# SHIPBUILDERS GET AWAY WITH HUNDRED MILLION IMPORTANT JUDGMENT OF THE APPEAL COURT ON COUNTING OF BALLOTS

## Must Place Cross in Square Opposite Name

That is Decision of Court of Appeal in Grand Forks Election Case; Liberal Retains Seat; Victoria Civic Election Possibly Affected

VICTORIA, January 20.—By a court of appeal decision in the Grand Forks election appeal yesterday afternoon, H. G. Hemmer, the Liberal candidate, stands elected by six votes. The court held that the Elections Act clearly required the placing of the cross in the white square opposite the name of the candidate on the left hand side of the ballot paper.

Hemmer was declared elected by the returning officer with a majority of 393 as against 384 for McKie, his Conservative opponent. The recent appeal has changed the figures slightly but not the result.

Victoria's civic election may be upset by the decision of the court of appeal in the Grand Forks case. In the Victoria election the ballots on which the numbers are marked to the right of the candidate's name were counted as valid. A large number of such ballots were cast.

## INTENSE COLD CAUSES DEATH NEW YORK MAN

Tom Ward, Manager of Copper Company, Frozes to Death in Alaska.

SOME, Jan. 20.—Tom Ward, general manager of the Ward Copper Co. of New York, was found frozen to death a few miles from Teiler, Alaska, on January 19, according to word which has reached here today.

It seems that Ward must have slipped the trail and wandered around until he overcame by exhaustion and the frost did its deadly work.

## WILSON FIGHT MAY BE STAGED IN THIS COUNTRY

Richard Says Has Been Given Big Guarantee for Place Near Montreal.

NEW YORK, Jan. 20.—The financial development in connection with the proposed Carpentier-Campney bout has turned attention to Canada as a possible scene for the encounter. Promoter Tex Rickard says that the withdrawal of his partners, Brady and Cochran, from the promotion of the fight would not deter him from immediately attempting to stage near Montreal where, he says, he has been guaranteed the sale of 50,000 seats at from \$5 to \$40. New York, as the scene for the fight, is out of the question as new law prevents more than \$15 a seat being charged.

## MAILED SINN FEINERS DISCOVERED DOCUMENTS

LONDON, Jan. 20.—Extensive searches on alleged Sinn Fein quarters both in the east and west of London were made by Scotland Yard police last night. Many houses and other premises were searched and important documents are said to have been found.

## PATERSON CHOSEN BY LIBERALS TO CONTEST DELTA

CLOVERDALE, Jan. 20.—A. D. Paterson was unanimously chosen by Liberals here at a convention yesterday to contest Delta constituency in the by-election for the legislature.

The Conservatives hold a convention today and it is probable that F. A. MacKenzie will be chosen. He was formerly member for the district.

## THIS IS NOT THE KU KLUX KLAN STARTING OUT ON A MIDNIGHT RAID

This exclusive photograph shows Sinn Fein prisoners marching into dinner at the internment camp at Ballykniet, County Down, Ireland. They cover their heads with towels so as not to be recognized. Seems to remind one of the Ku Klux Klan.

## IRONWORKERS WALK OUT AT YARROW'S YARD

Refusal to Accept Reduction of Fifty Cents a Day in Their Wages.

VICTORIA, Jan. 20.—The wages of the iron workers at Yarrow's shipyard, Esquimalt, were cut fifty cents a day and, as a protest, 200 men went on strike there yesterday. In addition to the ironworkers, 25 electricians joined in the walkout.

Yarrows are now employing 700 men, a number of whom are working on the repairs to the wrecked G. T. P. steamer Prince Rupert, which came here recently and on which over \$200,000 is to be spent.

## TIMBER SALES MUCH LARGER THAN IN 1919

Prince Rupert District Comes Second to Vancouver Island in Value.

VICTORIA, Jan. 20.—The value of the timber sold from crown lands last year was nearly three times that of 1919, according to figures given out today by Hon. T. D. Pattullo, minister of lands. The 1920 sales are placed at \$1,729,639.

