FOGH TO ATTEND ALLIED CONFERENCE ON REPARATIONS

LONDON, April 19.—An informal conference of the allies to consider the reparations question is expected to take place during this coming weekend. The meeting will be held at Hythe. It is understood that Marshal Foch will be present in an advisory capacity.

BATTLESHIP IS DELAYED

Japanese Prince Lands Safely After Boiler Tube Bursts

TOKIO, April 19.—A boiler tube of the battleship Katori on which the Japanese Crown Prince was travelling to Europe, exploded. The war vessel was between Colombo and Suez at the time of the accident. Two sailors were killed and two injured. The Crown Prince arrived safely at Suez.

Similar explosions occurred on board the battleship Kashima which was escorting the Katori. Three sailors were killed and one was wounded.

MUST TRANSFER GOLD TO BRANCH BANKS SAY ALLIED COMMISSION

PARIS, April 19.—The Allied reparations commission has given Germany until April 22 to transfer the gold holdings of the Reichsbank to the branches of the bank at Coblenz and Cologne. If she refuses, Germany will be required to deliver the gold to the commission itself.

#### Demand Disbandment of Strike Volunteer Forces. Sinister Elements There

LONDON, April 19.—Both Liberal and Labor members of the House of Commons demand the disbandment of the volunteer forces mobilized for the strike. It is claimed that it would cost a hundred million pounds if the men are retained for the enlisted period of 90 days.

Premier Lloyd George in reply claimed there were novel and sinister elements in the present dispute which justified over-insurance on the part of the Government.

#### Liquor Board Jobs Are Very Attractive; Number of Applications Now 2,500

VICTORIA, April 19.—The new liquor board is swamped with applications for positions in connection with the establishment of the new business which the Government is about to commence. There were up to noon yesterday 2,500 applications from men in all stations in life. They are looking for all kinds of jobs but the position of vendor in each locality is naturally considered the plum. A good many, however, consider themselves well qualified for the position of taster.

The board has made it known that men who have an inclination to imbibe liquor to excess will stand no chance of getting jobs. There is to be but one liquor taster appointed and he will be located at the wholesale distributing centre, at Vancouver.

#### Drydock Creditors To Get Settlement From Government

The Dominion Government has decided to make a settlement with the creditors of the Prince Rupert Drydock and Engineering Co., but the exact amount they will receive is not definitely stated. M. P. McGaffery who returned from Ottawa two or three days ago after interviewing the Government and placing the case before them, has now received a communication from them giving their decision in the matter. In connection with the negotiations Mr. McGaffery says:

"Before leaving for Ottawa the case for the creditors was prepared for submission to the cabinet. On my arrival I interviewed several of the ministers and discussed the case with them.

"Since my return I am in receipt of information that we are to receive a good settlement. This is a source of satisfaction to me and should be to all the creditors.

"In bringing about the satisfactory conclusion, I was treated very fairly. In my interviews with the ministers all showed sympathy for Prince Rupert and the creditors in particular. Mr. Balantyne advised me before I left that the Government had decided to do something for us.

"In particular the creditors may thank Col. Peek for his efforts in this matter. I want to say that in my opinion there is no man in British Columbia who could have done more had he represented us. Thanks are also due to H. H. Stevens and Crowe, to Hon. Dr. Tolmie and Dr. Thompson and Col. Cooper for their efforts in this regard.

#### ALASKAN BOAT GETS BIG FINE

Portage had Unmanifested Liquor in Cargo—If Fine Not Paid Boat Confiscated

The Alaskan launch Portage was fined \$100 by Customs Collector J. H. McLeod under the Customs Act for a breach of the Act in failing to manifest ten cases of liquor which formed part of her cargo.

The fine has not yet been paid and it is understood that the crew of the boat left on the Princess Mary yesterday afternoon for the North. If the fine is not paid in thirty days the boat, which is being retained in the meantime, will be confiscated to the crown.

#### MORSE CREEK NOW BRIDGED

First Crossing on New Structure Made This Morning Following Laying of Decking.

Early this morning the planks joining Section 4 to Section 2 by the new Morse Creek bridge were laid and the first crossing of the new city bridge was made. The trusses have been in for a week and during the last week Contractor Shockley has been working on the span and decking.

The new bridge will be finished and if found satisfactory accepted by the city in the course of the next week.

