IS IT A POLITICAL FRAME?

A despatch to the Vancouver Province from Victoria states that Premier Tolmie has been in consultation with W. J. Bowser, K.C., former Conservative Premier of B. C., also with the Conservative cabinet and with the Conservative members of the Legislature in regard to the formation of a coalition government but up to Saturday he had not yet discussed the matter with the group most concerned, the Liberals as represented by T. D. Pattullo, their f chosen leader. Some Liberals had been sounded out but The Letter Box Man in the Moon not the leader of the party.

The Classified Ads.

Many people have something in the house they would like to sell which could be turned into money if they knew of a customer. Try a classified advertisement. Most people read the classifieds. For about fifty cents you can let them know about it and it may prove a profitable transaction.

Renting the House

There are a number of houses in the city not rented yet and many people make little effort to secure a tenant. Others who are wise to their opoprtunities try a classified advertisement in the "For Rent" column and often get results. As one satisfied customer said recently: "Those little ads certainly do bring results."

Some Like Reader Ads.

Some people after trying other kinds of advertising decide to try a reader among the locals and personals. Then they have got results. The cost is a little higher but they have been well satisfied. When conditions are like they are today the newspapers can often help. The price is not very high. Do not lie down and bemoan your hard fate. Try a different kind of advertisement and if that is not successful try again.

ALL-STARS WIN SERIES

One Yesterday-Nelson and Chenoski Lead Batters

Sons of Canada, champions of the Senior City Baseball League for the third year in succession, were defeated yesterday in the final game Charlotte Sound. of the post-season series with the All-Stars from the Elks and Empress by a score of 8-1. The Canucks fought hard but were up against a tough proposition and as the game to pile up a lead of runs which could not be overcome.

In the first game of the series All-Stars won by a score of 3-1 and then the teams played a 2-all tie in their second meeting.

There was no scoring until the third inning yesterday when Benny make cruising a delight—as long as The Regiment made the most of season here. Windle drove out a double to drive in two men and later scored himself. Sons of Canada made their only tally in the fifth when Walter Johnson scored on Bury's hit to

Jack Nelson was on the slab for the winners and, although he was wild at first, walking three men in the first two innings, he held his opponents to three singles.

Bill Lambie, star hurler for the Canucks, did the heaving for his team and was pounded for 11 safeties. His ball seemed to lack the zip it usually has and the All-Stars pounded it to all corners of the lot. Nelson and Chenoski led the attack against him, the former netting three lits including a triple to deep centre while the latter made two doubles and a single in four times at bat. Chenoski's hitting during the series was remarkable. In the first game he made two hits in two attempts. In the second game he collected one safety in two times at bat and yesterday collected three out of four. Doug Stalker made two hits yesterday.

Walter Johnson had an off day at short, making no less than four miscues. George Arseneau made pretty catch in the last inning when he went over to the foul line to shag Bury's fly.

Constance Bennett is Star of Penetrating Picture "What Price Hollywood?"

Constance Bennett is starred in the farcical and penetrating picture of the movie capitol, "What Price Hollywood?" which comes to the Capitol Theatre here at the first of this week. Again she proves that she is as talented a comedienne as she is a dramatic actress. "What Price Hollywood?" unfolds

the yarn of a poor little waitress' who rises from cold cuts to a Rolls-Royce with the celerity of a meteor. Such is the part which Miss Bennett plays.

The motley conglomeration of men and women existing in Hollywood are all depicted under the glaring light of authenticity.

A galaxy of players lends admirable support to Miss Bennett. Gregory Ratoff takes the part of a gestulating producer and gives the film a pithy pace of farce. Lowell Sherman adds brittle humor to the tale and also displays dramatic histrionics of high standard, his realism of portrayal as a degenerated sot being touching. Neil Hamilton, the romantic lead, conducts himself in thorough fashion as Miss Bennett's husband.

Sam and Chris Weston, formerly man of this city, is identified with
