

Upon reassembling in the evening stirring addresses were delivered by Smith Curtis, H. G. Perry, P. McD. Kerr and others, after which the ballot was taken. The meeting was enthusiastic and those present appeared to feel confident of winning the riding.

Mr. Perry would not give a definite answer on account of his representing the district in the local Legislature, but promised to decide within a few days. In the event of his decision to decline the nomination the executive had the authority of the convention to name an alternative candidate. It is believed that Mr. Perry will stand.

Three Corned Fight.

The advent of H. G. Perry into the federal field makes the certainty of a three cornered contest unless F. J. Fulton, the present member, should decide to drop out. This is thought to be a possibility in view of the attitude of the people of his constituency toward the present Government. The opinion is freely expressed here that no Government supporter could possibly be elected in Northern British Columbia.

Mr. Perry was mayor of Prince George and was chosen by Liberals to represent them at the last provincial contest and was elected by a large majority. He is a splendid campaigner and even his opponents recognize that he is a hard man to beat. He will carry central British Columbia solid and will also have a good support in the Kamloops district where it is felt that Mr. Fulton has not shown any energy in behalf of his constituency.

H. G. Perry is a Prince George merchant and has made a success of his business. F. J. Fulton is a lawyer and was formerly a minister in the McBride Administration.

Thomas G. McBride, of Duck Lake is a farmer and he will put forward the claims of farmers to representation in the constituency.

Owing to the scattered nature of the country, there will be a lot of hard work ahead of the candidates who will have to tour Peace River and Nechaco Valley, the Fraser Valley and the cities of Prince George and Kamloops and the towns of Vanderhoof and Quesnel.

DAY FOR COMMUNISM HAS NOT YET COME, SAYS PREMIER LENINE

"As a result of this change of viewpoint the Premier is ready to do business with any country that has things to sell. So far he has not met with much success."

This letter comes from a little town in Alberta. She says that for about five years she had no special brand of milk. She would try one, then another, but none quite satisfied her. Her grocer said he would get Pacific Milk.

She tried two tins, then four. It seemed to be right for every purpose. She buys a case a month of Pacific now.

Great War Veterans-Had Highly  
Successful-Affair in Rooms  
Saturday Night.

The smoker given on Satur-  
day night by the Great War Vet-  
erans, Association in honor of  
the football club was an unqual-  
ified success in every respect.  
The club rooms were crowded  
and there were over 200 in at-  
tendance. An excellent program  
was rendered and refreshments  
plenty served.

J. H. Kelly, president, was  
chairman and in opening the  
evening's affair, made an address  
stating that the football club  
although it had not won the  
championship, had not disgraced  
itself. It had come second with  
three other clubs. Mr. Kelly also  
announced that the association  
would be putting on smokers  
monthly throughout the winter.

Among the musical numbers  
were songs by Alex Brand, Wil-  
liam Westwood, R. Gay, W. Mur-  
ray, Bill Baker, R. James and  
W. W. W. H. Waldorf gave  
an exhibition of hypnotism put-  
ting his subjects to sleep and  
having them do stunts. The jazz  
band, organized by W. H. Derry,  
provided splendid entertainment.

Jack Stewart, who has been a  
valuable back on the team this  
season, gave step dances. It was  
announced that Mr. Stewart  
would be leaving shortly for the  
south to play with the Lady-smith  
team in the Vancouver Island  
League. He will be missed both  
as a player and as an entertain-  
er.

The committee in charge of the  
affair was composed of J. Trin-  
ker, Frank Haugh, Joe Fleming  
and Jack Plant. The gathering  
dispersed shortly after midnight.

"FATTY'S" POSTPONED  
VISIT TO VANCOUVER

VANCOUVER, Oct. 3.—Lamen-  
tations are arising from the  
sportive element of Vancouver  
who expected that "Fatty" Ar-  
buckle would spend a month in  
these parts. It has just become  
known that the corpulent com-  
edian was really on his way to  
Vancouver to spend a festive few  
weeks when he landed in police  
loids in connection with the death  
of an actress in San Francisco.  
It now develops that Arbuckle had  
resigned a suite for himself and  
entourage in a large local hotel.  
Arbuckle has never visited Van-  
couver, but announced his inten-  
tion of coming here for a "good  
time," according to reports from  
California. The raucous former  
principal attraction, while reader  
facilities for acquiring liquor  
proved another.

noon from a trip north.