EMPRESS BURIED.

POTSDAM, April 19.—Aired tolling of bells the funeral service for the former German Empress was held today. There were enormous crowds present.

#### COUNCIL TAKES STEP TOWARDS THULME RIVER

Vote of \$2,500 is Made to Allow Superintendent Duncan to Investigate Feasibility.

The city council last night voted the sum of \$2,500 for expenditures in connection with a reconnaissance trip that will be made by Superintendent Duncan and three others to ascertain the feasibility of Thulme River as a possible power producing site for the city.

Ald. Perry, in asking for the grant, explained that the city was coming up against the problem of providing more power for local demands. It had been found on examination that it would be impossible to supply the proposed Emerson mill with the water that it had asked for and the company would be prepared to buy power from the city now.

It was the consensus of opinion of the council board that it would be just as well to ascertain right now if the Thulme River project was a feasible one so the vote was made for the cruising of the line and the sounding of the dam site.

#### THOUSANDS OF POUNDS OF FISH ARE HERE

Being Held Up on Account Car Shortage—Hardly Enough Refrigerators Coming.

Twenty-nine fish boats with 250,000 pounds of halibut are at the fish wharves today awaiting the arrival of nine refrigerator cars on tomorrow morning's delayed passenger train. There will be no sales until tomorrow and even with the nine cars arriving there will not be sufficient to handle all the fish offering for sale.

Hi Gill, 14,500 pounds; Hanaco 3,500 pounds; Petrel, 1,000, and St. Eloi, 1,000 pounds, sold yesterday afternoon at 15c and 5c to fill the one car available then.

In defense Of the Church.

This is an age when all established institutions must expect to be attacked and naturally the churches are not exempt from the destroyers.

One of the common recreations of a certain class of the community is to abuse the church for what it does and what it leaves undone.

Church is Good Factor for Great.

Admitting the possibility of the church being sometimes wrong, or go farther and admit that it is often wrong, yet that is no reason for destroying it.

Open the churches fail. They do not attain their object, and this is not surprising when we remember the crude material with which it has to work.

Destroy Church And There is Gap.

Destroy the church and there would be a gap left which it would be impossible to fill. We cannot afford to lose that which backs every forward movement and gives life to the better impulses of human life.

The Churches as Social Centres.

The social activities of the churches must not be overlooked when considering the value of the institutions to the community. The young people's societies outside of their religious and moral influence, provide means by which those with similar inclinations may meet and enjoy social intercourse.

COW BAY IS HEADLINER

City Council Staged Its Monthly Smokefest Over Rupert's Pet Aversion.

Cow Bay, politely known as Cameron Cove, and the band of municipal, provincial and federal legislative assemblies, was discussed by the city fathers again last night in all its varying and intricate phases.

Everybody seemed to take objection to President Hanna's proposition that the giving of level crossing permission to the provincial government was dependent on the filling in of the bay. In fact Ald. Dybbavn was so bold as to state right in meeting that Mr. Hanna didn't know what he was talking about when he was talking about crossings.

Kerr's Humor. Ald. Kerr sympathized with Mr. Hanna and said that it was probably his engineers' faults and likely the railway intended to use the bay to store fish cars in.

Ald. Perry gave a word to the wise. This discussing Cow Bay was nothing but a waste of time. The correspondence was ever getting more and more voluminous. Even some of the other aldermen seemed to think they were wasting time but, nevertheless, they wasted a little more.

Road Intolerable. Ald. Dybbavn said the present road to the government wharf was intolerable. Why, if you wanted to take a bag of oranges down to a fish boat at the Alin Fisheries dock you would have to go down the overhead and pick your way along the front of the wharf past all the fish dressing tables.

Dredging Cow Bay was then advocated by Ald. McNeill and Ald. Berry talked a little about riparian rights and the mayor said it looked like the city would have to forget the provincial government and ask the Dominion Government for waterfront.

Scheme Good One. Ald. Perry felt that the scheme of the provincial government was a good one and that the level crossing would be a boon to both the fish business and the city rock business. In fact, if the provincial government got its level crossing that would aid a great deal in solving the question.

Finally the aldermen got tired for one session and it was moved that the matter be laid over for a week, when it will be further discussed.