## B. C. TO FIGHT UNFAIR RATES

Premier Oliver Tells Vancouver Board of Trade Province Will Take Up Cause.

VANCOUVER, Jan. 20.—The British Columbia Government will wage a fight for the equalization of freight rates in the west and east, according to a letter to the Board of Trade from Premier Oliver. It is probable that not only British Columbia but the three prairie provinces will be behind the application of the Board of Railway Commissioners.

## Senate Committee Favors Reduction Naval Armaments

WASHINGTON, Jan. 20.—The Bryan, Japan and the United Foreign Relations Committee of States, the three countries which the United States Senate reports have apparently started on a race to outbid each other in naval armaments. It is proposed that the negotiations shall provide for such rebuilding of naval vessels by Great reductions as can be agreed upon.

## Drugs Valued at \$20,000 Seized at Vancouver by Police During Night Raid

Believed to be Organized Traffic Illicitly Conducted; Two Rifles and Ammunition Taken in Chinatown

VANCOUVER, January 20.—Drugs valued at nearly \$20,000 were seized here last night in a raid in Chinatown. Two Orientals were arrested and the police believe they have ample evidence that they are concerned in an organized traffic in drugs.

It is known that drug selling has been carried on by low class Chinese and denizens of the underworld and that many seemingly respectable people have been purchasers. In spite of the illegality of the traffic it has been found possible to elude the police. The raid last night was the result of information secured, which led to the belief that there is a regular supply being brought into the province illicitly.

During the raid the police seized two rifles and 200 rounds of ammunition which they found in one of the resorts.

## HUNDRED MILLION IMPROPERLY PAID TO SHIPBUILDERS

NEW YORK, Jan. 20.—At least \$100,000,000 was improperly paid to shipbuilders by the United States Shipping Board will be disclosed through the audit now in process it is declared. Already the discrepancies are very large.

## TRAWLERS TO DOCK Fester and Kelly to Go on Drydock Monday—Lloyd's Representative Coming.

Arrangements have been made for the two steam trawlers belonging to the Canadian Fish and Cold Storage Co., the Andrew Kelly and the G. E. Foster, to be docked on Monday next for annual overhaul and reclassification. Lloyd's representative is expected to be here at the week-end to survey the Prince Albert and he will also survey the two trawlers while he is here.

## RUPERT STILL HOLDS HER OWN

Fish Marketed Here in December Almost Equals All Other Ports Combined

Prince Rupert still leads in the halibut fisheries. In spite of the tendency of the big boats to go to Seattle and Vancouver for Christmas and take their catches with them there was marketed at this port almost twice as much halibut as at almost all other Pacific ports combined. The total amount marketed was 2,295,777 pounds and of this Prince Rupert contributed 1,065,000. Following are details of the catch:

	Pounds
Seattle—	
Independent schooners	36,400
Company vessels	74,000
Regular steamers	355,777
Ketchikan, Alaska	615,000
Vancouver, B.C.	140,000
Prince Rupert, B.C.	1,065,000
Total	2,295,777

## CAPTAIN SELIG HAS BROUGHT FISH BOAT HERE FROM WRANGELL

A further addition to the local halibut fishing fleet is the Cedric, a 50 foot schooner, which Captain W. J. Selig recently purchased at Wrangell and which arrived here on Tuesday afternoon from the North. The new boat is a fine vessel and Captain Selig is being congratulated along the waterfront by many of his friends who have visited her. It is now lying at Cow Bay.

## CAMERON HEADS CONSERVATIVES

P. M. Miller Chosen Secretary-Treasurer—Other Offices to Be Filled Later.

## LOVE FEAST FOLLOWS RECENT PARTY SPLIT

R. W. Cameron is the new president of the Prince Rupert Conservative Association and P. M. Miller is the secretary-treasurer. Both are returned soldiers and both are old time residents of the city. They were elected at the annual meeting of the Association last night, President C. H. Orme presiding, and with J. R. Beatty, secretary.