The New York Giants have won five pennants in the National League including and since 1905 but they have been victorious in only one world series play. McGraw won the world's title with his team in 1905 against the Philadelphia Athletics and although he has had greater organizations since, the American League champions overcame them. The series of 1905 consisted of five shutout games, of which the Giants won four. Christy Matheson turned in three of the victories. Only 91-723 persons saw all of the five games and gate receipts were but a mite over \$68,000 but it was a series that will stand as one of the greatest in world series' baseball history. New York won the first game three to nil and was turged back by the same score in the second contest. They won the third line to nil, the fourth, one to nil, and the fifth, five to nil.

and lost the second, played at Philadelphia, by 3 to 1. The third game went eleven innings and was won by the Athletics 3 to 2. The Athletics won the fourth game four to two but New York made a great effort and won the fifth, at ten innings by 4 to 3. The Athletics pounded out enough hits to make 13 runs in the deciding game and New York faltered but twice. Many believed the Giants should have won from the Boston Red Sox in 1912, but the luck favored the Bostonians and they were acclaimed world's champions after eight games had been played, one a tie in eleven innings and the final, which won 3 to 2, in ten innings. Boston won the opener, 4 to 3, and the second game was a 6 to 6 tie. New York won the third, 2 to 1, Boston won the next two, 3 to 1 and 2 to 1 respectively. New York won the sixth and seventh, 5 to 2 and 11 to 4. The result of the eighth game has already been mentioned.

For the third time the Giants were pitted against the Athletics in a world's series in 1913 and New York took but one game of the five. They won the second game, 30 to 0 in ten innings

KETCHIKAN, Oct. 2.—On Saturday there was a memorial service conducted by the Metlakatla Indians on the 64th anniversary of the arrival of William Duncan at Port Simpson. He later moved with the Indians of his congregation to New Metlakatla in Alaska, owing to some difference with the officials of the Anglican Church.

**CROP REPORT ALL CANADA**

The Bank of Montreal telegraphic crop report shows good crops in British Columbia and large grain yield on prairies but light east of that. The following is the detail:

**Prairie Provinces.**  
Although drought, cutworms, saw fly, rust and hail have caused injury and loss, a large crop estimated at 271,000,000 bushels of wheat and 321,000,000 bushels of oats has been cut. Continuous rain since cutting in Saskatchewan and Manitoba may reduce this and certainly will lower the grades. Present conditions are:

Calgary District—Weather conditions favorable and many farmers have finished threshing. Results East and South disappointing, but at Red Deer average yield wheat 25; oats, 90, barley 35 bushels.

Lethbridge District—Threshing completed in some districts, others expect to finish about the middle of October. Yields very disappointing.

Regina District—Threshing delayed by rain since 8th inst. is now 20% completed. Rains have lowered grade.

Saskatoon District—Threshing should be general now after three weeks delay. Many districts just commencing, about 10% finished. 80 points report wheat has sprouted. Oats should be fairly good. Grain marketing slow owing to wet roads. If present weather continues, harvesting should be finished by 1st November.

Edmonton District—Large percentage wheat threshed, average yield and sample good. About 10 days favorable weather should complete threshing.

Winnipeg District—Rain has interrupted threshing, but about 60% done. Grain sprouting in some localities but no widespread damage reported. Up to first of week about two-thirds of the wheat shipments graded between No. 1 hard and No. 2 northern.

**Province of Quebec.**

Final reports indicate that cereal and hay crops are below the average. The lower St. Lawrence and Lake St. John regions had best returns while Eastern Townships suffered severely from drought. A good potato crop is expected in the lower St. Lawrence region but in other parts of the province the yield will be small and in some districts almost a failure. Other roots will be below average. Grass pastures have improved considerably recently. It is estimated that crops in general will be from 60 to 70% of an average year.

**Province of Ontario.**

While crops this year have not turned out as heavy as usual, general returns have been fair. All grains were below the average and of poor quality. Hay a short crop but offset by exceptionally heavy yield of ensilage corn. Early small fruits light but of good quality, apples below average, root crops promise well with exception of potatoes, tobacco a large acreage of the best quality.

**Maritime Provinces.**

Crops on the whole are about 75% of the average. Roots have improved considerably of late and reports from Carleton County, New Brunswick, indicate that the potato crop in that district is larger than previously expected. The Nova Scotian apple crop is expected to show a slight increase over that for last year. Shipments to Great Britain and the United States have commenced. In Prince Edward Island conditions generally are good. The potato crop is expected to be of better quality than last year's.

**British Columbia.**

Hay and fodder a record crop of good quality. Hay yielded 25 per cent. greater than in 1920, tonnage of 254,000. Threshing about completed, showing an average grain crop. Fruit results generally have been satisfactory. Okanagan apple crop estimated 2,900,000 boxes, double the yield of 1920, and 25 percent over record year 1919. Pears 75 per cent increase over last year. Stone fruits will yield under 1920 but small fruit tonnage considerably in excess of previous years. Potato crop below normal, 25 or 30 per cent below last year's tonnage of 83,000.