## Another Epidemic of the Spanish Influenza

A great many authorities have predicted a return of that terrible plague which swept Canada from one end to the other not long ago and left so many deaths in its wake, and those who did survive were left in a great many cases with some serious after effect such as weak heart, shattered nerves, impoverished blood and a general weakened and exhausted condition of the system.

If you are run down, heart not just right, nerves a little shaky, take a few boxes of Milburn's Heart and Nerve Pills and fortify your system against this terrible plague.

If you had the "flu" before and it left you with any bad after effect Milburn's Heart and Nerve Pills will bring you back to health and strength.

Mrs. C. C. Palmer, Keppel, Sask., writes: "I wish to inform you of the great good Milburn's Heart and Nerve Pills did for me. After a bad attack of the Spanish influenza my heart and nerves were left in a very bad condition. I got two boxes of your pills and must say they are the best I ever used, and I have taken a great many different kinds. I will always keep Heart and Nerve Pills in the house."

Price 50c, a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. ADVL.

## TRADES AND LABOR COUNCIL AND LOWER UTILITIES CHARGES

**Alderman Dybhavn Replies Rather Strongly to Letter Condemning Attitude Council**

A letter from the Trades and Labor Council protesting the example of business that had been shown when the city council had shelved the Rates Bylaw providing lower light and telephone rates, was received last night and filed. The city clerk was ordered to reply to the letter informing the Trades and Labor Council that the matter was still under advisement. Automatically it will come up again at next week's council meeting.

The letter caused further discussion on the bylaw that had been brought in by the Utilities Committee some weeks ago providing for lower rates.

**Dybhavn Explains**

"I have no apologies to offer for my stand on the matter," said Alderman Dybhavn, chairman of the Finance Committee. "It looks nice to refer to a \$300,000 surplus in the Utilities department, but up to and including last year the main burden of the light and water departments was carried by the taxpayers of the city as far as capital expenditure and redemption is concerned. I am not prepared to admit that the Trades Council knows more about the business of the light department than the aldermen do, and I do not take such a resolution seriously although it may have arisen out of the best intentions. If the overhead of the light department that is being paid out of general revenue were transferred to it there would be but a small margin of profit at the end of the year. As far as the comparison with rates in other cities is concerned, they are misleading."

It was pointed out by Alderman Kelly that the bylaw was not held over indefinitely, but was to come up after May 1.

The Princess Mary, Captain Slater, called at this port yesterday afternoon bound north with a full list of passengers for Skagway and the Yukon which included a number of returning White Pass Railway employees and returning Yukoners.

A necktie social and dance will be held in the K. of P. hall on Thursday, April 21, at 9.30 p.m. under the auspices of Valhalla Lodge, Refreshments, Arthur's Orchestra. Everybody welcome. Admission 50c. Ladies bringing neckties free. 92

Tenders for electrical supplies for the city were opened at the council meeting last night and the tender of Parkin & Ward for \$138 was accepted. Another tender from Pattinson & Ling for \$150 was also received.

At last night's council meeting Ald. Silversides asked if anything official had yet been received as to further grants for soldiers' housing. It was pointed out that no information had been received on the subject.

The passenger train due from the east this evening will not arrive until 8 o'clock tomorrow morning. Among the passengers on the delayed train are Mr. and Mrs. Charles Balagno and daughter from Prince George.

The provincial police office has sent instructions to Queen Charlotte City to hold the violently insane man, whom it was attempted to bring here yesterday, until the next trip of the regular vessel calling at that point. The man is very violent and is in the custody of a strong guard.

A letter from Mrs. M. V. McLaren was read at the council meeting last night notifying that if the drain from Aeropolis Hill which passes by her lot overflowed doing damage to her property the city would be held responsible. The letter was referred to the Board of Works for report.

A telegraphic despatch published in the Vancouver World of last Saturday describing the Alice Arm fire read as though the blaze had been at Prince Rupert and caused a good deal of comment about town today. Such mistakes are not good for the city and would be misunderstood outside although everyone here realized it was an error.

### BOSTONIAN BREVITIES COMING HERE SOON

Went North to Juneau Yesterday and Will Play at This City on Return.  
The Bostonian Brevities, successors to the Bostonians who were here some years ago passed through Prince Rupert yesterday and are planning to return here and play in this city for a few weeks after visiting Alaskan points. They have now gone to Juneau, Ketchikan and possibly they may go to Western Alaska before coming here.  
In the company was Miss Dorothy Pamford, a niece of R. E. Benson of this city, an operatic singer. There is also a juvenile wonder ten years of age who does a clever dress suit comedy act. Miss Dooley of Victoria is in the party. All of these will be seen here.