Following the break in the party ranks at the recent provincial election it was thought that there might be some fireworks at the annual meeting, but none developed and all the speeches were of a conciliatory nature. After the election of the president and secretary, it was decided to hold over the election of vice-president and executive until the next general meeting.

On the election of Mr. Cameron by acclamation that gentleman spoke briefly, referring to the recent election campaign and urging that the conflicting elements forget their feuds and get together in the interests of the party.

Refuses Nomination. In choosing a secretary, two names were put in nomination, that of Percy Miller and J. R. Beatty. The latter expressed himself as highly honored by the nomination, but in view of the fact that there had been some discussion and for the sake of unanimity and in the interests of the party he decided to withdraw. Mr. Miller was then elected by acclamation.

Capt. Forby took exception to the action of Mr. Beatty during the recent campaign and said he would resign as a member of the Conservative party as a protest. Mr. Beatty pointed out that Capt. Forby was not a member of the Conservative party.

Addresses were given by M. M. Stephens, O. H. Neilson, Captain Forby, A. W. Edge, and W. J. McCutcheon, all of whom spoke hopefully of the future of the cause which they represented. There was a good deal of enthusiasm and the meeting though not very large was quite representative of the Conservatives of the city.

## WAR VETERANS MAY HAVE BAND

Thirteen Prospective Members Have Signified Intention of Joining.

At the Great War Veterans' meeting last evening the proposition of establishing an association band was taken up and W. H. Derry was appointed chairman of a committee to work on the matter and obtain estimates as to the cost of instruments and other equipment. Already Mr. Derry has the names of thirteen prospective bandmen and the association is giving the matter enthusiastic support.

## GREEK PREMIER DEAR OLD MAN

Hates Venizelos and Not Admirer of Monarchs.

ATHENS, Jan. 14.—Demetrios Rhalis, the new Greek Premier, who succeeded Venizelos when the latter was defeated in the elections last autumn, hates the sight of Venizelos and has by no means always been an admirer of Constantine, who now has been re-elected as king.

Rhalis regards Venizelos as a political adventurer. This in part may be due to the fact that when Venizelos came from Crete to Athens and gained the political ascendancy, Rhalis' reputation as a politician was somewhat damaged.

In his long political career, the new premier has generally been at loggerheads with the crown. He often had disputes with the late King George and it was not until Constantine was deposed by the Entente powers that Rhalis really regarded him seriously. This action of the Entente, however, converted Rhalis to become a supporter of Constantine's cause and since 1916 he has been devoted to that ruler.

Rhalis is one of the most interesting characters in Greece. He is a polished statesman and is often referred to as a "dear old man." (He is about 80.)

His favorite pastime is sports and fowling, which he pursues in great numbers, and feeds with his own hands. When not in public office he practices his profession of the law. In his younger days he spent a considerable fortune in politics.

## GET RID OF THAT COLD IN THE HEAD

If Neglected It May Lead to Pleurisy or Pneumonia.

Just as "tail wags from little acorns grow," so is a common cold often the seed from which spring serious diseases such as pleurisy, pneumonia and other lung troubles. Taken at its start, a cold yields to proper treatment. Neglect it and it not only causes serious inconvenience but it is very liable to develop into diseases which are rightly dreaded by all.

That cold can be relieved in a single night by starting to take Grip-Fix as soon as the trouble appears.

This remedy strikes right at the root of the complaint. It keeps the system open, it relieves the nasal congestion. It relieves the feverish condition. It comes in capsule form and acts promptly. Two capsules taken three hours apart give wonderful results, and one capsule at two-hour intervals thereafter finishes the work.

Have a box of Grip-Fix in the house. Never be without it these days. On sale at all druggists. 25c per box.

## COOPERAGE FOR PRINCE RUPERT

W. E. Denning and William Wilson have Plans in Hand for New Industry

Plans for establishing a co-op-erage, the missing link in the local fish business, are now well under way and in a short time a plant will likely be in the course of erection at Cow Bay, its temporary site. This announcement was yesterday afternoon given to the Daily News in an interview with W. E. Denning, one of the principals in the proposed venture.