### GREENVILLE BAND IS COMING HERE

Manager Yesterday Made Arrangements for Visit to City on Dominion Day.  
S. H. Aksidan, manager of the Greenville band, reached here yesterday afternoon from the Naas River and left again in the evening on his return north. During his brief stay here Mr. Aksidan made arrangements for his band to visit Prince Rupert and take part in the Dominion Day celebrations. The Greenville band is a splendid organization and consists of 42 members. It will also be in Prince Rupert again at exhibition time to compete for the Exhibition cup which it now holds.

### WHIST DRIVE AND DANCE WAS GIVEN IN ST. ANDREW'S

Ladies' Auxiliary Responsible for Thoroughly Successful Little Affair.  
A very enjoyable whist drive and dance was held last night in the club rooms by the Ladies' Auxiliary of the St. Andrew's Society. There were 25 tables of cards and the first prize winners were Mrs. William Millar and W. M. Brown, consolation awards going to Mrs. A. T. Smoke and Robert Gordon.  
There were splendid refreshments, after which a short dance to the strains of Arthur's Orchestra followed. W. M. Brown was master of ceremonies and A. Clapperton was on the floor.  
REFERRED BACK

Colonel Cy Peck's motion for the division of the province encountered some rough weather when it reached Stewart. This town bases its claim for recognition upon the prospective mineral wealth of the Portland Canal area and upon the further ground that it is the home of James Peck, Macswain, journalist and poet. When the Cy Peck resolution came under the eye of James Peck he failed to see where he had been figured in on it, and the resolution was sent back to the Prince Rupert Board of Trade for further information. It is believed James Peck has his eye on the position of public vendor in the new province that is to be—Prince George Citizen.  
Mr. and Mrs. Dale Pitt, of Stewart, left yesterday afternoon on the Princess Mary for Ketchikan and will spend a holiday visiting Alaskan towns.

### CLEVER DANCERS AND GOOD PICTURES AT WESTHOLME TONIGHT

Clever girl dancers will give a good deal of the program at the Westholme Theatre tonight, the performance being staged especially for the benefit of the Navy League. It is an all-star performance. Those who like to see clever dancing can see it tonight.  
The picture is a comedy with Dorothy Gish in the stellar role. Miss Gish is a grand duchess who plays hooky in order to join the boys at a baseball game. It is a laugh-getter from the beginning.

### The Man in the Moon SAYS:

IT is understood that some of the folks that were out fishing recently have decided that the next time they go they will hire someone to pack the fish home.  
SOME of the Eskimos of the north go out and trap a wife when they want one. In this country the trapping is said to be done by the female of the species.  
THE following letter has been received: "Dear Man in the Moon, why are you always slugging the girls. You know very well, it would be a weary dreary world to you men without some of us. You, yourself, you know, are not averse to the female sex. You would just hate yourself if there were no women in the world. Yours truly, Trixie."  
AND the worst of it all is, what Trixie says is right.  
HERE is another story, Trixie, that gives the other side: There was a young lady who fished And caught whatever she wished. She used smiling bait To get her a mate. But the man was the one who was fished.  
PERHAPS Trixie will be sore again after reading the following, which is copied from a prairie paper: There was a young woman named Astor. Her clothes fitted just like a plaster. She happened to sneeze And felt a cold breeze And knew she had met with disaster.  
NOW that people are digging their gardens their neighbor's boys are preparing to grow fat once more.  
PRINCE Rupert is said to be like a garage. It gives free air.

# CITY FAVORS TRUNK ROAD

### All Aldermen Approve Scheme of Connecting With Government Road.

The civic committee of the Board of Trade, comprising Geo. D. Tite, T. H. Johnson and H. F. Pullen, waited on the city council last night with the request that the city build a connecting road from the present city streets to the city limits at a point where it would join the road that the government has in view to Galloway Rapids as the commencement of a road to the Skeena River which would eventually be extended to the Skeena River town.

In opening, Mr. Tite stated that it was the intention of the Board of Trade to take the matter up with Hon. T. D. Pattullo when he visited Prince Rupert shortly. It was generally understood that the road to Galloway Rapids would be built this year. Mr. Pullen stated that it had been intimated on what was considered good authority that if the city agreed to build the connecting link the government could be induced to build this year as far as Galloway Rapids where a bridge would be put in later. The route for the city road would be along Frederick Street, the Prince Rupert Boulevard and Shawlans to the city limits.

T. H. Johnson said that the road now proposed by the provincial government would be the thin edge of the wedge in a road that might eventually lead to Montreal and New York.

Ald. Kerr, chairman of the Board of Works, intimated that a lot of rough grading had already been done on the city road for which the committee was asking. It would not take a great deal of money, he thought, to make the road for the two miles. For the most of the way it had already been cleared and rough graded for a width of twenty feet.

Mayor Rochester and all the aldermen spoke on the subject, and it was the consensus of opinion that the city would be justified in doing its part provided the government road continued to the Skeena River at a later date. The matter was referred to the city engineer and the Board of Works to bring in an estimate as to the cost of rough grading and macadamizing the proposed road. If the work runs into any great expenditure a by-law will have to be presented to the people as it cannot be done on the local improvement basis.

## "Just Listen to This"

"I HAVE been after you to try Dr. Chase's Nerve Food and you always say it is intended more for women." "Well, that is what I always understood, for I hear you women talking so much about using it." "Don't you think men have blood and nerves as well as women? It says here that Dr. Chase's Nerve Food forms new, rich blood and nourishes the exhausted nerves back to health and vigor." "Yes." "Well, the doctor says it is your nerves that are responsible for your indigestion and sleeplessness. Why not try some of Dr. Chase's Nerve Food? You know what it did for me." "I would like to know of some men in my condition who used it." "Just listen to this: 'Mr. A. W. Foster, 178 Le Breton street, Ottawa, Ont., writes: 'For a year I was troubled with "nerves," was restless, especially on retiring, and unable to sleep for hours. I was easily fatigued and very irritable. 'A friend told me to try Dr. Chase's Nerve Food, and before I had used the treatment a week I was enjoying a good night's rest every night. I gained rapidly in every way and my general health is very much improved.' "That sounds all right." "Yes. This statement is vouched for by Mr. E. M. Ahearn, the druggist, and is no doubt correct." "Well, I will give it a try-out." Dr. Chase's Nerve Food, 50 cents a box, all dealers, or Edmandson, Bates & Co., Ltd., Toronto.

## RAIN HOLDS UP THE BIG LEAGUE GAMES

### At Only Three Points Was It Fine Enough to Play to Proceed.

CHICAGO, April 19.—At only three cities was the weather fine enough for the ball games to proceed yesterday and Chicago was one of them. There were games at St. Louis and Pittsburgh but at every other point the downpour of rain made baseball impossible. Following are the scores: National League. St. Louis 9, Cincinnati 4. Pittsburgh 4, Chicago 7. Brooklyn-Philadelphia, rain. Boston-New York, rain. American League. Chicago 10, St. Louis 3. Philadelphia-Washington, rain. Cleveland-Detroit, rain. Boston-New York, rain.

## SPORT CHAT

Jack McMillan, billiard champion of B. C., defeated Johnny Park, runner up, at Vancouver last week by a 600 to 283 score. McMillan put on the high break when he made 79 points. Other breaks made by the winner were 74, 57, 28, 58, 45, 38 and 39. Park's high break was 76 made from a pot of the white for a four shot after which he showed uncanny control of the red ball. His other breaks were 22, 24 and 17 twice.

With the fine weather of the past fortnight the tennis courts at the Aeropolis grounds have become very popular. There are going to be more players than ever and apparently the grounds will be kept busy all the time and will be in strong demand. The tennis club already has a lot of new members early as the season is yet. Owners of private courts in the city are also getting busy on the work of clearing and rolling.

Directors of the Chicago baseball teams have been called upon to take action against a team said to have booked a game with the "Black Sox," the barnstorming team formed from discharged members of the Chicago White Sox. Joe Jackson, Claude Williams, Happy Felsch, Swede Risberg and Fred McMullin are the former White Sox players forming the nucleus of the Black Sox.