The need of such an establishment here to supply barrels, kegs and herring for the local fish industry has long been felt and arrangements are now in such shape that the new plant will likely be able to supply the demands of this coming season.

**Domestic Requirements**  
Besides supplying the fish business the establishment will also cater to domestic requirements in Prince Rupert. It will supply all the Northern fish business and will also manufacture kegs and barrels for the fishing boats. In the construction of these articles B.C. fir and spruce are mainly used and these woods are easily obtainable. It will be possible to supply to the northern business at a figure much lower than at present, the lower prices being made possible largely by the elimination of freight rates, which are necessarily high with the bringing in of such bulky articles from the south, the present source of supply.

**Returned Soldiers**  
The principals in the new venture are W. E. Denning, a well-known old timer here and now secretary of the Longshoreman's Union, and William Wilson, government inspector for the herring pack at Alberni. Both are returned soldiers and highly capable men. They are backed by the Canadian Fish and Cold Storage Co., various northern cannery interests and the fish business generally. Government support is to be given to the concern and with favorable word from the Industrial Commission expected in a few days, the actual work of establishment will shortly commence.

### SCHOFIELD INQUEST REOPENS TOMORROW

Widow, Now Recovered, Seems to Be at Loss to Account for Cause of Tragedy.

The Schofield inquest is to be re-opened tomorrow by Coroner McMullin. Three weeks ago the hearing was adjourned in order to have an autopsy examination made and also to give Mrs. Schofield, the principal witness, an opportunity to recover from the sad Christmas affair.

Mrs. Schofield is now up and about but she seems to be somewhat at a loss to account for the cause of the poisoning which resulted in the death of her husband and her own narrow escape. Whether it was something that had been eaten or the fumes from the stove in the ill-ventilated house, remains to be proven.

There may be something you want. See the classified column

## PILES

Are Generally Caused By CONSTIPATION.

There are few, if any, complaints more common than hemorrhoids, or piles, as they are commonly called, and scarcely any which cause more trouble, annoyance and misery.

Nearly per cent are troubled with them at some time or other, owing to allowing the bowels to become in a constipated condition.

Piles are caused under three headings, i.e. itching, bleeding and protruding, and the excruciating pains which accompany them cause misery which is beyond description.

Opium and suppositories may help and relieve for a while, but to get rid of them, it is necessary to have a free, easy and natural motion of the bowels, at least once or twice a day, and by doing this the cause will be quickly removed.

Milburn's Laxa-Liver Pills regulate the flow of bile to act properly on the liver and bowels, thus removing the constipation and all its allied troubles.

They contain no alcohol or drastic mineral ingredients, being purely vegetable, they are small and easy to take, and do not eripe, weaken or sicken.

Milburn's Laxa-Liver Pills are 25c. a vial at all druggists or dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

### CLEMENTSON IN HIS LAST GAME TONIGHT

Popular Athlete is Leaving at End of the Week to Go Mining at Hyder.

Tonight there is to be an interesting basketball game in the Exhibition Hall between the Elks and the Sons of Canada. Besides being an important factor in the league standing, the Sons of Canada and the Elks being now tied for second place, the match will also mark the farewell appearance of G. C. Clementson, the mainstay of the Elks' team, who is leaving at the end of the week for Hyder to go mining with his brother-in-law, S. G. Benson. There will likely be a good crowd of fans out to see big Clem's last game of the season. His departure will be keenly regretted in all athletic circles of the city.

Tomorrow night there is also to be a basketball game when an all-star senior team will play a Port Simpson Athletic Association five.

## HUTTON MILLS CLOSED DOWN

With No Logs and Glut of Lumber in Yards Plant Suspends Operations

The Hutton Mills, 58 miles east of Prince George, closed down last Saturday and most of the employees have left the place, some of them coming west, but most of them going to Edmonton where new mills are about to open up. There are two reasons for the shutdown. First the supply of logs has run out and, second, the yards are filled with unmoved supplies of lumber. Loggers are still working in the woods and will continue to do so, but the removal of the lumber from the yards is indefinite. At the present time freight rates have made the transportation of lumber for long distances almost prohibitive.