With so many baseball and football teams lined up for this season and the ground space for playing their games so limited, the playing of ball on Sunday will likely be a matter that will come up again early in the season. In fact if all teams are to play it would seem that Sunday must also be used. However, Sunday playing will not be resorted to unless the teams are forced to do so. Sunday is the regular day for baseball games in unorganized towns like Alice Arm, Anxox and Stewart and Oroville. Where inter-town games are played and the teams have to travel it is the only day where all the players can get off for long enough to both travel and play.

A crew of city men are leaving today for Smith Island to start work on the city rock quarry there.

### Attempts Being Made to Get Permission for Big Races; Football Cup Tie

LONDON, April 19.—Although the Government has banned racing for the present on account of labor troubles, efforts are being made to obtain permission to run the Thousand Guineas and Two Thousand Guineas races on April 27 and 29.

It is the intention of the Government to permit the Association football cup tie to be played on Saturday at Stamford Bridge, London, between Tottenham Hotspur and Wolverhampton Wanderers.

### PRINCE GEORGE

The Land Settlement Board head office is to be moved from here to Telkwa.

Mr. and Mrs. Charles Batagno are leaving here on Wednesday evening for Prince Rupert.

It is reported that the engineering offices of the P. G. E. are to be moved from Quesnel to Prince George.

A man named Joseph Machack was found dead in his shack behind the telegraph office Thursday morning, death being due to heart failure. He was an Austrian and is survived by a wife and children in Vienna.

This city has now adopted a standard call by number telephone system in place of the old signal ring method.

### NOTICE

IN THE MATTER OF Sections 134 and 156 of the Land Registry Act and in the matter of Lot Four (4), Block Thirty (30), Section One (1), City of Prince Rupert, Map 923.

Proof of the breach of Covenants, and re-entry and recovery of possession, by Edna Waldron, the registered owner of the above lot, under a lease granted by Charles E. Burgess to you, George Grey, dated the 30th June, 1916, and registered in the Land Registry Office at Prince Rupert, as Number 1943-D, having been furnished, it is my intention after the expiration of thirty days from the service of this notice, to cancel the registration of the said lease upon the Register unless in the meantime a good and valid objection hereto is made and unless you take and prosecute the proper proceedings to establish your claim or to prevent such proposed action on my part.

## Nearly Crazy With Eczema

No rest day or night for those who are afflicted with that terrible skin disease, eczema, or as it is often called, salt rheum. With its unbearable burning, itching and torturing relief is gladly welcomed.

There is no remedy like Burdock Blood Bitters for giving relief to such sufferers; no remedy that has done, or can do more for those who are almost driven to distraction with the terrible torture.

Apply it externally and it takes out the stinging, itching and burning, and promotes a healthy healing.

Take it internally and it gets at the source of the disease in the blood, for eczema is a blood disease, and drives it out of the system.

Miss L. M. Boutlier, 89 Victoria Road, Halifax, N. S., writes: "I have suffered for years from eczema. I could not rest day or night, I suffered great agony, and was nearly crazy with the itching and burning. I used all kinds of salves, but nothing seemed to help me. I saw Burdock Blood Bitters advertised, and was advised to try a bottle. I found great relief, and I really cannot recommend it highly enough for what it has done for me."

Burdock Blood Bitters has been on the market for over forty years, and during that time has been manufactured only by J. C. Atkinson Co., Limited, Toronto, Ont.

### ALL NIGHT SESSION OF SCHOOL BOARD IN CITY OF REGINA

REGINA, April 19.—It took the school board just ten hours to decide the various items on the agenda before the motion for adjournment passed listlessly as whistles and clocks were sounding for six a.m. By several hours it was the longest session in the history of that body governing the destinies of Regina's public school system.

As far as salaries are concerned the result of the long deliberation means a lump increase of approximately \$6,000 over and above scheduled increases that would under the ordinary course of events have come into effect September 1 next. While not meeting all the demands presented by the Teachers' Alliance, the new salary scale is considerably higher for principals, some of them getting as high as four hundred dollars tucked on to their stipends.

With the natural increase and the higher rate adopted last night Regina will pay her teachers next year about \$7,500 more than this year.

### IRISH HOME RULE ELECTIONS MAY 3

LONDON, April 19.—Steps to bring into operation the Irish Act providing for Home Rule in Ireland were brought to an end today. The election will be held on May 3.

### KELLY DOUGLAS CO. APPEAL IS ALLOWED