In the spring the Hutton company will likely make a drive for the sale of lumber in the nearby farming districts. Although the reopening of the lumber mill is uncertain it is likely that the planing mill resume before long. The Hutton mill is one of the last mills on the line of the Canadian National to suspend operations. In the last season the local Provincial Bureau sent a number of men to this point.

### SCOTLAND IS MAINLY AGAINST PROHIBITION

Majority of Over 200,000 Votes Favor of Continuing as at Present

EDINBURGH, Jan. 20.—Scotland has definitely decided to remain mainly wet. Voting on prohibition under the Scottish Temperance Act has been concluded with this result:

Polls were taken in 572 areas, with the result that 496 voted for no change in the present regulations, 31 for abolition of saloons and 35 for limitation of drink licenses.

As a consequence, out of a total in Scotland of 9,374 licenses, 447 will be withdrawn.

Of 1,153,978 individual voters, 692,222 were for no change; 442,530 for prohibition and 19,226 for limitation.

### FERRIS WHEEL IS BEING DISMANTLED

PARIS, Jan. 20.—The carriages for passengers are being taken from the big Ferris wheel here and sent to the devastated regions of France where they will be used as huts for the homeless. They are just big enough to make a diminutive home containing one living room and a kitchen.

The Ferris wheel is being dismantled after having been one of the sights of Paris for many years.

Among other suggested reforms they seek the establishment of a West African University; the removal of the color bar in the West African medical service and the introduction of immigration laws to prevent the influx of undesirable aliens to British West Africa.

**HOME RULE IN WEST AFRICA**

Mission to England in Connection with Extensions of Local Government

LONDON, Jan. 20. — West Africa is the latest country to seek home rule. A mission, representative of educated opinion in British West Africa, has arrived here to urge upon the Colonial office a number of reforms in the internal administration of the four West African colonies and protectorates, Sierra Leone, the Gold Coast, Nigeria and the Gambia.

The mission has been sent to this country by the National Congress of British West Africa, and seeks in the first place the creation of a legislative council which will be composed one half of members chosen by the crown and one half of members elected by the people, and for a house of assembly which would have complete control of the revenue and expenditure.

As to local government, the mission urges that local corporations should be established in each of the principal towns of the colonies.

The judicial system of British West Africa, in particular Nigeria, is criticized by the mission which states that at present "it is the practice to appoint to judicial office Europeans who have not received any legal training and who are not competent to exercise judicial functions."

Among other suggested reforms they seek the establishment of a West African University; the removal of the color bar in the West African medical service and the introduction of immigration laws to prevent the influx of undesirable aliens to British West Africa.

**After the "Flu"**

Four Children Had Whooping Cough

Whooping cough, although specially a disease of childhood is by no means confined to that period, but may occur at any time of life. It is one of the most dangerous diseases of infancy, and yearly causes more deaths than scarlet fever, typhoid or diphtheria, and is more common in female than male children.

Whooping cough starts with sneezing, watering of the eyes, irritation of the throat, feverishness and cough.

Dr. Wood's Norway Pine Syrup is highly recommended by mothers everywhere for the relief of this trouble as it helps to clear the clogged-up air passages of the mucous and pungent that has collected, and in this way bring on the "whoop" which brings the so-much-sought-for relief and heals and soothes the lungs.

Mrs. J. M. House, Imperial, Sask., writes: "After the 'flu' last fall, my four children took whooping cough and one of them developed bronchitis. After using two or three bottles of Dr. Wood's Norway Pine Syrup they were greatly relieved of their nasty coughs. It is an especially good remedy for children, and is so nice they take it readily, and ask for more."

Dr. Wood's Norway Pine Syrup is 35c and 60c a bottle at all dealers. Put up only by The T. Midura Co., Limited, Toronto, Ont.
